of the manufacture fabricated lies
that Lt. Andrew Pick of the Mobile
Sheriff cook up. From his bias,
prejudice, his misguided blindness, in
hatred, greed and selfishness, he
'abused' his position of protection and
service. Once he was put in charge
of the case. Sept. 2011. He begin
his underhanded and corrupt method to
frame me. He rig it so, others on
the police force would believe his lies
in solving a brutal killing. Due to my
being out on parole from a 1979
killing, in which I step up and admitted
that my step nephew and I was attacked
and assaulted, by 2 men. In which

I could not fight the case and gotten

got parole. But I confess up to my
shooting both men. Regardless if you
decided it was justity, or not, I
was given 2 life sentences. For 25 1/2

her full time care giver. She was married to Dad 28 yrs, and after about 10, 12 yrs. married my step dad. who after 30 yrs. departed to heaven in April 2005. Mother and I ask God to grant me favor to transference my parole over to Ala. This was approved into what is known as a dual double parole status. I was the 10th child, and my sibling fought for mother to be placed in a rest home. Some did not like mother choosing me as her protector, provider, helper in her golden yrs. She was 82 when I change job, sold my small place, moved back home with her. For 1 1/2 yrs. I had the honor and privilege to love, comfort, serve my mother in any capacities she desire. I was

given legal P.O.A., estate administrator
of her will, appointed her life will
admin. She enjoy love, comfort,
peace, for her remaining days.
She departed Sept. 6, 2006 at
83 and 9 months year young. To
me, she was, is, and always shall
be a saint of God Almighty.

Five yrs. later, after parole

sorts of support from individuals

former Gov. William Winter leading
a clemency petition for a conditional

Gov. Haley Barbaraer,

his grandmother front yard ditch. He stated this truth to the only county official involved in the whole case. His appointed food stamp counselor. He applied for end of Aug, or first of Sept. 2011. Since I offer to help aid, assist him. The counselor call me back into the interview. I affirmed he could rent a room from me, and wrote a statement and sign my signature to that. She placed it in his file. He too signed and read the policy contract and application. In front of her and me!

Well, about a week later. He leaves my house. Which was Tuesday Sept. 6, 2011. Last time I personally saw him with my own 2 eyes. The day before he left too. Went

to a store a few blocks from my house. I call his mother grand mother to see if he was over there picking up t.v. fishing poles, more of his personal belongings, which when I first pick him up and agreed to help him. We only had room in my vehicle for clothes, I had tools and material for a job assignments

Lt. Andrew Peak, call me on web, 2011, Sept 7, first time I ever talk to him. Due to a family tragedy of my own, my bro-in-law having a heart attack and died that 9-4-11. And the fact that Joshua was not gone over 48 hrs. I help with the clothes and such when I last seen him, his grandmother had file a false report. Both about Josh leaving

her house, And warrants for both him and me, on the u-heat-utility trailer I purchase from Josh. In front of a half dozen people, witnesses to the signature on the bill of sell that he and I both signed.

well, Lt. Peck found out I was on a double life sentence, that I had been living in mobile for 6 yrs. He begin by threatening to put me back in prison if I did not tell him where Josh was. I did not know where he was. well, ~~he came to my~~ the police surrounded my car on the way to my Brownlow funeral. about 5, 6 vehicles. Several had draw guns by their side and after I agree, to let

they put me down, and do a search of my car. Ask if I'll agree to come to the police station. Of course I was willing then, as well as now. To help so I did. I was arrested for a 3rd degree theft, charge. My parole officer heard the facts, and release me. So the judge granted me bond. The Lt, come to my hearing in Sept told my parole that he was a homicide detective. That he was investigating me for the murder of Joshua Duncan and not to let me be re-instated. On record, on the recorder, they agreed 60 day time, and Lt, Peak, jacked up the 3rd degree to first degree from a few hundred dollar piece of junk trailer that was over 20

45. old, rotten, flat tires, no wiring,
no tail lights, he put a price
value of 2,800⁰⁰ on his own, and
tried to get her to re vote me.
She refused. She had talk to the
people who witness the sell I
had produce the bill of sell, and
she stood up for the factual facts, the
truth. I did not steal the tires.

Well, Lt. Peak went around lying on,
me, telling dozens of people I
murder my bro-in-law, I murder
Josh and that it was his job
to put me back in prison. my
bro-in-law was not murder, he died
of a natural heart failure attack.
Josh was not found, until Oct
24th 2011, his dead body on a

secure police piece of real estate
property. There was plenty of
forensic science evidence along with
his body. For instant, 7 human
hairs on his body, was not his own.
pieces of clothing, Lt. got over a
100 hairs off my head from a court
order. DNA test 4 times 2 by
MI. One by MD. Then FBI. all
4 result was 100% was not my
hair. No link what so ever was
attach to me, so, what does Lt. Peak
do. He totally disregarded all the
factual evidence, all the other prime
suspects, and ~~did~~ fabricate a story
that the movie people couldn't think
up. In 2009 Jason & Tiffany Norris
was sent to prison for drugs. His
mother Regina Norris was awarded
legal custody of their 3 kids, In

①

2011. She can't handle the 3 kids, who was 3, 4, 5. Too much for an old woman, who was sick herself, and had legal battles with her neighbor stealing her house. Because her son Jason was abusing her and forcing her to allow him to cook dope at her house. She took the property of 25 plus yrs. out of her name, doing up save it. Putting it in her neighbor name. She turn in her son. Sign a report telling of his illegal activities. He was arrested, sent to prison. Daughter in law too well she call the other grand mother Michelle M^{rs} Common in Chicago Ill. to take all 3 kids, she had them for a couple yrs. Only she

agreed to accept one, because she
too did not believe she could deal
with all 3. So, June of 2011.
She ride a bus now. Pick up
Chance Norris, who is 3, carry
him back up to Chicago, Ill. The
neighbor has a 6 view security
surveillance video camera. 2 views
catch part of Reyna Norris
drive way and front porch. So,
the proof is available to support
this truth, when his mother -
Tiffany McCannon Norris get out
of prison. She call for her son in
late Nov. 2011. He is brought to
her, she knew he was there by
talking with him and them by phone
in prison. She testify that on April
2011 Lt. Peak come knocking on
her door. That he wanted to talk

(8)

to her kids, Here is where Lt. Peck believed he could do the devil work and get away with it. He bribe, coach, gave sweets, toys, to the little kids, and Chance Morris repeated back to Lt. Peck what he was told. No not perfect, but did say ~~he~~ he saw uncle Dennis and uncle Josh in a fight. That Josh stab uncle Dennis, then I am supposedly got a kitchen knife (sword) fought it out. I am supposedly kill him, cut off arms, legs, head, - body, inward parts, hang him up on a tree outside. Gather up all the remains, put them in a plastic tarp blanket. Put it all in my vehicle, Drive to the police secure compound. Carry the

remaining body, miles, Disposed it.
Came back, Regina, his sibling and
I supposedly wash up. Clean up the
crime scenes, Mr. Rudy, None of it
never happen, None, all the tests,
I mean all of them. The forensic
science support no crime scene.
Period! But Lt. Peck, lied to coroner
lied to child care expert, lied to his
dept. head chief, lied to D.A. office,
I believe he went to grand jury, lied
to them to ensure the secret indictment.
No body will tell me. At trial, they
pay off a 5 time drug dealer. To
lie on me. He got out of a life
sentence, so I heard 30 months, and
he totally lied!! I did almost 5 yrs.
and had cell mate in my cell over a
year at a time. and Sherman Dunning
claim he talk to me one time, and I

(9)

Confessed to him I did it. After hundreds of phone calls, hundreds of conversations with policemen, family, friends, none ever said I said that. I never have. I am 100% innocent. Lt. manufacture the untrue story and the asst. D.A. Jennifer Wright help cover up all the loose ends, and both their corruption. by justifying I deserve prison.

Regardless if I kill Josh or not. I should be back in prison for the 1979 case. The means to Tom, did not matter. Does not matter today. They celebrated their victory with drinks, and got their promotion, pay raise, awards and such.

I am asking your viewers to both pray for Tom, for me, to help collaborate the supporting truth. That Chance Norris was not in the state of AIA. That the Lt. made up the story. That either a church group, law college student group, innocent project group, or just single individuals who do not like injustice and corrupt verdict. To spearhead a gathering up of the facts, D.A. Clavin The mobile people

(10)

all lie for me, well get the grand mother's pastor, Sunday school care worker, get the medical personnel, doctors, nurses, x-ray people to sign affidavits and produce their photographs with the child. To dispute the deception the P.A. use to cover up the Lt. crookness. Hope to get some body to volunteer in mobile to go preserve the evidence there. People who sit, sit out side the whole 2 wk trial and never was call to testify, The appointed lawyers lay down and Judes me out for their 30 pieces of silver.

I have sent my appeal transcript brief to you. I am not happy about some parts, but they did the job. Decided on issues they would submit. I do agree with over half of them. Please scan the quotes of the official trial, I self, those 2 little boys loves me. I love them. Lt. Peak made from a pawn in his wicked ~~abusive~~ abusive threatment of me. Any help toward this objective to expose the lies.

(11)

is my request to your viewers. To pray and love me as a true member of God's family. To help expose this injustice. To pass on this wrongful, corrupt verdict. Before AIA murder a innocent man by legal execution. To made me a poster board candidated all across U.S.A. global really with our up to date new sources. To help spread the truth. Rise up worldwide...

I heard you even have a drop box for people to help with donation. I lost liberty, relationships, all my worldly possession, house, tools, clothes, furnitures, every thing. I am caged in a 5 x 8 cell! Not allow to work lock down for most of the ^{every} day. Any able body person willing to help supply me with supplies, stamp, hygiene items, would be deeply appreciated. You sent me enough so I could put the 1100 postage on the transcript brief. The how to send it. You can explain. I am allow 2 friends, a male and a female, maybe a couple could come visit me; get me out of a cell that over a 100⁰⁰

(12)

and visit in the air condition room.
Allow 2 visit a month. Going on
2 1/2 yrs. here. Letters be great too.
Love to hear from christian people
from all over. Can't write folks over
sea, only have so many food med
trays to sell for stamps to write
the courts, and even though 90 to 95%
of my own family believe the lies and
don't write me. I still write from.
Some I've sent ~~over~~ ^{dozens and dozens of} ~~100~~ letters
in the past 7 yrs. almost no reply.
Still I love from all. I under
stand the horrible ~~disgraced~~ disgraceful
shame Lt. Peck burn on me to get
ahead in life. Still I am totally 100%
innocent. Told the judge I was told
family, home town, every body who'll
listen. I am wrongfully convicted. I
am innocent !! Please help where & how you
can ~~ask~~ ^{ask} me the questions you
think I should response to. We'll get
back to my appeal later on in our
relationship. God bless. I hope to
cover all this on air tomorrow. If
not, I'll mail it to you for you to
scan and post. Peace, Joy & Love, Your
brother. in Christ Jesus. Dennis Morgan Kline
