dear brother Will,

We are blessed for we are ever endowed with the presence of our Lord Jesus Christ! May you be now and evermore blessed as our LORD has promised. I write with the humble thanksgiving/eucharistea as your generosity overwhelms my ability to say just how I am blessed and how thankful that I am. Some things are just not meant for words to express no matter how we in our natural self try.

As spring nears, I expect that all of your livestock love warm days as the Lord readies all for a new season. Old-man winter may catch us off guard a day or two but we can be certain that the LORD is making all things ready for a new growing season. I remember well how we anticipated the coming season, readied equipment and supplies for planting and truly trusted the LORD that His bounty awaited us for another year.

If I may, I share an experience when I was a teenager. While my father, my uncles and grandfather, with 4-row equipment farmed some 1300-1500 acres, managed 300-400 stock cattle, etc., we lived on a place that had 130 acres. One season the weather had been particularly dry. My father led us in prayer at supper times, and that year we were regularly praying for the much needed rain. It was getting serious as the corn was tassling and without rain the yield would be seriously short. As if at the last minute the LORD came through one afternoon with rain. But that was not all, the rain only fell on our side of the fence. The neighbor to the west and to the south DID NOT get that much needed rain. That answer to our prayers was as if the LORD had heard, but did not hear for the benefit of anyone outside our family prayer. I do not know the mind of the LORD but was seriously moved by His peculiar ways that summer. 

Recently I have been moved by introduction to men who have been touched by the WORD who have been secreted away in this secret isolation. There is much that the LORD is doing for His people as those who have been oppressing are falling before our very eyes. At least one of these men was NOT a Christian, but several months ago while he was in isolation and even before that he was drawn to the written WORD and saw testimony of a Christian there and began to see the LORD at work in his life. Perhaps this will blossom further as days continue here.

As this people have allowed the heathen to drive the LORD and WORD out of the education system and much of the townsquare, we see more violence in the schools, etc. and the wicked mass media seek to use such events as the recent murders in the school in Florida for pursuing their agenda for instilling the atheistic system/communism by disarming the people. How foolish. As my wife often reminded when speaking the country

established by and through the hand of the LORD as the people went forth with a Bible in one hand and a "gun" in the other. This people have strayed so far from the WORD that the LORD is moving and will not tolerate the wickedness that has been growing now for several decades. This people must humble ourselves and call on the name of our GOD that He might have mercy on us and heal our land. Now and forever our Redeemer lives.

I pray that Erin and Rudy are inspired of the WORD and protected as they go about our Heavenly Father's work. It is their humble but powerful, prayerful effort that is pulling more and more of GOD's people together for goodness and mercy for those who will follow our Lord Jesus Christ and trust Him in all things.

When the righteous are in authority, the people rejoice but when the wicked rule the people mourn.

-Proverbs 29:2

It is no accident that this people have walked away from the WORD. The Devil has gone unabated since the early years following the second world war. People enjoyed the prosperity that our Heavenly Father endowed this people with and as we see in the written WORD so often happens, the people, even GOD's people walk away from Him and walk in lusts and hope placed in the "material" existence that the world boasts is success to be coveted. All is sinking sand. As Solomon wisely said, all is vanity.

But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

-Isaiah 40:31

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

"Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place.

"For now have I chosen and sanctified this house, that my name may be there forever: and mine eyes and mine heart shall be there perpetually." 2 Chron. 7:14-16

Such Rock-Solid verses from the written WORD (KJV) are the certain hope upon which we can TRUST without fail for fulfilling our Father's purpose for our lives. His Kingdom come! SO BE IT!!!

We are all so grateful that word of the necessity for standing on the WORD for overcoming the wickedness of this world is being shared around the globe. In 1992-93, we knew that it was necessary to share the TRUTH, thereby EXPOSING THE LIES and freeing The People to come to the knowledge of the LORD and overcome the wicked as our Heavenly Father prepares His own for His coming Kingdom. This is certainly not just about the world all out of wack. It is in fact about getting right with the LORD in mind, body, and spirit, that we may complete our earthly journey ready for his eternal purpose.

Dear brother Will, it is truly a blessing to be walking with one so close to the LORD as yourself. We are each to serve others and serve our LORD every day and I see you as just such a man in your words and in your actions. My we all be so fortunate to obey the Lord Jesus Christ and walk as He would walk, not merely as such as our natural self would walk. Thank you with all my heart for such a fine example as you yourself are!!!

We have Christian friends and fellow workers in the Kingdom all around the globe who are encouraging others as they exchange enlightenment via modern communications. I see this type of service for the kingdom every month. It is a challenge to extend my thanks and share as the LORD shares with me that more and more may see the Light. The people of Christ are beneficiaries of the modern communication of TRUTH that is no longer dependent on one traveling far to share and learn. It truly miraculous and a blessing that we are able to share as the Spirit inspires. (John 8:32!!!).

The books by David W. Daniels are so perfect for EXPOSING the necessity for our standing firm on the preserved WORD of truth. I cannot tell when a book comes to me who has shared it with me, but I am presuming that such valuable truth is being shared by you. Here, I am able to share it with others, and have been able to emphacise that we MUST value and stand on the AV/KJV or be mislead in our pursuit of the TRUTH. Many who find themselves in this persecution seek remedy in the very foolishness that has resulted in their false imprisonment but those of us whom the LORD has revealed truth are certain that such foolishness will not result in overcoming the very corrupt world that is persecuting so many. The LORD has proviced particular answers and will see us thru unto liberty now and forevermore.

Therese has been so generous in sharing books that help support our pathway for victory in the WORD also. It not only blesses be, but others with whom I am able to share. Sharing the book in some instances, and sharing that which they teach as I write to brothers and sisters, family and friends referencing them as we go.

At this time it is a time that we should include farm families in our prayers as farmers and ranchers often have challenges meeting their obligations for payments and re-leasing for the coming year on March 1. Especially those who face what look like the impossible financial strains surely need our intercessory prayers. May the LORD show them the way. I join you in those timely prayers at this time.

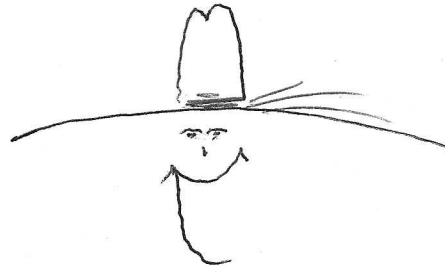

Of necessity, it has come to the time that I must conclude this letter, that I may get it off in the mail and share with you. By the grace of GOD we will soon be able to share more. It is truly my privilege to be able to share now.

Because He lives we have the enduring promise and the strength to share. That is one of those seemingly simple blessings that is ever so great. You, your grandparents, your family, friends and all that is yours all in my prayers.

May the LORD bless you and keep you!!!

Because He lives!

P.S. Know of certainty that your prayers and service are most generously appreciated with the hope that the LORD finds our service worthy of his mercy and grace.
