by "The Light" 4 April 2018, Wednesday

dearest Bro Will,

How privileged I am for this opportunity for conversing with you. The LORD is certainly giving us a wide view of many things happening all around us. The powers of darkness are turning up the heat as the grow SHORT! Revelation 12: 12. You will find herewith some FACTOIDS that expose much of the behind the scenes matters that are becoming a out front reality in these days of testing. There are many references therein and an opportunity for any who would question an opportunity-for-verification. Bless all who "have eyes to see".

I pray that you have strength and provision as you are in the busy season. I know that the LORD is able for providing all especially as the crop season unfolds. You are in my heart and prayers every golden day that He is there for us all. Eucharisteo! 

The books that you have shared from David W. Daniels, Chick Publications are not only a blessing for myself but for others who I am able to share them with here. I have had a long history with "Chick" as I was securing tracts and warnings for those caught up in Rome by booklets authored by "Alberto" since I was in my 30s. There has been a work in the WORD from those good folks for a long, long time.

Your generous efforts are seeds that I do my best for sharing for as many as I can reach out to. Truly the LORD is blessing the work; even as the wicked seek to cover all in darkness. The victory is ours.

I pray all is a blessing for your grandparents, as well as yourself and all whom you serve. Truly there is a powerful work under way! Each of us is always exactly where our LORD would have us serve. 

I've sent off a letter for brother Jerry. He may well receive it at the military address provided even though the template here is not well suited for military addresses. By the grace of GOD I will keep working towards the blessing of corresponding with him and we will be able to share good conversations.

I was blessed with a conversation with our son Michael, as he shared a glass of milk with his son Andrew and daughter Allison last night. He told me of the 17" of snow that they had received a few days ago.

The same day in April, we received only 2" here in southern Indiana. Michael was saying that he and his family are looking forward for a break in the weather and the end of the school year. He is Athletic Diorector and Assistant Principal at Central Middle School in Waterloo, Iowa. It is a blessing, as his life Katherine embodies as I am privileged to see the very wife for him that is spelled out in Proverbs 31. She is a registered nurse, but for the last few years has been diligent working with raising her children and as homemaker. I remind Michael and Katherine of the blessing that that has been for them and me, as well as for all they share life with. ☺

Here, sadly I must report that the wicked are pursecuting fellow brother who is sharing with others outside for establishing Christian schools with Christian curriculum and teachers. He is well able and has been generous in doing so. An elderly brother and his wife have recently been pursecutted in Wisconsin for their selfless help in doing that work. The wicked shall do wickedly. But the LORD will prevail.

Where we witness we are shocked, but also informed of just how terrible even so-called Christians can behave towards others just to be favorably endowed by the world. They sell their souls for the jelly-roll and blaspheme the WORD in so doing. The devil must be happy to have them doing his evil deeds for him. We are witnesses.

BROKE! This evil train is vering off the tracks for lack. There is NO MONEY for their evil works any more. Cuts every where. This is jsut reward for such evil. There are signs every where. There is no good time ahead for such. GOD is not mocked. The victory is His.

During the recent snow storm in Waterloo, Iowa, Michael and his son Andrew (8) were out shoveling the walks and drive. Andrew took it upon himself to assist the elderly neighbor as she was clearing her walks. They were all blessed, as this gave them an opportunity to get to know each other better. The neighbor lady had bee 5 years of age when she was told she could no longer attend school as their home in Lower Saxony, Germany was entered into war. Her father was conscripted into the German army and they managed to survive the war. She had came to the uSA at age 21. When she discovered that our ancestors are in part from Lower Saxony she invited Michael to visit later for more

conversation of the history as she experienced it. I could become a rewarding experience for all. The LORD knew them all before my grandson went and helped her with her cleaning her walks.

by "The Light" 8 April 2018, Sunday

I pray for all of our fellow workers in The Kingdom. I am especially mindful of the mission of His followers in the Lone Star state. The LORD is working a wonder in servant people. It is a true blessing that resources again adorn my account yesterday. It is truly a blessing and I cannot thank enough for the blessing that it is. (SMILE!)

Here there is a sifting as a small percentage of men turn to the LORD. Books, devotionals and such prove helpful in helping move people for answering the call of the LORD. Prayerfully we do our best to culture the seeds of the Gospel where we can.

Our dear friend in Granite City, Illinois; another in Hastings, Minnesota and others in Germany, Australia, and around this country are all prayerfully doing their part for the Kingdom. One could not in and of ourselves ever anticipate so great works. Yet the LORD knows every detail, Romans 8:28.

Words of encouragement and resources for informing our brothers and sisters are all blessings that like the seeds the LORD Himself spoke of in parable take root and turn all things into good for those who love the LORD. The LORD has been so good in informing us of the greater more detailed picture that we might have wisdom and understanding for being about the LORD's work.

We are witnessing more abuses of others as this past week unfolded. Our brothers and sisters who have never been in a place as this, have no idea just how evil and abusive this can be right here on the states united. Where Christ is not honored the people mourn. And that is certainly the case on America today. Witness, a man who did absolutely nothing wrong whatsoever, has been sanctioned by taking phone connections for his family and brothers in Christ, his access to commissary, and imposing an additional 82 days imprisonment. This a common abuse, made to look like disciplinary action. I

and my family and others have experienced very similar abuses over and over again in the last 20 years. The record created by such abuses is then used, as if proof of just how bad you are. The Devil himself is behind all such evil. Thank the LORD they do not have a lions' den!

Fortunately, unlike in "The Hiding Place" we are not relegated to a small bowl of Turnup (no turnups) soup once a day yet. Corie Tenboom and her family were abused by just such evil as is rampant now, all across America. As supplies run short, or run out, this has the potential to digress to just such a torture system. ↔

Though the cool temperatures persist, I'm sure that your livestock and all are anticipating the spring blessing that lie just ahead. With fond memories of the grass greening and the blue bells blossoming along the drive where my sisters and I ran to catch the school bus many years ago, we are all blessed with strong memories of the good grace of spring. The Lillac bushes were always among the first to freshen the air and brighten their branches. I pray you are blessed in the adoration of the LORD for his spring in Kansas. It is true: "Surely goodness and mercy shall follow me (us) all the days of my (our) life (lives)." 😊

Will, you are a genuine servant of the Lord Jesus Christ! It is ever so obvious to me as we learn to serve together. Truly a blessing to be counted with you in these times and places. The LORD has tuned our hearts to sing his grace. "Streams of mercy never ceasing; call for songs of loudest praise". HalleluYah! Amen.

My your blessings and those of all our dear friends there be full and our strength such that we can endure all things for the sake our our Lord Jesus Christ's Kingdom, now and forever!

Eucharisteo,
for the Love of Christ
let us serve,

specific documents, they are also served on specified, designated individuals. Those individuals can be designated either by name or position, such as "John Mays Smith" or "Director of . . ." or "officer holding report numbers . . ." Be as specific as you can. If you have no idea, then ask the department, agent or agency that has the document. Also bear in mind that the subpoena duces tecum is court specific and requires a case number so the needed documents are returned to the proper file. That is to say, that all courts have their own forms. They vary from court to court and usually in more ways than just the court caption. Some courts will give or sell you a subpoena duces tecum with the court seal and the signature of the court clerk already affixed. If they charge for them, it will be a normal fee, \$1.00 or so. Some courts will give you the subpoenas but will not sign and seal them until you bring them back completely filed out. Some courts combine the subpoena and the subpoena duces tecum and you have to write in the words "duces tecum." In a few rare instances the court will tell you to make up your own using the model in the law library's form book and use the court caption. Regardless of the form or method, the subpoena duces tecum should have certain information on it to be effective. 1. It should be addressed to the designated individual that probably has possession of the needed documents. 2. It should list the documents you need for discovery. 3. It should state the purpose for the production of the documents, which must always include discovery even if there are other reasons.

The subpoena duces tecum should be contained within a motion titled "motion for discovery and compulsory production of the documents by subpoena duces tecum." Once served with the motion for compulsory production of documents, the originals are returned to the court and made part of the record, along with a certificate of service. Since the subpoena duces tecum, a common law writ, issues out, under the seal of the court and the signature of the clerk, at your behest, this effectively opens your court. This always triggers a flurry of activity, usually in the form of a motion to quash the subpoenas. If you are the defendant, which you probably are, you must oppose the motion to quash on the grounds that it is your discovery. The tribunals (courts are judicial, tribunals are administrative) really don't have the authority to quash your subpoenas because they are your common law writ, however, they usually issue an order granting the motion to quash. Everyone connected with the police courts considers this as a quash and they tell each other that the subpoenas are quashed. It makes them feel good, but you don't have to worry about it. If the issue goes to trial and you are permitted to subpoena witnesses and present evidence in your behalf, you trot them out again and demand the evidence be brought forward. All of the above tells you how things are supposed to happen. Anyone that has fought the good fight for their liberty knows that things get fouled up as only lawyers can foul them up. So keep in mind that the subpoena duces tecum is only a tool to use

against an attack by the domestic terrorists. It is not an end-all and be-all. It is a simple tool and you can use it in different places and at different times. It is your tool so use it to your benefit.

fn/1 FACTOIDS

1. The IRS is not a U.S. Government Agency. It is an Agency of the IMF. (*Diversified Metal Products v. IRS et al.* CV-93-405E-EJE U.S.D.C.D.I., Public Law 94-564, Senate Report 94-1148 pg. 5967, Reorganization Plan No. 26, Public Law 102-391.). See also: Bretton Woods Agreement, as amended.
2. The IMF is an Agency of the UN. (Blacks Law Dictionary 6th Ed. Pg. 816).
3. The U.S. has not had a Treasury since 1921. (41 Stat. Ch.214 pg. 654).
4. The U.S. Treasury is now the IMF. (Presidential Documents Volume 29-No.4 pg. 113, 22 U.S.C. 285-288)
5. The United States does not have any employees because there is no longer a United States. No more reorganization. After over 200 years of operating under bankruptcy it's finally over. (Executive Order 12803) Do not personate one of the creditors or share holders or you will go to Prison. 18 U.S.C. 914.
6. The FCC, CIA, FBI, NASA and all of the other alphabet gangs were never part of the United States government, even though the "US Government" held shares of stock in the various Agencies. (*U.S. v. Strang*, 254 US 491, *Lewis v. US*, 680 F.2d 1239)
7. Social Security Numbers are issued by the UN through the IMF. The Application for a Social Security Number is the SS5 form. The Department of the Treasury (IMF) issues the SS5 not the Social Security Administration. The new SS5 forms do not state who or what publishes them, the earlier SS5 forms state that they are Department of the Treasury forms. You can get a copy of the SS5 you filled out by sending form SSA-L996 to the SS Administration. (20 CFR chapter 111, subpart B 422.103 (b) (2)(2)).
8. There are no Judicial courts in America and there have not been since 1789. Judges do not enforce Statutes and Codes. Executive Administrators enforce Statutes and Codes. (*FRC v. GE* 281 US 464, *Keller v. PE* 261 US 428, 1 Stat. 138-178).
9. There have not been any Judges in America since 1789. There have just been Administrators. (*FRC v. GE* 281 US 464, *Keller v. PE* 261 US 428 1Stat. 138-178).
10. According to the GATT you must have a Social Security number. House Report (103-826)
11. We have One World Government, One World Law and a One World Monetary System.

12. The UN is a One World Super Government.
13. No one on this planet has ever been free. This planet is a Slave Colony. There has always been a One World Government. It is just that now it is much better organized and has changed its name from the Tower of Babel, to the United States of America, then to the United States, and as of 1945 to the United Nations.
14. New York City is defined in the Federal Regulations as the United Nations. Rudolph Gulliani stated on C-Span that "New York City was the capital of the World" and he was correct. (20 CFR chapter 111, subpart B 422.103 (b) (2) (2).)
15. Social Security is not insurance or a contract, nor is there a Trust Fund. (*Helvering v. Davis* 301 US 619, *Steward Co. V. Davis* 301 US 548.).
16. Your Social Security check comes directly from the IMF which is an Agency of the UN. (Look at it if you receive one. It should have written on the top left United States Treasury.)
17. You own no property, slaves can't own property.. Read the Deed to the property that you think is yours. You are listed as a Tenant. (Senate Document 43, 73rd Congress 1st Session)
18. The most powerful court in America is not the United States Supreme Court but, the Supreme Court of Pennsylvania. (42 Pa.C.S.A. 502).
19. The Revolutionary War was a fraud.
20. The King of England financially backed both sides of the Revolutionary war. (Treaty at Versailles July 16, 1782, Treaty of Peace 8 Stat 80).
21. You can not use the Constitution to defend yourself because you are not a party to it. *Padelford Fay & Co. v. The Mayor and Alderman of The City of Savannah*, 14 Georgia 438, 520)
22. America is a British Colony. (THE UNITED STATES IS A CORPORATION, NOT A LAND MASS AND IT EXISTED BEFORE THE REVOLUTIONARY WAR AND THE BRITISH TROOPS DID NOT LEAVE UNTIL 1796.) *Respublica v. Sweers* 1 Dallas 43, Treaty of Commerce 8 Stat 116, The Society for Propagating the Gospel, &c. V. New Haven 8 Wheat 464, Treaty of Peace 8 Stat 80, IRS Publication 6209, Articles of Association October 20, 1774.).
23. Britain is owned by the Vatican. (Treaty of 1213). The "United States" or D.O.C. is owned by the Vatican Bank, lock stock and barrel, according to Tupper Saussey's archival research.
24. The Pope can abolish any law in the United States. (Elements of Ecclesiastical Law Vol.1 53-54) 25. A 1040 form is for tribute paid to Britain. (IRS Publication 6209); see also Public Law 88-243 and 88-244 (December 1963).
26. The Pope claims to own the entire planet through the laws of conquest and discovery. (Papal Bulls of 1455 and 1493).
27. The Pope has ordered the genocide and enslavement of millions of people. (Papal Bulls of 1455 and 1493).
28. The Pope's laws are obligatory on everyone. (Bened. XIV., De Syn. Dioec, lib, ix., c. vii., n. 4. Prati, 1844)(Syllabus, prop 28, 29, 44).
29. We are slaves and own absolutely nothing not even what we think are our children. (*Tillman v. Roberts* 108 So. 62, *Van Koten v. Van Koten*, 154 N.E. 146, Senate Document 43 & 73rd Congress 1st Session, *Wynehammer v. People* 13 N.Y. REP 378, 481).
30. Military Dictator George Washington divided the States (Estates) into Districts. (Messages and papers of the Presidents Vol 1, pg 99. Websters 1828 dictionary for definition of Estate.).
31. "We The People" does not include you and me. (*Barron v. Mayor & City Council of Baltimore*. 32 U.S. 243).
32. The United States Government was not founded upon nor intended to be Christianity. (Treaty of Tripoli 8 Stat 154.).
33. It is not the duty of the police to protect you. Their job is to protect the Corporation and arrest code breakers. *Sapp v. Tallahassee*, 348 So. 2nd. 363, *Reiff v. City of Philadelphia*, 477 F.Supp. 1262, *Lynch v. N.C. Dept of Justice* 376 S.E. 2nd. 247.
34. Everything in the "United States" is For Sale: roads, bridges, schools, hospitals, water, prisons airports etc. I wonder who bought Klamath Lake. Did anyone take the time to check? (Executive Order 12803).
35. We are Human capital. (Executive Order 13037).
36. The UN has financed the operations of the United States government for over 50 years and now owns every man, women and child in America. The UN also holds all of the Land in America in Fee Simple.
37. The good news is we don't have to fulfill "our" fictitious obligations. You can discharge a fictitious obligation with another's fictitious obligation. *Matthew 5:25*
38. The depression and World War II were a total farce. The United States and various other companies were making loans to others all over the World during the Depression. The building of Germany's infrastructure in the 1930's including the Railroads, was financed by the United States. Mussolini financed Hitler's rise to power via loans from the Vatican Bank and provided the capital to fund Hitler's communism.

That way those who call themselves "Kings, "Pontiff Maximus," "Prime Ministers," and "Fuhrer" etc., could sit back and play a game of chess using real people.

Think of all of the Americans, Germans etc. who gave their lives thinking they were defending their Countries which didn't even exist. The millions of innocent people who died for nothing. Isn't it obvious why Switzerland is never involved in these fiascoes? That is where the "Bank of International Settlements" is located. Wars are manufactured to keep your eye off the ball. You have to have an enemy to keep the illusion of "Government" in place.

39. The "United States" did not declare Independence from Great Britain or King George.

Guess who owns the UN?

fn/2 Contracts Law: Types of Contracts: Implied-in-Law Contracts *MAYNARD MEHL v. JOHN H. NORTON*. No. 31,338. Supreme Court of Minnesota 201 Minn. 203; 275 N.W. 843; 1937 Minn. LEXIS 851; 113A.L.R. 1055 November 5, 1937.

Quasi contractual liability for unjust enrichment is based upon the ground that a person receiving a benefit, which it is unjust for him to retain, ought to make restitution or pay the value of the benefit to the party entitled thereto. The gist of this kind of action is that the defendant, upon the circumstances of the case, is obliged by the ties of natural justice and equity to refund the money. The test applied for determining whether there is unjust enrichment is whether the party can show either legal or equitable grounds for retaining the benefit. Retention of a benefit results in enrichment, but not necessarily unjust enrichment. The retention of the benefit must be unjust to give rise to an obligation of restitution or payment.

Real & Personal Property Law: Estates, Titles & Rights

Growing crops are part of the land, and, whether tenant or trespasser, an occupant's title to growing crops is dependent upon possession of the land, in the absence of special contract. Loss of possession in law terminates his right to the land and the crops. An owner who obtains possession of his land acquires title to all crops growing on the land at the time, without liability to the former occupant as in the case of improvements and similar cases, to pay for their value, and an action cannot be maintained by the latter against the owner to recover the same. The benefit after the term goes to the landlord without compensation to the tenant. A landlord cannot be "improved" into a liability for improvements put upon his property by the tenant without authority.

Contracts Law: Types of Contracts: Implied-in-Law Contracts

A party is not liable quasi-ex contractu for benefits forced upon him.

Contracts Law: Types of Contracts: Implied-in-Law Contracts

Real & Personal Property Law: Landlord & Tenant

An owner of land is not liable for improvements made by trespassers, because such would compel the landowner to pay for a supposed benefit forced upon him by the wrongful act of the defendants. Such benefits are the result of "voluntary interference" upon which a claim quasi ex contractu cannot be predicated. The rule applies under similar circumstances to cases where a tenant has no equitable claim against the owner of the land for growing crops thus acquired by the owner. One cannot be said to be unjustly enriched by retaining benefits involuntarily acquired which law and equity give him absolutely without any obligation on his part to make restitution or payment.

fn/3 See: State ex rel Barney v. Hawkins, Secretary of State (1921) 79 Mont. 506, 257 P. 411, for a concise analogy of what a *de facto* officer, *de facto* corporation, and *de facto* government consists of; in relation to who the real creditors and who the debtors really are here in AMERIKA!

fn/4 USM Form 285 Annexed hereto as other attachment with instructions.

fn/5 Case Law Prohibitions on Banking RE: 12 USC, Section 24, Paragraph "Seventh."

I am aware that the United States Code Title 12, Section 24, Paragraph 7 confers upon a bank, the power to lend its money, not its credit. In *First National Bank of Tallapoosa v Monroe*, 135 Geo. 614; 69 S.E. 1123 (1911), the court, after citing the statute heretofore quoted, said:

"[T]he provisions referred to, do not give power to a national bank to guarantee the payment of the obligations of others solely for their benefit, nor is such power incidental of the business of banking. A bank can lend its money, but not its credit."

In *Howard & Foster Co. v Citizens National Bank of Union*, 133 S.C. 202; 130 SE 758, (1927) it was said:

"It has been settled beyond controversy that a national bank, under federal law, being limited in its power and capacity, cannot lend its credit by guaranteeing the debt of another. All such contracts being entered into by its officers are *ultra vires* and not binding upon the parties nor the corporation. See also *Merchants Bank of Valdosta v Baird*, 160 F 642; 17 Lns 526 (1876).

"A lawful consideration must exist and be tendered to support the note." See *Anheuser Busch Brewing Co. v Emma Mason*, 44 Minn. 318, 46 NW 558 (1890).

In short, if there is no full disclosure and no consideration, there is no contract.

See the related 12 USC Section 24, sub-paragraph the "Seventh."

So, if Banks, including the 12 Federal Reserve Banks cannot loan "credit," but only "money," how is it that

all debts from any Bank are not cancelled via timely demand for verification, and if the government at any level is share holder, how is it possible for the government to transfer or assign it's debt, duty and obligations off onto the backs of the people who peopled the fifty states comprising the Union, thus making them the liable parties, in funding this government-sponsored terrorism? Could it be that the United States is both a Holding Company and an Offshore Business Trust for Her Majesty and her principals/creditors via the Bretton Woods Agreement, as amended? The answers don't come easy do they? Corporations cannot have citizen/subjects to tax. They can have residents who are treated as citizens however. See: *Privilegia Londini*, i.e., where the debtor's domicil becomes that of the creditor's upon execution of every contract consented or assented to. This debt is hypothecated, creating a lien on everything and everyone throughout the fifty states. I don't know about you, but I'm fed up with the negative cash flow and the proverbial cash cow always double dipping with my tax exemption. If you are a debtor to do the law, then ye are a debtor to do the whole law, are ye not?

Keep it simple. Climb out of your ignorance and insanity now while you still can.
