Judge Kobayashi

HAVE MERCY!

PLEASE RELEASE ATW

The only "victims" in his "crimes" are the banksters that were stopped from putting people out on the streets.

ATW loves the Lord + he would not hurt anyone.

He is only loving his brother as himself + treating people the way he wishes to be treated.

He loves the Lord + serves HIS 10 commandments the best he knows how.

I hope + pray he is an example to you + that you release him to help others as soon as possible.

He has been tortured in solitary → LONG ENOUGH.

Sincerely, Ben [Signature]
