COMFORT. SAFETY. STYLE. PERFORMANCE.

Arrow

CSC
California SideCar

Introducing the CSC Arrow, designed specifically for Indian Motorcycle Chief models with the iconic styling that California Sidecar is known for. Our Arrow trikes feature industry first ground effects and removeable fender skirts, along with a host of carefully crafted options to personalize your Indian. Our kit mounts to your Indian tourbox or ours, or you can go without for that beach cruiser look and still have 6.2 cu ft of trunk space for your cargo.

Optional Ground Effects

Optional Performance Brake Upgrade

Removable Fender Skirts

SUSPENSION

Independent Suspension

- * Light weight & strong cast & forged aluminum structural components
- * Purpose designed JRI nitrogen-charged gas shock
- * Eibach 300 lb/inch spring standard. Optional spring rates are available.
- * Optional preloader to accommodate varying loads
- * Maintenance and adjustment free components

DRIVETRAIN

Drivetrain

- * Maintenance-free Gates belts, a precision jackshaft assembly which matches Indian gear ratios, and a CSC exclusive differential.

DISC BRAKE SYSTEM

Disc Brake System

- * Our brake system completely integrates Indian ABS for sure footing on the slickest roads.
- * Patented, forged & CNC-machined, four-piston, aluminum calipers
- * Our performance upgrade offers drilled rotors with vented and red anodized calipers for improved heat dissipation.

OPTIONS

Options

- * Chrome LED light bar that functions as running, turn, & brake lights
- * Power trak for a power steering feel
- * Ground effects
- * A wide selection of optional wheels
- * Performance brake upgrade
- * 2.6 cu ft CSC designed tour box with optional luggage rack
- * Electronic radio antenna (for Indian radio)
- * Black or tan fender bras
- * Electronic reverse
- * Spring preloader to accommodate for varying loads
