

INVESTMENT OPTION & PROMOTIONS

Leonine Holdings is currently offering two options for new client investments. These two options will continue to be ongoing, but the current promotions listed below are for a limited time only.

Cash Based External Funds or Credit Based Loaned Funds.
Understand the difference and compare the incentives for each investment option.

CASH BASED - EXTERNAL FUNDS

This is the traditional avenue of investing external funds which the client already has in their possession. This option offers the best returns on investment, flexibility of Funds, and initial deposit bonuses. (see promotion below)

CASH BASED PROMOTION:

- 10% Initial Deposit Bonus** (applied to overall account balance)
- 2.5% per month guaranteed return (paid quarterly at 7.5%)
- 25% beneficial draw (explained on page 10 of 1Q 2024 Leonine Investment Presentation)
- 30 month minimum investment period

*CREDIT BASED - LOANED FUNDS

This investment option utilizes the clients creditworthiness to obtain funds for investment; thus alleviating the need for the client to use their cash reserves. This is the preferred option for a client which doesn't have significant cash reserves or have their cash liquidity in other investment products.

CREDIT BASED PROMOTION

- 10% Signing Bonus** (paid as cash advance upon signing of loan documents OR applied as Bonus to overall account balance)
- Monthly loan payments included
- 2% per month guaranteed return (paid quarterly at 6%)
- 25% beneficial draw (explained on page 10 of 1Q 2024 Leonine Investment Presentation)
- 36 month minimum investment period
