Micah 6:8

Humberto Fernandez is a former welding student with a wonderful testimonial of his life's transformation and deliverance unto the Lord. After completing the MCM Basic Welding Course provided by David Nerud, Executive

Director of Micah

Cornerstone Ministries, Humberto

immediately started working through his neighborhood and surrounding areas welding window bars, driveway gates and other metal projects. After his wife's life-saving surgery and hospital stay, Humberto was able to use his welding skills to work and raise the money needed to pay the hospital bills. Without the welding business he would have had no opportunity to afford her life-saving surgery.

Please continue to pray for Humberto and his family.
