Hi Rudy & Erin:

*** I need a note from Pat Shannan saying he is the publisher of "One in a Million", if possible. If he sends it to you, then you to me, that will help. I can print it out from JPay for a soon to come hearing. I already have a copy but I would like to send this 2nd copy to a friend.

A. MDOC POLICY

*** MDOC Policy says: "Prisoners also MAY RECEIVE PUBLICATIONS ordered by members of the public FROM A PUBLISHER". PD 05.03.118, ATTACHMENT A; also ATTACHMENT B.

B. OTHER PRISONS

*** In 2018 and 2019, at other prisons, I received "Miracle in Atlanta" and "One in a Million" from Pat Shannan because the Property OFFICERs there ARE CIVILIZED PERSONs not stumbling through life in ignorance. They knew policy and took a minute to check Oceana Publishing on their computer.

C. JCF PROPERTY NAZIS

*** On 16 MARCH 2020 at JCF in Jackson, I received a copy of "Born Again Republic" which Property NAZI Linda S. GRAHAM ((517) 780-5207) refused to give to me by saying, "Oceana Publishing Co., is not an approved MDOC publications or religious vendor. Attachment A & B". As aforesaid in MDOC Policy, there is no MDOC approval required for publishers, so GRAHAM LIED because she thinks she can do anything she wants (like Lon Horuchi who murdered Elizabeth and Sammy Weaver).

*** On 26 MARCH 2020, Hearing Officer John COOLEY said I could not have "BORN AGAIN REPUBLIC" because it was from "Freedom Church". He said the RETURN ADDRESS on the envelope must match the ADDRESS in the book but failed to understand publishers who do the printing are not always listed in books.

*** In JULY 2020, I sent a note REQUESTING TO SEND THE BOOK OUT to a friend but Linda GRAHAM never called me over to send it out nor responded because, as said, she feels she is a law unto herself (like the TALIBAN).

*** On 01 JUNE 2021, JCF in Jackson received a 2nd copy of "One in a Million" which Property NAZI Brenda A. SCHMELTZ ((517) 780-5207) refused to give to me based her lie that: (1) It was a "used book" because Pat Shannan autographed it; and (2) a fraudulent claim it "was not from an authorized vendor" when WE ARE ALLOWED TO RECEIVE BOOKS FROM PUBLISHERS who are not "authorized vendors". SMELTZ deliberately ignored the fact and policy about publishers (like Janet RENO who murdered women & children at WACO).

D. AFORESAID ABUSES DEFINED IN LAW

*** "In a government of laws, existence of the government will be imperiled if it fails to observe the laws scrupulously. OUR GOVERNMENT IS THE POTENT, THE OMNIPRESENT TEACHER. FOR GOOD OR FOR ILL, IT TEACHES THE WHOLE PEOPLE BY ITS EXAMPLE. Crime is contagious. If the government becomes a lawbreaker, it breeds contempt for law; it invites every man to become a lawbreaker, it breeds contempt for law; it invites every man to become a law unto himself; it invites anarchy". OLMSTEAD v UNITED STATES, 277 US 433, 485 (1928) (CAPITALIZED PRINT was Timothy McVeigh at sentencing on Federal Murders at WACO). Obviously in OLMSTEAD, SCOTUS defined GRAHAM and SCHMELTZ as inviting anarchy. LUKE 6:38.

E. MI INFO

*** According to a University of Southern California at Berkeley study in 2021, Detroit is the most segregated city in the U.S. with 78% of its citizens being Black (Detroit Channel 7, 23 JUN 2021).

May God Bless & Protect Y'all!!! With God's Love & Prayers, Gary M
