

God's Saving Love Is Free

THE TEN COMMANDMENTS

And God spoke all these words, saying:

1. I am the Lord your God, who brought you out of the land of Egypt, out of the house of bondage. You shall have no other gods before Me.
2. You shall not make for yourself a carved image—any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. For I, the Lord your God, am a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth generations of those who hate Me, but showing mercy to thousands, to those who love Me and keep My commandments.
3. You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in vain.
4. Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the Lord your God. In it you shall do no work; you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates. For in six days the Lord made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore the Lord blessed the Sabbath day and hallowed it.
5. Honor your father and your mother, that your days may be long upon the land which the Lord your God is giving you.
6. You shall not murder.
7. You shall not commit adultery.
8. You shall not steal.
9. You shall not bear false witness against your neighbor.
10. You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor his male servant, nor his female servant, nor his ox, nor his donkey, nor anything that is your neighbor's.

On my mother's side Rodman's from Netherlands/Holland and my grandmother A Burroughs from England in part. I was born at Charles City, Floyd County, Iowa 5 Nov 1949, 2³⁰ pm Central Standard time. There are no prison rules in these regards that I know of. I'm of course a mushroom and here in this darkness being sheltered and certainly not all knowing.

Here I'm sharing "truth" which certainly contradicts the wikipedia Leak "Bank Fraud".

en: I know that nothing the Montana Firemen were doing was criminal. The "warrants" (never checks) issued by Jeffrey Michael Schwitzer (1938-2011) were all valid; were spelled out lawful and legal in the Bank Officers Handbook, 1981 ed. in vogue at the time. NO banker, in good faith, would ever have encountered customer complaints. NOTE: no banker nor bank is named, nor particulars about "alleged" complaints.
 zw: Jeffrey Michael settled over 9 billion dollars obligations for people (over 4,000 warrants; over 5 years) still settled today.

don't know all knowing, I have ³
no knowledge of any such cause for
purchase of munitions; arms, etc. The
activities at Justus (Cal. 400) township
were lawful, peaceful efforts for re-
stitution of the united States of America,
republican form of government, lost in
1861; and completely disregarded, "New
Deal" 1933 - by Franklin Roosevelt and
international banking cartel "Federal
Reserve System" (FRB). The banks
and customers would love to see
the Freeman come and restore integrity

Walker F. Todd, Attorney, retired as
attorney for the Federal Reserve System of
Ohio and of New York. Sought the oppor-
tunity to testify in total favor of the
Montana Freeman in 1946. He stated he

would testify that Leroy Michael's "COMPTROLLER WARRANTS" were
not only valid but were superior to the negotiable instruments of
the Federal Reserve System. The so-called courts would not allow his
testimony as it would have resulted in acquittals. There was "NO"
bank fraud. He was not merely qualified as a witness but was an
"expert witness" in all financial matters. You may locate a detail-
ed affidavit of Mr. Todd's testimony in the record of the CIRCUIT
COURT OF THE COUNTY OF OAKLAND, STATE OF MICHIGAN, Case No.
03-047448-CZ; BANK ONE, N.A. v. HARSHAVARDHAN DAVE and
PRATIMA DAVE, jointly and severally. [(Doc. #24-0) filed: 01/23/2017
Case: 2:16-cv-00097-BSM (Federal Court number)] [U.S. District
Court, Detroit, Michigan]

Should you have access and be able to read Mr. Todd's
affidavit yourself you will KNOW why I say the Montana
Freemen committed NO CRIMES! Godly men working for help-
ing people overcome usurious bondage - Proverbs 6:1-5.

In these states private international bankers led the
people into bondage/sin - for decades the people were LIED
to and made to believe the Federal Reserve System is a
government function. LIE! In 1960's in a nominal case in
the State of Minnesota, Jerome Daly v. 1st Nat'l Bank of
M. the judge allow a banker to testify that the

4 Federal Reserve System is not government at all - the lent NO MONEY - but rather put the borrower in bondage and pay the bank "usury" for the FRAUD they are duped into. Jerome was disbarred; the banker who testified; and, the judge in their 40's both had fatal accidents within the year for EXPOSING the evil. Yet, the satanic system continues to: "steal, kill and destroy" to this day. (John 10:10).

Meine ~~is~~ Vater taught me every day in our Christ-ian home that "right-is-right." I learned there is much seriously wrong! The last time I spoke to Jerome Daly fall of 1995, from our law office near Four Oaks, North Carolina; we spoke over a home, as he told me from his retirement home in California, that we were on-point and the lies must be EXPOSED and the financial system MUST be corrected that sin there could rule no more. I, my wife Dana; and, others carried that torch of TRUTH for good mess sake - thus we were trapped up in Justice township, over Jordan, Montana and have suffered their grievous assault on our family.

Jan 7, 2000, our son Ryan-Dean Landers (1974-2000) was murdered when the SUV he was riding in with Susan O'Brien, on a ski trip, was ran off a cliff near Portage, Wisconsin. By the grace of God our younger son had been forced to stay home for High School basketball practice. They did that to us for stopping my relentless legal-lawful efforts for securing my release. Much more to this should be on www.

I'm looking at your beautiful card. Picture perfect buildings, fields and landscape reminds me of oz farms and ranches in Iowa. Yes, I, a Deantschlander transplant in Iowa am "a real cowboy" as God is for us - none can stand against us!

Our Lord has been very good to us in our journey. #1. He as always been there for us. Overcoming the wicked one, many times when we knew not all he's been doing for us. He is NOT failing us now, and, His glory will be full day after day, now and forever. Glory HalleluYah!

Why I remember many a good time I had  playing the trombone. I've played before 1000s in New Orleans Convention center, in Las Vegas and many other places over the years.

Our families, our children, grand children, so many ways!

Thank the Lord I had an early start. I grew up in the Lutheran tradition. My father's father was confirmed in the Victorian Lutheran church a mile from where I grew up. It was a German speaking congregation until WWI. My first Bible, a King James version, was given to me at age 7. I had it until this mess. Perhaps I'll find it will be in property in North

Carolina.

The fighter jet is a German aircraft I found in a magazine recently. Likely it was training closer to you than me. As I pray training will be all they need to do.

Here on America we of German descent are the largest minority here.

Here in this unlawful sequester, the majority of those here are Muslims. They are hard to understand, some very strange ideas. It's a cover-up so they can have a place for secretly away and silencing political prisoners. I have seen the entire population change over 3 1/2 times in the nine years I've been here. I've been here longer than all but 1 person. False imprisonment for silencing TRUTH is the game! Hard to believe, right here on America. I have been in prison 1/3 of my life for things that never happened and things that ARE NOT laws.

During WWII my father was a bit older than many recruits as fate would have it, he became a trombone player in the army's Air Corps band in San Antonio and Corpus Christi, Texas. He was a crack shot, but welcomed the opportunity to avoid shooting brethren in Christ for the Banksters. He went to be with The Lord in September 2004. Had he stuck around he would have been 100 next September.

Along story; I've lost him, there's matter and many others during this unwanted journey. The Book of Job a real help. My model for life, The sermon on the mount, Matthew chs. 5, 6 and 7. There we learn of "loving our enemies".

Dear Betal may our Lord bless you and keep you. I pray ~~and~~ one day we may meet and share. I would love for you to share a tour of Germany and perhaps you would think it good to share a tour of the United States.

I am optimistic our Heavenly Father is working with some of his best for my liberty and that of some others, as well!

With love of Christ,
Courage, and,
Thanks giving,
Your fellow servant,
Rex-Russell-Dean
