

# HYBRID-TOOLS

Hybrid-Tools can be mounted on any peg board, hooks, stored in a bag or tool box.

**Warranty:** Hybrid-Tools LLC offers a 1 year replacement on any manufactured defects. Warranty is void if any abuse on the shovel heads and handles. Tool heads and handles are not designed to use as hammers, pry bars, hammering into the ground, objects, or as a weapon. Splines on tool heads and Acme adapters may get scuffed and burred up if not protected by hanging caps (supplied) when not in use. Warranty is void if any tampering, modifications, hammering, drilling, unscrewing or disassembling.
