RE: THE NEW COSA NOSTRA; a.k.a. DEMOCRAT PARTY

Dear Mrs. Dingell

In JANUARY and FEBRUARY of 2020, Congressional COMMUNISTS SHAMELESS PELOSI, WHINING SCHUMER and MAD AM SCHIFF, et al: WERE WHORING WITH A FAKE IMPEACHMENT and later ACQUITAL when YOU ALL SHOULD HAVE taken CARE OF THE CORONAVIRUS epidemic. (You fed President Trump the Vitamin Impeach that GREW his POPULARITY.) PRESIDENT TRUMP WAS one of few Public Servants DOING HIS JOB when House DEMONRATS hijacked the Senate.

From 20 JANUARY to 20 FEBRUARY of 2020, NANCY "PUTIN"-PELOSI, CRYING SCHUMER and MAD COW SCHIFFT falsely whined President Trump was ACTING "TOO SOON" by shutting-down Chinese traffic, into the United States, to prevent spread of COVID 19. DEMONRAT hatermongerers falsely said Trump shutting-down traffic from China was racism and xenophobia which is actually racism on the part of DEMONRATS.

Then, on 25 FEBRUARY 2020, PELOSI and SCHUMER REVERSED their WHINE of President Trump acting TOO SOON into NOT acting SOON ENOUGH regarding the COVID-19 virus. PELOSI and SCHUMER should get their heads out of that dark-smelly place where they are blinded by SCHIFFT. They cannot see their HYPOCRACY and undue RANCOR. FACTS SHOW PRESIDENT TRUMP ACTED PROPERLY in the COVID 19 MATTER from the start to the present. 13 MARCH 2020 FACTS show President Trump gave the United States the BEST CORONAVIRUS SAFETY ZONE IN THE WORLD; your unlucky day.

On 27 FEBRUARY 2020, NANNY PELOSI said: "Now is not the time for name-calling or

politics" only hours after PELOSI and SCHUMER PLAYED POLITICS with rancorous name-calling and political remarks about the U.S. response to Coronavirus. THEY falsely called President Trump "incompetent", etcetera, when Trump timely acted on the COVID 19 epidemic of China while PELOSI and the SCHUM did nothing. Do-Nothing DEMONRATS must have memory loss of senility or are outrightly LYING HYPOCRITES. HOLY BIBLE, Matthew 23.

PELOSI hypocritically prayed at the Nat'l Prayer Breakfast to "respect others" but was herself disrespecting others with slander. FAKE RELIGIOUSITY from the HOLIER THAN THOU PELOSI of the church of BOTTOMLESS SORROW shows hatred toward those Jesus Loves and Ordains. Trick Pony Pelosi serves the CHURCH OF TRIMESTER ABORTION, and infanticide after birth with VA Governor Northam, that defames the Children of God. HOLY BIBLE, Matthew 18:6-14.

DEMONRATS' various criminal prosecutions of and rancor toward political opponents is BOLSHEVISM IN ACTION. OLINSKY COMMUNISTS always accuse their opponents of what the COMMUNISTS are actually doing. The violence that that DEMONRATS advocate such as CHUCKIE SCHUMER making threats to Supreme Court Justices, Mad MAXINE WATERS inciting assaults on Republican officials in their private life and the shooting of Representative Scalise are proofs of the Demonrat's totalitarian BOLSHEVIK MENTALITY. Cease and desist!!!

RSVP! (Repentez Si Vous Plait!)

. . . . Sincerely in Christ,

. . . . /s/ Gary M. Northington -----

Dear Rudy and Erin,

MDOC quarantined all prisons because of COVID-19. At the same time, Lansing MDOC Dietician Patricia M. Willard put us on a STARVATION DIET that is a total of 4-ounces of cheese, meat or soy per day. That sounds like a recipe for GENOCIDE.

On 13 MARCH 2020, the first Audiologist I have seen since 1988 requested an ENT Specialist for ringing in my ears, dizziness, ear pain, ear bleeding and hearing loss that I've had since JUNE 2012. The ear problems began when Registered Nurse Lisa Marie Adray refused to treat me for heatstroke on 30 JUNE 2012. Will Lansing MDOC approve the ENT Specialist???

God Bless Y'all!!! Old Gary
