Dear bro Will,

GREETINGS, in Christ Jesus! I pray as we share this conversation that your basket of blessings is full. I write by hand, as for some reason(s) I do not know I am confined to my room, as all the others in this place. At least The Lord has provided cool temperatures and thanks to your generous gift I have some food and dietary supplements for their food supplied grows more and more deficient. Prayers for you and all, who've risen for the call continue day and night. I thank our Lord Jesus, the Christ for His pouring out His provisions, protection, blessings on our friends (even those silenced in their ministry by those here).

Let joy be in its fullness for all. "Surely goodness and mercy shall follow [us] we all the days of [our] my life and [we] I

"For we wrestle not against flesh & blood, but against principalities, against powers, against rulers of the darkness of this world, against spiritual wickedness in high places."
- Ephesians 6:12

shall dwell in the house of the Lord forever." (Ps 23:6). $\bar{\omega}$

A few days ago we were locked in our rooms for 4 days - nothing we had done wrong. Now again, no explanation. It appears personnel problems

may be at the heart of it. The disparity in obscur. $\bar{\omega}$

It is now over 4 1/2 years since my wife and 6 other good and lawful people were sent into exile as they sought my lawful liberation. Sho' very vague, I'm informed they are well but no idea where. My prayers avail much. Not even other family members have any contact. Mail is blocked in Indianapolis, not at last known mail location in N. Carolina. Comments like "no such address" are without LIES, as even if someone moves the address is still there and a return would come from the N. Carolina post not Indianapolis - Yes, this is happening in USA.

Studies in Pat's "ONE in a MILLION AN
IRS TRAVESTY" and F. Tupper Saussy's
"MIRACLE ON MAINSTREET" affirm Eph 6:12.
I know Pat and knew Tupper - have a
long history of seeing "the rulers of the
darkness of this world..." about their dirty
works. Long before Pat wrote his "ONE..."

I had 1st hand information about the wife shot to death
in her home and the rancher murdered by the rifleman
in Kansas, near Wichita. It is written as a novel
but I have 1st hand knowledge of the "real" events.
God bless you for sharing a number of us are en-
joying the expose of the darkness to "The Flight".

I was just blessed to read "THE KILLING of UNCLE SAM,
THE DEMISE OF THE UNITED STATES OF AMERICA" by Rodney
Howard-Browne and Paul L. Williams. It lays open
"the rulers of the darkness of this world," Eph. 6:12 and shows
us the Devil's broad path for destruction where men
without Christ have no hope. (John 10:10); (Ps. 91).
Our prayer; exposure to the Flight of the TRUTH in
readiness for the soon return of our Lord Jesus, the
Christ the narrow path that they have no power for
ever coming. Praise Jesus!!!

As Char I rest season unfurl pray for those who
have the task before them. How they face wet conditions.
Likely (you will know) that is not what falls out your
way face. Perhaps it will allow you to catch up with
all the repairs and maintenance in readiness for the
upcoming winter months. The "Kids" are no doubt grown
to near adulthood, aren't they? Their nanna will get a break?

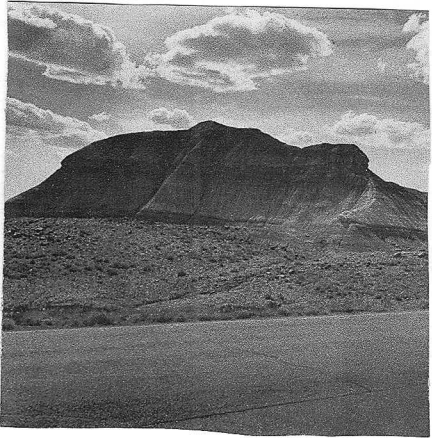

I spend nearly no time at all watching TV, nor listening to radio; none wasting away in newspapers either. Saturated with untruths and purposely misleading content. Saves on batteries, as well as my peace. AVKTB renders much and it is TRUTH not meant for our harm but rather for our peace and our guidance for life now and forever. ☺

Through all of this, none ever came to me re a "plea bargain". Just as well. Long ago I learned in Daniel ch. 3 of Shadrach, Meshack, and Abednego the power of standing firm in the Lord. They were offered go at liberty when you bow to the idol or be cast into the fiery furnace this very hour if you don't. What a "plea bargain" — no waiver, they stood with GOD! Are we do less? No!

I imagine you're getting hay, straw and the grains, as well as shelter in order for the coming months. All of the livestock, is no doubt growing ready for winter, as well. I remember lots of movement — repairs and getting things in order for our many cattle and horses, as well as poultry and our dogs, as fall spoke and winter was just around the corner. Ready as we were, winter meant lots of extra chores dealing with snow, keeping tank heater working and supplying water when needed.

Vehicles and tractors had to be winterized, oil changes and battery maintenance so we would be caught off guard as little as possible.

~~It~~ 20-30° below zero with 2 ft of snow
It is not a good time for playing catch up, is it? 😊

I've rolled through your part of the country when it was "very" wintry. I'm sure you want to be ready. I'm sure all of our barnyard friends will be glad for all of your extra efforts. By God's mercy and grace all will be well.

Some places we had stock tanks filled by windmills. We had tank heaters, some kerosene, some wood/coal, so they had to be attended daily, usually 2x per day. It just seemed common, so we didn't think much of it. We just did whatever it took. ☺ After school was start of the rest of the day. Snow days were off from school but not in farming & ranching ☺. Grain scoops became snow shovels. Adapt, a key word. Joseph a wonderful example, Genesis 37-45 - his story a Christ like example for us. Adapt in the strength and provision of The Lord. ☺

This lunch we had tuna salad and vegetable soup of fresh vegetables in tomato sauce - I count that a real blessing. There is His provision! He is our strength. I still miss my cowboy hat, clothes, belt & buckle and boots. O'well, when The Lord wills it, it shall be. He is our everything. ☺

The very last day we were attacked, 25 March 1996, (over 27 yrs) Deloy and Danzel kidnaped; violence a real threat, I gathered all except 2 young men we put on watch, at Ralph Clark's dining table and we consulted Judges, ch 6, re Gideon's 300

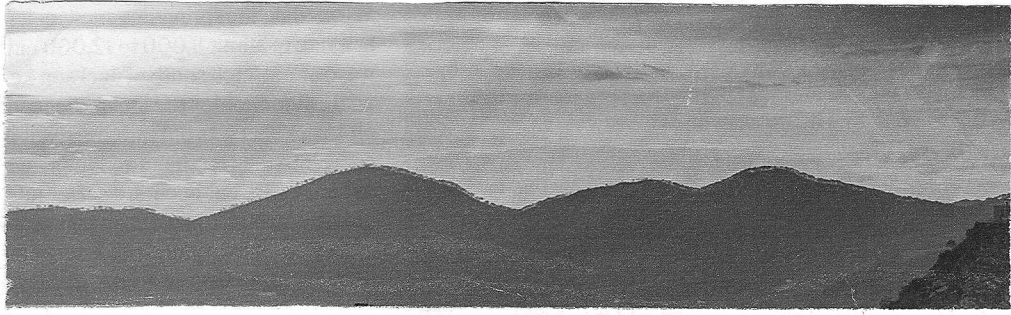

We had no idea what lay ahead, but it seemed we were in a situation much like Gideon and his 300. We prayerfully prepared with Gideon for "...the rulers of darkness of this world..." Eph. 12, were in array against us, we knew not why. The WORD, TRUTH was on our side; the "spirit-

ual wickedness in high places" is no match for "greater is He that is in [us] me than he that is in the world. Our victory is sealed in the blood of the King and He is our certain Redeemer! [Those prayers that day are in the works. Halleluiah!

Our great grand daughter, Stella Jean Landers had her 1st birthday 6 August. We've had a prayer burden as her father, our oldest grandson Alex Michael (22) has had some growing up to do, as has Stella's mother Dana. Answers are good. He has found landscaping work and they are nearer than they were to where the Lord wants [us] them. Prayer is our certain pathway for victory. It's all in Jesus' hands. And He has all under control. (Young parents have their own learning curve.)

I just receive mail from Germany and Tommie, a friend in Texas. Betül of Nürnberg enclosed 3 photos, as she had an outing at a nearby farm - ① geese; ② chickens; ③ a sleepy rabbit - her husband has work so she is going back to university. I just sent them a post/brief (Etc) but I will soon send a response. And Tommie shall hear from me too.

The Creator's masterpiece, a small, beautiful piece!

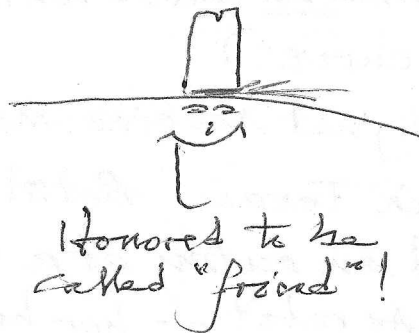

Seems, as per interview they are concerned for some danger here. I doubt it. I'm safer here than you are at a nearby mainstreet or mall. The real dangerous places are far and few between. The city parks are more dangerous than these hoax. All a huge false flag. The real enemy, Satan, is not limited to this place. He is the Prince of darkness of the whole world. Some want to pretend their so-called job is needed. Not!

You, dear brother Will, are in my heart and prayer at all times. The Lord is with us! May this day, in His hands be a blessed day, and some what may, it is all for His good purpose (Rom 8:28). It is sure to be worthy of His name, HalleluYah!

Thank you for being His wonder and work in progress and sharing The Way with me.

Through The Word,
