Dear Homeowners,

**Happy Spring to all
Coventry Homeowners**

“WOW,” we are now entering into a new year with the hope and prayer that the virus will be gone. As we prepare for the New Year, I would like to ask that everyone put their thinking caps on and allow your imagination to venture into ways that we might improve our community.

As your president, I do apologize for the many problems that have been created based on the virus and the challenges that the virus has created within all businesses and service providers. 2020 and 2021 have been a real challenge for our community based on the employee challenges that our pool vendor and lawn maintenance vendor, who we rely on for services, have faced. We are presently looking at the possibility of bringing both services in-house in order to give us better control over the services.

Our community holds a “FREE” Zumba class every Thursday night for ages 12 and up from 6:30 – 7:30 p.m. Overhead lighting has been installed at the tennis and pickle ball courts at Harvest Lake which provides opportunity for residents to use those courts until 9:00 p.m. In the last few years, Zumba and pickle ball have become very popular and successful in bringing people together. I encourage you to check out these 2 activities our community offers. They are a great addition to your fitness regimen, as well as being great fun.

I would be remiss if I did not thank the many volunteers that give their time, dedication and passion to improving and making a difference in our community. In my 38 years involved in community service, I must say I feel so blessed to be part of the Coventry team of volunteers. It is the variety of ideas, the mixture of various talents, the willingness to give, the desire for improvement, and a heart to serve, that produces such a successful team. The more people we have like that, the more we can accomplish. Come join the team . . . **We need YOU!**

Please accept this letter as an invitation to join your Board at each monthly Homeowners Meeting starting at 7:00 p.m. Your ideas and your opinion will be very much appreciated and helpful in making a real difference within our Coventry community.

Thank you all for the opportunity to serve you. Your feedback is beneficial and necessary in helping your Board find solutions to your concerns.

Happy spring to you all,

Tony D. Collins Sr.
President, Coventry Homeowners Association

FREE COVENTRY ZUMBA® CLASSES

@ Harvest Lake (weather permitting) - ALL ARE WELCOME!

Every Thursday from 6:30 - 7:30 PM

Come joining me for fitness and fun every Thursday at Harvest Lake or the Coventry Clubhouse located at 100 Wrought Iron Bend. These classes are *FREE!* There may be times I will want to hold the class outdoors on the Harvest Lake tennis courts due to ideal weather conditions. Make sure you contact me to get on my Zumba® email distribution list to be notified weekly. I also hold indoor Zumba® classes on Tuesdays and Saturdays in Hampton. If you have any questions, feel free to contact me at (757) 508-4587 or at collije2@gmail.com. Keep your eye on the Coventry marques or look for the large pink Zumba® flag.

WHAT IS ZUMBA® YOU ASK?

Zumba® is a workout featuring movements inspired by various styles of Latin American dance, performed to music. It's become a popular and trendy workout across the globe. And since Zumba® involves movement of the entire body — from your arms to your shoulders and to your feet — you'll get a full-body workout that doesn't feel like work. You'll burn calories, burn fat, build endurance, and have fun doing it. And, there's no right or wrong way to do Zumba®. As long as you move to the beat of the music, you're participating in the exercise.

Thank you from your Zumba® Instructor,
--Jenny Collins

Remember . . . Keep Zumba'ng!
