Meine Lieb Brudder Truman,

God bless you and yours! As you can see I am blessed w/ your conversation of 12-16-20. The whole creation glorifies our Lord Jesus Christ.

You may recognize this stationary sta. It is I ran your letter's back through the copier but your letter bled through. O'well. It gave me a platform for joining your conversation. Because Jesus is our life we truly have and hold the fixest life no matter what. The one most blessed gift of Christmas fully ours, no matter anything else. The good tidings of great joy for all ceaselessly ours. Jesus is our King; our God; our Life!

Since our most recent letter the unthinkable began election is installing communist darkness. None-the-less, Our Lord rules. Those attackers have been pressing the satanic way throughout time. It is time God's people repeat and call on His name. Six is cause for bringing Babylon down on these generations. We truly need to stand with our Lord Jesus Christ. All power in heaven and in earth (Matthew 28:18).

We are seeking liberty a.s.a.p. The cause is 100% legit. The Lord Jesus has this one and soon. Time for thankful prayer.

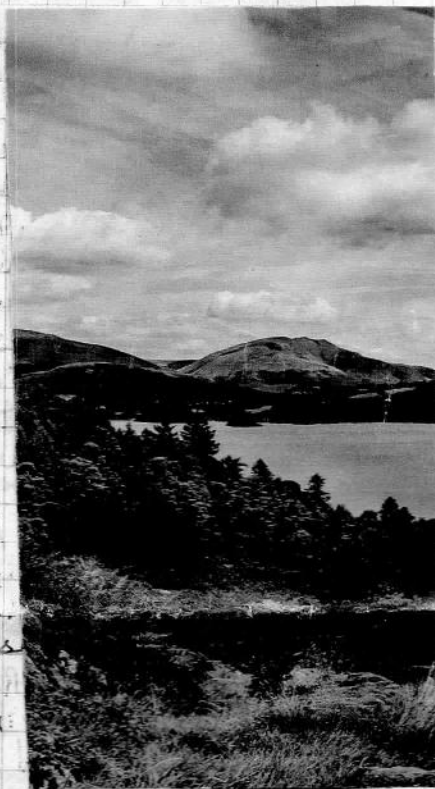

The COVID-HOAX is a crisis, the one-worlders have exploited. The secret societies, satanic, definitely are behind it all. Here, they control the legalism (not law). The legalism is a set-up; a FRAUD. Key actors are such as Masons, Jesuits, Elders of Zion, Ural-ya, Thule, Illuminati - all satanic - UN satanic. Consider who sit as corporate/public judges. It is all planned, all a set-up.

At least there is no shortage of Caribou. I trust you'll have a freezer full.

It is reported Iowa is having blizzard conditions today (15th), high winds and 4" to 8" snow. They report we should expect snow showers here today and tomorrow. Temps still in 20s and 30s.

Rush Limbaugh turned 70 the 12th. He truly needs a miracle healing as lung cancer is haunting him. I pray Christ's stripes healing over him daily. A healing can be a vivid testimony as he has a large audience.

Of recent I've been studying Pastor Dean Odle's book: "Like Clay Under the Seal" for 3rd time since received in July. As our Bible clearly states earth is flat; firmament above, water below and above; heaven above. The absolute PROOF is firm. The LIE has been furthered for 100s of years since Copernicus. Earth IS NOT a ball spinning 1000 miles per hour; traveling 66000 mph around the sun and the universe through space over 500,000 mph... all LIES for turning us against our Creator, Jesus Christ.

See the hard evidence for yourself: Genesis 1:6...; Psalm 19... and at deanodde.org, also fireandgracechurch.org. You'll find your copy of the book at AMAZON. Snail address: Dean Odde Ministries & Fire and Ice Church, P.O. Box 4275, Opelika, Alabama 36803.

I would love to sincerely thank who sent me the book, but here we have no way of knowing. It is SPOT ON! You will also find more on the www about true nature of Creation — flat earth; firmament; heaven; water above, water below. We have been totally deceived — brain washed.

10 months locked in 7'x10' concrete-steel bunker, plenty of time for study, (275 days out of 300)... if we were out 2 hrs per day, but we've had several days we were not out of building even 2 hrs. Gulags on America — allegedly re: corona. Torture. The bogus UN says more than 15 days in isolation is torture, a violation of human rights. Yes on America, 1000s of people. Massive numbers of political prisoners. (Red Symphony).

I pray your gardening plans go well. They should go well. You are in my prayers, you and yours everyday thanking the Lord for looking after you.

I read "THE FORGOTTEN SOLDIER" by Guy Sajer, who at 16 went to the Eastern front, as Germany fought the communists. He was raised in France, his father French, his mother German. By numerous miracles he survived 3 years of deadly horror. It was so bad, I had to put it down a couple times to recover and then read on. This classic German WWII memoir eliminates all delusions instilled by Western propaganda. Gen. Patton was right. Germany should have been USA ally against Stalin's hordes. ~~the~~ FDR/Morganthau's aid to Stalin shameful treason!

What have we done? We have seen our country slipping into immoral sin... murder nearly 70 million unborn... Bibles and Christ not allowed in public (corporation) schools... LGBTQ must taught to children... LGBTQ on open display with govt enforcement everywhere... must in every source of entertainment... usury throughout... What can we expect? Consider God's Babylonian destruction of Jerusalem in Jeremiah's day.

The Capitol Building attack was a set up. They knew it was coming days before. It did not spontaneously occur as a result of President Donald John Trumps speech. The B.S. impeachment a total constructed SHAM. The communist get so much traction due to "sin". Babylon is coming! We can not be blessed bathed in sin.

When they attacked us at Justus Township over Jordan in Montana, one of the first complaints was that ~~that~~ our weekend seminars were opened with a Bible study by Dale Martin Jacob. The wicked hate all who stand with God, with Jesus. A key reason we were attacked in hope of destroying us. We were are not criminals, never were, yet right here in America have been ravaged seeking our destruction. STANDING w/ JESUS.

Jesus (John 1:1) is TRUTH and the wicked can not stand TRUTH. Nothing we've seen and suffered a surprise when we study His written word and know The Way!

I am blessed here as we have GOD Christ ~~in~~ on radio and Three Angels Broadcast Network. There is much good teaching on these. 3ABN are 7th Day Adventist. I do not get caught up in Saturday nor Sunday Sabbath. The Gregorian calendar is changed times. The true Bible sabbath is 7th day but not Saturday nor Sunday. We can get truth from Bible and Creation itself not man made calendars.

BLM and Antifa involved in actions invading U.S. Capitol on 6 January. All part of the narrative for wrongfully demonizing President Trump. And the slime blew ahead with the bogus impeachment SHAM. Evil has no bounds. More evidence of serious state of affairs on American. Sin has consequences. There is nothing the wicked will not lie about to justify their sins, wicked agendas. ~~x~~ How far from truth can the stretch?

A street in Town

Now what? We continue in lock in 7'x10' concrete-steel dens. More noise about corona. It appears personnel problems at corona infects them. They left a note 3am, some alleged MB some noise about national events (What events)? 25,000 troops reported in DC. More out of control than reported? Pandemic, or otherwise? What is really going on? Censorship everywhere. What are those trying to hide. Who is behind it all? The Lord Jesus over all. God's people know truth. The wicked in fear. Carrier group in S. China see ordered in place. BIDEN/HARRIS Chinese lackies. YHVH is fulfilling Bible prophecy. How many distractions? World-wide revolution appears to be in progress. We reportedly advocating masks for entire future. CRAZY control scam!

Strong voice for Christ; Strong voice for MAGA has the dark powers in fear. Huge gathering in DC scared them to the core. Concentration Kamps all across America cannot save them.

There is a test on the horizon that will test all. Christ is not welcome in BIDEN/HARRIS scheme nor are descendants of European Christian founders. Attack on our Creator.

The enemy is within the gates. That is one reason they hate the wall. The strangers seek to steal the USA and enslave the survivors. They hate any form of independence. That is why they hate energy production and independence. Any dummy knows CO₂ is not a pollutant and man's foot print has no mark on world climate. It's all about control. About enslavement, about denying YHVH's dominion over all. Isaiah 14:12-21. Satan wants to take what's YHVH's. He is already defeated forever. ☺

I have never seen anything like is going on in this evil BOP, et al., since they attacked us over 25 years ago. They are fearful, disheveled and surely see their dooms day at hand. SO BETT! The WORD, TRUTH prevails.

Interesting pythagorean number 13 they have executed since July 2020. What works for them works against them. Romans 8:28. They cannot erase The WORD, John 1:1, 14. Darkness cannot overcome the Light.

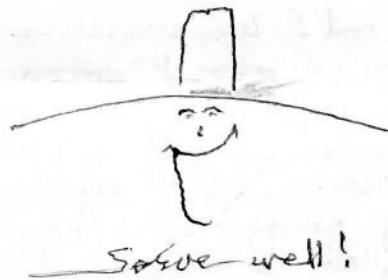

The blind leading the blind into the ditch. ☹

There is One Lord Jesus Christ. He is our life. We have Kingdom work to do. May our strength be of Him and our work be a work unto His Kingdom that He use us for a good work indeed. Our

prayer apples of gold in a picture of silver. Bless you and yours Truman.

with Love of Christ
now and forever,

rex-russell-dean

P.S. Come Lord Jesus! Our King; Our God; our Life!
