NWO . . . NEW WORLD ORDER

Gary M. Northington . . . . Gary M. Northington

1. Congress rules, and some are fools, who ignore the Constitution.

If right or wrong, They sing a song, for high paid prostitution.

A Godly way, not tax and pay, is the ultimate solution.

Put wrong in check, when we drop the deck, for treasonous absolution.

2. Judges decide; people confide, but it's only their delusion.

The black-robed priests, all hold their feasts; the parties pray to illusion.

The plaintiffs pray; defendants nay, to an evil priest attorney.

The judge's bribe, will turn the tide, to the party with the money.

3. You are sold at birth, for all you're worth; you're owned by the corporation.

American slave, your rights you gave, for corporate conflagration.

State welfare checks, the I-R-S; fraudulent State security.

You sold your soul, the devil's goal; you'll burn in perpetuity.

4. Pernicious path, you face God's wrath, for an Esau's bowl of porridge.

The choice you make; the path you take; join Jesus if you have courage.

Christ is the Way, day after day, to end your chronic confusion.

For peace and joy, don't be so coy, for God's eternal solution.

Dear Rudy & Erin:

New World Order is effectively poetry or a rap type song. It's based largely on personal experience, like the part about the judges because I've seen the money change hands and heard the conversations. Investigative information says about 66% of the judges in Southeast Michigan are on the take. That is 66% of the judges in Lenawee, Livingston, Monroe and Wayne Counties take bribes to make court judgments in favor of the highest bidder.

According to my sources: TERRE HAUTE & MARION are secret Federal Communication Management Units (CMU) where terrorists are sent. They are "secret" because Congress did not authorize them and specifically voted against building them. The Federal BOP secretly manipulated funds intended for other purposes to build them and violated the express intent of Congress.

The CMUs are prisoners are usually Muslim and Arab. Non-muslims and Non-Arabs are sent there as "balancers" to distract from what civil rights organizations would call discriminatory behavior of the Federal Government in a normal prison. It seems that Schaeffer Cox and Dave Hinkson are "balancers" who are likely sent to TERRE HAUTE as punishment to terrorize and reeducate them; like in Red China and Russian Gulags.

I am soon going to Henry Ford Hospital for another cardiovascular stress test. My prior stress test was in JANUARY 2019. There is a 95% to 100% stenosis of a distal lesion in my left coronary artery, that was caused by NURSE PRACTITIONER SUSAN H. WILSON (of CORIZON HEALTH in the U.P. of MI) refusing to treat me for Strep Pneumonia from 08 APRIL 2008 to 20 JUNE 2008. The stenosis could not be fixed on 05 JUNE 2019 because my blood pressure went to 220 mmHg during an attempt to install a stent.

All for Jesus... I'm blessed!!! Gary M.
