PROJECTS

Best Western, Tusayan, AZ:

Framed and installed 321 images for newly constructed addition to the hotel. The framing included double mats with v-grooves, glass and frames that I matched to their decor. Installed each piece with security hangers.

Greenberg Construction:

Purchased artwork for client. Framed these 86 images with glass and double matting. Upon completion of framing, delivered and hung the finished artwork. Job complete from start to finish in 8 days.

Kinney Construction:

Request to frame 8 pictures within a week. Resulted in framing 38 pictures in same time frame. Materials included a black 1 1/2 cubed frame with double matting & glass.

Arboretum of Flagstaff

Went on site to look at decor & where pictures would hang. Designed & framed for over 36 pieces of 100 plus year old original hand tinted drawings of various plants. Delivered the finish product. Job was complete in a two week time period for their Opening Ceremony.

Flagstaff Medical Center

On going framing throughout the facilities. Examples include Multi opening mats for physician pictures, display frames that open & close to change out new bulletins, and award presentations.
