You need a financial account to register

To verify your identity, we will need a number from ONE of your financial accounts. We can use any of the following:

- Last 8 digits of Visa, Mastercard, or Discover credit card OR
- Student loan OR
- Mortgage or home equity loan OR
- Home equity line of credit OR
- Auto loan

You will only need to provide the loan account number or a few digits from a credit card number. We only use this information to verify your identity. **You will not be charged any money and are not sharing any account balances or other financial information with us.**

We can't verify debit cards, corporate cards, American Express, Barclays, or some cards issued by banks in U.S. territories. Additionally we can't verify student loans issued by Nelnet.

A soft inquiry will show up on your credit report to let you know that the IRS accessed your credit report information. This will not increase or decrease your credit score and lenders will not be able to see this.

Do you have this financial information available? (If you don't have the account information on hand, you should answer 'No'.)

You need a phone number or a verified address

We'll need one more way to verify your identity. The easiest way is to send a code to your phone by text message (SMS). Your phone must be a U.S.-based mobile phone number associated with your name.

You can also complete identity verification by receiving a letter in the mail. If you choose this method, you'll either need a U.S.-based phone number OR an iPhone, iPad, or Android device to complete registration.
