

BIRDSEYE VIEW OF ACTUAL DOORKNOB ON BASHED-OPEN DOOR:

THIS XEROX COPY IS A BIRDSEYE VIEW OF THE ACTUAL DOORKNOB THAT GAVE WAY FROM THE REPEATED FOOT AND BODY BASHINGS BY ALLRED TRYING TO GET TO LAZOR. THE BEND IN THE STEEL SHAFT (SHOWN HERE) INDICATES THE AMOUNT OF RAGEFUL FORCE THE ATTACKER USED, SUGGESTING HIS MURDEROUS INTENTIONS.

THE JURY NEVER KNEW THIS DOORKNOB EXISTED

THIS IS THE DOORKNOB THE POLICE PAINSTAKINGLY REMOVED FROM THE DOOR, THREW IN A TRASHBAG TO BE BURIED IN THE CITY DUMP; WAS FORTUITIOUSLY RECOVERED BY LAZOR'S FRIENDS, ONLY TO HAVE SCHROEDER HIDE IT FROM THE JURY THROUGHOUT TRIAL -- HE ADMITTED SO AS TO HIDE AND COVERUP THEIR MISCONDUCT FROM THE JURY AND PUBLIC

THE ACTUAL DOORKNOB, WHICH WAS INTENDED TO BE RE-PRODUCED HERE BY MEANS OF PHOTOCOPYING IT, WAS CAREFULLY PRESERVED FOR 16 YEARS AFTER A STRUGGLE TO WREST IT BACK FROM SCHROEDER. WHILE NEARING COMPLETION OF THIS PLEADING IN THE SUMMER OF 2000 A.D. WHEN MR. LAZOR'S SISTER RELOCATED FROM ONE STATE TO ANOTHER, THE DOORKNOB WAS APPARENTLY LEFT BEHIND AND THROWN OUT IN A HECTIC HOUSEMOVING ORDEAL. (SEE SWORN DECLARATIONS, NEXT PAGE).

IN LIEU OF THE PHOTOCOPY OF THE ACTUAL DOORKNOB, A SKETCH ACCURATELY PORTRAYING THE BENT STEEL SHAFT, IS PRESENTED HERE:

THIS IS A POLICE PHOTO OF THE OUTSIDE OF THE DOORKNOB, BEFORE THEY REMOVED IT TO DESTROY IT AND WHAT IT REVEALED.

DECLARATION OF HELEN & PHILIP SCHULTZ  
(RE: LOST DOORKNOB OF PF LAZOR)

DECLARATION

First, being duly deposed, I declare as follows:

1. During the summer of 2000 A.D., we picked up some boxes of items belonging to our son, PF Lazor, stored by his sister, Betty Brykell, in Michigan. Betty had stored the boxes for many years for PF while he's been in prison in California (prison # C-73842).

2. Betty was moving from Michigan to another state and could no longer keep the boxes. It was a hectic, rushed move. Betty specifically told us of a doorknob PF always told her and us was vital to a court hearing as evidence to help prove his innocence. Betty told us the doorknob was in a shoebox inside a bag within the boxes of items we picked up.

3. After searching the boxes of items thoroughly at a later time, we discovered the doorknob is nowhere to be found. Some of Betty's important belongings were accidentally left behind in her house, during the rush of her move, and disposed of. It now appears to be quite certain that the doorknob was probably left in with those items that were inadvertently thrown away.

I declare under penalty of perjury that the foregoing statements of fact are true and correct, based on my personal knowledge.

DECLARATION OF BETTY BRYKELL  
RE: PF LAZOR, LOST DOORKNOB

First, being duly deposed, I declare as follows:

1. This declaration concerns PF Lazor, a prisoner in California for the past 17 years (#C-73842). For many of those years, being his sister, I had stored his legal property until my recent relocation out of Michigan in the summer of 2000 A.D.
2. One of the items I'd kept carefully stored for many years, after obtaining it from PF's friends who retrieved it from his attorney, Wes Schroeder, was a doorknob. PF always emphasized the importance of keeping the doorknob in its same condition until he could present it in a court hearing to help prove his innocence. Attorney Schroeder verified to me that this doorknob was on PF's door when John Allred bashed the door open, and that police removed it.
3. When I moved from Michigan, I had the doorknob within boxes of items I thought were all picked up out of my home by our mother and step-father, Helen and Phil Schultz. I've since been informed by them that the doorknob is not within those boxes of items, and may have somehow been left behind in my old residence and thereafter accidentally disposed of (thrown out).

I declare under penalty of perjury that the foregoing is true and correct according to my own personal knowledge
