

Recommended Virtual Workshops for Résumés, Cover Letters, and Interview Prep!

Internship
Program

Introductions to Résumés Workshop, Thursdays 10:30am - Noon

This group class shares the different types of résumés, uses for each type, top things to include and to avoid and current best practices to get your résumés recognized and land an interview! (Please note: this class does not go over your own résumé, but shares how to build your ideal one in a detailed way and provides materials to support you when you edit your own.)

Interview Workshop, Mondays 1:30pm - 3pm

Study what to do before, during, and after your interview to maximize your chance of a job offer. Prepare for common questions and create a strategy for success.

Soft Skills Workshop, Wednesdays 1:30 - 3pm

Identify your personal strengths to share with employers in areas such as dependability, initiative, and problem solving.

Networking Workshop, Fridays 10:30 - Noon

Identify ways to network and build a team of friends, family, co-workers, and others who can help you land a job.
