

Wonderful group of folks attending the Wild Edibles event this year at

Millbrook Marsh Nature Center, State College, Pennsylvania

A beautiful place to visit. Boardwalks to stroll, lots of native species.

Wild Edibles with Debbie Naha

Sunday October 7th

1:00pm-3:00pm

[Register now!](#)

Join edible plant expert and forager, Debbie Naha, for an informative program to open your eyes to the wild world of edibles. Your adventure will begin with an indoor presentation, followed by an identification walk, and ending with wild tea tasting. Space is limited. Don't miss out on this unique opportunity.

To learn more about [the Wild Edibles Lady](#).

Watercress (non-native)
