

not at all by "The Flight" 12 February 2018, Monday

dearest Therese,

May the Lord truly bless you! As the leaves on our calendar turn we can be sure winter will soon be past and spring will warm us and all around us. Forgive me for my slow motion.

It is good the Lord inspires and strengthens for sharing. Everytime I contemplate an excuse I'm reminded of such as sister Joti Erickson - so much for my excuse 

You contemplate concern for cancer or such. Our lat physician our Lord Jesus Christ. Then I recommend venturing into study with Dr. Joel Wallach and Dr. Ma Gary his wife. Their book with sound research results

"Dead Doctors Don't Die" a good starting point for averting and overcoming health challenges. You'll be so glad you prayerfully go there and heed their advice. A 2d Book you'll like "EPIGENETICS" I've read and heed both best

2/ we can, given the depravation in America's concentration
Kamps.

I'm in and out, back and forth in "EXO-VATICANA".
It rings true with the word on powers of dark-
ness such as Henry Kissinger — the hallmarks of
Rome, etc. The "EXPOSURE" and "WARNING" affirms
God's victory cannot be stolen from us! 

Our brother Will has seen to it that I
have been able to study "The 'World's Oldest Bible' a
Fake?" ^{by} David W. Daniels where we see
the Satanic attack on our authorized scriptures,
King James Version Bibles very enlightening —
means for defending the "TRUE" faith in Jesus
Christ.

The powers of darkness are going crazy —
It is even showing in the lame-stream media.
Scandal after scandal. They HATE TRUTH! Our
faithful prayers avail so much!

There is a world-wide transition agenda for consolidating all banking under "one" currency, "one" banking system; also, all religion under a "one-world-religion" — Basile III for consolidating all banking under "one" system may well be under way. When Basile IV is implemented it will be the "one-world-religion" by force. People are largely blind and deaf. All is moving well beyond Agenda-21 (Basile I). Death rates even among relatively young people are "HIGH" — it appears contaminated food and water sources are at the root of this crisis, and it seems world-wide in scope. "Good (in Christ) vs. Evil".

Myself and others have been murdered by imprisonment were it not for our Lord Jesus Christ's intervention. Many people are being disappeared. Yes! Even right here on America. War on The People, especially God's people.

Ezek and her husband, like President Trump and others are on the front lines in this war. The prayer and faithful actions of the people of Christ are instrumental in staying this evil diabolical assault for the moment.

This is why the forces of evil, communists, progressives and others are so angry at Trump, et al. and "HATE" us so much!

 We are living the old sacred hymn, "Onward Christian Soldiers" marching as to

war. It is "war" in every sense of the word.

We must all turn to our military field manual, The King James version of the Bible and with prayer and thanksgiving follow Jesus unto victory. Let such as Rev. chs. 17 and 18 be a warning!

The powers of darkness are in the desperate last days push for defeating the Jews — This is all spelled out in our military field manual.

Had Hitler been ushered into the presidency the whole shebang would have been signed over to the OWO/Communist world order and we would be ravaged and suffering unimaginable, crushing destruction already.

The recent disclosures of TREASON accomplicitist by her Obama and the array of OWO communist traitors gives us a sample of where it has been headed for decades. We must be faithful in

Christ and for the battle line under His leadership.  This for the whole pe of you!

Prayer warriors well steeped in the King's version of His written Word (Jn 1:1). We dare not be slack — not one bit.

We witness assaults and set backs rooted in the very worst evil and most powerful dominions of Satan and his demonic forces even from this darkened vantage point. All must wake up!

6/ Prophetic reality is, not everything is in order on the worldly shelf.

bei "The Light" 14 Februar 2018, Mittwoch (date in German). See you do read Ezerema.

Ha! Ha!

All of the world's concerns aside we are, in Christ, on the right side; Romans 8:28. ☺

I pray all is well with you, your sister and all there. Did you and your sister learn more as you and your sister watched Dr. Gary Bates at the open house? All that mis-interpretation of such an Fatema is steering so many for destruction. The LIARS hate our King James Authoritative Version. Too much TRUTH! Our time invested with our Lord Jesus in prayer most valuable of all! ☺

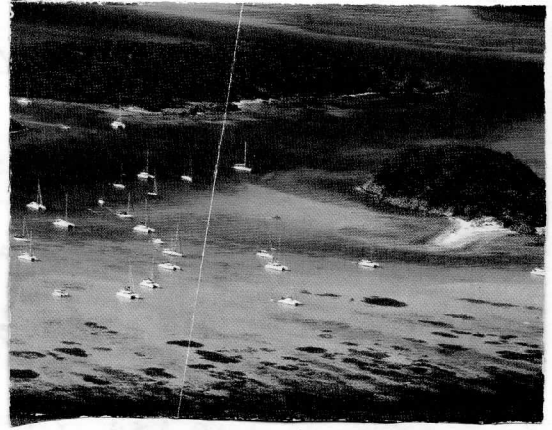

Yes, dear Therese, I can receive from publishers such as "Creation Ministries magazine". We do have a small circle of Christians who enjoy our sharing, as well. I find means of furthering sharing the Gospel as a result of having the shared materials you've been so thoughtful in sharing - Thank you, always!

You will find herewith (7) seven sheets by Lynn Schmalz (6 sheets); 1 sheet her print in American's Bulletin as an article. See for yourself how imprisoning "We-the-People" under a vast array of bogus reasoning is all for massive unjust enrichment while seriously damaging or ruining the lives of millions of people. It's like running a dog kennel for earning profits. Feel free for doing as you please with this. Kansas, Texas, Illinois, etc. would all feel same sickened way about this evil. Their all gotten gains are astronomical - robbing us all!

The state NOT license one for driving; teaching; selling insurance, etc. - The applicant for a license is in fact the licensor and is waiving all protections of law, Constitution, etc. so corporate state actors can tax/steal from the one who "signed", authorized the fraudulent license - all FRAUD! Would you like to "consent"/"Assent"? O'my!

The wicked steal nothing up front. They deceive the Kings and Queens and by whatever means necessary create a record that implies the victim has agreed to give up all for an alleged "privilege" such as a privilege for driving/transporting in commerce persons (not people) and/or goods for hire. The whole mess is done one victim at a time — Constitution, Rights, etc. all forfeited by the "signed" "bargain of the parties". The slave-trade depends on the "signed-waiver" of the beneficiary of the public trust voluntarily for slavery. (Bargain of the parties supersedes the stated/written rule of law.)

I pray we all come to the full knowledge of the TRUTH! And STOP waiving our Rights, our lives, our liberty and our pursuit of happiness — all life is vested in the word, John 8:32 ; John 1:1-14 —

Let us now and forever walk in The word!
with love, courage and
eucharistia,
your fellow worker,
rex-russell-dean

A.S. Spring is just around the corner!
