

Obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it.

Dear bro Tommie,

The Lord is with you! Blessing! God is working all around us, Rom. 8:28. There are 1/2 dozen efforts sure to mean liberty in progress. The evil system is being called to account. Take note: Job, ch. 42.

Here, I'm seeing the Lord at work in many ways. He is in TRUTH our guide and strength for overcoming the "Obstacles". Our prayers avail so much.

Sen. Charles ("Chuck") Grassley of Iowa is a long time friend and acquaintance

of my family. He is on top of the injustices I've been persecuted by for over 2 decades and I'm also being brought to the fore front on more than on additional fronts. The nation is in God's hands, not in hands of the wicked. As with Job, Satan can only do what the Lord allows.

My brief, 20pg biographic history and more recent 1400 word Testimony of what injustices I have experienced, I've told are in hands of "The Marshall Project" and a "Senate Judiciary Committee re judicial & prison reform."

The terrible wrongs are being widely EXPOSED and it appears the powers that be are trying to back out slowly to avoid being held to account for all the violence, evil and tyranny they have leveled against The People in violation of moral turpitude and the foundational Laws of our country. Clearly, the so-called federal government has never had any legitimate authority for arresting nor imprisoning millions of people for the allegations made against them. A horrid page in the brief history of The United States of America.

We have the same amount of time each day. So, we all make our choices as to how we use it. The written WORD / KJV Bible has something to say for us that we can do it. His way or follow the devil. As for me I advocate following the WORD (Jn 1:1, 14). He knows the way! I share → as these suggestions may prove a blessing.

"I've got my eye on the goal...I'm off and running." Php 3:13-14 MSG

WHAT ARE YOUR GOALS?

One day Supreme Court Justice Oliver Wendell Holmes lost his train ticket. As he searched for it, obviously irritated, the conductor said, "It's okay, Your Honor; just mail it in. We all know you and trust you." Holmes replied, "I'm not concerned about finding my ticket—I just want to know where I'm going!" Having goals lets you know where you're going in life. Fifty percent of the people around you have no idea where they're going. Another 40 percent will go in any direction they're led. The remaining 10 percent know where they'd like to go—but fewer than half of them are prepared to pay the price to get there. What enabled Jesus to endure the shame of the cross was His vision of the resurrection and a church that would one day change the world (See Heb 12:2). Moses relinquished the comforts of Pharaoh's palace because he envisioned the Promised Land (See Heb 11:24-27). Store owner J. C. Penney said, "Give me a stock clerk with a goal, and I'll give you someone who'll make history. On the other hand, give me someone without a goal, and I'll give you a stock clerk." The truth is, while you are working on your goals, your goals are working on you. And the reward you get for reaching them isn't nearly as important as what you become in pursuit of them. So, do you have goals? Are they clear enough to write down, short enough to fit into a paragraph, strong enough to help you persevere, and valuable enough to make you pay the price? If so, you'll live to see them fulfilled.

Here cold winds continue. I suspect it's warmer in Torrey. Blessings in every circumstance. This hardly means we should

"Truth always finds those who search with their whole heart and mind for TRUTH."

fail to be about our father's work in all circumstances. Here, surely and prayerfully I anticipate the obedient work, though I am satisfied that all

results are well in hand in Jesus' hands, where they have all been from the very beginning. By His hand we have already won! Even in the "United Soviet Socialist America" (USSA) / New Deal communist state. [P.O.W. notes.]

The Constitution for the United States of America; and those for all of the states are all right there where they began. But the nation who has no clue, when dragged into a Admiralty (Maritime tribunal administering the bankruptcy (1933) of the UNITED STATES or STATE OF... by whether own actions or omissions waving all such protections of law and voluntarily exceeding or paying taxes, forfeiting property rights and/or going to jail and/or prison. We're losing our liberty, rule of law and our country one victim at a time! This is happening all across the land every day. It has been so effective that even those who know are nearly always denied their due liberty, property rights, etc. — converted by deception and force from beneficiary of the public trust to "surety," one who becomes the liable debtor for another's debts, i.e. debts of the UNITED STATES, Inc.

We are on a Divine trip and learning curve. This is why the powers of darkness are taking such desperate measures for attempting to STOP the whole TRUTH and flight from coming front and center. [Evil thought to destroy by false imprisonment, but rather underwrote the greater education of The Lord's people.] Divine wisdom and understanding. Praise God! (Lots of time for prayer and study).

Truth is the 1st casualty of war?
Have you noticed we are at war?
Tune in to all forms of media.
That is your 1st clue.

It would be a break walking

in their forest along their rippling stream. I encourage, if you know of access to such a stream and or woodland you take leave for visiting it regularly. Enjoy! Where we invest our time "today" directly the "tomorrow" in which we live. Here, comes down to focus and prayer with good and liberty in context. Wise choices, rich results.

25 March 1996, when Odeoy Michael Schwetzer (1938-2011) and Wencel E. Petersen were kidnapped from Justus (Col. 4:16) township, I was privileged for gathering all, except 2 young men we sent to watch, for a study of Gideon in ch. 6 of Judges at Ralph and Kay Clark's small home and large kitchen table. I likened our situation to that of Gideon and his 300. It is not over. Our victory and victory celebration shall soon fulfill God's plan. Glory Halleluiah!

May your day be His day and victory sweet! We are The Lord's people, the Christ's handiwork - the victory sure!

with love of Christ,
your servant,
