Shalom Brother Rudy,

Enclosed is a copy of my appeal to the bogus disciplinary I received for a verbal threat. There is a total of 15 pages which includes 8 exhibits. This appeal was sent back to me stating I can have only 2 additional pages to the original form and that since I'm not in compliance it is sent back without a ruling. It is tactics like these that they use to frustrate inmates with their sham grievance process. I have resubmitted the appeal with only one (1) additional page and no exhibits. How can I prove my case if I can't present the evidence in my defense.

Monday, July 19, 2021 I was placed in confinement again for the same bogus written or verbal threat. I had my disciplinary hearing today and won the disciplinary and was found not guilty but they told me that they were going to still keep me in confinement pending a "re-write" of the disciplinary. I was then told by the DR Hearing Officer that there was not going to be a rewrite but I would still be in confinement for at least a week more. This is clearly a violation of my rights and retaliation against me.

I have also enclosed a copy of the letter I wrote that they said that I threatened the clerk in the mailroom and I also enclosed the DR write up to show you the absurdity and their intent to try and find anything to place me in confinement. Some of the inmates say that they are going to transfer me because they don't like when someone beats a DR and don't want them on the compound to show others how they won and beat their DR.

As soon as I am released I will email you to update you. As always please upload all my documents and send me back these originals.

yours in Yahshua

Central Level DR Appeal

I. OPENING STATEMENT

This is a Central Level Appeal of Finding of Guilt by the disciplinary team on a charge of "0-13" spoken threats, disciplinary report (DR) log# 307-210523 resulting in a conviction on 5/21/21 with 30 days punitive confinement and negative transfer.

II. ARGUMENTS

A. Denial of Adequate Investigation and Hearing

There was not an adequate investigation nor hearing that was in accordance with established rules, regulations, policies and procedures. I specifically requested that the grievance that I wrote be submitted as evidence to show that there was nothing in the grievance which could be misconstrued as a threat and therefore there was no justifiable reason for Lt. Dougherty to call me to his office under the pretense I made a written threat in my grievance.

At the disciplinary hearing I requested and asked for that grievance to be read by the disciplinary team and they stated that they didn't have a copy of the grievance that I wrote which was the premise of this disciplinary.

B. Technical Errors

Pursuant to Chapter 33-601.304, F.A.C. all technical errors may be appealed as a violation of Chapter 33. The disciplinary report failed to indicate it was authorized by the Shift O.I.C. (see Exhibit 1) (Charging Disciplinary Report log# 307-210523)

C. Procedural Errors

Pursuant to Rule 33-601.304, 601.305, 601.307 and 601.308, F.A.C., the disciplinary investigation and hearing violated numerous procedural requisites.

- 1) The hearing officer did not explain to me the range of punishment at the beginning of the hearing as required by Rule 33-601.307(1), F.A.C.
- 2) The investigating officer failed to properly state my version of the event and record the results thereof upon the Disciplinary Investigative Report, form DC4-804a as required by Rule 33-601.305, F.A.C.
- 3) The investigating officer did not ask me if I desired staff assistance as required by Rule 33-601.305 (1) thru (4).
- 4) The disciplinary team did not offer me staff assistance after reading the charge, neither did they present any evidence following my ^{not} guilty plea and neither did they allow me the opportunity to see and inspect the evidence used against me and did not specifically enumerate their findings at the conclusion of the hearing on the disciplinary hearing worksheet, including listing the specific evidence relied upon in reaching their decision as required by Rule 33-601.305(1) but based their decision SOLELY on the statement of the officer. (See Exhibit 2, Disciplinary Report Log# 307-210523)
- 5) The disciplinary team did not provide me a copy of the disciplinary hearing worksheet reflecting their written findings as required by due process. See *Wolff v. McDonnell*, 418 U.S. 539, 94 S.Ct. 2963, 41 L.Ed. 2d 935 (1974)

6) The investigating officer did not complete and obtain my signature on the Witness Disposition, Form DC6-112B and the Documentary or Physical Evidence Disposition, Form DC6-151 in violation of Rule 33-601.305(2)(f), F.A.C.

D. No Evidence Presented At Disciplinary Hearing

The disciplinary hearing was conducted on 5/21/21 at 9:13 a.m. and the disciplinary team stated on the report that the team finds me guilty "BASED ON THE STATEMENT OF FACTS LIEUTENANT DOUGHERTY STATED". There was no evidence presented at the hearing and the team found me guilty based SOLELY on the written statement of facts by Lt. Dougherty. (See Exhibit 2)

E. Denial of Staff Assistance

Pursuant to Rule 33-601.307(i), F.A.C. inmates are afforded staff assistance in their disciplinary proceedings. This right was never mentioned to me by the investigating officer nor the disciplinary hearing officer. This is procedurally required and was disregarded and neglected.

F. LT. Dougherty Lied About Spoken Threat And Spoke Racial Slur

Lt. Dougherty stated in his disciplinary that he asked me what I meant in my grievance and stated I replied, "If you don't get her off my complex, I'll take care of her." This statement was never made by me and was a lie concocted by Lt. Dougherty to write me a disciplinary and put me in confinement. What I stated to Lt. Dougherty was what was written in my grievance. After reading my grievance again and realizing how ridiculous it was to accuse me of a written threat, Lt. Dougherty then accused me of making a verbal threat against Officer D. Smith just then in his office and

ordered me to confinement. I then asked "so I'm being taken to confinement for writing a grievance and he replied, "No nigger because you didn't mind your own fucking business. Next time stay in your own fucking lane and mind your own business." After being placed in confinement I wrote a grievance to the warden about Lt. Dougherty's racial slur and never received a reply and that's why I sent an appeal to the Secretary on 5/31/21 outlining the incident. (See Exhibit 3, Request For Administrative Remedy or Appeal, Log# 21-6-16659). This office sent me a response on 6/15/21 stating that the Colonel should be given the opportunity to respond to my issue and returned the grievance without action. (See Exhibit 4, Part B - Response). I was transferred the day after filing my appeal on 5/31/21 to Okeechobee and was not given the allotted 15 days to appeal at the institutional level before I was negative transferred.

I am willing to submit to a polygraph test and would request that Lt. Dougherty do the same so we can determine who is telling the truth about what transpired and whether I made the statement Lt. Dougherty said I made in his disciplinary report.

I filed an appeal at the institutional level and was denied on 6/14/21, grievance # 2106-307-013. (Exhibit 5 and 6)

The initial grievance I wrote on 5-14-21 to the warden notifying him of the racial slur Lt. Dougherty used against me has never been responded to. I sent a follow up grievance on 5-23-21 and that grievance was denied and stated the rest of my grievances would be responded to. (Exhibit 7)

I filed another grievance on the same day 5-23-21 requesting a copy of the grievance that I wrote to prove there was nothing in the grievance to call me to the office to explain and I have never received an answer nor a copy of that grievance to submit as evidence at my disciplinary hearing and appeal. (Exhibit 8)

III. Memorandum of Law In Support of Appeal

A. Due Process of Law Violation

All prisoners though they are incarcerated still retain many of their fundamental constitutional rights which cannot be infringed except in limited certain instances and for clearly authorized justifiable reasons. The due process of law right is one of those fundamental rights afforded to all citizens whether incarcerated or not, that must be adhered to and failure to do so is grounds for appeal and reversal of any action taken against the one whose right to due process has been abrogated and/or violated.

The United States Supreme Court has addressed the due process protections that must be afforded to prisoners who are subject to disciplinary proceedings that may result in loss of gain time or loss of liberty which has been authorized by state statute. In *Wolff v. McDonnell*, *supra.* and *Superintendent, Mass Correctional Inst. v. Hill*, 472 U.S. 445, 105 S.Ct. 2768, 86 L. Ed. 2d 356 (1985), the U.S. Supreme Court held that in context of prison disciplinary proceedings, "due process requires that the prisoner receive a written statement by the fact finders (disciplinary team) stating the evidence relied on and reasons for the disciplinary actions taken."

It has been the usual customary procedure of the Dept. of Corrections (DOC) to find inmates guilty of a plethora of infractions based solely on the statement of the charging officer. (See Exhibit 2)

With this sort of culture established throughout the DOC an inmate has no chance in any disciplinary proceeding based on statements of officers because the disciplinary hearing officers are colleagues of the charging officers and even though the evidence or lack thereof warrants a dismissal of the charges, disciplinary hearing officers have and will always rule against an inmate based on the

Statement of an officer.

The disciplinary report that I received stated the team finds me guilty "BASED ON THE STATEMENT OF FACTS THAT LIEUTENANT DOUGHERTY STATED" and listed what he stated I said and I was found guilty based solely on his statement. Due process requires something more than mere boilerplate sentences to support the findings of the disciplinary team that could be applied to every case. See Johnson v. State, 564 So. 2d 999 (Ala. 1989). The report did not list ANY EVIDENCE relied upon for its decision except only the statement of Lt. Dougherty. This is repudiated by the Sixth Circuit when it stated, "A prison disciplinary committee's written findings of a disciplinary report which only states that it found the inmate guilty BASED ON REPORTING OFFICERS STATEMENT contained in the disciplinary report [is not] adequate to satisfy due process requirements." See King v. Wells, 760 F. 2d 89 (6th Cir. 1985) (emphasis added). Other jurisdictions have also ruled that "disciplinary boards conclusion that based on officers statement and evidence found that inmate was guilty [does not] satisfy Wolff's requirement of written reasons." See Acoff v. State, 437 So. 2d 1380 (Ala. 1983).

B. No Evidence Presented At Hearing To Support A Conviction

As outlined in Section II. Arguments, subsection D. No Evidence Presented At Hearing, I was found guilty without the prerequisite of evidence to support the officer's statement and the findings of facts by the disciplinary team before conviction can be rendered. Due process requires that some evidence be relied on in order to find an inmate guilty of an infraction or offense. The disciplinary team did not state in its report what specific evidence was relied on to come to their guilty conclusion. In Brooks-Bew. v. Smith, 819 F. 2d 178 (7th Cir. 1987), the Seventh Circuit ruled that "Prisoners due process rights were violated by disciplinary

Committee's making insufficient written findings of the specific evidence relied on to find prisoner guilty of infraction."

The disciplinary team wrote in its report that they find me guilty but did not list what any of the evidence was that they relied on except the statement of LT. Dougherty which is not evidence but a statement.

CONCLUSION

Based upon the foregoing facts, exhibits and memorandums of law in support, my due process rights have been grossly violated because the Doc has established a culture of violating their own rules and regulations in disciplinary proceedings and therefore the disciplinary process, proceeding and conviction are in error and the conviction as a matter of law and in the interest of justice should be dismissed, vacated and expunged and I should be given 60 days of additional gain time for the 60 days I sat in confinement wrongfully for an offense I never committed, my custody level returned back to its original status and returned back to Sumter C.I. or transferred to South Bay.

Executed this 28th day of June 2021.

Respectfully submitted,

Anthony Williams

<p>I was given a disciplinary by Lt. Dougherty for writing a grievance about officer D. Smith violating Chapter 33, 208.002 (8). The LT called me to his office, and stated he felt I threatened his officer in my grievance which I told him it was absurd and he could read my grievance again and show me what in it could be misconstrued as me threatening an officer. Once he realized how ridiculous it was, he then said you just verbally threatened my officer but didn't say how or what I said that could be misconstrued as a threat. He then told the officer to take me to confinement. I then stated, "So you are locking me up because I wrote a grievance" his reply was, "No nigger because you didn't mind your own fucking business, next time stay in your own fucking lane and mind your own business. I then wrote a grievance to the warden the next day about Lt. Dougherty calling me a nigger and filing a false charge of verbal threat. The warden has refused to answer my grievance, and I'm still in confinement and was told that I am scheduled for a negative transfer. All I did was write grievances about the unlawful conduct of the officers and I was retaliated against and sentenced to 60 days confinement. I feel that this warden and his administration are covering up for their officers and will continue to retaliate against me for writing grievances. Your formal grievance log #2106-307-013 has been received, reviewed and evaluated.

The writing, investigation and hearing for disciplinary log #307-210523 was conducted in accordance with F.A.C 33-601. You were found guilty of 1-3 spoken threats based on the statement of facts that while Lt. Dougherty was interviewing you in reference to a grievance you filed on an officer which contained statements about inmates retaliating against her with violence that could be fatal. Upon questioning you about those statements and the allegations against the officer and what you meant by them you stated, "if you don't get her out of my complex, I'll take care of her." Witness statements were read and considered by the team. You did not have any evidence. Other than denying your guilt you have not presented sufficient evidence to have this disciplinary report expunged from your record.

Based on the above information your formal grievance is denied.

You may obtain further review of your complaint by obtaining and completing form DC1-303, Request for Administrative Remedy or Appeal, providing attachments as required, and forwarding your complaint to the Bureau of Inmate Grievance Appeals, 501 South Calhoun St. Tallahassee, FL 32399.

Part A - Inmate Grievance - 307-2105-0115

I was wrongfully accused and sanctioned for verbal threat to an officer when I made no such threat. I wrote a grievance about the illegal conduct of officer D. Smith and asked that you speak with her and the other officers about their behavior in violation of Chapter 33, 208.002(8). I was then called to Lt. Dougherty's office who stated he felt I threatened his officer in my grievance which is absurd. When I told him to read my grievance and he realized how utterly ridiculous it was to say anything in the grievance could be misconstrued as a threat, he then accused me of verbally threatening her right then. I told him I did not verbally threaten her and then he had the Sgt. handcuff me and said I was going to confinement. I then stated, "So you are putting me in confinement for writing a grievance," his reply was, "No nigger because you didn't mind your own fucking business. Next time stay in your own fucking lane and mind your business." There was no reason for me to be called to the Lt's office to explain my grievance because it was very clear and detailed and could not be misconstrued as a threat because if it was then he would have wrote the disciplinary based on what I wrote. But calling me to the office was just a play so that he could say I verbally threatened an officer. I immediately sent you a grievance about what Dougherty said and being placed in confinement but have not received a response as of yet. A few days prior to this I had talked to Cpt. Furlough about officer D. Smith's and other officers conduct and he agreed that officers shouldn't be violation Chapter 33.208.002(8) and that he would address that issue with the officers. I stated to him what was in my grievance and he did not feel that my statements in my grievance constituted a threat. I want this false disciplinary reversed and expunged and if not I intend to pursue this all the way to Tallahassee and if need be Federal Court.

I also sent you a grievance on 5-15-21 about being placed in confinement for writing a grievance. I keep a log of all the grievances that I file and you haven't answered any of them. From this point on, I will make a copy of every grievance that I file to have a record of exactly what I wrote and the failure of you and your staff to respond to them. Check here if this is an informal grievance

Your Admin LT, A.T. Dougherty blatantly lied on the disciplinary report by stating I said to him in his office about officer D. Smith, "If you don't get her off my complex, I will take care of her." This was a blatant and outright lie. The grievances that I wrote against officer D. Smith did not contain any threats and so Dougherty concocted this lie that I threatened her in his office when he interviewed me so he could write me a bogus disciplinary and put me in confinement. I am requesting a copy of the grievance that I wrote against officer D. Smith and also a copy of all of the other grievances that I wrote to you and haven't received a response. I am appealing both bogus disciplinarys and need form DC1-303. I need two copies. Specifically and in reference to subsection (c) above, your officers retaliated against me for filing complaints about the actions and behavior of your officers that is in violation of Chapter 33.208.002 paragraph 8. Furthermore, they wrote me two bogus disciplinaries with the first one I outlined above and the second one they planted a phone in my absence and charged me with possession of a phone that I never had. I requested that the surveillance camera be reviewed because it would show that they didn't get a phone out of my locker, as was written up in the disciplinary report. When the investigation officer looked at the cameras, the story changed to it was now discovered in the officers station. I do not appreciate being lied on by your officers and contraband being planted and false charges filed against me. Not only am I filing an appeal, I will have my legal team contact Tallahassee and contact the media to expose what your administration has done to me and attempting to do. I was informed by the hearing officer Ms. Reed that they have recommended me for a transfer. This is also a form of retaliation because of the grievances I have filed in the month I have been in this facility. Transferring me is not going to stop me from filing my grievances and my federal lawsuit against this facility and its officers. Furthermore, I am DEMANDING to be transferred from this facility because you have a host of dishonest, racist officers who are devoid of integrity and I do not wish to stay here to continue to be

harassed by your officers continuing to write bogus disciplinaries
against me. Let your officers know that they will be held accountable
for writing up false disciplinaries and planting contraband to write me
up a bogus disciplinary. If my appeal is denied a federal lawsuit will
be forthcoming.

I just received two unauthorized mail return receipts that was returned to Common Law Office of America. I want to know WHY my legal mail was opened outside of my presence which is against the law. You obviously don't know me so I would suggest you do some research to find out who it is that you are violating their rights. A good start is youtube and type in: PAg Anthony Williams. A second place to look is the website www.yearofjubilee.com/janthonny and third look up the Civil Case Lenore Albert v. Anthony Troy Williams, U.S. Court of Appeals Ninth Circuit, case numbers 2018-cv-56675 and 2019-cv-55039. This case is in regards to an attorney at law who sued me for \$1 million dollars alleging that I ruined her life by filing the paperwork to get her evicted from her home, car repossessed, credit destroyed and disbarred from practicing law and having her office shut down. She thought that I was someone to play with and found out otherwise. Please note that I did all those things while still incarcerated. I'm an expert at getting justice with a pen and paper through administrative remedies and through the courts. If you would like to talk to another prison official from a Facility I was previously housed at, you can contact Special Agent Newsome who is the internal affairs supervisor at the Federal Detention Center in Miami and he can verify and assure you what I'm capable of with the law.

With that being said DO NOT OPEN MY LEGAL MAIL AGAIN OUTSIDE OF MY PRESENCE.

Warden or Assistant Warden

Your mail personnel, C. Tharp is playing with my legal mail and have sent legal packages back with the excuse that the address could not be verified which is a blatant lie. I have been receiving legal mail from Common Law Office of America for the past 5 years that I have been incarcerated with no problems and not one incident. Now I'm at your facility for 2 and a half weeks and now there's a problem with my legal mail being delivered to me.

I have already filed a federal lawsuit against this facility and the D.O.C. for numerous violations of my constitutional rights and it seems I will have to amend it to include mail tampering which is a felony offense and a \$250,000 fine and 3 years in federal prison.

I am now requesting the full personnel file for C. Tharp which includes their full name, employee ID number, employee record, any reprimands, disciplinarys, warnings (verbal or written), suspensions or demotions if any. This request is being made pursuant to Chapter 33.102.101 Public Information and Inspection of Records and also the Freedom of Information Act under Federal law.

It would be expedient for you and your staff to do a little research on me because I'm not an inmate, convict or criminal that committed a crime to be here. I am a Private Attorney General/whistleblower who exposed several judges in Florida and Hawaii who were engaged in illegal activities and using their office to facilitate their crimes and had them removed. They retaliated by having their colleagues file bogus charges to incarcerate me for what I exposed. You can check out the website www.yearofjubilee.com/anthony or go to youtube and type in: P.A.G. Anthony Williams and can see for yourself what I was doing and what my profession is. After the Warden of Sumter realized who I was and what I'm capable of, I was immediately transferred to your facility in an

attempt to prevent me from filing certain legal remedies in court against their facility. However, transferring me is not going to stop the litigation.

I am a man that knows the law and follow the law and I will hold EVERYONE accountable who breaks the law and violate my rights regardless of their profession or position.

I am requesting that you talk to your mail room staff about tampering with my legal mail and to cease and desist immediately and I am requesting that you meet with me to discuss this situation and come to an amicable conclusion and solution.

Thank you in advance for your cooperation and consideration in this most exigent matter.

Sincerely,

Anthony Williams

Private Attorney General / Whistleblower

P.S. I also have mail that's coming from several news media outlets, law offices and others and often pages will exceed 15 pages and have been sent back stating I need prior approval from the warden to receive mail which exceeds 15 pages. I need this approved expeditiously because it contains a lot of case law, legal rulings, state and federal statutes that I need to fight my case.
