“Walking with Mary: A Scripture Study with WINE” is a meditation on God’s word from Genesis to Revelation designed to bring us closer to the daughter of the Father, the mother of the Son, and the spouse of the Holy Spirit—the Blessed Virgin Mary. Each week, we will focus on Scripture passage about Mary, reading and praying it daily and recording what the Lord is saying to us in our Called by Name WINE Journal. We will reflect on words of wisdom from our sisters in Christ about that Scripture and respond to the questions provided for a lively small group discussion. As with all things WINE, we you to gather once a week to rejoice and share your experience with Word of God, encourage one another along the journey, and watch the video of the author of the Scripture reflection.
