RUSY

This ltr is now 10 days old so circumstances re the pain/kidney crisis have changed, but I'm sending it anyway just for the record (of info on it). By the X you get this I hope to have the kidney matter totally remedied - it isn't quite, yet. [IMPORTANT TO YOU]

RUDY DAVIS

Greetings Rudy & Evan,
God's blessings to you.

① The mysterious pain crises w/ probable ^{kidney} &/or spleen damage continues but, as I told Ken Masat on phone today, I have had more pills where I could write, think & not be screaming in pain w/ every breath exhaled. This campaign, special only to me, the same "special project" Lazor-hate campaign you've seen discussed in several affidavits now, is alive & well in the latest scheme which absolutely has escalated to a very definite conspiracy to commit my murder - in the 1st degree = premeditated, calculated & deliberate ^{the being carried out} by a number of sadistic, depraved guards conspiring w/ the medical doctor, one nurse & possibly others in the med. dept here. They are no different than the guards. Mentally, they pride themselves on being mad guards. I did interact, too, w/ 2 very compassionate, caring female nurses whose hearts were pure & good; & I told one I had prayed for her - whatever ~~her~~ needs might be, in the seconds between the bouts of screaming in pain. I never want to give the impression that all guards or medical CDC staff are evil or sadistic. At this point, I observe that those ~~are~~ who are so wicked are the great MINORITY. But even so, in the CDC system, the good ones cannot step on AGAINST the evil ones, or they, themselves would end up treated like me by the evil ones. I've

seen it happen. Quite a few times.

(2) I'm writing you especially about 2 things she had come in front of me in the past 45 minutes or so.

The pain is back. I'll get back to this later
 If I survive this. It won't make it out tonight.

RUSA; Its near 6-7-18 & I found this buried in the cell under 100s of new document pages incoming in the past 1-2 weeks I am trying to read what this says. ~~It~~ It reads:

"THE PAIN IS BACK. I'LL GET BACK TO THIS LATER IF I SURVIVE THIS. IT [THIS LETTER.] WON'T MAKE IT OUT TONIGHT."

The pain was so severe I couldn't keep writing. Then this got buried for over a week - I didn't even remember its existence. The pain crisis was like literally going into another world separate from this one. Next Wednesday (6-13-18) I go for the next & maybe final kidney test to determine what more is to be done to lay the matter to rest.

Today I read your CLASS OF 72 POSTER; & I've received ASV S&W's too. Thank you - & for the other enclosures too (cards etc). Today I began my statement to my Class of 72 - but constant interference; rarely do I get to do anything w/o dozens of endless disruptions - 180° opposite of the typical lone, secluded image of prisoner - that would be peace for me. In any case, I hope to be ready to speak my heart to my classnotes in several days - or so. If I don't write at least some prompt

notes I'll forget, for sure, some important things I wish to say to these old friends, I haven't spoken to in over 45 years - except a few I could count on 2 hands.

I'm curious what all the symbols mean on the one business-card sized card you sent that seems to almost spell an unknown word, like COTTRODICT = ? I assume there's a lot of internal meaning in the esoteric symbols there = ?

I'll close for now, not sure I'll be able to get time to add more to this ltr before it goes out 2 days hence.

I'm so grateful, Rudy & Erin, for you being there for me, for all your care & expended efforts & resources. You're a blessing to me (& others too), more than I can say. May our Father bless you in abundance in return.

PS: I know so little about you - If I'm not prying by asking, please tell me more about you - how you got involved in this political prisoners ministry, your background, presumably you probably have a family (I'd like to include in my prayers, too, to be blessed & in our Father's hedge of protection w/ you, etc).

PPS: I do this occasionally; I erred in my #s of my mailings: I sent you 2 #12s due to having to re-mail the OROA document parts. So, I erred in my previous #s: 12, 13, & 14. ~~with~~ Each was one # off. So if you could correct those to #13, 14, 15 ~~with~~, & this is #16. This proves to be important when the mailroom steals or otherwise you fail to get some of my most important mailings. Apologies for my error here

PPS: ENCE: Lyrics to 1st Song I'll sing over the
 phone to you to record & put out in cyberspace, V-TBE,
 etc. I'm rusty on guitar; w/ my brain damage from 2001
 head stomping (compliments of CoE staff who solicited violent
 gang inmates to do it) I have a long way to go before I'll
 be all the way back up to par. But I should do it soon
 even if I'm not ready - otherwise I might wait forever
 & I never want to fall into that habit. ~~miss~~ So, when I do it
 on guitar (in next few weeks, I think) you'll have these lyrics to
 post w/ it. You could also post them now, if you wish, w/ a notice to
 be listening for the guitar ~~to~~ music rendition upcoming before long.

NEVER WANT TO SEE ANOTHER MOTHER CRY
(FLY AWAY)

2-8-13

(#5)

- | | |
|--|----------|
| 1. I ever want to see this dyin' world made new again | G-D-Am-C |
| I never want to see another mother cry. | G-D-C |
| I want to see a day when children play like me and you, back when; | G-D-Am-C |
| I never want to see another baby die. | G-D-C |

REFRAIN 1: Fly away, fly away, from this old dyin' world. G-Am⁷-Am-C
Fly away, to another space, another time. G-C-F-D⁷
Die away in your decay — since Adam went astray, G-Am⁷-Bm-Am
was it all a waste ? — the ultimate crime ! G-C-D

2. I look into your eyes and I see hope made new again.
I reach into your soul, and I'm alive.
If anything can heal the anguished pain & stain of wretched sin;
it's love — the only thing that may survive . . .

REFRAIN 2: Fly away, fly away, from this old dyin' world.
Fly away, to another time, in outer space.
Die away, in decay — since Adam went astray,
but one has come, to take his place — and save our race
[and save by grace].

3. There's something in my heart way deep inside, like where the world began.
It reaches out to your world deep in you.
It longs to lose itself in someone else's soul again;
that spirit that I am seeking to break through.

[REPEAT REFRAIN 1]

4. If anyone can save the mess we've made of this massive home we're on . . .
Could justice ever be pulled from the flames ?
If true salvation comes it won't be through man's blazin' guns;
the loss of all is all that man's way gains . . .
(Till nothing else remains).

[REPEAT REFRAIN 2]

- * I ever want to see this dyin' world made new again . . .
I never want to see another mother cry . . .
I never want to see another baby die . . .
It's love — the only thing that may survive.

CONTRADICT

There is a way which seemeth right unto a man, but the end thereof are the ways of death. PROVERBS 14:12 For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord. ROMANS 6:23 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. JOHN 14:6 Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved. ACTS 4:12 For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures. 1CORINTHIANS 15:3,4
