

Dear brother Will,

By the grace of GOD your "Landers21" arrived here 26 June 2018, Tuesday. So very glad to receive it. It certainly was welcome and a pleasure to read, now, over and over - all good! Our canine friends such as your "Tia" add so much to our lives and are a blessing even though they are sometimes only with us for a while. It is a whole new adventure for me to contemplate all of the rattle snakes. Having grown up in Iowa and never lived in areas where rattle snakes are common, I have had little experience with them. In NE Iowa, where we used to go hunting in timber often, there were timber rattlers, but I only ever saw one. He was a large thow compared to those in your country short. He was stretched out on the road as he had been hit by a car and killed earlier. They are very shy and hardly ever seen.

Your Tia'a run in with the rattle snake was certainly a painful experience for both of you. Your application of the "ozone" to the wound was certainly a good idea. The extra oxygen definately promotes healing. Dana and I have long been strong advocates for hydrogen poroxide. The 3% one apples to wounds and the 35% food grade that one takes as a dietary supplement, 10 - 12 drops each day in 12 oz of water, juice, etc. I recommend tomatoe juice with a pnch of cayenne pepper and a squeeze of lemon juice to eliminate any unpleasant taste. When we had this and "ionic" minerals [10-12 drops] we were never sick a day in over 7 years. [Now I'm left to worry, prayerfully what they have done to her.]

Oh no! Trigger found one of those critters to. At least you were a bit better prepared for the treatment and found the assistance of the Vet. It surely is a perfect environment for the rattlers where you are working on the pivots. Trigger's nose is certainly one of the most sensitive places that he could get bitten. Having the work at the pivot and then the necessity for helping the fellow with his truck certainly meant that the LORD had given you a full day for both you and Trigger. Lesson learned you may well have a partner who will warn of the rattlers from now on.

I always pray over my letters as I write in hopes that they will encourage and help you in your days and the work for the Kingdom that the LORD has called for us to do. It may be a simple service for one of our fellow beings, or a big task, but in any event we can be sure that with Him as our guide, strength and provision we will be up to the task. By His grace you are certainly welcome for any encouragement that is yours.

Look at that! The baby goats are already blessing you and others. The LORD is certainly mindful of their needs, and ours. Those who are now blessed with their two new growing kids are surely glad for the opportunity, as well. I'm sure your nanny is happy with the lighter load and I'll bet that she is well aware of the goodness the LORD has provided for her, here two home bodies and her two who have a good new home.

So glad to learn of your youth. My son is 36 and our middle daughter is 41. I have three step children, Kelly is 50, Keri is 47 and Ashley is 38. Saddyly due to all of this I have so little contact with any of them. The bandits have on more than one occasion - gone to them and threatened them for having contact with me. Dana and four others who had been taking the LAWFUL steps for my unconditional release were all forced into exile four and one half years ago. NO CONTACT with even her children [my step children] for that entire time and no end in sight. YES!!! This is happening in America. SUCH EVIL!!!

Sorry! I have NO magic solutions for the care and consideration that we must have in the matters of our hope for a mate. I have become aware of the wisdom that is set forth in Proverbs 31:10-31 for a fine wife. Our son Michael Dean has a fine wife Katherine who seems to very well live up to that wisdom in her marriage and home. He is very blessed. The LORD has at times in my life been generous with the life with my marriage

partners. My first wife Becky and I were married for 22 years. Due to the interference of the Iowa Attorney General whom I was having a legal battle with, She made some very hasty and secretive decisions and divorced me. We are still in good standing, and on occasion write or speak on the phone. I never said a bad word and that has been a blessing over the years. Dana and I met when that was that last thing that I was seeking. I and her found that we had a great deal in common and found our marriage to be a picture of Proverbs 31, but then came all of the persecution by the evil that has consumed this country. The persecutors have made strides to keep us from having contact in various ways. None too pretty. Threats directed towards her and the children. Then as you know my son Ryan Dean Landers (25) was murdered 7 January 2000, to try to break me (us) and pose a most serious threat to all of us. So, as you can see, I have had a few experiences, but can hardly be qualified as a perfect counslor. Thus, you can be sure that I am holding you up in my prayers and with His guidance and help you can be certain all will work our for the very best. Stick close to your AV/KJV and surely the answers will always come. [I recently because of your help was able to send Becky an AV/KJV Bible with the study helps for women. One sore problem always during our years together was that she was not committed to the LORD. That made it a challenge.]

Since we live in a day in time when we don't have the advantages, and there were some, of parents [fathers] arranging marrieages for their youth, we are faced with the challenge of a society that has burned the bridges and get the cart before ~~the~~ horse. It is certain that many people one will meet will not charish the advantages of establishing a well rounded relationship based upon getting to know each other before letting the horse out of the paddock it is a serious challenge that may well not lead to the kind of life long commitment that the WORD advocates for us. Stand firm in prayer and in honor of the WORD would be my best advice and with His strength one will make the best choices when it comes to seeking to do what is right for ourself and the "one" we are hoping for for a Christian spouse who will share our life for the LORD.

Comparing the WORD to the "post" by Megan Markle leaves the door open to all kinds of factors that ARE NOT to be found in the WORD. A formula for another divorce unless that young lady and her husband come to realize the way of the world will not lead them to happiness in their marriage and certainly not in eternity. [Proverbs 3:5,6]

Here, recently, the LORD has been gracious by keeping the temperatures lower and the humidity low. That is truly a HUGE blessing. We have no air conditioning where we are forced to sleep. Therefore, we must live with some very unvomfortable conditions if the weather does not cooperate. Thank the LORD for the mercy He has been showering upon us.

From the daily devotional that I used last year I am enclosing the 20 Cans of success. I find them helpful and encouraging and worth sharing. I pray that they are a

blessing for you and anyone with whom that you may elect to share them. There are some very positive benefits to success that is in harmony and purpose of the WORD.

Have land prices been escalating in your part of the country? I have become aware that here in the Mid-West land has escalated to \$4,000 to \$8,000 per acre. In Iowa, where I grew up \$6,000 to \$8,000 per acre is common. This should alarm everyone, as this will lead to property taxes that, "alone" stand to break the bank for many farmers and ranchers. It is ridiculous when one considers the sale price of commodities at the country points. People are going to have to learn how to truly own the land and stop accepting Deeds of Tenancy. A Tennant is NOT an owner and this has led to the "property tax" SCAM in the first place; since the New Deal/Communist coup de etat. The lawyers have been the only one to prepare the standard form deeds and they leave the TRUE title of the land roll up to the state by "escheat" and then the state, county and municipalities use the land as collateral for borrowing/bonding. Then the tennants must pay the principal and interest on the bonds as is called "property tax" in order to continue on the land. This is in the hands of the people to cure. The time is way past due. [I know! Another reason for the FALSE IMPRISONMENT/POW status.]

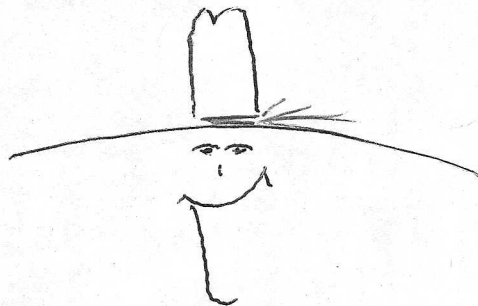

There has been a recent completion of a Christian point of view as to what has been happening here and around the world that threatens the people here and abroad. See: [www.enemieswithinmovie.com](http://www.enemieswithinmovie.com) as the TRUTH teller from New Zeland tells MUCH!!! Another source of what's up is at: <http://noliesradio.org/deeptruth>. These should be available if you have an internet connection or at a connection at the public library. Well worth the study.

Did you share the CREATION magazine with me? I must ask, as I am unable to know who had it sent to me. If you did, many thanks. If not I'd be happy to share more of the well written articles with you.

I don't know if you've heard, but those folks down south have been discouraged about continuing their prison ministry. How sad. This is what it has come to in America. Conduct common in NAZI occupied Europe or the old USSR is now present here in the so-called "Land of the Free".

Be sure to take the very best care of yourself, those you love and of Trigger and the livestock family that is growing closer to all of us. You are in my heart and prayers and surely goodness and mercy shall be ours all the days of our lives.

In His mercy,

## SUCCESS COMES IN CANS, PART I

*I do believe; help my unbelief (Mark 9:24).*

Someone has said that success comes in cans and failure in cannots. The "Twenty Cans of Success," taken from God's Word, will expand your knowledge of our faith-object, the Almighty God. Building your faith by internalizing these truths over the next two days will help lift you from the miry clay of the cannots to the reality that in Christ you can do all things.

## Twenty Cans of Success

1. Why should I say I can't when the Bible says I can do all things through Christ who gives me strength (Philippians 4:13)?
2. Why should I lack when I know that God shall supply all my needs according to His riches in glory in Christ Jesus (Philippians 4:19)?
3. Why should I fear when the Bible says God has not given me a spirit of fear, but of power, love, and a sound mind (2 Timothy 1:7)?
4. Why should I lack faith to fulfill my calling knowing that God has allotted to me a measure of faith (Romans 12:3)?
5. Why should I be weak when the Bible says that the Lord is the strength of my life and that I will display strength and take action because I know God (Psalm 27:1; Daniel 11:32)?
6. Why should I allow Satan supremacy over my life when He that is in me is greater than he that is in the world (1 John 4:4)?
7. Why should I accept defeat when the Bible says that God always leads me in triumph (2 Corinthians 2:14)?
8. Why should I lack wisdom when Christ became wisdom to me from God and God gives wisdom to me generously when I ask Him for it (1 Corinthians 1:30; James 1:5)?
9. Why should I be depressed when I can recall to mind God's lovingkindness, compassion, and faithfulness and have hope (Lamentations 3:21-23)?
10. Why should I worry and fret when I can cast all my anxiety on Christ who cares for me (1 Peter 5:7)?

---

*Lord, thank You for Your loving care reflected  
in the incredible promises in Your Word.*

## SUCCESS COMES IN CANS, PART II

*The righteous man shall live by faith (Romans 1:17).*

Believing that you can succeed at Christian growth and maturity takes no more effort than believing you cannot succeed. So why not believe that you can walk in faith and in the Spirit, that you can resist the temptations of the world, the flesh and the devil, and that you can grow to maturity as a Christian. Allow the "Twenty Cans of Success" you began yesterday to encourage you.

## Twenty Cans of Success (continued)

11. Why should I ever be in bondage knowing that there is liberty where the Spirit of the Lord is (2 Corinthians 3:17)?
12. Why should I feel condemned when the Bible says I am not condemned because I am in Christ (Romans 8:1)?
13. Why should I feel alone when Jesus said He is with me always and He will never leave me nor forsake me (Matthew 28:20; Hebrews 13:5)?
14. Why should I feel accursed or that I am the victim of bad luck when the Bible says that Christ redeemed me from the curse of the law that I might receive His Spirit (Galatians 3:13,14)?
15. Why should I be discontented when I, like Paul, can learn to be content in all my circumstances (Philippians 4:11)?
16. Why should I feel worthless when Christ became sin on my behalf that I might become the righteousness of God in Him (2 Corinthians 5:21)?
17. Why should I have a persecution complex knowing that nobody can be against me when God is for me (Romans 8:31)?
18. Why should I be confused when God is the author of peace and He gives me knowledge through His indwelling Spirit (1 Corinthians 14:33; 2:12)?
19. Why should I feel like a failure when I am a conqueror in all things through Christ (Romans 8:37)?
20. Why should I let the pressures of life bother me when I can take courage knowing that Jesus has overcome the world and its tribulations (John 16:33)?
