Dear Erin and Rudy:

Are all B.A.R. Associations Incorporated?? Real important.
I will have some quick questions for you, if I may, as I finish
the final presentments/documents for the Qui Tam Action.
I am doing the last drafts. This is the time I need quick answeres
for the works.

Pray for me on this one. We can't wait any longer. It is bis
time for everyone to "Take Their Place". I sense, time grows short
for the Republic and free America. We move or expire. Using the
law is the best way to re-establish the new/old Republic of the united
states as the darkness draws closer. 11:56: P.M. The enemies of our
government know we are coming and it can only be a one way conclusion,
Because of Jesus.
