dear Will,

Greetings in the name of our Lord Jesus Christ! So privileged and blessed in every way having a brother in Christ such as yourself. Our Lord Jesus Christ (Jn 1:1, 14) our One true guide in His purpose ever present - Amen! I pray your strength is ever whole that His work in you, in us is bearing much good fruit. Bless you, your grand parents and all in the Lord's work there.

On the reverse you will find revealing introductory pages opening understanding of how "the system" that seeks to steal us from our Creator, the Lord Jesus Christ has been doing so in our generations. We are proud for leading a private life under God and knowing how to turn from being cast into the bondage of the world. You may find this interesting. It is liberating, in Christ, and without Him it would mean nothing. The word asks, "Who has eyes to see?" Such information is hidden in plain sight. (One day not too distant, over 800 pgs will be available... in latest basis). The Lord is exposing darkness to "The Light". The world seeks to counterfeit all for denying our Creator, our Lord Jesus Christ. It is all being EXPOSED.

Stop and think about some of the documents one might sign in their lifetime. If you are a mother of a child to which you gave birth, you most likely signed the application presented to you by hospital staff for a birth certificate. Before you signed the application did you ask if your signature was required or voluntary? Had you asked that question, you would have been told your signature was a requirement to comply with the Census Act. Nothing could be further from the truth. Nothing, including one's signature, obtained by coercion, intimidation, force, or fraud is valid.

When one signs an application for some sort of a permit or license do you read what you are applying permission for? are the terms such a permit is binding you too clearly spelled out on the document you are signing? Have you fully investigated whether you really need permission to do what you are seeking permission to do? Ask yourself, "what God-given rights will I give up" by signing said application, or accepting the terms you are requesting. Before you apply for a permit or a license ask yourself if you really need what you are applying for.

How many, I wonder, of you readers of these writings; take the time to study what your true rights are. The constitution of this country states that we-the-people have the right to Life, Liberty, and the Pursuit of Happiness. Few people today have ever read any of the founding documents of this country, if they had, they would know that we have the right to contract with whomever we wish, and refuse to contract with those we don't. No one has the right to force anyone to contract. Look at all the various things people sign from day-to-day. When you open a bank account you not only sign the application to open the account, you give your information, which includes your social security number. Have you checked the verbiage on the application to see if you are granting your permission to verify your credit or to access your credit? Think, for a moment, if the application asks to verify your credit, you're granting permission to check the status of your credit - how you use your credit - to determine if you pay on time and are worthy of establishing an account. If however the application asks to access your credit, you're granting permission to actually use your credit and you're giving all the information to do so together with your signature. Words have meaning!

2/ The lines between public/fiction and private/God given real life are purposely blurred in their efforts for stealing (John 10:10) all you have and are for the Prince of this world.

We start children off in the "public/fiction" today so foreign that they seek to deny them God (since 1962). This has been an assault that has people sorely deceived. Our stand must be in The Word, in Christ Jesus. We must fulfill our duty as Watchmen on the wall.

 When I started school in a one-room country school, 1954, our teacher Mrs. Merfield read from her Bible to us and we prayed together, then we learned our studies. When we moved and went to school in the nearby town we still saw The Word and sang songs that at times were hymns; at Christmas sang Christmas songs — later in band we played Christmas music for the Christmas programs. Now, the children are steered clear of God and Jesus, as

the indoctrination is communist/atheist away from God the Father and from Jesus Christ. It is turning out children who are lost and confused, unprepared for a moral, family centered, Christ-centered life. It is our responsibility as servants of The Most High for teaching the children in the admonition of The Lord!!!  (I see deficits in my own family as I've not been there for setting the standards in Christ. Ripped away by satanic forces — "the system" (idol)

As you can see from the case cited above Public Law only allows a fiction to interface only with other fictions therefore government created the ALL CAPS name, a fiction, in which to interface with. You are the source of the created fiction bearing your name in ALL CAPS and the date of your live birth. As the source, everything created from the source belongs to the source.

"The earth is the LORD's and all its fullness, the world and those who dwell therein" (Psalm 24:1 the Bible). "For every beast of the forest is Mine, and the cattle on a thousand hills. I knew all the birds of the mountains, and the wild beasts of the field are Mine. If I were hungry, I would not tell you; For the world is Mine, and all its fullness" (Psalm 50:10-12). As we read these and other verses of God's Word we see that God is "The Source" of all He created and He rightly lays claim to what is His.

Since you are the source of everything created in your name, you must lay claim to all these created things and my already published book tells you how to lay claim and how to enforce your claim. Very few people realize what has been created in their name, but it all can be claimed by the source as the sole beneficiary of the things created in their name. Even though you, unlike God, did not create these things, you are the sole source of them and therefore the sole beneficiary of them. God is God the One and only living God and He created you a living human being, not a fiction.

There are some things created in your all Caps Name you must lay claim to in order for you to remove yourself out of the public side of life and into the private side of life. I will only give a couple of example here since most all of the things you will ever claim is in my already published book. The first thing you must claim is the corporate fiction government created in your name (my already published book gives all the details how to claim this fiction). Second you

must claim the Social Security number issued in your name (see book). Another claim is the constructive trust created in your name as you being a beneficiary of same since you are the sole source of same.

most important claim is to claim your status in society as a live God created flesh and blood man or woman residing within the human body He created for you as a "Transient Foreigner" upon the soil of \_\_\_\_\_ county, located on the soil of \_\_\_\_\_ state with your domain being the Kingdom of God.

6.

Since the government acting as "Government Incorporator" had to use you through your Certificate of Live Birth, to create the fiction known as your ALL CAPITAL LETTER NAME, INC, you, being the source of this newly created corporation, are able to claim it as the "Executor" of said corporation which is your ESTATE held in TRUST for you as its sole source, which makes you the sole beneficiary of the "Trust" and the "Corporate Fiction."

Please note the words of the Chief Justice of the "U.S. Supreme Court" for the public corporation known as the "UNITED STATES OF AMERICA, INC" incorporated in Delaware on April 19<sup>th</sup>, 1789 under File Number 2193946 and originally incorporated in Cardiff, England on February 27<sup>th</sup>, 1871: "In as much as every government is an artificial person, an abstraction, and a creature of the mind only," (NOTE: the words artificial person) a government can interface only with other artificial persons, the imaginary, having neither actuality nor substance, is foreclosed from creating and affixing parity with the tangible." It is for this reason "your corporate name" was created.

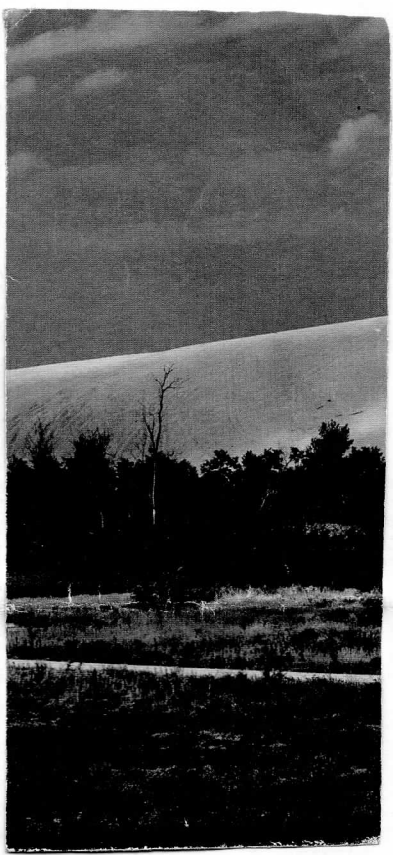

Please pay close attention to the second sentence in this excerpt from the Chief Justice's ruling in the above case. Read these words carefully and you will see why the need was, and is, so important for the corporate fiction. "The legal manifestation of this is that no government, as well as any law, agency, asset, court, etc., can concern itself with anything other than corporate, artificial persons and the contracts between them."

It is no wonder that your signature is one of your most important possessions. When you give your signature you are entering into a contract. According to the Code of Federal Regulations (26 CFR § 301.6109-13) one may give one's signature and one may withdraw one's signature for cause. Under international law one also can give one's signature and may withdraw it for cause by filing Form 541 with the entity to whom signature was tendered. When asked for one's signature, how many think to ask "is my signature voluntary, or is it required?" If one is told their signature is required, ask for the law applying to such requirement. Before giving your signature read the entire document before giving your signature, including the fine print. If full disclosure is not contained on the document you sign this is cause to withdraw said signature.

3/ Silence - inaction = an invitation for the satanic

forces for imposing their will on people. Most people today are absent without leave from their Christian duties. Bibles by closed, dusty in a box in the attic; or on the back of a shelf; or under a stack of old books or magazines. NEVER studied. NEVER even dusted off. It is not just an ornament, or is it?

Consent for the "godless world view" is always the Christian's fault. Usually it is simply due to neglect/assent. By consent, enslaved, in bondage to the false god/the system. [You can't do that, the system won't let you,] is a statement echoed every day. You can say a prayer at graduation, "The system won't let you do that." Imagine that. Placing "the system/fiction" over God, ~~and~~ over our self and others. We are to worship God, never "the system/fiction".

"The system" is a counterfeit for God. The deeper one studies, the clearer it becomes "the system" is crafted by Satan to deceive even the very elect. The Bible has the truth of the matter and discloses wisdom for knowing God's plan and purpose, which is never counterfeit. Proverbs 3:5,6.

Most of us, all too easily err because we fail to put all of our trust in God, and fail to avoid leaning on our own understanding. Surely it is time to learn and do it in this way.

In addition to the "Certificate of Live Birth" given to the mother of a new born baby male or female child, the mother is also given an application for a "Birth Certificate" and an application for a Social Security Number. These applications and a certified copy of the recorded "Certificate of Live Birth" are sent by hospital staff to Human Health Services — Department of Vital Statistics and Records located in the state capital.

Upon receipt of these documents the Department of Vital Statistics and Records, using the "Certificate of Live Birth" as the source, issues a long form "Birth Certificate" issued on bank bonded paper provided by American Bank Note Company — an agency of the federal government. The Long Form Birth Certificate is on bank bonded paper because the Birth Certificate is created as a Bond. The Birth Certificate, unlike the "Certificate of Live Birth", which is written in cursive writing, is typed or printed in the child's name using ALL CAPITAL LETTERS.

Once the Birth Certificate is issued/created it is packaged together and attached to the certified copy of the "Certificate of Live Birth" which is the source of the newly created Birth Certificate — and the application for a social security number (SSN Form) executed by the new born child's parent and sent to the Secretary of the Treasury located in Washington, District of Columbia.

When these documents are received by the Secretary of the Treasury's Office they are given an IMF number under the authority of the Secretary of the Treasury and is also the governor of the IMF. (The IMF number is called a Social Security Number). Once the IMF/SS number has been issued it is attached to the documents and delivered to the Department of Commerce, who acting as Government Incorporator, incorporates the ALL CAPS NAME — creating the fiction known as the ALL CAPS NAME and returns all documents to the Secretary of Treasury's Office where it is presented to the Federal Reserve Board of Governors. The Board of Governors assigns an alphanumeric number to the IMF/SS number and turns the entire package of documents together with Federal Reserve Bank loan documents. The entire package of original documents is the delivered to Depository Trust Company (DTC) who underwrites the loan to the Treasury and puts the loan amount on the "DTC Screen" so the said amount can be used to generate funds for the Treasury.

What God has created — in this case a live flesh and blood male or female human being — man is attempting to counterfeit by using the living male or female child as the source of the government created fiction. The purpose for these fictions are best summed up by the Supreme Court of the United States in the case cited here below:

God will not lead us wrong. On our own, look out!  
Our errors have always been ours, never God's. This  
should be simple. Why do we complicate it so much?  
He will make our path straight. ~~!~~ The word now  
and forever! Jesus alone, is the way and knows  
the way. I pray for wisdom and understanding what  
He calls us to do. We are schooled most in  
overcoming the world. Jesus will show us the way.  
He is ever present. We listen, and act accordingly

Dear bro Will - on another note or two. THANK YOU for your  
sharing the story of the fellow roping the deer a real light  
hearted adventure. Not only did I enjoy it but other brothers  
here were able to laugh and smile a bit, as well. I don't  
know which was more fun. The deer or your encounter with  
"Belly". It is so good being able to enjoy those special  
times and stories. It takes us out of this scene  
and that is always good. ☺

I pray about working with the animals, with fam-  
ily, with the home and such these cold winter days.  
Here, in a way, we are pampered - the winter is outside  
where we can't go. It seems a bit strange, as my  
whole life before all of this I participated in  
the whole array of conditions of winter. Like in  
or not, thanks be to God for all of these exper-  
iences. Brother I pray your enjoyment is full.

I cannot thank you enough bro. your help has  
arrived and I pray your help is full, as well. I pray  
I am a good steward brother - Amen.

John 8:32. Those of us who are being persecuted, as am  
I, it is due to the LIARS v. 44, trying to STOP exposure  
to the TRUTH!

Since life begins at conception, it is murder to take the life of a child in the womb. Since a child's gender is determined at conception, gender cannot be changed — God did not make any mistakes with His creation and man cannot change nor overrule anything God has done.

Every child born in a hospital or clinic is delivered from the mother's womb by medical attendants such as a physician or nurse. The party delivering the child must complete and deliver to the newborn child's mother a "Certificate of Live Birth" which must contain certain information about the child. The "Certificate of Live Birth" must, at a minimum, contain the following information: 1) the name of the mother; 2) the name of the father, if known; 3) the name of the child; 4) the gender and blood type of the child; 5) the date of birth, and either a hand print or footprint. The "Certificate of Live Birth" must bear the name of the hospital and the name of the delivering medical attendant and the signature of said delivering attendant.

The "Certificate of Live Birth" serves several purposes, not the least of which is to prove that a male or female child was born alive upon God's soil in a county known as \_\_\_\_\_ created on the soil of the state of \_\_\_\_\_. The "Certificate of Live Birth" is proof of the identity of the newly God-created living flesh and blood male or female human being. On this reason the "Certificate of Live Birth" must contain either a handprint or a footprint of the newly born child. Since the handprint or footprint of the child changes as the "Certificate of Live Birth" is issued, it is required to be recorded as a Public Record with the County Recorder's Office in the county the child was given birth by. The child's mother whether or not residing on the soil of said county and Certified Copy of said recorded document of "Public Record" must be tendered to the mother of the newly born child. A Certified Copy of the "Certificate of Live Birth" must be accepted as "Proof of Identity" by any and all interested parties, be they public or private.

As a God-created live flesh and blood human being, I am a child of God and I am my heavenly Father to whom I am bound eternally. "If you were of the world, the world would love it down, but I [Christ Jesus] chose you out of the world, because you are not of the world, therefore the world hates you," and Christ went on to say, "If they persecuted Me, they will also persecute you" (John 15: 19, 20 the Bible). History is replicated with persecution of those who worship the One True God — the God of the Bible.

2.

God, who made the world and everything in it, since He is Lord of heaven and earth, does not dwell in temples made with hands. Nor is He worshipped with man's hands, as though He needed anything, since He gives to all life, breath, and all things. And He has made from one blood every nation of men to dwell on all the face of the earth, and has determined their appointed times and the boundaries of their dwellings, so that they should seek the Lord, in the hope that they might grope for Him and find Him, though He is not far from each one of us; for in Him we live and move and have our being... for we are also His offspring." (Acts 17: 24-27 the Bible).

Man has desired to have dominion (Rule) over God's creation since the fall of the first man Adam. God gave man dominion over all the earth through the first man Adam and his wife Eve (see Genesis 1: 26-31, the Bible), but the world's first couple being the parents of "all" mankind, gave dominion to Satan — who took the form of a serpent — through their disobedience to God (see Genesis 3 and Revelation 12: 9 the Bible). Mankind, ever since the fall of mankind, has devised many schemes to take God's dominion lost.

Each generation of mankind brings with it its own wickedness and every evil imagination of thought of his heart. "And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually." (Genesis 6: 5, the Bible). NOTE: The Hebrew word used in the above verse for "imagination" not only signifies the imagination, but also the purposes and desires every day. These same words in the above verse are as applicable today as when God first gave them.

We will address some of these imaginations and how to avoid them and stand for "TRUTH" in God's Word. We will begin where we left off with the live birth of a God-created male or female child as discussed on page two (2).

Just as Satan [the prince of this world] imitates the holy trinity with his own Satanic trinity by attempting to replace God the Father, God the Son, and God the Holy Ghost/Holy Spirit — Holy Trinity, — with his own trinity — Satan, the Antichrist, and the false prophet, so too has the governments of the world set in motion counterfeit entities in place of God's created beings; such as men and women born of a live birth. These counterfeit entities are all fictions, figments of the mind — imaginations.

3.

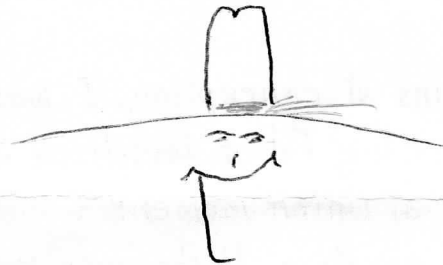

My prayer is that one day much sooner than the oppressors would have it. The Lord is working out liberty, the timing His alone. An evasion in being about His work you and I will be able to meet, share and help fulfill our Lord's purposes in our lives! I'd count it a privilege to follow you as you go about your chores a time or two. I promise, I wouldn't be a burden.

I encourage you and all others to hold up Rudy & Eva and so many of our fellow workers in the Kingdom. Together our prayers avail so much. I'd love to share names here, but the prying eyes are not at peace with God and have a reputation for doing people wrong. So we'll trust God for knowing each and all here and around the world for being about our Lord's work.

I pray you find this sharing a blessing and that the Lord's mercy and grace is sufficient. Thanks be for God our Heavenly Father and our Lord Jesus Christ  
ever more with us who love Him as  
He first loved us.

being about His work,  
faithfully,

## WHAT is TRUTH ?

The Bible says "In the beginning God created heaven and earth" and on the sixth day "God created man in His own image, in the image of God created He him; male and female created He them." Notice what it does not say, it does not say God created a he-she nor a she-he. In other words, God did not create a man in a woman's body, nor did He create a woman in a man's body. God never made a mistake, He created human DNA when He created mankind.

In Genesis 1:27 God states, "So God created man in His own image; in the image of God He created him; male and female He created them." In verse 28 God commands us, God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it..." As a result a man and a woman come together as one flesh through sexual intercourse and procreate. It takes the semen of a man to fertilize the egg(s) produced by the ovary (ovum egg) of a woman in which to conceive a child.

Man cannot reproduce without the woman, nor can a woman reproduce without the man. In plain truth, woman and woman cannot reproduce, nor can man with man reproduce. Man cannot give birth to a child since children must come from the womb of a woman through the uterus. Since a man has no uterus, no man can carry a child during the development period.

## TRUTH

Life begins at conception. I was God-created in my mother's womb when the semen of my earthly father fertilized the ovum egg implanted by God into the womb of my mother at which moment I became a living God-created man. This is what is called pro-creation. At the very moment that the DNA of my earthly father joined with the DNA of my mother, my life began, and as I developed in my mother's womb I was given, by God, my own blood type which is completely different and separate of my mother and I took on my very own God-given DNA code unique to me alone. I was born a male child because of my "XY" chromosomes and will always remain a male. Every female child is female for life because she has "XX" chromosomes and neither will, nor can, male chromosomes change to female chromosomes, nor female chromosomes change to male chromosomes.
