THE BIBLE in ONE YEAR
EZEKIEL 40-41 and 2 PETER 3

dearest sister Therese,

Surely goodness and mercy shall follow you all the days of your life and we shall dwell in the house of the Lord forever.

As it is a blessing and a privilege sitting and writing you from Therese, we shall share a few more thoughts, stories and thanks with Eucharistes.

I borrow and exchange a few thoughts as I have your letters: 11 Nov; 15 Nov; 19 Nov. and other parts shared. The weekend as it unfolds here means the blessing of more quiet and the time for sharing. I pray my day or so journal brightens your day and blesses you!

Above I share your blessing as so kind a servant. No greater purpose in our lives serve the Lord and serve others. An answer for the question; "Why were we created?". Your recent Rutherford Report about how woefully ignorant our people are, it is a sure sign there is so much work for us, God's people, to do. Such as you neighbor bound by demonic spirits and displayed as Halloween. Another example of Satan's war on earth.

I am so blessed with the books - reading, sharing - I thank you for asking as here, we have no way of knowing who has been so kind and shares with us. They hand us the nice new books but no info as to who sent them. Absolutely, with thanks I (and others) are enjoying these blessings!

The Last Will Be First

Recently I was among the last in line to board a large passenger jet with unassigned seating. I located a middle seat beside the wing, but the only spot for my bag was the overhead compartment by the very last row. This meant I had to wait for everyone to leave before I could go back and retrieve it.

I laughed as I settled into my seat and a thought occurred to me that seemed to be from the Lord: "It really won't hurt you to wait. It will actually do you good." So I resolved to enjoy the extra time, helping other passengers lower their luggage after we landed and assisting a flight attendant with cleaning. By the time I was able to retrieve my bag, I laughed again when someone thought I worked for the airline.

That day's experience made me ponder Jesus's words to His disciples: "Anyone who wants to be first, must be the very last, and the servant of all" (MARK 9:35).

I waited because I had to, but in Jesus's "upside down" kingdom, there's a place of honor for those who voluntarily set themselves aside to attend to others' needs.

Jesus came into our hurried, me-first world not "to be served, but to serve, and to give his life as a ransom for many" (MATT. 20:28). We serve Him best by serving others. The lower we bend, the closer we are to Him.

JAMES BANKS

Loving Lord, help me to follow You into the needs of others and serve You there.

Jesus's kingdom is upside-down.

Your most recent John W. Whitehead, "Let's Make America Free Again..." On point! Stupidity is fatal, and America has a terminal case. There are no legislated legalisms that apply for "We-the-People" — NONE! ~~Penhallow, et al. v. Doane's Administrators~~ Penhallow, et al. v. Doane's Administrators, (Supreme Court)

[1 L. Ed. 501] HEADNOTES:

"In as much as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons, the imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. The legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc., can concern itself with anything other than corporate, artificial persons and the contracts between them."

S. C. R. (Supreme Court Reports) Penhallow v. Doane's Administrators, 3 U.S. 54, [1 L. Ed. 51], 3 Dall. 54

Romans 5:13 ... but sin is not imputed when there is no law. [Where there is no law there can be no infraction.] KJV/AV. NONE

No so-called state nor federal legislative acts apply against We-the-People. I am now in the 22nd year of false imprisonment where there was NEVER a bad act nor crime committed by me, nor my wife, nor any of us. LeRoy Michael Schweitzer was poisoned/murdered in prison, 20 September 2011; our son Ryan Dean murdered 2 January 2000, and Scott Edward Hildebrand (questionable) dead at 51, 6 August 2009. -- many, many more. millions falsely imprisoned for \$trillions in Prison Bond Credit and political expediency. As Mr. Whitehead exposed, No frontline protection from tyranny. (Penhallow — deleted from prison library.)

There was a time when "The People" ruled their homes under Christ and Christ was at the center of education the children. Today (3 generations, so far) schools dumb down people with LIES of commission and omission. Ignorance can be cured; stupidity is fatal.

Where there is no God there is no life — NONE! Even Satan only became Satan when God created him. ~~He~~ We have duties for our King Jesus. Read about them in the Bible. Devastating for all when they discourage us of The Bible in education. Without The Word (John 1:1, 14), stupidity unto death rules!

How have the practitioners done away with protections of law; the Constitutions (US and state), etc.? Remember these two words, "consent", "assent" and the phrase "bargain of the parties supersedes the rule of law". Combine these with the maxim of law "you can not impede private contract." Combine these and ignorance and there is no constitution, nor any law protecting anyone. Small children are taught to put their name on papers (sign) = consent. When one "signs" for Driver's License, Marriage License; dozens of others, he/she waives all rights and protections of law in lieu of specific performance under contract. Waives what one imagines and gives license for state, local, federal, etc. actors so they can "violate" you; jail you; steal from you, etc. Courts ARE NOT courts — they are collectors in bankruptcy of the UNITED STATES (New Deal — War Powers — bargain of the parties) where you by contracts are the surety/debtor. Debtor has no rights, cannot state a claim. See?

Our Life Is a Primer

The New England Primer was published in the late 1600s. Throughout the colonies that would later become the United States, the book became a widely used resource.

This early American textbook was based largely on the Bible, and it used pictures and rhymes based on Scripture to help children learn to read. It also included prayers like this one: "Now I lay me down to sleep, I pray the Lord, my soul to keep. If I should die before I wake, I pray the Lord my soul to take."

In Colonial America, this became a way that one generation was able to pass along their faith to the next generation. It fit well with what God wanted of His people, the ancient Israelites, as recorded in Deuteronomy 6:6-7, "These words which I command you today shall be in your heart. You shall teach [God's commandments] diligently to your children, and shall talk of them . . . when you walk by the way, when you lie down, and when you rise up."

As we talk about who God is, what He has done for us, and how He desires our love and obedience, our lives can become primers to the next generation. We can be teaching tools that God will use to help people in their walk with Him. ☉

DENNIS FISHER

☉ Lord, we love You. We want to learn to love You with all our heart, soul, and strength. Use our lives and our words to point others to You, who first loved us.

When we teach others, we're not just spending time, we're investing it.

TODAY'S READING
Deuteronomy 6:4-9

You shall teach them diligently to your children . . . when you walk by the way, when you lie down, and when you rise up. v.7

4 The "bargain of the pasties" / contract is with the Satanic system. The signor-surety has made a deal with the devil and rejected life, liberty and private property under God. No sane man or woman would dare make such a "bargain." The whole world is DECEIVED! ~~↔~~

How many know the flag/ensign for the states united reminds in symbol of His sacrifice for us. Original 13 stars, not for states. The represented 13 tribes of Israel. Ignorance is not bliss and stupidity is fatal/deadly. LIES/DECEPTION everywhere. 5 pointed stars = Pentateuch - 1st 5 books, the Law of our only law giver. No Bible in school, no foundation, no TRUTH, no law. We did not learn of the flag. In

9 years of college, a legal education - NEVER revealed. Why not? ~~↔~~

Red, His blood
white
His back

Upside down - signal under siege!

NOTE: The Confederate Battle Flag. Red panels - His blood; cross with 13 5pt stars - Tribes of Israel, with the key; white band on cross, His back bloodied by His sacrifice; Royal Blue cross for King Jesus. How many have a clue? Hello!

We see in EXO-VATICANA how a world smogged in ignorance without a sound foundation in sucked in by the powers of darkness. There, I truly agree we've never seen anything like today's darkness. Closing off generation from "The Fight" a short-cut for destruction.

Royal Blue King Jesus

Mild here for this time of year. You may have less days of snow even in south central Minnesota. I was reading re: Mastadons found in Siberia ("In The Beginning") they estimate they died in sudden temp shift for an excess of -150°F. Wow! Now that would be a winter blast. I've experienced -54°F below zero in Montana and when you spit it forms little BBs that scoot across the ice snow. I that -37°F below skiddy at Sugar Hills, Grand Island, Minnesota was cold. Wow!

5/

From description of Mammoth's food it appears they may have been eating lush greens like these. Lol.

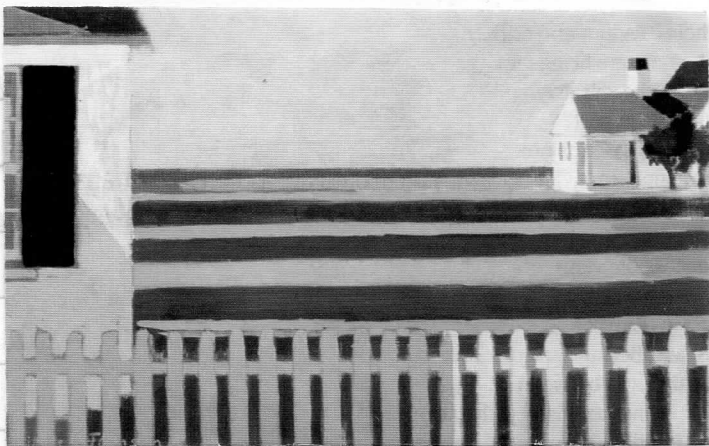

You mentioned your movie experience with Ken Ham's Noah. I trust your drinks were satisfactory, Ha! Ha! It is hard to believe how low can they get? The Word warns of days like that.

You mention your "strangeness" where you work. My father lived (existed) his last few years in "The Lieke Care Center" / "Nursing for seniors" at Greene Iowa. My sisters gave him life in prison so they could get the "staff". Lock down was 11 pm, no outdoor rec. and "Team" ever 6 months. Just like here. He died of a broken spirit. No physiological reason according to the funeral director. (2004). Romans 8:28. I pray for my sisters and their families. They are in the Lord's hands, as well.

Every man, woman and child is "bound", a slave of the corporation, under the Crown, under the Vatican starting with the Certificate of Live Birth. The "trap" is designed for capture and subjugation of every one who does not know how to free his/herself from the snare. Consent/Assent - trapped! A subject/slave owns nothing. He/she only has possessory interest - it is all left for the Vatican, et al. Liberty must be specifically, formally claimed as the formally standing enslavement stands from until it is formally claim. The trap is sealed until firmly unraveled. All US citizens are Dead-Pole artificial, evidence of a slave/citizen subject.

6,
It is Sunday evening, 7:30pm EST.

It is quiet here at the table where I eat most meals. Room where I have eaten most meals for over 9 years - nearly $\frac{1}{2}$ way through year 10. Hope for this being the last, TRUTH must prevail.

The crime syndicate, Potomac Mafia with plants all across the states united/we-the-people's home soils, have duped The People, pretending to be legitimate a so-call Federal Government have nearly succeeded in overthrowing, unlawfully, the united states of America. It is ALL being EXPOSED! Perhaps the largest FRAUD; largest coup in world history. And We-the-People are the victims! Of the TREASON!

Good Note: Trump returned 3 million acres to State of Nevada, that Obama attempted to claim for the bankrupt United States of America, Inc. Remember the so-called government(s) own NOTHING, not one thing. We-the-People own all! The "Tree Huggers" are screaming, so what!

Cold moving in - 20° by weekend. Iowa deer hunters were not happy last weekend. No snow and warm temperatures - the herd scattered and hard to track. A few years experience, I can relate.

Sadly commentators such as Mr. Whitehead cite "democracy". Democracy is fast track for tyranny. The best known "democracy" of the 20th century elected Adolf Hitler Chancellor and resulted in 10s of millions of deaths; devastation and waste. I am pleased for those who speak out and expose, but hope for more hard hitting TRUTH!

← Perhaps a little reminder of a little warmth and sunshine absent from the Twin Cities and surrounding areas.

Our Christian brother Will sent me a fine letter, all is well. He shared a bit of a calamity when he realized his Billy goat for winter meals. I'd guess something about old Billy did not want to be meals. I was a good letter - made me chuckle! I cannot tell you how much letters and such lighten the burden of overcoming this worldly scheme!

As you can see your new year calendar announces 2018. This a year our Lord has made, let us rejoice and be glad in it!

I received word from Pastor Ralph Geo. Daigle of Michigan. He informs of appearance of a lot going on, unreported. Word is CIA, FBI, NSA all on lockdown, by the U.S. Marines as the swamp is being drained and the Cabal dismantled, all the pedophiles on the run as more than 8000 grand jury indictments already handed down with many arrests and passports taken. The Beast under gozzy prophetic prosecution. The Potomac Mafia and accomplices are facing their well past-due Waterloo! Prayers are being answered!

Mail returned, not deliverable, for my friend Jerry Rose. They said the p.o. box closed, no for warding. I must be patient and see where he is. Got's of funny business. One cannot be sure of the whole the truth in such events.

I was NEVER quiet nor settled about Al Franken. A born loser. How many fingers were in the scheme that sent him from Minnesota for a stint in U.S. Senate? That is a VERY strange bird!

Our daughter, Amy, told me malls in Waterloo Iowa are ghost towns. She took her 8 year old Ava and daughter-in-law with grand daughter (4 mos.) to the Mall in Waterloo Halloween night for treats. She said there are few stores still open. Grand daughter, Stella Jean, is my great grand daughter. Her dad our oldest grandson (21). Cross-roads was the place to shop when I lived in that area. Now, a ghost-town!

I received two Christmas cards from friends in Montana. People all across the land know of the evil that has been poured out on so many.

You, your sister and others be careful where you get your food. Check it with Al Joel Wallack and be sure you're getting the 90 essential elements of life. A friend here had a visit. His cousin told of frequent death of young people - Chicago. People less than 50 just dying suddenly with no apparent cause.

May our Lord Jesus bless and keep you!
In Christian love,
Bless you!
