dear bro Will,

God bless you and yours! I pray your strength and provision sustains you well through your busy season. So many places are experiencing wild-fires and record heat. I thank God daily for moderate conditions, health and sufficient means for enduring what comes. We can all look forward for "His enduring promise."

Your generous blessing is so very welcome. May your blessings multiply! Here, meals are being ~~so~~ cut noticeably. The so called jobs no longer pay any more than \$5.25 per month for most. I've never had more. Thanks to your help I have tennis shoes - I went 7-8 years without any. Some food/snacks that help supplement, over counter skin care finally

healing sores on my legs as suffered from 2008 Sept through present. Now nearly all healing up. It seems the daily vitamins are helping, as well. Medical here is generally more harm than good. ☹️ Your help and prayers cannot be described in more words!

On the reverse I share a reference guide. I pray it blesses you in your AV/KJV studies. I find it a helpful resource. Bless you in this Will! ☺️

2/ Today I received "The Voice of Martyrs" color photos and newsletter. The stories with photos from around the world show how people, though sorely persecuted around the world stand strong with The Word (Jn 1:14). Today's edition had article on prisoners in a horrid prison state, in part Tabuti. Chances of living into a 23rd year appear far less than I've endured. The wicked certainly hate "The Word" and all who stand in truth.

I also received a letter from a fellow in Alaska. He is 73 years young and has friends in Texas. He asked that I write so I am going to do so soon. He tells me he's been married for 53 years and has 7 grown children. I'll ask about grand children. It is a small world - Jesus our King! Green is growing.

Today, 6<sup>th</sup>, Proverbs 6:1-5, warns that we are not to be surety

Will, I hope and pray all is well with you and yours. In this, your busiest season, I was so blessed for receiving your e-mail yesterday. Your brotherhood in Christ is always a blessing! I pray the letter was a blessing, as well.

There is much Kingdom work to do; I pray our liberty, His purpose and strength and provision all soon cast us in His work. Like Job, our chapter 42 is at hand well. Thanking Jesus, the Christ always in all things!

Here is a small prayer you may enjoy as you go about your work each day.

Dear Lord Jesus, the Christ  
stand beside me:  
Guide and direct my life;  
Teach me what I need to know;  
Help me with my work;  
Let me serve Thee and others,  
that I may be counted worthy  
of thy mercie and grace.  
Amen

This evening I was blessed with some extra food as another chose not to eat. There is always something to be thankful for. I daily pray thanks for His provision for all of our fellow workers. Those we know by name; those we are not knowing by name, as well.

Our sister in Granite City, Missouri shared a letter, as received today. Her and her 35 years son are being blessed with sharing Gospel at a Baptist congregation about 15 miles away from their home. Sadly they lost the small dog "Stripe" as he developed a blockage and died; a real loss for both of them. Stripe rests in the back yard and they are looking for a new dog. I'm sure the Lord will provide. I have a color picture of Stripe and was a bit shocked myself. All are with us for a time.

Its been a bit warm here, as in much of the country. I'm sure you've noticed, dear brother. May the Lord comfort all, especially those who've lost homes, businesses and even loved ones and friends in recent fires. May the Lord have mercy.

Yesterday was my great granddaughter Stella Jean's 1st birthday. I was able to send a card. Hard to believe. When they attacked us in Montana I was 46 and Dana 44. Now, her and 4 others have been forced into exile, as they were taking the lawful steps

4/ for my liberty (5 years). Most people have no clue such evil is going on right here on America. People are being murdered by imprisonment right here on America; others murdered outright (like our son Ryan Dean, Jan 2000). Pursuant to Trading With The Enemies Act 1917 (TWTE); NEW DEAL, The People are targeted as "The Enemies"; Constitution, etc. means nothing. Deception and force rules.

"The Swamp" that President Trump called for "drain the swamp" is the whole she-bang, Potomac Mafia. The Satanic mode is embodied in TWTE. When we stand for The WORD, for The TRUTH we become the "targets" of evil. Thus, 1995, bribe offer for my silence; and 1996, violent assault, robbery and false imprisonment, now in the 23rd year.

Yet, we do not waiver, James 1:6, our victory sealed in The WORD, John 1:1, 14. The "Light" overcomes the darkness. They can beat us, rob us, murder us, maybe even eat us but they can NEVER defeat us. Our Lord Jesus, the Christ has already won all!!!

We have a number of people contacting President Trump calling for his intervention. If only we could get the whole TRUTH out, the TWTE shut down there would be no basis for a federal arrest, forfeiture nor imprisonment. The handling of crime would be local, based upon real victims stating real complaints. Crime, true crime does not start with legislation. People are sorely in need of learning the whole TRUTH and without The WORD, In 1:1, they cannot grasp TRUTH. This is the failure of the whole system today. America is sorely turned away from God.

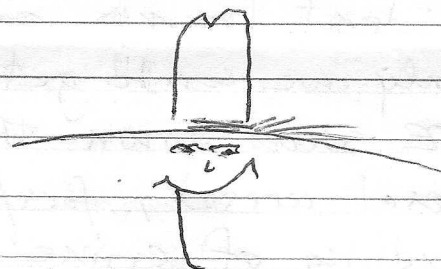

5/ God in Jesus, the Christ, is our stronghold. He does not leave us. His will be done. 🙏

There are good things, not for prying eyes here, I would love to share. Perhaps true justice and liberation will become reality. We must trust Jesus without wavering. It is where our heart and spirit is now and forever. Love The Lord with all of our heart, mind body and spirit. So please to be on this journey with you and all of God's people. 🙏

FOUNDATIONS

# THE RICHNESS OF GOD IN OUR HEARTS

by Sabina Wurmbrand, excerpted and edited from a  
1980 message delivered in the Shetland Islands, Scotland

*Dear brethren in Christ,*

In 2 Kings 4:7 we read about a widow who cries to Elisha for help because she is unable to repay a debt. She knows that if the debt is not repaid, the creditor will take her two sons as slaves. After the woman tells Elisha that she has nothing but a single jar of oil in the entire house, he provides her with a miraculous example of her true riches in God.

This passage never meant more to me than when I was being held in Communist prisons.

One million Soviet soldiers had invaded Romania and imposed a Communist regime on my homeland. In the free world, we have the luxury of speaking about communism as a philosophy. But wherever the Communists are in power, there is no philosophy. It is cruel dictatorship.

As soon as the Communists took over our country, they started the fight against God and the people of God. Romania is a country of 20 million people, and every tenth man or woman was imprisoned or forced into slave labor. In the

free world, there are so many discussions in the newspaper and in the churches about whether women should work in the kingdom of God, but we didn't have time for these discussions. When the men were arrested, the women took their place. The Communists were shocked to see Christian women working in this way, and when they saw that we really meant it they arrested thousands of us.

When we were in prison, we were very poor. We were not allowed to take anything with us when we were taken from our homes. We were hungry, we were beaten and we were very dirty.

I remember a Christian lady who was humiliated by a prison official after being taken out of her underground prison

***“Go, sell the oil and pay your debt; and  
you and your sons live on the rest.”***

—2 Kings 4:7

cell. He took out a mirror and gave it to our sister. “Look how beautiful you are,” he said in mockery. “Why are you so foolish? Why do you speak about God?”

\* When she saw herself in the mirror, she could barely recognize herself. The Communist officer enjoyed her misery.

“Just sign this statement and you will be home with your children,” he said.

Mentioning her children was like a stab to the heart. She immediately began to cry and

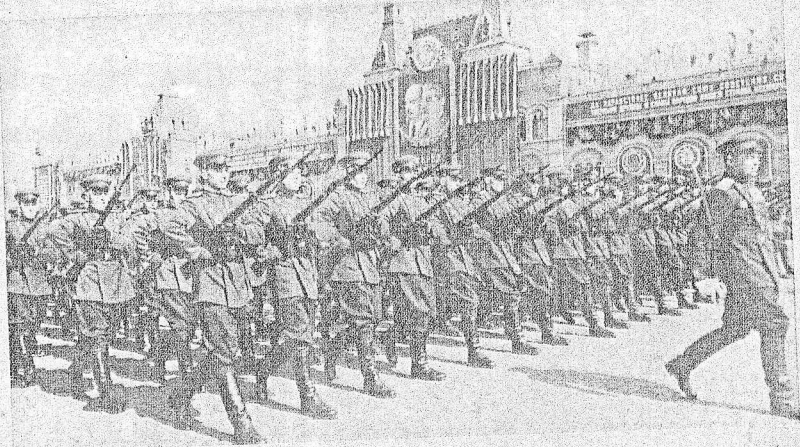

became unsure of how to answer. A few seconds later, however, the Holy Spirit gave her the right answer. “Mr. Officer,” she said, “I know my children are in your hands, but I still cannot deny my Lord. For it is written in our Bible that one day every knee will bow before our Lord and Master. Even you, Mr. Officer, will have to bend your knees before Him.”

The officer went into a rage. He beat the woman and sent her back to the prison cell. Many years later, we learned how God had richly blessed her witness.

At Yellowstone county, Billings, Montana I went from healthy 205lbs, fit, to 155lbs the night they secreted us to Springfield, Missouri, while mock trial went on in Montana, isolated in Missouri while alleged trial was held — looked like out of Dachau. Skinny.

After a time of crisis, when the officer's wife had run away with one of his colleagues, this officer who had beaten the Christians bent his knees humbly before Jesus as his Lord and Savior. God had blessed the Christian woman's witness, using it to draw the hater of God to Himself. We saw miracles in Communist prisons. While we were very poor, our greatest need was the work of God.

In this great poverty, we discovered how rich we were, just as the widow discovered her own riches — in the form of an endless oil supply — by crying out to God's prophet Elisha. Everything had been taken from us, but nobody could take what was in our heart. We saw how one word from the Bible brought new light, new hope. Lives were saved by this richness. In tears and in suffering, we discovered the richness of the work of God. Gather the work of God in your heart. Dark clouds are covering the world, and who knows how soon you will need this richness?

One day, four or five of us listened to the words from the fourth chapter of 2 Kings. We had Christians who knew the whole chapter by heart. There, shivering from the cold and aching with hunger, we understood the cry of the widow. We understood it better there. We always need something. Our heart tells Jesus, "I need this and I need that." Jesus hears the cry of your heart. Today He would tell you, "I know what you need." Today would you look in your heart? What do you have? We never understood this question so well as when we understood it in prison.

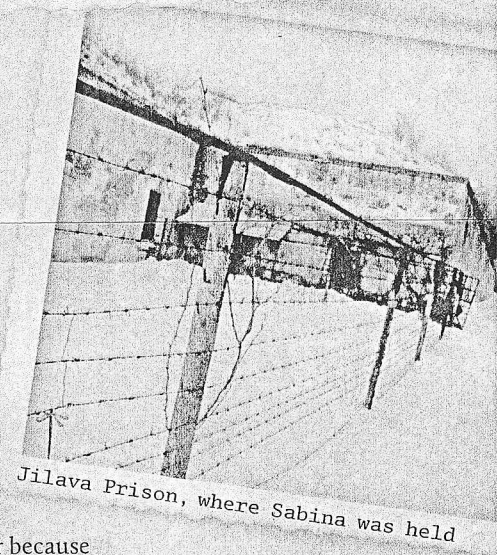

Christians are locked up in asylums with mad men simply because they love Jesus. They are gagged and placed in straightjackets. I ask you to hear their cry. In hearing their cry and seeing their tears, I ask you to join them in their tears. Soon our Lord will return, and He will wipe away our many tears.

I know you have your problems, and Jesus knows them, too. But the tears you shed for others will be the most valuable, like diamonds. He will wipe away your tears and theirs. He will gather us together, and those who have wept together will be in joy and bliss together with our Lord. Let the cry of suffering Christians be heard in your heart, in your home, in your churches. They need your prayers. They need your help. They need your tears of compassion. Join hands with them. Pray for them and offer your tears for those in tears.

Sometimes as we sat in the dark prison cell with tears on our faces, our hearts were near fainting. There was no help from anywhere. Then Jesus Himself would lift the veil for a second. We saw heavenly glory. We heard heavenly music. New strength and new joy filled our hearts. Christians came out of the depths of suffering stronger and richer because Jesus Himself had enriched us, fought for us and made us to understand what it means.

Wonderful is His name. Wonderful are His deeds and all those who belong to Him. He is yours and you are His. You are a wonderful people. You are also very rich, even though you may have only a single jar of oil. Very rich, having the Son of God as your Savior.

Let us join hands with all who fight for the kingdom and together praise His holy name. May God fill your heart with His glory and make you a blessing to the whole world. ■

*Sabina Wurmbbrand (1913–2000) and her husband, Richard, were co-founders of The Voice of the Martyrs. Sabina was imprisoned for three years in Communist Romania, forced to work as a slave laborer on the Danube Canal. She is the author of the 1970 book The Pastor's Wife, which is still in print today. Her story is also told in the newly released book Wurmbbrand: Tortured for Christ — The Complete Story, available at TorturedforChrist.com.*

There are countless accounts such as Sabina's.
