ARTS PERFORMING- 2022

Members of our club enjoyed the theatre as they scheduled three trips to the Surflight Theatre in Beach Haven, NJ. On August 9 forty- one club members were entertained by the performance of "Return to Margaritaville"; on August 30 seventeen members enjoyed "Chess, the Musical"; and on December 8 thirty-seven members were wowed by the presentation of "White Christmas". This theater is a member of The South Jersey Cultural Alliance and provides a great opportunity for local residence to enjoy a great theater experience.

At our March (birthday celebration meeting) we were entertained by the Lacey Township High School Select Ensemble a group of 25 girls and boys as they shared some of the songs of Carole King. It was very impressive.

At each general meeting our chairperson, Jeanne Scafiddi asks a member or sometimes two to lead the group in a patriotic song following the Pledge of Allegiance. Although they may choose any, it is most often God Bless America.

At our December luncheon meeting chairperson Jeanne led a holiday sing-a- long. Twenty of our members (formerly Merilee Singers which was disbanded due to illness of their leader) were excited to be performing again. And we really got into the holiday spirit!
