

Dear Guy I got a letter from the court today and may come my  
imaya claim at the Appeal court. We are still pending at the Supreme  
court. I hired Frank Richardson to do the next brief back to the  
Appellate Court. Frank said we can do a De Novo hearing because they  
100% ruled wrong! Therefore please support Frank's efforts in this regard. I know  
only one him \$5000 Total. But Frank is a good guy, not greedy and  
lays no games. Therefore you have my permission to work with Frank to  
get this filed in court or at least get a copy of his brief so you  
can mail it to me soon. Frank is trained and knows the whole case  
and I trust him to finish. Please support this effort. I'm now in the  
SNM and have not been written up for anything. All they have said is  
that they are investigating me for a Panz of Scheme in Africa and that  
I have a big mouth. They seem to be focused on Pastor Broden's trip to  
visit an friend. Now they grabbed me at the lunch line and I was told  
they are going to strip me to a controlled unit, where I can never  
use the phone or get mail. Again, they said I have a big mouth but  
no specifics. So it would seem that they are most upset about Steven  
Broden's trip. Please let Mr Broden know this. They also do not like  
Rudy's website, but they did not specifically say this. Maybe I do not  
know how long it will be before I can call you again. I have been  
drawing some new drawings that were most interesting as I reduced the  
amount of met Glas needed and removed 50% of the rotors. I  
hope to mail them to you in the future. Anyway this would mean  
that whatever the bill for met Glas comes to, it will be 50% or less  
in the future. In the Appellate court ~~over~~ answer which can be read  
on Poros, the Appellate court actually tells us how to win in their  
denial. Overall they are saying that I do not qualify for Dimaya as my  
crimes are violent. Talk to Frank about this. We have a dead line of two  
weeks to get this brief back into court, but I would get relief do I'm in  
the SNM. Therefore, please use my PDA and/or make sure it is signed if  
possible and sent to the court as fast as possible. We need to work with  
Frank in the future as he is good with law and trustworthy. Please tell  
him to call you so you can talk about these legal issues. The one thing that  
was never a problem is the fact that prisoners are allowed to talk to embassy  
consulate or Ambassador without even being monitored. This is interesting do  
I had an Annual Visa from Russia and was in Russia when they said I  
was here. Therefore, I would like to talk to them about the new evidence called  
proof of Alibis. Anything else said so fine with me as I really would like to  
seek Asylum. Note that right now Russia has grabbed a US guy and  
wants to trade him for the Russian girl. No would be a good time to  
talk to them about some prisoner trades. Rudy said they will not answer. need to  
get this done. need to have Mr Broden make a third trip. need to let everybody  
know that it is these trips that now have me being Disenfranchised? they are  
ripped with Nato towards me. If they do write me up →

they will have to give a name to the person on the street who is part of this so called  
poison scheme and it would seem that MR Broden is #1 on this list. Also my cellmate Mike  
Knight is a good honest person but you never email him. Because of this gov.  
shut down I don't know how long I will be in the Dungeon. My accounts have  
all been off for over 30 days and they have even cancelled my ability to buy  
hygiene items. This violates BOP Policies. Please have MR Broden work again with  
Malcolm to help me. Tell MR Broden I'm ready to go with him wherever he wants  
and pray with him. Please email my last letter to about the Tavistock institute to the  
person to whom it is address and change the first part of the letter and change  
the words 'Bitch Slaped' to whatever word you think appropriate. Please call Rudy  
and read him this letter so that everyone can hear my words. Please help Rudy  
rewrite anything that I have written. Also again I really want you to work to  
sell the Ruski's on the idea of interviewing me as they are my ~~not~~ missing  
Alibi Evidence. I don't care what you promise them as I would honor any commitment  
you make for me. Remember in the Tavistock Book they say Russia is the only  
country besides China that is not totally controlled by these evil people. Note this Tavistock  
letter is the last letter I typed before they shut off my communications and phones,  
and it disappeared for a while. I mailed out a 300 pg package to Rudy and  
one to you many weeks ago and Rudy told me he did not get them. I hope  
you fixed the title on my old property. Note I got no check from Craig or  
Roland yet. Maybe my father complained against me? If I don't get some  
relief soon the president might be out of office. I have tried to offer him  
my energy concepts in the past to help the country and the copper product. Maybe  
if they write me up they will attack one of these two items officially. Anyway  
now is the time to complain and show support for what we stand for. Remember  
I have wanted to help everybody and all of my phone calls state such. Remember it  
is three of the same Judges that ~~cancelled~~ canceled the travel Ban. wrap you  
concepts around the fact that the 9th circuit is out of control and know one is  
safe from these people. Everything now seems to be a Tavistockian scheme from  
Rud's Tortoise deal to the phony prison system and it is they that I'm sure run  
our church. These are the people whom have ~~created~~ created the Matrix  
scheme that we find ourselves in. Please tell MR Broden how much I appreciated  
his help and his efforts and how much I would like to repay him for his love  
and concern. If you never hear from me again I want you to have my farm  
and some home and sell it and help name if you can force yourself to help her.  
Anyway I love you and only could borrow on stamp so I mailed you this letter.  
Please go and read the Appellate brief, talk to Frank and let's get my brief filed. Note  
you have copies of my John Henry and these papers are not notarized. Therefore  
please help get things filed as fast as possible. Also now would be a good time  
to check on the Supreme Court website and see how my 2241 is coming along.  
Also if anyone writes a letter to the court it would be good. If MR Roberts would  
rule right I would be released with time served. I'm told I have 500 in my  
court account, maybe you could promise this to some person who is helping  
you out. I don't care. I just need some help and I can earn this amount  
soon if I'm released.

3. I have only written you as I only had just one stamp. They left Justin & Bob back here for 3 months. Now we have a ~~new~~ ~~new~~ shut down therefore, I do not know how long I will be back here. Right now you are my only brother and friend - You Rudy and Pastor Broden and Mr Cullum and Rudy's ~~my~~ ~~my~~ grand other internet friends. The greatest movie ever made was 'it was a good life', starring Jimmy Stewart, as he was shown what the world would have been like if he was never born. Literally 1000s of people are dead because I was kidnapped, as even my beloved cousin Mark Farish died of a disease we could have cured him of. therefore, in all reality many have perished, as they would not stand for truth or defend those who truly wanted to help them. If President Trump leaves office and leaves me here, I will not be able to help him. I really wanted to create over a million jobs and help the economy and remove all of the infectious diseases all over the world and if that is my last month, I'm proud of it. therefore, please finish everything we have planned using my POA in any way you see fit, make any deal that make sense, contact any Emb. or consulates you want. I'd I put a magnetic bridge in the bottom of the GALT to remove half of the Poles and mag. Jeremiah is wrong about the distance that the magnetism will flow but I got tired of arguing with him. Please ~~GO~~ Google the whole planet and find me the Nexa Nitride mag's as they would be great. Note they turned off Pastor Broden's phone and Eddie's phone first! maybe Eddie complained about me. I just wanted to confront Eddie about the POA when I discovered that they had blocked his phone. therefore, they really meant to remove Africa and shut off Mr Broden's phone as that would seem to show that this was what they were most aspartated about.

Anyway stay safe and I will write you in 30 days. Recall this letter to Rudy. Say hello to Andrea and move Jeremiah's focus back to the GALT if you can. La La
