RESOLUTION - #1-08-08

Excessive speed on our gravel roadways has created a dust problem as well as washboard and pothole conditions. This problem of excessive speed creates a necessity for additional road maintenance.

Based on the foregoing, it is hereby

RESOLVED:

The Board of Directors will change the speed limit from 25 mph back to the original 15 mph on the gravel roadways. The speed limit of 25 mph will remain in effect on the paved roadways.
