dear friend Truman,

God bless you my fellow traveler.
Bless you, as you share in your letters.
Forgive me for my past answering your
9 Feb. writ.

Of recent I am privileged to be reading Pat Shannan's book: "Everything They Ever Told Me Was a Lie" volume one. It relates to much of the mention you make re "state lands" there in Alaska. Sadly there is no lawful money so if one proved up land ownership and SOLD it he/she would be taken advantage of, left only with credit which is already his/hers before the SALE. All fraud; all LIES. ~~The~~ The scum are in no "legitimate" position to dictate any of it to "The People".

Hope! We do have the Holy Spirit and The Word, as well as the solid assurance of Jesus' stripes, atonement and resurrection that His will for our healing, health, direction and salvation is sure today, tomorrow and forever.

you shared a generous offer for a book or so. I would count it a blessing to have "EPIGENETICS" by Dr. Joel A. Wallach. He also has "Dead Doctors Don't Live" a health eye-opener. ☺

There are many answers for prayers coming to fruition. The Lord is moving several forces that hold certain promise for liberty. Even the coronavirus crisis is possibly moving President Trump and others for liberty for those of us over 60. At 70, I can be sure of quality. With 100s of prayer warriors, the Mountain shall be cast into the sea. 23+ years of false imprisonment should be far too much.

You may have a mountain or two. Let me know what you may need and we can call on The Lord — for He answers us. ☺

So do not fear, for I am with you;
do not be dismayed, for I am your God.

Isaiah 41:10 NIV

Last night "Somewhere In Time" played Art Bell, 21 March 1996, about the attack on us, "Montana Foremen" (without a single warrant; in Indian country, NW of Jordan, Montana). Bell was clearly prejudiced against us and he nor most of the callers had little or no clue what was going on. Tho' trying to portray neutrality, Bell was clearly for the unlawful trespassing feds burning us at the stake. This, when he did NOT even know who we were. ~~He~~ LIES were wide spread, as they could not let people know we stand for God, The people and country. Dana (my wife) and I were especially hated for our efforts to educate and help people; "America First: Basics of Law"; and for helping farmers and ranchers stay on the land. ~~The~~ The Lord Jesus knows us the whole truth and we are atoned for ever since He won over death and was resurrected to life over 2000 years ago. HalleluYah!

I pray you are far away from Coronavirus, as is plaguing so many world-wide. This raises many questions, as well as, may be prophetic. Due to my age, 70, I appear to be eligible for release for home confinement. It appears we will shortly have an advisory meeting for learning what is needed for proceeding with this. Family, friends and FAMM legal and administrative people are all stepping in for their relief. Perhaps I can soon write or call from home.

I trust the Jors for blessing you and yours.
So pleased for sharing
in His service
with you,
