

# Deep State Targets Corsi Over Russiagate Rubbish

By Donald Jeffries

**T**his writer was privileged to interview Jerome Corsi recently on the weekly radio show, "I Protest." Corsi has become embroiled in the "Russiagate" nonsense, with inferences that he somehow "colluded" with shadowy Russians and/or banished whistleblower Julian Assange. The establishment contends that Corsi "obstructed justice" by destroying or lying about emails.

"I'm 72 years old and have never committed a crime," Corsi declared. "I don't have as much as a parking ticket to my record."

Early on in the interview Corsi said in regard to his legal issues, "I can talk about every single aspect of it. I intend on exposing [special prosecutor Robert] Mueller. I know that they are desperate to put me into prison and shut me up."

At another point, he declared, "I think my two biggest crimes are that I supported Donald Trump, and I believe in Jesus Christ. . . . Coming from Harvard, that makes me some kind of criminal."

Corsi spoke of the two groups of Russians Mueller has indicted, none of whom will be coming to America for trial.

"They're all just show indictments," said Corsi.

He rightly pointed out that most Americans are too "dumbed down" to know the difference between an indictment and a conviction.

"Why doesn't Mueller just indict Putin?" Corsi asked. "Another Russian who's never going to stand trial."

Corsi described as "grueling" the 40 hours, in

six sessions, that he spent talking with Mueller. Corsi set out to cooperate to the best of his ability, bringing in his laptops and external hard drive, which had a "time machine" application.

"Nothing could be permanently erased," Corsi stated. "It was still in the backup system."

Corsi gave them his cell phones, user names, and passwords to his email accounts, "anything they wanted."

"I didn't lie," Corsi maintained. "I had memory mistakes. With the way they question you, it's impossible not to have memory mistakes. They have an eight-inch-thick book with everything from me in it. They won't let you see it."

Regarding the plea deal offered him, Corsi said, "I just could not bring myself to swear to God that I committed a crime I didn't commit."

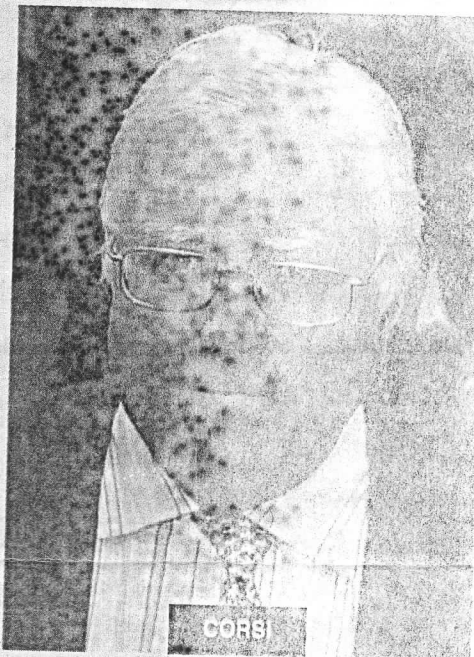

The plea deal was hardly lenient anyhow. For a full year, if Corsi said or wrote anything they didn't like, he could be brought back before a judge and "get five years or whatever in prison."

Corsi told them, "If that's what America has come to, then take a 72-year-old guy and throw me in prison. I'll die in prison. I'm not going to lie to save my hide."

He added, "Our government has become the George the Third that our founding fathers rebelled against, on steroids. If the government is saying something, my first assumption is they're lying."

He likened the "abusive techniques" of American investigators to those of the KGB or Gestapo.

The mainstream media has peddled the ridiculous "Russiagate" story, which is a twisted foster child of the very real corruption revealed in DNC emails, exposing efforts to undermine the presidential campaign of Bernie Sanders, in order to

benefit Deep State favorite Hillary Clinton. There was the corresponding murder of young DNC staffer Seth Rich, whom Assange all but named as the leaker of the emails involved.

Corsi is determined to fight the absurd allegations, declaring that the cause of freedom has "been paid for with the lives and blood of a lot of patriots."

Corsi said he authorized Mueller and his team to get his phone records.

"Mueller doesn't have a crime," he said. "They have invented a crime—collusion with Russia."

The real reason for the show trial, said Corsi, was that Mueller was out to get Donald Trump indicted or impeached from the beginning and was only looking for evidence to fit his predetermined conclusion that the president is a criminal.

Corsi is not some predictable right-wing zealot. He went to Harvard and wrote his dissertation on the right of *The New York Times* and *The Washington Post* to publish the "Pentagon Papers," the lengthy report that was leaked by Daniel Ellsberg to the media and showed how the U.S. had engaged in a secret war in Vietnam and Cambodia unbeknownst to the American people.

Full disclosure: Corsi has written books for all of this writer's books, including *Survival of the Richest: How the Corruption of the Marketplace and the Disparity of Wealth Created the Greatest Conspiracy of All*, not exactly standard conservative reading.

The idea that Corsi, or Roger Stone, or Steve Bannon, or Paul Manafort, or Donald Trump himself, "colluded" with Russia to deny Hillary Clinton the presidency ought to be scoffed at by even the most gullible members of the public. America has a long history of voting fraud, from "landslide" Lyndon Johnson and his dead demographic base to the widespread corruption exposed in the Collier Brothers' book *Votescam*. The Clintons had nothing to do with any of that.

Corsi's legal case demonstrates that legal and political persecution are alive and well in this country.

**TUCKER CARLSON**  
**SHIP OF FOOLS**

## Ship of Fools

**NEW!** In *Ship of Fools*, Tucker Carlson offers a blistering critique of our new overlords. Traditional liberals are gone, he writes. The patchouli-scented hand-wringers who worried about whales and defended free speech have been replaced by globalists who hide their hard-edged economic agenda behind the smoke-screen of identity politics. They'll outsource your job while lecturing you about transgender bathrooms. Left and right, Carlson says, are no longer meaningful categories in America. "The rift is between those who benefit from the status quo, and those who don't." Our leaders are fools, Carlson concludes, "unaware that they are captains of a sinking ship." But in the signature and witty style that viewers of *Tucker Carlson Tonight* have come to enjoy, his book answers the all-important question:

dear [redacted]

Greetings! So blessed to receive your mailing 22 März, with court and state order and notice of ambassadorship nomination. A positive disposition. The international Court, as a Treaty Court is superior to the US Dist. Court in bankruptcy of the UNITED STATES. It appears carrying out a writ for execution of the Ex parte Order or writing the Appellant to the Court for disposition. In any case, pleasing results thus far. The Good Jesus is great!

"The Beat Goes On". Here commissary I shut for inventory, 2 weeks. Today list of price increases came out. Just like at the Super Market.

Family indicate increases frequently. Inflation as more and more fiat is chasing LTD goods and services. No such thing as something for nothing. Socialists/Communists don't get them. (\$45,000 Silverado) ☹️

I suspect mail by the Court after 1 January 2019, was not delivered to the Respondant/Nominee. The Appellee has bureaucratic cover that seeks to silence the truth and impede justice. Were it not so, Appellant would have long ago been at liberty and fulfilling his duties as Ambassador. Too little horseback riding.

The "claim-jumpers" use unlimited credit of Bond where B Cert. originated. Example born on soil of Kansas, one must secure a Fin. Statement w/Trans. Utility filing of Sec. Agreement bonded by the B. Cert. In the state upon which "soil" one was born. Then, no entity, nor one can secure an attachment, i.e. a so-called criminal charge, nor judgment, nor otherwise lien nor obligation against the "perfected, secured Creditor". If a lawyer will represent in one's name, you can be sure he/she is NOT "perfected" creditor; Is a debtor/surety, Ward of the State, AmJurId, Vol. 7, sec. 4.

2/ bei "derOficht" 29 März 2019, Freitag from Ambassador of Chilcotin to Scotland - continuing. Very early on, a lawyer at B.A.P., must verify that the client is a "Ward of the State", debtor under the bankruptcy of the UNITED STATES, a federal corporation (not the united States of America, 1791). The ward/debtor cannot state a claim upon which relief may be granted. "Cannot claim liberty nor anything else. [Now, Why do you suppose they NEVER make this crucial TRUTH known?] 3 guesses, let 2 don't count. Note the SCAM/FRAUD!

Could anyone thus guess why the brainwashed bureaucracy hated Dana's and my "America First: Basics of Law" seminars and multiple free appearances before The People so much? It is very dangerous speaking - showing TRUTH when LIARS and murderers and thieves act as tho' they are government. The "powers of darkness", Eph. 6:12, hate Jesus, the Christ and all who dare voice TRUTH.

Most do not have a clue, but taking all of the "real money", coinage, silver and gold from the People and binding them for debts of the impostor - New Deal; Social Security contract, et al., accepting "bondage", waiving all Rights, enslaves them and waives their Right as beneficiary

of the public trust. "A debtor has NO Rights". New Deal: No Rights; No private property; Converted to wards of the UNITED STATES' creditors. Irony, We-the-People are the Creditors (waived) of the UNITED STATES. Near perfect shell game. Not "1" in a 100,000 get it. Perpetrators anticipate eliminating the "1". Example: Jersey Michael Schwitzer (1938-2011), false imprisonment; total isolation; then murder. Jesus threw money changers out of the temple; spread TRUTH; attracted the masses. "1" who knew. Thus, they crucified Him. Call on the name of our Lord!

All so-called (corporate) statutes today are rules for the administration of the bankruptcy of the STATE and the UNITED STATES. None apply to The People. The scheme cajoles and coerces the People, one at a time to consent/agree for assuming liability for "charges" against the BOND/B. Cert., never accusing The Man, Woman or child.

PENHALLOW, et al. vs. DOANE'S Administrators, 3 DALL 54 [1 LED 507]

HEADNOTES: COURTS DEAL WITH FICTIONS, n. 28 (1795)

"In as much as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons, the imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. The legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc., can concern itself with anything other than corporate, artificial persons and the contracts between them."

The way they get around this is to deceive the man or woman: (1) Do you understand the nature of these proceedings?; (2) On a "yes" answer the proceed, creating a record, presuming he/she "consents"/"agrees" for settling the "bill"/"controversy" (suretyship). The TRICK is in the bag! He/she has consented for fines; foreclosures; jail; imprisonment; bondage in favor of the STATE or UNITED STATES creditors in the bankruptcy. The racket has crucified millions; continues every day. ~~ll~~ The enemy is within - New Deal/Communist coup d'etat. TAKE  $\Rightarrow$  note: there is trouble in the mirror.

PENHALLOW cannot be accessed on BOP TRAINING. Numerous "bits" and "pieces" are missing. It is NOT a law library. The legal encyclopedias: AmJur 2d and Corpus Juris Secundum have been removed years ago. The legal encyclopedia is fundamental for successful legal research. Imagine that! It is all a "fix-is-in" SCAM!  $\Rightarrow$

I pray for you and all of our fellow workers in the Kingdom on a daily basis. Our Lord Jesus, the Christ, is in control of all things. Eucharist/thanksgiving for all things great and small. Bless you! Thank you for being a friend!

with love of Christ,  
your fellow servant,

P.S. Real cowboys walk with Him! And stay in the saddle!
