What I would like to know is why Judge Kobayashi, after his ruling on Jan. 27, 2021 of Anabel's case and Henry's sentencing on Dec. 27, 2020, did not place Anabel and Henry in Federal prison as soon as they were sentenced? The fact that Judge Kobayashi's "royal treatment" of waiting to have him incarcerated on August 2021 and that Judge Kobayashi went as far as giving Henry a choice of being incarcerated with his family in Las Vegas.

What I would like to know is why Judge Kobayashi, after her ruling on Jan. 27<sup>th</sup>, 2021 of Anabel's case and Henry's sentencing on Dec. 17<sup>th</sup>, 2020, did not place Anabel and Henry in Federal prison as soon as they were sentenced? The fact that Judge Kobayashi gave Henry a "royal treatment" of waiting to have him incarcerated on August 2021 and that Judge Kobayashi went as far as giving Henry a choice of being incarcerated near his family in Las Vegas.

Isn't it the court's lawful procedure that once a defendant has been sentenced, that right after the court's sentencing, that it is the job of the court's U.S. Marshals to escort the convicted defendant to go straight to jail? Why is it then that these two convicted felons: Henry and Anabel, are allowed to be "at large" when they were already sentenced???? Obviously because the corrupt Judge Kobayashi did not order the court's U.S. Marshall to do so.

And then on the BOP website, it says that Henry and Anabel are "in BOP custody" when in fact, they are not in custody? Sooo, with this BOP website reporting system, they are also in collusions in covering up Henry and Anabel's court ruling. Isn't this very obvious how Judge Kobayashi and the Attorney General's prosecutors: Namely: Kenneth Sorenson and Greg Paris Yates who prosecuted Anthony during his "Kangaroo trial" held on February 2, 2021 to March 3<sup>rd</sup>, 2021, were all in collusion with each other: Judge Kobayashi, the prosecutors, the lawyers of Henry and Anabel, so that these two convicted felons would NOT serve their Jail sentences???

Where is justice to all these???. Whereas the innocent man, Anthony T. Williams has been in jail and continuous to serve these wrongful accusations against him for four (4years) thus far, when in fact, it was Henry, Anabel and the other three people connected to this case, namely: (Edna Franco, Angelina Passion and Rowena Valdez) are not yet indicted with their crimes thus far???. Our corrupt judiciary systems all over the country is unbelievable. However, we have a GOD-Yahweh Elohim Yahshua, that is in CONTROL. His Righteous Indignation, once in place, these Luciferian followers have no where to hide.
