### DIRECTIONS TO OWNER/APPLICANT

The following is a list of projects that must be submitted for architectural review. This is not an exhaustive list; if your project changes the exterior look of your residence or your property, it needs to be submitted for review.

- Repainting
- Addition
- Porch/deck/patio/pergola
- Hardscape
- Fence
- Low-voltage landscape lighting
- Basketball goal
- Playset
- Landscaping (new beds, removing beds, new trees/bushes, removing trees/bushes)
- In-ground swimming pool

**The following is a list of items that are prohibited by neighborhood rules and restrictions and will NOT be approved:**

- Unpainted or unstained surfaces
- Window A/C units or A/C units in the front of the house
- Exposed fireplace flues on the outside of the house
- Gravel, asphalt, or other “natural surface” driveways or sidewalks

- Basketball, tennis, or other sport courts
- Plastic landscape bed edging
- Red dyed mulch
- Above-ground pools
- Storage sheds, greenhouses, and other "outbuildings"
- Carports
- Chain link, wire, or similar fences
- Animal runs
- Treehouses
- Batting cages
- Artificial Turf
- Use of zoysia, Bermuda, or buffalo grass

All applications for native area installations in Westwood Hills must be submitted to the Architectural Committee for review and approval before materials are ordered and installation begins. Completed applications should be submitted by 5pm on the second or last Wednesday of the month. The Committee will then meet the following Wednesday to discuss and vote on your application. You will be notified in writing if the plans are either "Approved," "Approved with Exceptions," or "Not Approved." If the plans are "Approved with Exceptions" or "Not Approved" you will be provided:

1. A list of additional information that needs to be submitted and approved before that element of the project can proceed; or
2. A list of required changes needed to make the plans acceptable.

Plans that need revision must be resubmitted to the Architectural Committee for review and approval.

After plans are approved, applicants must wait an additional seven (7) days to provide opportunity for any member of the HOA who is dissatisfied with the decision the right to appeal such decision to the HOA Board.

### **Changes to Approved Plans**

**Any changes to plans after having been "Approved" MUST BE submitted to the Architectural Committee in the manner outlined above.** It will not be necessary to submit a complete set of plans, only a copy of the affected sheets. Again, the Committee will notify you in writing whether proposed changes have been "Approved," "Approved with Exceptions," or "Not Approved."

The project must be completed pursuant to the "Approved" plans. No individual member of the Architectural Committee has the authority to approve changes. Any and all changes must be submitted and approved in writing.

### **Upon Completion of the Project**

Once the project is completed, please e-mail photographs to the Architectural Committee. The Committee will notify you in writing of any items that do not conform to the "Approved" plans. Any nonconforming conditions must be corrected within 60 days. In the event corrections are not made within 60 days from the date of the notice of deficiencies, Westwood Hills reserves the right to follow the Enforcement Procedures set out in the WH Fine Schedule Approved 11.22.20.

**1. ATTACHMENTS**

Select all that are included with application:

- Site plan
- Photograph(s)
- Product brochure(s)
- Landscape plan
- Scaled elevation(s)
- Irrigation plan
- Other

**2. PROJECT DESCRIPTION**

Please provide as much detail as necessary to understand the scope of the project. If product or model name/number(s) are not available, it is acceptable to submit photographs, drawings, or brochures with pictures of the product(s) to be used. Attach additional pages as necessary.

When completing this form, check each box to verify that you have reviewed the item and that the submitted plans include the required information.

### 3. IRRIGATION GUIDANCE

Please attach a scaled irrigation plan for the project. Note that the Westwood Hills HOA Declaration of Restrictions requires that the entire lot be irrigated, and that if the lot backs up to an HOA common area, the irrigation system must be designed to overspray the common area landscaping if needed, as well as easements along the street. The Homes Owners Association shall be provided access to the control panel and shall have the right to operate the sprinkler system if the Owner fails or refuses to do so as directed by the Board. The irrigation plan must include:

- House address
- Irrigation installer name and contact information
- Indication of north
- Minimum scale of 1"=20'
- Head locations and head types
- Mainline, lateral lines, valve, and controller locations
- All property lines, curb lines, sidewalks, patios, and other hardscape should be shown.
- Pipe size, pipe material, and controller model and manufacturer
- Main valve manufacturer and model
- System must be designed to overspray any common areas at the back of the lots if needed, as well as easements along the street.
- The Homes Association shall be provided access to the control panel and shall have the right to operate the sprinkler system if the Owner fails or refuses to do so as directed by the Board.

NOTE: The irrigation plans shall be modified for an "As Built" drawing indicating valve location as measured from two fixed points. A copy of this "As Built" will be provided to the Committee within 30 days of completion of the irrigation system.

**APPLICANT'S ACKNOWLEDGMENTS: (PLEASE INITIAL EACH ITEM)**

I/we understand and agree:

1. \_\_\_\_\_ that work on the proposed project shall not begin until written approval of the Architectural Committee has been received by me, unless Architectural Committee has failed to respond within 35 days of their receipt of a complete application. If work is begun prior to approval and the application is not approved, I/we will be required to return the property to its former condition at my /our own expense and I/we will be required to pay any legal expenses which may be incurred.
2. \_\_\_\_\_ that approval by the Architectural Committee shall in no way be construed as to pass judgment on the correctness of the location, structural design, suitability of water flow or drainage, location of utilities, or other qualities of the proposed plans being reviewed.
3. \_\_\_\_\_ that approval by the Architectural Committee shall in no way be construed as to pass judgment on whether the plans are in compliance with the applicable building and zoning codes of the City of Lawrence/Douglas County.
4. \_\_\_\_\_ that previous approval of a given style or project on another property does not constitute future approval.
5. \_\_\_\_\_ that there shall be no deviations from the plans, specifications, and location approved by the Architectural Committee without prior written consent of the Architectural Committee; any variation from the original application must be submitted for approval.
6. \_\_\_\_\_ that I/we authorize members of the Architectural Committee to enter upon my/our property to make one or more routine inspection(s) to evaluate compliance with the approved plans.
7. \_\_\_\_\_ that construction in accordance with the approved plans must commence within three months of the approval date, otherwise the approval by the Architectural Committee shall be deemed to have lapsed and a new application must be submitted for work to proceed.
8. \_\_\_\_\_ that it is my/our responsibility and obligation to obtain all required building permits, to contact a utility locator company, and to construct the improvements in a workmanlike manner in conformance with all applicable building and zoning codes.
9. \_\_\_\_\_ that I/we are responsible for any damage and all cost to repair green space or community property that may result from the proposed construction.
10. \_\_\_\_\_ that I/we understand and are familiar with the design review requirements and procedures for the Westwood Hills HOA, Inc.
11. \_\_\_\_\_ that any mud, dirt, or debris left in the street due to the construction of this project shall be cleaned up by the end of each working day.
12. \_\_\_\_\_ that all five pages of this application and a scaled plan as outlined in Section 3 must be received for your request to be considered.
