# **HIRING PROCESS:**

## **APPLICATION**

An application may be completed online or obtained from the City of Portland Human Resources Department. The application must be accompanied by a cover letter and a resume. Resumes are used as part of the screening process so candidates are advised to submit a solid, professional resume. Upon receipt of your application, we will notify you of the next available written test date.

## **WRITTEN TEST**

Produced by a national testing firm, the written aptitude capacity test consists of multiple choice questions which measure general aptitude and attributes important in performing as an entry level police officer. The test is administered online at the Portland Police Department several times per year.

## **PHYSICAL FITNESS TEST**

Candidates must pass the Maine Criminal Justice Academy's physical fitness test prior to attending the Academy. The test consists of sit-ups, push-ups, and a timed 1.5 mile run. A significant number of candidates are unable to pass the fitness test and, consequently, must be removed from our hiring process. Please take the time to review the fitness requirements and adopt a training plan to ensure you are prepared to pass the test.

## **RESUME REVIEW**

All candidates who pass the written and fitness tests are moved forward into resume review. A committee reviews the resumes for basic qualifications such as educational experience, work experience, skills (i.e. foreign languages) and activities. This process is competitive and a well-written resume that shows some preparation for police work is helpful.

## **ORAL INTERVIEW**

Candidates who pass resume review are interviewed by a panel comprised of department representatives and a Civil Service Commissioner. These interviews are low stress with questions intended to prompt candidates to talk about themselves. The panel makes recommendations to the Chief of Police who determines which candidates will move on in the hiring process.

## **BACKGROUND INVESTIGATION**

All candidates remaining in the process are given a background book to complete. The completed book is assigned to an investigator who will work to verify its contents. The purpose of the investigation is to uncover any disqualifying events in a candidate's history. Honesty is at a premium here and false information, misinformation, or failure to disclose information will lead to removal from the hiring process. In order to expedite the process, you may download a background book and complete it prior to your interview. *Disqualifiers during the background phase include illegal drug use within five years of application\* Recent marijuana use is no longer an automatic disqualifier. It is now being considered in context of the candidate's entire background. Therefore marijuana use will be reviewed on a case by case basis and will be considered based on, but not limited to, recency and frequency. Other disqualifiers are a less than honorable discharge from any branch of the military, convictions or have engaged in any conduct which would constitute Murder, Class A, Class B, Class C, or Class D crimes, or any provision of the Maine Criminal Code, Chapters 15, 19, 25, or 45 which include thefts of property valued at over \$ 500.00, Falsification in Official Matters, Bribery & Corrupt Practices, and Drugs. Candidates are removed from the hiring process if they falsify or misrepresent any information during the application process , background investigation or polygraph examination.*

## **CONDITIONAL JOB OFFER**

Candidates who satisfactorily complete the interview and background investigation may receive a conditional job offer. Upon acceptance of that offer, the next stages of the process take place.

## **POLYGRAPH EXAMINATION**

All applicants must complete a polygraph examination. Again, the emphasis is on honesty.

## **JOB SUITABILITY ASSESSMENT**

This stage consists of written testing instruments employed by a Department consultant. The results of these tests and an interview are transmitted to the Department. Candidates must satisfactorily complete the job suitability assessment to continue in the hiring process.

## **MEDICAL EXAM**

Candidates are required to undergo a comprehensive medical examination designed to reveal any medical condition that may affect work performance or require some sort of accommodation. Upon completion of all steps in the hiring process, the Chief of Police

shall make a final review of the candidate's complete background file and determine if the candidate shall be given a job offer. Successful candidates are sworn in and sent to the Maine Criminal Justice Academy for 18 weeks of instruction prior to beginning their career in Portland. The City of Portland is an affirmative action/equal opportunity employer. We are fully committed to encouraging minority and/or female candidates to apply.

## **FINAL JOB OFFER**

After successful completion of all previous steps, candidates will receive their final job offer. Once the job is formally accepted, they will prepare to attend the Maine Criminal Justice Academy to become fully certified police officers.

## **LIFE AT THE ACADEMY:**

The Maine Criminal Justice Academy is an 18 week residential program. Cadets are required to reside at the academy Monday-Friday during training hours. The academy is a military style training facility that challenges cadets academically, physically, and practically through scenario-based training. Cadets will learn the importance of chain of command, physical fitness, report writing, officer safety, community policing, problem solving, etc.

The Portland Police Department hosts a Pre-Academy training that provides cadets insight on what to expect at the academy. This week-long training program includes marching, physical training, and exposure to the structure of academy life.

The Maine Criminal Justice Academy is located in Vassalboro, Maine, approximately 1 hour from the police department. Most officers travel together to and from the academy.
