Mr. and Mrs. Rudy and Erin Davis

Aloha Rudy and Erin,

Anthony instructed me to send you copies of the following:

1. 2. Angie's Affidavit – 5 pages
2. 3. Angie's letter to Ms. Dotson – 2 pages
3. 4. Editha's Affidavit – 2 pages

Anthony asked me to send these to you, as he would like these downloaded into his website. I'm very pleased and Thankful that these brave women were willing to give their Affidavits in support for Anthony.

I am finalizing my Affidavits as well, against Henry, testimony that I was supposed to give when Judge Kobayashi denied me to testify against him during his sentencing day. I should finish it by tomorrow and I will send you a copy. Anthony said to have these Affidavits downloaded into his website. Appreciate all your assistance.

BOP Miami per Anthony, is worse than BOP Honolulu's treatments of him especially after he filed a lawsuit against the BOP Officer threatening to rape him! Anthony said that they're all retaliating against him now, the gf of that BOP Officer who threatened to rape him, wrote up Anthony for not jumping off of his top bunk bed during the man count, so she wrote him up. Anthony was punished by not being able to make a phone call for 30 days, but later rescinded the punishment after a week. Other "retaliation" being done against him now is by "freezing his account" where the money that are sent to him by his family, he could not access to buy his commissary foods. He is forced to eat the worse than dog food they are serving the inmates! Then, they are holding his mails for 3+ weeks before giving it to him! Unbelievable. Thank you for your continued prayers.

Respectfully,

Rosy
