Subject: PC 242 Battery Report- Report number

Good morning [REDACTED]

I reviewed the report Deputy Espinosa prepared and it is not dispositioned as unfounded. The report was forwarded to the District Attorney's office as a battery report. While monitoring our report tracking system, it was found the report has not been reviewed yet by the DA. Which means the case is not dismissed. I am not sure where the leasing office is getting their information from, but your case is awaiting further review.
