Subject: Wrong Jurisdiction!

Joseph:

I am back to my original Status as a Republic (state)
american National. I am no longer part of the Tax system
of the defacto USA. INC/UNITED STATES OF AMERICA INC.
I am a private freeman with the un-incorporated united
States of America and the original constitution.

It is no longer (never was) my concern what anybody
within the Corporate USA does. IT is not my Jurisdiction.
They can remain subject/ slaves to the corp.Democracy.
It really is'nt any of my business. I will explain the Political
status Just once and If they don't make the change, the best
that I can do is wsh them luck.

To make it clear: EVERY AMERICAN MUST CHANGE THEIR
POLITICAL STATUS BACK TO THE ORIGINAL CONSTITUTION
REPUBLIC OR REMAIN IN INDENTURED SERVITUDE FOREVER!.

CHOOSE OR STAY AS SLAVES OF THE CORPORATION!
THERE IS NOTHING ELSE.

When you learn that you have been enslaved with a way to
return to freedom it becomes very refreashing.

Thats it joseph. When you are no longer the governor police
tax collector etc. have lost all jurisdiction over you.
Go on lineto : ANNAVONREITZ<COM and READ ALL THE
INFORMATION. LEARN TO BE RESPONSIBLE AGAIN.
Because of Jesus
