Crown Micro-Tech 600

Crown Micro-Tech 600 Rack Mount 2-Channel 1800W Power Amplifier MT600
Able to drive low-impedance loads with ease, Micro-Tech amplifiers feature three separate power supplies for exceptional reliability and impressive power ratings. Our patented ODEP circuitry keeps the amplifier working long after others would quit. Grounded bridge circuitry doubles the available voltage without placing output transistors in stressful configurations like other more conventional amplifiers.
