In unincorporated territory located within counties with a population of more than 3,000,000 inhabitants, the homeowners association of a subdivision with at least 100 permanent dwellings may cause to be erected and kept in repair guide and direction or street signs at intersections within the subdivision. These signs shall be at least 7 feet above the curb and may be on wooden posts with wooden boards. The homeowners association shall be responsible for maintenance and replacement of the signs. Signs shall be located so as not to interfere with pedestrian or vehicular traffic.

HISTORY:
P.A. 83-333; 88-661, § 25.

605 ILCS 5/6-201.12 [Lighting of roads]

Provide for the lighting of any public road or portion thereof in his district when in his opinion it is necessary for the convenience or safety of the public.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-201.13 [List of warrants]

Furnish to the county superintendent of highways within 30 days after issuing warrants a list of such warrants showing where money is spent, for what purpose, and the amount expended.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-201.14 [Construction of curbs, sidewalks, alleys and bikepaths]

Have authority to build curbs, sidewalks, alleys, and bike paths in unincorporated communities out of any funds belonging to the road district in which such community is located.

HISTORY:
P.A. 81-663; 93-321, § 5.

605 ILCS 5/6-201.15 [Annual report]

Annually make a report in writing, showing the following:

(1) The amount of road money received by the district and a full and detailed statement as to how and where expended and the balance, if any, unexpended.

(2) The amount of liabilities incurred and not paid (any undetermined liabilities shall be estimated) and the determined or estimated amount owing to each creditor, who shall be named.

(3) An inventory of all tools having a present value in excess of $200, machinery and equipment owned by the district, and the state of repair of these tools, machinery, and equipment.

(4) Any additional matter concerning the roads of the district the highway commissioner thinks expedient and proper to report.

In counties under township organization, the reports in districts composed of a single township shall be made to the board of town trustees within 30 days before the annual town meeting. In consolidated township road districts in counties under township organization and in road districts in counties not under township organization, the report shall be made not later than the last Tuesday in March to the district clerk, who shall file the report in his or her office and record the report at large in the records of the district.

HISTORY:
P.A. 83-404; 87-1208, § 10.

605 ILCS 5/6-201.16 [Traffic-control devices and signs]

Subject to the written approval of the County Superintendent of Highways to place, erect, and maintain on township or road district roads, traffic-control devices and signs authorized by this Code or by "The Illinois Vehicle Code", approved September 29, 1969, as amended [625 ILCS 5/1-100 et seq.].

HISTORY:
P.A. 83-333.

605 ILCS 5/6-201.17 [Installment contracts for purchase or lease of highway construction and maintenance equipment]

Have authority to purchase or lease or to finance the purchase of highway construction and maintenance equipment under contracts providing for payment in installments over a period of time of not more than 10 years with interest on the unpaid balance owing not to exceed 9%. The purchases or contracts are subject to the bid provisions of Section 6-201.7 of this Code [605 ILCS 5/6-201.7]. In single township road districts, sale of road district property including, but not limited to, machinery and equipment shall be subject to elector approval as provided in Section 30-50 of the Township Code [60 ILCS 1/30-50]. A trade in of old machinery or equipment on new or different machinery or equipment shall not be construed as the sale of road district property.

HISTORY:
P.A. 86-1179; 88-670, § 3-78; 89-331, § 10.

605 ILCS 5/6-201.18 [Contract to buy row crops to act as snow breaks]

Have authority to contract with persons growing row crops on land adjacent to township or district roads to buy standing strips of such crops to remain in place to act as snow breaks along such roads in those places where experience shows that drifting snow has been an obstruction to traffic. The contract price to be paid by the highway commissioner in any such case shall be the higher of the market price in the local area of such crop at the time of contracting or the current Commodity Credit Corporation target price. An additional sum of money equal to 10% of the contract price may be paid to the grower as an inconvenience fee.

HISTORY:
P.A. 84-1272.

605 ILCS 5/6-201.19 [Hiring legal counsel]

Have authority to hire legal counsel to perform legal functions for road districts where performance of such functions by the public official who would otherwise represent the highway commissioner would present a direct or potential conflict of interest.

HISTORY:
P.A. 84-778.

605 ILCS 5/6-201.20 [Rules concerning employee benefits]

Every highway commissioner with 5 or more employees in a county under township organization

shall set and adopt rules concerning all benefits available to employees of that office. The rules shall include, without limitation, the following benefits to the extent they are applicable: insurance coverage, compensation, overtime pay, compensatory time off, holidays, vacations, sick leave, and maternity leave. The rules shall be adopted and filed with the township clerk (i) within 6 months after the effective date of this amendatory Act of 1991 (in the case of highway commissioners holding office on that effective date) or (ii) within 4 months after the highway commissioner takes office (in the case of highway commissioners elected after the effective date of this amendatory Act of 1991). The highway commissioner of a consolidated township road district shall file the rules with the clerk of each township contained within the consolidated district. Amendments to the rules shall be filed with the appropriate township clerk on or before their effective date.

HISTORY:
P.A. 87-818.

605 ILCS 5/6-201.21 Special services; disaster relief

The highway commissioner has authority to provide for orderly collection, transport, and disposal of brush and leaves that have been properly placed for collection along the road district rights-of-way in accordance with local guidelines. The highway commissioner may use funds authorized under Section 30-117 of the Township Code [60 ILCS 1/30-117] to provide for the collection, transport, and disposal of brush and leaves.

Subject to Section 30-117 of the Township Code, the highway commissioner has authority to provide necessary relief services following the occurrence of an event that has been declared a disaster by State or local officials. The highway commissioner has purchasing authority, subject to Section 6-201.6 [605 ILCS 5/6-201.6], and contractual authority as defined in Section 6-201.7 of this Code [605 ILCS 5/6-201.7].

HISTORY:
P.A. 93-109, § 10; 93-610, § 10; 95-331, § 1000; 97-417, § 10.

605 ILCS 5/6-201.22 Road weight restriction; notice and hearing

Whenever the highway commissioner wishes to permanently post a road at a reduced weight limit, he or she shall fix a time and place to examine the route of the township or district road, and hear reasons for or against permanently posting a road at a reduced weight limit.

The highway commissioner shall give written notice at least 10 days prior to the time of examination and hearing to the county superintendent of highways. He or she shall also provide notice by publication in at least one newspaper published in the township or district. In the absence of a newspaper published in the township or district, notice by publication shall be provided in at least one newspaper of general circulation in the township or district. In the absence of a generally circulated newspaper in the township or district, notice by publication shall be made by posting notices in 5 of the most public places in the district in the vicinity of the road to be permanently posted at a reduced weight limit.

The highway commissioner may, by written notice to the county superintendent of highways, by public announcement, and by posting notice at the time and place named for the first hearing, adjourn a hearing from time to time, but not for a longer period than 10 days. At the hearing, or the adjourned hearing, the commissioner shall decide and publicly announce whether he or she will permanently post a road at a reduced weight limit. The highway commissioner shall issue a signed memorandum explaining the decision to permanently post a road at a reduced weight limit, and address any concerns raised at the public hearing. The signed memorandum shall be filed within 5 days after the hearing in the office of the district clerk. The highway commissioner shall also send a copy of the signed memorandum to the county superintendent of highways. The county superintendent of highways may approve the decision of the highway commissioner by signing the memorandum and filing it in the office of the district clerk. Upon the approval of the decision by the county superintendent of highways and filing of the memorandum with the office of the district clerk, the road may be posted at a reduced weight limit by the highway commissioner.

HISTORY:
2015 P.A. 99-237, § 5, effective January 1, 2016.

605 ILCS 5/6-202 [Functions of district clerk]

The district clerk of each road district shall perform the functions stated in Sections 6-202.1 to 6-202.6 [605 ILCS 5/6-202.1 to 605 ILCS 5/6-202.6].

HISTORY:
P.A. 83-791.

605 ILCS 5/6-202.1 [Custody of records, books and papers]

Have the custody of all records, books, and papers of the road district, and he shall duly file all certificates or oaths and other papers required by law to be filed in his office. He is authorized to administer oaths and take affidavits in all cases required by law to be administered by district officers.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-202.2 [Record of orders and directions; meetings with highway commissioner]

Record in the book of records of his district, all orders and directions of the highway commissioner

required by law to be kept, and as hereinafter provided for. All records and books required by law to be kept by such clerk shall be deemed public records and shall at all times be open to inspection without fee or reward. The clerk shall also meet with the highway commissioner whenever requested at any reasonable time to do so by the latter official. Copies of all papers duly filed in the office of the district clerk and transcripts from the district records certified to by him shall be evidence in all courts in like effect as if the originals were produced.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-202.3 [Countersignature and record of warrants]

Countersign and keep a complete record of all warrants issued by the highway commissioner.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-202.4 [Books and stationery]

From time to time as may be necessary, procure the proper books and stationery for his office and the cost thereof shall be paid out of the district treasury.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-202.5 [Report of elections; petitions]

Report to the county superintendent of highways in writing all road district elections which may directly or indirectly affect the superintendent of highways; mail or deliver to the superintendent of highways such petitions as have been carried by any election relative to all construction or to the appointment, removal or election of road district officials.

HISTORY:
P.A. 81-1490.

605 ILCS 5/6-202.6 [Advertisements for and opening of bids]

Be responsible for placing the advertisement of bids and to be present when bids are opened.

HISTORY:
P.A. 83-791.

605 ILCS 5/6-203 [No power or jurisdiction over municipal streets and alleys]

Except as provided in Section 6-301 [605 ILCS 5/6-301], nothing in this Code shall be construed as vesting in highway commissioners any power or jurisdiction over the streets and alleys in municipalities.

HISTORY:
P.A. 86-1229.

605 ILCS 5/6-204 [Penalties]

If any highway commissioner wilfully refuses to perform any of the duties enjoined upon him by this Code, he shall forfeit not less than $10 nor more than $50, and may be proceeded against in the name of the district for the recovery of such forfeiture before any court of the proper county having jurisdiction.

In addition, wilful failure to include in the annual report the determined or estimated amount of all liabilities incurred and not paid and to whom owed, as required by Section 6-201.15 of this Act [605 ILCS 5/6-201.15], is a misdemeanor, on conviction whereof the highway commissioner shall be fined in the amount of the reportable liabilities excluded from the report.

HISTORY:
Laws 1963, p. 3031.

605 ILCS 5/6-205 [Functions of district treasurer]

The district treasurer shall receive and have charge of all moneys raised in the district for the support and maintenance of roads therein, and for road damages except such portions of the moneys which by Section 6-507 [605 ILCS 5/6-507] are directed to be paid to the municipalities. He shall hold such moneys at all times subject to the order of the highway commissioner and shall pay them over upon the order of the commissioner, such order to be countersigned by the town or district clerk. In counties under township organization such moneys, other than Social Security taxes required by the Social Security Enabling Act [40 ILCS 5/21-101 et seq.] shall not be paid over until the board of town trustees or highway board of auditors, as the case may be, has examined and audited the claims or charges for which such order is drawn. He shall keep an account in a book provided by the commissioner of all moneys received, and all moneys paid out, showing in detail to whom and on what account the same is so paid.

The treasurer shall also present annually, within 30 days after the end of the fiscal year of the district, to the highway commissioner an itemized statement of receipts and disbursements of the district during the fiscal year just ended, which shall be sworn to.

HISTORY:
P.A. 83-1362; 94-59, § 5.

605 ILCS 5/6-206 [Designation of banks or savings and loan associations for custody of funds]

In counties under township organization, the board of town trustees of the various townships shall, from time to time, when requested by the supervisor of their respective townships designate one or more

banks or savings and loan associations in which the road funds of the road district in the custody of the district treasurer may be kept, except that in consolidated township road districts such depository shall be designated by the highway board of trustees upon request of the treasurer of the respective consolidated township road district.

In counties not under township organization the county board shall, from time to time, when requested by the treasurer of any road district, designate one or more banks or savings and loan associations in which the road funds of the various road districts in such county may be kept.

When a bank or savings and loan association has been designated as a depository it shall continue as such until 10 days have elapsed after the new depository is designated and has qualified by furnishing the statements of resources and liabilities as is required in this Section. When a new depository is designated the board of town trustees, highway board of trustees or county board, as the case may be, shall notify the sureties of the district treasurer of that fact, in writing, at least 5 days before the transfer of fund. The district treasurer shall be discharged from responsibility for all moneys of the road fund which he deposits in a depository so designated while such moneys are so deposited.

No bank or savings and loan association shall receive public funds as permitted by this Section, unless it has complied with the requirements established pursuant to Section 6 of "An Act relating to certain investments of public funds by public agencies", approved July 23, 1943, as now or hereafter amended [30 ILCS 235/6].

HISTORY:
P.A. 83-541.

605 ILCS 5/6-207 Compensation of highway commissioner and other officers

(a) Unless an annual salary is fixed as provided in this Section, the highway commissioner shall receive for each day he or she is necessarily employed in the discharge of official duties a per diem to be fixed by the county board in road districts in counties not under township organization, by the highway board of trustees in consolidated township road districts, and by the board of town trustees in districts composed of a single township. Before any per diem is paid, a sworn statement shall be filed by the commissioner in the office of the district clerk, showing the number of days the commissioner was employed, the kind of employment, and the dates of employment.

The boards specified in the preceding paragraph may, instead of a per diem, fix an annual salary for the highway commissioner at not less than $3,000, to be paid in equal monthly installments. The boards shall fix the compensation of the commissioner, whether an annual salary or a per diem, on or before the last Tuesday in March before the date of election of the commissioner.

If the term of any highway commissioner is extended by operation of law, the board that fixes the commissioner's rate of compensation may increase the rate of the compensation, within the limits provided in this Section, in relation to that portion of the commissioner's term that extends beyond the period for which he or she was elected.

The board of town trustees shall order payment of the amount of per diem claimed in the highway commissioner's sworn statement at the first regular meeting following the filing of the statement. In consolidated township road districts, the compensation and the expenses of the offices of the highway commissioner, district clerk, and district treasurer shall be audited by the highway board of trustees.

The compensation of the highway commissioner shall be paid from the general township fund in districts comprised of a single township and shall be paid from the regular road fund in all other districts having highway commissioners; however, in districts comprised of a single township, a portion (not exceeding 50%) of the highway commissioner's salary may be paid from the corporate road and bridge fund or the permanent road fund if approved by the township board and the highway commissioner.

(b) The officers composing the highway board of trustees in consolidated township road districts shall be entitled to $3 per day for attending meetings of the board, to be paid out of the town fund of their respective townships. In consolidated township road districts, the compensation of the district clerk and the district treasurer shall be paid out of the road fund of the district.

(c) The district clerk shall receive:

(1) for each day he or she is necessarily employed in the discharge of official duties, a per diem to be fixed by the county board in road districts in counties not under township organization and by the highway board of trustees in consolidated township road districts; or

(2) $4 per day for each day he or she shall be required to meet with the highway commissioner and the same amount per day for the time he or she shall be employed in canvassing the returns of elections. The district clerk shall receive no other per diem. In addition to the above, the district clerk shall also receive fees for the following services, to be paid out of the district road fund, except where otherwise specified:

(A) For serving notice of election or appointment upon district officers as required by this Code, 25 cents each.

(B) For posting up notices required by law, 25 cents each.

(C) For copying any record in the district clerk's office and certifying to the copy, 10 cents for every 100 words, to be paid by the person applying for the certified copy.

(d) Except as otherwise provided in this Code, the district treasurer shall, in addition to any other compensation to which he or she is by law entitled,

receive an annual salary of not less than $100 nor more than $1,000 per year to be fixed by the highway board of trustees in consolidated township road districts and by the board of town trustees in districts composed of a single township.

Except as otherwise provided in this Code, the district treasurer shall, in addition to any other compensation to which he or she is by law entitled, receive an annual salary deemed appropriate and to be fixed by the county board in road districts in counties not under township organization.

The compensation of the district treasurer shall be paid from the general township fund in districts composed of a single township and shall be paid from the regular road fund in all other districts having district treasurers.

HISTORY:
P.A. 84-1326; 87-1084, § 1; 89-662, § 5; 90-81, § 5; 90-183, § 5; 90-655, § 147.

DIVISION 3.

LAYING OUT, WIDENING, ALTERING OR VACATING TOWNSHIP AND DISTRICT ROADS

605 ILCS 5/6-301 [Width of roads; designation of arterial district roads; applicability]

All township and district roads established under this Division of this Code shall be not less than 40 feet in width, except as provided in Section 6-327 [605 ILCS 5/6-327].

Highway commissioners in single township road districts may annually determine that certain roads in the district are vital to the general benefit of the district and designate them all or in part as arterial district roads. The designation must be approved by the county superintendent of highways, after notice and hearing, prior to the commissioners' recording the roads with the county superintendent of highways. No road or portion thereof designated as arterial shall be closed or vacated without written approval of the county despite the road's inclusion in any annexation or incorporation proceedings provided for in the Illinois Municipal Code [65 ILCS 5/1-1-1 et seq.]. This paragraph does not apply to roads in home rule units of government nor the roads included in our annexation proceeding by home rule units of governments.

This Division of this Code shall not apply to proceedings for laying out, widening, altering or vacating streets in municipalities, except as provided in this Section.

HISTORY:
P.A. 86-1229.

605 ILCS 5/6-302 [Reduction of width of roads]

The highway commissioner of any road district may in his discretion reduce the width of any existing township or district road to a width of 40 feet, if the reduction is petitioned for by a majority of the landowners along the line of such road within the district. When possible the land vacated by reducing the width of the road shall be taken equally from each side of the road. In cases of natural obstruction on one side of the road or where the road extends along the right-of-way of any railroad, river or canal, the commissioner is authorized to reduce the width of road on one side only.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-303 [Petition; certificates; relocated roads; vacation of roads]

Existing township and district roads may be widened, altered or vacated, and new township and district roads may be laid out in the manner provided in this Division of this Code. Any number of voters not less than 5% of the legal voters, or 12 legal voters, whichever is less, residing in any road district may file a petition with the highway commissioner of such district, praying for the laying out, widening, altering or vacation of such roads. Notwithstanding the preceding sentence, in counties with a population between 125,000 and 130,000, a petition for laying out, widening, altering, or vacating roads in a subdivision established under a county subdivision ordinance, where the final plat of the subdivision was approved by the county board, shall be filed with the county board unless the plat was filed with the county recorder at least 15 years before the petition is filed.

However, where the laying out, widening, altering or vacating of a township or district road is required by the construction, operation, or maintenance of a State highway, the Department, in lieu of a petition may file a certificate, signed by the Secretary of the Department, or his duly authorized agent, setting forth the necessity for the laying out, widening, altering or vacating of such roads. The procedure upon the filing of such certificate shall be the same as, and conform to, the procedure followed upon the filing of a petition. Such petition or certificate shall set forth a description of the road and what part is to be widened, altered or vacated, and if for a new road the names of the owners of lands, if known, and if not known it shall so state, over which the road is to pass, the points at or near which it is to terminate. When the general course of relocated roads shall render the same practicable, such relocated roads shall be laid out on section lines, or regular divisional lines subdividing a section or sections.

The highway commissioner, in lieu of a petition, may file a certificate with district clerk and county clerk to vacate roads. The procedure upon filing of

such certificate shall be the same as, and conform to, the procedure followed upon the filing of a petition.

HISTORY:
P.A. 81-840; 87-1121, § 1.

605 ILCS 5/6-304 [Aiding construction of State highways and federal aid roads; payment therefore; issuance of warrants or bonds; tax levy]

In case the Department widens or alters an existing road, or lays out a new road in any road district in connection with the construction of a State highway, or in connection with the construction of federal aid roads or such roads as are constructed with the aid of federal grants, loans, or allotments, as provided by law, and requires right-of-way for such purposes, the road district, acting through its highway commissioner, is authorized to take whatever steps may be necessary to enable such road district to aid the Department in the construction of State highways, or in connection with the construction of federal aid roads or such roads as are constructed with the aid of federal grants, loans or allotments, and the highway commissioner is authorized to pay for such rights-of-way from any available district road funds, and is authorized to issue warrants and levy a tax, or to issue bonds pursuant to referendum for the payment of such right-of-way, as is provided in Sections 6-503, 6-507, 6-509 and 6-510 of this Code [605 ILCS 5/6-503, 605 ILCS 5/6-507, 605 ILCS 5/6-509 and 605 ILCS 5/6-510].

HISTORY:
P.A. 81-1489.

605 ILCS 5/6-305 [Examination and hearing of proposed laying out, widening, altering or vacating of township or district road]

Whenever the highway commissioner receives a certificate from the Department as provided in Section 6-303 of this Act [605 ILCS 5/6-303], or a petition praying for the laying out, widening, altering or vacation of a township or district road, he shall fix a time when and a place where he will examine the route of such township or district road and hear reasons for or against the laying out, widening, altering or vacating. He shall give at least 10 days' written notice of the time and place of such examination and hearing to the county superintendent of highways and to any municipality which is affected by such action occurring within its planning area, and by publication in at least one newspaper published in the township or district or, in the absence of such published newspaper, in at least one newspaper of general circulation in the township or district or, in the absence of such generally circulated newspaper, by posting notices in 5 of the most public places in the district in the vicinity of the road to be laid out, widened, altered or vacated. The commissioner may, by written notice to the county superintendent of highways and any affected municipality, and by public announcement and by the posting of a notice at the time and place named for the first hearing, adjourn such hearing from time to time, but not for a longer period than 10 days. At such meeting, or such adjourned meeting the commissioner shall decide and publicly announce whether he will grant or refuse the prayer of the petition, and shall endorse upon or annex to the petition a brief memorandum of such decision. The memorandum shall be signed by the commissioner and filed within 5 days thereafter in the office of the district clerk. The commissioner shall also send a copy of the memorandum to the county superintendent of highways and any affected municipality, and, in cases where action is initiated as the result of a Department certificate, a copy of the memorandum to the Department.

No road shall be laid out, widened, altered or vacated unless the highway commissioner finds that such alteration or vacation is in the public and economic interest and further finds that any person residing or owning land within 2 miles of any portion of the road proposed to be altered or vacated shall still have reasonable access (but not necessarily a direct route) by way of a motor vehicle or other portable farm machinery commonly used in the area to farm land he owns or operates and to community and trade centers after the road is altered or vacated. Such findings shall be contained in the memorandum of decision signed by the highway commissioner.

A final hearing may be held at the time of the preliminary or adjourned meeting if all damages have been released, all surveys and plats are made and there are no objectors. If there are objectors, the final hearing shall be held as provided for in Section 6-311 [605 ILCS 5/6-311].

HISTORY:
P.A. 85-1421.

605 ILCS 5/6-306 [Denial of petition; appeal]

In case the highway commissioner denies the prayer of the petition for the laying out, widening, altering or vacation of a township or district road, any 3 of the petitioners may appeal from such decision to the county superintendent of highways by joining in a notice of such appeal and filing the same in the office of the district clerk within 10 days after the date of the decision appealed from. The clerk shall thereupon transmit the original petition for the laying out, widening, altering or vacation of such township or district road, together with the notice of appeal to the county superintendent of highways. Upon receipt thereof the county superintendent of highways shall thereupon fix a time and place for a public hearing thereof, giving notice thereof and conducting the hearing and rendering his decision thereon in the manner prescribed by Section 6-311 of this Act [605 ILCS 5/6-311] in the case of the hearing upon such petition by the county superintendent of

highways. Upon rendering his decision, the county superintendent of highways shall likewise endorse on such petition a memorandum of his decision, which (if the decision approved the change requested in the petition) shall include his findings that such alteration or vacation of the township or district road will be in the public and economic interest and will not deprive residents or owners of proximate land of reasonable access elsewhere as specified in Section 6-305 of this Act [605 ILCS 5/6-305]; and shall file the same in the office of the district clerk.

Such decision of the highway commissioner or, upon appeal of such order, of the county superintendent of highways shall be regarded as a preliminary decision upon the advisability of the proposal in the petition and shall be subject to revocation in the manner hereinafter provided, except that such decision of the county superintendent of highways affirming the denial of the petition shall be regarded as a final decision.

HISTORY:
Laws 1963, p. 3216.

605 ILCS 5/6-307 [Survey and plat of road; resurvey]

If the highway commissioner, or upon appeal from his decision, the county superintendent of highways, shall enter a preliminary order for the laying out, widening, alteration or vacation of a township or district road, the highway commissioner or county superintendent of highways, as the case may be, shall cause a survey and plat of such township or district road to be made by a competent surveyor who shall report such survey and plat to the highway commissioner or county superintendent, as the case may be, giving the courses and distances and specifying the land over which such road is to pass; in which he may make such changes between the termini of the road described in the petition, as the convenience and interest of the public in his judgment may require. Upon the petition of 12 land owners residing in the district where the road is situated, it shall be the duty of the highway commissioner or county superintendent, as the case may be, within a reasonable time to employ a competent surveyor and have any road designated in such petition to be once resurveyed.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-308 [Fixing damages]

Whenever the highway commissioner of any road district or upon appeal from his decision, the county superintendent of highways has entered a preliminary order for the laying out, widening, alteration or vacation of a township or district road, and a survey therefor has been completed as hereinbefore provided, proceedings shall next be taken to fix the damages which will be sustained by the adjoining land owners by reason of such laying out, widening, altering or vacation. In case such preliminary order was entered by the highway commissioner, he shall act for the district in all matters relating to the fixing of damages, as well as the surveying of such road. But in case such order was entered by the county superintendent of highways on appeal, as aforesaid, the county superintendent shall represent the district in such matters.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-309 [Agreement on damages; condemnation proceedings]

The damages sustained by the owner or owners of land by reason of the laying out, widening, alteration or vacation of a township or district road, may be agreed upon by the owners of such lands, if competent to contract, and the highway commissioner or county superintendent, as the case may be. Such damages may also be released by such owners, and in such case the agreement or release shall be in writing, the same shall be filed and recorded with the copy of the order laying out, widening, altering or vacating such road in the office of the district clerk, and shall be a perpetual bar against such owners, their grantees and assigns for all further claims for such damages.

In case the highway commissioner or the county superintendent, as the case may be, acting for the road district, is unable to agree with the owner or owners of the land necessary for the laying out, widening or alteration of such road on the compensation to be paid, the highway commissioner, or the county superintendent of highways, as the case may be, may in the name of the road district, enter condemnation proceedings to procure such land, in the same manner as near as may be, as provided for the exercise of the right of eminent domain under the Eminent Domain Act [735 ILCS 30/1-1-1 et seq.].

HISTORY:
P.A. 82-783; 94-1055, § 95-10-355.

605 ILCS 5/6-310 [Inducements]

Any person or persons interested in the establishment, widening, alteration or vacation of any township or district road is or are authorized to offer inducements to the highway commissioner or county superintendent of highways, as the case may be, for the establishment, widening, alteration or vacation of any such township or district road, by entering into contract with the commissioner or county superintendent, conditioned upon such establishment, widening, alteration or vacation, to pay money or other valuable thing to the district for the benefit of the road funds of the same; or to perform any labor, or construct any road, bridge or culvert on any road which such person or persons desires or desire to be established, widened or altered. Any such contracts

in writing made with the highway commissioner or county superintendent shall be deemed good and valid in law and may be enforced by such commissioner or superintendent, or his successor in office, before the circuit court.

HISTORY:
P.A. 79-1366.

605 ILCS 5/6-311 [Public hearing on advisability of proposed laying out, widening, alteration or vacation of road]

Within 20 days after the damages likely to be sustained by reason of the proposed laying out, widening, alteration or vacation of any township or district road have been finally ascertained, either by agreement of the parties or by condemnation proceedings, or within 20 days after such damages may have been released, the highway commissioner or the county superintendent of highways, as the case may be, shall hold a public hearing at which he shall hear and consider reasons for or against the proposed laying out, widening, alteration or vacation of such road, and at which time and place he shall publicly announce his final decision relative thereto. The highway commissioner or the county superintendent of highways, as the case may be, shall give public notice of such public hearing by publication in at least one newspaper published in the township or district or, in the absence of such published newspaper, in at least one newspaper of general circulation in the township or district or, in the absence of such generally circulated newspaper at the time prescribed for notice, by posting notices thereof in at least 5 of the most public places in the district in the vicinity of the road for at least 5 days prior thereto. A written notice shall be mailed or delivered to all owners of the property adjacent to the road which is the subject of the hearing. A written notice may be mailed or delivered to every person known to have been present at the hearings conducted pursuant to Sections 6-305 and 6-306 of this Act [605 ILCS 5/6-305 and 605 ILCS 5/6-306] and to every other person who has requested such notice.

At such time and place the highway commissioner, if he is the official conducting the hearing, shall determine the advisability of such proposed laying out, widening, alteration or vacation of such road, shall make an order for the same and shall within 5 days thereafter file such order in the office of the district clerk.

At such time and place the county superintendent of highways, if he is the official conducting the hearing, shall:

(a) Be empowered to administer oaths;

(b) Permit the appearance in person or by counsel, the introduction of evidence and the cross examination of witnesses by not less than 3 of the qualified petitioners, not less than 3 other legal voters residing within 2 miles of any portion of such road, and not less than 3 other persons owning land in the road district or owning land wholly or partially situated within 2 miles of any portion of such road, except that no such permission shall extend to a person other than a petitioner unless it appears that he will be directly and adversely affected by the change requested in the petition;

(c) Provide that every person offering testimony shall testify under oath or affirmation and shall be subject to cross examination, except that the technical rules of evidence governing proceedings in circuit courts are inapplicable in such hearing;

(d) Secure and retain a stenographic transcript of the proceedings, including all evidence offered or introduced at the hearing; and

(e) Determine the advisability of such proposed laying out, widening, alteration or vacation of such road, shall make an order for the same and shall within 5 days thereafter file such final order in the office of the district clerk.

Every order entered and filed pursuant to this Section in approval of the change requested in the petition shall contain an express finding that such alteration or vacation of the township or district road will be in the public and economic interest and will not deprive residents or owners of proximate land of reasonable access elsewhere as specified in Section 6-305 of this Act [605 ILCS 5/6-305].

HISTORY:
P.A. 83-1362; 99-237, § 5.

605 ILCS 5/6-312 [Appeal to county superintendent of highways]

In case such final order was entered by the highway commissioner as provided in Section 6-311 of this Code [605 ILCS 5/6-311] finally determining the advisability of such proposed laying out, widening, alteration or vacation of any township or district road, any 3 qualified petitioners who may have signed the petition for such proposed laying out, widening, alteration or vacation, or any 3 legal voters residing within 2 miles of any portion of such road, or any 3 other persons owning land in the road district or owning land within 2 miles of any portion of such road, may (if either they are qualified petitioners or they both have raised objections at the hearing pursuant to Section 6-311 of this Act and will be directly and adversely affected by such proposed laying out, widening, alteration or vacation) appeal to the county superintendent of highways by filing a notice of such appeal in the office of the district clerk within 10 days of the date of filing the decision appealed from.

Thereupon such clerk shall at once transmit all papers relating to such proposed laying out, widening, altering or vacation of such road to the county superintendent of highways, who shall within 20 days after the receipt of the same, hold a public hearing within such district to finally determine upon the laying out, widening, altering or vacation of

such road. Such hearing shall be upon such notice and conducted in like manner as the hearing before the highway commissioner relative to such final decision and from which appeal has been taken, except that the powers and duties of the county superintendent of highways in conducting such hearing and in determining and filing his final order shall be identical to the powers and duties of such superintendent prescribed by Section 6-311 of this Act. Judicial review may be pursued after such final order of the county superintendent of highways relative to the alteration or vacation of such roads in the manner provided in Section 6-315a of this Division [605 ILCS 5/6-315a].

HISTORY:
Laws 1963, p. 3216; P.A. 99-237, § 5.

605 ILCS 5/6-313 [Annulment and revocation of proceedings and assessments, releases and agreements]

In case the highway commissioner, or upon appeal from his decision, the county superintendent of highways, shall finally determine against the advisability of the proposed laying out, widening, alteration or vacation of such township or district road, such order shall have the effect to annul and revoke all proceedings and assessments, releases and agreements in respect to damages growing out of the proceedings upon the petition aforesaid. In case the commissioner or county superintendent affirms such prior proceedings, he shall make an order to be signed by him, declaring such road to be laid out, widened, altered or vacated as a public highway and which order shall contain or have annexed thereto a definite description of the line of such road, together with the plat thereof. The highway commissioner or county superintendent, as the case may be, shall within 5 days from the date of his final order, cause the same, together with the report of the surveyor, the petition and the releases, agreements or assessments in respect to damages, to be deposited and filed in the office of the district clerk; who shall note upon such order the date of such filing. It shall be the duty of such clerk to record such order, together with the plat of the surveyor in a proper book to be kept for that purpose.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-314 [Highway commissioner to secure laying out, widening, alteration or vacation of roads]

After it has been finally determined that a township or district road shall be laid out, widened, altered or vacated, either by the highway commissioner, or upon appeal, by the county superintendent of highways, all proceedings subsequent thereto on behalf of the district shall be taken by the highway commissioner thereof as provided in this division of this Code. And such highway commissioner in such cases is hereby authorized to resort to all necessary proceedings not inconsistent with the provisions of this Code to secure the laying out, widening, alteration or vacation of any such road.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-315 [Proof of compliance and regularity of action]

An entry in the records, ledger, or official minute book of the district clerk, stating that there has been a dedication of a public highway according to statutory requirements shall be prima facie evidence in all cases that there was a dedication of a public highway and that the dedication complied with all statutory requirements, regardless of whether supporting records or documentation of the dedication is available.

HISTORY:
Laws 1959, p. 196; P.A. 93-183, § 5.

605 ILCS 5/6-315a [Review under Administrative Review Law]

Any 3 persons who, at a hearing conducted by the county superintendent of highways pursuant to Section 6-306, 6-311 or 6-312 of this Act [605 ILCS 5/6-306, 605 ILCS 5/6-311 or 605 ILCS 5/6-312], have been permitted to appear, in person or by counsel, and to introduce evidence and cross examine witnesses, may (if they are qualified petitioners, or have raised objections at a hearing pursuant to Section 6-311 or 6-312 of this Act and will be directly and adversely affected by such proposed alteration or vacation) obtain judicial review of such final administrative decision of the superintendent (meaning his final order denying the petition after a hearing pursuant to Section 6-306, or granting or denying the petition after a hearing pursuant to Section 6-311 or 6-312, to be filed in the office of the district clerk after the hearing) pursuant to the Administrative Review Law [735 ILCS 5/3-101 et seq.], and all amendments and modifications thereof, and any rules adopted pursuant thereto. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure. Such judicial review proceeding shall be given precedence over all other civil cases, except cases arising under the Workers' Compensation Act [820 ILCS 305/1 et seq.] and the Unemployment Insurance Act [820 ILCS 405/100 et seq.].

HISTORY:
P.A. 82-783; 91-357, § 225.

605 ILCS 5/6-316 [Time for opening of roads; payment of damages]

All township and district roads laid out as provided in this Division of this Code shall be opened within 2 years from the time of laying out the same. If the damages resulting from the establishing of such

roads shall not be paid within 90 days from the time the money is in the hands of the treasurer of the road fund to pay the same, such new roads shall be deemed to be vacated.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-317 [Removal of fences]

Whenever a township or district road is ordered to be laid out, widened or altered, according to the provisions of this Division of this Code, which road shall pass through or on enclosed land, the highway commissioner shall give the owner or occupant of such land 60 days' notice in writing to remove the fences. If such owner or occupant does not remove the fence or fences within 60 days after such notice, the commissioner shall have the same removed, and direct the road to be opened and worked; the owner of such premises shall pay all necessary costs of removal, and the same may be recovered by the highway commissioner in any court of competent jurisdiction, provided however that in case the owner or occupant has been awarded damages either by agreement, or by judgment in condemnation proceedings, for the removal of such fence or fences, then the owner or occupant shall remove such fences without such notice, and the highway commissioner may enter upon such premises at once for the purpose of laying out, widening or altering such road.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-318 [Harvesting crops; notice for fence removal]

When any township or district road has been finally laid out, widened or altered according to the provisions of this Division of this Code, the owners of such lands taken shall have a reasonable time, not exceeding 8 months, to be designated by the highway commissioner to harvest crops which may be on such lands before such road shall be opened, provided however that if the damages to crops have been included in the total damages finally allowed or awarded then the highway commissioner may enter upon such premises at once for the purpose of opening such road, provided further that if there are fences on such land taken, he shall first give notice to remove said fences as provided in Section 6-317 of this Code [605 ILCS 5/6-317].

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-319 [Roads on county or district lines; railroad right-of-way or stream of water]

Township and district roads may be laid out, widened, altered or vacated on county or district lines, or from one district to another, and in case a railroad right-of-way or stream of water joins the boundary line of such county or district line, then along the line of such railroad right-of-way or stream of water, in the same manner as other township and district roads, except that in such cases, a copy of the petition shall be posted in and presented to the highway commissioners of each district interested; such petition to be as in other cases, and signed by not less than 5% of the legal voters, or 12 legal voters, whichever is less, residing in the district or county. Whereupon the highway commissioners of the several districts shall meet and act together, in the same time and manner as in other cases, in considering the petition, viewing the premises, adjusting damages, and making all orders in reference to such proposed road, widening, alteration or vacation, and a copy of all final orders and plats and papers shall be filed and recorded in each of the counties and districts interested. In case the commissioners are unable to agree, the county superintendent of highways shall act as arbitrator between them in case the districts shall lie within the same county, and if in different counties the Department or any person designated by it, shall so act. All appeals hereinbefore provided for in this Division of this Code may likewise be taken to the county superintendent of highways, or in case the districts shall lie in 2 or more counties, to the Department.

In lieu of petitions, the highway commissioners of all road districts interested may file a certificate to vacate roads with the respective county clerks and with the respective township or district clerks, as the case may be. The procedure upon the filing of such certificates shall be the same as, and conform to, the procedure followed upon the filing of a petition.

HISTORY:
P.A. 78-543.

605 ILCS 5/6-320 [Allotment to districts of new township or district roads; division of expenses and damages]

The highway commissioners shall also, in case a new township or district road is established on a county or district line, allot to each of such districts the part of such road which each of such districts shall open and keep in repair, and the part so allotted shall be considered as wholly belonging to such district. They shall also divide the expenses and damages which may accrue from such laying out, widening or alteration, and if they cannot agree, they shall refer the matter to the county superintendent of highways or in case the districts shall lie in 2 or more counties, the Department, whose decision shall be final.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-321 [Division, allotment and repair of roads laid out on district or county lines]

All township and district roads heretofore or here-

after laid out upon district or county lines shall be divided, allotted and kept in repair in the manner as hereinbefore directed. Any township or district road that is or shall be laid out on any county or district line, and in case a railroad right-of-way or a stream of water forms the boundary line of such district or county, or crowds the public road off from such district or county, then the road alongside such railroad right-of-way or stream of water, shall be held to be a road on a county or district line, although owing to the topography of the ground along such county or district line, or at the crossing of any stream of water, the proper authorities in laying out such road may have located a portion of the same to one side of such county or district line or railroad right-of-way, or stream of water, and the expenses of keeping in repair such road shall be assessed by each district or county interested.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-322 [Roads adjoining another state]

Township and district roads may be laid out and opened upon the line between this and any adjoining state, as provided in the preceding sections, whenever the laws of such adjoining state shall be applicable.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-323 [Notices to railroad companies]

In addition to the notices now required by law in proceedings for laying out, locating or opening of township and district roads, similar notices shall be served on any railroad company across or alongside of whose railroad it may be proposed to locate such a road. Such notices shall be served by delivering a copy thereof to the station agent of any such railroad company nearest to the proposed location of such projected township or district road.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-324 [Relocation, diversion or establishment of roads in connection with railroad crossing]

The highway commissioner of any road district shall relocate, divert or establish a township or district road where necessary in connection with the crossing of the track of any railroad company across any township or district road upon certification of the findings of the Illinois Commerce Commission as provided in Section 18c-7401 of the Illinois Commercial Transportation Law [625 ILCS 5/18c-7401]. The Illinois Commerce Commission may apportion all costs and damages incident thereto as provided in said Section 18c-7401.

HISTORY:
P.A. 85-1209.

605 ILCS 5/6-325 [Inclusion in township or district road system of roads or streets in platted subdivisions]

In counties having less than 3,000,000 inhabitants, roads or streets in platted subdivisions and dedicated to public use shall be included in and incorporated into the township or district road system without any hearing or petition therefor required by the preceding Sections of this Division, when and if such roads or streets conform to the rules, specifications and regulations regarding location, width, grades, surface and drainage structures prepared by the county superintendent of highways and adopted by the county board. The highway commissioner shall determine when such dedicated roads and streets so conform and shall thereupon make an order to incorporate them into the township or district road system and file one copy of such order in the office of the district clerk and one copy with the county superintendent of highways. If the highway commissioner refuses or fails to make such an order, any 3 interested persons may appeal to the county superintendent of highways to determine if such roads and streets so conform, and if his finding is favorable, he shall make an order to incorporate them into the township or district road system and shall file such order in the office of the district clerk. The county board may adopt alternate and less stringent rules, specifications, and regulations prepared by the county superintendent of highways for roads and streets that were initially platted in subdivisions before January 1, 1959, but not constructed, and these alternate rules, specifications, and regulations shall be applicable in determining if these roads and streets conform under this Section for inclusion into the township or district road system. The county board, by an affirmative vote of at least three-fifths of all members of the county board, may adopt alternate and less stringent rules, specifications and regulations prepared by the County Superintendent of Highways for roads and streets that were initially constructed in platted subdivisions prior to January 1, 1959, and such alternate rules, specifications and regulations shall be applicable in determining if such roads and streets comply under this Section if the highway commissioner first determines that such roads and streets should be included in or incorporated into the township or district road system.

Roads and streets which have been laid out and dedicated to public use but which are not in platted subdivisions or which are in a platted subdivision but do not conform to the rules, specifications and regulations as required by the preceding paragraph of this Section or are in a county which has not established such rules, specifications and regulations may

be included in and incorporated into the township or district road system in the manner hereinafter specified in this Section. The proceedings for that purpose shall be in accordance with the provisions of Sections 6-303 and 6-305 of this Code [605 ILCS 5/6-303 and 605 ILCS 5/6-305] with reference to laying out new roads, except as hereinafter provided in this Section. The petition shall pray that the roads or streets be incorporated into the township or district road system. The provisions of Section 6-305 of this Code relative to notice and hearing are applicable to the proceedings except the notice shall state the time when the commissioner will examine the roads or streets and hear reasons for or against incorporating them into the township or district road system and the notice shall be posted in the vicinity of the road or street described in the petition. The provisions of Section 6-305 relative to the decision are applicable if the prayer of the petition is refused, but if the commissioner grants the prayer of the petition, he shall so publicly announce and shall make an order to incorporate the roads or streets into the township or district road system and shall, within 5 days thereafter, file one copy of such order in the office of the district clerk and one copy with the county superintendent of highways.

In case the highway commissioner denies the prayer of the petition, any 3 of the petitioners may appeal to the county superintendent of highways by filing a notice of appeal with the district clerk within 10 days from the date of the decision appealed from, and in case the highway commissioner grants the prayer of the petition any 3 land owners in the district may appeal in like manner. In case of appeal the clerk shall transmit the original petition to the county superintendent of highways, also the notice of appeal. Upon receipt of the same the county superintendent of highways shall fix a time and place for a public hearing thereon, giving notice thereof and after the hearing shall render his decision thereon and record and file the same in the manner hereinbefore provided in the case of the hearing upon such petition by the highway commissioner of the district.

If no appeal is taken within 10 days from a decision allowing the prayer of the petition the roads or streets described in the petition shall be deemed to be incorporated into the township or district road system.

If an appeal is taken from the decision of the highway commissioner and the county superintendent of highways allows the prayer of the petition the roads or streets described in the petition shall be deemed to be incorporated into the township or district road system, upon his decision being filed with the clerk of the district.

In counties having more than 3,000,000 inhabitants, roads or streets in platted subdivisions and dedicated to public use and roads or streets which have been laid out and dedicated to public use may be included in and incorporated into the township or district road system in the manner specified in this Section, if such roads or streets conform to the rules, specifications and regulations regarding location, width, grades, surface and drainage structures established by the highway commissioner, the county superintendent of highways and the county plan commission, if any.

The proceedings for that purpose shall be in accordance with the provisions of Sections 6-303, 6-304 and 6-305 of this Code [605 ILCS 5/6-303, 605 ILCS 5/6-304 and 605 ILCS 5/6-305] with reference to laying out new roads, except as provided in this Section. The petition shall pray that the streets or roads be incorporated into the township or district road system, and if the petition is allowed the decision shall order that the streets or roads be incorporated into the township or district road system. The provisions of Sections 6-306 and 6-307 of this Code [605 ILCS 5/6-306 and 605 ILCS 5/6-307] are not applicable to the proceedings. The provisions of Section 6-305 of this Code relative to notice and hearing are applicable to the proceedings except the notice shall state the time when the commissioner will examine the streets or roads and hear reasons for or against incorporating them into the township or district road system and the notice shall be posted in the vicinity of the street or road described in the petition. The provisions of Section 6-305 relative to the decision are applicable if the prayer of the petition is refused, but not applicable if granted and in such case the provisions of this Section govern.

In case the highway commissioner denies the prayer of the petition any 3 of the petitioners may appeal to the county superintendent of highways by filing a notice of appeal with the district clerk within 10 days from the date of the decision appealed from, and in case the highway commissioner grants the prayer of the petition any 3 land owners in the district may appeal in like manner.

In case of appeal the clerk shall transmit the original petition to the county superintendent of highways, also the notice of appeal.

Upon receipt of the same the county superintendent of highways shall fix a time and place for a public hearing thereon, giving notice thereof and after the hearing shall render his decision allowing or denying the prayer of the petition and endorse the same on the petition and file the same with the district clerk, within 5 days.

Any notice of appeal under the foregoing provisions shall be filed with the clerk within 10 days after the decision of the highway commissioner.

If no appeal is taken from a decision allowing the prayer of the petition the streets or roads described in the petition shall be deemed to be incorporated into the township or district road system.

If an appeal is taken from the decision of the highway commissioner and the county superintendent of highways allows the prayer of the petition the streets or roads described in the petition shall be deemed to be incorporated into the township or district road system, upon his decision being filed with the clerk of the district.

The 7 preceding paragraphs of this Section shall apply only in counties having more than 3,000,000 inhabitants.

HISTORY:
P.A. 86-616; 91-775, § 10.

605 ILCS 5/6-326 [Road in a county unit road district; petition; appeal]

When a petition to lay out, widen, alter or vacate a district road concerns a road in a county unit road district, such petition shall be filed with the county superintendent of highways. Such county superintendent shall have the powers and perform the duties of a highway commissioner under the provision of this Division of this Code. An appeal may be had from the decision of such county superintendent of highways on such petition to the county board of the county.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-326.1 [Temporary closure and reconstruction of roads]

Existing township and district roads may be temporarily closed and reconstructed by the filing with the highway commissioner of the district involved and with the County Superintendent of Highways of a petition signed by all of the owners of the property contiguous to both sides of that portion of the roadway to be temporarily closed and reconstructed by the petitioners. A copy of this petition shall be published in at least one newspaper published in the township or district or, in the absence of such published newspaper, in at least one newspaper of general circulation in the township or district or, in the absence of such generally circulated newspaper, by posting copies of the petition in 5 of the most public places in the district in the vicinity of the road to be temporarily closed and reconstructed. The Road Commissioner shall provide for publication or posting at least 10 days prior to any decision on the matter. If the commissioner is of the opinion that the temporary closing of the road is in the public and economic interest and that the temporary closing will not materially interfere with the flow of traffic on the township and county road system then, upon the approval of plans for the reconstruction of the road by the District Commissioner and the County Superintendent of Highways and the depositing with the commissioner of a contract and corporate surety bond approved by the Highway Commissioner and the County Superintendent of Highways properly guaranteeing the replacement of the road in as good or better condition as existed prior to the closing, the commissioner may temporarily close the road for a period not to exceed 3 years.

HISTORY:
P.A. 79-510.

605 ILCS 5/6-327 [Roads for private and public use]

Township and district roads for private and public use of the widths of 50 feet or less may be laid out from one or more dwellings or plantations to any public road, or from one public road to another, or from one or more lots of land to a public road or from one or more lots of land to a public waterway, on petition to the highway commissioner by any person directly interested. Upon receiving such petition, proceedings shall be had respecting the laying out of such road as in the case of other township and district roads. In case the highway commissioner or upon appeal, the county superintendent of highways, shall enter a preliminary order for the laying out of such road, such highway officer or officers making such preliminary order shall, if possible, and the parties are competent to contract, agree upon the total amount of damages, together with the portion thereof to be paid by the district, if any, as well as by each of the land owners benefited by such road. In case such damages cannot be determined or apportioned by agreement, the same shall be fixed as in the case of other township and district roads. The amount of such damages shall be paid by the person benefited thereby, to the extent and in proportion that they are benefited as determined and declared by the court. The remainder of the amount of damages, over and above that to be paid by the parties aforesaid, if any, shall be paid by the district as in other cases. The amount of damages to be paid by individuals shall be paid to the parties entitled thereto, before the road shall be opened for use. In all other respects the provisions of this Division of this Code relative to the opening, widening, alteration or vacation of other township and district roads shall be applicable also to the laying out, widening, alteration or vacation of roads for private and public use: Provided that the cost of the construction of the roadway, bridges and culverts and the maintenance thereof shall be borne by the parties paying for such road.

HISTORY:
Laws 1963, p. 2045.

605 ILCS 5/6-328 [Recordation of road plat]

Whenever any township or district road is laid out, widened or altered in accordance with this Division of this Code, the highway commissioner shall cause a plat thereof to be made and recorded in the office of the recorder of the county (or in the office of the registrar of titles for the county if appropriate) in accordance with the provisions of Section 9 of "An Act to revise the law in relation to plats", approved March 21, 1874, as amended [765 ILCS 205/9].

HISTORY:
P.A. 83-358.

605 ILCS 5/6-329 [Recordation of vacated road]

Upon the vacation of any township or district road

or part thereof, the highway commissioner shall cause a legal description of the road or part thereof vacated to be recorded in the office of the recorder of the county. The recorder shall mark the plat previously recorded in such manner as to show the vacation and to indicate the book and page number where the description is recorded.

HISTORY:
P.A. 83-358.

DIVISION 4.

CONSTRUCTION AND MAINTENANCE OF TOWNSHIP AND DISTRICT ROADS

605 ILCS 5/6-401 [Failure to repair or maintain road; remedy; penalty]

If any highway commissioner fails or refuses to repair or maintain any road or section of a road in his district within 10 days after he is given a notice in writing signed by 3 landowners of such district, that such road or section of a road is in need of repair or maintenance, any 3 landowners in such district may petition the county superintendent of highways that such road or section thereof is in need of repair, or is not properly maintained by the highway commissioner. The county superintendent of highways shall set a day, not less than 10 nor more than 20 days after such petition is filed with him, for hearing the complaint alleged in such petition, and shall cause 10 days notice of such hearing to be given addressed "to all persons interested" by posting notices of such hearing in 5 of the most public places in such district in the vicinity of the road or section of road described in the petition and also by delivering a copy of such notice to such commissioner or mailing a copy thereof to such commissioner at his post office address, postage prepaid.

If the county superintendent of highways determines as a result of such hearing that the road described in the petition is in need of repair, or is not properly maintained by the highway commissioner of the district, he shall order the highway commissioner of the district to make such repairs as appear to him to be proper or necessary, or to properly maintain such road or section of road.

If any highway commissioner wilfully disobeys the order of the county superintendent of highways issued in pursuance to this section, when there are sufficient funds to permit a compliance with such order, he shall be guilty of a petty offense, and shall upon proper proceedings being brought in the circuit court of the county, be subject to removal from office.

P.A. 79-1366.

605 ILCS 5/6-402 [Construction and repair of bridges or culverts on roads on district lines]

Bridges or culverts on roads on district lines, except as provided in Section 5-503 of this Code [605 ILCS 5/5-503], shall be constructed and repaired by such districts and the expense of such construction and repair shall be borne in proportion to the assessed value of the taxable property in the respective districts according to the last preceding equalized assessment thereof prior to such construction or repair; or the commissioners of such adjoining road districts may enter into joint contracts, which may provide for any just division of cost. Such contracts may be judicially enforced against such commissioners jointly, the same as if entered into by individuals, and such commissioners may be proceeded against jointly by any parties interested in such bridges or culverts, for any neglect of duty in reference to such bridges or culverts, or for any damage growing out of such neglect.

HISTORY:
P.A. 83-345.

605 ILCS 5/6-404 [Approaches to bridges and culverts]

Approaches to all bridges and culverts constructed under and by virtue of Section 6-402 [605 ILCS 5/6-402] shall be constructed and maintained by the respective road districts within which such approach or approaches may be located, and all approaches to all such bridges and culverts, as have heretofore been constructed jointly by 2 or more districts shall be maintained by the respective districts within which such approaches are located.

HISTORY:
P.A. 84-962.

605 ILCS 5/6-405 [Appropriation by road district for proportionate share of construction or repair of bridge or culvert]

When any road district desires to construct or repair any bridge or culvert as provided in Section 6-402 [605 ILCS 5/6-402], and has appropriated its share of the cost of constructing or repairing the same it shall be the duty of such other road district to make an appropriation for its proportionate share of the expense of such construction or repair. If such other road district fails or refuses to make such appropriation any court of competent jurisdiction, upon a proper petition for that purpose, shall issue an order to compel such other road district to make such appropriation; or the road district which has made its appropriation, may, after giving due notice to the other road district, proceed with the construction or repair of the bridge or culvert, and, if the construction or repair is reasonable in kind and cost,

may recover from the other road district, by suit, such proportionate share of the expense as the other road district is liable for, with costs of the suit and interest from the time of the completion of the construction or repair. However, if the expense of the construction or repair of the bridge or culvert is unreasonable then the road district may recover only the other road district's proportionate share of an amount equal to a reasonable expense for the construction or repair.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-406 [Action for recovery of breach of joint contract]

When a joint contract has been made in accordance with Section 6-402 [605 ILCS 5/6-402], and if the commissioner of either of such road districts, after reasonable notice in writing from the commissioner of any other road district, neglects or refuses to construct or repair any bridge or culvert, the commissioner so giving notice, after constructing or repairing the same, may recover by suit such amount as may have been contracted for in accordance with Section 6-402 of this Code, of the expense of so constructing or repairing such bridge or culvert together with costs of suit and interest from time of completion thereof, from the road district so neglecting or refusing.

HISTORY:
P.A. 84-962.

605 ILCS 5/6-407: [Repealed] Repealed by P.A. 93-704, § 10, effective July 9, 2004.

605 ILCS 5/6-408 [Contracts for constructing and repairing roads and bridges on road district lines]

Contracts for constructing and repairing roads and bridges on road district lines shall be let by the highway commissioners of the 2 districts who shall meet and act together when taking action upon the letting of such contract for the construction or repair of such roads and bridges, or acceptance of the work.

HISTORY:
Laws 1959, p. 888; P.A. 93-704, § 5.

605 ILCS 5/6-409 [Penal sums]

No contract so made shall be considered as let unless the contractor shall, within 15 days after the final award of the same, enter into contract and file a bond with good and sufficient sureties with the highway commissioner, in the penal sum at least equal to the amount of the contract, payable to the commissioner of the district, upon failure to comply with the conditions of such contract.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-410 [Final payments]

All final payments on contracts for the construction or repair of roads, including the constructing or repairing bridges or culverts, shall be made payable as soon as the work under such contract is completed and accepted by the highway commissioner. The highway commissioner shall submit all warrants, bills and orders for such final payments to the township board of trustees or the highway board of auditors within 30 days after the receipt of the bill.

HISTORY:
P.A. 83-791; 94-59, § 5.

605 ILCS 5/6-411 Pecuniary interest in leases

In townships with a population of less than 15,000, with the approval of the town board of trustees or the highway board of auditors, as the case may be, a highway commissioner may have a pecuniary interest in lease contracts if the aggregate total of those contracts is less than $2,000 in the same fiscal year.

HISTORY:
P.A. 86-1179; 89-305, § 10; 96-422, § 5.

605 ILCS 5/6-411.1 Pecuniary interest in contracts

(a) Except as provided in this Section, no road district officer or employee shall be interested, directly or indirectly, in his or her own name or in the name of any other person, association, trust, or corporation, in any contract for work or materials, profits of work or materials, or services to be furnished or performed for the road district or for any person operating a public utility wholly or partly within the territorial limits of the road district.

(b) Any elected or appointed member of the governing body may provide materials, merchandise, property, services, or labor if:

(1) the contract is with a person, firm, partnership, association, corporation, or cooperative association in which the interested member of the governing body of the road district has less than a 7 ½% share in the ownership; and

(2) the interested member publicly discloses the nature and extent of his or her interest before or during deliberations concerning the proposed award of the contract; and

(3) the interested member abstains from voting on the award of the contract, though he or she shall be considered present for the purposes of establishing a quorum; and

(4) the contract is approved by a majority vote of those members presently holding office; and

(5) the contract is awarded after sealed bids to the lowest responsible bidder if the amount of the con-

tract exceeds $1,000, or awarded without bidding if the amount of the contract is less than $1,000; and

(6) the award of the contract would not cause the aggregate amount of all contracts awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $25,000.

(c) In addition to subsection (b), any elected or appointed member of the governing body may provide materials, merchandise, property, services, or labor if:

(1) the award of the contract is approved by a majority vote of the governing body of the road district, provided that any interested member shall abstain from voting; and

(2) the amount of the contract does not exceed $1,000; and

(3) the award of the contract would not cause the aggregate amount of all contracts awarded to the same person, firm, association, partnership, corporation, or cooperative association in the same fiscal year to exceed $1,000; and

(4) the interested member publicly discloses the nature and extent of his or her interest before or during deliberations concerning the proposed award of the contract; and

(5) the interested member abstains from voting on the award of the contract, though he or she shall be considered present for the purposes of establishing a quorum; and

(6) no other vendor is available within a 25-mile radius of the road district.

(d) A contract for the procurement of public utility services by a road district with a public utility company is not barred by this Section by one or more members of the governing body being an officer or employee of the public utility company, holding an ownership interest of no more than 7 ½% in the public utility company, or holding an ownership interest of any size if the road district has a population of less than 7,500 and the public utility's rates are approved by the Illinois Commerce Commission. An elected or appointed member of the governing body having such an interest shall be deemed not to have a prohibited interest under this Section.

(e) Any officer who violates this Section is guilty of a Class 4 felony. Any office held by the person so convicted shall become vacant and shall be declared vacant as part of the judgment of the court.

(f) Nothing contained in this Section, including the restrictions set forth in subsections (b), (c), and (d), shall preclude a contract of deposit of moneys, loans, or other financial services by a road district with a local bank or local savings and loan association, regardless of whether a member or members of the governing body of the road district are interested in the bank or savings and loan association as an officer or employee or as a holder of less than 7 ½% of the total ownership interest. A member or members holding such an interest in a contract shall not be deemed to be holding a prohibited interest for purposes of this Section. The interested member or members of the governing body must publicly state the nature and extent of their interest during deliberations concerning the proposed award of such a contract but shall not participate in any further deliberations concerning the proposed award. The interested member or members shall not vote on a proposed award. Any member or members abstaining from participation in deliberations and voting under this Section may be considered present for purposes of establishing a quorum. Award of a contract shall require approval by a majority vote of those members presently holding office. Consideration and award of any contract in which a member or members are interested may only be made at a regularly scheduled public meeting of the governing body of the road district.

HISTORY:
P.A. 89-305, § 10.

605 ILCS 5/6-411.5 Contracts for public transportation

The highway commissioner of each road district within the territory of the Regional Transportation Authority shall have authority, with the approval of the township board of trustees, to contract with the Regional Transportation Authority or a Service Board, as defined in the Regional Transportation Authority Act [70 ILCS 3615/1.01 et seq.], for the purchase of public transportation services within the district, upon such terms and conditions as may be mutually agreed upon. The expenditure of road funds, collected under a road district tax, to purchase public transportation services constitutes a road purpose under this Code.

HISTORY:
P.A. 89-347, § 5.

605 ILCS 5/6-412 [All-weather travel surfaces]

On all township or district roads which have all-weather travel surfaces the highway commissioner, if funds are available, shall construct and maintain adequate all-weather surfaces at boxes used for the receipt of United States mail. Such approaches shall be constructed and maintained with the same material as the roadbed, or other suitable all-weather material.

The rules, regulations and specifications adopted by the Department governing the erection and maintenance of boxes for the receipt of United States mail on State highways shall not apply to and govern the erection and maintenance of such boxes on such township or district roads.

HISTORY:
Laws 1961, p. 473.

605 ILCS 5/6-412.1 [Insurance]

The highway commissioner is authorized to contract for insurance against any loss or liability of any

officer, employee or agent of the district resulting from the wrongful or negligent act of any such officer, employee or agent while discharging and engaged in his duties and functions and acting within the scope of his duties and functions as an officer, employee or agent of the district. Such insurance shall be carried with a company authorized by the Department of Insurance to write such coverage in Illinois. Every such policy shall provide, or be endorsed to provide, that the company issuing such policy waives any right to refuse payment or deny coverage or liability thereunder, within the limits of the policy, because of any exemption the district may have from such liability. The expenditure of road funds of the district to purchase such insurance contracts constitutes a road purpose under this Act.

HISTORY:
Laws 1961, p. 2724.

DIVISION 5.

TAXATION

605 ILCS 5/6-501 Findings and purpose

(a) Findings and purpose. The General Assembly finds:

(1) That the financial conditions of the Township and District road systems of the State of Illinois have suffered adversely as a result of changes in law concerning assessed valuation of property for tax purposes. That as a result of the changes beginning in 1945, the rates of permissible levy were first halved to accommodate full fair value, but never restored when subsequent law change established the legal assessed valuation at 50% of fair market value as equalized by the Department of Revenue.

(2) Townships and district road systems, as a result of the decreased financial support, have suffered a decline in ability to maintain or improve roads and bridges in a safe condition to permit the normal and ordinary use of its highway system. In many instances bridges have been closed and detours required because of impossible road conditions resulting in hardships for school districts in transporting pupils and for farms in moving products to market.

(3) Further, cost for maintenance and improvements have risen faster than the valuations of property, the base of financial support.

(4) To solve these problems, this Act makes changes in rates of taxation — returning Townships and District road systems to their approximate financial viability prior to 1945.

(b) The highway commissioner for each road district in each county not under township organization shall on or before the third Tuesday in December of each year determine and certify to the county board the amount necessary to be raised by taxation for road purposes and for the salaries of elected road district officials in the road district.

Should any highway commissioner during the last year of his term of office for any reason not file the certificate in the office of the county clerk, as required by this Section, in time for presentation to the regular September meeting of the county board, the clerk shall present in lieu thereof a certificate equal in amount to that presented for the preceding year.

In every such county the certificate shall be filed in the office of the county clerk and by that official presented to the county board at the regular September meeting for the consideration of the board. The amount so certified if approved by the county board, or the part thereof as the county board does approve, shall be extended by the county clerk as road taxes against the taxable property of the district.

(c) The highway commissioner in each road district in each county having adopted township organization shall in accordance with the Illinois Municipal Budget Law [50 ILCS 330/1 et seq.] at least 30 days prior to the public meeting required by this paragraph, each year prepare or cause to be prepared a tentative budget and appropriation ordinance and file the same with the clerk of the township or consolidated township road district, as the case may be, who shall make the tentative budget and appropriation ordinance conveniently available to the public inspection for at least 30 days prior to final action. One public hearing shall be held. This public hearing shall be held on or before the last day of the first quarter of the fiscal year before the township board of trustees or the highway board of trustees, as the case may be. Notice of the hearing shall be given by publication in a newspaper published in the road district at least 30 days prior to the time of the hearing. If there is no newspaper published in the road district, notice of the public hearing shall be given by posting notices in 5 of the most public places in the district. It shall be the duty of the clerk of the road district to arrange for the public hearing. The township board of trustees or highway board of trustees, as the case may be, at the public hearing shall adopt the tentative budget and appropriation ordinance, or any part as the board of trustees deem necessary.

On or before the last Tuesday in December the township board of trustees or highway board of trustees or road district commissioner, as the case may be, shall levy and certify to the county clerk the amount necessary to be raised by taxation for road purposes and the road district commissioner shall levy and certify to the county clerk the amount necessary to be raised by taxation for the salaries of elected road district officials in the road district, as determined by the highway commissioner.

The amount so certified shall be extended by the county clerk as road taxes against the taxable property of the district.

On or after October 10, 1991, a road district commissioner whose district is located in a county not under township organization may not levy separately a tax for salaries of elected road district

officials unless the tax has been first approved by a majority of the electors voting on the question at a referendum conducted in accordance with the general election law. The question submitted to the electors at the referendum shall be in substantially the following form: "Shall the road district commissioner be authorized to levy an annual tax for the salaries of elected road district officials under Section 6-501 of the Illinois Highway Code [605 ILCS 5/6-501]?"

Except as is otherwise permitted by this Code and when the road district commissioner establishes the tax rate for the salaries of elected road district officials, the county clerk shall not extend taxes for road purposes against the taxable property in any road district at rates in excess of the following:

(1) in a road district comprised of a single township in a county having township organization, at a rate in excess of .125% of the value, as equalized or assessed by the Department of Revenue; unless before the last Tuesday in December annually the highway commissioner of the township road district shall have secured the consent in writing of a majority of the members of the township board of trustees to the extension of a greater rate, in which case the rate shall not exceed that approved by a majority of the members of the township board of trustees, but in no case shall it exceed .165% of the value, as equalized or assessed by the Department. Once approved by the township board of trustees, the rate shall remain in effect until changed by the township board of trustees;

(2) in a consolidated township road district, at a rate in excess of .175% of the value, as equalized or assessed by the Department of Revenue;

(3) in a road district in a county not having township organization, at a rate in excess of .165% of the value, as equalized or assessed by the Department of Revenue.

However, road districts that have higher tax rate limitations on a permanent basis for road purposes on July 1, 1967, than the limitations herein provided, may continue to levy the road taxes at the higher limitations, and the county clerk shall extend the taxes at not to exceed the higher limitations.

If the amount of taxes levied by the township board of trustees or the highway board of trustees or approved by the county board in any case is in excess of the amount that may be extended the county clerk shall reduce the amount so that the rate extended shall be no greater than authorized by law. However, the tax shall not be reduced or scaled in any manner whatever by reason of the levy and extension by the county clerk of any tax to pay the principal or interest, or both, of any bonds issued by a road district.

The taxes, when collected, shall be held by the treasurer of the district as the regular road fund of the district.

Notwithstanding any other provision of law, for a period of time ending 18 years after the effective date of this amendatory Act of 1994, a road district or consolidated road district may accumulate up to 50% of the taxes collected from a subdivision under this Section for improvements of nondedicated roads within the subdivision from which and for which the taxes were collected. These nondedicated roads will become a part of the township and district road system if the roads meet the criteria established by the counties in which the roads are located. The total accumulations under this provision may not exceed 10% of the total funds held by the district for road purposes. This provision applies only to townships within counties adjacent to a county with a population of 3,000,000 or more and only with respect to subdivisions whose plats were filed or recorded before July 23, 1959.

Notwithstanding any other provision of law, for a period of time ending 10 years after the effective date of this amendatory Act of the 98th General Assembly, a road district or consolidated road district may accumulate up to 50% of the taxes collected from a subdivision under this Section for improvements of nondedicated roads within the subdivision from which and for which the taxes were collected. These nondedicated roads will become a part of the township and district road system if the roads meet the criteria established by the counties in which the roads are located. The total accumulations under this provision may not exceed 10% of the total funds held by the district for road purposes. This provision applies only to townships within counties adjacent to a county with a population of 3,000,000 or more and only with respect to subdivisions whose plats were filed or recorded before July 23, 1959.

Any road district may accumulate funds for the purpose of acquiring, constructing, repairing and improving buildings and procuring land in relation to the building and for the purpose of procuring road maintenance apparatus and equipment, and for the construction of roads, and may annually levy taxes for the purposes in excess of its current requirements for other purposes, subject to the tax rate limitations provided in this Section, provided a proposition to accumulate funds for the purposes is first submitted to and approved by the electors of the district. The proposition shall be certified to the proper election officials by the district clerk upon the direction of the highway commissioner, and the election officials shall submit the proposition at a regular election. Notice and conduct of the referendum shall be in accordance with the general election law. The proposition shall be in substantially the following form:

Shall ..... road district accumulate funds in the amount of $.... for ..... years for the purpose of acquiring, constructing, repairing and improving buildings and procuring land therefor, and for procuring road maintenance apparatus and equipment and for the construction of roads?	YES	
	NO	

If a majority of the electors voting on the proposition vote in favor of it, the road district may use a portion of the funds levied, subject to the tax rate limitations provided in this Section, for the purposes for which accumulation was authorized. It shall not be a valid objection to any subsequent tax levy made under this Section, that there remains unexpended money arising from the levy of a prior year because of an accumulation permitted by this Section and provided for in the budget for that prior year.

(d) Any road district may accumulate moneys in a dedicated fund for a specific capital construction or maintenance project or a major equipment purchase without submitting a proposition to the electors of the district if the annual budget and appropriation ordinance for the road district states the amount, purpose, and duration of any accumulation of funds authorized under this Section, with specific reference to each project to be constructed or equipment to be purchased. Nothing in this subsection precludes a road district from accumulating moneys for nonspecific purposes as provided in this Section.

HISTORY:
P.A. 86-1179; 87-17; 87-738; 87-768; 87-895; 87-1189, § 5-5; 88-360, § 15; 88-673, § 10; 92-395, § 5; 92-656, § 10; 98-818, § 5.

605 ILCS 5/6-502 [Copy of certificate]

The township board of trustees or highway board of trustees, as the case may be, or the highway commissioner in any county not under township organization, of each road district in addition to certifying to the county board the amount necessary to be raised by such district for road purposes therein, shall also within the dates aforesaid make out and deliver to the district clerk a copy of the certificate required by Section 6-501 [605 ILCS 5/6-501] to be kept on file by such clerk for the inspection of the inhabitants of such district. However, a failure to file such copy shall not affect the validity of the certificate filed with the county clerk, or of the tax levied pursuant thereto.

The district clerk shall not certify levies of taxes to the county clerk.

HISTORY:
P.A. 82-783.

605 ILCS 5/6-503 [Damages]

When damages have been agreed upon, allowed or awarded for laying out, widening, altering or vacating township or district roads, or for payments for right-of-way in aiding the State in connection with the construction of State highways or in connection with the construction of federal aid roads or such roads as are constructed with the aid of federal grants or loans, or for ditching to drain township or district roads, the amounts of such damages and interest on orders issued in payment of such damages shall be included in the next succeeding tax levy provided for in Section 6-501 of this Code [605 ILCS 5/6-501], and may be in addition to and in excess of the maximum levy and rate of extension of taxes for road purposes authorized under Section 6-501, and when collected, shall constitute and be held by the treasurer of the district as a separate fund to be paid to the parties entitled thereto. The highway commissioner, or the township board of trustees or highway board of trustees, as the case may be, at the time of certifying the general tax levy for road purposes within the district, shall include and separately specify in such certificate the amount necessary to be raised by taxation for the purpose of paying such damages. Upon the approval by the county board of the amount so certified, when required in Section 6-501, the county clerk shall extend the same against the taxable property of such district, provided the amount shall not be extended at a rate in excess of .033% of value, as equalized or assessed by the Department of Revenue. The foregoing limitations upon tax rates may be increased or decreased under the referendum provisions of the General Revenue Law of Illinois.

HISTORY:
P.A. 82-783.

605 ILCS 5/6-504 [Referendum to increase the rate limitation for road purposes]

On the petition of at least 10% of the legal voters residing in a road district (other than a county unit road district) to the district clerk, the clerk shall order a referendum on the proposition to increase the district's rate limitation for road purposes under this Section and Section 6-505 [605 ILCS 5/6-505]. The referendum shall be held at the next annual or special town meeting or at an election in accordance with the general election law. If the referendum is ordered to be held at the town meeting, the district clerk shall give notice that at the next annual or special town meeting the proposition shall be voted upon. The notice shall set forth the proposition and shall be given by publication in a newspaper published in the township, or if there is no such newspaper, then in a newspaper published in the county and having general circulation in the township, and by posting notices in at least 10 of the most public places in the township at least 10 days before the town meeting. If the referendum is ordered to be held at an election, the district clerk shall certify that proposition to the proper election officials, who shall submit the proposition at an election. The proposition shall be submitted in accordance with the general election law.

Any road district voting after August 1, 1967, to increase its rate limitation for road purposes under this Section and Section 6-505 shall establish the increased rate limitation on a permanent basis.

No more than 2 referenda authorized by this Section shall be held within any 12 month period. No referendum shall be held unless a petition signed by not less than 10% of the registered voters in the road

district has been filed with the district clerk requesting an increase in the tax rate limitation for road purposes.

HISTORY:
P.A. 87-768.

605 ILCS 5/6-505 [Form of proposition]

The proposition authorized by Section 6-504 [605 ILCS 5/6-504], shall be substantially in the following form:

Shall the present maximum rate of .... % (insert present maximum) of the value, as equalized or assessed by the Department of Revenue on the taxable property of ..... Township (or Townships) for road purposes be increased to a maximum rate (here state proposed increased rate) on such taxable property?	YES NO	

If a majority of all ballots cast on the proposition is in favor of the increase in the tax rate, the county clerk shall certify the results of the election.

If 2 or more proposals are submitted under Section 6-504, at the same election and more than one of the proposals receives a majority of the vote, the proposal receiving the greatest number of affirmative votes shall be the only one in effect.

HISTORY:
P.A. 81-1509.

605 ILCS 5/6-506 [Extension of taxes]

The county clerk on and after the filing with him of the certificate provided for in Section 6-505 [605 ILCS 5/6-505], by the district clerk shall for a period of 5 years thereafter extend as taxes the amount certified by the county board, township board of trustees or highway board of trustees, as the case may be, which the highway commissioner has determined as necessary to be raised by taxation for the proper construction, maintenance and repair of the roads of the district as provided in Section 6-501 [605 ILCS 5/6-501] at a rate not in excess of the rate approved by the voters of the district under Sections 6-504 and 6-505 [605 ILCS 5/6-504 and 605 ILCS 5/6-505] and in no case shall such taxes so extended exceed .66% of the value, or .94% of the value in districts with less than $10,000,000 total equalized assessed valuation if such higher rate has been approved by the voters of the district under Sections 6-504 and 6-505 at a referendum held in accordance with the general election law, as such values are equalized or assessed by the Department of Revenue of the taxable property of the district.

If any road district establishes its tax rate limitation for road purposes on a permanent basis after August 1, 1967, as provided for in Section 6-504 of the Act, the county clerk shall on a permanent basis extend as taxes the amount certified by the county board, township board of trustees or highway board of trustees, as the case may be, which the highway commissioner has determined as necessary to be raised by taxation for the proper construction, maintenance and repair of the roads of the district.

HISTORY:
P.A. 85-1178.

605 ILCS 5/6-507 [Extension of tax levy; payment to treasurer]

All items of tax levy of any district authorized by Sections 6-501, 6-503 and 6-504 of this Code [605 ILCS 5/6-501, 605 ILCS 5/6-503 and 605 ILCS 5/6-504] shall be extended by the county clerk as one tax upon the collector's book and, except as hereinafter provided in this Section, shall be paid to the treasurer of the district by the collector as fast as the same is collected, other than such rate per cent as shall be allowed for collecting the same.

One half the tax required to be levied by Section 6-501 of this Code [605 ILCS 5/6-501], on the property lying within a municipality in which the streets and alleys are under the care of the municipality shall be paid over to the treasurer of the municipality, to be appropriated to the improvement of roads or streets, either within or without the municipality and within the road district under the direction of the corporate authorities of the municipality. However, when any of the tax is expended beyond the limits of the municipality it shall be with the consent of the highway commissioner of the road district.

If any municipality has not appropriated the taxes received by it as aforesaid for the improvement of roads or streets within one year from the date of the receipt thereof, then the unappropriated portion of such taxes shall forthwith be paid by the Treasurer of such municipality to the Treasurer of the road district from which such taxes were derived, to be used and expended for road purposes within such road district.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-508 [Tax for the purpose of constructing or repairing bridges, culverts, etc.; surplus funds]

(a) For the purpose of constructing or repairing bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of a county and a road district and obtaining aid from the county as provided in Section 5-501 of this Code [605 ILCS 5/5-501], there may be included in the annual tax levies provided for in Section 6-501 of this Code [605 ILCS 5/6-501] a tax of not to exceed .05% of the value of all the taxable property in the road district, as equalized or assessed by the Department of Revenue, which tax shall be in addition to and may be in excess of the maximum levy and may

be extended at a rate in addition to and in excess of the tax rate for road purposes authorized under Section 6-501 of this Code.

Such tax, when collected, shall constitute and be held by the treasurer of the district as a separate fund to be expended for the construction or repair of bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of the county and the road district. The highway commissioner shall separately specify in the certificate required by Section 6-501 the amount necessary to be raised by taxation for the purpose of constructing or repairing bridges, culverts, drainage structures or grade separations, including approaches thereto, at the joint expense of the county and the road district. Upon the approval by the county board of the amount so certified as provided in Section 6-501 of this Code, the county clerk shall extend the same against the taxable property of the road district, provided the amount thus approved shall not be extended at a rate in excess of .05% of value, as equalized or assessed by the Department of Revenue.

When any improvement project for which a tax may be levied under this Section has been ordered as provided in Section 5-501 and the estimated cost of such project to the road district is in excess of the amount that will be realized from the annual tax levy authorized by this Section when extended and collected, then the road district may accumulate the proceeds of such tax for such number of years as may be necessary to acquire the funds necessary to pay the district's share of the cost of such project. In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law [35 ILCS 200/18-185 et seq.] and the imposition of the property tax extension limitation prevents a road district from levying taxes for road purposes at the required rate, a road district may retain its eligibility if, at the time the property tax extension limitation was imposed, the road district was levying at the required rate and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. It shall not be a valid objection to any subsequent tax levy made under this Section that there remains unexpended money arising from a preceding levy of a prior year because of the accumulation provided for in this Section.

The rate limitation imposed by this Section may be increased for a 10 year period to up to 0.25% of the value of all the taxable property in the road district, as equalized or assessed by the Department of Revenue if the proposition for the increased tax rate is submitted under Sections 6-504 and 6-505 [605 ILCS 5/6-504 and 605 ILCS 5/6-505] and receives a majority of all ballots cast on the proposition at the election held under Section 6-505.

(b) All surplus funds remaining in the hands of the treasurer of the road district after the completion of any construction or repairing of bridges, culverts, drainage structures or grade separations, including approaches thereto, under this Section, shall be turned over, at the request of the highway commissioner, to the regular road fund of the road district. Upon such request, no further levy under this Section is to be extended by the county clerk unless the proposition authorizing such further levy is submitted under Sections 6-504 and 6-505 and receives a majority of all ballots cast on the proposition at the election held under Section 6-505.

(c) The moneys from this tax may also be used for construction and maintenance of bridges, culverts and other drainage facilities, or grade separations, including approaches thereto, on, under, or over the district roads, without joint county funds being involved and without limitation as to size of project, but only if adequate funds are available for all projects for which the road district has petitioned the county for joint participation.

HISTORY:
P.A. 84-1342; 90-110, § 10; 92-268, § 5; 92-800, § 5; 93-164, § 5.

605 ILCS 5/6-508.1 [Acquiring machinery and equipment; acquiring, constructing, or reconstructing buildings for housing machinery and equipment]

For the purpose of acquiring machinery and equipment or for the purpose of acquiring, constructing, or reconstructing buildings for housing machinery and equipment used in the construction, repair, and maintenance of township or district roads, or for both those purposes, the township board of trustees or highway board of trustees, as the case may be, or the highway commissioner in a county not under township organization, after a favorable vote as provided in this Section, may levy an annual tax of not to exceed .035% of the value of all the taxable property in the road district, as equalized or assessed by the Department of Revenue. The tax shall be in addition to and in excess of all other taxes and tax rates that may be levied or extended for road purposes in a road district under any other Section of this Code. Any tax levy authorized under this Section shall be certified to and extended by the county clerk as a separate tax to be known as the "equipment and building tax" of the road district but shall not be extended at a rate in excess of .035% of the value of the taxable property of the district, as equalized or assessed by the Department of Revenue. The maximum rate for these purposes may be increased to .10% of the value of the taxable property of the district, as equalized or assessed by the Department of Revenue, however, when authorized by a referendum held in accordance with the general election law.

In any county not under township organization, however, the amount of the levy must first be approved by the county board before the certification and extension.

The tax, when collected, shall constitute and be held by the treasurer of the district as a separate

fund to be known as the "equipment and building fund" and shall be expended only for the purpose or purposes for which it was levied.

The road district shall cause the ordinance or resolution levying the tax to be published in one or more newspapers published in the district within 10 days after the levy is made. If no newspaper is published in the district, the ordinance or resolution shall be published in a newspaper having general circulation within the district. The publication of the ordinance or resolution shall include a notice of (i) the specific number of voters required to sign a petition requesting that the question of the adoption of the tax levy be submitted to the voters of the district; (ii) the time within which the petition must be filed; and (iii) the date of the prospective referendum. The district clerk or secretary shall provide a petition form to any individual requesting one. On the petition of 25 or more legal voters of the road district to the district clerk, the clerk shall order a referendum on the question of authorizing the levy and extension of an annual tax under this Section at the next annual town meeting or at an election in accordance with the general election law. If the referendum is ordered to be held at the town meeting, the district clerk shall give notice that at the next annual town meeting the proposition shall be voted upon. The notice shall set forth the proposition and shall be given by publication in a newspaper of general circulation in the township and by posting notices in at least 10 of the most public places in the town at least 10 days before the annual meeting. If the referendum is ordered to be held at an election, the district clerk shall certify that proposition to the proper election officials, who shall submit the proposition in accordance with the general election law. If a majority of the vote cast on the question is in favor of the tax, then the township board of trustees or highway board of trustees, as the case may be, or the highway commissioner in a county not under township organization, may levy an annual tax under this Section.

P.A. 86-709; 86-1028; 86-1253; 87-768.

605 ILCS 5/6-509 [Drawing orders on the treasurer]

Whenever damages have been allowed for roads or ditches, the highway commissioner may draw orders on the treasurer, payable only out of the tax to be levied for such roads or ditches, when the money shall be collected or received, which orders shall bear interest at the rate of 6% per annum from the date on which they are issued and may be disposed of by the highway commissioner in anticipation of the tax to be levied to pay same, provided that such orders shall not be disposed of at a discount.

The highway commissioner, as soon as the tax levied for the payment of such orders is collected, shall notify the holder or holders thereof to offer same for payment; and such orders shall cease to draw any interest from and after the time that any holder thereof is notified that funds available for the payment of same is in the hands of the treasurer.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-510 [Referendum on the issuance of bonds]

On the petition either of the highway commissioner or of 25 of the legal voters of any district, to the district clerk, he shall order a referendum on the proposition "Shall bonds for road purposes be issued to the amount of $....?" at the next annual town meeting, or at an election in accordance with the general election law. If the referendum is ordered to be held at the town meeting, the district clerk shall give notice that at the next annual town meeting the proposition shall be voted upon. Such notice shall set forth the proposition and shall be given by publication in a newspaper of general circulation in the township and by posting notices in at least 10 of the most public places in the town at least 10 days prior to the annual meeting. If the referendum is ordered to be held at an election, the district clerk shall certify that proposition to the proper election officials, who shall submit the proposition to the voters in accordance with the general election law.

The proposition shall be in substantially the following form:

Shall bonds for road purposes be issued in the amount of $.....?	YES	
	NO	

If a majority of the legal voters voting on such question voted in favor of such question, the highway commissioner and the district clerk shall issue (from time to time as the work progresses) a sufficient amount of bonds of such district for the purpose of constructing or repairing roads, bridges, or any other work incident to the construction thereof, according to the prayer of such petition, if set out therein.

Such bonds shall be of such denominations, bear such date, maturity, rate of interest, not exceeding the greater of (i) the maximum rate authorized by the Bond Authorization Act [30 ILCS 305/0.01 et seq.], as amended at the time of the making of the contract, or (ii) 8% per annum payable annually or semi-annually, and be payable at such place as the highway commissioner and clerk shall determine and be disposed of as the necessities and convenience of such district may require; provided, that such bonds shall not be sold nor disposed of, either by sale or by payment to contractors for labor or materials, for less than their par value, and that such bonds shall be issued in not more than 10 annual series, the first series of which shall mature not more than 5 years from the date thereof, and each succeeding series in succeeding years thereafter. Such bonds may be lithographed and the interest for each year evidenced

by interest coupons thereto attached, which coupons shall be signed with original or facsimile signatures by the same officers who executed the bonds.

A register of all issues of such bonds shall be kept in the office of the county clerk of the county in which such district is located, showing the date, amount, rate of interest, maturity and the purpose for which such bonds were issued, which information shall be furnished to the county clerk, in writing, by the district clerk. Such county clerk shall extend annually against the taxable property in such road district a tax sufficient to pay the interest on such bonds in each year prior to the maturity of such first series and thereafter he shall extend a tax in each year sufficient to pay each series as it matures, together with interest thereon and with the interest upon the unmatured bonds outstanding; provided, that if it has been certified to the county clerk that funds from other sources have been allocated and set aside for the purpose of paying the principal or interest, or both, of such bonds, the county clerk shall, in extending the tax and fixing the rate of tax under this Section, make proper allowance and reduction in such extension of tax and tax rate to the extent of the funds so certified to be available for the payment of such principal or interest, or both.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

P.A. 86-4.

605 ILCS 5/6-511 [Turning over money for the construction of state or county highways and municipal streets]

The highway commissioner of any road district may turn over to any municipality lying wholly within its limits, money from the regular road taxes, to be used by such municipality within its corporate limits in the construction, including the separation of grades, of State or county highways and municipal streets as provided for in Division 2 of Article 7 of this Code [605 ILCS 5/7-202], provided the consent of the Department is first obtained before such money can be turned over to municipalities by such highway commissioner.

HISTORY:
P.A. 77-511.

605 ILCS 5/6-512 [County Unit Road District Road Tax; County Unit Road District Bridge Tax; funds]

For the purpose of constructing, maintaining and repairing county unit district roads, bridges and drainage structures and the acquisition, maintenance, housing and repair of machinery and equipment, the county board, in any county in which a county unit road district is established, may levy annual separate taxes upon all taxable property of the county to be known as the "County Unit Road District Road Tax" and the "County Unit Road District Bridge Tax". Such taxes shall be levied and collected as other county taxes, but the road district taxes shall be in addition to the maximum of all other county taxes which the county is now or may hereafter be authorized by law to levy. The tax levies authorized in this Section shall not be extended in counties having less than 1,000,000 inhabitants at a rate in excess of .165% for the road tax, unless the maximum rate has been increased as provided in Section 6-512.1 [605 ILCS 5/6-512.1], and .05% for the bridge tax, both figures based on the value of all the taxable property within the county, as equalized or assessed by the Department of Revenue, or .01% in counties having 1,000,000 or more inhabitants, of the value, as equalized or assessed by the Department of Revenue, of all taxable property within the county; however, ½ of the County Unit Road District Road tax levied under this Section, on property lying within a municipality in which the streets and alleys are under the care of the municipality, shall, when collected, be paid over to the treasurer of the municipality to be appropriated to the improvement of roads, streets and bridges therein. In determining the amount of tax necessary to be raised and levied, the county board shall state separately the several amounts to be raised and levied for the construction of roads, the construction and maintenance of bridges and drainage structures, the purchase of machinery, the repair of machinery, the oiling of roads and the prevention and extirpation of weeds.

All tax moneys collected as a result of the levies authorized by this Section shall be deposited in separate county unit road district accounts known, respectively, as the "county unit road district road fund" and the "county unit road district bridge and drainage fund". The county treasurer shall be custodian of these funds, but the road district funds shall be maintained separate and apart from the general county fund.

HISTORY:
P.A. 81-1509; 90-655, § 147.

605 ILCS 5/6-512.1 [Increasing rate of road tax]

Upon a petition signed by not less than 5% of the legal voters of a county having established or estab-

lishing a county unit road district and directed to the county clerk, requesting a referendum on the question of increasing the rate of the road tax to a rate not exceeding .33%, the county clerk shall certify that proposition to the proper election officials who shall submit at an election such proposition to increase the rate of the road tax. Such election shall be held and notice given in accordance with the general election law.

The proposition shall be in substantially the following form:

Shall the present maximum rate of .165% of the value as equalized or assessed by the Department of Revenue on the taxable property of ..... County for county unit road purposes be increased to a maximum rate (here state proposed increased rate) on such taxable property?	YES NO	

If a majority of all ballots cast on the proposition is in favor of the increase in the tax rate, the county clerk shall certify the results of the election to the county board. The county board shall have authority to levy a tax for the purpose stated after certification, all other tax levies for township or district road districts or county unit districts shall be nullified.

HISTORY:
P.A. 81-1509.

605 ILCS 5/6-513 [Issuance of county bonds]

The county board, in any county having the commission form of government in which a county unit road district is established, may issue bonds of the county in an amount not exceeding 2.875% of the value, as equalized and assessed by the Department of Revenue, of the property in such county or, until January 1, 1983, if greater, the sum that is produced by multiplying the county's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, for the purpose of constructing county unit district roads. However, the question of issuing such county bonds shall first be submitted to the legal voters of such county at an election. The county board shall adopt a resolution to submit the question of issuing such bonds to a vote, specifying therein the particular roads or bridges to be constructed, the type of construction to be made on each section of such roads or on such bridges, the proposed widths of the roadway, together with an estimate of the cost of such construction. The county board shall certify the resolution to the proper election officials, who shall submit at an election such proposition in accordance with the general election law. Notice of the referendum shall be given and the referendum shall be held in accordance with the general election law of the State. The proposition shall be in substantially the following form:

Shall county bonds for county unit district roads be issued to the amount of $.....?	YES NO	

If a majority of the voters voting on such question vote in favor of the proposition, the county board may at once issue the bonds and take the necessary steps to construct the roads provided for. Such bonds shall be issued to mature within 20 years from the date of issue, shall be upon such terms and conditions and shall bear such rate of interest not in excess of the amount permitted pursuant to "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as amended [30 ILCS 305/0.01 et seq.], as shall be fixed by the county board. Such bonds shall be sold upon competitive bids; and the county board may, if it is of the opinion that the bids are unsatisfactory, reject the same and re-advertise and solicit other bids. At the time or before issuing any such bonds, the county board shall adopt a resolution fixing the details of such bonds and providing for the levy of a direct annual tax to pay the principal and interest on such bonds as the same become due. A register of all bonds so issued shall be kept in the office of the county clerk, and it shall be the duty of the county clerk to annually extend a tax upon all the taxable property of the county sufficient to pay the interest and principal on such bonds, as the same shall become due. Such tax shall not be subject to any limitation as to rate or amount. However, if it has been certified to the county clerk that funds from other sources have been allocated and set aside for the purpose of paying the principal or interest, or both, of such bonds, the county clerk shall, in extending the tax and fixing the rate of tax under this Section make proper allowance and reduction in such extension of tax and tax rate to the extent of the funds so certified to be available for the payment of such principal or interest, or both.

HISTORY:
P.A. 84-1325; 91-357, § 225.

605 ILCS 5/6-514 [Omission of the levy of taxes to pay debts; issuance of refunding bonds]

Whenever any county has elected to abandon township organization and the newly elected county board has created road districts as provided by law, and any township therein which has boundaries that were the same as the boundaries of a road district so created, has outstanding bonds for road purposes, and which bonds, or any part thereof, are past due and no funds are available to pay the same, then such county board may, upon the petition of the highway commissioner and road district clerk of such road district, omit the levy of taxes to pay such debts as contemplated by Section 25-25 of the Township Code [60 ILCS 1/25-25], provided such highway commissioner

and road district clerk shall proceed to authorize, issue and exchange, as contemplated by Sections 6-515 through 6-522 of this Article of this Code [605 ILCS 5/6-515 through 605 ILCS 5/6-522], refunding bonds for such past due road bonds of the township. When any such refunding bonds are proposed to be issued, a plan therefor shall be submitted to the county board and such refunding bonds shall not be issued unless such plan shall have been approved by such board.

If such refunding bonds shall not have been issued as contemplated by such plan within one year subsequent to the date of presentation of the plan to the board, then the county board shall cause taxes to be levied and extended against all of the taxable property situated within the territory which previously constituted such township in an amount sufficient to pay principal of and interest on such past due bonds. However, if the refunding bonds are issued, then the county board shall not levy taxes to pay such indebtedness, but the county clerk annually in manner and form provided by law shall cause taxes to be extended, and same shall be collected in amounts sufficient to pay such refunding bonds so issued by the highway commissioner and road district clerk as herein contemplated.

If such highway commissioner and road district clerk petition such board for authority to issue refunding bonds to take up and retire any bonds issued by such prior existing township which are not then due, such officers shall have authority to issue such refunding bonds if the county board shall find that it is for the best interests of such road district that same be issued. Such refunding bonds to take up and retire bonds not then due shall be issued pursuant to procedure similar to that herein provided for the issuance of refunding bonds to take up and retire past due bonds.

Nothing herein contained shall be construed to impair the obligation of outstanding township road bonds.

HISTORY:
P.A. 82-783; 88-670, § 3-78.

605 ILCS 5/6-515 [Refunding bonds; registration of principal and interest]

The highway commissioner and the road district clerk of any road district, without submitting the question to the electors thereof for approval, may authorize by resolution the issuance of refunding bonds (1) to refund its bonds prior to their maturity; (2) to refund its unpaid matured bonds; (3) to refund matured coupons evidencing interest upon its unpaid bonds; (4) to refund interest at the coupon rate upon its unpaid matured bonds that has accrued since the maturity of those bonds; and (5) to refund its bonds which by their terms are subject to redemption before maturity.

The refunding bonds may be made registerable as to principal and may bear interest at a rate not to exceed the maximum rate authorized by the Bond Authorization Act [30 ILCS 305/0.01 et seq.], as amended at the time of the making of the contract, payable at such time and place as may be provided in the bond resolution.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

HISTORY:
P.A. 86-4.

605 ILCS 5/6-516 [Resolution authorizing refunding bonds]

The resolution authorizing the refunding bonds shall prescribe all details thereof and shall provide for the levy and collection of a direct annual tax upon all the taxable property within the road district sufficient to pay the principal thereof and interest thereon as it matures. This tax shall be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the road district. Tax limitations applicable to the road district provided by other statutes of this State shall not apply to taxes levied for payment of these refunding bonds.

A certified copy of the bond resolution shall be filed with the county clerk of the county in which the road district or any portion thereof is situated, and shall constitute the authority for the extension and collection of refunding bond and interest taxes as required by the constitution.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-517 [Exchange of refunding bonds]

The refunding bonds may be exchanged for the bonds to be refunded on the basis of dollar for dollar for the par value of the bonds, interest coupons, and interest not represented by coupons, if any, or they may be sold at not less than their par value and accrued interest. The proceeds received from their sale shall be used to pay the bonds, interest coupons, and interest not represented by coupons, if any. This payment may be made without any prior appropriation therefor under any budget law.

Bonds and interest coupons which have been received in exchange or paid shall be cancelled and the obligation for interest, not represented by coupons, which has been discharged, shall be evidenced by a written acknowledgment of the exchange or payment thereof.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-518 [Form and denomination of refunding bonds; maturation]

The refunding bonds shall be of such form and denomination, payable at such place, bear such date, and be executed by such officials as may be provided by the highway commissioner and the road district clerk of the road district in the bond resolution. They shall mature within not to exceed 20 years from their date, and may be made callable on any interest payment date at par and accrued interest after notice has been given at the time and in the manner provided in the bond resolution.

If there is no default in payment of the principal of or interest upon the refunding bonds, and there is sufficient money on hand to set aside a sum of money equal to the amount of interest that will accrue on the refunding bonds, and a sum of money equal to the amount of principal that will become due thereon, within the next 6 months period, the treasurer of the road district shall use the money available from the proceeds of taxes levied for the payment of the refunding bonds in calling them for payment, if, by their terms, they are subject to redemption. However, a road district may provide in the bond resolution that, whenever the road district is not in default in payment of the principal of or interest upon the refunding bonds and has set aside the sums of money provided in this paragraph for interest accruing and principal maturing within the next 6 months period, the money available from the proceeds of taxes levied for the payment of refunding bonds shall be first used in the purchase of the refunding bonds at the lowest price obtainable, but not to exceed their par value and accrued interest, after sealed tenders for their purchase have been advertised for as may be directed by the corporate authorities thereof.

Refunding bonds called for payment and paid or purchased under this section shall be marked paid and cancelled.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-519 [Reduction of taxes to be extended for payment of the principal of and interest on the remainder of the issue]

Whenever any refunding bonds are purchased and cancelled, as provided in Section 6-518 [605 ILCS 5/6-518], the taxes thereafter to be extended for payment of the principal of and interest on the remainder of the issue shall be reduced in an amount equal to the principal of and the interest that would have thereafter accrued upon the refunding bonds so cancelled, if a resolution has been adopted by the highway commissioner and the road district clerk of the road district finding these facts and a certified copy of the resolution has been filed with the county clerk specified in Section 6-516 [605 ILCS 5/6-516].

Whenever refunding bonds are issued, proper reduction of taxes theretofore levied for the payment of the bonds refunded and next to be extended for collection, shall be made by the county clerk upon receipt of a certificate signed by the clerk of the road district, showing the bonds refunded and the tax to be abated.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-520 [Sinking fund account]

Money which becomes available from taxes that were levied for prior years for payment of bonds or interest coupons that were paid or refunded before those taxes were collected, after payment of all warrants that may have been issued in anticipation of these taxes, shall be placed in the sinking fund account provided in this section. It shall be used to purchase, call for payment, or to pay at maturity refunding bonds and interest thereon as herein provided.

Money received from the proceeds of taxes levied for the payment of the principal of and interest upon refunding bonds shall be deposited in a special fund of the road district, designated the "Refunding Bond and Interest Sinking Fund Account of ....". This fund shall be applied to the purchase or payment of refunding bonds and the interest thereon.

If the money in this fund is not immediately necessary for the payment of refunding bonds or if refunding bonds can not be purchased before maturity, then, under the direction of the highway commissioner and the road district clerk of the road district, the money may be invested by the treasurer of the road district in bonds or other interest bearing obligations of the United States or in bonds of the State of Illinois, the maturity date of which securities shall be prior to the due date of any issue of refunding bonds of the road district. The highway commissioner and the road district clerk may sell these securities whenever necessary to obtain cash to meet bond and interest payments.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-521 [Informing owners of unpaid bonds regarding the financial condition of the road district]

The highway commissioner and the road district clerk of a road district may take any action necessary to inform the owners of unpaid bonds regarding the

financial condition of the road district, the necessity of refunding its unpaid bonds and readjusting the maturities thereof in order that sufficient taxes may be collected to purchase or pay for the bonds. The highway commissioner and the road district clerk may enter into any agreement required to prepare and carry out any refunding plan and, without any previous appropriation therefor under any budget law, may incur and pay expenditures necessary in order to accomplish the refunding of the bonds of the road district.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-522 [Additional powers]

Sections 6-515 through 6-521 of this Code [605 ILCS 5/6-515 through 605 ILCS 5/6-521] shall apply to any road district other than a county unit road district, regardless of the law under which it is organized and operating, and shall constitute complete authority for issuing refunding bonds as herein provided without reference to other laws and shall be construed as conferring powers in addition to, but not as limiting powers granted under, other laws.

HISTORY:
Laws 1959, p. 196.

DIVISION 6.

GRAVEL, ROCK, MACADAM AND OTHER TOWNSHIP AND DISTRICT ROAD IMPROVEMENT BY SPECIAL TAX

605 ILCS 5/6-601 [Referendum for the purpose of constructing or maintaining gravel, rock, macadam or other hard roads]

(a) On the petition of 25 legal voters of any road district to the district clerk he shall order a referendum on the proposition for or against an annual tax not to exceed .167% of the value of the taxable property, as equalized or assessed by the Department of Revenue, for the purpose of constructing or maintaining gravel, rock, macadam or other hard roads, or for improving, maintaining or repairing earth roads by draining, grading, oil treating or dragging. Such petition shall state the location and route of the proposed road or roads, and shall also state the annual rate per cent not exceeding .167% of the value, as equalized or assessed by the Department of Revenue. The referendum shall be held at the next annual town meeting, at a special town meeting called for that purpose, or at an election in accordance with the general election law. If the referendum is ordered to be held at the town meeting, or at a special town meeting called for that purpose, the district clerk shall give notice that at the next annual town meeting or special town meeting the proposition shall be voted upon. Such notice shall set forth the proposition and shall be given by publication in a newspaper of general circulation in the township and by posting notices in at least 10 of the most public places in the town at least 10 days prior to the annual or special meeting. If the referendum is ordered to be held at an election, the district clerk shall certify that proposition to the proper election officials, who shall submit the proposition in accordance with the general election law.

The proposition shall be substantially in the following form:

Shall a special tax for road purposes be levied?	YES	
	NO	

(b) The preceding rate of .167% of the value of the taxable property, as equalized or assessed by the Department of Revenue, may be increased to .25% when authorized by a referendum held in accordance with the general election law.

HISTORY:
P.A. 86-710.

605 ILCS 5/6-602 [Annual tax]

If a majority of all the ballots cast at such election on such proposition are in favor of such special tax, then the township board of trustees or highway board of trustees, as the case may be, or the highway commissioner in a county not under township organization of the road district shall levy an annual tax in accordance with such vote and certify the same to the county clerk. This certification may occur at any time after the election. That board of trustees or commissioner shall also cause a copy of such certificate of levy to be filed in the office of the district clerk as provided in Section 6-502 of this Code [605 ILCS 5/6-502]. The county clerk shall cause such levy, thus certified to him to be extended on the tax books for the current year and for each succeeding year as other taxes are extended. The highway commissioner of the road district may also receive donations in money, labor, materials or other valuable things to aid in such road construction.

Such special tax levy shall remain in effect until repealed by the legal voters of the road district, as provided in Section 6-617 of this Code [605 ILCS 5/6-617].

HISTORY:
P.A. 82-783; 98-454, § 5.

605 ILCS 5/6-603 [Extension of special tax]

The county clerk, when making out the tax books for the State and county tax for the collector, shall in each year extend the special tax in separate columns against each taxpayer's name or taxable property in the district, as other taxes are extended, which shall

be collected the same as State and county taxes, and known as the permanent road fund of the district; provided that such special tax shall not be extended in any road district located in any county in which a county unit road district has been established after the effective date, as provided in Section 6-125 of this Code [605 ILCS 5/6-125], upon which the county takes over and becomes responsible for the construction, maintenance and repair of all county unit district roads in such county.

HISTORY:
P.A. 81-821.

605 ILCS 5/6-604 [Execution of a good and sufficient bond]

The treasurer of the district, before receiving any of such fund provided for in this Division of this Code, shall execute a good and sufficient bond, with two or more sureties, to be filed with the district clerk for the benefit of the district, in double the amount which will probably come into his hands by virtue of this Division of this Code if individuals act as sureties on such bond or in the amount only of such moneys if a surety company authorized to do business in this State acts as surety on such bonds.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-605 [Payment of tax to treasurer]

The tax, when collected shall be paid to such treasurer as fast as collected, except such rate per cent as shall be allowed for collecting the same and such tax shall be known and kept as the permanent road fund of the district.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-615 [Extension of roads]

Whenever a special tax shall have been levied under the provisions of this Division of this Code, the highway commissioner of any road district may, by agreement with the corporate authorities of any municipality of less than 20,000 population, extend any road improved under the provisions of this Division of this Code within or through the corporate limits of such municipality. The provisions of this Section shall also apply to any municipality of more than 20,000 population when a portion of such municipality lies within the road district and the population of such portion does not exceed 20,000. However, such extension within such municipality shall be of the same cost and kind of material as the road outside such municipality, to be paid for out of such special tax and after completion to be maintained by the corporate authorities of such municipality at the cost of such municipality.

HISTORY:
Laws 1959, p. 933.

605 ILCS 5/6-616 [Surplus funds]

All surplus funds remaining in the hands of the treasurer of the district after the completion of the construction of any road provided for under this Division of this Code, shall be turned over to the regular road fund of such road district except so much thereof as the highway commissioner may order retained for the purpose of repairing such permanent road.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-617 [Repeal of special tax]

To repeal the special tax, once levied, 25 legal voters of the road district shall petition the district clerk. Such petition shall contain a request for a referendum. The district clerk shall order a referendum on such proposition at the next annual town meeting, or at an election in accordance with the general election law. If the referendum is ordered to be held at the town meeting, the district clerk shall give notice that at the next annual town meeting the proposition shall be voted upon. Such notice shall set forth the proposition and shall be given by publication in a newspaper of general circulation in the township and by posting notices in at least 10 of the most public places in the town at least 10 days prior to the annual meeting. If the referendum is ordered to be held at an election, the district clerk shall certify that proposition to the proper election officials, who shall submit the proposition in accordance with the general election law.

Provided, that after a referendum is held in accordance with this Section, at least 12 months must elapse before another referendum may be held for the same purpose.

The question shall be substantially in the following form:

Shall the special tax for road purposes be repealed?	YES	
	NO	

If a majority of the vote cast on the question is in favor of such tax, then the township board of auditors or highway board of auditors, as the case may be, or the highway board of auditors in counties not under township organization, may levy an annual tax under the provisions of this Section.

HISTORY:
P.A. 82-11.

605 ILCS 5/6-620 Validation of certain levies

(a) Any road district tax that was authorized by the electors at an annual or special town meeting during the years 1975 through 1979 for a period not exceeding 5 years, but that was not re-authorized

within 5 years after it was authorized due to Public Acts 81-779, 81-821, and 81-1509, which repealed the 5-year limitation, is hereby validated for all tax levy years subsequent to 1980 only to the extent that the authority to tax did not automatically expire after 1980.

(b) Any road district tax that was levied prior to 1980 shall not be subject to the requirements of subsection (b) of Section 30-20 of the Township Code [60 ILCS 1/30-20] if that tax was or is:

(i) re-authorized by the electors at an annual or special town meeting after the year 1980; and

(ii) levied at least once during the 3-year period preceding the reauthorization.

HISTORY:
P.A. 94-692, § 10.

DIVISION 7.

USE OF MOTOR FUEL TAX FUNDS

605 ILCS 5/6-701 [Purpose]

Motor fuel tax funds allocated for use in road districts shall be used for one or more of the purposes stated in Sections 6-701.1 through 6-701.9 [605 ILCS 5/6-701.1 through 605 ILCS 5/6-701.9].

HISTORY:
P.A. 80-691.

605 ILCS 5/6-701.1 [Construction of township or district roads; construction of grade separations and approaches]

(a) The construction of any township or district road located within the road district.

(b) The construction of grade separations and approaches thereto which avoid or replace grade crossings at intersections of township or district roads and railroad tracks.

The highway commissioners of the several road districts, in cooperation with the county superintendent of highways of their respective counties, shall select the roads and grade separations to be constructed with motor fuel tax funds. In the selection of roads, preference shall be given to public school bus routes and rural free delivery mail routes. The county superintendent of highways, in cooperation with the respective highway commissioners, shall prepare, or cause to be prepared maps showing the roads and grade separations selected and shall prepare the necessary plans, specifications and estimates of cost of such construction, all of which shall be submitted to the Department for approval. The type of construction selected shall be adequate for present or reasonably anticipated traffic needs as determined by the county superintendent of highways and the respective highway commissioners and approved by the Department.

The construction provided for in this Section may be done by contract or day labor with county or road district equipment and forces as the county superintendent of highways and the respective highway commissioners may determine. Contracts shall be advertised for and let by the county board to the lowest responsible bidder subject to the approval of the highway commissioner and such contracts also shall be subject to approval by the Department. The construction work shall be carried on under the immediate supervision of the highway commissioner and under the general supervision of the county superintendent of highways and all work upon such projects shall be subject to approval by the Department.

In any county in which a county unit road district has been created the county superintendent of highways for such county shall perform all of the functions of a highway commissioner under this Section with respect to the district roads in such county.

HISTORY:
P.A. 77-1628.

605 ILCS 5/6-701.2 [Maintenance of township or district roads]

Maintenance of any township or district road as defined in Section 2-103 [605 ILCS 5/2-103] or any grade separation constructed as provided in Section 6-701.1 [605 ILCS 5/6-701.1], subject to the approval of the county superintendent of highways and the Department.

Maintenance work may be done with county or road district equipment or forces as the county superintendent of highways and the respective highway commissioners may determine. If any road or grade separation constructed in any road district as provided in this Section is not maintained in a manner satisfactory to the Department and the county, no further funds shall be expended in such road district until such road or grade separation is so maintained or provision for such maintenance is made.

HISTORY:
P.A. 78-819.

605 ILCS 5/6-701.3 [Payment of administration and engineering costs]

Payment of administration and engineering costs which the county superintendent of highways may incur, with the approval of the county board, to carry out his duties under the provisions of Sections 6-701.1, 6-701.2 or 6-701.4 of this Code [605 ILCS 5/6-701.1, 605 ILCS 5/6-701.2 or 605 ILCS 5/6-701.4]. The administration and engineering services may be paid out of any funds available in the county treasury, but not including motor fuel tax funds advanced to the county under the provisions of Sections 5-701.1 to 5-701.7, inclusive, of this Code [605 ILCS 5/5-701.1 to 605 ILCS 5/5-701.7], and reimbursement shall be

made either (1) on an actual cost basis of such administration and engineering services, or (2) on a fixed per cent of the construction or maintenance costs, such procedure and actual cost basis or per cent to be subject to approval by the Department.

HISTORY:
Laws 1959, p. 1189.

605 ILCS 5/6-701.4 [Payment of indebtedness]

With the approval of the Department, the payment of any indebtedness hereafter incurred in the construction of any road or grade separation selected under the provisions of Section 6-701.1 [605 ILCS 5/6-701.1] as a road or grade separation to be constructed under Section 6-701.1 and the payment of engineering costs incurred in connection therewith; but if the road district desires to use motor fuel tax funds for this purpose it shall follow the same procedure in expending moneys secured in the creation of the indebtedness as if the construction was to be paid for directly with motor fuel tax funds under the provisions of Section 6-701.1.

HISTORY:
P.A. 77-1628.

605 ILCS 5/6-701.5 [Turn over of money to a local Mass Transit District]

Any township may also turn over a portion of the money allotted to it to a local Mass Transit District if the township is a participating municipality in such District pursuant to the "Local Mass Transit District Act" [70 ILCS 3610/1 et seq.] enacted by the Seventy-first General Assembly.

HISTORY:
Laws 1959, p. 1801.

605 ILCS 5/6-701.6 [Payment of principal and interest on bonds]

With the approval of the Department of Transportation, the payment of the principal and interest on bonds issued for construction or improvement of township or district roads or grade separations located within the road district. If the road district desires to use motor fuel tax funds for this purpose it shall follow the same procedure in expending moneys secured in the creation of the indebtedness as if the construction or improvement was to be paid for directly with motor fuel tax funds under the provisions of Section 6-701.1 of this Code [605 ILCS 5/6-701.1].

HISTORY:
P.A. 78-255.

605 ILCS 5/6-701.7 [Bicycle route signs or surface markings]

The placement, erection and maintenance of signs or surface markings or both to indicate officially designated bicycle routes along township or district roads.

HISTORY:
P.A. 77-734.

605 ILCS 5/6-701.8 [Maintenance or improvement of nondedicated subdivision roads]

The formula allocation for township and road districts for the distribution of motor fuel tax funds, provided for in Section 8 in the "Motor Fuel Tax Law" [35 ILCS 505/8], may be used by the highway commissioner, subject to the conditions set out in Sections 6-301, 6-701.1 and 6-701.2 [605 ILCS 5/6-301, 605 ILCS 5/6-701.1 and 605 ILCS 5/6-701.2] as respects the methods, equipment and materials appropriate for such maintenance or improvement, and, in township counties, with the approval of the board of town trustees, for the maintenance or improvement of nondedicated subdivision roads established prior to July 23, 1959. Any such road improved becomes, by operation of law, a part of the township and district road system providing such road meets standards as established by the county. In township counties, the board of town trustees shall condition its approval, as required by this Section, upon proportional matching contributions, whether in cash, kind, services or otherwise, by property owners in the subdivision where such a road is situated. No more than the amount of the increase in allocation attributable to this amendatory Act of 1979 and any subsequent amendatory Act plus 50% of such funds otherwise allocated under the formula as provided in Section 8 in the "Motor Fuel Tax Law" [35 ILCS 505/8] and subsequently approved as provided in this Section, may be expended on eligible nondedicated subdivision roads. Funds may also be derived from other road district sources, not to exceed the amount that would be allocated under the motor fuel tax fund formula.

HISTORY:
P.A. 83-957; 92-800, § 5; 99-171, § 5.

605 ILCS 5/6-701.9 [Township's share of construction project]

The township's share of any project constructed under Section 3-104.3 of this Code [605 ILCS 5/3-104.3].

HISTORY:
P.A. 80-691.

605 ILCS 5/6-702 [Payment of money to counties]

Payment of money to each county by the Department of Transportation for the purposes stated in Sections 6-701.1 through 6-701.8 [605 ILCS 5/6-701.1 through 605 ILCS 5/6-701.8], shall be made as soon as possible after the allotment is made. Such money

shall be utilized by the county in accordance with the needs of the county in a manner satisfactory to the Department.

However, if any county, after having been given reasonable notice by the Department, fails to expend motor fuel tax funds in a manner satisfactory to the Department, no further payment of motor fuel tax funds shall be made to such county for construction or maintenance purposes until it corrects its unsatisfactory use of motor fuel tax funds.

HISTORY:
P.A. 78-1252; 78-1274.

DIVISION 8.

PROPERTY ACQUISITION AND DISPOSITION

605 ILCS 5/6-801 [Acquisition of property for construction, maintenance or operation of roads]

The highway commissioner may acquire any lands, rights or other property necessary for the construction, maintenance or operation of any township or district road or necessary for the locating, relocating, widening, altering, extending or straightening thereof, by purchase or gift or, if the compensation or damages cannot be agreed upon, by the exercise of the right of eminent domain under the eminent domain laws of this State. The highway commissioner shall not be required to furnish bond in any eminent domain proceeding.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-802 [Acquisition of property for ditches, drains or watercourses]

When the highway commissioner deems it necessary to build, widen, alter, relocate or straighten any ditch, drain or watercourse in order to drain or protect any road or road structure he is authorized to construct, maintain or operate, or when he deems it necessary to acquire materials for the construction, maintenance or operation of any such road, he may acquire the necessary property, or such interest or right therein as may be required, by gift or purchase or, if the compensation or damages cannot be agreed upon, by the exercise of the right of eminent domain under the eminent domain laws of this State. The highway commissioner shall not be required to furnish bond in any eminent domain proceeding.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-803 [Entering upon lands or waters of persons or corporations]

For the purpose of making surveys and the determination of the amount of property necessary to be taken or damaged in connection with any township or district road project, the highway commissioner, his agents or employees, after notice to the owner, may enter upon the lands or waters of any person or corporation, but subject to responsibility for all damages that may be occasioned thereby.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-803.1 Surplus public real estate

A road district may sell surplus real estate owned by the district as provided in this Section.

(a) In road districts in counties under township organization, at an annual or special township meeting the electors of the road district by resolution may authorize the sale of surplus public real estate owned by the road district. The value of the real estate shall be determined by a written MAI certified appraisal or by a written certified appraisal of a State certified or licensed real estate appraiser. The appraisal shall be available for public inspection. The resolution may direct the sale to be conducted by the highway commissioner or a person designated by the highway commissioner or by listing the real estate with local licensed real estate agencies (in which case the terms of the agent's compensation shall be included in the resolution). The resolution shall be published at the first opportunity following passage in a newspaper published in the road district or, if there is none, then in a newspaper published in the county in which the road district is located. The resolution shall also contain pertinent information concerning the size, use, and zoning of the real estate and the terms of sale. The highway commissioner may accept any contract proposal he determines to be in the best interest of the township, but in no event shall the real estate be sold at a price less than 80% of its appraised value.

(b) In road districts in counties not under township organization, the highway commissioner may sell surplus public real estate owned by the road district. The value of the real estate shall be determined by a written MAI certified appraisal or by a written certified appraisal of a State certified or licensed real estate appraiser. The appraisal shall be available for public inspection. The sale may be conducted by the highway commissioner or a person designated by the highway commissioner or by listing the real estate with local licensed real estate agencies. A notice of the highway commissioner's intent to sell the real estate shall be published at the first opportunity in a newspaper published in the road district or, if there is none, then in a newspaper published in the county in which the road district is located. The notice shall also contain pertinent information concerning the size, use, and zoning of the real estate and the terms of sale (including the terms of the real estate agent's compensation, if applicable). The highway commissioner may accept any contract proposal he determines to be in the best interest of

the road district, but in no event shall the real estate be sold at a price less than 80% of its appraised value.

HISTORY:
P.A. 87-1208, § 10.

605 ILCS 5/6-804 [Acquisition of property by county]

When in any county a county unit road district has been created, the county has the powers provided in Division 8 of Article 5 of this Code [605 ILCS 5/5-801 et seq.] to acquire property and rights therein for district road purposes.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/6-805 Township road districts

Township road districts may acquire the fee simple title, or any lesser interest the district desires, to any land, rights, or other property incidental to road district purposes by purchase or gift.

HISTORY:
P.A. 90-439, § 10.

DIVISION 9.

STATE FUNDING OF ROAD DISTRICT BRIDGES

605 ILCS 5/6-901 [Appropriation of annual funds]

Annually, the General Assembly shall appropriate to the Department of Transportation from the road fund, the general revenue fund, any other State funds or a combination of those funds, $15,000,000 for apportionment to counties for the use of road districts for the construction of bridges 20 feet or more in length, as provided in Sections 6-902 through 6-905 [605 ILCS 5/6-902 through 605 ILCS 5/6-905].

The Department of Transportation shall apportion among the several counties of this State for the use of road districts the amounts appropriated under this Section. The amount apportioned to a county shall be in the proportion which the total mileage of township or district roads in the county bears to the total mileage of all township and district roads in the State. Each county shall allocate to the several road districts in the county the funds so apportioned to the county. The allocation to road districts shall be made in the same manner and be subject to the same conditions and qualifications as are provided by Section 8 of the "Motor Fuel Tax Law", approved March 25, 1929, as amended [35 ILCS 505/8], with respect to the allocation to road districts of the amount allotted from the Motor Fuel Tax Fund for apportionment to counties for the use of road districts, but no allocation shall be made to any road district that has not levied taxes for road and bridge purposes and for bridge construction purposes at the maximum rates permitted by Sections 6-501, 6-508 and 6-512 of this Act [605 ILCS 5/6-501, 605 ILCS 5/6-508 and 605 ILCS 5/6-512], without referendum. "Road district" and "township or district road" have the meanings ascribed to those terms in this Act.

Road districts in counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law [35 ILCS 200/18-185 et seq.] that are made ineligible for receipt of this appropriation due to the imposition of a property tax extension limitation may become eligible if, at the time the property tax extension limitation was imposed, the road district was levying at the required rate and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. The road district also becomes eligible if it levies at or above the rate required for eligibility by Section 8 of the Motor Fuel Tax Law.

The amounts apportioned under this Section for allocation to road districts may be used only for bridge construction as provided in this Division. So much of those amounts as are not obligated under Sections 6-902 through 6-904 [605 ILCS 5/6-902 through 605 ILCS 5/6-904] and for which local funds have not been committed under Section 6-905 [605 ILCS 5/6-905] within 48 months of the date when such apportionment is made lapses and shall not be paid to the county treasurer for distribution to road districts.

HISTORY:
P.A. 81-1377; 90-110, § 10; 96-366, § 5.

605 ILCS 5/6-902 [Selection of bridges to be constructed]

The highway commissioners of the several road districts, in cooperation with the county superintendent of highways of their respective counties, shall select the bridges to be constructed with moneys allocated under Section 6-901 [605 ILCS 5/6-901]. In the selection of bridges, the highest priority shall be given to the safe and expeditious transportation of school pupils. The second priority shall be the movement of agricultural equipment and products; the third priority shall be given rural free delivery mail routes; and, the fourth priority shall be meeting the anticipated traffic needs of the general public. The county superintendent of highways, in cooperation with the respective highway commissioners, shall prepare, or cause to be prepared maps showing the bridges selected and shall prepare or cause to be prepared the necessary plans, specifications and estimates of cost of such construction, all of which shall be submitted to the Department for approval. The type of construction selected shall be adequate for present or reasonably anticipated traffic needs as determined by the county superintendent of highways and the respective highway commissioners and approved by the Department.

HISTORY:
P.A. 79-1491.

605 ILCS 5/6-903 [Payment of indebtedness]

With the approval of the Department, a road district may use funds allocated under Section 6-901 [605 ILCS 5/6-901] for the payment of any indebtedness incurred after the effective date of this amendatory Act of 1976, in the construction of any bridge selected under Section 6-902 [605 ILCS 5/6-902] as a bridge to be constructed under Section 6-902 and the payment of engineering costs incurred in connection therewith; but if the road district desires to use such allocated funds for this purpose it shall follow the same procedure in expending moneys secured in the creation of the indebtedness as if the construction was to be paid for directly with funds under Section 6-902.

HISTORY:
P.A. 79-1491.

605 ILCS 5/6-904 [Notice]

The Department of Transportation shall notify the county superintendent of highways of each county of the apportionment and allotment under Section 6-901 [605 ILCS 5/6-901] for the purposes stated in Sections 6-901, 6-902 and 6-903 [605 ILCS 5/6-901, 605 ILCS 5/6-902 and 605 ILCS 5/6-903] as soon as possible after the allotment is made. Any payment made pursuant to such apportionment may be utilized by the county in accordance with the needs of the county in a manner satisfactory to the Department. However, if any county, after having been given reasonable notice by the Department, fails to expend such funds in a manner satisfactory to the Department, no further payment of such funds shall be made to such county for bridge construction purposes until it corrects its unsatisfactory use of such funds.

HISTORY:
P.A. 79-1491.

605 ILCS 5/6-905 [Local funds]

The amount of grant for an approved road district project shall require at least $1 of local funds committed to the project for each $4 that may be allocated under Section 6-901 [605 ILCS 5/6-901].

HISTORY:
P.A. 81-1509.

605 ILCS 5/6-906 [Apportioned funds to be paid to the county treasurer]

So much of the amount apportioned to a county under Section 6-901 [605 ILCS 5/6-901] that is obligated under Sections 6-902 through 6-904 [605 ILCS 5/6-902 through 605 ILCS 5/6-904] and for which local funds have been committed under Section 6-905 [605 ILCS 5/6-905], within 4 years from the date the apportionment is made, shall, upon certification by the Department, be paid to the county treasurer, who shall apply those funds to the payment of such obligations. Any funds allocated to a county under Section 6-901 that are not obligated within 48 months under Sections 6-902 through 6-904 shall revert to the Road Fund.

MUNICIPAL ADMINISTRATION OF STREETS

Division 1. General Powers

Section

Division 2. Use of Motor Fuel Tax Funds

Division 3. Planning and Programming

DIVISION 1.

GENERAL POWERS

605 ILCS 5/7-101 [Construction of streets and alleys]

Streets and alleys, including bridges and other structures, which are or will become part of the municipal street system may be laid out, established, constructed, reconstructed, altered, widened, relocated, improved, maintained, repaired and vacated by the respective municipalities in the manner provided in the Illinois Municipal Code, as heretofore or hereafter amended [65 ILCS 5/1-1-1 et seq.]; provided that the Department and counties may locate and extend State and county highways into or through a municipality in the manner provided in this Code. In addition to the powers granted to municipalities by the Illinois Municipal Code, municipalities have powers granted and duties imposed by this Code.

HISTORY:
Laws 1961, p. 1415.

DIVISION 2.

USE OF MOTOR FUEL TAX FUNDS

605 ILCS 5/7-202 [Purposes]

Motor fuel tax funds allotted to the several municipalities shall be used for one or more of the purposes stated in Sections 7-202.1 through 7-202.22 [605 ILCS 5/7-202.1 through 605 ILCS 5/702.22].

HISTORY:
P.A. 85-1010.

605 ILCS 5/7-202.1 [State or federal secondary highways]

The construction and maintenance of State highways in the municipality, or the maintenance of federal secondary highways.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/7-202.1a [County highways]

The construction and maintenance of county highways and county highway extensions in the municipality.

HISTORY:
Laws 1965, p. 427.

605 ILCS 5/7-202.1b [Municipal streets]

Construction and maintenance of any municipal street designated as a part of the federal aid primary, or the federal aid urban system of streets within the municipality.

HISTORY:
P.A. 85-1010.

605 ILCS 5/7-202.1c [Non-arterial residential streets]

Twenty-five percent of all funds received pursuant to the Motor Fuel Tax Law [35 ILCS 505/1 et seq.] by municipalities over 500,000 population shall be expended only for the reconstruction, maintenance, repair or improvement of non-arterial residential streets.

HISTORY:
P.A. 83-1363.

605 ILCS 5/7-202.2 [Municipal streets and alleys]

The construction and maintenance of municipal streets and alleys as may be designated by the corporate authorities and approved by the Department.

P.A. 78-1274.

605 ILCS 5/7-202.3 [Extensions of municipal streets outside corporate limits]

The construction and maintenance of extensions of municipal streets outside the corporate limits of the municipality, including parts of such streets that extend into another municipality if such construction and maintenance is done pursuant to an agreement between the municipalities.

HISTORY:
P.A. 78-1252; 78-1274.

605 ILCS 5/7-202.4 [Extensions of municipal streets within corporate limits]

The construction and maintenance of extensions of municipal streets within the corporate limits of any park district whose territorial limits are coterminous with the territorial limits of the municipality.

HISTORY:
P.A. 76-371.

605 ILCS 5/7-202.5 [Traffic control signals; school crossing signals]

The construction or maintenance, or both, on municipal streets on which such construction is authorized by law, of:

(a) Official traffic control signals, or

(b) Permanently mounted school crossing signals meeting the warrants and conforming to the specifications contained in the Manual authorized

by Section 11-301 of The Illinois Vehicle Code [625 ILCS 5/11-301].

HISTORY:
P.A. 76-2257.

605 ILCS 5/7-202.6 [Street lighting systems]

The construction, reconstruction, maintenance and operation of street lighting systems on improved municipal streets, county highways or State highways and streets or thoroughfares constructed and paid for by special assessments levied under Division 2 of Article 9 of the Illinois Municipal Code, as heretofore or hereafter amended [65 ILCS 5/9-2-1 et seq.], within the municipality, where such improvement has been authorized by the Department.

HISTORY:
P.A. 79-418.

605 ILCS 5/7-202.7 Construction or maintenance of storm sewers — Municipal streets — County highways — State highways

The construction or maintenance of storm sewers and appurtenances thereto, or combination storm and sanitary sewers and appurtenances thereto where legally authorized, on municipal streets, county highways or State highways, within the municipality or outside the municipality to the nearest suitable drainage course.

HISTORY:
P.A. 79-539.

605 ILCS 5/7-202.8 [Pedestrian subways; over head crossings]

The construction, reconstruction and maintenance of pedestrian subways or over head crossings under or over municipal streets, county highways or State highways in the municipality; provided the Department finds that traffic conditions warrant such construction, reconstruction or maintenance.

HISTORY:
P.A. 76-371.

605 ILCS 5/7-202.10 [Payment for projects on federal aid highways]

The payment of the municipality's share, not to exceed 50%, of the cost of any federal aid transportation project either now existing or hereafter established within the corporate limits of the municipality, which payments shall be used to match funds allotted to the State for the construction of those federal aid transportation projects.

HISTORY:
Laws 1959, p. 196; P.A. 88-580, § 5.

605 ILCS 5/7-202.11 [Payments for investigations]

The payment for investigations requisite to determine the reasonably anticipated need for any of the work described in this Division. Such investigations may include, but shall not be limited to, the making of traffic surveys, the study of transportation facilities, research concerning the development of the several areas within the municipality and contiguous territory as affected by growth and changes in population and economic activity and the collection and review of data relating to all factors affecting the judicious planning of construction, reconstruction, improvement and maintenance of highways. The investigations for which any such payments are made may also be conducted in cooperation with other municipalities, counties, the State of Illinois, the United States, other states of the United States, agencies of any such governments or other persons in pursuance of agreements to share the costs thereof and authority to enter into such agreements is hereby conferred upon municipalities.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/7-202.12 [Payments of engineering costs]

The payment of engineering costs in connection with all work described in this Division of this Code. The municipality may contract for such services with any Professional Engineer.

HISTORY:
P.A. 77-1371.

605 ILCS 5/7-202.13 [Municipal indebtedness]

The payment of any municipal indebtedness which has been or may be incurred in the completion of any improvement or maintenance described in this Division, or in the payment of engineering costs in connection therewith.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/7-202.14 [Municipal allotment to local transit authorities]

Any municipality may by ordinance of the corporate authorities turn over a portion of its allotment to:

(a) a local Mass Transit District if the municipality created such a District pursuant to the "Local Mass Transit District Act", approved July 21, 1959, as now or hereafter amended [70 ILCS 3610/1 et seq.];

(b) a local Transit Commission if the municipality established such commission pursuant to Section 14-101 of The Public Utilities Act [220 ILCS 5/14-101]; or

(c) the Chicago Transit Authority established pursuant to the "Metropolitan Transit Authority Act", approved April 12, 1945, as now or hereafter amended [70 ILCS 3605/1 et seq.].

HISTORY:
P.A. 85-1209.

605 ILCS 5/7-202.15 [Sidewalk maintenance]

The construction, maintenance, or repair of sidewalks or other pedestrian paths located within the right of way of any street in the municipality.

HISTORY:
Laws 1961, p. 3663; P.A. 88-580, § 5.

605 ILCS 5/7-202.16 [Engineering studies; bond proceeds]

The payment for engineering studies for and studies to determine the feasibility of constructing a toll bridge to cross a river within this State or forming a border between this and another State. If bonds are issued for construction of such a toll bridge, however, the proceeds from the sale of those bonds shall first be applied to return to the motor fuel tax funds the amount of the payment made under this Section.

HISTORY:
Laws 1967, p. 393.

605 ILCS 5/7-202.17 [Off street parking; parking lot revenue]

Any municipality may also by ordinance use motor fuel tax funds to acquire property for the purpose of providing off street parking and to construct and maintain such parking areas. Any revenue derived from the use of those parking lots shall, however, be used to maintain those lots before motor fuel tax funds may be used for such maintenance. Any surplus funds received from parking lots may also be used to acquire, construct and maintain additional parking areas as needed. Surplus funds not needed for these purposes shall be used to reimburse the motor fuel tax account for funds originally advanced.

HISTORY:
Laws 1968, p. 408.

605 ILCS 5/7-202.18 [Principal and interest on highway bonds]

The payment of the principal and interest on bonds issued for construction or improvement of highways within the municipality.

HISTORY:
P.A. 78-255.

605 ILCS 5/7-202.19 [Motor vehicle safety inspection lanes]

Any municipality may also by ordinance use motor fuel tax funds for operation and maintenance of motor vehicle safety inspection lanes, when such lanes are of a permanent nature and in operation on a regular basis throughout the year.

HISTORY:
P.A. 76-2258.

605 ILCS 5/7-202.20 [Signs and surface markings for bicycle routes]

Any municipality may also by ordinance use motor fuel tax funds to place, erect, and maintain signs or surface markings or both to indicate officially designated bicycle routes along streets within the municipality. In addition, a municipality may use motor fuel tax funds for the construction and maintenance of bicycle paths, lanes, or bicycle parking facilities within the municipality.

HISTORY:
P.A. 77-734; 88-580, § 5.

605 ILCS 5/7-202.21 [Grade separations and approaches]

The construction and maintenance of grade separations and approaches thereto which replace or avoid grade crossings at intersections of municipal streets and railroad tracks.

HISTORY:
P.A. 77-1849.

605 ILCS 5/7-202.21a [Nondedicated subdivision roads established prior to July 23, 1959]

The formula allocation for municipalities for the distribution of motor fuel tax funds, provided for in Section 8 in the "Motor Fuel Tax Law" [35 ILCS 505/8], may be used by the municipal authority for the maintenance or improvement of nondedicated subdivision roads established prior to July 23, 1959. Any such improved road becomes, by operation of law, a part of the municipal street system of such municipality. The municipal authority shall condition its approval, as required by this Section, upon proportional matching contributions, whether in cash, kind, services or otherwise, by property owners in the subdivision where such a road is situated. No more than the amount of the increase in allocation of such funds allocated under the formula as provided in Section 8 in the "Motor Fuel Tax Law" which is attributable to this amendatory Act and any subsequent amendatory Act and subsequently approved as provided in this Section may be expended on eligible nondedicated subdivision roads.

HISTORY:
P.A. 86-447.

605 ILCS 5/7-202.22 [Increase in motor fuel tax funds allocated for unimproved or partially improved nonarterial residential streets]

If the formula for the distribution of motor fuel tax

funds, provided for in Section 8 of the "Motor Fuel Tax Law", approved March 25, 1929, as amended [35 ILCS 505/8], is changed from that in effect on January 1, 1974, so that the percentage allocated for use in municipalities is increased, the amount of any such increase received by a municipality having 500,000 or more inhabitants shall be expended only for the construction, reconstruction, or improvement of unimproved or partially improved nonarterial residential streets.

HISTORY:
P.A. 78-1252.

605 ILCS 5/7-203 [Specific ordinances or resolutions on use of motor fuel tax funds; construction ordinances; bids; contracts]

The corporate authorities of the municipality shall from time to time pass ordinances or resolutions stating specifically the purpose or purposes for which motor fuel tax funds shall be used and such ordinances or resolutions shall be subject to the approval of the Department.

In case motor fuel tax funds are to be used for construction, the ordinance or resolution shall specify the location, type or types, length and width of the proposed construction and the portion of the construction for which these funds are to be used, which portion, subject to the approval of the Department, may be part or all as the municipality may elect. Such construction shall be either with or without continuous grade separation, and of such type and not to exceed such width as is required, in the judgment of the municipality and the Department, to care for traffic and parking needs. When the ordinance or resolution has been approved by the Department, the municipality may cause surveys, plans, specifications and estimates of such construction to be made and submitted to the Department for approval.

Whenever the corporate authorities or a municipality determine that any construction consisting of paving, repaving, altering, opening, widening or otherwise improving any such streets or State highways shall be performed and that a portion of the cost thereof shall be raised by the assessment of property specially benefited, the construction shall be performed pursuant to Division 2 of Article 9 of the Illinois Municipal Code [65 ILCS 5/9-2-1 et seq.], as now or hereafter amended; provided that, as between 2 State highway projects or between 2 municipal street projects or between any other 2 projects of the same designation, so far as practicable, priority in the allocation of motor fuel tax funds received from the State shall be given the project for which a portion of the cost is to be raised by assessment of property specially benefited.

The municipality may advertise for bids and let contracts for all construction to the lowest responsible bidder; or, with the approval of the Department, may do the work itself through its officers, agents and employees. No contract shall be let without the approval of the Department, nor shall bids be advertised for until the surveys, plans, specifications and estimates have been approved by the Department. All work shall be performed in accordance with the approved ordinances or resolutions, plans, specifications, and contracts, as the case may be, and the Department shall inspect the work to such degree as may be necessary to insure compliance with this provision.

HISTORY:
P.A. 77-1371.

605 ILCS 5/7-203.1 [Motor fuel tax highway program; submission to Department; advertisement for bids; special assessments]

The corporate authorities of the municipality may adopt ordinances or resolutions outlining a motor fuel tax highway program for the ensuing year which shall include all proposed uses of motor fuel tax funds by the municipality for the purposes permitted in Section 7-202 [605 ILCS 5/7-202], in a format established by the Department in cooperation with the municipalities.

The program shall be submitted by the municipality to the Department. The uses of motor fuel tax funds as listed in the program are subject to the approval of the Department. The program may be amended from time to time by the corporate authorities of the municipality by ordinance or resolution which shall be submitted to the Department.

The municipality, with the approval of the Department, may do the work itself through its officers, agents, and employees. No advertisement to receive construction contract bids shall be made until surveys, plans, and estimates have been approved by the Department except as provided in Section 7-203.2 [605 ILCS 5/7-203.2].

Whenever the corporate authorities of a municipality determine that any construction consisting of paving, repaving, altering, opening, widening or otherwise improving any such streets or State highways shall be performed and that a portion of the cost thereof shall be raised by the assessment of property specially benefited, the construction shall be performed pursuant to Division 2 of Article 9 of the Illinois Municipal Code [65 ILCS 5/9-2-1 et seq.], as now or hereafter amended. However, as between 2 State highway projects or between 2 municipal street projects or between any other 2 projects of the same designation, so far as practicable, priority in the allocation of motor fuel tax funds received from the State shall be given the project for which a portion of the cost is to be raised by assessment of property specially benefited.

HISTORY:
P.A. 77-1371.

605 ILCS 5/7-203.2 [Municipal authority to construct and maintain streets or highways; agreement of understanding]

The municipality shall also have the authority upon the Department satisfying itself that (1) the municipality has complied with the requirements of Section 7-301 [605 ILCS 5/7-301], and (2) has appointed a full time city or public engineer and (3) that the city or public engineer's office in the municipality is adequately organized, staffed, equipped and financed to discharge satisfactorily the duties and requirements of this Section to construct and maintain streets or highways or sections of highways when such projects are financed, in whole or in part, with any motor fuel tax street or road funds received from the State except Federal-aid funds, without the approval and supervision of the Department, provided the municipality enters into an agreement of understanding with the Department. The Department, in cooperation with the municipality, shall establish the terms of the agreement of understanding to assure that the funds are expended within the intent of the law and under the rules and regulations deemed necessary by the Department. The approval and supervision of the Department may be required anew if the Department deems that the municipality, which was exempted from such supervision and approval, has not satisfactorily complied with the terms of the agreement of understanding.

HISTORY:
P.A. 77-1371.

605 ILCS 5/7-204 [Payment of motor fuel tax funds to the municipality; unsatisfactory use of funds]

Payment of motor fuel tax funds by the Department of Transportation to the municipality for the purposes stated in Sections 7-202.1 through 7-202.22 [605 ILCS 5/7-202.1 through 605 ILCS 5/7-202.22] shall be made as soon as possible after the allotment is made. Such money shall be utilized by the municipality in accordance with the needs of the municipality in a manner satisfactory to the Department.

However, if any municipality, after having been given reasonable notice by the Department fails to expend motor fuel tax funds in a manner satisfactory to the Department or fails to have construction contracts approved by the Department, no further payment of motor fuel tax funds shall be made to such municipality for construction or maintenance purposes until it corrects its unsatisfactory use of motor fuel tax funds or secures approval of construction contracts by the Department.

HISTORY:
P.A. 85-1010.

DIVISION 3.

PLANNING AND PROGRAMMING

605 ILCS 5/7-301 [20 year long-range highway transportation plan; filing]

In order to properly plan the utilization of motor fuel tax funds each municipality of over 5,000 population, but less than 1,000,000 population, shall be required to develop and update a long-range highway transportation plan for a period not to exceed 20 years. The plan shall contain an estimate of revenues which will become available during that period and a statement of intention with respect to the construction, maintenance, and other related work to be done insofar as it is possible to make such estimates. In addition, the long-range plan shall show the location of existing municipal streets and the general corridors of future highways, the projected future traffic usage on each street for the duration of the plan, a tabulation showing the design standards and the geometric features associated with different levels of traffic usage, and a listing of the major improvements anticipated with the plan. A copy of the plan shall be made publicly available. The initial plan shall be on file with the designated agencies by July 1, 1971 and shall be updated and made publicly available on an annual basis thereafter.

HISTORY:
P.A. 77-173; 2017 P.A. 100-476, § 5, effective June 1, 2018.

ARTICLE 8.

FREEWAYS

Section

605 ILCS 5/8-101 [Designation and establishment]

The Department, the county board of any county, or the corporate authorities of any municipality are hereby authorized, when the safety and convenience of highway traffic will be promoted and the public interest subserved thereby, to designate and establish any existing or proposed highway under each of

their respective jurisdiction and control and for the maintenance of which any one of which aforesaid governmental authorities is or will be wholly responsible as a freeway, and to plan, locate, relocate, construct, reconstruct, maintain, alter, improve, vacate and regulate the use of such freeway in the same manner as they now are or hereafter may be authorized by law relating to highways under their respective jurisdiction and control. The Department, the county board of any county, or the corporate authorities of any municipality are further authorized to include in the foregoing freeway designation such related portions of intersecting highways, roads, streets and other public ways not under their jurisdiction and control and for the maintenance of which they are not wholly responsible, as require such designation to promote the safety and convenience of highway traffic.

HISTORY:
Laws 1965, p. 978.

605 ILCS 5/8-102 [Ingress and egress from abutting land; extinguishment of existing rights]

When an existing highway has been designated and established as a freeway as provided in this Article, no owner of or person having interest in land abutting such freeway shall lay out, provide or construct any new means or enlarge or extend any existing means of ingress to or egress from said abutting land from or to the freeway except upon written consent of the Department, any county board or the corporate authorities of any municipality, as the case may be, and the Department, county board, or the corporate authorities of any municipality, as the case may be, shall have full authority to deny their respective consent or to specify and enforce the terms and conditions under which new means of ingress or egress may be provided or existing means enlarged or extended. The Department, the county board, or the corporate authorities of any municipality, as the case may be, shall also have authority to extinguish by purchase or condemnation any existing rights or easements of access, crossing, light, air or view to, from or over the freeway vested in abutting land, in the same manner as the Department, county board, or corporate authorities of any municipality now is or hereafter may be authorized by law to acquire private property and property rights in connection with highways under their respective jurisdiction and control.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/8-103 [Acquisition of property and property rights by purchase or condemnation]

When a proposed highway is designated and established as a freeway as provided in this Article, the Department, the county board, or the corporate authorities of any municipality shall have the right to acquire by purchase or condemnation, in the manner the Department, county board, or corporate authorities of any municipality now is or hereafter may be authorized by law, all property and property rights necessary for the location, construction, maintenance and use of such freeway, including any rights or easements of access, crossing, light, air or view to, from or over the freeway vested in property not so taken and abutting the freeway. However, the Department, county board, or corporate authorities of any municipality, as the case may be, may designate by agreement or stipulation points at which access will be permitted from the abutting property to the freeway and specify and enforce the terms and conditions thereof.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/8-104 [Restricted easements for severed tracts]

Whenever property held under one ownership is severed by a freeway, the Department, the county board, or the corporate authorities of any municipality, as the case may be, may grant a limited or restricted easement permitting crossing of the freeway at a designated location and under specified terms and conditions to be used solely for passage from one severed tract to the other. If such severed tracts at any time cease to be held under one ownership, the Department, county board, or corporate authorities of any municipality, as the case may be, may terminate and revoke such easement.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/8-105 [Local service drives]

In connection with the development of any freeway, the Department, the county board, or the corporate authorities of any municipality, as the case may be, is authorized, when traffic conditions justify, to lay out and construct local service drives or to designate existing highways or streets as local service drives to provide access to the freeway from adjacent areas at entrances provided for that purpose by the Department, county board, or the corporate authorities of any municipality or to provide access to any existing highway, road, street, alley or other public way from adjacent areas. Such local service drives shall be of appropriate design and construction and shall be separated from the freeway by parkways, curbs or other effective devices.

HISTORY:
Laws 1965, p. 2825.

605 ILCS 5/8-106 [Relocation of crossings or junctions at grade; elimination of crossings or junctions at grade]

When as a result of an engineering and traffic

study it is determined that it is necessary to traffic safety and convenience, the Department, or county board of any county may:

(a) Relocate the crossing or junction at grade of the freeway with any existing highway, road, street, alley or other public way or eliminate such crossing or junction at grade by carrying such public way over or under the freeway or by connecting it to a local service drive and may relocate or alter any such intersecting public ways in such manner as is necessary thereto. The Department, or county board, shall have the right to acquire by purchase or condemnation, in the manner the Department or county board now is, or hereafter may be authorized by law, all property and property rights necessary for such relocations and grade separations. The Department, and the county board is authorized to maintain, or to enter into maintenance agreements with the agencies having jurisdiction over the public ways prior to said relocation, for the public ways so relocated; or

(b) Eliminate the crossing or junction at grade of the freeway with any existing highway, road, street, alley or other public way by closing such public way at its intersection with the boundary of the freeway subject to the following conditions:

(1) Where the freeway is not a part of the National System of Interstate and Defense Highways or is not a highway where the authority to control access has been exercised to permit access only at certain selected public roads, by agreement with the county, road district, municipality or other authority having jurisdiction over the public way to be closed; or

(2) Where the freeway is a part of the National System of Interstate and Defense Highways or is a highway where the authority to control access has been exercised to permit access only at certain selected public roads, the Department and county board may close such public way, but only after holding a public hearing, in the county where the crossing or junction at grade is situated, at which hearing the needs of local traffic and the effect of such closing on other highways in the locality shall be considered. Such hearing shall be held prior to the preparation of final construction plans, but only after reasonable notice has been given, and shall be conducted in accordance with rules and regulations prescribed by the Department. No crossings shall be eliminated which shall unduly discommode or interfere with local traffic, or will destroy reasonable access to schools, churches, markets, trade or community centers, and all crossings not eliminated shall be grade separated with the through traffic lanes of the interstate highway or the highway where the authority to control access has been exercised to permit access only at certain selected public roads. If the closing of a public way, as herein provided, makes it necessary to construct a new or additional highway connection to serve the public need, the Department and county board shall construct such connection. When property is damaged by the closing of any public way, the damage shall be ascertained and paid as provided by law.

HISTORY:
P.A. 76-181.

605 ILCS 5/8-107 [Department consent required for new highways affecting freeways]

No new highway or other public way shall be opened into or connect with or be carried over or under any freeway until and unless the Department, the county board, or the corporate authorities of any municipality, as the case may be, consents thereto in writing, and the Department, county board, or the corporate authorities of any municipality, as the case may be, may give or withhold their respective consent or fix such terms and conditions as will best subserve the public interest.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/8-107.1 [Telephone service establishment permits]

Subject to regulations prescribed by the Department, county board, or the corporate authorities of any municipality, as the case may be, such highway authority may issue permits to a telephone company for the establishment of telephone service within the rights-of-way of fully controlled access highways at points where proper access to and from the main traveled lanes has been established, and where such facilities are necessary to the safety and welfare of the highway users.

HISTORY:
Laws 1959, p. 1799.

605 ILCS 5/8-108 [Effect of this Code on previously existing freeways]

Any highway which prior to the effective date of this Code was a freeway shall continue to be a freeway under the provisions of this Article.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/8-109 [Effect of this Article on Department, county board and municipal corporate authority powers]

The provisions of this Article are cumulative and shall be considered as conferring additional powers on the Department, the county board of any county, or the corporate authorities of any municipality and

not as limitations upon powers now exercised by the Department, county board, or corporate authorities of any municipality with respect to highways under their respective jurisdiction and control.

HISTORY:
Laws 1959, p. 196.

ARTICLE 9.

GENERAL HIGHWAY PROVISIONS

Section

605 ILCS 5/9-101 [Cooperative agreements among governmental agencies; use of funds]

Nothing in this Code shall prevent the execution of cooperative agreements among governmental agencies.

Any municipality may negotiate an agreement with the Department whereby the municipality may use such funds as are available to it for that purpose for the construction or maintenance of a State highway within its boundaries or with the corporate authority of a county or road district for the construction or maintenance of a highway on the county highway system or township or district road system outside of its municipal boundaries.

The county board may negotiate an agreement with the Department whereby the county may use such funds as are available to it for that purpose for the construction or maintenance of a highway on the State highway system or with a municipality for the construction or maintenance of streets on the municipal street system of such municipality.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/9-101.1 [Construction or improvement of drainage structures]

Whenever the proper highway authority is about to construct or improve the drainage structures of a State highway, county highways, or county unit district road, the highway authority shall meet and consult with the authorities of any municipality adjacent to or through which such highway or road runs. The purpose of such meetings is to work out an agreement with such municipality and all other interested agencies and units of local government as to the extent of such drainage construction or improvement.

If a county or State highway, in a county of under 1,000,000 population, adjoins a parcel of land proposed to be subdivided, the subdivider of the parcel shall notify the proper highway authority in writing of the proposed subdivision and provide the proper local authority that would approve the subdivision a copy of the notice. The notice shall request of the proper highway authority its need to have provided, at the cost of the highway authority or as otherwise provided by law, additional capacity in any stormwater detention facility to be constructed in the subdi-

vision for the future availability of the highway authority for meeting the stormwater detention requirements of any future public construction on the highway. The highway authority shall within 30 days of receipt of the written notice provide written information to the proper local authority relative to the request. The parties may then work out by agreement the extent of the inclusion of those stormwater detention needs, if any, in the subdivision. The proper highway authority may provide to the subdivider any funds generally available for highway construction to provide for the highway authority's proportionate share of the design of the stormwater detention and the proportionate share of the cost of the property required for the stormwater detention including the impact of density changes on said parcel as the parties may agree within 60 days of the reply to the notice issued by the highway authority. In the event that the parties are not able to reach agreement within the 60 days the parcel may be subdivided as may be approved by the proper local authority without the inclusion of said stormwater detention needs identified by the highway authority.

HISTORY:
P.A. 77-718; 88-79, § 5.

605 ILCS 5/9-101.5 Standardized electronic toll collection systems

The General Assembly finds that electronic toll collection systems in Illinois should be standardized to promote safety, efficiency, and traveler convenience. The Department shall cooperate with the Illinois State Toll Highway Authority and with other public and private entities to further the goal of standardized toll collection in Illinois. If electronic toll collection is used on any highway constructed or maintained by the Department or by a private entity pursuant to an agreement with the Department, the Department shall require the electronic toll collection system to be compatible with the electronic toll collection system used by the Illinois State Toll Highway Authority. The Department may enter into an intergovernmental agreement with the Illinois State Toll Highway Authority to provide for such compatibility or to have the Authority provide electronic toll collection or toll violation enforcement services.

HISTORY:
P.A. 97-252, § 5.

605 ILCS 5/9-102 [Traffic control during highway construction and repair; use of signs and barriers]

The proper highway authorities are authorized to keep vehicles of every kind off the public highways where necessary to properly construct or repair the same.

Whenever any public highway including any bridge or culvert thereon is being constructed or repaired, the highway authorities having such work in charge shall, when they deem it necessary, erect or cause to be erected at such points as they deem desirable, suitable barriers, with signs thereon, stating that such highway is closed.

Such authorities shall also erect or cause to be erected at such places as they deem best, detour signs directing travel around such construction or repair work.

Such signs and barricades shall conform to the Manual of Uniform Traffic Control Devices adopted by the Department.

HISTORY:
Laws 1961, p. 3509; P.A. 90-513, § 2.

605 ILCS 5/9-103 Removal or possession of control device or sign; penalty

Whenever a highway has been closed as provided in Section 9-102 [605 ILCS 5/9-102] or wherever traffic control devices or signs have been erected on any public highway as provided under this Code it is unlawful for any person to remove or knowingly possess any such barrier, traffic control device or sign, or to deface or injure the same, or to walk, ride or drive upon any part of such highway so closed, except such persons as are duly authorized to do so.

Whoever knowingly violates the provisions of this Section shall be guilty of a Class A misdemeanor, punishable by a fine of at least $500, as well as any other penalty which may be imposed. In addition thereto, such person convicted shall be held liable for any and all damages caused to such highway, including, but not limited to, any bridge or culvert work, traffic control device or sign, by reason of such violation.

The highway authorities or their duly authorized agents in direct charge of the work, are authorized to exercise in their respective jurisdictions, all the common law and statutory powers conferred upon sheriffs, and such highway authorities, or their duly authorized agents in direct charge of the work aforesaid, shall arrest without process any person who violates the provisions of this Section, and in so doing they shall be held to be acting for the State.

Any person or persons so arrested shall be delivered by the person making the arrest to some judge, sheriff, or police officer at some station or place within the county in which the offense was committed, for trial, according to law.

HISTORY:
P.A. 83-672; 88-673, § 5.

605 ILCS 5/9-104 [Corner stones; monuments]

In grading highways corner stones marking sectional or other corners shall not be disturbed, except to lower such stones so that they will not rise above the surface of the highway. If a corner stone is covered to a depth greater than 12 inches or is covered with a highway surfacing material other

than road oil, the location of the corner stone shall be preserved by setting a suitable monument over the stone which shall be level with the highway surface or by setting at least 3 offset monuments in locations where they will not be disturbed. When any corner stone is lowered or when a monument is set over a stone or when offset monuments are set it shall be done in the presence of and under the supervision of a Registered Illinois Land Surveyor who shall record the type and location of the reference monuments with respect to the corner stone in the office of the recorder in the county in which such stone is located.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/9-105 [Culverts or crossings for ditches]

In constructing a public highway, if a ditch is made at the junction of highways, or at the entrance of gates or other openings of adjoining premises, the highway authorities shall construct good and sufficient culverts or other convenient crossings. New entrance culverts or crossings or additions to existing entrance culverts or crossings along an existing public highway or street where there is a ditch may be made with the consent of the highway authorities, provided the applicant for such entrance culvert or crossing constructs at the applicant's expense a good and sufficient culvert or other convenient crossing of the type and size specified by the highway authorities, which structure shall then become the property of the public.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/9-106 [Barricading or covering freshly treated highways, driveways, parking lots or open areas]

Wherever a highway, driveway, parking lot or other area open to traffic that has been freshly treated with road oil, liquid asphalt or similar material intersects with or is otherwise located or partially located within 300 feet of a durable all-weather highway of any type except gravel or crushed stone, the highway authorities or any person responsible for applying such material shall cause such freshly treated highway, driveway, parking lot or other such area to be barricaded or covered with crushed aggregate or other suitable cover material so that traffic will not carry the fresh road oil, liquid asphalt or similar material onto the travel ways of the durable all-weather highway.

HISTORY:
P.A. 80-528.

605 ILCS 5/9-107 [Tile drains]

Whenever the highway authorities are about to lay a tile drain along any public highway the highway authorities may contract with the owners or occupants of adjoining lands to lay larger tile than would be necessary to drain the highway, and permit connection therewith by such contracting parties to drain their lands.

HISTORY:
Laws 1961, p. 2815; P.A. 94-59, § 5.

605 ILCS 5/9-108 [Destruction of willows prior to tiling]

Where willow hedges, or a line of willow trees have been planted along the margin of a highway, so as to render tiling impracticable, the highway authority having jurisdiction of such highway may contract with the owner for their destruction; and they shall be destroyed before tiling. The planting of such hedges or trees hereafter on the margin of highways is declared to be a public nuisance.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/9-109 [Safety of bridges and culverts; violations; specifications as evidence]

It is unlawful to construct any bridge or culvert upon any ravine, creek, drainage ditch or river upon a public highway in this State unless such bridge or culvert shall have the capacity of sustaining highway traffic with safety.

Any person who violates the provisions of this Section shall be guilty of a petty offense.

The fact that any such bridge or culvert does not conform with the specifications of the Department in effect at the time when the contract for such bridge or culvert is let, is prima facie evidence that the bridge or culvert does not have the capacity of sustaining highway traffic with safety.

HISTORY:
P.A. 77-2238.

605 ILCS 5/9-110 [Use of patented articles, materials or processes in construction and maintenance]

Any article, material or process covered by a patent granted by the United States government may be specified and used for constructing or maintaining any public highway if such specifications are drawn so as to provide for an alternative method or methods of construction or maintenance so that competition may be had between different types of materials answering the same general purpose.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/9-111 [Destruction of noxious weeds; violations]

The highway authorities shall annually, at the proper season, to prevent the spread of noxious

weeds as defined in the "Illinois Noxious Weed Law", approved August 17, 1971, as amended [505 ILCS 100/1 et seq.], destroy or cause to be destroyed, all such noxious weeds growing upon public highways under their respective jurisdictions. The highway authorities shall seasonably mow or manage all weeds and other vegetation growing along the highways under their respective jurisdictions.

Any highway officer failing to comply with the provisions of this Section shall be guilty of a petty offense and shall be liable to a fine of not less than $10 nor more than $25 for each season in which he neglects such requirements.

HISTORY:
P.A. 83-333.

605 ILCS 5/9-111.1 [Inspection of bridges and culverts; funds]

The highway authorities shall from time to time inspect the bridges and culverts on the public highways and streets under their respective jurisdictions which span streams and watercourses and shall remove driftwood and other materials accumulated within the right of way at such structures which obstruct the free flow of either low or highwater. Any general funds, and any forces and equipment available for maintenance of the public highways or streets may be used for the removal of such accumulated material.

HISTORY:
Laws 1961, p. 2627.

605 ILCS 5/9-112 [Clearing railroad grade crossings; violations]

At all grade crossings of public highways with railroads outside the corporate limits of any municipality, the highway authority having jurisdiction of such highways shall remove, or cause to be removed from the highway all removable obstructions to view at such grade crossings, such as unauthorized signs and billboards, brush and shrubbery, and shall trim, or cause to be trimmed, all hedges and trees upon the highway for a distance of not less than 300 feet from each side of such crossings.

No person shall place, or cause to be placed, any sign or signal on a public highway within a distance of 300 feet of any grade crossing, except official traffic control devices authorized in an Act in relation to the regulation of traffic, approved July 9, 1935, as now or hereafter amended, any signs or signals required by law or the Illinois Commerce Commission for the protection of such crossings.

Any person who violates any of the provisions of this Section shall be guilty of a petty offense and fined not less than $10 nor more than $100 for each offense.

HISTORY:
P.A. 77-2238.

605 ILCS 5/9-112.1 [Highway signs and billboards; violations]

No person shall place or cause to be placed any sign or billboard or any advertising of any kind or description upon any State highway or on any other highway outside the corporate limits of any municipality except as may be required by this Code or "The Illinois Vehicle Code", as now or hereafter amended [625 ILCS 5/1-100 et seq.]. This provision also shall apply to signs, billboards, or any other advertising upon any bridge, other structure, wire, cable, or other device, over or above such highway, whether constructed by the Department or others except signs designating the name of the railroad and the clearance provided. This Section does not prohibit or prevent any public utility from placing upon, above, below or near any of its facilities any signs or markers giving notice of the existence, identification or location of such facilities located upon or adjacent to any such highway. Such signs or markers shall be limited in size and shape to the minimum necessary consistent with the safety of the public in accordance with rules and regulations as promulgated by the Department.

Any person who violates any of the provisions of this Section shall be guilty of a petty offense and fined not less than $10 nor more than $100 for each offense.

HISTORY:
P.A. 81-840.

605 ILCS 5/9-112.2 [Highway signs and billboards similar to official traffic control devices prohibited; violations]

No person shall place, or cause to be placed upon or in view of any public highway any sign or billboard or any advertising of any kind or description which in wording, color or shape is similar to official traffic control signs or other official traffic control devices erected by the proper authority having jurisdiction over such highway in compliance with the Manual of Uniform Traffic Control Devices for Streets and Highways, as now or hereafter adopted by the Department.

No person shall place, or cause to be placed upon any building or other structure, within 200 feet of any public highway, oscillating, rotating or flashing lights which are of such intensity, when illuminated, to be visible at any time from such highway. This prohibition does not apply to a pole-supported business or brand identification sign with constant illumination and color and in which the only movement is a slow rotation of the entire body of the sign so as to be visible from all directions. This prohibition does not apply to airport lights.

Any person who violates any of the provisions of this Section shall be guilty of a petty offense and fined not less than $10 nor more than $100 for each offense.

HISTORY:
P.A. 78-255.

605 ILCS 5/9-112.3 [Public transportation shelters]

Shelters for the convenience and comfort of persons waiting for buses or other public transportation may be placed and maintained within the right of way of any street or highway, including right of way for streets and highways within municipalities, after a license or permit for the shelter and location is obtained from the highway authority having jurisdiction. Placement and location of shelters on any street or highway within a municipality shall be subject to the approval of the corporate authorities of such municipality. The owners may place advertising on the shelters if authorized by the license or permit, provided, however, that no political advertising shall be placed on any shelter on any street or highway at any time and further provided that advertising on shelters shall be limited to one-third of the vertical surface of the shelter. Shelters shall not be placed or maintained on that portion of the right of way designed and used for vehicle traffic and further shall not be so placed as to impair the street or highway or interfere with the free and safe flow of traffic.

HISTORY:
P.A. 81-436.

605 ILCS 5/9-112.4 [Signs located over sidewalks]

Signs on a State highway right of way located over sidewalks inside the corporate limits of a municipality that do not interfere with vehicular or pedestrian traffic, as determined by Department rule, shall not be removed by the Department.

HISTORY:
P.A. 88-286, § 5.

605 ILCS 5/9-112.5 Signs, billboards, and advertising in commuter parking lots

Signs, billboards, and advertising, placed in a publicly owned and operated commuter parking lot servicing public transportation and adjoined on 2 sides by interstate highways, that do not interfere with vehicular or pedestrian traffic, as determined by Department rule, shall not be removed by the Department.

HISTORY:
P.A. 89-319, § 5.

605 ILCS 5/9-112.6 Vegetation control permit.

(a) The Department may provide for vegetation control on land or a right-of-way under its jurisdiction related to the visibility of a permitted or registered outdoor advertising sign or grant a permit for such work.

(b) The Department may issue rules to provide the standards and procedures for vegetation control, including, but not limited to, permit applications, permits, revocations, and the requirements for the replacement of vegetation and landscaping removal to establish clear visibility zones of signs along highways in the State under its jurisdiction.

(c) The Department shall allow the cutting or trimming of vegetation to clear a visibility zone 250 feet in front of a single-sided sign and 250 feet in front of each side of a double-sided sign. The visibility zone for signs shall also include an additional 250-foot triangular section measured diagonally from the edge of the right-of-way to the edge of pavement. This distance shall be measured from the edge of the sign face closest to the pavement in a direction parallel to the pavement. All cutting or trimming of vegetation shall maintain environmental compliance and in no event shall the cutting or trimming of vegetation violate safety rules of the Department.

(d) The Department shall process a completed vegetation control application within 45 days of receiving such an application.

History.
2022 P.A. 102-980, § 5, effective August 27, 2022.

605 ILCS 5/9-113 [Construction under and along highways; rules and regulations; non-toll federal-aid fully access controlled highways]

(a) No ditches, drains, track, rails, poles, wires, pipe line or other equipment of any public utility company, municipal corporation or other public or private corporation, association or person shall be located, placed or constructed upon, under or along any highway, or upon any township or district road, without first obtaining the written consent of the appropriate highway authority as hereinafter provided for in this Section.

(b) The State and county highway authorities are authorized to promulgate reasonable and necessary rules, regulations, and specifications for highways for the administration of this Section. In addition to rules promulgated under this subsection (b), the State highway authority shall and a county highway authority may adopt coordination strategies and practices designed and intended to establish and implement effective communication respecting planned highway projects that the State or county highway authority believes may require removal, relocation, or modification in accordance with subsection (f) of this Section. The strategies and practices adopted shall include but need not be limited to the delivery of 5 year programs, annual programs, and the establishment of coordination councils in the locales and with the utility participation that will best facilitate and accomplish the requirements of the State and county highway authority acting under subsection (f) of this Section. The utility participation shall include assisting the appropriate highway au-

thority in establishing a schedule for the removal, relocation, or modification of the owner's facilities in accordance with subsection (f) of this Section. In addition, each utility shall designate in writing to the Secretary of Transportation or his or her designee an agent for notice and the delivery of programs. The coordination councils must be established on or before January 1, 2002. The 90 day deadline for removal, relocation, or modification of the ditches, drains, track, rails, poles, wires, pipe line, or other equipment in subsection (f) of this Section shall be enforceable upon the establishment of a coordination council in the district or locale where the property in question is located. The coordination councils organized by a county highway authority shall include the county engineer, the County Board Chairman or his or her designee, and with such utility participation as will best facilitate and accomplish the requirements of a highway authority acting under subsection (f) of this Section. Should a county highway authority decide not to establish coordination councils, the 90 day deadline for removal, relocation, or modification of the ditches, drains, track, rails, poles, wires, pipe line, or other equipment in subsection (f) of this Section shall be waived for those highways.

(c) In the case of non-toll federal-aid fully access-controlled State highways, the State highway authority shall not grant consent to the location, placement or construction of ditches, drains, track, rails, poles, wires, pipe line or other equipment upon, under or along any such non-toll federal-aid fully access-controlled State highway, which:

(1) would require cutting the pavement structure portion of such highway for installation or, except in the event of an emergency, would require the use of any part of such highway right-of-way for purposes of maintenance or repair. Where, however, the State highway authority determines prior to installation that there is no other access available for maintenance or repair purposes, use by the entity of such highway right-of-way shall be permitted for such purposes in strict accordance with the rules, regulations and specifications of the State highway authority, provided however, that except in the case of access to bridge structures, in no such case shall an entity be permitted access from the through-travel lanes, shoulders or ramps of the non-toll federal-aid fully access-controlled State highway to maintain or repair its accommodation; or

(2) would in the judgment of the State highway authority, endanger or impair any such ditches, drains, track, rails, poles, wires, pipe lines or other equipment already in place; or

(3) would, if installed longitudinally within the access control lines of such highway, be above ground after installation except that the State highway authority may consent to any above ground installation upon, under or along any bridge, interchange or grade separation within the right-of-way which installation is otherwise in compliance with this Section and any rules, regulations or specifications issued hereunder; or

(4) would be inconsistent with Federal law or with rules, regulations or directives of appropriate Federal agencies.

(d) In the case of accommodations upon, under or along non-toll federal-aid fully access-controlled State highways the State highway authority may charge an entity reasonable compensation for the right of that entity to longitudinally locate, place or construct ditches, drains, track, rails, poles, wires, pipe line or other equipment upon, under or along such highway. Such compensation may include in-kind compensation.

Where the entity applying for use of a non-toll federal-aid fully access-controlled State highway right-of-way is a public utility company, municipal corporation or other public or private corporation, association or person, such compensation shall be based upon but shall not exceed a reasonable estimate by the State highway authority of the fair market value of an easement or leasehold for such use of the highway right-of-way. Where the State highway authority determines that the applied-for use of such highway right-of-way is for private land uses by an individual and not for commercial purposes, the State highway authority may charge a lesser fee than would be charged a public utility company, municipal corporation or other public or private corporation or association as compensation for the use of the non-toll federal-aid fully access-controlled State highway right-of-way. In no case shall the written consent of the State highway authority give or be construed to give any entity any easement, leasehold or other property interest of any kind in, upon, under, above or along the non-toll federal-aid fully access-controlled State highway right-of-way.

Where the compensation from any entity is in whole or in part a fee, such fee may be reasonably set, at the election of the State highway authority, in the form of a single lump sum payment or a schedule of payments. All such fees charged as compensation may be reviewed and adjusted upward by the State highway authority once every 5 years provided that any such adjustment shall be based on changes in the fair market value of an easement or leasehold for such use of the non-toll federal-aid fully access-controlled State highway right-of-way. All such fees received as compensation by the State highway authority shall be deposited in the Road Fund.

(e) Any entity applying for consent shall submit such information in such form and detail to the appropriate highway authority as to allow the authority to evaluate the entity's application. In the case of accommodations upon, under or along non-toll federal-aid fully access-controlled State highways the entity applying for such consent shall reimburse the State highway authority for all of the authority's reasonable expenses in evaluating that entity's ap-

plication, including but not limited to engineering and legal fees.

(f) Any ditches, drains, track, rails, poles, wires, pipe line, or other equipment located, placed, or constructed upon, under, or along a highway with the consent of the State or county highway authority under this Section shall, upon written notice by the State or county highway authority be removed, relocated, or modified by the owner, the owner's agents, contractors, or employees at no expense to the State or county highway authority when and as deemed necessary by the State or county highway authority for highway or highway safety purposes. The notice shall be properly given after the completion of engineering plans, the receipt of the necessary permits issued by the appropriate State and county highway authority to begin work, and the establishment of sufficient rights-of-way for a given utility authorized by the State or county highway authority to remain on the highway right-of-way such that the unit of local government or other owner of any facilities receiving notice in accordance with this subsection (f) can proceed with relocating, replacing, or reconstructing the ditches, drains, track, rails, poles, wires, pipe line, or other equipment. If a permit application to relocate on a public right-of-way is not filed within 15 days of the receipt of final engineering plans, the notice precondition of a permit to begin work is waived. However, under no circumstances shall this notice provision be construed to require the State or any government department or agency to purchase additional rights-of-way to accommodate utilities. If, within 90 days after receipt of such written notice, the ditches, drains, track, rails, poles, wires, pipe line, or other equipment have not been removed, relocated, or modified to the reasonable satisfaction of the State or county highway authority, or if arrangements are not made satisfactory to the State or county highway authority for such removal, relocation, or modification, the State or county highway authority may remove, relocate, or modify such ditches, drains, track, rails, poles, wires, pipe line, or other equipment and bill the owner thereof for the total cost of such removal, relocation, or modification. The scope of the project shall be taken into consideration by the State or county highway authority in determining satisfactory arrangements. The State or county highway authority shall determine the terms of payment of those costs provided that all costs billed by the State or county highway authority shall not be made payable over more than a 5 year period from the date of billing. The State and county highway authority shall have the power to extend the time of payment in cases of demonstrated financial hardship by a unit of local government or other public owner of any facilities removed, relocated, or modified from the highway right-of-way in accordance with this subsection (f). This paragraph shall not be construed to prohibit the State or county highway authority from paying any part of the cost of removal, relocation, or modification where such payment is otherwise provided for by State or federal statute or regulation. At any time within 90 days after written notice was given, the owner of the drains, track, rails, poles, wires, pipe line, or other equipment may request the district engineer or, if appropriate, the county engineer for a waiver of the 90 day deadline. The appropriate district or county engineer shall make a decision concerning waiver within 10 days of receipt of the request and may waive the 90 day deadline if he or she makes a written finding as to the reasons for waiving the deadline. Reasons for waiving the deadline shall be limited to acts of God, war, the scope of the project, the State failing to follow the proper notice procedure, and any other cause beyond reasonable control of the owner of the facilities. Waiver must not be unreasonably withheld. If 90 days after written notice was given, the ditches, drains, track, rails, poles, wires, pipe line, or other equipment have not been removed, relocated, or modified to the satisfaction of the State or county highway authority, no waiver of deadline has been requested or issued by the appropriate district or county engineer, and no satisfactory arrangement has been made with the appropriate State or county highway authority, the State or county highway authority or the general contractor of the building project may file a complaint in the circuit court for an emergency order to direct and compel the owner to remove, relocate, or modify the drains, track, rails, poles, wires, pipe line, or other equipment to the satisfaction of the appropriate highway authority. The complaint for an order shall be brought in the circuit in which the subject matter of the complaint is situated or, if the subject matter of the complaint is situated in more than one circuit, in any one of those circuits.

(g) It shall be the sole responsibility of the entity, without expense to the State highway authority, to maintain and repair its ditches, drains, track, rails, poles, wires, pipe line or other equipment after it is located, placed or constructed upon, under or along any State highway and in no case shall the State highway authority thereafter be liable or responsible to the entity for any damages or liability of any kind whatsoever incurred by the entity or to the entity's ditches, drains, track, rails, poles, wires, pipe line or other equipment.

(h) Except as provided in subsection (h-1), upon receipt of an application therefor, consent to so use a highway may be granted subject to such terms and conditions not inconsistent with this Code as the highway authority deems for the best interest of the public. The terms and conditions required by the appropriate highway authority may include but need not be limited to participation by the party granted consent in the strategies and practices adopted under subsection (b) of this Section. The petitioner shall pay to the owners of property abutting upon the affected highways established as though by common law plat all damages the owners may sustain by reason of such use of the highway, such damages to

be ascertained and paid in the manner provided by law for the exercise of the right of eminent domain.

(h-1) With regard to any public utility, as defined in Section 3-105 of the Public Utilities Act [220 ILCS 5/3-105], engaged in public water or public sanitary sewer service that comes under the jurisdiction of the Illinois Commerce Commission, upon receipt of an application therefor, consent to so use a highway may be granted subject to such terms and conditions not inconsistent with this Code as the highway authority deems for the best interest of the public. The terms and conditions required by the appropriate highway authority may include but need not be limited to participation by the party granted consent in the strategies and practices adopted under subsection (b) of this Section. If the highway authority does not have fee ownership of the property, the petitioner shall pay to the owners of property located in the highway right-of-way all damages the owners may sustain by reason of such use of the highway, such damages to be ascertained and paid in the manner provided by law for the exercise of the right of eminent domain. The consent shall not otherwise relieve the entity granted that consent from obtaining by purchase, condemnation, or otherwise the necessary approval of any owner of the fee over or under which the highway or road is located, except to the extent that no such owner has paid real estate taxes on the property for the 2 years prior to the grant of the consent. Owners of property that abuts the right-of-way but who acquired the property through a conveyance that either expressly excludes the property subject to the right-of-way or that describes the property conveyed as ending at the right-of-way or being bounded by the right-of-way or road shall not be considered owners of property located in the right-of-way and shall not be entitled to damages by reason of the use of the highway or road for utility purposes, except that this provision shall not relieve the public utility from the obligation to pay for any physical damage it causes to improvements lawfully located in the right-of-way. Owners of abutting property whose descriptions include the right-of-way but are made subject to the right-of-way shall be entitled to compensation for use of the right-of-way. If the property subject to the right-of-way is not owned by the owners of the abutting property (either because it is expressly excluded from the property conveyed to an abutting property owner or the property as conveyed ends at or is bounded by the right-of-way or road), then the petitioner shall pay any damages, as so calculated, to the person or persons who have paid real estate taxes for the property as reflected in the county tax records. If no person has paid real estate taxes, then the public interest permits the installation of the facilities without payment of any damages. This provision of this amendatory Act of the 93rd General Assembly is intended to clarify, by codification, existing law and is not intended to change the law.

(i) Such consent shall be granted by the Department in the case of a State highway; by the county board or its designated county superintendent of highways in the case of a county highway; by either the highway commissioner or the county superintendent of highways in the case of a township or district road, provided that if consent is granted by the highway commissioner, the petition shall be filed with the commissioner at least 30 days prior to the proposed date of the beginning of construction, and that if written consent is not given by the commissioner within 30 days after receipt of the petition, the applicant may make written application to the county superintendent of highways for consent to the construction. In the case of township roads, the county superintendent of highways may either grant consent for the construction or deny the application. The county superintendent of highways shall provide written confirmation, citing the basis of the decision, to both the highway commissioner and the applicant. This Section does not vitiate, extend or otherwise affect any consent granted in accordance with law prior to the effective date of this Code to so use any highway.

(j) Nothing in this Section shall limit the right of a highway authority to permit the location, placement or construction or any ditches, drains, track, rails, poles, wires, pipe line or other equipment upon, under or along any highway or road as a part of its highway or road facilities or which the highway authority determines is necessary to service facilities required for operating the highway or road, including rest areas and weigh stations.

(k) Paragraphs (c) and (d) of this Section shall not apply to any accommodation located, placed or constructed with the consent of the State highway authority upon, under or along any non-toll federal-aid fully access-controlled State highway prior to July 1, 1984, provided that accommodation was otherwise in compliance with the rules, regulations and specifications of the State highway authority.

(*l*) Except as provided in subsection (*l*-1), the consent to be granted pursuant to this Section by the appropriate highway authority shall be effective only to the extent of the property interest of the State or government unit served by that highway authority. Such consent shall not be binding on any owner of the fee over or under which the highway or road is located and shall not otherwise relieve the entity granted that consent from obtaining by purchase, condemnation or otherwise the necessary approval of any owner of the fee over or under which the highway or road is located. This paragraph shall not be construed as a limitation on the use for highway or road purposes of the land or other property interests acquired by the public for highway or road purposes, including the space under or above such right-of-way.

(*l*-1) With regard to any public utility, as defined in Section 3-105 of the Public Utilities Act [220 ILCS 5/3-105], engaged in public water or public sanitary sewer service that comes under the jurisdiction of the Illinois Commerce Commission, the consent to be granted pursuant to this Section by the appropriate

highway authority shall be effective only to the extent of the property interest of the State or government unit served by that highway authority. Such consent shall not be binding on any owner of the fee over or under which the highway or road is located but shall be binding on any abutting property owner whose property boundary ends at the right-of-way of the highway or road. For purposes of the preceding sentence, property that includes a portion of a highway or road but is subject to the highway or road shall not be considered to end at the highway or road. The consent shall not otherwise relieve the entity granted that consent from obtaining by purchase, condemnation or otherwise the necessary approval of any owner of the fee over or under which the highway or road is located, except to the extent that no such owner has paid real estate taxes on the property for the 2 years prior to the grant of the consent. This provision is not intended to absolve a utility from obtaining consent from a lawful owner of the roadway or highway property (i.e. a person whose deed of conveyance lawfully includes the property, whether or not made subject to the highway or road) but who does not pay taxes by reason of Division 6 of Article 10 of the Property Tax Code. This paragraph shall not be construed as a limitation on the use for highway or road purposes of the land or other property interests acquired by the public for highway or road purposes, including the space under or above such right-of-way.

(m) The provisions of this Section apply to all permits issued by the Department of Transportation and the appropriate State or county highway authority.

HISTORY:
P.A. 85-540; 92-470, § 5; 93-357, § 5; 2021 P.A. 102-449, § 5, effective January 1, 2022.

605 ILCS 5/9-113.01 [Repair of utility damage to streets or roads; unit of local government]

Except when otherwise provided for by contract, permit or ordinance, a unit of local government having jurisdiction over streets or roads may repair damage to any such streets or roads caused by a public or private utility and bill the utility for the cost thereof if the utility fails to complete such repairs within 30 days after receipt of written notice from the unit of local government that such repairs must be made. Primary responsibility for such repairs shall remain with the utility.

As used in this Section, "unit of local government" means a county, municipality, township or other unit designated as a unit of local government by law.

HISTORY:
P.A. 81-1377.

605 ILCS 5/9-113.02 Damage to State-owned or local government-owned roadway property; highway and highway property.

(a) Any agency or instrumentality of the State of Illinois or unit of local government may seek recovery for the cost of the repair or replacement of damaged or destroyed roadway property. As used in this Section, "roadway property" includes road safety equipment and emergency equipment. Depreciation may not be used as a factor in determining the cost of the damaged or destroyed roadway property for which recovery is sought.

(b) Any agency or instrumentality of the State of Illinois or unit of local government may seek recovery for the cost of the repair of damaged or destroyed highways, highway structures, or traffic-control devices that result from operating, driving, or moving a truck tractor-semitrailer combination exceeding 55 feet in overall dimension authorized under paragraph (1) of subsection (b) or paragraph (1) of subsection (f) of Section 15-107 of the Illinois Vehicle Code [625 ILCS 5/15-107]. The measure of liability for the damage is the cost of repairing the highway, highway structure, or traffic-control device, or the depreciated replacement cost of a highway structure or traffic-control device.

HISTORY:
P.A. 93-793, § 5; 97-373, § 5; 2017 P.A. 100-343, § 5, effective January 1, 2018.

605 ILCS 5/9-113.1 [Commercial establishments on highway land; rest stops; vending machines]

(a) Except as otherwise provided in Sections 4-201.19 and 8-107.1 of this Code [605 ILCS 5/4-201.19 and 605 ILCS 5/8-107.1] and in subsection (b) of this Section, and except to the extent authorized in "An Act in relation to the construction, operation, regulation and maintenance of a system of toll highways and to create The Illinois State Toll Highway Authority, and to define its powers and duties, to make an appropriation in conjunction therewith", approved August 7, 1967, as amended [605 ILCS 10/1 et seq.], no commercial establishment for serving motorists or highway users shall be constructed or located within the right-of-way of, or on publicly-owned or publicly-leased land acquired or used for or in connection with a highway. Nothing in this Act shall affect or impair the application of Sections 4-210 and 4-211 of the Illinois Highway Code [605 ILCS 5/4-210 and 605 ILCS 5/4-211], as now or hereafter amended to that portion of any highway where the rights of direct private access thereto generally from abutting property have not been extinguished by due process.

Nothing in this Code shall prohibit the solicitation of donations or contributions by a local nonprofit organization at a courtesy rest stop which has been established by that organization. A courtesy rest stop is a temporary facility, locally sponsored, to encourage safety only on nationally recognized holidays by promoting a "refreshment break" for motorists. The courtesy rest stop must be conducted for the express purpose of improving the safety of highway travel

and not primarily as an advertisement for any organization or other activity.

All courtesy rest stop activity shall be conducted completely within existing safety rest areas located on freeways or other State highways and only on those days recognized as national holidays. Before granting authorization to establish a courtesy rest area, the Department shall determine that sufficient parking in the safety rest area or stop is available without requiring vehicles to stop or park on any ramp or other surface used for the movement of vehicles. The refreshments and any other service offered must be free of charge to the motorists. However, solicitation of free-will donations or contributions shall be permitted. The Department shall cooperate with the sponsoring organizations in the establishment of courtesy rest stops.

(b) The Department may permit the placement and operation of vending machines in safety rest areas constructed or located on rights-of-way of non-toll fully access controlled State highways. The Department shall adopt rules and regulations governing the type of services provided, location and operation of machines, and all other aspects necessary to provide the best public service consistent with federal and State statutes. The Department, when allowing for the installation of vending machines, shall provide for the operation of such facilities through the Department of Human Services, which is the State licensing agency designated pursuant to Section 2(a)(5) of the federal Randolph-Sheppard Vending Stand Act of June 20, 1936 (49 Stat. 1559, Title 20, Sections 107-107F) [20 U.S.C. § 107 et seq.]. The Department of Human Services shall assign licensed blind vendors to operate these vending facilities. However, if, after notification to all licensed blind vendors of the availability of a particular site, none is interested in operating that site, the Department of Human Services may contract for the operation of that site by a private contractor. Any income, after deduction for cost of items, labor and a negotiated percentage of profit, shall accrue to the Department of Human Services for the exclusive benefit of the vending facilities for the blind program or other programs of rehabilitation and training for the blind administered by the Department of Human Services. The Department of Human Services shall periodically notify licensed blind vendors of the availability of such contractually operated sites and make them available to interested licensed blind vendors.

(c) The Department of Transportation may not charge the operators of vending facilities for any portion of the cost of rest area maintenance or oversight services provided by its employees prior to the effective date of this amendatory Act of 1985. The Department shall not require the vending machine operators to perform any services other than those related to servicing and operating the approved vending machines.

HISTORY:
P.A. 84-1308; 89-507, § 90E-27.

605 ILCS 5/9-114 [Cattle or domestic animal crossing]

Any person owning, using, or occupying lands on both sides of any public highway has the privilege of making a crossing under the highway for the purpose of letting his cattle and other domestic animals across such highway. However, such person shall erect at his own expense, a good and substantial bridge, with good railings on each side thereof, and build an embankment, of easy grade, on either side of the bridge. The bridge shall be not less than 16 feet wide, and be approved by the appropriate highway authorities having jurisdiction of such public highway. The bridge shall be kept constantly in good repair by the owner or occupant of the land, the construction subject always to the consent and approval of such appropriate highway authorities.

In case such crossing is made on any waterway or natural channel for water and where a culvert or bridge is maintained as required for highway purposes, the owners or occupants shall not be required to pay for or construct any more of the crossings than the additional cost of such crossing over and above the necessary cost of a suitable culvert or bridge for highway purposes at such place.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/9-115 [Excavation or removal of lateral highway support; deposit of spoil]

It is unlawful for any person to excavate or remove or cause the excavation or removal of the lateral support within a distance of 10 feet plus one and one-half times the depth of any excavation adjacent to the established right-of-way of any public highway located outside the corporate limits of any municipality, except that if any of the excavated materials be of solid rock, the depth of such solid rock shall not be considered in computing the limit of excavation from such right-of-way line of such public highway.

It is unlawful for any person to deposit spoil or cause the spoil from any excavation to be deposited in such a manner that the toe of such spoil will be nearer than 20 feet to any established right-of-way of any public highway located outside the corporate limits of any municipality.

Whenever any person violates or causes the foregoing provisions of this Section to be violated, he shall be guilty of a petty offense for each day such violation occurs and until such unlawful excavation is backfilled or unlawful spoil banks are removed, either by the offenders or by the public authorities as provided hereinafter in this Section.

Where any such violation occurs along any public highway the proper highway authority having jurisdiction of that particular highway is authorized to take the necessary steps as required by law to enter upon the property where such violation occurs and

backfill or cause to be backfilled the unlawful excavation or remove or cause to be removed the unlawful spoil banks, whichever case it may be, or both, in such a manner as will conform with the foregoing provisions of this Section, and the costs of such work, together with court costs, may be recovered from such violators in the circuit court in the county where such violation occurred.

Nothing in this Section shall prohibit the construction and maintenance of grade separation crossings of any public utility, private corporation or individuals, or in any way conflict with any other laws governing such grade separations; nor shall the provisions of this Section in any way apply to pipe line construction or maintenance where such work is done to the satisfaction of the highway authorities having jurisdiction over such public highway; nor to the excavation of earth necessary for the construction of foundations or basement walls.

HISTORY:
P.A. 83-345.

605 ILCS 5/9-115.1 [Construction of drainage facilities and earthen berms]

It is unlawful for any person to construct or cause to be constructed any drainage facility for the purpose of the detention or retention of water within a distance of 10 feet plus one and one-half times the depth of any drainage facility adjacent to the right-of-way of any public highway without the written permission of the highway authority having jurisdiction over the public highway.

It is unlawful for any person to construct or cause to be constructed any earthen berm such that the toe of such berm will be nearer than 10 feet to the right-of-way of any public highway without the written permission of the highway authority having jurisdiction over the public highway.

HISTORY:
P.A. 86-616.

605 ILCS 5/9-116 [Hedge fence trimming]

The owner of any hedge fence growing along the right-of-way line of any public highway shall during the year next after such hedge has obtained the age of 7 years and during each year thereafter, trim such hedge fence to a height not exceeding 5 feet, except for Osage hedge which shall be trimmed annually after the second year from the first trimming to a height not exceeding 4 feet, and the owner shall trim all such hedges on the road side so that foliage will not extend over the right-of-way line for a distance in excess of 4 feet. All such trimming so required shall be done prior to October first.

The highway authority having jurisdiction over the highway, upon application of the owner of a farm, may permit such owner to grow a hedge fence to any desired height for a distance not to exceed one-fourth the total length of the hedge fence along the highway to serve as a windbreak for livestock. Such permit is revocable at any time.

The provisions of this Section do not apply to any hedge protecting either an orchard or a building.

Any failure or refusal to comply with the provisions of this Section is a petty offense and is punishable by a fine of not less than $10 nor more than $50 for each year of such failure or refusal.

HISTORY:
P.A. 77-2238.

605 ILCS 5/9-117 [Injury or obstruction of highways; repair and removal]

If any person injures or obstructs a public highway by felling a tree or trees in, upon or across the same, or by placing or leaving any other obstruction thereon, or encroaching upon the same with any fence, or by plowing or digging any ditch or other opening thereon, or by turning a current of water so as to saturate, wash or damage the same, or by plowing in or across or on the slopes of the side gutters or ditches, or by placing any material in such ditches, or in any way interfering with the free flow of water therein, or leaves the cuttings of any hedge thereon for more than 10 days, without the permission of the highway authority having jurisdiction over such highway, he shall be guilty of a petty offense and fined for every such offense not less than $50 nor more than $500; and in case of placing any obstruction on the highway, an additional sum of not exceeding $50 per day for every day he allows such obstruction to remain after he has been ordered to remove it by the highway authority having jurisdiction over such highway. Any person feeling himself aggrieved or any such highway authority may make a complaint under this Section.

The highway authority having jurisdiction over such highway, after having given 10 days' notice to the owners of the obstruction or person so obstructing, or plowing, or digging ditches upon such highway or interfering with the free flow of water in the side gutters or ditches, of the obstruction, plowing or digging of ditches, interfering with drainage, or of the encroachment of any fence, may remove any such fence or other obstruction, fill up any ditch or excavation except ditches necessary to the drainage of an adjoining farm emptying into a ditch upon the highway, or regrade such side gutters or ditches, and recover the necessary cost of such removal or filling of any such ditch or excavation, or regrading of such side gutters or ditches from such owner or other person obstructing or damaging such highway aforesaid, to be collected by the highway authority having jurisdiction of the highway whereon such offense was committed. Any such cost recovered shall be deposited in the road fund of the political division having jurisdiction over the highway adjudged to have been obstructed or injured, and shall be used only for maintenance or construction of public highways under the jurisdiction of that division.

The 10 day notice requirement of this Section is not required for any obstruction to traffic flow including non-adherence to the provisions of a permit issued by the highway authority having jurisdiction under Section 4-209, 5-413, or 9-113 of this Code [605 ILCS 5/4-209, 605 ILCS 5/5-413, or 605 ILCS 5/9-113].

However, this section shall not apply to any person who shall lawfully fell any tree for use and shall immediately remove the same out of the highway, nor to any person through or along whose land a public highway may pass, who shall desire to drain his land, and who shall give due notice to the proper highway authority of such intention, and who shall first secure from such highway authority written permission for any work, ditching or excavating he proposes to do within the limits of the highway.

HISTORY:
P.A. 77-2238; 88-233, § 5; 93-177, § 5.

605 ILCS 5/9-118 [Planting in or upon highway right-of-way]

Any association, society, person or persons may, upon obtaining a permit from the highway authorities having jurisdiction over the particular highway, and the consent in writing of the owners of adjacent property, plant or set out trees, shrubs, plants or flowers in or upon the right-of-way of any highway within this State, provided that no such tree, shrub, or flower shall be permitted to obstruct the vision of persons traveling upon or across such highways. Consent in writing of the owners of the adjacent property shall not be mandatory, as the highway authority shall determine, for plantings in a median or in those portions of a highway where direct access from the adjacent property is not provided. The highway authority having jurisdiction may place suitable signs giving notice of the association, society, person, or persons doing the planting.

HISTORY:
Laws 1959, p. 196; P.A. 91-775, § 10.

605 ILCS 5/9-119 [Injury or removal of plants in or upon highway right-of-way]

Whoever wilfully drives upon, picks, removes, destroys, cuts down, or in any manner injures any tree, shrub, plant or flower planted or growing within the right-of-way of any public highway, shall be guilty of a petty offense and fined not more than $100. However, the provisions of this section shall not preclude the highway authority having jurisdiction over the highway from trimming, transplanting, or removing such trees, shrubs, plants or flowers when necessary, in the discretion of such authority, to facilitate the use of such highways for public travel.

HISTORY:
P.A. 77-2238.

605 ILCS 5/9-119.5 Hay harvesting permit

(a) The Department may issue a hay harvesting permit authorizing the mowing and harvesting of hay on a specified right-of-way in this State. An owner or owner's designee has priority until July 30 of each year to receive a permit for the portion of right-of-way that is adjacent to the owner's land. After July 30 of each year, a permit may be issued to an applicant that is not the owner of the land adjacent to the right-of-way for a maximum distance of 5 miles each year. A permit issued under this subsection may be valid from July 15 of each year until September 15 of each year, and the Department must include the timeframe that the permit is valid on every permit issued under this subsection. Commencement of harvesting activity notice instructions must be included on every permit under this subsection in accordance with paragraph (1) of subsection (c) of this Section. The non-refundable application fee for every permit under this subsection is $40, and all fees collected by the Department shall be deposited into the Road Fund.

(b) An applicant for a permit in subsection (a) must:

(1) sign a release acknowledging that the applicant (i) assumes all risk for the quality of the hay harvested under the permit, (ii) assumes all liability for accidents or injury that results from the activities permitted by the Department, (iii) is liable for any damage to the right-of-way described in paragraphs (5) and (6) of subsection (c), and (iv) understands that the State or any instrumentality thereof assumes no risk or liability for the activities permitted by the Department;

(2) demonstrate proof that a liability insurance policy in the amount of not less than $1,000,000 is in force to cover any accident, damage, or loss that may occur to persons or property as a result of the activities permitted by the Department; and

(3) pay a non-refundable application fee of $40.

(c) The usage of a permit in subsection (a) is subject to the following limitations:

(1) The permittee must give the Department 48 hours notice prior to commencing any activities permitted by the Department;

(2) The permittee must identify the location of noxious weeds pursuant to the Noxious Weed Law [505 ILCS 100/1 et seq.]. Noxious weeds may be mowed but may not be windrowed or baled;

(3) The permittee may use the permit only during the timeframes specified on the permit;

(4) The permittee must carry a copy of the permit at all times while performing the activities permitted by the Department;

(5) The permittee may use the permit only when soil in the right-of-way is dry enough to prevent rutting or other similar type of damage to the right-of-way; and

(6) The permittee may not alter, damage, or remove any right-of-way markers, land monuments, fences, signs, trees, shrubbery or similar landscape vegetation, or other highway features or structures.

(d) The Department may immediately terminate a permit in subsection (a) issued to a permittee for

failure to comply with the use limitations of subsection (c).

(e) The Department or the permittee may cancel the permit at any time upon 3 days written notice.

(f) The Department may promulgate rules for the administration of this Section.

HISTORY:
P.A. 96-415, § 5; 97-813, § 595.

605 ILCS 5/9-119.6 Switchgrass production permit

(a) The Department may issue a switchgrass production permit authorizing the planting and harvesting of switchgrass on a specified right-of-way in this State. An owner or owner's designee has priority until March 1 of each year to receive a permit for the portion of right-of-way that is adjacent to the owner's land and for which no permit is in effect. After March 1 of each year, a permit may be issued to an applicant that is not the owner of the land adjacent to the right-of-way for a maximum distance of 5 miles. A permit issued under this subsection may be valid for a period of 5 years, and the Department must include the timeframe that the permit is valid on every permit issued under this subsection. Commencement of harvesting activity notice instructions must be included on every permit under this subsection in accordance with paragraph (1) of subsection (c) of this Section. The non-refundable application fee for every permit under this subsection is $200, and all fees collected by the Department shall be deposited into the Road Fund.

(b) An applicant for a permit in subsection (a) must:

(1) sign a release acknowledging that the applicant (i) assumes all risk for the quality of the switchgrass produced under the permit, (ii) assumes all liability for accidents or injury that results from the activities permitted by the Department, (iii) is liable for any damage to the right-of-way described in paragraphs (3) and (4) of subsection (c), and (iv) understands that the State or any instrumentality thereof assumes no risk or liability for the activities permitted by the Department;

(2) demonstrate proof that a liability insurance policy in the amount of not less than $1,000,000 is in force to cover any accident, damage, or loss that may occur to persons or property as a result of the activities permitted by the Department; and

(3) pay a non-refundable application fee of $200.

(c) The usage of a permit in subsection (a) is subject to the following limitations:

(1) The permittee must give the Department 48 hours notice prior to commencing any activities permitted by the Department;

(2) The permittee must carry a copy of the permit at all times while performing the activities permitted by the Department;

(3) The permittee may use the permit only when soil in the right-of-way is dry enough to prevent rutting or other similar type of damage to the right-of-way; and

(4) The permittee may not alter, damage, or remove any right-of-way markers, land monuments, fences, signs, trees, shrubbery or similar landscape vegetation, or other highway features or structures.

(d) The Department may immediately terminate a permit in subsection (a) issued to a permittee for failure to comply with the use limitations of subsection (c).

(e) The Department or the permittee may cancel the permit at any time upon 3 days written notice.

(f) The Department may promulgate rules for the administration of this Section.

HISTORY:
P.A. 97-134, § 5; 97-813, § 595.

605 ILCS 5/9-121 [Dumping prohibited]

It is unlawful for any person to deposit in a public highway or rest area weeds, trash, garbage or other offensive matter or any broken bottles, glass, boards containing projecting nails or any other thing likely to cause punctures in the tires of motor vehicles; and any person so offending shall be guilty of a petty offense. However, this Section shall not apply to proper deposits of harmless materials made in good faith and in a proper manner to repair the roads or to the proper disposal of travel and picnic trash in the waste containers provided for such purpose at rest areas.

HISTORY:
P.A. 81-551.

605 ILCS 5/9-122 [Destruction or injury of sidewalks, bridges, culverts or causeways]

If any person purposely destroys or injures any sidewalk, public bridge, culvert, or causeway, or removes any of the timber or plank thereof, or obstructs the same, he shall be guilty of a petty offense, fined not more than $100, and shall be liable for all damages occasioned thereby and all necessary costs for rebuilding or repairing the same.

HISTORY:
P.A. 77-2238.

605 ILCS 5/9-123 [Discharge of sewage prohibited]

No person, firm, corporation, or institution, public or private, shall discharge or empty any type of sewage, including the effluent from septic tanks or other sewage treatment devices, or any other domestic, commercial or industrial waste, or any putrescible liquids, or cause the same to be discharged or emptied in any manner into open ditches along any public street or highway, or into any drain or drainage structure installed solely for street or highway drainage purposes.

Any person, firm, corporation, or institution, public or private, in violation of this Section, shall be guilty of a petty offense and in addition shall be fined $25 per day for each day such violation exists.

The highway authority having jurisdiction over the public street or highway affected by such violation shall enter a complaint in the proper court against any violator of this Section. Upon the failure of any such highway authority to so act, any other person, may in the name of the political division or municipality, enter such complaint.

HISTORY:
P.A. 77-2238.

605 ILCS 5/9-124 [Camping prohibited]

It is unlawful for any person to camp on any public highway in this State or to make, other than in an emergency, a rest stop except at areas designated for such rest stops.

Any resident of this State may enter complaint before the circuit court against any person or persons found violating this Section and the court shall issue a warrant for the arrest of such violators and have them brought forthwith before such court for examination. Any such violator shall be guilty of a Class C misdemeanor.

HISTORY:
P.A. 78-628.

605 ILCS 5/9-124.1 [Tethered or loose animals prohibited]

It is unlawful for any person to tether or turn loose any stock, cows, horses or other animals on any public highway in this State for the purpose of feeding the same.

Any resident of this State may enter complaint before the circuit court against any person or persons found violating this Section and the court shall issue a warrant for the arrest of such violators and have them brought forthwith before such court for examination. Any such violator shall be guilty of a Class C misdemeanor.

HISTORY:
P.A. 78-628.

605 ILCS 5/9-125 [Investigation and prosecution of violations]

The appropriate highway authorities shall seasonably prosecute for all fines and penalties provided for in this Code for violations committed on highways under their respective jurisdictions.

Whenever any person complains of a violation of this Code to the highway authority that has jurisdiction over the particular highway where the violation of this Code is alleged to have been committed, such highway authority shall proceed to investigate as to the reason for such complaint and, if the complaint is found to be just, shall at once proceed to prosecution of the offender.

In case the highway authority fails to prosecute, complaint may be made by any person before any court of proper jurisdiction.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/9-126 [Use of fines and penalties]

Fines and penalties recovered under the provisions of this Code shall be paid over to the treasurer of the highway authority responsible for the maintenance and upkeep of the public street or highway upon or along which the violation or offense occurred, and all such monies shall be used only for the construction or maintenance of such streets or highways.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/9-127 [Vacation of highways]

(a) Except as provided in subsections (b), (c), and (d) and in cases where the deed, or other instrument, dedicating a highway or part thereof, has expressly provided for a specific devolution of the title thereto upon the abandonment or vacation thereof, whenever any highway or any part thereof is vacated under or by virtue of any Act of this State or by the highway authority authorized to vacate the highway, the title to the land included within the highway or part thereof so vacated, vests in the then owners of the land abutting thereon, in the same proportions and to the same extent, as though the highway had been dedicated by a common law plat (as distinguished from a statutory plat) and as though the fee of the highway had been acquired by the owners as a part of the land abutting on the highway except, however, such vacation shall reserve to any public utility with facilities located in, under, over or upon the land an easement for the continued use, if any, by such public utility.

(b) When any highway authority determines to vacate a highway under its jurisdiction, or part thereof, established within a subdivision by a statutory plat, that authority may vacate such highway and convey the highway authority's interest in such highway to any bona fide organization of property owners of the subdivision which (1) is so organized as to be able to receive, hold and convey real property, (2) has petitioned the highway authority for the vacation of the highway, and (3) undertakes to develop the property for the use and benefit of the public. If the association abandons the property, it passes as provided in subsection (a).

(c) When any highway authority determines to vacate a highway or part of a highway under its jurisdiction established within a subdivision by a statutory plat, that authority may vacate the highway and convey the highway authority's interest in the highway to any township road district which (1)

has petitioned the highway authority for the vacation of the highway and (2) undertakes to develop the property as a bike path or alley for the use and benefit of the public. If the property is subsequently incorporated within a municipality, the township road district may transfer its interest to the municipality. If the township road district or municipality abandons the property, it passes as provided in subsection (a).

(d) When any highway authority determines to vacate a highway or a part of a highway under its jurisdiction, the authority may sell the vacated highway property to any third party at fair market value if (1) the authority has either a fee simple interest in the vacated highway property or a dedication of that property by statutory plat and (2) the right of first refusal with regard to the vacated highway property has been granted to adjoining landowners for fair market value.

HISTORY:
P.A. 86-402; 93-321, § 5; 94-476, § 5.

605 ILCS 5/9-128 [Damage or removal of signs or traffic control devices prohibited]

Any person who intentionally damages or removes an official sign or other traffic control device erected by the proper authority having jurisdiction over such highway authorized by Chapter 11, Article III of The Illinois Vehicle Code, as now or hereafter amended [625 ILCS 5/11-301 et seq.], or any other sign authorized and approved by this Code shall be guilty of a Class C misdemeanor, punishable by a fine of at least $250 in addition to any other penalties which may be imposed. This Section does not apply to persons properly authorized to repair or remove such signs or other traffic control device.

HISTORY:
P.A. 83-672.

605 ILCS 5/9-129 [Use of highways by agricultural aircraft]

Agricultural aircraft used for crop dusting or other activities in aid of agriculture as authorized by the Division of Aeronautics of the Department of Transportation may use any county highway or township road as defined under Sections 2-204 and 2-205 of this Code [605 ILCS 5/2-204 and 605 ILCS 5/2-205], if granted permission by the County Superintendent of Highways or the Highway Commissioner, whoever shall have proper jurisdiction over such road. Permission to use county highways or township roads shall only be granted by the County Superintendent of Highways or the Highway Commissioner if the average daily traffic count is less than 200. Roads used by agricultural aircraft shall be blocked by barricades conforming to the Manual of Uniform Traffic Control Devices adopted by the Department and shall be accompanied at all times, while in place upon such road, by a flagman. All barricades and flagmen shall be furnished by any individual applying for permission to use any such roads for agricultural aircraft. Traffic shall not be delayed by the use of a county highway or township road by agricultural aircraft by more than 15 minutes in each 30 minute period, and no emergency vehicle shall be delayed at any time unless the safety of either the plane or emergency vehicle would be seriously threatened if the emergency vehicle were allowed to proceed.

A county, county superintendent of highways, township or township commissioner shall not be liable for any personal injuries caused as a result of the operation of agricultural aircraft on such highways.

HISTORY:
P.A. 83-92.

605 ILCS 5/9-130 [Plowing or removal of ice or snow prohibited]

No person, firm, corporation or institution, public or private, shall plow or remove or cause to be plowed or removed ice or snow from any shopping center, parking lot, commercial or institutional service area or driveway or any other public or private service area or driveway and deposit such ice or snow upon a public highway or along the shoulder or edge of a public highway. Such prohibition shall not pertain to a residential driveway or sidewalk.

Any person, firm, corporation or institution, public or private, who violates this Section is guilty of a petty offense.

HISTORY:
P.A. 83-1362.

605 ILCS 5/9-131 Installation of fiber-optic network conduit

(a) For purposes of this Section:

"Fiber-optic network conduit" means a pipe or duct used to enclose fiber-optic cable facilities buried alongside the roadway or surface mounted on bridges, overpasses, and other facilities where below ground placement is impossible or impractical.

(b) In order to ensure affordable high-speed, world-class core information and communication networks are available throughout Illinois, the Illinois Department of Transportation and the Department of Central Management Services shall collaborate to install fiber-optic network conduit where it does not already exist in every new State-funded construction project that opens, bores, or trenches alongside a State-owned infrastructure, including, but not limited to, roadways and bridges. The Department of Central Management Services or the Department of Transportation may permit a third party to manage the fiber and conduit leasing. The Department of Central Management Services and the Department of Transportation shall take reasonable steps to ensure market-based, non-discriminatory pricing.

Public bidding notices for such projects must describe the need for fiber-optic conduit or cable. The Department of Transportation shall report annually to the Governor and the General Assembly on the progress and any associated costs incurred by this Section. This Section does not prohibit the State from purchasing or installing fiber-optic cable within the fiber-optic network conduit.

HISTORY:
P.A. 96-37, § 70-15.

605 ILCS 5/9-132 Highway design.

A unit of local government may consult a highway design publication outside the Department's Bureau of Local Roads and Streets Manual for the construction of any highway in ownership or control of the unit of local government, except for a highway that is part of the National System of Interstate and Defense Highways, if:

(1) the unit of local government receives federal or State funds for the construction project;

(2) the highway design publication is approved by the Federal Highway Administration;

(3) the highway design publication is adopted by the unit of local government; and

(4) the design complies with all other applicable federal laws.

DEPARTMENT ACQUISITION BY GIFT OF BRIDGES AND APPROACHES ACROSS STREAMS FORMING STATE BOUNDARY AND MAINTENANCE THEREOF

605 ILCS 5/10-101 [Acquisition of bridges and approaches]

The Department may acquire, by gift, any bridge or part of a bridge and its approaches located in Illinois which cross any stream forming a boundary line between this State and any adjoining state whenever the bridge and its approaches constitute a direct continuation of a State highway and of an improved highway in the adjoining state.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-102 [Prerequisites to bridge acquisition; conveyance]

Before acquiring any bridge or part of a bridge and its approaches as provided in this Division of this Article [605 ILCS 5/10-101 et seq.], the Department shall ascertain, except as otherwise provided in Section 10-102.1 [605 ILCS 5/10-102.1], that the bridge and its approaches are structurally sound and in a good state of repair, that all bonds or other obligations issued to finance the cost of constructing or acquiring the bridge and its approaches have been fully retired and that all interest charges in connection therewith have been fully paid and that there are no mortgages, liens or encumbrances of any nature outstanding against the bridge and its approaches or the real property acquired in connection therewith, and, in case the bridge is across a navigable stream, that authority to construct, maintain and operate the bridge and approaches was granted by Act of Congress and that the Act, or a subsequent Act or Acts of Congress in connection therewith, granted full authority to sell, assign or transfer all rights, powers and privileges conferred by the Act of Congress. The conveyance shall be by warranty deed and run to the State of Illinois. The conveyance shall include any interest in real property acquired in connection with the bridge, and shall assign and transfer to the State all rights, powers and privileges conferred by any Act or Acts of Congress in connection with the bridge and approaches.

HISTORY:
Laws 1959, p. 196; P.A. 92-679, § 10.

605 ILCS 5/10-102.1 Transfer of McKinley Bridge [Repealed]

HISTORY:
P.A. 92-679, § 10; Repealed by P.A. 99-933, § 5-165, effective January 27, 2017.

605 ILCS 5/10-103 [Future maintenance operation and control; contracts]

(a) When the Department has acquired title to any bridge or part of a bridge and its approaches as provided in this Division, it is authorized to assume jointly with the adjoining state, or a political subdivision of the adjoining state, responsibility for the future maintenance, operation and control of such bridge. However, the Department shall not pay more than one-half of the cost of the future maintenance, operation and control of the entire bridge and its approaches, except that the Department's share may be proportionate to the length of the bridge within Illinois where required for compatibility with the adjoining state's statutes. The Department may contract with the adjoining state or with a political subdivision of the adjoining state for the maintenance, operation and control of the entire bridge and its approaches by the adjoining state or its political subdivision and for the reimbursement by the Department for the share of the cost properly chargeable to the State of Illinois. In such cases, the Department may also contract to maintain, operate and control the entire bridge itself if the contract also provides for reimbursement of the Department by the adjoining state or its political subdivision of the share of the cost properly chargeable to such adjoining state or its political subdivision.

(b) Any such contract between the Department and the adjoining state or a political subdivision of the adjoining state entered into under paragraph (a) of this Section shall be for a period not to exceed 50 years and shall be

1. renewable annually in the discretion of the Department, and

2. subject to an adequate annual appropriation by the General Assembly to fund the proportionate share of the costs of the maintenance, operation and control of the bridge and its approaches properly chargeable to the State of Illinois.

HISTORY:
P.A. 81-456.

DIVISION 2.

COUNTY CONSTRUCTION AND MAINTENANCE OF FREE BRIDGES ON STATE BOUNDARIES

605 ILCS 5/10-201 [Construction of boundary bridges]

Bridges across streams forming the boundary line

between this and any adjoining state, or bridges upon any road which lies upon the boundary line between this and any adjoining state, may be constructed or repaired by any county or counties of this State contiguous to the proposed construction or repair, acting in conjunction with any county, municipality or subordinate division of the adjoining state, as provided in this Division of this Article. A bridge may likewise be constructed at the point of intersection of any highway with the boundary line between this and any adjoining state, or a bridge already constructed at such point may likewise be repaired, as provided in this Division of this Article. A county shall be deemed contiguous to such construction or repair if any part of such county lies within 80 rods thereof. The total of the cost to be borne by any county (or counties) of this State shall not exceed one-half of the total cost of such construction or repair.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-202 [Appropriations; bond petition and referendum]

The county board of any such county is empowered to appropriate moneys for the purpose of assisting in the construction or repair of any such bridge or bridges, or bonds of such county may be issued for that purpose as follows: Upon the filing with the county clerk of a petition signed by 100 electors of such county who are owners of land therein, requesting that the proposition of issuing bonds of that county for such purpose be submitted to the electors of such county for their approval or rejection, the county clerk shall certify the petition to the proper election officials, who shall submit the proposition at a regular election. Such referendum shall be conducted and notice given in accordance with the general election law.

HISTORY:
P.A. 81-1489.

605 ILCS 5/10-203 [Proposition form]

Such proposition shall be in substantially the following form:

Shall county bonds for the purpose of ..... be issued to the amount of ..... ?	YES	
	NO	

HISTORY:
P.A. 81-1489.

605 ILCS 5/10-204 [Issuance of bonds; Omnibus Bond Acts]

If a majority of the legal voters voting at such election on such question, voted in favor of the proposition, the county clerk shall issue (from time to time as the work progresses) a sufficient amount, in the aggregate, of the bonds of such county for the purpose of assisting in the construction or repair of any such bridge or bridges, as set forth in this Division of this Article, and in accordance with the prayer of the petition. Such bonds shall be of such denominations, upon such time, bear such rate of interest (not exceeding the maximum rate authorized by the Bond Authorization Act, as amended [30 ILCS 305/0.01 et seq.] at the time of the making of the contract), and be disposed of, as the necessities and convenience of such county may require. However, such bonds shall not be sold nor disposed of, either by sale or by payment to contractors for labor or materials, for less than par value. Such bonds shall be issued in not less than 5 nor more than 30 annual series, the first series of which shall mature not more than 5 years from the date of issue, and each succeeding series in succeeding years thereafter. A register of all issues of such bonds shall be kept in the office of the county clerk of such county, showing the date, amount, rate of interest, maturity, and the purpose for which such bonds were issued, and it shall be the duty of such county clerk, to extend annually against all the property in such county, a tax sufficient to pay the interest of such bonds in each year prior to the maturity of such first series, and thereafter he shall extend a tax in each year sufficient to pay each series as it matures, together with interest thereon and with the interest upon the unmatured bonds outstanding. Such bonds may be lithographed and the interest for each year evidenced by interest coupons thereto attached, which coupons shall be signed with the original or facsimile signatures by the same officers who executed the bonds.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

HISTORY:
P.A. 86-4.

605 ILCS 5/10-205 [Bridge plans and specifications; contractor bond]

The plans and specifications for the construction or repair of any such bridge or bridges shall be approved by the county superintendent of highways (or county

superintendents of highways, in case two counties of this State are assisting in such construction or repair), and by the Department. The contract for any such work shall be let by the county board (or county boards, in case two counties of this State are assisting in such construction or repair), acting jointly with the corporate authorities of the county, municipality, or other subordinate division of the adjoining state. However, no contract shall be considered as let unless the contractor shall within 15 days after the final award of same, file with the county clerk of such county (or of each such county) a bond, with good and sufficient sureties, in a sum equal to the part of the total cost which that county is to bear, conditioned upon the faithful performance of such contract.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-206 [Payment schedule for construction or repairs]

If the cost of such construction or repair is $1,000 or less, such county (or counties) shall not be liable for any part of such expense until all the work has been fully completed, and has been accepted by the county superintendent of highways (or by each county superintendent of highways). Such official (or officials) shall certify such acceptance to his county board (or to their respective county boards), and shall accompany such certificate with an itemized statement of all expenditures in such construction or repair.

If the total cost of the construction or repair exceeds $1,000, partial payments not oftener than once a month, and not to exceed 90% of the work actually completed, may be paid the contractor by the county (or counties). No such partial payments shall be made unless approved by the county superintendent of highways (or by each county superintendent of highways), and no partial payments shall in any way be deemed an acceptance of the work until such work has been fully completed and accepted by the county superintendent (or by each county superintendent of highways) and such acceptance certified as provided above.

HISTORY:
Laws 1959, p. 196.

DIVISION 3.

COUNTY TOLL BRIDGES

605 ILCS 5/10-301 [Acquisition and maintenance of bridges over water; bridge defined]

Each county of this State, is authorized to acquire by purchase or otherwise, to construct, repair, maintain and operate a bridge or bridges over and across any navigable or non-navigable stream within such county, or forming a boundary line between such county and any other county in the State of Illinois, or forming a boundary line between the State of Illinois and any adjoining state, and shall have authority to exercise all such powers within its boundaries and in adjacent territory within this State, and in any adjoining state, after first having obtained authority, if any be necessary, from the Department and the United States. Such powers may be exercised either directly through the county board of any such county, or through a bridge commission created as in this Division of this Article provided.

For the purposes of this Division of this Article "Bridge" means any bridge over or across any stream, navigable or non-navigable, including any bridges and the approaches thereto, and all necessary elevated structures to eliminate intersection at grade with any streets, tunnels, public roads, thoroughfares, highways, railroads or street railroads.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-302 [Acquisition and maintenance of bridges over land; tolls]

Every county which, by ordinance, determines to exercise the powers granted by this Division of this Article has the right to acquire by purchase or otherwise, to construct, repair, maintain and operate any such bridge and its approaches across, above or under any railroad or public utility right-of-way, and in, upon, under or above any public or private road, highway, street, alley or public ground, or upon any property owned by any municipality, political subdivision or agency of this State, and for the purpose of acquiring property or easements necessary or incidental in the construction, repair, maintenance or operation of any such bridge and the approaches thereto, any such county shall have the right of eminent domain as provided by the Eminent Domain Act [735 ILCS 30/1-1-1 et seq.]. The county board of each such county has power to make, enact and enforce all needful rules and regulations in connection with the acquisition, construction, maintenance, operation, management, care or protection of any such bridge, and such county board shall establish rates of toll or charges for the use of each such bridge which shall be sufficient at all times to pay the cost of maintenance and operation of such bridge and its approaches, and the principal of and interest on all bonds issued and all other obligations incurred by such county under the provisions of this Division of this Article. Rules and regulations shall be established from time to time by ordinance.

Rates of toll or charges for the use of each such bridge shall be established, revised, maintained, be payable and be enforced, including by administrative adjudication as provided in Section 10-302.5 [605 ILCS 5/10-302.5], as the county board of each such county may determine by ordinance.

The General Assembly finds that electronic toll collection systems in Illinois should be standardized to promote safety, efficiency, and traveler convenience. If electronic toll collection is used on such bridge, the county shall configure the electronic toll collection system to be compatible with the electronic toll collection system used by the Illinois State Toll Highway Authority. The county may enter into an intergovernmental agreement with the Illinois State Toll Highway Authority to provide for such compatibility or to have the Authority provide electronic toll collection or toll violation enforcement services. Any toll bridges in Winnebago County that are in operation and collecting tolls on the effective date of this amendatory Act of the 97th General Assembly [P.A. 97-252] are exempt from the provisions of the Act.

HISTORY:
P.A. 82-783; 89-120, § 4; 94-1055, § 95-10-355; 97-252, § 5.

605 ILCS 5/10-302.5 Administrative adjudication of toll violations

(a) The county may provide by ordinance for a system of administrative adjudication for fixing, assessing, and collecting civil fines for a vehicle's operation on a county toll bridge if the required toll or charge has not been paid.

(b) An ordinance establishing a system of administrative adjudication under this Section shall provide for the following:

(1) Written notice of the alleged violation sent by first class U.S. mail.

(2) Availability of a hearing in which the violation may be contested on its merits and the time and manner in which the hearing may be held.

(3) An opportunity for the person who allegedly violated the ordinance to appear at the hearing and contest the merits of the alleged violation. The rules of evidence shall not apply to the hearing.

(4) A civil fine not to exceed $500 imposed as the result of an administrative adjudication.

(5) A burden of proof on the county to establish a violation by a preponderance of the evidence.

(6) Judicial review of final determinations of ordinance violations, subject to the provisions of the Administrative Review Law [735 ILCS 5/3-101 et seq.].

(c) The county may enter into an intergovernmental agreement with the Illinois State Toll Highway Authority under which the Authority may provide administrative adjudication of toll violations occurring on a county toll bridge.

HISTORY:
P.A. 89-120, § 4; 97-252, § 5.

605 ILCS 5/10-303 [Borrowing; revenue bonds; bond issue ordinance]

For the purpose of acquiring by purchase or otherwise or the constructing of any such bridge, the county board of each such county is authorized to borrow money and in evidence thereof to issue the bonds of such county, and to refund the same from time to time, payable solely from the revenues derived from the operation of such bridge. Such bonds may be issued as serial or term bonds, shall mature in not to exceed 40 years from the date thereof, and may be made redeemable, prior to maturity, with or without premium. Such bonds may be issued in such amounts as may be necessary to provide sufficient funds to pay the cost of acquiring or constructing such bridge and the approaches thereto, including all property real or personal, necessary or incidental in the acquisition or construction of such bridge and its approaches, including reasonable legal and engineering, traffic survey, and architectural fees, costs of financing, and interest during construction and for not less than 12 months thereafter. Such bonds shall bear interest at a rate not to exceed that permitted in "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as amended [30 ILCS 305/0.01 et seq.], payable semiannually. Bonds issued under the provisions of this Division of this Article have the qualities and incidents of negotiable instruments under the laws of the State of Illinois, shall be executed in the name of the county by the chairman of the county board and the county clerk of such county, and shall be sealed with the corporate seal of the county, and the interest coupons attached to such bonds shall be executed by the facsimile signatures of such chairman and county clerk, and such officials by the execution of such bonds shall adopt as and for their own proper signatures their respective facsimile signatures appearing on such coupons. In case any officer whose signature appears on any such bonds or coupons ceases to be such officer before delivery of such bonds, such signatures shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such delivery.

Such bonds may be registered as to principal at any time prior to maturity in the name of the holder on the books of the county in the office of the county treasurer, such registration to be noted on the reverse side of the bonds by the county treasurer, and thereafter the principal of such registered bonds shall be payable only to the registered holder, his legal representatives or assigns. Such registered bonds shall be transferable to another registered holder, or back to bearer, only upon presentation to the county treasurer with the legal assignment duly acknowledged or approved. Registration of any such bonds shall not affect negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

All such bonds issued by any such county shall be sold in such manner and at such time as the governing body shall determine. Whenever the governing body of any such county determines to issue bonds as provided for in this Division of this Article, it shall

adopt an ordinance describing in a general way the bridge to be acquired or constructed and its general location. Such ordinance shall set out the aggregate amount of the estimated cost of the acquisition or construction of such bridge, as prepared by the engineers employed for that purpose, determine the period of usefulness thereof and fix the amount of revenue bonds to be issued, the maturity or maturities, redemption privileges, the interest rate, sinking fund, and all other details in connection with such bonds, including such reserve accounts as the county board of such county may deem necessary. Such ordinance may contain such covenants and restrictions upon the issuance of additional revenue bonds thereafter as may be deemed necessary or advisable for the assurance of the payment of the bonds thereby authorized. Revenue bonds issued under the provisions of this Division of this Article shall be payable solely from the revenue derived from such bridge, and such bonds shall not, in any event constitute or be deemed an indebtedness of such county within the meaning of any constitutional provisions or statutory limitation as to debt, and it shall be plainly stated on the face of each bond that it does not constitute an indebtedness within any constitutional or statutory limitation. Such ordinance shall be published within 30 days after its passage in a newspaper, published and having a general circulation in such county, and shall not become effective until 10 days after its publication.

HISTORY:
P.A. 83-225.

605 ILCS 5/10-304 [Sinking fund]

Any ordinance authorizing the issuance of bonds under this Division of this Article shall provide for the creation of a sinking fund into which shall be payable from the revenues of such bridge, from month to month, as such revenues are collected, such sums in excess of the cost of maintenance and operation and the sums necessary to maintain any reserve accounts created by such ordinance, as will be sufficient to pay the accruing interest and retire the bonds at or before maturity. The moneys in such sinking fund shall be applied solely in the payment of matured interest on bonds authorized under the provisions of this Division of this Article and for the retirement of such bonds at or prior to maturity in the manner herein provided. All sums in the sinking fund in excess of the amount required for the payment of interest and principal of all outstanding bonds for the current year shall be paid out upon the order of the governing body for the purchase or redemption of bonds issued under the provisions of this Division of this Article, for the account of which such sinking fund has been accumulated, where it is possible to purchase or redeem the same at not more than par and accrued interest. If such bonds cannot be purchased or redeemed, such funds shall be used to pay the principal or interest on bonds issued under the provisions of this Division of this Article as the same become due. Any excess sums in the sinking fund which cannot be applied to the purchase or redemption of bonds may be invested in securities of the United States maturing not more than 6 months after the date such sums can be applied to the retirement of the bonds at maturity.

Upon the issuance of any bonds as in this Division of this Article provided and while any of such bonds are outstanding, all revenues, in excess of the sums required for maintenance and operation of the bridge, and the maintenance of the reserve accounts created, shall be deposited in the sinking fund, and shall be used for the purchase, redemption or payment at maturity of the interest and principal of bonds as provided in this section, that have been issued in accordance with the provisions of this Division of this Article.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-305 [Duties of county treasurer]

The county treasurer of each such county shall be the legal custodian of all funds derived from the issuance of bonds provided for under this Division of this Article and of all revenues derived from the operation of any such bridge, and before he shall receive any such funds he shall be required to post with the county board of such county and subject to their approval, a separate corporate surety bond in an amount to be determined by resolution of such county board. He shall be required to keep proceeds of bonds issued and revenues derived from the operation of any such bridge separate and apart from all other funds which come into his hands as the county treasurer, and the proceeds of bonds issued and the revenues derived from the operation of the bridge shall be by him deposited in separate bank or savings and loan association accounts to be designated for that purpose by the county board of the county. No money shall be paid out of such accounts by the county treasurer except upon an order signed by the chairman of the county board or the chairman of the finance committee of such county board and the county clerk. All such orders shall specify the purpose for which the amount thereof is to be paid with sufficient clearness to indicate the purpose for which the order is issued, and there shall be endorsed thereon the name of the particular fund out of which it is payable, and it shall be paid from the fund constituted for such purpose and from no other fund.

HISTORY:
P.A. 83-541.

605 ILCS 5/10-306 [Accounts; audit]

The county board of each such county shall install and maintain a proper system of accounts, showing the receipts from the operation of the bridge and the application of the same, and the county board shall at

least once a year cause such accounts to be properly audited by a certified public accountant and copies of such audit shall be filed in the office of the county clerk and shall be open for inspection at all proper times to any taxpayer, bondholder or other creditor of such county.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-307 [Specific performance]

Any holder of a bond or bonds, or any of the coupons of any bond or bonds issued under the provisions of this Division of this Article may, by action, mandamus, injunction or other proceeding, enforce or compel the performance of all duties required by this Division of this Article, including the fixing, maintaining and collecting of such rates of toll or charges for the use of such bridge and its approaches as will be sufficient for all the purposes provided by this Division of this Article and the application of the income and revenue therefor. All bonds issued under the provisions of this Division of this Article shall enjoy equal rights in respect of the revenues of each such bridge regardless of the time of the actual issuance or delivery thereof.

HISTORY:
P.A. 83-345.

605 ILCS 5/10-308 [Limitation on borrowing power; contracts; bids]

The county board of each such county shall have no power to borrow money for the acquisition or construction of any such toll bridge or bridges except as in this Division of this Article provided and all money borrowed and obligations incurred by each such county in the acquisition or construction, and in the repair, maintenance and operation of each such bridge shall be payable solely and only from the revenues derived from the operation of each such toll bridge.

All contracts for the construction of any such bridge and its approaches involving the sum of $500 or more, shall be let to the lowest responsible bidder therefor after notice inviting bids shall have been given by the county board. Notice inviting bids shall be published at least once in a daily or weekly newspaper, published and of general circulation in the county, the date of publication to be not less than 15 days prior to the date set for receiving bids. The county board shall have the right to reject all proposals or bids submitted, in which event a new date must be set for receiving bids and a new advertisement inviting bids published, as required in the first instance.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-309 [Title to property in county]

Title to all property acquired pursuant to this Division of this Article shall be taken in the name of the county.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-310 [Budget]

The county board of each such county shall establish by ordinance the beginning and ending of a fiscal year for the operation of each such bridge, which period shall constitute the budget year for the maintenance and operation of each such bridge, and at least 30 days prior to the beginning of the first full fiscal year after the completion of each such bridge, the county board shall prepare a tentative budget which shall include all proposed operation and maintenance expenses for the ensuing fiscal year. Such budget shall be considered by the county board and after consideration and any revision as may be determined by such county board, it shall be adopted within 30 days after the beginning of each fiscal year by such county board as the budget for the ensuing year and no expenditures in excess of the budget shall be made during such fiscal year unless authorized and directed by a four-fifths vote of the county board of each such county. It shall not be necessary to include in such budget any statement of necessary expenditures for debt service or capital outlay incurred in any preceding year, but the county board shall make provision for such payments as they become due. Upon the adoption of such budget a copy thereof shall be filed in the office of the county clerk and shall be open for inspection by the public. The funds of the county derived from the operation of any such bridge shall not be subject to the provisions of "An Act in relation to the budgets of counties not required by law to pass an annual appropriation bill," approved July 10, 1933, as amended.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-311 [County bridge commission]

The county board of each such county may in its discretion, by ordinance, create a bridge commission for the purpose of exercising the powers conferred by this Division of this Article if such county board deems it expedient and necessary. The chairman of the county board, subject to the approval of the county board, shall appoint 4 persons, all of whom, in counties under township organization, shall be members of the county board of such county, who with such chairman, ex officio, shall constitute a bridge commission to be designated the ".... County Bridge Commission."

All members appointed to such commission shall be legal voters of said county, and shall have resided in said county for at least 2 years prior to the date of their appointment to such commission. Any person holding an elective or appointive public office shall not be eligible for appointment to the commission,

and any person who has held an elective or appointive public office shall not be eligible for one year after the expiration of his term of office; provided, however, such restrictions as to eligibility for appointment shall not be applicable to members of the county board of the county who shall be eligible for appointment nevertheless.

One of such appointees shall be appointed for a term of one year, one for a term of 2 years, one for a term of 3 years, and one for a term of 4 years, and annually thereafter appointments to fill the expired terms shall be made in like manner except that the term of each such appointee shall be for a term of 4 years. Vacancies shall be filled for any unexpired term in the same manner as the original appointment. Such bridge commission shall elect a chairman and vice-chairman from its membership and a secretary who need not be a member of such commission. The members of the commission shall receive no compensation for their service and shall give such bond as may be required from time to time by the county board of the county. The commission shall fix the compensation of the secretary subject to the approval thereof by the governing body of the county. The commission shall have power to establish by-laws, rules and regulations for its own government and shall have general supervision over the construction, operation, and management of each such bridge proposed or constructed by each county under the provisions of this Division of this Article; may employ engineering, structural and construction experts, inspectors and attorneys and such other employees as may be necessary in its opinion, fix their compensation and prescribe their duties. All salaries and compensation shall be obligations of the county, payable solely from the revenues derived from the operation of the bridge as provided under this Division of this Article. The office records, books and accounts of the bridge commission shall be maintained in the office of the county clerk of the county.

Each such bridge commission may be authorized and directed by the county board to prepare all necessary plans and specifications for the construction of such bridge or bridges, select the location for the same, determine the size, type, method of construction, make all necessary estimates of the probable cost of the construction and the acquisition of land and rights necessary and incidental to the construction of the bridge and its approaches and enter into all contracts to build and construct such bridge and its approaches subject to the limitations provided in this Division of this Article. No plans and specifications or estimate of cost for the construction of any such bridge and its approaches shall be adopted by the bridge commission until it has first been submitted to the county board of the county and approved by such county board, and such bridge commission shall not enter into any contract or incur any liabilities in connection with the construction of any such bridge or its approaches unless and until such contracts or liabilities have been approved by the county board of such county.

Such bridge commission shall operate, manage and control any such bridge constructed or acquired under the provisions of this Division of this Article, fix the rates of toll, or charges for the use thereof, establish rules and regulations for the use and operation of such bridge, and if and when authorized by the county board of any such county shall have power to reconstruct, extend and enlarge any such bridge or bridges.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-312 [Cumulative powers]

The provisions of this Division of this Article shall be cumulative and shall be considered as conferring additional power on counties and as additions to and not as limitations upon the power of counties to acquire, construct, maintain or operate bridges, and as authorizing the issuance of bonds payable solely from the revenues derived from the operation of such bridges without submitting the proposition of issuing such bonds to the voters.

HISTORY:
Laws 1959, p. 196.

DIVISION 5.

MUNICIPAL BRIDGES AND APPROACHES

605 ILCS 5/10-501 [Power to acquire, construct and maintain bridges and approaches; limitation on tolls].

Each municipality in this State is authorized to construct or acquire by purchase, lease or gift, and to maintain bridges and the approaches thereto within the corporate limits, or at any point within 3 miles of the corporate limits of such municipality. All such bridges shall be free to the public, and no toll shall ever be collected by any such municipality except as hereinafter in this Division of this Article provided.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-502 [Toll for draw bridge]

In all cases where a bridge shall heretofore have been constructed or shall hereafter be constructed across a navigable stream by any municipality in whole or in part without the territorial limits of such city, where the population of such municipality furnishing the principal part of the expenses thereof shall not exceed 10,000 inhabitants, and where it is necessary to maintain a draw and lights, then a reasonable toll may be collected by the municipality building such bridge, to be set apart and appropriated to the expense of maintaining such bridge and keeping such bridge in repair, and of maintaining,

opening and closing proper draws therefor, and lights, and to the payment of bonds or interest thereon, issued therefor, as hereinafter provided in this Division of this Article.

The General Assembly finds that electronic toll collection systems in Illinois should be standardized to promote safety, efficiency, and traveler convenience. If electronic toll collection is used on such bridge, the municipality shall configure the electronic toll collection system to be compatible with the electronic toll collection system used by the Illinois State Toll Highway Authority. The municipality may enter into an intergovernmental agreement with the Illinois State Toll Highway Authority to provide for such compatibility or to have the Authority provide electronic toll collection or toll violation enforcement services.

HISTORY:
Laws 1959, p. 196; P.A. 97-252, § 5.

605 ILCS 5/10-503 [Jurisdiction]

Every bridge so owned, acquired or controlled by such municipality and the approaches thereto when in whole or in part outside the corporate limits thereof shall be subject to the municipal control and ordinances of such municipality, the same to all intents and purposes and in effect, as though such bridge and approaches thereto were entirely situated within the corporate limits of such municipality, and in such case the county may assist in the construction of such bridge as is provided by law.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-504 [Bonds]

Any municipality within this state for the purpose of acquiring, paying for, maintaining, or constructing any such bridge or bridges, and the approaches thereto as in this Division of this Article provided, is authorized to issue such bonds under the general laws of this state in an amount which, together with all the other indebtedness of such municipality, shall not exceed 5% on the assessed valuation of the taxable property within the corporate limits of such municipality as provided by law, the same to be payable out of the general revenue and funds of such municipality.

Provided, such municipality is also authorized to issue for the purposes aforesaid, or any of them, bonds in such sum as may be necessary for the purposes aforesaid or any of them, in addition to and over and above the bonds first in this section hereinbefore provided for, in excess of the said 5% of the assessed valuation of the property within any such municipality. Such bonds shall not, however, be payable out of nor be in charge upon any of the general revenue or funds of such municipality, but shall be payable out of the income derived by such municipality from the operation and maintenance of any such bridge or bridges. And provided further, that before any such bonds shall be issued, the question of the issuance thereof shall be submitted to a vote of the legal voters of the municipality at an election in accordance with the general election law and approved by a majority of those voting on the question at such election: And provided further, that for the purpose of securing such bonds so issued in excess of 5% of the assessed valuation of the taxable property within such municipality, such municipality may by the ordinance providing for the issuance of such bonds, mortgage or pledge any such bridge or approaches, and the income derived or to be derived therefrom, for the payment of such bonds, and the interest thereon: And provided further, nothing herein shall prevent such municipality from paying any such bonds issued in excess of said 5% of such assessed valuation or the interest thereon out of the general funds or revenue of such municipality, if it shall see fit so to do, if at the time of so paying same out of such general funds and revenue of such municipality, such municipality shall not be indebted in excess of 5% of the assessed valuation of the taxable property within such municipality in excess of the amount so paid by such municipality out of its general revenue and funds in the payment of such bonds. But nothing herein shall be deemed, taken or held to entitle the holder or holders of any such bond or bonds to payment of the same or of the interest thereon out of any such general funds or revenue of such municipality.

HISTORY:
P.A. 81-1489.

DIVISION 6.

MUNICIPAL BRIDGES, FERRIES AND TERMINALS

605 ILCS 5/10-601 [Acquisition of ferries, bridges, approaches and land]

The corporate authorities of any municipality, have the power to acquire by purchase, lease, or gift, ferries, bridges, the approaches thereto, and not exceeding 4 acres of land within the corporate limits, or within 5 miles of the corporate limits thereof for each ferry or bridge. They also have the power to maintain, regulate and fix the tolls on these ferries and bridges.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-602 [Powers; limitation on tolls]

Every municipality has the power:

(1) To construct, or acquire by purchase, lease, gift, or condemnation in the manner provided for the exercise of the right of eminent domain under the Eminent Domain Act [735 ILCS 30/1-1-1 et seq.],

ferries and bridges, the necessary land therefor, and the approaches thereto, whenever the ferry, bridge, land, or approaches are within the corporate limits, or within 5 miles of the corporate limits of the municipality, and also to maintain the specified property;

(2) To construct and maintain highways within 5 miles of the corporate limits of the municipality connecting with either end of such a bridge or ferry;

(3) To construct or acquire by purchase, lease, gift, or condemnation in the manner provided for the exercise of the right of eminent domain under the Eminent Domain Act, ferries and bridges, the necessary land therefor, and the approaches thereto, within 5 miles of the corporate limits of the municipality, over any river forming a boundary of the State of Illinois, and also to maintain the specified property;

(4) To donate money to aid the road districts in which is situated any ferry, bridge, or highway connecting therewith, specified in this section, in constructing, or improving the same, and to issue the bonds of the municipality for that purpose.

All such ferries, bridges, and highways shall be free to the public and no toll shall ever be collected by the municipality except that:

(1) Tolls may be collected for transit over and use of bridges defined in Section 10-801 [605 ILCS 5/10-801], as provided for in Sections 10-802 and 10-805 [605 ILCS 5/10-802 and 605 ILCS 5/10-805].

(2) Any municipality which, within the provisions of this section, bears the principal expense and becomes indebted for any ferry, bridge, or the approach thereto, over any river forming a boundary of the State of Illinois, may collect a reasonable toll, for the use thereof, to be set apart and appropriated to the payment of that indebtedness, the interest thereon, and the expense of maintenance of that bridge, ferry, and approach thereto, but for no other purpose;

(3) Where any municipality is the owner of any toll bridges or ferries which it is keeping up and maintaining by authority of law, all ownership and rights vested in the municipality shall continue and be held and exercised by it, and the municipality from time to time may fix the rates of toll on those bridges and ferries; and

(4) In all cases where, after July 1, 1881, a bridge has been constructed, or a ferry has been acquired across a navigable stream, by any municipality in whole or in part, and where the population of the municipality furnishing the principal part of the expense thereof did not exceed 5,000, and where it is necessary to maintain a draw and lights, and where a debt was incurred by the municipality for these purposes, a reasonable toll may be collected by the municipality contracting the indebtedness. This toll shall be set apart and appropriated to the payment of that indebtedness, the interest thereon, and the expense of keeping the bridge in repair and of maintaining, opening, and closing the draws and lights, or, in case of a ferry, keeping the approaches and boat in repair and for operating the ferry.

(5) The General Assembly finds that electronic toll collection systems in Illinois should be standardized to promote safety, efficiency, and traveler convenience. If electronic toll collection is used on such bridge or ferry, the municipality shall configure the electronic toll collection system to be compatible with the electronic toll collection system used by the Illinois State Toll Highway Authority. The municipality may enter into an intergovernmental agreement with the Illinois State Toll Highway Authority to provide for such compatibility or to have the Authority provide electronic toll collection or toll violation enforcement services.

HISTORY:
P.A. 82-783; 94-1055, § 95-10-355; 97-252, § 5.

605 ILCS 5/10-603 [Jurisdiction]

Every bridge or ferry and also the approaches thereto, owned or controlled by a municipality as provided in Section 10-602 [605 ILCS 5/10-602], when outside the corporate limits, are subject to the municipal control and ordinances of the municipality, the same as though the bridge or ferry and the approaches thereto, were situated within the corporate limits of the municipality. In such case the county may assist in the construction of such bridge, as is now provided by law.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-604 [Power of municipality with population under 500,000]

Every municipality with a population of less than 500,000 which is located on a navigable stream has the power to acquire, construct, maintain, and operate either within or without its corporate limits, bridges and approaches, and transportation and other terminal facilities.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-605 [Tax levy]

For the purposes specified in Section 10-604 [605 ILCS 5/10-604], such a municipality may levy and collect a special tax annually of not more than .25 per cent of the value, as equalized or assessed by the Department of Revenue, of taxable property situated in the municipality. This tax shall be in addition to all other taxes that the municipality may be authorized by law to levy and shall be in addition to the amount authorized to be levied for general purposes as provided in Section 8-3-1 of the Illinois Municipal Code, as now or hereafter amended [65 ILCS 5/8-3-1]. However, this tax shall not be levied in the municipality until the question of levying the tax has been submitted, in accordance with the general election

laws of this State, to the electors of the municipality at an election and has been approved by a majority of the electors voting thereon. The corporate authorities of the municipality may initiate the submission of such proposition to referendum by ordinance.

The proposition shall be in substantially the following form:

Shall (insert the name of municipality) be empowered to levy and collect a special tax annually of .... per cent on each dollar of the valuation of the taxable property for the purpose of acquiring, constructing, maintaining or operating bridges or approaches and transportation and other terminal facilities, as provided in Section 10-605 [605 ILCS 5/10-605] of the Illinois Highway Code?	YES NO	

If a majority of the electors of the municipality voting thereon vote for the levy and collection of the tax provided for in this Section, the municipality has the power to levy and collect the tax.

The foregoing limitation upon tax rate may be increased or decreased according to the referendum provisions of the General Revenue Law of Illinois.

HISTORY:
P.A. 81-1509.

605 ILCS 5/10-606 [Bonds]

Any municipality specified in Section 10-604 [605 ILCS 5/10-604] may issue bonds for the purposes specified in Section 10-604. The amount of these bonds, including the existing indebtedness of the municipality, shall not exceed, in the aggregate, 5% of the value of the taxable property therein. This value shall be ascertained by the last assessment for State and county taxes previous to the issue of these bonds. The bonds authorized by this section to be issued shall not be subject to the limit of indebtedness provided for in Division 5 of Article 8 of the Illinois Municipal Code, as heretofore or hereafter amended [65 ILCS 5/8-5-1 et seq.].

HISTORY:
Laws 1961, p. 1415.

DIVISION 7.

MUNICIPAL TOLL BRIDGES — ADDITIONAL AUTHORIZATION TO ACQUIRE, CONSTRUCT, MAINTAIN, ETC.

605 ILCS 5/10-701 [Definitions]

In this Division of this Article, unless the context otherwise requires:

(1) "Bridge" means any bridge over or across a river, including any bridges on the approaches thereto to eliminate intersection at grade with any street, tunnel, public road, thoroughfare, highway, railroad or street railroad, where the complete project is located entirely within the State;

(2) "Net Revenue" means the gross revenue of a bridge less the reasonable cost of operating, maintaining, and repairing the bridge;

(3) "United States" means the United States of America and any agent or agency thereof;

(4) "Holder" means the holder or holders of any of the bonds issued under this Division of this Article.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-702 [Powers]

Every municipality has the power:

(1) To acquire, by purchase or otherwise, construct, operate and maintain, and repair any bridge within the corporate limits, or within 5 miles of the corporate limits of the municipality, including the necessary land therefor and the approaches thereto. In the exercise of the authority herein granted, the municipality may acquire such property, or any portion thereof or interest therein through condemnation proceedings for the exercise of the right of eminent domain under the Eminent Domain Act [735 ILCS 30/1-1-1 et seq.].

(2) To acquire, purchase, hold, use, lease, mortgage, sell, transfer, and dispose of any property, real, personal, mixed, tangible or intangible, or any interest therein in connection with such a bridge or bridges;

(3) To fix, alter, charge, collect, segregate, and apply tolls and other charges for transit over and use of such a bridge or bridges, provided that, if electronic toll collection is used on such bridge or ferry, the municipality shall configure the electronic toll collection system to be compatible with the electronic toll collection system used by the Illinois State Toll Highway Authority;

(4) To borrow money, make and issue bonds payable from and secured by a pledge of net revenue of the bridge for the construction of which such bonds may be issued;

(5) To make contracts of every kind and nature and to execute all instruments necessary or convenient for the carrying out of the purposes of this Division of this Article;

(6) To accept grants from the United States and to enter into contracts with the United States in connection therewith;

(7) To enter upon any lands, areas, and premises for the purpose of making soundings, surveys and examinations;

(7.5) To enter into intergovernmental agreements with the Illinois State Toll Highway Authority to provide for the compatibility of electronic toll

collection services or to have the Authority provide electronic toll collection or toll violation enforcement services; and

(8) To do all things necessary to carry out the powers given in this Division of this Article.

HISTORY:
P.A. 82-783; 94-1055, § 95-10-355; 97-252, § 5.

605 ILCS 5/10-703 [Revenue bonds]

Without limiting any other powers granted in this Division of this Article, each municipality has the power to provide for the payment of the cost of acquiring or constructing any bridge or for the payment of any portion of the cost by one or more issues of revenue bonds of the municipality, payable solely from the net revenue of the bridge so acquired or constructed. These bonds shall be authorized by ordinance of the corporate authorities of the municipality and shall be in substantially the form set forth in the ordinance. The bonds may be serial or term; redeemable, with or without premium, or non-redeemable; shall bear interest at a rate not exceeding the maximum rate authorized by the Bond Authorization Act [30 ILCS 305/0.01 et seq.], as amended at the time of the making of the contract, payable at such times as may be provided; shall mature at such times not exceeding the life of the bridge, for the acquisition or construction of which they are issued, as estimated by the corporate authorities, but in no event exceeding 40 years; and shall be issued in such amounts and at such place as shall be prescribed in the ordinance authorizing their issuance.

The bonds shall be signed by such officers as the corporate authorities shall determine, and coupon bonds shall have attached thereto interest coupons bearing the facsimile signatures of such officers as the corporate authorities shall determine; all as shall be prescribed in the ordinance authorizing the bonds. The bonds may be issued and delivered, notwithstanding the fact that an officer signing the bonds, or whose facsimile signature appears upon any of the coupons has ceased to hold his office at the time that the bonds are actually delivered.

The bonds of the municipality may be sold in such manner, at such times, and at such prices as the corporate authorities may determine, but no sale shall be made at a price which would make the interest cost to maturity on the money received therefor computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, exceed the maximum rate authorized by the Bond Authorization Act, as amended at the time of the making of the contract. The principal of and interest upon the bonds shall be payable solely from the net revenue derived from the operation of the bridge acquired or constructed with proceeds of the sale of the bonds. No bond issued pursuant to this Division of this Article shall constitute an indebtedness of a municipality within the meaning of any constitutional, statutory, or charter limitation. It shall be plainly stated on the face of each bond in substance that the bond has been issued under the provisions of this Division of this Article and that the taxing power and general credit of the municipality issuing the bond are not pledged to the payment of the bond, or interest thereon, and that the bond and the interest thereon are payable solely from the net revenue of the bridge to acquire or construct which the bond is issued.

The cost of the bridge or improvement thereto shall include interest during construction, and for not exceeding 12 months thereafter, and also all engineering, legal, architectural, traffic surveying, and other expenses incident to the construction and the acquisition of the necessary property, and incident to the financing thereof, including the cost of acquiring existing franchises, rights, plans, and works of and relating to the bridge. If the proceeds of the bonds issued shall exceed the cost as finally determined, the excess shall be applied to the payment, purchase, or redemption of the bonds. Bonds and interest coupons issued under this Division of this Article shall possess all the qualities of negotiable instruments.

No ordinance pursuant to this section shall become effective until after the plans and specifications relating to the project have been submitted to and approved by the Department.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

HISTORY:
P.A. 86-4.

605 ILCS 5/10-704 [Revenue bond ordinance; publication thereof]

An ordinance authorizing bonds under this Division of this Article may contain provisions, which shall be part of the contract with the holders of the bonds, as to (1) the dates, maturities, denominations, rate of interest, places, and medium of payment of the bonds and other details in connection with the bonds or their issuance, (2) the rates of tolls and other charges to be charged by the municipality for transit over or use of the bridge, and their segregation and application, (3) the registration of the bonds as to principal only or as to both principal and

interest, and the interchangeability and exchangeability of the bonds, (4) the redemption of the bonds, and the price at which they are redeemable, (5) the setting aside of reserves or sinking funds and the regulation and disposition thereof, (6) limitations upon the issuance of additional bonds payable from the revenue of the bridge or upon the rights of the holders of these additional bonds, and (7) other agreements with the holders of the bonds or covenants or restrictions necessary or desirable to safeguard the interests of these holders.

After the passage of an ordinance providing for the issuance of revenue bonds under this Division of this Article, the ordinance shall be published in the same manner and form as is required for other ordinances of the municipality. The ordinance shall become effective 10 days after publication, or, if approval of the plans and specifications by the Department is subsequent thereto, upon the date of such approval.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-705 [Tolls; accounts]

The municipality shall fix rates of toll to be charged for transit over and use of such a bridge. These rates shall be so fixed, charged, and adjusted as to provide revenue at all times sufficient, (1) to pay the reasonable cost of maintaining (including insurance), operating, and repairing the bridge; (2) to provide a sinking fund and reserves sufficient to pay the principal of and interest on the bonds, including refunding bonds, if any, out of the revenue from the bridge, as the bonds mature and fall due; (3) to pay the redemption or repurchase price of all bonds redeemed or repurchased before maturity as provided in this Division of this Article; (4) to fulfill the terms and provisions of any agreement with holders of the bonds; and (5) to provide, in addition to the toll purposes specified in clauses (1) to (4), both inclusive, of this sentence, a sinking fund of accumulated tolls and revenue in such amount (determined by a registered professional engineer and approved by the Secretary of Transportation) that the annual interest therefrom will provide adequate income to pay the reasonable cost and extraordinary expenses of maintaining (including insurance), operating, improving and repairing the bridge when and as long as the municipality operates the bridge as a free bridge. The rates provided for by clause (5) of the preceding sentence may be charged for a period not to exceed 18 months after sufficient funds to pay all bonds, including interest thereon, have been accumulated in the sinking fund provided for by clause (2).

An accurate record of the cost of each bridge, the expenditures for maintaining, operating, and repairing the bridge, and of the daily tolls collected, shall be kept and shall be available for the information of all persons interested. The municipality shall classify in a reasonable way all traffic over the bridge, and the tolls shall be fixed and adjusted by it as to be uniform in their application to all traffic falling within any such reasonable class.

The municipality shall operate the bridge as a toll bridge until all bonds payable out of the revenue thereof are paid in full, and thereafter shall operate the bridge as a free bridge.

HISTORY:
P.A. 77-173.

605 ILCS 5/10-706 [Refunding revenue bonds]

Any municipality may by ordinance authorize the issue of refunding revenue bonds, payable solely from the revenues of a bridge to refund the principal or accrued interest, or both, of its outstanding revenue bonds issued hereunder, prior to their maturity, and the principal and accrued interest of its matured outstanding revenue bonds issued under the provisions of this Division of this Article, and which by their terms are payable solely from the net revenues of the bridge. The refunding revenue bonds may be made registerable as to principal and bear interest at a rate not to exceed the maximum rate authorized by the Bond Authorization Act [30 ILCS 305/0.01 et seq.], as amended at the time of the making of the contract, payable at such time or at such place as may be provided for in the ordinance authorizing the issue thereof.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

HISTORY:
P.A. 86-4.

605 ILCS 5/10-707 [Refunding bond ordinance]

The ordinance authorizing such refunding revenue bonds shall prescribe all the details thereof and the bonds shall be in such form and denomination payable at such places, bear such date and be executed by such officials as may be provided in the bond ordinance. The ordinance also shall determine the life of the bridge. The refunding revenue bonds shall mature within the life of the bridge as so determined and shall mature, in any event, within not to exceed 40 years from their date, and may be made callable on any interest payment date at a price of par and

accrued interest, after notice shall be given by publication or otherwise at any time or times and in the manner as may be prescribed for in the bond ordinance.

The ordinance may contain such covenants and restrictions upon the issuance of additional refunding revenue bonds, or revenue bonds for the improvement and extension of such bridge as may be deemed necessary or advisable for the assurance of the payment of the refunding revenue bonds thereby authorized; such bonds shall be payable from the net revenues of the bridge and such bonds shall not, in any event, constitute an indebtedness of the municipality within the meaning of any constitutional or statutory limitation, and it shall be plainly stated on the face of each bond that it does not constitute an indebtedness of the municipality within any constitutional or statutory provision or limitation.

The validity of any refunding revenue bonds shall remain unimpaired, although one or more of the officials executing the same shall cease to be such officer or officers before delivery thereof, and such bonds shall have all the qualities of negotiable instruments under the Law Merchant and the Negotiable Instrument Law.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-708 [Publication of refunding bond ordinance; petition and election]

After the ordinance providing for the issuance of refunding revenue bonds has been passed, it shall be published in the same manner and form as is required for other ordinances of the municipality. The ordinance shall become effective 30 days after publication, which publication shall include a notice of (1) the specific number of voters required to sign a petition requesting that the question of the adoption of the ordinance be submitted to the electors of the municipality; (2) the time in which the petition must be filed; and (3) the date of the prospective referendum, unless within such period a petition is filed with the municipal clerk, signed by electors of the district numbering 10% or more of the number of registered voters in the district, asking that the question of issuing such bonds be submitted to the electors of the municipality. The municipal clerk shall provide a petition form to any individual requesting one. Upon the filing of such petition the municipal clerk shall certify the proposition to the proper election officials, who shall submit at an election such proposition in the manner provided by the general election law. Such referendum shall be held and notice given in accordance with the general election law. If a majority of the electors voting upon the proposition voted in favor of the issuance of the bonds, the ordinance shall be in effect; but if a majority of the votes cast are against the issuance of the bonds, the ordinance shall not go into effect.

HISTORY:
P.A. 87-767.

605 ILCS 5/10-709 [Exchange of refunding bonds]

Such refunding revenue bonds may be exchanged on a basis of par for the securities to be refunded, or such bonds may be sold at not less than their par value and accrued interest and the proceeds received shall be used to pay the bonds which are to be refunded thereby.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-710 [Powers of municipal authority regarding refunding bonds]

The corporate authorities of any such municipality are authorized to take any action that may be necessary to inform owners of outstanding bonds regarding the financial condition of the fund out of which the bonds are payable and the necessity of refunding the same and readjusting the maturities thereof and the corporate authorities may enter into any agreements required to prepare and carry out any refunding plan, and without previous appropriation therefor under any law may incur and pay expenditures that may be necessary in order to accomplish the refunding of such bonds.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-711 [Specific performance]

The holder of any bond or refunding bond or interest coupon by a civil action, may enforce and compel performance of all duties of the issuing municipality as required by this Division of this Article and the ordinance authorizing the issuance of the bonds, including the duties of fixing sufficient tolls and charges and the collection, segregation, and application of the revenue derived from the operation of the bridge. In case of default, a receiver may be appointed by a judge of the circuit court to take possession of, operate, and maintain the bridge, charge and collect tolls, and segregate and apply the money received in accordance with the ordinance relating thereto.

HISTORY:
P.A. 79-1366.

605 ILCS 5/10-712 [Bond issue without election]

Revenue bonds, including refunding bonds, may be issued under this Division of this Article without submitting the proposition of the approval of the ordinance or the question of the issuance of the bonds to the electors of the municipality, except as otherwise provided in Section 10-708 [605 ILCS 5/10-708].

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-713 [Bridge Commission]

Any municipality may by ordinance provide for the establishment of a Bridge Commission, to consist of 3 persons resident therein to be appointed by the Mayor, for terms of 4 years and until their successors are appointed; provided that of the Commissioners first appointed, one shall be appointed for a term of 2 years, one for 3 years and one for 4 years, as designated by the Mayor. The Commissioners shall receive no compensation for their services but shall be reimbursed for actual expenses incurred in the discharge of their duties. Vacancies in the office of any Commissioner shall be filled by the Mayor by appointment for the unexpired term.

The ordinance may vest in the Bridge Commission the duties and responsibilities incident to the acquisition or construction of the bridge project, the operation and maintenance of the bridge project, the execution of contracts for the acquisition, construction and maintenance thereof, the collection of the tolls and other charges of the municipality for transit over or use of the bridge, and such other powers as the corporate authorities may deem necessary or desirable. Nothing in this section shall be construed to authorize a delegation of power to the Bridge Commission to adopt any ordinance pertaining to the issuance of revenue bonds or refunding revenue bonds or the fixing of rates of toll.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-714 [Limitation on powers]

Where a municipality desires to undertake a bridge project under this Division of this Article which involves property within the corporate limits of another municipality or municipalities, the powers designated in this Division of this Article shall not be exercised in respect to such property except with the consent of the corporate authorities of such other municipality or municipalities as evidenced by an ordinance or ordinances thereof. The municipalities involved may by agreement determine their respective rights, duties and obligations thereunder.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-715 [Investment in bonds]

The State and all counties, municipalities and other municipal corporations, political subdivisions and public bodies, and public officers of any thereof, all banks, bankers, trust companies, saving banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds, including refunding bonds, issued pursuant to this Division of this Article, it being the purpose of this Section to authorize the investment in such bonds of all sinking, insurance, retirement, compensation, pension and trust funds, whether owned or controlled by private or public persons or officers. However, nothing contained in this Section may be construed as relieving any person, firm, or corporation from any duty of exercising reasonable care in selecting securities for purchase or investment.

HISTORY:
Laws 1959, p. 196.

DIVISION 8.

MUNICIPAL BRIDGES OVER RIVER FORMING STATE BOUNDARY

605 ILCS 5/10-801 [Definitions]

In this Division of this Article, unless the context otherwise requires:

(1) "Bridge" means any bridge over any river forming a boundary of this State carrying highway, rail or other traffic, or any deck, level or part of such bridge whether or not the entire bridge is owned or to be owned by the municipality, and all property, rights-of-way, easements, approaches, and franchises in connection therewith, and may mean two or more of such bridges, decks, levels or parts thereof;

(2) "Net revenue" means the gross revenue of a bridge less the reasonable cost of operating, maintaining, and repairing the bridge;

(3) "United States" means the United States of America and any agent, agency, department, bureau, commission or authority thereof of whatsoever kind;

(4) "Holder" means the holder or holders of any of the bonds issued under the authority of this Division of this Article.

HISTORY:
Laws 1961, p. 2575.

605 ILCS 5/10-802 [Powers]

Each municipality has the power:

(1) To acquire, by purchase or otherwise, construct, reconstruct, improve, enlarge, better, operate, maintain and repair any bridge within the corporate limits or within 5 miles of the corporate limits of the municipality;

(2) To acquire, purchase, hold, use, lease, mortgage, sell, transfer and dispose of any property, real or personal or mixed, tangible or intangible, or any interest therein, in connection with such a bridge, including the power and authority to grant perpetual easements or franchises to any railroad or public transportation facility or any assignee thereof, as a part of the consideration of the purchase of any such bridge, for the exclusive right to the use of a portion or portions of any such bridge for the transportation of persons or property across such bridge;

(3) To fix, alter, charge, collect, segregate, and apply tolls and other charges for transit over and use of such a bridge, provided that, if electronic toll collection is used on such bridge or ferry, the municipality shall configure the electronic toll collection system to be compatible with the electronic toll collection system used by the Illinois State Toll Highway Authority;

(4) To borrow money, make and issue bonds payable from and secured by a pledge of the net revenue of the bridge for the acquisition, construction, reconstruction, improvement, enlargement, betterment or repair of which such bonds may be issued;

(5) To cooperate with any adjoining state, or any political subdivision, agency, department, bureau, commission or authority thereof, of whatsoever kind, in the acquisition, construction, reconstruction, improvement, enlargement, betterment, operation, maintenance and repair of any bridge, and in defraying the cost thereof;

(6) To make contracts of every kind and nature and to execute all instruments necessary or convenient for the carrying out of the purposes of this Division of this Article;

(7) Without limitation of the foregoing, to borrow money and to accept grants from the United States or any person, and to enter into contracts with the United States and such person in connection therewith;

(7.5) To enter into intergovernmental agreements with the Illinois State Toll Highway Authority to provide for the compatibility of electronic toll collection services or to have the Authority provide electronic toll collection or toll violation enforcement services; and

(8) To alter, widen, lay out, open or construct any streets, avenues or boulevards within or without any municipality deemed necessary to provide adequate traffic regulation and approach or approaches to such bridge or bridges, and to borrow money and issue bonds for such purpose as provided by this Division of this Article.

HISTORY:
Laws 1961, p. 2575; P.A. 97-252, § 5.

605 ILCS 5/10-803 [Revenue bonds]

Without limiting any other powers granted in this Division of this Article, each municipality has the power to provide for the payment of the cost of acquiring, constructing, reconstructing, improving, enlarging, bettering or repairing any bridge or for the payment of any portion of such cost by one or more issues of revenue bonds of the municipality, payable solely from the net revenue of such bridge. These bonds shall be authorized by ordinance of the corporate authorities of the municipality and shall be in substantially the form set forth in the ordinance. The bonds may be serial or term; redeemable, with or without premium, or non-redeemable; shall bear interest at such rate or rates, not exceeding the maximum rate authorized by the Bond Authorization Act [30 ILCS 305/0.01 et seq.], as amended at the time of the making of the contract, payable at such times as may be provided; shall mature at such times not exceeding the life of the bridge, for the acquisition, construction, reconstruction, improvement, enlargement, betterment or repair of which they are issued, as estimated by the corporate authorities, but in no event exceeding 40 years; and shall be issued in such amounts and payable at such place or places, within or without the State, as shall be prescribed in the ordinance authorizing their issuance. The bonds of any issue may be delivered in such installments from time to time, and at such place or places, within or without the State, as the corporate authorities may, by resolution, determine.

The bonds shall be signed by such officer or officers as the corporate authorities shall determine, and coupon bonds shall have attached thereto interest coupons bearing the facsimile signatures of such officer or officers as the corporate authorities shall determine, in the ordinance authorizing the bonds. The signature of only one of the officers signing the bonds need be a manual signature, and the signature of any other officers signing the bonds may be facsimile signatures. A facsimile of the seal of the municipality may be imprinted on the bonds. The bonds may be issued and delivered notwithstanding the fact that an officer signing the bonds or whose facsimile signature appears upon any of the bonds or coupons has ceased to hold his office at the time that the bonds are actually delivered, and notwithstanding the fact that an officer whose facsimile signature appears upon the bonds or coupons has ceased to hold his office at the time that the bonds are manually signed by the officer or officers required to sign the bonds manually.

The bonds of the municipality may be sold in such manner, at such times, and at such prices as the corporate authorities may determine, but no sale shall be made at a price which would make the interest cost to maturity on the money received therefor computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, exceed 6% annually. The principal of and interest upon the bonds shall be payable solely from the net revenue derived from the operation of the bridge acquired, constructed, reconstructed, improved, enlarged, bettered or repaired with the proceeds of the sale of the bonds. No bond

issued pursuant to this Division of this Article shall constitute an indebtedness of a municipality within the meaning of any constitutional, statutory or charter limitation. It shall be plainly stated on the face of each bond in substance that the bond has been issued under the provisions of this Division of this Article and that the taxing power and general credit of the municipality issuing the bond are not pledged to the payment of the bond, or interest thereon, and that the bond and the interest thereon are payable solely from the net revenue of the bridge to acquire, construct, reconstruct, improve, enlarge, better or repair which the bond is issued.

The cost of the acquisition, construction, reconstruction, improvement, enlargement, betterment or repair of any bridge shall include debt service reserves to secure the payment of bonds issued therefor under this Division of this Article, interest during the period, as estimated by the corporate authorities, of such construction, reconstruction, improvement, enlargement, betterment or repair and for not exceeding 12 months thereafter, and also all engineering, legal, architectural, traffic surveying and other expenses incident to such acquisition, construction, reconstruction, improvement, enlargement, betterment or repair and incident to the acquisition of any and all necessary property in connection therewith and also incident to the financing thereof, including the cost of acquiring existing franchises, easements, rights, plans, and works of and relating to the bridge. If the proceeds of the bonds issued shall exceed the cost as finally determined, the excess shall be applied to the payment, purchase or redemption of the bonds. Bonds and interest coupons issued under this Division of this Article shall possess all the qualities of negotiable instruments. Such bonds shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies, and insurance companies organized under the laws of the State of Illinois.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

HISTORY:
P.A. 86-4.

605 ILCS 5/10-804 [Revenue bond ordinance]

An ordinance authorizing bonds under this Division of this Article may contain provisions, which shall be part of the contract with the holders of the bonds, as to (1) the dates, maturities, denominations, rate of interest, places and medium of payment of the bonds and other details in connection with the bonds or their issuance, (2) the rates of tolls and other charges to be charged by the municipality for transit over or use of the bridge, and their segregation and application, (3) the registration of the bonds as to principal only or as to both principal and interest, and the interchangeability and exchangeability of the bonds, (4) the redemption of the bonds, and the price at which they are redeemable, (5) the setting aside of reserves or sinking funds and the regulation and disposition thereof, (6) limitations upon the issuance of additional bonds payable from the revenue of the bridge or upon the rights of the holders of these additional bonds, and (7) other agreements with the holders of the bonds or covenants or restrictions necessary or desirable to safeguard the interests of these holders.

After the passage of an ordinance providing for the issuance of the revenue bonds under this Division of this Article, the ordinance shall be published in the same manner and form as is required for other ordinances of the municipality. The ordinance shall become effective 10 days after publication.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-805 [Tolls; accounts]

The municipality shall fix rates of toll to be charged for transit over and use of such a bridge. These rates shall be so fixed, charged, and adjusted as to provide revenue at all times sufficient (1) to pay the reasonable cost of maintaining (including insurance), operating and repairing the bridge; (2) to provide a sinking fund and reserves sufficient to pay the principal of and interest on the bonds out of the revenue from the bridge, as the bonds mature and fall due; (3) to pay the redemption or repurchase price of all bonds redeemed or repurchased before maturity as provided in this Division of this Article; and (4) to fulfill the terms and provisions of any agreement with holders of the bonds.

An accurate record of the cost of each bridge, the expenditures for maintaining, operating, and repairing the bridge, and of the daily tolls collected, shall be kept and shall be available for the information of all persons interested. The municipality shall classify in a reasonable way all traffic over the bridge, and the tolls shall be fixed and adjusted by it as to be uniform in their application to all traffic falling within any such reasonable class.

The municipality shall operate the bridge as a toll bridge and after all the covenants contained in the ordinance authorizing the issuance of any revenue bonds have been complied with annually and there be any surplus revenues remaining such surplus may be appropriated by such municipality for any proper

corporate purpose, or pledged for the payment of any revenue bonds issued under this Division of this Article by the municipality for the construction or acquisition of any other bridge or bridges. After all bonds payable out of the revenues thereof have been paid in full, the municipality may continue to operate such bridge as a toll bridge and rates shall be fixed, charged and adjusted so as to produce revenue annually in an amount not to exceed 5% of the cost of the bridge as shown by the records of the municipality required to be kept as in this Division of this Article provided. The revenues thus produced shall be used to maintain, operate and repair such bridge, provided any surplus remaining after properly setting aside sums for maintenance, operation and repair of the bridge may be appropriated for any corporate purpose or pledged for the payment of any revenue bonds issued under this Division of this Article by the municipality for the construction or acquisition of any other bridge or bridges.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-806 [Refunding revenue bonds]

Any municipality may by ordinance authorize the issue of refunding revenue bonds under this Division of this Article payable solely from the net revenue of one or more bridges to refund the principal, premium, if any, and accrued interest of any one or more issues of its outstanding revenue bonds issued under the provisions of this Division of this Article and which by their terms are payable solely from the revenue of any bridge or bridges, such refunding to be made at or after maturity or prior to maturity with the consent of the holders thereof, provided that such consent shall not be required if such bonds are subject to redemption prior to maturity, and any such refunding revenue bonds may bear interest at a rate not to exceed the maximum rate authorized by the Bond Authorization Act [30 ILCS 305/0.01 et seq.], as amended at the time of the making of the contract, payable at such times as may be provided by the ordinance authorizing the issue thereof. All of the provisions of this Division of this Article with respect to the form, maturities and other details of bonds and the security therefor and covenants with respect thereto shall be applicable to such refunding bonds, and such refunding bonds may be consolidated with and be a part of an issue of revenue bonds issued pursuant to the provisions of this Division of this Article for the payment of the cost of acquiring, constructing, reconstructing, improving, enlarging, bettering or repairing any bridge or for the payment of any portion of such cost. Any ordinance authorizing such refunding revenue bonds may contain such covenants and restrictions upon the issuance of additional revenue bonds as may be deemed necessary or advisable for the assurance of the payment of the revenue bonds thereby authorized.

With respect to instruments for the payment of money issued under this Section either before, on, or after the effective date of this amendatory Act of 1989, it is and always has been the intention of the General Assembly (i) that the Omnibus Bond Acts are and always have been supplementary grants of power to issue instruments in accordance with the Omnibus Bond Acts, regardless of any provision of this Act that may appear to be or to have been more restrictive than those Acts, (ii) that the provisions of this Section are not a limitation on the supplementary authority granted by the Omnibus Bond Acts, and (iii) that instruments issued under this Section within the supplementary authority granted by the Omnibus Bond Acts are not invalid because of any provision of this Act that may appear to be or to have been more restrictive than those Acts.

HISTORY:
P.A. 86-4.

605 ILCS 5/10-807 [Specific performance]

The holder of any bond or interest coupon may, by mandamus, injunction, civil action or proceeding, enforce and compel performance of all duties of the issuing municipality as required by this Division of this Article and the ordinance authorizing the issuance of the bonds, including the duties of fixing sufficient tolls and charges and the collection, segregation, and application of the revenue derived from the operation of the bridge. In case of default, a receiver may be appointed by a judge of the circuit court to take possession of, operate, and maintain the bridge, charge and collect tolls, and segregate and apply the money received in accordance with the ordinance relating thereto.

HISTORY:
P.A. 84-1308.

605 ILCS 5/10-808 [Bond issue without election]

Revenue bonds may be issued under this Division of this Article without submitting the proposition of the approval of the ordinance or the question of the issuance of the bonds to the electors of the municipality.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/10-809 [Ratification and validation clause]

All proceedings heretofore taken by any municipality under this or any prior Act for the acquisition, construction, reconstruction, improvement, enlargement, betterment or repair of any bridge over any river forming a boundary of this State, and all revenue bonds issued by any municipality for the financing of the acquisition, construction, reconstruction, improvement, enlargement, betterment or re-

pair thereof are hereby ratified, validated and confirmed.

HISTORY:
Laws 1961, p. 2575.

DIVISION 9.

DEPARTMENT ACQUISITION OF CERTAIN FERRIES

605 ILCS 5/10-901 [Acquisition of ferries]

The Department may acquire, by purchase or by condemnation, the franchise and all equipment, boats, landing facilities, and other appurtenances of any ferry in existence on March 15, 1959, operating on the Illinois River and connecting any road a part of the county highway system in any county having not more than 7,000 inhabitants, as determined by the 1950 Federal census, with any State highway in any county having not more than 16,000 inhabitants, as determined by the same census.

HISTORY:
Laws 1959, p. 1190.

605 ILCS 5/10-902 [Maintenance and operation of ferries]

The Department may maintain and operate any ferry acquired under Section 10-901 of this Code [605 ILCS 5/10-901] as a free ferry service for the conveyance of persons, motor vehicles and other property across the Illinois River so long as such operation is justified by the amount of traffic using such ferry. The location of ferry landings and the route of any ferry acquired and operated under the authority of these sections shall be such as the Department determines will be most convenient to the majority of the users of such service considering economy of operation of such service. If deemed desirable and feasible by the Department the operation of such service may be relocated by the Department and new approaches and facilities constructed to serve the relocated site of operation.

HISTORY:
Laws 1959, p. 1190.

605 ILCS 5/10-903 [Funds]

The Department may use funds regularly appropriated to it for the construction and maintenance of highways for the purposes set forth in Section 10-901 and 10-902 of this Code [605 ILCS 5/10-901 and 605 ILCS 5/10-902].

HISTORY:
Laws 1959, p. 1190.

DIVISION 10.

DEPARTMENT MAINTENANCE AND CONTROL OF COVERED BRIDGES

605 ILCS 5/10-1001 [Maintenance and control of covered bridges]

The Department shall repair, maintain, operate, control and preserve every covered bridge (and the abutments and approaches thereof) in this State, meaning every structure which spans a watercourse, chasm, ravine, road or railroad in or forming a boundary line of this State and affording passage from one bank or side thereof to the other, and which is enclosed in such manner as to prevent a clear, unimpeded view of the interior thereof from the top or longitudinal sides thereof.

HISTORY:
Laws 1963, p. 3473.

ARTICLE 11.

EFFECT OF CODE, REPEAL AND OTHER PROVISIONS

Section

605 ILCS 5/11-101 [Headings]

Article and Division headings contained herein shall not be deemed to govern, limit, modify or in any manner affect the scope, meaning or intent of the provisions of any article or Division hereof.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/11-102 [Internal references]

Where, in this Code, reference is made to a Section, Division or Article by its number and no Act is specified, the reference is to the correspondingly numbered Section, Division or Article of this Code. Where reference is made to "this Article" or "this Division" or "this Section" and no Act is specified, the reference is to the Article, Division or Section of this Code in which the reference appears. If any Section, Division or Article of this Code is hereafter amended, the reference shall thereafter be treated and considered as a reference to the Section, Division or Article as so amended.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/11-103 [Severability]

The invalidity of any provision of this Code shall not affect the validity of the remainder of this Code.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/11-104 [Effect of repeal; construction; references to prior law; construction of term road district]

The repeal of a statute or part thereof by this Code shall not affect any action pending or rights existing at the time this Code takes effect; neither shall this Code impair the validity of any proceedings taken or tax levied or extended under such prior statute or impair the validity of any bonds or other indebtedness outstanding at the time this Code takes effect.

The provisions of this Code insofar as they are the same or substantially the same as those of any prior statute, shall be construed as a continuation of such prior statute and not as a new enactment.

If in any other statute reference is made to an Act of the General Assembly, or a Section of such an Act, which is continued in this Code, such reference shall be held to refer to the Act or Section thereof so continued in this Code.

When a road district comprises a single township under the provisions of this Code, the term "road district" shall be construed as being synonymous with the term "township" as used in any law repealed by this Code.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/11-105 [Payment of indebtedness]

Any bond or other evidence of indebtedness issued under the provisions of any Act repealed by this Code which is outstanding and unpaid on the effective date of this Code shall be amortized and retired by taxation or revenue in the manner provided by the Act under which such indebtedness was incurred, notwithstanding the repeal of such Act.

However, the provisions of this Section shall not be construed to prevent the refunding of any such indebtedness under the provisions of this Code or as may be otherwise provided by law.

HISTORY:
Laws 1959, p. 196.

605 ILCS 5/11-106 [Cumulative effect]

The provisions of this Code shall be cumulative in effect and if any provision is inconsistent with another provision of this Code or with any other Act not expressly repealed by Section 11-107 it shall be considered as an alternative or additional power and not as a limitation upon any other power granted to or possessed by the several highway authorities.

HISTORY:
Laws 1959, p. 196.

TOLL HIGHWAY ACT

Section

605 ILCS 10/1 [Legislative determination]

It is hereby declared, as a matter of legislative determination, that in order to promote the public welfare, and to facilitate vehicular traffic by providing convenient, safe, modern and limited access highways designed for the accommodation of the needs of the traveling public through and within the State of Illinois, that it is necessary in the public interest to provide for the construction, operation, regulation and maintenance of a toll highway or a system of toll highways, incorporating therein the benefits of advanced engineering skill, design, experience and safety factors, to eliminate existing traffic hazards, and to prevent automotive injuries and fatalities, and to create The Illinois State Toll Highway Authority, as an instrumentality and administrative agency of the State of Illinois, and to confer upon and vest in said Authority all powers necessary or appropriate to enable said Authority to carry out the foregoing stated legislative purpose and determination.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/1.1 Short title

This Act may be cited as the Toll Highway Act.

HISTORY:
P.A. 86-1324.

605 ILCS 10/2 [Definitions]

The following words and terms as used in this Act shall have the following meanings:

(a) The word "Authority" shall mean The Illinois State Toll Highway Authority.

(b) The word "person," shall mean any individual, firm, association, partnership, corporation, trustee or legal representative.

(c) The word "owner," shall include all individuals, copartnerships, firms, associations, corporations, trustees or legal representatives, and others having any title or interest in any property, rights or easements authorized to be acquired by this Act.

(d) The words "toll highway" or "toll highways," shall mean such highways as are so designed and constructed, in the best professional judgment of the engineering staff responsible, as to accomplish the purposes of this Act.

(e) The word "toll" or "tolls" shall mean the compensation to be paid to The Illinois State Toll Highway Authority for the privilege of using any toll highway, or portions or parts thereof, by vehicular or other traffic.

(f) The word "cost" as applied to a toll highway shall embrace the cost of construction, including bridges over or under existing highways and railroads, the cost of acquisition of all land, rights of way, property, rights, easements and interests acquired by the Authority for such construction, the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved, the cost of diverting highways, interchange of highways, access to roads to private property, including the cost of lands or easements therefor, the cost of all machinery and equipment, financing charges, interest prior to and during construction, and for one or more years after completion of construction, cost of traffic estimates and of engineering and legal expenses, plans, specifications, surveys, estimates of cost and revenues, other expenses necessary or incident to determining the feasibility or practicability of constructing any such toll highway, administrative expenses and such other expense as may be necessary or incident to the construction of the toll highway, the financing of such construction and the placing of the highway in operation.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/3 [The Illinois State Toll Highway Authority]

There is hereby created an Authority to be known as The Illinois State Toll Highway Authority, which is hereby constituted an instrumentality and an administrative agency of the State of Illinois. The said Authority shall consist of 11 directors; the Governor and the Secretary of the Department of Transportation, ex officio, and 9 directors appointed by the Governor with the advice and consent of the Senate, from the State at large, which said directors and their successors are hereby authorized to carry out the provisions of this Act, and to exercise the powers herein conferred. Of the 9 directors appointed by the Governor, no more than 5 shall be members of the same political party.

Notwithstanding any provision of law to the contrary, the term of office of each director of the Authority serving on the effective date of this amendatory

Act of the 100th General Assembly, other than the Governor and the Secretary of the Department of Transportation, is abolished and a vacancy in each office is created on the effective date of this amendatory Act of the 100th General Assembly. The Governor shall appoint directors to the Authority for the vacancies created under this amendatory Act of the 100th General Assembly by February 28, 2019. Directors whose terms are abolished under this amendatory Act of the 100th General Assembly shall be eligible for reappointment.

Vacancies shall be filled for the unexpired term in the same manner as original appointments. All appointments shall be in writing and filed with the Secretary of State as a public record. It is the intention of this section that the Governor's appointments shall be made with due consideration to the location of proposed toll highway routes so that maximum geographic representation from the areas served by said toll highway routes may be accomplished insofar as practicable. The said Authority shall have the power to contract and be contracted with, to acquire, hold and convey personal and real property or any interest therein including rights of way, franchises and easements; to have and use a common seal, and to alter the same at will; to make and establish resolutions, by-laws, rules, rates and regulations, and to alter or repeal the same as the Authority shall deem necessary and expedient for the construction, operation, relocation, regulation and maintenance of a system of toll highways within and through the State of Illinois.

Appointment of the additional directors provided for by this amendatory Act of 1980 shall be made within 30 days after the effective date of this amendatory Act of 1980.

HISTORY:
P.A. 86-1164; 2018 P.A. 100-1180, § 5, effective February 28, 2019.

605 ILCS 10/3.1: [Repealed] Repealed by P.A. 92-850, § 55, effective August 26, 2002.

605 ILCS 10/4 [Chairman; tenure; powers; salary]

Of the directors appointed by the Governor, one such director shall be appointed by the Governor as chairman and shall hold office for 4 years from the date of his appointment, and until his successor shall be duly appointed and qualified, but shall be subject to removal by the Governor for incompetency, neglect of duty or malfeasance. The term of the initial chairman appointed under this amendatory Act of the 100th General Assembly shall end March 1, 2021 and the chairman shall serve until his or her successor is duly appointed and qualified.

The chairman shall preside at all meetings of the Board of Directors of the Authority; shall exercise general supervision over all powers, duties, obligations and functions of the Authority; and shall approve or disapprove all resolutions, by-laws, rules, rates and regulations made and established by the Board of Directors, and if he shall approve thereof, he shall sign the same, and such as he shall not approve he shall return to the Board of Directors with his objections thereto in writing at the next regular meeting of the Board of Directors occurring after the passage thereof. Such veto may extend to any one or more items contained in such resolution, by-law, rule, rate or regulation, or to its entirety; and in case the veto extends to a part of such resolution, by-law, rule, rate or regulation, the residue thereof shall take effect and be in force, but in case the chairman shall fail to return any resolution, by-law, rule, rate or regulation with his objections thereto by the time aforesaid, he shall be deemed to have approved the same, and the same shall take effect accordingly. Upon the return of any resolution, by-law, rule, rate or regulation by the chairman, the vote by which the same was passed shall be reconsidered by the Board of Directors, and if upon such reconsideration two-thirds of all the Directors agree by yeas and nays to pass the same, it shall go into effect notwithstanding the chairman's refusal to approve thereof. The process of approving or disapproving all resolutions, by-laws, rules, rates and regulations, as well as the ability of the Board of Directors to override the disapproval of the chairman, under this Section shall be set forth in the Authority's by-laws. Nothing in the Authority's by-laws, rules, or regulations may be contrary to this Section.

The chairman shall receive a salary of $18,000 per annum, or as set by the Compensation Review Board, whichever is greater, payable in monthly installments, together with reimbursement for necessary expenses incurred in the performance of his duties. The chairman shall be eligible for reappointment.

HISTORY:
P.A. 83-1177; 2018 P.A. 100-1180, § 5, effective February 28, 2019.

605 ILCS 10/5 [Directors; tenure; vacancies; salary]

Of the original directors, other than the chairman, so appointed by the Governor, 3 shall hold office for 2 years and 3 shall hold office for 4 years, from the date of their appointment and until their respective successors shall be duly appointed and qualified, but shall be subject to removal by the Governor for incompetency, neglect of duty or malfeasance. In case of vacancies in such offices during the recess of the Senate, the Governor shall make a temporary appointment until the next meeting of the Senate when he shall nominate some person to fill such office and any person so nominated, who is confirmed by the Senate, shall hold office during the remainder of the term and until his successor shall be appointed and qualified. The respective term of the first directors appointed shall be designated by the Governor at the time of appointment, but their successors shall each be appointed for a term of four years, except that any person appointed to fill a vacancy shall serve only for

the unexpired term. Directors shall be eligible for reappointment.

In making the initial appointments of the 2 additional directors provided for by this amendatory Act of 1980, the respective terms of the 2 additional directors first appointed shall be designated by the Governor at the time of appointment in such manner that the term of one such additional director shall expire at the same time as the terms of 4 of the other directors and the term of the other additional director shall expire at the same time as the terms of 3 of the other directors; thereafter the terms shall be 4 years.

Of the initial directors, other than the chairman, appointed under the provisions of this amendatory Act of the 100th General Assembly, 4 shall serve terms running through March 1, 2021. The 4 remaining directors shall serve terms running through March 1, 2023. Thereafter the terms of all directors shall be 4 years. Directors shall serve until their respective successors are duly appointed and qualified. Directors shall be eligible for reappointment.

Each such director, other than ex officio members shall receive an annual salary of $15,000, or as set by the Compensation Review Board, whichever is greater, payable in monthly installments, and shall be reimbursed for necessary expenses incurred in the performance of his duties.

HISTORY:
P.A. 86-1164; 2018 P.A. 100-1180, § 5, effective February 28, 2019.

605 ILCS 10/6 [Commencement of duties]

Immediately after such appointment and qualification as hereinafter provided said chairman and directors shall enter upon their duties. The directors shall biennially select a secretary, who may or may not be a director, and if not a director fix his compensation. Six directors shall constitute a quorum. No vacancy in the said Board of Directors shall impair the right of a quorum of the directors to exercise all the rights and perform all the duties of the Authority.

HISTORY:
P.A. 81-1363.

605 ILCS 10/7 [Execution of bond; benefits]

The chairman of the Board of Directors shall execute and file as hereinafter provided, a bond in the penal sum of $100,000. Each other director, other than the ex officio directors shall qualify by executing and filing, as hereinafter provided, a bond in the penal sum of $25,000, and the secretary, if not a member of the Authority, shall execute and file, as hereinafter provided, a bond in the penal sum of $15,000. All such bonds shall be payable to the People of the State of Illinois, and be conditioned upon the faithful performance of the duties imposed upon such chairman, directors or secretary under this Act. Said bonds shall be subject to the approval of the Governor and of the Attorney General of the State of Illinois, and shall, when executed and so approved, be filed in the office of the Secretary of State. The said bonds herein required to be furnished shall be with a surety company, or companies, authorized to do business in this State under the laws thereof, and the cost of any official bonds required to be furnished hereunder shall be paid out of any fund subject to expenditure by the Authority.

The chairman, directors and secretary of the Authority shall be eligible to participate in all pensions, accident, health and benefit plans established by the Authority for its employees in the same manner and form as all other employees.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/7.5 Public comments at board meetings; notice.

(a) The board of directors shall set aside a portion of each meeting of the board that is open to the public pursuant to the provisions of the Open Meetings Act [5 ILCS 120/1 et seq.], except as otherwise provided in this Section, during which members of the public who are present at the meeting may comment on any subject.

(b) An agenda for each meeting of the board shall be posted on the Authority's public website and at the headquarters building of the Authority at least 2 business days in advance of the holding of the meeting. Any agenda required under this Section shall set forth the general subject matter of any issue that will be the subject of final action at the meeting and shall include specific details concerning contracts for projects entered into under this Act involving amounts over $100,000 that may be approved at the meeting, along with an Internet link to such details provided on the agenda posted at the Authority's headquarters building.

HISTORY:
P.A. 90-681, § 5; 2018 P.A. 100-867, § 5, effective January 1, 2019.

605 ILCS 10/8 [Powers — Acquisition and disposal of property; contracts; employment of personnel; legal counsel; acquisition, construction and maintenance of highways]

The Authority shall have the power:

(a) To acquire, own, use, hire, lease, operate and dispose of personal property, real property (except with respect to the headquarters building and surrounding land of the Authority located at 2700 Ogden Avenue, Downers Grove, Illinois, which may be sold or mortgaged only as provided in Section 7.5 of the State Property Control Act [30 ILCS 605/7.5] to the extent that such property is subject to the State Property Control Act [30 ILCS 605/1 et seq.] at the time of the proposed sale), any interest therein, including rights-of-way, franchises and easements.

(b) To enter into all contracts and agreements necessary or incidental to the performance of its powers under this Act. All employment contracts let under this Act shall be in conformity with the applicable provisions of "An Act regulating wages of laborers, mechanics and other workers employed under contracts for public works," approved June 26, 1941, as amended [820 ILCS 130/1 et seq.].

(c) To employ and discharge, without regard to the requirements of any civil service or personnel act, such administrative, engineering, traffic, architectural, construction, and financial experts, and inspectors, and such other employees, as are necessary in the Authority's judgment to carry out the purposes of this Act; and to establish and administer standards of classification of all of such persons with respect to their compensation, duties, performance, and tenure; and to enter into contracts of employment with such persons for such periods and on such terms as the Authority deems desirable.

(d) To appoint by and with the consent of the Attorney General, assistant attorneys for such Authority, which said assistant attorneys shall be under the control, direction and supervision of the Attorney General and shall serve at his pleasure.

(e) To retain special counsel, subject to the approval of the Attorney General, as needed from time to time, and fix their compensation, provided however, such special counsel shall be subject to the control, direction and supervision of the Attorney General and shall serve at his pleasure.

(f) To acquire, construct, relocate, operate, regulate and maintain a system of toll highways through and within the State of Illinois. However, the Authority does not have the power to acquire, operate, regulate or maintain any system of toll highways or toll bridges or portions of them (including but not limited to any system organized pursuant to Division 108 of Article 11 of the Illinois Municipal Code [65 ILCS 5/11-108-1 et seq.]) in the event either of the following conditions exists at the time the proposed acquisition, operation, regulation or maintenance of such system is to become effective:

(1) the principal or interest on bonds or other instruments evidencing indebtedness of the system are in default; or

(2) the principal or interest on bonds or other instruments evidencing indebtedness of the system have been in default at any time during the 5 year period prior to the proposed acquisition.

To facilitate such construction, operation and maintenance and subject to the approval of the Division of Highways of the Department of Transportation, the Authority shall have the full use and advantage of the engineering staff and facilities of the Department.

HISTORY:
P.A. 83-1258; 93-19, § 30.

605 ILCS 10/8.5 Toll Highway Inspector General

(a) The Governor shall, with the advice and consent of the Senate by three-fifths of the elected members concurring by record vote, appoint a Toll Highway Inspector General for the purpose of detection, deterrence, and prevention of fraud, corruption, and mismanagement in the Authority. The Toll Highway Inspector General shall serve a 5-year term. If, during a recess of the Senate, there is a vacancy in the office of the Toll Highway Inspector General, the Governor shall make a temporary appointment until the next meeting of the Senate when the Governor shall make a nomination to fill that office. No person rejected for the office of the Toll Highway Inspector General shall, except by the Senate's request, be nominated again for that office at the same session of the Senate or be appointed to that office during a recess of that Senate. The Governor may not appoint a relative, as defined by item (6) of Section 10-15 of the State Officials and Employees Ethics Act [5 ILCS 430/10-15], as the Toll Highway Inspector General. The Toll Highway Inspector General may be removed only for cause and may be removed only by the Governor.

(b) The Toll Highway Inspector General shall have the following qualifications:

(1) has not been convicted of any felony under the laws of this State, another state, or the United States;

(2) has earned a baccalaureate degree from an institution of higher education; and

(3) has 5 or more years of cumulative service (i) with a federal, state, or local law enforcement agency, at least 2 years of which have been in a progressive investigatory capacity; (ii) as a federal, state, or local prosecutor; (iii) as a federal or state judge with a criminal docket; (iv) as a senior manager or executive of a federal, state, or local agency; or (v) representing any combination of (i) through (iv).

(c) The term of the initial Toll Highway Inspector General shall commence upon qualification and shall run through June 30, 2015. The initial appointments shall be made within 60 days after the effective date of this amendatory Act of the 96th General Assembly [P.A. 96-1347]. After the initial term, each Toll Highway Inspector General shall serve for 5-year terms commencing on July 1 of the year of appointment and running through June 30 of the fifth following year. A Toll Highway Inspector General may be reappointed to one or more subsequent terms. A vacancy occurring other than at the end of a term shall be filled by the Governor only for the balance of the term of the Toll Highway Inspector General whose office is vacant. Terms shall run regardless of whether the position is filled.

(d) The Toll Highway Inspector General shall have jurisdiction over the Authority and all board members, officers, and employees of, and vendors, subcontractors, and others doing business with the Authority. The jurisdiction of the Toll Highway Inspector General is to investigate allegations of fraud, waste, abuse, mismanagement, misconduct, nonfeasance, misfeasance, or malfeasance. Investigations may be

based on complaints from any source, including anonymous sources, and may be self-initiated, without a complaint. An investigation may not be initiated more than five years after the most recent act of the alleged violation or of a series of alleged violations except where there is reasonable cause to believe that fraudulent concealment has occurred. To constitute fraudulent concealment sufficient to toll this limitations period, there must be an affirmative act or representation calculated to prevent discovery of the fact that a violation has occurred. The authority to investigate alleged violations of the State Officials and Employees Ethics Act [5 ILCS 430/1-1 et seq.] by officers, employees, vendors, subcontractors, and others doing business with the Authority shall remain with the Office of the Governor's Executive Inspector General. The Toll Highway Inspector General shall refer allegations of misconduct under the State Officials and Employees Ethics Act to the Office of the Governor's Executive Inspector General for investigation. Upon completion of its investigation into such allegations, the Office of the Governor's Executive Inspector General shall report the results to the Toll Highway Inspector General, and the results of the investigation shall remain subject to any applicable confidentiality provisions in the State Officials and Employees Ethics Act. Where an investigation into a target or targets is split between allegations of misconduct under the State Officials and Employees Ethics Act, investigated by the Office of the Governor's Executive Inspector General, and allegations that are not of misconduct under the State Officials and Employees Ethics Act, investigated by the Toll Highway Inspector General, the Toll Highway Inspector General shall take reasonable steps, including continued consultation with the Office of the Governor's Executive Inspector General, to ensure that its investigation will not interfere with or disrupt any investigation by the Office of the Governor's Executive Inspector General or law enforcement authorities. In instances in which the Toll Highway Inspector General continues to investigate other allegations associated with allegations that have been referred to the Office of the Governor's Executive Inspector General pursuant to this subsection, the Toll Highway Inspector General shall report the results of its investigation to the Office of the Governor's Executive Inspector General.

(e)(1) If the Toll Highway Inspector General, upon the conclusion of an investigation, determines that reasonable cause exists to believe that fraud, waste, abuse, mismanagement, misconduct, nonfeasance, misfeasance, or malfeasance has occurred, then the Toll Highway Inspector General shall issue a summary report of the investigation. The report shall be delivered to the appropriate authority pursuant to paragraph (3) of subsection (f) of this Section, which shall have 20 days to respond to the report.

(2) The summary report of the investigation shall include the following:

(A) a description of any allegations or other information received by the Toll Highway Inspector General pertinent to the investigation.

(B) a description of any alleged misconduct discovered in the course of the investigation.

(C) recommendations for any corrective or disciplinary action to be taken in response to any alleged misconduct described in the report, including but not limited to discharge.

(D) other information the Toll Highway Inspector General deems relevant to the investigation or resulting recommendations.

(3) Within 60 days after issuance of a final summary report that resulted in a suspension of at least 3 days or termination of employment, the Toll Highway Inspector General shall make the report available to the public by presenting the report to the Board of the Authority and by posting to the Authority's public website. The Toll Highway Inspector General shall redact information in the summary report that may reveal the identity of witnesses, complainants, or informants or if the Toll Highway Inspector General determines it is appropriate to protect the identity of a person before the report is made public. The Toll Highway Inspector General may also redact any information that he or she believes should not be made public, taking into consideration the factors set forth in this subsection and paragraph (1) of subsection (k) of this Section and other factors deemed relevant by the Toll Highway Inspector General to protect the Authority and any investigations by the Toll Highway Inspector General, other inspector general offices or law enforcement agencies. Prior to publication, the Toll Highway Inspector General shall permit the respondents and the appropriate authority pursuant to paragraph (3) of subsection (f) of this Section to review the report and the documents to be made public and offer suggestions for redaction or provide a response that shall be made public with the summary report, provided, however, that the Toll Highway Inspector General shall have the sole and final authority to decide what redactions should be made. The Toll Highway Inspector General may make available to the public any other summary report and any such responses or a redacted version of the report and responses.

(4) When the Toll Highway Inspector General concludes that there is insufficient evidence that a violation has occurred, the Toll Highway Inspector General shall close the investigation. The Toll Highway Inspector General shall provide the appropriate authority pursuant to paragraph (3) of subsection (f) of this Section with a written statement of the Toll Highway Inspector General's decision to close the investigation. At the request of the subject of the investigation, the Toll Highway Inspector General shall provide a written statement to the subject of the investigation of the Toll Highway Inspector General's decision to close the

investigation. Closure by the Toll Highway Inspector General does not bar the Toll Highway Inspector General from resuming the investigation if circumstances warrant.

(f) The Toll Highway Inspector General shall:

(1) have access to all information and personnel necessary to perform the duties of the office.

(2) have the power to subpoena witnesses and compel the production of books and papers pertinent to an investigation authorized by this Section. A subpoena may be issued under this subparagraph (2) only by the Toll Highway Inspector General and not by members of the Toll Highway Inspector General's staff. Any person subpoenaed by the Toll Highway Inspector General has the same rights, under Illinois law, as a person subpoenaed by a grand jury. The power to subpoena or to compel the production of books and papers, however, shall not extend to the person or documents of a labor organization or its representatives insofar as the person or documents of a labor organization relate to the function of representing an employee subject to investigation under this Section. Subject to a person's privilege against self-incrimination, any person who fails to appear in response to a subpoena, answer any question, or produce any books or papers pertinent to an investigation under this Section, except as otherwise provided in this Section, or who knowingly gives false testimony in relation to an investigation under this Section is guilty of a Class A misdemeanor.

(3) submit reports as required by this Section and applicable administrative rules. Final reports and recommendations shall be submitted to the Authority's Executive Director and the Board of Directors for investigations not involving the Board. Final reports and recommendations shall be submitted to the Chair of the Board and to the Governor for investigations of any Board member other than the Chair of the Board. Final reports and recommendations for investigations of the Chair of the Board shall be submitted to the Governor.

(4) assist and coordinate with the ethics officer for the Authority.

(5) participate in or conduct, when appropriate, multi-jurisdictional investigations provided the investigation involves the Authority in some way, including, but not limited to, joint investigations with the Office of the Governor's Executive Inspector General, or with State, local, or federal law enforcement authorities.

(6) serve as the Authority's primary liaison with law enforcement, investigatory, and prosecutorial agencies and, in that capacity, the Toll Highway Inspector General may request any information or assistance that may be necessary for carrying out the duties and responsibilities provided by this Section from any local, state, or federal governmental agency or unit thereof.

(7) review hiring and employment files of the Authority to ensure compliance with Rutan v. Republican Party of Illinois, 497 U.S. 62 (1990), and with all applicable employment laws.

(8) establish a policy that ensures the appropriate handling and correct recording of all investigations conducted by the Office, and ensures that the policy is accessible via the Internet in order that those seeking to report suspected wrongdoing are familiar with the process and that the subjects of those allegations are treated fairly.

(9) receive and investigate complaints or information from an employee of the Authority concerning the possible existence of an activity constituting a violation of law, rules or regulations, mismanagement, abuse of authority, or substantial and specific danger to the public health and safety. Any employee of the Authority who knowingly files a false complaint or files a complaint with reckless disregard for the truth or falsity of the facts underlying the complaint may be subject to discipline.

(10) review, coordinate, and recommend methods and procedures to increase the integrity of the Authority.

(g) Within six months of appointment, the initial Toll Highway Inspector General shall propose rules, in accordance with the provisions of the Illinois Administrative Procedure Act [5 ILCS 100/1-1 et seq.], establishing minimum requirements for initiating, conducting, and completing investigations. The rules must establish criteria for determining, based upon the nature of the allegation, the appropriate method of investigation, which may include, but is not limited to, site visits, telephone contacts, personal interviews, or requests for written responses. The rules must establish the process, contents, and timing for final reports and recommendations by the Toll Highway Inspector General and for a response and any remedial, disciplinary, or both action by an individual or individuals receiving the final reports and recommendations. The rules must also clarify how the Office of the Toll Highway Inspector General shall interact with other local, state, and federal law enforcement authorities and investigations. Such rules shall provide that investigations and inquiries by the Office of the Toll Highway Inspector General must be conducted in compliance with the provisions of any collective bargaining agreement that applies to the affected employees of the Authority and that any recommendation for discipline or other action against any employee by the Office of the Toll Highway Inspector General must comply with the provisions of any applicable collective bargaining agreement.

(h) The Office of the Toll Highway Inspector General shall be an independent office of the Authority. Within its annual budget, the Authority shall provide a clearly delineated budget for the Office of the Toll Highway Inspector General. The budget of the Office of the Toll Highway Inspector General shall be adequate to support an independent and effective office.

Except with the consent of the Toll Highway Inspector General, the Authority shall not reduce the budget of the Office of the Toll Highway Inspector General by more than 10 percent (i) within any fiscal year or (ii) over the five-year term of each Toll Highway Inspector General. To the extent allowed by law and the Authority's policies, the Toll Highway Inspector General shall have sole responsibility for organizing the Office of the Toll Highway Inspector General within the budget established by the Toll Highway Board, including the recruitment, supervision, and discipline of the employees of that office. The Toll Highway Inspector General shall report directly to the Board of Directors of the Authority with respect to the prompt and efficient operation of the Office of the Tollway Highway Inspector General.

(i)(1) No Toll Highway Inspector General or employee of the Office of the Toll Highway Inspector General may, during his or her term of appointment or employment:

(A) become a candidate for any elective office;

(B) hold any other elected or appointed public office except for appointments on governmental advisory boards or study commissions or as otherwise expressly authorized by law;

(C) be actively involved in the affairs of any political party or political organization; or

(D) advocate for the appointment of another person to an appointed public office or elected office or position or actively participate in any campaign for any elective office. As used in this paragraph (1), "appointed public office" means a position authorized by law that is filled by an appointing authority as provided by law and does not include employment by hiring in the ordinary course of business.

(2) No Toll Inspector General or employee of the Office of the Toll Highway Inspector General may, for one year after the termination of his or her appointment or employment:

(A) become a candidate for any elective office;

(B) hold any elected public office; or

(C) hold any appointed State, county, or local judicial office.

(3) The requirements of subparagraph (C) of paragraph (2) of this subsection may be waived by the Executive Ethics Commission.

(j) All Board members, officers and employees of the Authority have a duty to cooperate with the Toll Highway Inspector General and employees of the Office of the Toll Highway Inspector General in any investigation undertaken pursuant to this Section. Failure to cooperate includes, but is not limited to, intentional omissions and knowing false statements. Failure to cooperate with an investigation pursuant to this Section is grounds for disciplinary action, including termination of employment. Nothing in this Section limits or alters a person's existing rights or protections under State or federal law.

(k)(1) The identity of any individual providing information or reporting any possible or alleged misconduct to the Toll Highway Inspector General shall be kept confidential and may not be disclosed without the consent of that individual, unless the individual consents to disclosure of his or her name or disclosure of the individual's identity is otherwise required by law. The confidentiality granted by this subsection does not preclude the disclosure of the identity of a person in any capacity other than as the source of an allegation.

(2) Subject to the provisions of subsection (e) of this Section, the Toll Highway Inspector General, and employees and agents of the Office of the Toll Highway Inspector General, shall keep confidential and shall not disclose information exempted from disclosure under the Freedom of Information Act [5 ILCS 140/1 et seq.] or by this Act.

(*l*) If the Toll Highway Inspector General determines that any alleged misconduct involves any person not subject to the jurisdiction of the Toll Highway Inspector General, the Toll Highway Inspector General shall refer the reported allegations to the appropriate Inspector General, appropriate ethics commission or other appropriate body. If the Toll Highway Inspector General determines that any alleged misconduct may give rise to criminal penalties, the Toll Highway Inspector General may refer the allegations regarding that misconduct to the appropriate law enforcement authority. If a Toll Highway Inspector General determines that any alleged misconduct resulted in the loss of public funds in an amount of $5,000 or greater, the Toll Highway Inspector General shall refer the allegations regarding that misconduct to the Attorney General and any other appropriate law enforcement authority.

(m) The Toll Highway Inspector General shall provide to the Governor, the Board of the Authority, and the General Assembly a summary of reports and investigations made under this Section no later than March 31 and September 30 of each year. The summaries shall detail the final disposition of the Inspector General's recommendations. The summaries shall not contain any confidential or identifying information concerning the subjects of the reports and investigations. The summaries shall also include detailed, recommended administrative actions and matters for consideration by the Governor, the Board of the Authority, and the General Assembly.

(n) Any employee of the Authority subject to investigation or inquiry by the Toll Highway Inspector General or any agent or representative of the Toll Highway Inspector General concerning misconduct that is criminal in nature shall have the right to be notified of the right to remain silent during the investigation or inquiry and the right to be represented in the investigation or inquiry by an attorney or a representative of a labor organization that is the exclusive collective bargaining representative of employees of the Authority. Any investigation or inquiry by the Toll Highway Inspector General or any agent or representative of the Toll Highway Inspector Gen-

eral must be conducted in accordance with the rights of the employees as set forth in State and federal law and applicable judicial decisions. Any recommendations for discipline or any action taken against any employee by the Toll Highway Inspector General or any representative or agent of the Toll Highway Inspector General must comply with the provisions of the collective bargaining agreement that applies to the employee.

(o) Nothing in this Section shall diminish the rights, privileges, or remedies of a State employee under any other federal or State law, rule, or regulation or under any collective bargaining agreement.

HISTORY:
P.A. 96-1347, § 5.

605 ILCS 10/9 [Powers — Plans and specifications for highways; acquisition and use of property; acceptance of conveyances]

The Authority shall have the power:

(a) To prepare, or cause to be prepared detailed plans, specifications and estimates, from time to time, for the construction, relocation, repair, maintenance and operation of toll highways within and through the State of Illinois.

(b) To acquire, hold and use real and personal property, including rights, rights-of-way, franchises, easements and other interests in land as it may desire, or as may be necessary or convenient for its authorized purposes by purchase, gift, grant or otherwise, and to take title thereto; to acquire in the manner that may now or hereafter be provided for by the law of eminent domain of this State, any real or personal property (including road building materials and public lands, parks, playgrounds, reservations, highways or parkways, or parts thereof, or rights therein, of any person, railroad, public service, public utility, or municipality or political subdivision) necessary or convenient for its authorized purpose. Such acquisition of real property, whether by purchase, gift, condemnation or otherwise, wherever necessary or convenient in the discretion of the Authority, may include the extension of existing rights and easements of access, use and crossing held by any person or persons, interests in land abutting on existing highways, and remnants or remainder property; and such acquisitions of real property may be free and clear of, and without any rights or easements of access, use and crossing in favor of any person or persons including interest in any land adjacent or contiguous to the land so acquired, provided however, that nothing herein contained shall be construed to authorize the taking or damaging of any private property for such purposes by the Authority, without just compensation.

(c) To accept conveyance of fee simple title to, or any lesser interest in, land, rights or property conveyed by the Department of Transportation under Section 4-508.1 of the Illinois Highway Code [605 ILCS 5/4-508.1].

(c-1) To establish presently the approximate locations and widths of rights of way for future additions to the toll highway system to inform the public and prevent costly and conflicting development of the land involved.

The Authority shall hold a public hearing whenever approximate locations and widths of rights of way for future toll highway additions are to be established. The hearing shall be held in or near the county or counties in which the land to be used is located and notice of the hearing shall be published in a newspaper or newspapers of general circulation in the county or counties involved. Any interested person or his or her representative may be heard. The Authority shall evaluate the testimony given at the hearing.

The Authority shall make a survey and prepare a map showing the location and approximate widths of the rights of way needed for future additions to the toll highway system. The map shall show existing highways in the area involved and the property lines and owners of record of all land that will be needed for the future additions and all other pertinent information. Approval of the map with any changes resulting from the hearing shall be indicated in the record of the hearing and a notice of the approval and a copy of the map shall be filed in the office of the recorder for all counties in which the land needed for future additions is located.

Public notice of the approval and filing shall be given in newspapers of general circulation in all counties in which the land is located and shall be served by registered mail within 60 days thereafter on all owners of record of the land needed for future additions.

The Authority may approve changes in the map from time to time. The changes shall be filed and notice given in the manner provided for an original map.

After the map is filed and notice thereof given to the owners of record of the land needed for future additions, no person shall incur development costs or place improvements in, upon, or under the land involved nor rebuild, alter, or add to any existing structure without first giving 60 days' notice by registered mail to the Authority. This prohibition shall not apply to any normal or emergency repairs to existing structures. The Authority shall have 45 days after receipt of that notice to inform the owner of the Authority's intention to acquire the land involved, after which it shall have an additional 120 days to acquire the land by purchase or to initiate action to acquire the land through the exercise of the right of eminent domain. When the right of way is acquired by the Authority, no damages shall be allowed for any construction, alteration, or addition in violation of this subsection (c-1) unless the Authority has failed to acquire the land by purchase or has abandoned an eminent domain proceeding initiated in accordance with this subsection (c-1).

Any right of way needed for additions to the toll highway system may be acquired at any time by the Authority. The time of determination of the value of the property to be taken under this Section for additions to the toll highway system shall be the date of the actual taking, if the property is acquired by purchase, or the date of the filing of a complaint for condemnation, if the property is acquired through the exercise of the right of eminent domain, rather than the date when the map of the proposed right of way was filed of record.

(c-2) Not more than 10 years after a protected corridor is established under subsection (c-1), and not later than the expiration of each 10-year period thereafter, the Authority shall hold a public hearing to discuss the viability and feasibility of the protected corridor. Following the hearing and giving due consideration to the information obtained at the hearing, the Board of Directors of the Authority shall vote to either continue or abolish the protected corridor.

(d) It is hereby declared, as a matter of legislative determination, that the fundamental goal of the people of Illinois is the educational development of all persons to the limits of their capacities, and this educational development requires the provision of environmentally and physically safe facilities.

If the building line of a building used primarily for the purpose of educating elementary or secondary students lies within 100 feet of any ingress or egress ramp that is used or that has been used by traffic exiting or entering any toll highway operated by the Toll Highway Authority, the Toll Highway Authority shall acquire the building, together with any property owned, leased, or utilized adjacent to it and pertaining to its educational operations, from the school district that owns or operates it, for just compensation. "Just compensation" for purposes of this subsection (d) means the replacement cost of the building and adjacent property so that the students educated in the building have the opportunity to be educated according to standards prevailing in the State of Illinois.

HISTORY:
P.A. 86-1164; 89-297, § 5; 90-681, § 5.

605 ILCS 10/9.5 Acquisition by purchase or by condemnation

The Authority is authorized to acquire by purchase or by condemnation, in the manner provided for the exercise of the power of eminent domain under the Eminent Domain Act [35 ILCS 30/1-1-1 et seq.], any and all lands, buildings, and grounds necessary or convenient for its authorized purpose. The Authority shall comply with the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act, Public Law 91-646 [42 U.S.C. § 4601 et seq.], as amended, and the implementing regulations in 49 CFR Part 24 and is authorized to operate a relocation program and to pay relocation costs. If there is a conflict between the provisions of this amendatory Act of 1998 and the provisions of the federal law or regulations, however, the provisions of this amendatory Act of 1998 shall control with the exception that the Authority shall use whichever law or regulation provides the highest payment limit. The Authority is authorized to exceed the maximum payment limits of the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act when necessary to ensure the provision of decent, safe, or sanitary housing, or to secure a suitable relocation site. The Authority may not adopt rules to implement the federal law or regulations referenced in this Section unless those rules have received the prior approval of the Joint Committee on Administrative Rules.

HISTORY:
P.A. 90-681, § 5; 94-1055, § 95-10-360; 98-736, § 5.

605 ILCS 10/9.7 Eminent domain

Notwithstanding any other provision of this Act, any power granted under this Act to acquire property by condemnation or eminent domain is subject to, and shall be exercised in accordance with, the Eminent Domain Act [735 ILCS 30/1-1-1 et seq.].

HISTORY:
P.A. 94-1055, § 95-5-750.

605 ILCS 10/9.10 Acquisition of property

(a) Prior to the initiation of negotiations, the Authority shall establish an amount that it believes is just compensation for the property. The amount shall not be less than the appraisal of the fair market value of the property. Promptly thereafter, the Authority shall make a written offer to the owner to acquire the property for the full amount believed to be just compensation. Along with the initial written purchase offer, the owner shall be given a written statement of the basis for the offer. For owner-occupied dwellings, upon the owner's request, the Authority shall exchange its approved appraisal with the owner's appraisal obtained from a State-certified general real estate appraiser.

(b) The Authority shall make every reasonable effort to contact the owner or the owner's representative and discuss its offer to purchase the property. The owner shall be given every reasonable opportunity to consider the offer and present material that the owner believes is relevant to determining the value of the property, including an appraisal obtained by the owner from a State-certified general real estate appraiser, and to suggest modifications in the proposed terms and conditions of the purchase. The Authority shall pay for the cost of the owner's appraisal for an owner-occupied dwelling.

(c) To the extent permitted by applicable law, the appraiser shall disregard any decrease or increase in the fair market value of the real property caused by the project for which the property is to be acquired, or caused by the likelihood that the property would be acquired for the project, other than that due to the

physical deterioration of the property that was within the reasonable control of the owner. If comparable sales of similar properties are factored into the amount of just compensation offered by the Authority, those comparable sales must have been with respect to property located outside the protected corridor.

(d) When the Authority acquires an owner-occupied dwelling the Authority shall reimburse the property owner up to $500 for reasonable attorney's fees actually incurred by the property owner related to closing costs in conjunction with the property owner's purchase of a replacement dwelling.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/9.12 Land disclosure requirements

(a) Disclosure required. The Authority may not enter into any agreement or understanding for the use or acquisition of land that is intended to be used or acquired for toll highway purposes unless full disclosure of all beneficial interests in the land is made under this Section.

(b) Condemnation proceedings. If the Authority commences condemnation proceedings to acquire land that is intended to be used or acquired for toll highway purposes, the holders of all beneficial interests in the land must make full disclosure under this Section unless the court determines that the disclosure would cause irreparable harm to one or more holders of a beneficial interest.

(c) Beneficial interests. Each holder of any beneficial interest in the land, including without limitation beneficial interests in a land trust, must be disclosed, including both individuals and other entities. If any beneficial interest is held by an entity, other than an entity whose shares are publicly traded, and not by an individual, then all the holders of any beneficial interest in that entity must be disclosed. This requirement continues at each level of holders of beneficial interests until all beneficial interests of all individuals in all entities, other than entities whose shares are publicly traded, have been disclosed.

(d) Written statement. Disclosure must be made by a written statement filed (i) with the Authority contemporaneously with the execution of the agreement or understanding or (ii) in the case of a condemnation proceeding, with the Authority and the court within a time period ordered by the court. Each individual and entity must be disclosed by name and address and by a description of the interest held, including the percentage interest in the land held by the individual or entity. The statement must be verified, subject to penalty of perjury, by the individual who holds the greatest percentage of beneficial interest in the land.

(e) Recordation. The Authority must file the statement of record with the recorder of each county in which any part of the land is located within 3 business days after the statement is filed with the Authority.

(f) Agreements and understandings void. Any agreement or understanding in violation of this Act is void.

(g) Penalty. A person who knowingly violates this Section is guilty of a business offense and shall be fined $10,000.

(h) Other disclosure requirements. The disclosure required under this Act is in addition to, and not in lieu of, any other disclosure required by law.

HISTORY:
P.A. 92-759, § 5.

605 ILCS 10/9.15 Owner retention of certain items

The owner of property to be acquired by the Authority shall have the right to retain ownership of a dwelling's cabinets, moldings, and fixtures. If the Authority acquires the dwelling, the property owner may remove cabinets, moldings, and fixtures if stipulated in the agreement to purchase the property.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/9.20 Condemnation proceeding expenses

The owner of property to be acquired by the Authority shall be reimbursed for any reasonable expenses, including reasonable attorney, appraisal, and engineering fees, that the owner actually incurred because of a condemnation proceeding if:

(1) the final judgement of the court is that the Authority cannot acquire the property by condemnation; or

(2) the condemnation proceeding is abandoned by the Authority other than under an agreed-upon settlement.

P.A. 90-681, § 5.

605 ILCS 10/9.25 Comparable replacement dwelling; additional or supplemental housing payment

Whenever the cost of a comparable replacement dwelling is greater than what the Authority paid the property owner, the Authority shall provide additional or supplemental housing payments. No person shall be required to move from a dwelling unless comparable replacement housing is available to the person. The total of additional or supplemental housing payments to a property owner under this Section shall not exceed $25,000.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/9.30 Moving Expenses and Direct Losses of Personal Property Caused by Displacement

The Authority is authorized to pay, as part of the cost of construction of any project on a toll highway, to any person displaced by the highway project (1) actual reasonable expenses in moving himself or herself, his or her family, and his or her business, farm operation, or other personal property; (2) actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation but not to exceed an amount equal to the reasonable expenses that would have been required to relocate the property, as determined by the Authority; (3) actual reasonable expenses in searching for a replacement business or farm; and (4) actual reasonable expenses necessary to reestablish a displaced farm, nonprofit organization, or small business at its new site, but not to exceed $10,000.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/9.35 Expense and Dislocation Allowance

In lieu of the payments authorized to be paid under this Act, the Authority may pay any person displaced from a dwelling, who elects to accept the payment, an expense and dislocation allowance which shall be determined according to a schedule established by the Authority.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/9.40 Relocation Payments

In lieu of the payments authorized to be paid under this Act, the Authority may pay any person who moves or discontinues his or her business or farm operation, who elects to accept the payment, a fixed relocation payment in an amount equal to the average annual net earnings of the business or the farm operation, except that the payment shall be not less than $1,000 nor more than $20,000.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/9.45 Additional Payments for Dwelling and Rental of Dwelling

(a) In addition to the amounts authorized to be paid under this Act by the Authority, the Authority may, as a part of the cost of construction, make a payment not to exceed $25,000 to any displaced person who is displaced from a dwelling acquired for a toll highway project actually owned and occupied by the displaced person for not less than 180 days before the initiation of negotiations for the acquisition of the property. The payment shall include the following elements:

(1) The amount, if any, which, when added to the acquisition cost of the dwelling acquired equals the reasonable cost of a comparable replacement dwelling determined in accordance with standards established by the Authority to be a decent, safe, and sanitary dwelling adequate to accommodate the displaced person, reasonably accessible to public services and places of employment, and available on the private market.

(2) The amount, if any, which will compensate the displaced person for any increased interest costs which the person is required to pay for financing the acquisition of any such comparable replacement dwelling. The amount shall be paid only if the dwelling acquired by the Authority was encumbered by a bona fide mortgage which was a valid lien on the dwelling for not less than 180 days before the initiation of negotiations for the acquisition of the dwelling.

(3) Reasonable expenses incurred by the displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(b) The additional payment authorized under subsection (a) shall not exceed $25,000 and shall be made only to a displaced person who purchases and occupies a replacement dwelling that meets the standards established by the Authority to be decent, safe and sanitary, not later than the end of the one year period beginning on the date on which he or she receives from the Authority final payment of all costs of the acquired dwelling, or on the date on which he or she moves from the dwelling acquired for the highway project, whichever is the later date.

(c) Any displaced person who is not eligible to receive payment under subsection (a) and who is displaced from any dwelling which was actually and lawfully occupied by the displaced person for not less than 90 days before the initiation of negotiations for acquisition of the dwelling, may be paid by the Authority either (1) an amount necessary to enable the displaced person to lease or rent, for a period not to exceed 42 months, a decent, safe, and sanitary dwelling of standards adequate to accommodate the person in areas not generally less desirable in regard to public utilities and public and commercial facilities and reasonably accessible to his or her place of employment, but not to exceed the sum of $5,250, or (2) the amount necessary to enable the person to make a down payment, including incidental expenses described in item (1) of this subsection (c), on the purchase of a decent, safe, and sanitary dwelling of standards adequate to accommodate the person in areas not generally less desirable in regard to public utilities and public and commercial facilities, but not to exceed the amount payable under item (1) of this subsection (c), except that in the case of a homeowner who owned and occupied the displaced dwelling for at least 90 days but not more than 180 days immediately before the initiating of negotiations, the down payment shall not exceed the amount payable under

this Act for persons who owned and occupied the property for 180 days before the initiation of negotiations.

(d) If comparable replacement sale or rental housing is not available within the limitations of this Section, the Authority may make a payment in excess of the maximum payments authorized by this Section as required to provide replacement housing.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/9.50 Reimbursement for Certain Expenses and Mortgage Penalty

In addition to the other amounts authorized to be paid under this Act, the Authority may reimburse the owner of real property acquired for a toll highway project the reasonable and necessary expenses incurred for (1) recording fees, transfer taxes, and similar expenses incidental to conveying the real property; and (2) penalty costs for prepayment of any pre-existing recorded mortgages entered into in good faith encumbering the real property.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/9.60 Construction in Relation to Eminent Domain

Nothing contained in this amendatory Act of 1998 creates in any proceedings brought under the power of eminent domain any element of damages not in existence on the effective date of this amendatory Act of 1998.

HISTORY:
P.A. 90-681, § 5.

605 ILCS 10/10 [Powers — Rules and regulations; tolls; acceptance of conveyances]

The Authority shall have power:

(a) To pass resolutions, make by-laws, rules and regulations for the management, regulation and control of its affairs, and to fix tolls, and to make, enact and enforce all needful rules and regulations in connection with the construction, operation, management, care, regulation or protection of its property or any toll highways, constructed or reconstructed hereunder. Any by-laws adopted under this Section shall include a requirement that directors disclose and avoid potential conflicts of interest. The by-laws shall be posted on the Authority's website.

(a-5) To fix, assess, and collect civil fines for a vehicle's operation on a toll highway without the required toll having been paid. The Authority may establish by rule a system of civil administrative adjudication to adjudicate only alleged instances of a vehicle's operation on a toll highway without the required toll having been paid, as detected by the Authority's video or photo surveillance system. In cases in which the operator of the vehicle is not the registered vehicle owner, the establishment of ownership of the vehicle creates a rebuttable presumption that the vehicle was being operated by an agent of the registered vehicle owner. If the registered vehicle owner liable for a violation under this Section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator in the circuit court. Rules establishing a system of civil administrative adjudication must provide for written notice, by first class mail or other means provided by law, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of the lease, of the alleged violation and an opportunity to be heard on the question of the violation and must provide for the establishment of a toll-free telephone number to receive inquiries concerning alleged violations. The notice shall also inform the registered vehicle owner that failure to contest in the manner and time provided shall be deemed an admission of liability and that a final order of liability may be entered on that admission. A duly authorized agent of the Authority may perform or execute the preparation, certification, affirmation, or mailing of the notice. A notice of violation, sworn or affirmed to or certified by a duly authorized agent of the Authority, or a facsimile of the notice, based upon an inspection of photographs, microphotographs, videotape, or other recorded images produced by a video or photo surveillance system, shall be admitted as prima facie evidence of the correctness of the facts contained in the notice or facsimile. Only civil fines, along with the corresponding outstanding toll, and costs may be imposed by administrative adjudication. A fine may be imposed under this paragraph only if a violation is established by a preponderance of the evidence. Judicial review of all final orders of the Authority under this paragraph shall be conducted in the circuit court of the county in which the administrative decision was rendered in accordance with the Administrative Review Law [735 ILCS 5/3-101 et seq.].

The Authority may maintain a listing or searchable database on its website of persons or entities that have been issued one or more final orders of liability with a total amount due of more than $1,000 for tolls, fines, unpaid late fees, or administrative costs that remain unpaid after the exhaustion of, or the failure to exhaust, the judicial review procedures under the Administrative Review Law. Each entry may include the person's or entity's name as listed on the final order of liability.

Any outstanding toll, fine, additional late payment fine, other sanction, or costs imposed, or part of any fine, other sanction, or costs imposed, remaining unpaid after the exhaustion of, or the

failure to exhaust, judicial review procedures under the Administrative Review Law are a debt due and owing the Authority and may be collected in accordance with applicable law. After expiration of the period in which judicial review under the Administrative Review Law may be sought, unless stayed by a court of competent jurisdiction, a final order of the Authority under this subsection (a-5) may be enforced in the same manner as a judgment entered by a court of competent jurisdiction. Notwithstanding any other provision of this Act, the Authority may, with the approval of the Attorney General, retain a law firm or law firms with expertise in the collection of government fines and debts for the purpose of collecting fines, costs, and other moneys due under this subsection (a-5).

A system of civil administrative adjudication may also provide for a program of vehicle immobilization, tow, or impoundment for the purpose of facilitating enforcement of any final order or orders of the Authority under this subsection (a-5) that result in a finding or liability for 5 or more violations after expiration of the period in which judicial review under the Administrative Review Law may be sought. The registered vehicle owner of a vehicle immobilized, towed, or impounded for nonpayment of a final order of the Authority under this subsection (a-5) shall have the right to request a hearing before the Authority's civil administrative adjudicatory system to challenge the validity of the immobilization, tow, or impoundment. This hearing, however, shall not constitute a readjudication of the merits of previously adjudicated notices. Judicial review of all final orders of the Authority under this subsection (a-5) shall be conducted in the circuit court of the county in which the administrative decision was rendered in accordance with the Administrative Review Law.

No commercial entity that is the lessor of a vehicle under a written lease agreement shall be liable for an administrative notice of violation for toll evasion issued under this subsection (a-5) involving that vehicle during the period of the lease if the lessor provides a copy of the leasing agreement to the Authority within 30 days of the issue date on the notice of violation. The leasing agreement also must contain a provision or addendum informing the lessee that the lessee is liable for payment of all tolls and any fines for toll evasion. Each entity must also post a sign at the leasing counter notifying the lessee of that liability. The copy of the leasing agreement provided to the Authority must contain the name, address, and driver's license number of the lessee, as well as the check-out and return dates and times of the vehicle and the vehicle license plate number and vehicle make and model.

As used in this subsection (a-5), "lessor" includes commercial leasing and rental entities but does not include public passenger vehicle entities.

The Authority shall establish an amnesty program for violations adjudicated under this subsection (a-5). Under the program, any person who has an outstanding notice of violation for toll evasion or a final order of a hearing officer for toll evasion dated prior to the effective date of this amendatory Act of the 94th General Assembly [P.A. 94-636] and who pays to the Authority the full percentage amounts listed in this paragraph remaining due on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable, on or before 5:00 p.m., Central Standard Time, of the 60th day after the effective date of this amendatory Act of the 94th General Assembly shall not be required to pay more than the listed percentage of the original fine amount and outstanding toll as listed on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable. The payment percentage scale shall be as follows: a person with 25 or fewer violations shall be eligible for amnesty upon payment of 50% of the original fine amount and the outstanding tolls; a person with more than 25 but fewer than 51 violations shall be eligible for amnesty upon payment of 60% of the original fine amount and the outstanding tolls; and a person with 51 or more violations shall be eligible for amnesty upon payment of 75% of the original fine amount and the outstanding tolls. In such a situation, the Executive Director of the Authority or his or her designee is authorized and directed to waive any late fine amount above the applicable percentage of the original fine amount. Partial payment of the amount due shall not be a basis to extend the amnesty payment deadline nor shall it act to relieve the person of liability for payment of the late fine amount. In order to receive amnesty, the full amount of the applicable percentage of the original fine amount and outstanding toll remaining due on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable, must be paid in full by 5:00 p.m., Central Standard Time, of the 60th day after the effective date of this amendatory Act of the 94th General Assembly. This amendatory Act of the 94th General Assembly has no retroactive effect with regard to payments already tendered to the Authority that were full payments or payments in an amount greater than the applicable percentage, and this Act shall not be the basis for either a refund or a credit. This amendatory Act of the 94th General Assembly does not apply to toll evasion citations issued by the Illinois State Police or other authorized law enforcement agencies and for which payment may be due to or through the clerk of the circuit court. The Authority shall adopt rules as necessary to implement the provisions of this amendatory Act of the 94th General Assembly. The Authority, by a reso-

lution of the Board of Directors, shall have the discretion to implement similar amnesty programs in the future. The Authority, at its discretion and in consultation with the Attorney General, is further authorized to settle an administrative fine or penalty if it determines that settling for less than the full amount is in the best interests of the Authority after taking into account the following factors: (1) the merits of the Authority's claim against the respondent; (2) the amount that can be collected relative to the administrative fine or penalty owed by the respondent; (3) the cost of pursuing further enforcement or collection action against the respondent; (4) the likelihood of collecting the full amount owed; and (5) the burden on the judiciary. The provisions in this Section may be extended to other toll facilities in the State of Illinois through a duly executed agreement between the Authority and the operator of the toll facility.

(b) To prescribe rules and regulations applicable to traffic on highways under the jurisdiction of the Authority, concerning:

(1) Types of vehicles permitted to use such highways or parts thereof, and classification of such vehicles;

(2) Designation of the lanes of traffic to be used by the different types of vehicles permitted upon said highways;

(3) Stopping, standing, and parking of vehicles;

(4) Control of traffic by means of police officers or traffic control signals;

(5) Control or prohibition of processions, convoys, and assemblages of vehicles and persons;

(6) Movement of traffic in one direction only on designated portions of said highways;

(7) Control of the access, entrance, and exit of vehicles and persons to and from said highways; and

(8) Preparation, location and installation of all traffic signs; and to prescribe further rules and regulations applicable to such traffic, concerning matters not provided for either in the foregoing enumeration or in the Illinois Vehicle Code [625 ILCS 5/1-100 et seq.]. Notice of such rules and regulations shall be posted conspicuously and displayed at appropriate points and at reasonable intervals along said highways, by clearly legible markers or signs, to provide notice of the existence of such rules and regulations to persons traveling on said highways. At each toll station, the Authority shall make available, free of charge, pamphlets containing all of such rules and regulations.

(c) The Authority, in fixing the rate for tolls for the privilege of using the said toll highways, is authorized and directed, in fixing such rates, to base the same upon annual estimates to be made, recorded and filed with the Authority. Said estimates shall include the following: The estimated total amount of the use of the toll highways; the estimated amount of the revenue to be derived therefrom, which said revenue, when added to all other receipts and income, will be sufficient to pay the expense of maintaining and operating said toll highways, including the administrative expenses of the Authority, and to discharge all obligations of the Authority as they become due and payable.

(d) To accept from any municipality or political subdivision any lands, easements or rights in land needed for the operation, construction, relocation or maintenance of any toll highways, with or without payment therefor, and in its discretion to reimburse any such municipality or political subdivision out of its funds for any cost or expense incurred in the acquisition of land, easements or rights in land, in connection with the construction and relocation of the said toll highways, widening, extending roads, streets or avenues in connection therewith, or for the construction of any roads or streets forming extension to and connections with or between any toll highways, or for the cost or expense of widening, grading, surfacing or improving any existing streets or roads or the construction of any streets and roads forming extensions of or connections with any toll highways constructed, relocated, operated, maintained or regulated hereunder by the Authority. Where property owned by a municipality or political subdivision is necessary to the construction of an approved toll highway, if the Authority cannot reach an agreement with such municipality or political subdivision and if the use to which the property is being put in the hands of the municipality or political subdivision is not essential to the existence or the administration of such municipality or political subdivision, the Authority may acquire the property by condemnation.

HISTORY:

P.A. 86-1164; 89-120, § 5; 94-636, § 5; 98-559, § 5; 99-214, § 5; 2018 P.A. 100-1180, § 5, effective February 28, 2019.

605 ILCS 10/11 [Powers — Entry upon lands; construction of toll stations and structures; contracts; other regulations]

The Authority shall have power:

(a) To enter upon lands, waters and premises in the State for the purpose of making surveys, soundings, drillings and examinations as may be necessary, expedient or convenient for the purposes of this Act, and such entry shall not be deemed to be a trespass, nor shall an entry for such purpose be deemed an entry under any condemnation proceedings which may be then pending; provided, however, that the Authority shall make reimbursement for any actual damage resulting to such lands, waters and premises as the result of such activities.

(b) To construct, maintain and operate stations for the collection of tolls or charges upon and along any toll highways.

(c) To provide for the collection of tolls and charges for the privilege of using the said toll highways. Before it adopts an increase in the rates for toll, the Authority shall hold a public hearing at which any person may appear, express opinions, suggestions, or objections, or direct inquiries relating to the proposed increase. Any person may submit a written statement to the Authority at the hearing, whether appearing in person or not. The hearing shall be held in the county in which the proposed increase of the rates is to take place. The Authority shall give notice of the hearing by advertisement on 3 successive days at least 15 days prior to the date of the hearing in a daily newspaper of general circulation within the county within which the hearing is held. The notice shall state the date, time, and place of the hearing, shall contain a description of the proposed increase, and shall specify how interested persons may obtain copies of any reports, resolutions, or certificates describing the basis on which the proposed change, alteration, or modification was calculated. After consideration of any statements filed or oral opinions, suggestions, objections, or inquiries made at the hearing, the Authority may proceed to adopt the proposed increase of the rates for toll. No change or alteration in or modification of the rates for toll shall be effective unless at least 30 days prior to the effective date of such rates notice thereof shall be given to the public by publication in a newspaper of general circulation, and such notice, or notices, thereof shall be posted and publicly displayed at each and every toll station upon or along said toll highways.

(d) To construct, at the Authority's discretion, grade separations at intersections with any railroads, waterways, street railways, streets, thoroughfares, public roads or highways intersected by the said toll highways, and to change and adjust the lines and grades thereof so as to accommodate the same to the design of such grade separation and to construct interchange improvements. The Authority is authorized to provide such grade separations or interchange improvements at its own cost or to enter into contracts or agreements with reference to division of cost therefor with any municipality or political subdivision of the State of Illinois, or with the Federal Government, or any agency thereof, or with any corporation, individual, firm, person or association. Where such structures have been or will be built by the Authority, the local highway agency or municipality with jurisdiction shall enter into an agreement with the Authority for the ongoing maintenance of the structures.

(e) To contract with and grant concessions to or lease or license to any person, partnership, firm, association or corporation so desiring the use of any part of any toll highways, excluding the paved portion thereof, but including the right of way adjoining, under, or over said paved portion for the placing of telephone, telegraph, electric, power lines and other utilities, and for the placing of pipe lines, and to enter into operating agreements with or to contract with and grant concessions to or to lease to any person, partnership, firm, association or corporation so desiring the use of any part of the toll highways, excluding the paved portion thereof, but including the right of way adjoining, or over said paved portion for motor fuel service stations and facilities, garages, stores and restaurants, or for any other lawful purpose, and to fix the terms, conditions, rents, rates and charges for such use.

By January 1, 2016, the Authority shall construct and maintain at least one electric vehicle charging station at any location where the Authority has entered into an agreement with any entity pursuant to this subsection (e) for the purposes of providing motor fuel service stations and facilities, garages, stores, or restaurants. The Authority shall charge a fee for the use of these charging stations to offset the costs of constructing and maintaining these charging stations. The Authority shall adopt rules to implement the erection, user fees, and maintenance of electric vehicle charging stations pursuant to this subsection (e).

The Authority shall also have power to establish reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances (herein called public utilities) of any public utility as defined in the Public Utilities Act [220 ILCS 5/1-101 et seq.] along, over or under any toll road project. Whenever the Authority shall determine that it is necessary that any such public utility facilities which now are located in, on, along, over or under any project or projects be relocated or removed entirely from any such project or projects, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the Authority. All costs and expenses of such relocation or removal, including the cost of installing such facilities in a new location or locations, and the cost of any land or lands, or interest in land, or any other rights required to accomplish such relocation or removal shall be ascertained and paid by the Authority as a part of the cost of any such project or projects, and further, there shall be no rent, fee or other charge of any kind imposed upon the public utility owning or operating any facilities ordered relocated on the properties of the said Authority and the said Authority shall grant to the said public utility owning or operating said facilities and its successors and assigns the right to operate the same in the new location or locations for as long a period and upon the same terms and conditions as it had the right to maintain and operate such facilities in their former location or locations.

(f) To enter into an intergovernmental agreement or contract with a unit of local government or

other public or private entity for the collection, enforcement, and administration of tolls, fees, revenue, and violations, including for a private bridge operator's collection, enforcement, and administration of tolls, violations, fees, fines, charges, and penalties in connection with a bridge authorized under the Toll Bridge Act [605 ILCS 115/1 et seq.].

The General Assembly finds that electronic toll collection systems in Illinois should be standardized to promote safety, efficiency, and traveler convenience. The Authority shall cooperate with other public and private entities to further the goal of standardized toll collection in Illinois and is authorized to provide toll collection and toll violation enforcement services to such entities when doing so is in the best interest of the Authority and consistent with its obligations under Section 23 of this Act [605 ILCS 10/23].

605 ILCS 10/11.1 Public-private partnerships

The Authority may exercise all powers granted to it under the Public-Private Partnerships for Transportation Act [630 ILCS 5/1 et seq.].

HISTORY:
P.A. 97-502, § 945.

605 ILCS 10/11.2 Innovations for Transportation Infrastructure Act.

The Authority may exercise all powers granted to it under the Innovations for Transportation Infrastructure Act [630 ILCS 10/1 et. seq.], including, but not limited to, the power to enter into all contracts or agreements necessary to perform its powers under that Act, and any powers related to a transportation facility implemented under that Act.

History.
2022 P.A. 102-1094, § 935, effective June 15, 2022.

605 ILCS 10/12 [Signs of chief accessible traffic generator]

The Authority shall erect and maintain at connecting roads on each toll highway suitable signs showing the name of the chief accessible traffic generator in either direction along each such connecting road. The size and designations on such signs and the distance from intersections where they shall be erected shall conform with the Illinois Manual on Uniform Traffic Control Devices for Streets and Highways.

HISTORY:
P.A. 83-1258.

605 ILCS 10/13 [Grants from and transactions with Federal Government]

The Authority is authorized, without limitation to the foregoing powers, to accept grants from and enter into contracts, leases, or other transactions with the Federal Government, or any agency thereof, necessary or expedient to carry out the provisions of this Act.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/14 [Studies to determine feasibility of construction; prerequisites]

(a) The Authority shall, prior to the commencement of any engineering and traffic study or studies to determine the feasibility of constructing additional toll highways within the State of Illinois, submit to the Governor for his approval, the route, or routes, proposed for additional toll highways together with an estimate of the cost of the proposed study or studies. If the Governor shall approve such proposed study or studies and the estimated cost thereof, or shall fail to disapprove such proposed study or studies and estimate of cost thereof, within 30 days after receipt thereof, the Authority may, thereupon, proceed with such study or studies.

(b) The Authority shall create a local advisory committee of members from each county in which any portion of an additional toll highway is proposed to be constructed. The committee members shall be designated by township and municipal governing bodies in proportion to the percentage of corridor property situated within the unincorporated area of a township and incorporated municipalities located in the same township. No less than 50% of the members of this committee shall be representatives of organized citizen groups directly affected by the proposed corridor. All meetings shall be held in compliance with the Open Meetings Act [5 ILCS 120/1 et seq.]. The committee shall consider and advise the Authority with respect to the impact on property owners, land use, and other impacts of the proposed highway. The committee shall be dissolved when one year has elapsed since the opening of the tollway for which the committee was created.

HISTORY:
Laws 1967, p. 2748; P.A. 90-681, § 5; 96-304, § 5.

605 ILCS 10/14.1 [Plans of proposed location prior to issuance of bonds]

The Authority shall, prior to the issuance of any bonds under this Act, except refunding bonds, prepare and submit to the Governor for his approval preliminary plans showing the proposed location of the route or routes of the particular toll highway for which the bonds are to be issued, which plans shall designate the approximate point of the commencement and the termination of said route or routes and

shall also designate the municipalities to be afforded reasonable connections therewith, and to be served thereby. The Authority shall at the same time submit to the Governor for his approval preliminary estimates of the cost of the construction of the toll highway, shown on said preliminary plans. If the Governor shall approve the preliminary plans and the estimate of the cost thereof, the Authority may thereupon proceed with the issuance of bonds as hereinafter provided. Prior to the issuance of bonds for or the commencement of construction of any new toll highway, however, that particular toll highway shall be authorized by joint resolution of the General Assembly.

HISTORY:
P.A. 86-1164.

605 ILCS 10/14.2 [Public hearing]

Prior to submission of preliminary plans to the Governor, the Authority shall hold a public hearing at which any person may appear, express opinions, suggestions or objections or direct inquiries relating to the proposed toll highway to the Directors. Any person may submit a written statement to the Authority at the hearing, whether appearing in person or not. The hearing shall be held in a county through which the proposed toll highway is to be constructed and shall be attended by at least 5 Directors. The Authority shall give notice of the hearing by advertisement on three successive days at least 15 days prior to the date of the hearing in a daily newspaper published in and of general circulation in each county through which the proposed toll highway is to be constructed or, if there be no such newspaper, then in a daily newspaper of general circulation in the county. Such notice shall state the date, time and place of the hearing, the route of the proposed toll highway, the municipalities to be afforded immediate access thereto, and the estimated cost of the proposed toll highway. The proceedings at the hearing shall be transcribed, the transcript shall thereafter be made available at reasonable hours for public inspection and a copy thereof together with a copy of all written statements submitted at the hearing, shall be submitted to the Governor with the Authority's preliminary plans.

HISTORY:
P.A. 81-1363.

605 ILCS 10/15 [Attorney General as legal representative]

The Attorney General of the State of Illinois, shall be ex officio attorney for the said Authority and he shall be its legal adviser and legal representative. In addition to the specific duties imposed upon the said Attorney General, under the provisions of this Act, it shall be his further duty to act as attorney for the Authority in all of its transactions, and to represent the Authority in all of its litigation, and to examine and approve all contracts, leases, bonds or other undertakings or obligations entered into by the Authority, as to their form and constitutionality prior to their execution and delivery.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/16 [Contracts for construction; bidding]

All contracts let for the construction of any work authorized to be done under the provisions of the Act, where the amount thereof is in excess of a small purchase amount, as defined in Section 20-20 of the Illinois Procurement Code [30 ILCS 500/20-20], shall be let to the lowest responsible bidder, or bidders, on open, competitive bidding after public advertisement made at least 15 days prior to the opening of bids, in the Illinois Procurement Bulletin, in such manner and at such intervals, as may be prescribed by the Authority except for contracts for the completion of a terminated or defaulted contract. The successful bidders for such work shall enter into contracts furnished and prescribed by the Authority. Such contracts shall contain a provision that such successful bidder shall indemnify and save harmless the State of Illinois for any accidental injuries or damages arising out of his negligence in the performance of such contract, and shall, and in addition, execute and give bonds, payable to the Authority, with a corporate surety authorized to do business under the laws of the State of Illinois, equal to at least 50% of the contract price, one conditioned upon faithful performance of the contract and the other for the payment of all labor furnished and materials supplied in the prosecution of the contracted work.

HISTORY:
P.A. 86-1164; 96-592, § 5.

605 ILCS 10/16.1 [Contracts for services or supplies; bidding]

(A) All contracts for services or supplies required from time to time by the Authority in the maintenance and operation of any toll highway or part thereof under the provisions of this Act or all direct contracts for supplies to be used in the construction of any toll highway or part thereof to be awarded under this Section, rather than as a part of a contract pursuant to Section 16 of this Act [605 ILCS 10/16], when the amount of any such supplies or services is in excess of a small purchase amount, as defined in Section 20-20 of the Illinois Procurement Code [30 ILCS 500/20-20], shall be let to the lowest responsible bidder or bidders, on open, competitive bidding after public advertisement made at least 5 days prior to the opening of bids, in the Illinois Procurement Bulletin, in such manner and on one or more occasions as may be prescribed by the Authority, except that bidding shall not be required in the following cases:

1. Where the goods or services to be procured are economically procurable from only one source, such as contracts for telephone service, electric energy and other public utility services, housekeeping services, books, pamphlets and periodicals and specially designed business equipment and software.

2. Where the services required are for professional, technical or artistic skills.

3. Where the services required are for advertising, promotional and public relations services.

4. In emergencies, provided that an affidavit of the person or persons authorizing the expenditure shall be filed with the Authority and the Auditor General within 10 days after such authorization setting forth the conditions and circumstances requiring the emergency purchase, the amount expended and the name of the vendor or contractor involved; if only an estimate is available, however, within the 10 days allowed for filing the affidavit, the actual cost shall be reported immediately after it is determined.

5. In case of expenditures for personal services.

6. Contracts for equipment and spare parts in support thereof for the maintenance and operation of any toll highway, or any part thereof, whenever, the Authority shall, by resolution, declare and find that a particular make and type of equipment is required for efficient maintenance and operation and proper servicing, for uniformity in and integration with the spare parts program and inventory control, or for other reasons peculiar to the problems of the toll highway or its previously acquired equipment; however, competition and competitive bids shall be obtained by the Authority with respect to such specified equipment or spare parts, insofar as possible, and when effective, pursuant to public advertisement as hereinbefore provided.

7. Contracts for insurance, fidelity and surety bonds.

8. Contracts or agreements for the completion of a terminated or defaulted contract or agreement.

(B) The solicitation for bids shall be in conformance with accepted business practices and the method of solicitation shall be set out in detail in the rules and regulations of the Authority.

(C) Proposals received pursuant to public advertisement shall be publicly opened at the day and hour and at the place specified in the solicitation for such bids.

(D) Successful bidders for such services and supplies shall enter into contracts furnished and prescribed by the Authority.

(E) All purchases, contracts or other obligations or expenditures of funds by the Authority shall be in accordance with rules and regulations governing the Authority's procurement practice and procedures and the Authority shall promulgate and publish such practices and procedures in sufficient number for distribution to persons interested in bidding on purchases or contracts to be let by the Authority. Such rules and regulations shall be kept on file with the Secretary of the Authority at all times and shall be available for inspection by members of the public at all reasonable times and hours.

Such rules and regulations shall be filed and become effective in connection with the Illinois Administrative Procedure Act [5 ILCS 100/1-1 et seq.].

(F) Any contract entered into for purchase or expenditure of funds of the Authority made in violation of this Act or the rules and regulations in pursuance thereof is void and of no effect.

(G) Warrant. All sellers to the Authority shall attach a statement to the delivery invoice attesting that the standards set forth in the contracts have been met. The statement shall be substantially in the following form:

"The Seller, ... hereby certifies that the goods, merchandise and wares shipped in accordance with the attached delivery invoice have met all the required standards set forth in the purchasing contract.

..... (Seller)."

(H) Whoever violates the provisions of this Section, or the rules and regulations adopted in pursuance thereof, is guilty of a Class A misdemeanor.

HISTORY:
P.A. 86-1164; 96-592, § 5.

605 ILCS 10/16.2 Financial benefit prohibited

(a) A director, employee, or agent of the Authority may not receive a financial benefit from a contract let by the Authority during his or her term of service with the Authority and for a period of one year following the termination of his or her term of service as a director of the Authority or as an employee or agent of the Authority.

(b) A member of the immediate family or household of a director, employee, or agent of the Authority may not receive a financial benefit from a contract let by the Authority during the immediate family or household member's term of service with the Authority and for a period of one year following the termination of the immediate family or household member's term of service as a director of the Authority or as an employee or agent of the Authority.

(c) A director, employee, or agent of the Authority may not use material non-public information for personal financial gain nor may he or she disclose that information to any other person for that person's personal financial gain when that information was obtained as a result of his or her directorship, employment, or agency with the Authority.

(d) A member of the immediate family or household of a director, employee, or agent of the Authority may not use material non-public information for personal financial gain nor may he or she disclose that information to any other person for that person's personal financial gain when that information was obtained as a result of his or her immediate family or

household member's directorship, employment, or agency with the Authority.

(e) For purposes of this Section, "immediate family or household member" means the spouse, child, parent, brother, sister, grandparent, or grandchild, whether of the whole blood or half blood or by adoption, or a person who shares a common dwelling with a director of the Authority or with an employee or agent of the Authority.

HISTORY:
P.A. 94-636, § 5.

605 ILCS 10/16.3 [Duties of authority]

Consistent with general law, the Authority shall:

(a) set goals for the award of contracts to disadvantaged businesses and attempt to meet the goals;

(b) attempt to identify disadvantaged businesses that provide or have the potential to provide supplies, materials, equipment, or services to the Authority;

(c) give disadvantaged businesses full access to the Authority's contact bidding process, inform the businesses about the process, offer the businesses assistance concerning the process, and identify and take all reasonable steps to remove barriers to the businesses' participation in the process.

HISTORY:
P.A. 94-636, § 5.

605 ILCS 10/17 [Issuance of bonds]

(a) The Authority may from time to time issue bonds for any lawful purpose including, without limitation, the costs of issuance thereof and all such bonds or other obligations of the Authority issued pursuant to this Act shall be and are hereby declared to be negotiable for all purposes notwithstanding their payment from a limited source and without regard to any other law or laws.

(b) The bonds of every issue shall be payable solely out of revenues of the Authority, accumulated reserves or sinking funds, bond proceeds, proceeds of refunding bonds, or investment earnings as the Authority shall specify in a bond resolution.

(c) The bonds may be issued as serial bonds or as term bonds, or the Authority, in its discretion, may issue bonds of both types. The bonds shall be authorized by a bond resolution of the Authority, may be issued in one or more series and shall bear such date or dates, mature at such time or times not exceeding 25 years from their respective date or dates of issue, bear interest at such rate or rates, fixed or variable, without regard to any limit contained in any other statute or law of the State of Illinois, be payable as to principal and interest at such time or times, be in such denominations, be in such form, either coupon or fully registered, carry such registration and conversion privileges, be payable in lawful money of the United States of America at such places, be subject to such terms of redemption and may contain such other terms and provisions, as such bond resolution or resolutions may provide. The bonds shall be executed by the manual or facsimile signatures of the Chairman and the Secretary. In case any of the officers whose signature appears on the bonds or coupons, if any, shall cease to be an officer before the delivery of such bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if he had remained in office until such delivery. The bonds shall be sold in such manner as the Authority shall determine. The proceeds from the sale of such bonds shall be paid to the Treasurer of the State of Illinois as ex officio custodian. Pending preparation of the definitive bonds, the Authority may issue interim receipts or certificates which shall be exchanged for such definitive bonds.

(d) Any bond resolution, or trust indenture entered into pursuant to a bond resolution, may contain provisions, which shall be a part of the contract with the holders of the bonds to be authorized, as to: (i) pledging or creating a lien upon all or part of the revenues of the Authority or any reserves, sinking funds, bond proceeds or investment earnings; (ii) the setting aside of reserves or sinking funds, and the regulation, investment and disposition thereof; (iii) the use and maintenance requirements for the toll highways; (iv) the purposes to which or the investments in which the proceeds of sale of any series or issue of bonds then or thereafter to be issued may be applied; (v) the issuance of additional bonds, the terms upon which additional bonds may be issued and secured, the purposes for such additional bonds, and the terms upon which additional bonds may rank on a parity with, or be subordinate or superior to other bonds; (vi) the refunding of outstanding bonds; (vii) the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given; (viii) defining the acts or omissions to act which shall constitute a default in the duties of the Authority to holders of its obligations and providing the rights and remedies of such holders in the event of a default; (ix) any other matters relating to the bonds which the Authority deems desirable.

(e) Neither the directors of the Authority nor any person executing the bonds shall be liable personally on the bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

(f) The Authority shall have power out of any funds available therefor to purchase its bonds. The Authority may hold, pledge, cancel or resell such bonds subject to and in accordance with agreements with bondholders.

(g) In the discretion of the Authority any bonds issued under the provisions of this Act may be secured by a trust indenture by and between the Authority and a trustee or trustees, which may be any trust company or bank in the State of Illinois having the powers of a trust company and possessing

capital and surplus of not less than $50,000,000. The bond resolution or trust indenture providing for the issuance of bonds so secured shall pledge such revenues of the Authority, sinking funds, bond proceeds, or investment earnings as may be specified therein, may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including particularly such provisions as have hereinabove been specifically authorized to be included in any bond resolution or trust indenture of the Authority, and may restrict the individual right of action by bondholders. In addition to the foregoing, any bond resolution or trust indenture may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders, including, but not limited to, the purchase of bond insurance and the arrangement of letters of credit, lines of credit or other credit or liquidity enhancement facilities; provided there shall be no pledge of the toll highway or any part thereof. All expenses incurred in carrying out the provisions of any bond resolution or trust indenture may be treated as a part of the cost of the operation of the toll highways.

(h) Bonds issued under the authority of this Act do not, and shall state upon the face of each bond that they do not, represent or constitute a debt of the Authority or of the State of Illinois within the meaning of any constitutional or statutory limitation or a pledge of the faith and credit of the Authority or the State of Illinois, or grant to the owners or holders thereof any right to have the Authority or the General Assembly levy any taxes or appropriate any funds for the payment of the principal thereof or interest thereon. Such bonds shall be payable and shall state that they are payable solely from the revenues and the sources authorized under this Act and pledged for their payment in accordance with the bond resolution or trust indenture.

Nothing in this Act shall be construed to authorize the Authority or any department, board, commission or other agency to create an obligation of the State of Illinois within the meaning of the Constitution or Statutes of Illinois.

(i) Any resolution or trust indenture authorizing the issuance of the bonds may include provision for the issuance of additional bonds. All resolutions of the Authority to carry such adopted bond resolutions into effect, to provide for the sale and delivery of the bonds, for letting of contracts for the construction of toll highways and the acquisition of real and personal property deemed by the Authority necessary or convenient for the construction thereof, shall not require the approval of the Governor or of any other department, division, commission, bureau, board or other agency of the State.

HISTORY:
P.A. 83-1258.

605 ILCS 10/18 [Appropriations repaid from sale of bonds; tolls]

The sums of money appropriated by the General Assembly for the payment of ordinary and contingent expenses of the Authority or the payment of compensation of the members of the Authority expended as a part of the cost of a toll highway financed by revenue bonds issued and sold by the Authority under this Act shall be repaid to the State Treasury out of the proceeds of the sale of such bonds, for deposit in the fund from which such sums were appropriated. Any such sums remaining unpaid because expended for preliminary investigation of toll highway routes not constructed shall be repaid by the Authority out of the proceeds of the sale of any of such bonds issued to finance additional toll highways or extensions of existing toll highways. If no such new bonds are issued, and the money appropriated by the General Assembly has not otherwise been repaid in full, then the Authority shall, after payment of all existing bonds and interest thereon, continue to collect tolls for the privilege of using the toll highways constructed pursuant to the authority of "An Act in relation to the construction, operation, regulation and maintenance of a system of toll highways and to create The Illinois State Toll Highway Commission, and to define its powers and duties and to repeal an Act therein named", approved July 13, 1953, as amended, until such time as the tolls collected are sufficient to repay any such unpaid money. The tolls so collected shall be paid by the Authority to the State treasury for deposit in the fund from which such sums were appropriated.

HISTORY:
Laws 1968, p. 199.

605 ILCS 10/19 Toll rates.

The Authority shall fix and revise from time to time, tolls or charges or rates for the privilege of using each of the toll highways constructed pursuant to this Act. Such tolls shall be so fixed and adjusted at rates calculated to provide the lowest reasonable toll rates that will provide funds sufficient with other revenues of the Authority to pay, (a) the cost of the construction of a toll highway authorized by joint resolution of the General Assembly pursuant to Section 14.1 [605 ILCS 10/14.1] and the reconstruction, major repairs or improvements of toll highways, (b) the cost of maintaining, repairing, regulating and operating the toll highways including only the necessary expenses of the Authority, and (c) the principal of all bonds, interest thereon and all sinking fund requirements and other requirements provided by resolutions authorizing the issuance of the bonds as they shall become due. In fixing the toll rates pursuant to this Section 19 and Section 10(c) of this Act [605 ILCS 10/19 and 605 ILCS 10/10], the Authority shall take into account the effect of the provisions of

this Section 19 permitting the use of the toll highway system without payment of the covenants of the Authority contained in the resolutions and trust indentures authorizing the issuance of bonds of the Authority. No such provision permitting the use of the toll highway system without payment of tolls after the date of this amendatory Act of the 95th General Assembly shall be applied in a manner that impairs the rights of bondholders pursuant to any resolution or trust indentures authorizing the issuance of bonds of the Authority. The use and disposition of any sinking or reserve fund shall be subject to such regulation as may be provided in the resolution or trust indenture authorizing the issuance of the bonds. Subject to the provisions of any resolution or trust indenture authorizing the issuance of bonds any moneys in any such sinking fund in excess of an amount equal to one year's interest on the bonds then outstanding secured by such sinking fund may be applied to the purchase or redemption of bonds. All such bonds so redeemed or purchased shall forthwith be cancelled and shall not again be issued. No person shall be permitted to use any toll highway without paying the toll established under this Section except when on official Toll Highway Authority business which includes police and other emergency vehicles. However, any law enforcement agency vehicle, fire department vehicle, public or private ambulance service vehicle engaged in the performance of an emergency service or duty that necessitates the use of the toll highway system, or other emergency vehicle that is plainly marked shall not be required to pay a toll to use a toll highway. A law enforcement, fire protection, or emergency services officer driving a law enforcement, fire protection, emergency services agency vehicle, or public or private ambulance service vehicle engaging in the performance of emergency services or duties that is not plainly marked must present an Official Permit Card which the law enforcement, fire protection, or emergency services officer receives from his or her law enforcement, fire protection, emergency services agency, or public or private ambulance service in order to use a toll highway without paying the toll. A law enforcement, fire protection, emergency services agency, or public or private ambulance service engaging in the performance of emergency services or duties must apply to the Authority to receive a permit, and the Authority shall adopt rules for the issuance of a permit, that allows public or private ambulance service vehicles engaged in the performance of emergency services or duties that necessitate the use of the toll highway system and all law enforcement, fire protection, or emergency services agency vehicles of the law enforcement, fire protection, or emergency services agency to use any toll highway without paying the toll established under this Section. The Authority shall maintain in its office a list of all persons that are authorized to use any toll highway without charge when on official business of the Authority and such list shall be open to the public for inspection. In recognition of the unique role of public transportation in providing effective transportation in the Authority's service region, and to give effect to the exemption set forth in subsection (b) of Section 2.06 of the Regional Transportation Authority Act [70 ILCS 3615/2.06], the following vehicles may use any toll highway without paying the toll: (1) a vehicle owned or operated by the Suburban Bus Division of the Regional Transportation Authority that is being used to transport passengers for hire; and (2) any revenue vehicle that is owned or operated by a Mass Transit District created under Section 3 of the Local Mass Transit District Act [70 ILCS 3610/3] and running regular scheduled service.

Among other matters, this amendatory Act of 1990 is intended to clarify and confirm the prior intent of the General Assembly to allow toll revenues from the toll highway system to be used to pay a portion of the cost of the construction of the North-South Toll Highway authorized by Senate Joint Resolution 122 of the 83rd General Assembly in 1984.

HISTORY:

P.A. 86-1164; 90-152, § 5; 95-327, § 5; 97-784, § 5; 2018 P.A. 100-739, § 5, effective January 1, 2019.

605 ILCS 10/19.1 Confidentiality of personally identifiable information obtained through electronic toll collection system [Effective until July 1, 2023]

(a) For purposes of this Section:

"Electronic toll collection system" is a system where a transponder, camera-based vehicle identification system, or other electronic medium is used to deduct payment of a toll from a subscriber's account or to establish an obligation to pay a toll.

"Electronic toll collection system user" means any natural person who subscribes to an electronic toll collection system or any natural person who uses a tolled transportation facility that employs the Authority's electronic toll collection system.

"Personally identifiable information" means any information that identifies or describes an electronic toll collection system user, including but not limited to travel pattern data, address, telephone number, e-mail address, license plate number, photograph, bank account information, or credit card number.

(b) Except as otherwise provided in this Section, the Authority may not sell or otherwise provide to any person or entity personally identifiable information of any electronic toll collection system user that the Authority obtains through the operation of its electronic toll collection system.

(c) The Authority may, within practical business and cost constraints, store personally identifiable information of an electronic toll collection system user only if the information is required to perform account functions such as billing, account settlement, or toll violation enforcement activities.

(d) By no later than December 31, 2011, the Authority shall establish a privacy policy regarding the

collection and use of personally identifiable information. Upon its adoption, the policy shall be posted on the Authority's website and a copy shall be included with each transponder transmitted to a user. The policy shall include but need not be limited to the following:

(1) A description of the types of personally identifiable information collected by the Authority.

(2) The categories of third-party persons or entities with whom the Authority may share personally identifiable information and for what purposes that information is shared.

(3) The process by which the Authority notifies electronic toll collection system users of material changes to its privacy policy.

(4) The process by which an electronic toll collection system user may review and request changes to any of his or her personally identifiable information.

(5) The effective date of the privacy policy.

(e) This Section does not prohibit the Authority from:

(1) providing aggregated traveler information derived from collective data relating to a group or category of electronic toll collection system users from which personally identifiable information has been removed;

(2) sharing data with another transportation agency or third-party vendor to comply with interoperability specifications and standards regarding electronic toll collection devices and technologies, provided that the other transportation agency or third-party vendor may not use personally identifiable information obtained under this Section for a purpose other than described in this Section;

(3) performing financial, legal and accounting functions such as billing, account settlement, toll violation enforcement, or other activities required to operate and manage its toll collection system;

(4) communicating about products and services offered by itself, a business partner, or another public agency;

(5) using personally identifiable information in research projects, provided that appropriate confidentiality restrictions are employed to protect against the unauthorized release of such information;

(6) releasing personally identifiable information in response to a warrant, subpoena or lawful order from a court of competent jurisdiction;

(7) releasing personally identifiable information to law enforcement agencies in the case of an emergency when obtaining a warrant or subpoena would be impractical; and

(8) releasing personally identifiable information to the Authority's Inspector General or, at the Inspector General's direction, to law enforcement agencies under paragraphs (5) and (6) of subsection (f) of Section 8.5 of this Act [605 ILCS 10/8.5].

(f) In any agreement allowing another public entity to use the Authority's toll collection system in a transportation facility, the Authority shall require the other public entity to comply with the requirements of this Section.

(g) Personally identifiable information generated through the Authority's toll collection process that reveals the date, time, location or direction of travel by an electronic toll collection system user shall be exempt from release under the Illinois Freedom of Information Act [5 ILCS 140/1 et seq.]. The exemption in this subsection shall not apply to information that concerns (i) the public duties of public employees and officials; (ii) whether an electronic toll collection system user has paid tolls; (iii) whether the Authority is enforcing toll violation penalties against electronic toll collection users who do not pay tolls; (iv) accidents or other incidents that occur on highways under the jurisdiction of the Authority; or (v) the obligation, receipt, and use of the funds of the Authority. The exemption in this subsection (g) shall not be a limitation or restriction on other Freedom of Information Act exemptions applicable to personally identifiable information or private information.

HISTORY:
P.A. 97-342, § 10.

605 ILCS 10/19.1 Confidentiality of personally identifiable information obtained through electronic toll collection system. [Effective July 1, 2023]

(a) For purposes of this Section:

"Electronic toll collection system" is a system where a transponder, camera-based vehicle identification system, or other electronic medium is used to deduct payment of a toll from a subscriber's account or to establish an obligation to pay a toll.

"Electronic toll collection system user" means any natural person who subscribes to an electronic toll collection system or any natural person who uses a tolled transportation facility that employs the Authority's electronic toll collection system.

"Personally identifiable information" means any information that identifies or describes an electronic toll collection system user, including but not limited to travel pattern data, address, telephone number, e-mail address, license plate number, photograph, bank account information, or credit card number.

(b) Except as otherwise provided in this Section, the Authority may not sell or otherwise provide to any person or entity personally identifiable information of any electronic toll collection system user that the Authority obtains through the operation of its electronic toll collection system.

(c) The Authority may, within practical business and cost constraints, store personally identifiable information of an electronic toll collection system user only if the information is required to perform account functions such as billing, account settlement, or toll violation enforcement activities.

(d) By no later than December 31, 2011, the Authority shall establish a privacy policy regarding the collection and use of personally identifiable informa-

tion. Upon its adoption, the policy shall be posted on the Authority's website and a copy shall be included with each transponder transmitted to a user. The policy shall include but need not be limited to the following:

(1) A description of the types of personally identifiable information collected by the Authority.

(2) The categories of third-party persons or entities with whom the Authority may share personally identifiable information and for what purposes that information is shared.

(3) The process by which the Authority notifies electronic toll collection system users of material changes to its privacy policy.

(4) The process by which an electronic toll collection system user may review and request changes to any of his or her personally identifiable information.

(5) The effective date of the privacy policy.

(e) This Section does not prohibit the Authority from:

(1) providing aggregated traveler information derived from collective data relating to a group or category of electronic toll collection system users from which personally identifiable information has been removed;

(2) sharing data with another transportation agency or third-party vendor to comply with interoperability specifications and standards regarding electronic toll collection devices and technologies, provided that the other transportation agency or third-party vendor may not use personally identifiable information obtained under this Section for a purpose other than described in this Section;

(3) performing financial, legal and accounting functions such as billing, account settlement, toll violation enforcement, or other activities required to operate and manage its toll collection system;

(4) communicating about products and services offered by itself, a business partner, or another public agency;

(5) using personally identifiable information in research projects, provided that appropriate confidentiality restrictions are employed to protect against the unauthorized release of such information;

(6) releasing personally identifiable information in response to a warrant, subpoena or lawful order from a court of competent jurisdiction;

(7) releasing personally identifiable information to law enforcement agencies in the case of an emergency when obtaining a warrant or subpoena would be impractical; and

(8) releasing personally identifiable information to the Authority's Inspector General or, at the Inspector General's direction, to law enforcement agencies under paragraphs (5) and (6) of subsection (f) of Section 8.5 of this Act [605 ILCS 10/8.5].

(f) In any agreement allowing another public entity to use the Authority's toll collection system in a transportation facility, the Authority shall require the other public entity to comply with the requirements of this Section.

(g) Personally identifiable information generated through the Authority's toll collection process that reveals the date, time, location or direction of travel by an electronic toll collection system user shall be exempt from release under the Illinois Freedom of Information Act [5 ILCS 140/1 et seq.]. The exemption in this subsection shall not apply to information that concerns (i) the public duties of public employees and officials; (ii) whether an electronic toll collection system user has paid tolls; (iii) whether the Authority is enforcing toll violation penalties against electronic toll collection users who do not pay tolls; (iv) crashes or other incidents that occur on highways under the jurisdiction of the Authority; or (v) the obligation, receipt, and use of the funds of the Authority. The exemption in this subsection (g) shall not be a limitation or restriction on other Freedom of Information Act exemptions applicable to personally identifiable information or private information.

HISTORY:

P.A. 97-342, § 10; 2022 P.A. 102-982, § 95, effective July 1, 2023.

605 ILCS 10/20.1 [Refunding bonds]

(a) The Authority is hereby authorized, by resolution, to provide for the issuance, from time to time, of refunding or advance refunding bonds for the purpose of refunding any bonds then outstanding at maturity or on any redemption date, whether an entire issue or series, or one or more issues or series, or any portions or parts of any issue or series, which shall have been issued by the Authority or its predecessor, the Illinois State Toll Highway Commission.

(b) The proceeds of any such refunding bonds may be used for any one or more of the following purposes:

(1) To pay the principal amount of any outstanding bonds to be retired at maturity or redeemed prior to maturity;

(2) To pay the total amount of any redemption premium incident to redemption of such outstanding bonds to be refunded;

(3) To pay the total amount of any interest accrued or to accrue to the date or dates of redemption or maturity of such outstanding bonds to be refunded;

(4) To pay any and all costs or expenses incident to such refunding;

(5) To make deposits into an irrevocable trust in accordance with subsection (f) of this Section 20.1 [605 ILCS 10/20.1]. Refunding bonds may be issued in amounts sufficient to accomplish any one or more of the foregoing purposes, taking into consideration the income earned on bond proceeds prior to the application thereof or without taking such income into consideration.

(c) The issuance of refunding bonds, the maturities and other details thereof, the rights of the holders thereof and the rights, duties and obligations of the Authority in respect of the same shall be governed by the provisions of this Act, insofar as the

same may be applicable, and may in harmony therewith be adjusted and modified to conform to the facts and circumstances prevailing in each instance of issuance of such refunding bonds. The Authority need not comply with the requirements of any other law applicable to the issuance of bonds other than as set forth in this Act.

(d) With reference to the investment of the proceeds of any such refunding bonds, the Authority shall not authorize or anticipate investment earnings exceeding such as are authorized or permitted under prevailing federal laws, regulations and administrative rulings and interpretations relating to arbitrage bonds.

(e) The proceeds of any such refunding bonds (together with any other funds available for application to refunding purposes, if so provided or permitted by resolution authorizing the issuance of such refunding bonds, or in a trust indenture securing the same) may be placed in trust to be applied to the purchase, retirement at maturity or redemption of the bonds to be refunded on such dates as may be determined by the Authority. Pending application thereof, the proceeds of such refunding bonds and such other available funds, if any, may be invested in direct obligations of, or obligations the principal of which and any interest on which are unconditionally guaranteed by, the United States of America which shall mature, or which shall be subject to redemption by the holder thereof at its option, not later than the respective date or dates when such proceeds and other available funds, if any, will be required for the refunding purpose intended or authorized.

(f) Upon (1) the deposit of the proceeds of the refunding bonds (together with any other funds available for application to refunding purposes, if so provided or permitted by resolution authorizing the issuance of such refunding bonds, or in a trust indenture securing the same) in an irrevocable trust pursuant to a trust agreement with a trustee requiring the trustee to satisfy the obligations of the Authority to timely pay at maturity or upon prior redemption the outstanding bonds for which the proceeds of the refunding bonds and other funds, if any, are deposited, in an amount sufficient to satisfy the obligations of the Authority to timely pay at maturity or upon prior redemption such outstanding bonds, or (2) the deposit in such irrevocable trust of direct obligations of, or obligations the principal and interest of which are unconditionally guaranteed by, the United States of America in an amount sufficient, without regard to investment earnings thereon, to satisfy the obligations of the Authority to timely pay at maturity or upon prior redemption such outstanding bonds, or (3) the deposit in such irrevocable trust of obligations referred to in (2) above in an amount sufficient so that, taking into account investment earnings, upon maturity (or upon optional redemption by the trustee) of such obligations amounts will be produced on a timely basis sufficient to satisfy the obligations of the Authority to timely pay at maturity or upon prior redemption such outstanding bonds, such outstanding bonds shall be deemed paid and no longer be deemed to be outstanding for purposes of such resolution or trust indenture and all rights and obligations under any such prior resolution or trust indenture shall be deemed discharged notwithstanding any provision of any such outstanding bonds or any resolution or trust indenture authorizing the issuance of such outstanding bonds; provided, however, that the holders of such outstanding bonds shall have an irrevocable and unconditional right to payment in full of all principal of and premium, if any, and interest on such outstanding bonds, at maturity or upon prior redemption, from the amounts on deposit in such trust. The trustee shall be any trust company or bank in the State of Illinois having the power of a trust company possessing capital and surplus of not less than $100,000,000.

(g) It is hereby found and determined that the contractual rights of the bondholders under any such prior resolution or trust indenture will not be impaired by a refunding pursuant to the provisions of this Section 20.1 in that, the payment of such outstanding bonds having been provided for as set forth herein, the bondholders' rights and security as to payment of the principal of, premium, if any, and interest on such outstanding bonds will have been enhanced, and the bondholders shall suffer no financial loss. It is hereby further found and determined that a refunding of any outstanding bonds of the Authority pursuant to this Section 20.1 shall further the purposes set forth in Section 1 [605 ILCS 10/1].

HISTORY:
P.A. 83-1258; 92-16, § 84.

605 ILCS 10/21 [Operation and maintenance free of tolls]

When all bonds including refunding bonds and all interest thereon have been paid, or a sufficient amount for the payment of all bonds and interest due or accrued thereon has been set aside in trust for the benefit of the bondholders and shall continue to be held for that purpose, and when all money appropriated by the General Assembly has been repaid as provided by Section 18 of this Act [605 ILCS 10/18], the toll highways and any connecting tunnels, bridges, approaches or other appurtenances to such toll highways shall become a part of the system of the State highways of the State of Illinois, and be maintained and operated free of tolls.

When all the obligations and all bonds including refunding bonds of the Authority have been paid, or the payment therefor has been provided as is required herein, the Authority shall be dissolved and all funds of the Authority not required for the payment of bonds, interest, machinery, equipment, property or other obligations of the Authority shall be paid to the State Treasurer.

HISTORY:
P.A. 83-1258.

605 ILCS 10/22 [Exemption from taxation]

All property belonging to the Authority, and the toll highways, shall be exempt from taxation. However, such part of that property as has heretofore been or shall hereafter be leased by the Authority to a private individual, association or corporation for a use which is not exempted from taxation under Article 15 of the Property Tax Code [35 ILCS 200/15-5 et seq.] is subject to taxation as provided in Section 9-195 of the Property Tax Code [35 ILCS 200/9-195], regardless of any provision in such a lease to the contrary.

HISTORY:
P.A. 78-336; 88-670, § 3-79.

605 ILCS 10/23 Legislative declaration; Authority budget

(a) It is hereby declared, as a matter of legislative determination, that it is in the best interest of the State of Illinois, the public, and the holders of Authority bonds that Authority funds be expended only on goods and services that protect and enhance the efficiency, safety, and environmental quality of the toll highway system.

(b) The Authority shall spend moneys received from the issuance of bonds and as tolls or otherwise in the operation of the toll highway system only on the following:

(1) operations and maintenance expenditures that are reasonable and necessary to keep the toll highway system in a state of good repair in accordance with contemporary highway safety and maintenance standards;

(2) principal and interest payments and payment of other obligations the Authority has incurred in connection with bonds issued under this Act;

(3) renewal and replacement expenditures necessary and sufficient to protect and preserve the long-term structural integrity of the toll highway system; and

(4) system improvement expenditures necessary and sufficient to improve and expand the toll highway system, subject to the requirements of this Act.

(c) Any moneys remaining after the expenditures listed in subsection (b) may be spent only for reasonable and necessary Authority purposes that will enhance the safety, efficiency, and environmental quality of the toll highway system in a cost-effective manner. Authority funds may not be spent for purposes not reasonably related to toll highway operations and improvements or in a manner that is not cost-effective.

(d) The Authority must at all times maintain a reserve for maintenance and operating expenses that is no more than 130% of the operating expenses it has budgeted for its current fiscal year, unless the requirements of any bond resolution or trust indenture then securing obligations of the Authority mandate a greater amount.

(e) The Authority shall file with the Governor, the Clerk of the House of Representatives, the Secretary of the Senate, and the Commission on Government Forecasting and Accountability, on or prior to March 15th of each year, a written statement and report covering its activities for the preceding calendar year. The Authority shall present, to the committees of the House of Representatives designated by the Speaker of the House and to the committees of the Senate designated by the President of the Senate, an annual report outlining its planned revenues and expenditures. The Authority shall prepare an annual capital plan which identifies capital projects by location and details the project costs in correct dollar amounts. The Authority shall also prepare and file a ten-year capital plan that includes a listing of all capital improvement projects contemplated during the ensuing ten-year period. The first ten-year capital plan shall be filed in 1991 and thereafter on the anniversary of each ten-year period.

(f) It shall be the duty of the Auditor General of the State of Illinois, annually to audit or cause to be audited the books and records of the Authority and to file a certified copy of the report of such audit with the Governor and with the Legislative Audit Commission, which audit reports, when so filed, shall be open to the public for inspection.

(g) The Authority shall hold a public hearing on its proposed annual budget, not less than 15 days before its directors meet to consider adoption of the annual budget, at which any person may appear, express opinions, suggestions, or objections, or direct inquiries relating to the proposed budget. The Authority must give notice of the hearing at least 15 days prior to the hearing stating the time, place, and purpose of the hearing in a daily newspaper of general circulation throughout the Authority's service area and by posting the meeting notice and a copy of the proposed budget on the Authority's website. The proceedings at the hearing shall be transcribed. The transcript shall be made available at reasonable hours for public inspection, and a copy of the transcript, together with a copy of all written statements submitted at the hearing, shall be submitted to the directors before the vote on adoption of the proposed annual budget.

(h) The Authority shall post on its website copies of its annual report and its budget for the current year, along with any other financial information necessary to adequately inform the public of the Authority's financial condition and capital plan.

(i) The requirements set forth in subsections (b) through (g) may not be construed or applied in a manner that impairs the rights of bondholders under any bond resolution or trust indenture entered into in accordance with a bond resolution authorized by the Authority's directors, nor may those requirements be construed as a limitation on the Authority's powers as set forth elsewhere in this Act.

HISTORY:
P.A. 86-1164; 91-256, § 5; 93-1067, § 130; 94-636, § 5.

605 ILCS 10/24 [Illinois State Toll Highway Authority Fund]

Except as otherwise provided in any bond resolution, the proceeds derived from the sale of bonds, and all receipts and income derived from tolls, licenses, gifts, donations, concessions, fees, rentals, and all other revenues from whatever source derived, shall, within three days after receipt thereof, be paid to the Treasurer of the State of Illinois, and held by him as a special fund known as the Illinois State Toll Highway Authority Fund, except that the Authority may retain portions of the Illinois State Toll Highway Authority Fund as a locally maintained construction fund revolving account and as a revenue fund revolving account, where authorized by a bond resolution, and as locally maintained change funds, where necessary for the operations of the Authority. The State Treasurer shall be ex officio custodian of such special fund, which fund shall be held, invested and disbursed for the purposes provided herein upon the order of the Authority and in accordance with provisions and covenants of any bond resolution authorizing the issuance of bonds which have not been paid or deemed paid. The interest accruing on said special fund shall be computed and added to the principal thereof every six months. In addition to the special audits prescribed by this Act, the said fund shall also be subject to audit in the same manner as is now, or may hereinafter be, provided for the audit of State funds and accounts. The said special fund shall be protected by a corporate surety bond, executed by the Treasurer, with a surety authorized to do business under the laws of the State of Illinois. The amount of said bond shall be fixed by resolution of the Authority, approved by the Governor, and may be increased or diminished at any time. The premiums on said bond shall be payable from the funds of the Authority. The bond shall be subject to the approval of the Governor and Attorney General of the State of Illinois, and, when so approved, shall be filed in the office of the Secretary of State. Said special fund shall be considered always appropriated for the purposes of disbursements, as provided in this Act, and shall be paid out and disbursed only as provided herein, and shall not, at any time be appropriated or diverted to any other use or purpose.

HISTORY:
P.A. 83-1258.

605 ILCS 10/25 [Expenses of Authority, compensation of members, costs and expenses]

After the issuance of revenue bonds to finance the construction of toll highways, and repayment from the proceeds of such bonds of any amount repayable to the state treasury pursuant to Section 18 [605 ILCS 10/18], the expenses of the Authority, and the compensation of the members thereof, and all other costs of said toll highways and its administration and operation shall be paid from the proceeds of such bond issues or from the moneys received by the Authority as tolls or otherwise in the operation of said toll highways.

HISTORY:
P.A. 83-1258.

605 ILCS 10/25.1 [No power to levy taxes]

The Authority shall have no power to levy taxes, or to pledge any of its property, other than income from whatever source derived for the payments of any of its debts or obligations.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/26 [Penalty]

Any person who violates any resolution, rule or regulation, adopted or promulgated by the Authority, pursuant to Section 10, paragraph (b) of this Act [605 ILCS 10/10], shall be guilty of a petty offense.

HISTORY:
P.A. 77-2239.

605 ILCS 10/27 [Deposit of offensive matter prohibited; penalty]

It is unlawful for any person to deposit within the right-of-way limits of the toll highways trash, glass, weeds, garbage or other offensive matter; and any person so offending shall be guilty of a petty offense and shall be fined not more than $500.00. However, this section shall not apply to proper deposits of harmless materials made in good faith and in a proper manner to repair the toll highways.

HISTORY:
P.A. 77-2239; 89-386, § 5.

605 ILCS 10/27.1 [Counterfeit tickets, nonpayment of tolls prohibited; penalty]

Any person who shall use any spurious or counterfeit tickets, coupons or tokens in payment of any toll required to be paid by the Authority under the provisions of this Act, or who shall attempt to use the highway without payment of the tolls prescribed by the Authority, shall be deemed guilty of a petty offense and shall be fined not less than $5 nor more than $100 for each such offense. The fine range set forth in this Section for prosecution of toll evasion as a petty offense shall not apply to toll evasion offenses that are adjudicated in the Authority's administration system.

The provisions in this Section may be extended to other public toll facilities in this State through a duly executed intergovernmental agreement between the Authority and another public body.

HISTORY:
P.A. 77-2239; 94-636, § 5.

605 ILCS 10/27.2 Obstruction of registration plate or digital registration plate visibility to electronic image recording.

(a) A person may not operate on a toll highway any motor vehicle that is equipped with tinted plastic or tinted glass registration plate or digital registration plate covers or any covers, coating, wrappings, materials, streaking, distorting, holographic, reflective, or other devices that obstruct the visibility or electronic image recording of the plate or digital registration plate. This subsection (a) shall not apply to automatic vehicle identification transponder devices, cards or chips issued by a governmental body or authorized by a governmental body for the purpose of electronic payment of tolls or other authorized payments, the exemption of which shall preempt any local legislation to the contrary.

(b) If a State or local law enforcement officer having jurisdiction observes that a cover or other device or material or substance is obstructing the visibility or electronic image recording of the plate, the officer shall issue a Uniform Traffic Citation and shall confiscate the cover or other device that obstructs the visibility or electronic image recording of the plate. If the State or local law enforcement officer having jurisdiction observes that the plate itself has been physically treated with a substance or material that is obstructing the visibility or electronic image recording of the plate, the officer shall issue a Uniform Traffic Citation and shall confiscate the plate. The Secretary of State shall revoke the registration of any plate that has been found by a court or administrative tribunal to have been physically altered with any chemical or reflective substance or coating that obstructs the visibility or electronic image recording of the plate. A fine of $750 shall be imposed in any instance where a plate cover obstructs the visibility or electronic image recording of the plate. A fine of $1,000 shall be imposed where a plate has been physically altered with any chemical or reflective substance or coating that obstructs the visibility or electronic image recording of the plate.

(c) The Illinois Attorney General may file suit against any individual or entity offering or marketing the sale, including via the Internet, of any product advertised as having the capacity to obstruct the visibility or electronic image recording of a license plate or digital registration plate. In addition to injunctive and monetary relief, punitive damages, and attorneys fees, the suit shall also seek a full accounting of the records of all sales to residents of or entities within the State of Illinois.

(d) The provisions in this Section may be extended to other public toll facilities in the State of Illinois through a duly executed intergovernmental agreement between the Authority and another public body.

HISTORY:
P.A. 94-636, § 5; 2019 P.A. 101-395, § 15, effective August 16, 2019.

605 ILCS 10/28 [Breaking toll collection device prohibited; penalty]

Whoever wilfully, maliciously and forcibly breaks any mechanical or electronic toll collection device of the Authority or any appurtenance thereto with intent to commit larceny shall be deemed guilty of a Class 4 felony.

HISTORY:
P.A. 77-2239.

605 ILCS 10/28.1 [Interest of direction or officer of Authority prohibited]

No director or officer of the Authority shall be interested, directly or indirectly, in any contract, agreement, lease, work or business of the Authority, or in the sale of any article whenever the expense, price or consideration of the contract, agreement, lease, work, business or sale is paid by the Authority. No director or officer of the Authority shall be interested, directly or indirectly, in the purchase, sale or lease of any property which (1) belongs to the Authority, (2) is sold, leased or any interest therein is acquired by the Authority, or (3) is sold by virtue of legal process at the suit of the Authority.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/29 [Omission of duty; willful and corrupt and oppression; malconduct or misfeasance; penalty]

Every chairman, director, or officer of the Authority who is guilty of a palpable omission of duty, or who is guilty of willful and corrupt oppression, malconduct, or misfeasance in office in discharge of the duties of his office shall be liable to indictment in any court of competent jurisdiction and shall be guilty of a Class A misdemeanor. Any conviction hereunder shall constitute grounds for removal as provided in Sections 4 and 5 of this Act [605 ILCS 10/4 and 605 ILCS 10/5].

HISTORY:
P.A. 77-2239.

605 ILCS 10/30 [Investment in Authority bonds]

Counties, cities, villages, incorporated towns, and other municipal corporations, political subdivisions and public bodies, and public officers of any thereof, all banks, bankers, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, insurance associations and all executors, administrators, guardians, trustees and other fiduciaries may legally invest any sinking funds, moneys or other

funds belonging to them or within their control in any bonds or refunding bonds issued by the Authority. It is the purpose of this section to authorize the investment in such bonds, or refunding bonds, of all sinking, insurance, retirement, compensation, pension and trust funds, whether owned or controlled by private or public persons or officers; provided, however, that nothing contained in this section may be construed as relieving any officer, person, firm or corporation from any duty of exercising reasonable care in selecting securities.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/31 [Consent to suit]

The State of Illinois hereby consents to suits against the Authority solely as in this section provided:

(a) The holder or holders of any bonds or coupons issued by the Authority may bring civil actions to compel the observance by the Authority or by any of its officers, agents, or employees of any contract or covenant made by the Authority with the holders of such bonds or coupons, and to compel the Authority and any of its officers, agents or employees, to perform any duties required to be performed for the benefit of the holders of said bonds or coupons by the provisions of the resolution authorizing their issuance, or by this Act, or to enjoin the Authority and any of its officers, agents or employees from taking any action in conflict with such contract or covenant.

(b) Any person or persons may bring a civil action to recover damages for injury to his person or property caused by any act of the Authority or by any act of any of its officers, agents or employees done under its direction.

HISTORY:
P.A. 79-1366.

605 ILCS 10/32 [Discretion of authority conclusive]

All determinations made by the Authority in the exercise of its discretionary powers, with the approval of the Governor if such approval is expressly required by the provisions of this Act, including without limitation, the location and terminal points of any toll highway or section to be constructed by it, the materials to be used in its construction, the plans and specifications thereof, the tolls to be charged for the use thereof, and the letting of contracts for the construction of toll highways or any part thereof, or the sale of bonds, shall be conclusive and shall not be subject to review by the courts or by any administrative agency of the State.

HISTORY:
P.A. 83-1258.

605 ILCS 10/32.1 Power to construct railroad tracks

Upon written approval by the Governor, the Authority may exercise any powers that exist under this Act on the effective date of this amendatory Act of the 97th General Assembly [P.A. 97-977] to design and construct new railroad tracks. The Authority may charge an access fee to any passenger or freight rail operator who wishes to use tracks which the Authority has constructed using the powers granted by this Section. Moneys in the Road Fund may not be used to implement this Section. Authorization must be granted to the Authority for each individual and distinct railroad track project.

HISTORY:
P.A. 97-977, § 5.

605 ILCS 10/33 [Transfer of duties to Authority]

On April 1, 1968, all duties, obligations, functions and powers of The Illinois State Toll Highway Commission, together with all property, whether real or personal, rights, privileges, interest and any and all other assets whether real, personal or mixed, shall be transferred to and shall vest in The Illinois State Toll Highway Authority, which shall own, operate and control the same in accordance with the provisions of "An Act in relation to the construction, operation, regulation and maintenance of a system of toll highways and to create The Illinois State Toll Highway Commission, and to define its powers and duties and to repeal an Act therein named", approved July 13, 1953, as amended, and all terms, covenants and conditions set forth in any resolutions heretofore or hereafter adopted authorizing and providing for the issuance of Revenue Bonds by The Illinois State Toll Highway Commission under "An Act, in relation to the construction, operation, regulation and maintenance of a system of toll highways and to create The Illinois State Toll Highway Commission, and to define its powers and duties and to repeal an Act therein named", approved July 13, 1953, as amended, except as herein provided. The chairman and commissioners of The Illinois State Toll Highway Commission shall serve as the chairman and directors, respectively, of the Authority, with all of the rights, privileges and emoluments of such officers until such appointments are made by the Governor under Section 3 of this Act [605 ILCS 10/3].

It is the intention and purpose of this Section to transfer management and operation of the existing toll highways of The Illinois State Toll Highway Commission to the board of directors of The Illinois State Toll Highway Authority, but to require that the Authority comply with all covenants, conditions, terms and provisions imposed by "An Act in relation to the construction, operation, regulation and maintenance of a system of toll highways and to create The Illinois State Toll Highway Commission, and to define its powers and duties and to repeal an Act

therein named", approved July 13, 1953, as amended, until after all obligations of any kind or character whatsoever incurred by The Illinois State Toll Highway Commission under that Act have been paid in full from revenues, or income from whatever source derived, including but not limited to bonds issued under Section 17 [605 ILCS 10/17] herein. Title to such toll highway or toll highways after all such obligations have been paid in full shall be vested in the Authority hereby created, and the Authority hereby created is authorized to continue to establish tolls, rates and charges for use of such facilities and pledge the income therefrom, after maintenance and operation costs, to the payment of any or all bonds issued under this Act, until all bonds issued by the Authority under this Act have been paid in full, notwithstanding any other law to the contrary.

HISTORY:
Laws 1968, p. 199.

605 ILCS 10/34 [Effective date]

This Act becomes effective April 1, 1968 and the provisions of this Act are severable and if any of its provisions shall be held to be unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any of the remaining provisions.

HISTORY:
Laws 1967, p. 2748.

605 ILCS 10/35 [Appropriation from Road Fund]

(a) The sum of $1,914,000 is hereby appropriated from the Road Fund to The Illinois State Toll Highway Authority for the purpose of paying the ordinary and contingent expenses of the Authority necessary to finance engineering and traffic studies to determine the feasibility of constructing additional toll highways within the State of Illinois, to determine routes therefor, to prepare for a successful marketing of bonds to finance construction of the additional toll highways, and for the purpose of compensating all persons who must be employed for such purposes.

(b) Compensation of employees devoting their entire time in coordinating the necessary information and in determining the feasibility of constructing additional toll highways within the State of Illinois shall be paid from the amount herein appropriated, and in the case of any employee who is devoting part time to the coordination and procuring of the necessary material for a determination as to whether or not additional toll highways shall be constructed within the State of Illinois shall be paid from the amount herein appropriated, to the extent of the time devoted to such work, it being the intent and purpose that each employee account for the time so spent to be paid from this appropriation, to the end that no charges or expenses of any kind shall be made to any of the funds or accounts created by virtue of the issuing of bonds under "An Act in relation to the construction, operation, regulation and maintenance of a system of toll highways and to create The Illinois State Toll Highway Commission and to define its powers and duties and to repeal an Act therein named", approved July 13, 1953, as amended, except those necessary to the maintenance, administration and operation of the existing toll highway constructed under the provisions of the act.

(c) The amount appropriated herein shall be repaid by the Authority as provided by Section 18 of this Act [605 ILCS 10/18].

Section
605 ILCS 25/0.01 Short title
605 ILCS 25/1 [Jolliet-Marquette Trail — Route of the Voyageurs; Illinois River Road — Route of the Voyageurs]
605 ILCS 25/2 [Erection of plaques]

605 ILCS 25/0.01 Short title

This Act may be cited as the Jolliet-Marquette Trail Act.

HISTORY:
P.A. 86-1324.

605 ILCS 25/1 [Jolliet-Marquette Trail — Route of the Voyageurs; Illinois River Road — Route of the Voyageurs]

Certain portage trails in Illinois between the City of Chicago and the City of Joliet which are locally marked are designated the "Jolliet-Marquette Trail — Route of the Voyageurs" and certain scenic all-weather routes in Illinois now existing and bordering the east and west banks of the Illinois River between the City of Joliet and the City of Grafton and designated the "Illinois River Road — Route of the Voyageurs", as herein described.

The Eastern "Illinois River Road — Route of the Voyageurs" is designated as follows:

Starting at the junction of US 6 and Ill. 7 at Joliet, US 6 through Channahon, Morris, Seneca, Marseilles, and Ottawa to its junction with Ill. 71; Ill. 71 through Starved Rock State Park and Oglesby, west through Cedar Point, Standard, Granville, and Mark to its junction with Ill. 26 at Hennepin; Ill. 26 south through Lacon, Spring Bay and Bay View Gardens to its junction with Ill. 116 north of East Peoria; Ill. 116 to its junction with Ill. 29 in East Peoria; Ill. 29 south through Creve Coeur to CH 16 (Manito Road) one mile south of Pekin; CH 16 west through Manito to Ill. 97 to Havana; Ill. 97 west to its junction with Ill. 78; Ill. 78 south through Bath to CH 7 (Beardstown Road) south of Chandlerville; CH 7 west through Beardstown to US 67 and Ill. 100 south of Beardstown; Ill. 100 south through Bluffs to its junction with US 36; US 36 east to FA 155; FA 155 south through Hillview and Eldred to its junction with Ill. 100 and 16; Ill. 100 and 16 south to its junction with Ill. 100; Ill. 100 south through Nutwood and Rosedale and bordering the west and south boundaries of Pere Marquette State Park to Grafton.

The Western "Illinois River Road — Route of the Voyageurs" is designated as follows:

Starting at the junction of US 6 and Ill. 7 in Joliet, US 6 south and west through Channahon, Morris, and Marseilles to Ill. 23 in Ottawa; Ill. 23 south to FAS 261 in Ottawa; FAS 261 west through Naplate to CH 34 at Buffalo Rock State Park; CH 34 west to its junction with Ill. 178; Ill. 178 north through Utica to its junction with US 6; US 6 west through LaSalle and Peru to its junction with Ill. 29 in Spring Valley; Ill. 29 west and south through DePue, Bureau Junction, Henry, Sparland, and Chillicothe to its point of merger with US 24 on Jefferson Avenue in Peoria; US 24 southwest through Bartonville, Kingston Mines, and Banner to its junction with Ill. 78 and 97; Ill. 78 and 97 south to its junction with US 136; US 136 west to its junction with Ill. 100; Ill. 100 southwest through Enion, Mabletown, Bluff City, Sheldon Grove, Browning, and Frederick to its junction with Ill. 103 and US 67; US 67 and Ill. 100 south to its junction with Ill. 100. Ill. 100 south through Bluffs and Oxville to its junction with US 36; west on US 36 and Ill. 100 through Florence to Detroit; (Alternate route through Brown County from the junction of US 67 and Ill. 100: Ill. 103 west to CH 9 west of Sugar Grove; CH 9 south through LaGrange and across Ill. 99 to Ch 21 in Chambersburg; CH 21 south to CH 2 in Valley City; CH 2 west to CH 14 in Griggsville; CH 14 south to its junction with US 36 and Ill. 100 in Detroit); Ill. 100 south at Detroit through Milton, Pearl, and Kampsville to Hardin; Ill. 100 east across the Illinois River to East Hardin and south through Nutwood and Rosedale and bordering the west and south boundaries of Pere Marquette State Park to Grafton; (Alternate route from Hardin to Grafton: CH 1 south and east through Brussels to the Grafton Free Ferry across the Illinois River to Ill. 100; Ill. 100 east of Grafton).

HISTORY:
P.A. 79-820.

605 ILCS 25/2 [Erection of plaques]

Appropriate plaques may be erected by the Department of Transportation and local agencies in their respective jurisdictions along the "Illinois River Road — Route of the Voyageurs" between the City of Joliet and the City of Grafton in recognition of this designation.

HISTORY:
P.A. 79-820; 89-229, § 3.

BIKEWAY ACT

Section

605 ILCS 30/0.01 Short title

This Act may be cited as the Bikeway Act.

HISTORY:
P.A. 86-1324.

605 ILCS 30/1 Legislative declarations and findings

The General Assembly declares that since a third of the population owns bicycles, there is an urgent need for safe bikeways, for the use of both children and adults for transportation, healthy exercise and recreation.

The General Assembly finds that to coordinate plans for bikeways most effectively with those of the State and local governments as they affect roads, streets, schools, parks, and other publicly owned lands, lands not owned by a municipality, local unit of government, county, or the State of Illinois or one of its agencies or authorities by agreement, abandoned roadbeds and conservation areas, while maximizing the benefits from the use of tax dollars, a single State agency, eligible to receive federal matching funds, should be designated to establish and maintain a State-wide bikeways program.

HISTORY:
P.A. 78-850; 88-676, § 25.

605 ILCS 30/2 Responsible agency; bikeways program; use of funds

(a) The Department of Transportation of the State of Illinois, referred to in this Act as "the Department", is designated as the State agency responsible for developing and coordinating a State-wide bikeways program and shall officially designate bikeways throughout the State.

For purposes of this Act, "bikeways program" includes, but is not limited to: surveys, safety measures, demonstration projects, research, education, proposed legislation, utilization of existing streets and walkways, provision of bicycle paths to and from schools affording a minimum of hazard from automobiles, provision of comfort stations and weather shelters, provision of facilities in connection with commuter railroads to facilitate the use of bicycles by commuters in traveling to and from the railroad stations, and promulgation of standards, security measures and regulations for the registration and use of bicycles.

The Department and, with the Department's approval, the county board of any county or the corporate authorities of any municipality, conservation district, park district, or forest preserve district are hereby authorized to expend funds appropriated for purposes of this Act to acquire right-of-way, plan, locate, relocate, construct, reconstruct, maintain, alter, improve, vacate, and regulate the use of officially designated bikeways. For purposes of this Act a bikeway may be (1) a shared facility whereby both vehicles and bicycles may operate on the through lanes, parking lanes or shoulders of a street or highway, (2) a pathway on a street or highway right-of-way, on public land other than a street or highway right-of-way, or on lands not owned by a municipality, local unit of government, county, or the State of Illinois or one of its agencies or authorities by agreement with the owner for a minimum duration of 20 years. Property interests acquired for projects constructed under the terms of this Act shall not restrict the access, use or enjoyment of the bikeways by the public consistent with regulation by the agency of government with jurisdiction over each bikeway and shall protect the public investment for the useful life of the bikeways.

(b) Notwithstanding the requirement of paragraph 2(a) that any agreement for the acquisition of a property interest in lands not owned by a municipality, local unit of government, county, or the State of Illinois or one of its agencies or authorities shall be for a duration of not less than 20 years, the county board of a county with a population over 500,000 may also enter into agreements with a minimum duration of 5 years with any public utility or railroad for the use of any right-of-way of that public utility in excess of 60 feet in width or railroad right-of-way in the county as a bikeway. The county board shall have the

authority to proceed under the terms of any such agreement for the construction and maintenance of the bikeway and shall have the authority to treat the construction and maintenance as it would for construction and maintenance of county highways including the use of any funds toward the bikeway construction and maintenance that are generally available for the construction and maintenance of county highways. The bikeway construction and maintenance shall be supervised by the county engineer. The county board has the authority to adopt an ordinance to regulate the use of the bikeways. Bikeways to be funded by the county may include segments in the railroad or utility corridor that otherwise meet the criteria of subsection (a) of this Section. Any bikeway constructed by a county under this subsection under an agreement with a public utility or railroad with a duration of less than 20 years shall not receive any support with funds appropriated to the Department.

HISTORY:
P.A. 79-473; 88-502, § 5; 88-676, § 25.

605 ILCS 30/3 [Appropriations; federal funds]

The annual appropriation to the Department for purposes of this Act shall include funds for the development of bicycle paths and a State-wide bikeways program in this State. In addition, the Department may accept and expend federal funds granted for bikeway purposes.

HISTORY:
P.A. 78-850.

605 ILCS 30/4 [Cooperation with local agencies and organizations; interagency council]

In expending funds available for purposes of this Act, the Department shall cooperate with municipalities, townships, counties, road districts, park districts and other appropriate agencies and organizations and, where possible and practicable, shall allocate its expenditures among the several regions of the State, proportionally to the bicycling population.

The Secretary of Transportation shall serve as chairman of and shall at least quarterly convene an interagency council on the bikeways program, comprised of the Director of Natural Resources, the Director of Commerce and Economic Opportunity or his or her designee, the State Superintendent of Education, a county engineer or county superintendent of highways chosen by the statewide association of county engineers, a representative of the Cook County Forest Preserve District, and the Secretary of Transportation, for the purpose of determining policy and priorities in effectuating the purposes of this Act.

HISTORY:
P.A. 81-1509; 89-337, § 5; 89-445, § 9A-77; 94-793, § 845; 2021 P.A. 102-276, § 40, effective August 6, 2021.

BRIDGE CONSTRUCTION ACT

Section

605 ILCS 105/0.01 Short title

This Act may be cited as the Bridge Construction Act.

HISTORY:
P.A. 86-1324.

605 ILCS 105/1 [Assent to construction of bridges]

That the assent of the State of Illinois is hereby given any corporation or association organized under the laws of this state, and subject thereto, to construct bridges across navigable rivers in this state, and upon the boundaries thereof, whenever authorized by the Congress of the United States, under such conditions and restrictions as the Congress may impose: Provided, that whenever any state bordering on the Ohio or Mississippi river has refused or neglected, and shall continue to refuse or neglect to grant privileges similar to those granted by this act, or has repealed, or shall hereafter repeal, any charter of any bridge company, organized for the purpose of building a bridge across the Ohio river or the Mississippi river, the provisions of this act shall not apply to the construction of any bridge not now commenced from any such state into this state, and no bridge shall hereafter be commenced and built into this state, or made to connect with any railroad in this state across the Ohio river or the Mississippi river from any state which has repealed or may hereafter repeal the charter of any bridge company, organized to build a bridge across the Ohio or Mississippi river, until the law repealing such bridge charter shall be repealed by such state.

HISTORY:
Laws 1889, p. 62.

BRIDGE PIER PROTECTION ACT

Section

605 ILCS 110/1 [Duty to construct and maintain pier protection]

Every person, firm or corporation owning, leasing or managing any bridge over a navigable portion of the Illinois River shall construct and maintain in good repair, contiguous to the channel of the river, adequate pier protection for the piers of such bridge, of modern construction, and adequate to meet navigation requirements existing at the time or reason-

ably to be expected in the future during the life of such piers.

HISTORY:
Laws 1941, p. 1091.

605 ILCS 110/1.1 Short title

This Act may be cited as the Bridge Pier Protection Act.

HISTORY:
P.A. 86-1324.

TOLL BRIDGE ACT

Section

605 ILCS 115/0.01 Short title

This Act may be cited as the Toll Bridge Act.

HISTORY:
P.A. 86-1324.

605 ILCS 115/1 [Consent of county board]

No toll bridge shall be established or erected across any lake, river, creek or other water course in this state without the consent of the county board of the county in which the same is to be established or erected.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/2 [Petition for leave to establish and erect toll bridges]

Any person or corporation may petition the county board for leave to establish and erect a toll bridge, and if said board shall deem such bridge necessary, it may authorize the establishment and erection thereof upon such terms and conditions as it shall deem for the public good: Provided, that no bridge shall be constructed over any navigable water without a suitable draw for the passage of water-craft, nor in such manner as to interfere with navigation.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/3 [Bridges established between two counties]

When the bridge is to be established between two counties, the petition shall be addressed to the county boards of both counties, and the consent of each of said boards shall be necessary to authorize the erection or establishment of such bridge.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/4 [Notice of intended application]

No such consent shall be given unless the petitioner shall have given notice of his intended application in some newspaper published in the county, for at least four weeks, successively, next preceding the session of the county board at which the application is made; or, if no newspaper is published in such county, by posting notices in four public places therein, at least four weeks previous to such session. When the application is to several county boards, the notice shall be given in each county. At least four weeks' notice of such intended application shall be given in writing to the owners of the land adjoining to or embracing the water course over which such bridge is to be erected: Provided, that such written notice need not be given to any owner not residing in the state, or who cannot, upon due inquiry, be found.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/5 [Preference of proprietors of land adjoining water course]

The proprietors of lands adjoining to, or embracing the water course over which a toll bridge is proposed to be established, shall have the preference, if they will apply before such privilege shall have been granted to any person or corporation.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/6 [Requirement for bonds]

Any county board granting permission to erect any such bridge may require of the person or corporation to which such permission is granted, bonds in such sum, upon such conditions, and with such security as it shall deem proper, and may insert therein a provision for the payment of any damages that any person may sustain by reason of the construction of such bridge; and any person so damaged may bring suit thereon for his own use.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/7 Toll rates; electronic toll collection.

(a) The county board shall fix the rates of toll, and may from time to time, alter and change the same, including by establishing a toll rate schedule, setting a maximum toll rate that may be adjusted from time to time, or by establishing another toll rate structure, and in case of the neglect of the owner of the bridge to keep the same in proper repair and safe for the crossing of persons and property, may prohibit the taking of toll.

(b) Notwithstanding any law to the contrary, the county board may enter into an agreement establishing a toll rate schedule for a period not to exceed 99 years. This amendatory Act of the 101st General Assembly is declarative of existing law and shall be given retroactive effect.

(c) Except as regarding toll bridges or as otherwise provided by law, nothing in Public Act 101-398 shall be construed to authorize a county, municipality, local government, or private operator to impose a toll upon any public road, street, or highway; nor shall any provision of Public Act 101-398 be construed to authorize, pursuant to an intergovernmental agreement or otherwise, the imposition of any toll upon any public road, street, or highway.

(d) The General Assembly finds that electronic toll collection systems in Illinois should be standardized to promote safety, efficiency, and traveler convenience. If electronic toll collection is used on such bridge, the county shall cause the configuration of the electronic toll collection system to be compatible with the electronic toll collection system used by the Illinois State Toll Highway Authority. The municipality or private operator may enter into an agreement with the Illinois State Toll Highway Authority to provide for such compatibility or to have the Authority provide electronic toll collection or toll violation enforcement services. Any toll bridges in Winnebago County that are in operation and collecting tolls on the effective date of this amendatory Act of the 97th General Assembly are exempt from the provisions of the Act.

HISTORY:
Laws 1874, p. 1059; P.A. 97-252, § 15; 2019 P.A. 101-398, § 15, effective August 16, 2019; 2020 P.A. 101-644, § 5, effective June 26, 2020.

605 ILCS 115/8 [Duty of owner or operator to keep list of rates of toll; penalty]

Every person or corporation owning or operating any toll bridge, shall keep a list of the legal rates of toll, printed or written in a legible hand, constantly posted up in some public place, at or near the toll gate, or place where toll is collected. If any such person or corporation shall fail to comply with the provisions of this section, he shall, for every day such list is not posted up, forfeit $10 to the county.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/9 [Taking or demanding excessive tolls]

Every person or corporation who shall take or demand any greater rate of toll for the passage of any person or property over any bridge than is allowed by law, shall, for each offense, forfeit and pay to the party aggrieved the sum of $5, and such additional amount as shall have been illegally taken.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/10 [Railing or siding]

Every toll bridge shall be built with a good and substantial railing or siding, at least four and a half feet high, and no toll shall be collected for passing any bridge that has not such railing or siding.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/12 [Channels free of deposits]

Every person or corporation owning or operating a bridge over any navigable water course shall keep the channel thereof, above and below the bridge, free and clear from all deposits in any wise prejudicial to the navigation thereof, which may be formed or occasioned by the erection of such bridge.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/13 [Willful injury of gate; forcibly or fraudulently passing over bridge without paying toll; penalty]

Every person who shall willfully break, throw, draw or injure any gate erected on any toll bridge, or shall forcibly or fraudulently pass over any such bridge without having first paid or tendered the legal toll, shall be deemed guilty of a petty offense, and upon conviction shall be fined, in addition to the damage resulting from such wrongful act, in any sum not exceeding ten dollars.

HISTORY:
P.A. 77-2623; 89-657, § 185.

605 ILCS 115/14 [Condemnation for establishment, erection, repair, extension or reconstruction]

When it shall be necessary, for the establishment, erection, repair, extension or reconstruction of any toll bridge of public utility (including all necessary approaches thereto) that may be authorized to be

established or erected pursuant to this act, or which may have been heretofore erected, to take or damage private property therefor, the same may be done, and the compensation therefor ascertained, in the manner then provided by law for the exercise of the right of eminent domain.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/15 [Condemnation of toll bridge to be made free bridge]

Whenever the county board of any county shall deem it for the public interest that any toll bridge in such county should be made a free bridge, it may take and condemn the same for that purpose, in the manner then provided by law for the exercise of the right of eminent domain. If the bridge is situated in two counties, such right may be exercised, and the proceedings had in behalf of such counties, jointly.

HISTORY:
Laws 1874, p. 1059.

605 ILCS 115/16 Eminent domain

Notwithstanding any other provision of this Act, any power granted under this Act to acquire property by condemnation or eminent domain is subject to, and shall be exercised in accordance with, the Eminent Domain Act [735 ILCS 30/1-1-1 et seq.].

HISTORY:
P.A. 94-1055, § 95-5-755.

ILLINOIS ADOPT-A-HIGHWAY ACT

Section

605 ILCS 120/1 Short title

This Act may be cited as the Illinois Adopt-A-Highway Act.

HISTORY:
P.A. 87-1118, § 1.

605 ILCS 120/5 Purpose

The Adopt-A-Highway program allows private citizens to support municipal, township, and county anti-litter efforts by allowing groups to adopt a section of highway for the purpose of litter collection. The following Sections set forth the uniform guidelines and requirements for the administration of Adopt-A-Highway programs in the State of Illinois.

HISTORY:
P.A. 87-1118, § 5.

605 ILCS 120/10 Definitions

For purposes of this Act:

"Group" means members or employees of civic or not-for-profit organizations, and commercial or private enterprises, who have requested to participate, or are participating in, an Adopt-A-Highway program.

"Litter" means any unsightly or offensive matter that may include, but is not limited to, disposable packaging, containers, cans, bottles, paper, ashes, and cigar and cigarette butts. Litter does not include hazardous, heavy, large items, or carcasses.

"Group coordinator" means the individual selected by a group to serve as its liaison with a sponsoring jurisdiction.

"Group president" means the individual who is the recognized leader, president, or chairman for a group.

"Adopted section" means a length of municipal, township, county, or State right-of-way identified by the sponsoring jurisdiction as a safe, adoptable section of right-of-way for adoption by a group. Sections of rights-of-way may be determined inappropriate for adoption for safety reasons. No interstate highway shall be an adopted section.

"Director" means the designee or designees for any municipality, township, or county who has responsibility for the administration of a jurisdiction's Adopt-A-Highway programs.

"Sponsoring jurisdiction" means the Illinois Department of Transportation or any municipality, township, or county that establishes Adopt-A-Highway programs within its jurisdictional area.

HISTORY:
P.A. 87-1118, § 10; 89-229, § 5.

605 ILCS 120/15 Participation in Adopt-A-Highway Program

Groups may apply to a sponsoring jurisdiction for participation in the jurisdiction's Adopt-A-Highway program. The sponsoring jurisdiction shall establish the terms and procedures groups must follow in applying for participation in the Adopt-A-Highway program.

HISTORY:
P.A. 87-1118, § 15.

605 ILCS 120/20 Agreement

(a) The sponsoring jurisdiction shall have sole responsibility in determining whether an application is rejected or accepted. If an application is approved,

the group coordinator and group president shall execute a written agreement with the sponsoring jurisdiction that provides for the group's participation in the Adopt-A-Highway program.

(b) The agreement shall be in the form prescribed by the sponsoring jurisdiction and shall, at a minimum, contain the following:

(1) an acknowledgment by the group of the hazardous nature of the work involved in participating in the Adopt-A-Highway program;

(2) an agreement to comply with the terms and conditions in the Act and any other terms and conditions required by the sponsoring jurisdiction;

(3) an agreement that the volunteers or the volunteer's agents shall assume all liability for and hold the State and the State's agents or employees harmless from any and all claims of action resulting from the group's volunteers or agents work in the program, except for the negligent acts of the State, and the State's agents or employees;

(4) an agreement that the volunteers or the volunteer's agents shall assume all liability for and hold the sponsoring jurisdiction and the sponsoring jurisdiction's agents or employees harmless from any and all claims of action resulting from the group's volunteers or agents work in the program, except for the negligent acts of the sponsoring jurisdiction and the sponsoring jurisdiction's agents or employees;

(5) an agreement that the members of the group are jointly and severally bound by the terms and conditions set forth in the agreement; and

(6) the respective responsibilities of the group and the sponsoring jurisdiction as contained in Sections 25 and 30 of this Act [605 ILCS 120/25 and 605 ILCS 120/30].

HISTORY:
P.A. 87-1118, § 20.

605 ILCS 120/25 Responsibilities of the group

Groups participating in an Adopt-A-Highway program shall:

(1) be required to obey and abide by all laws and regulations relating to safety and any other terms and conditions as required by the sponsoring jurisdiction;

(2) provide one adult supervisor for every 5 youths when persons under age 18 are present on an adopted section;

(3) not allow a person under the age of 10 to be a member of the group who would be volunteering for the purpose of litter collection;

(4) require all group members to attend a safety meeting conducted by the group before participation in any litter collection along an adopted section;

(5) require the group coordinator, or designee, to conduct group safety meetings and to receive safety training as required by the sponsoring jurisdiction;

(6) adopt a section for a minimum of 2 years;

(7) collect litter along an adopted section 4 times a year, or as required by the director;

(8) require the group coordinator to provide prior notice, as required by the director, whenever the group intends to collect litter along its adopted section;

(9) require group members to properly wear any safety apparel provided by the sponsoring jurisdiction while collecting litter on an adopted section;

(10) be responsible for prohibiting members from possessing, consuming, or being under the influence of alcohol or drugs while on an adopted section;

(11) maintain a first-aid kit and an adequate supply of drinking water while members are collecting litter along an adopted section;

(12) place litter in trashbags provided by the sponsoring jurisdiction and place filled trashbags at a location on the adopted section as designated by the director; and

(13) not subcontract or assign its duties or responsibilities to any other group or organization.

HISTORY:
P.A. 87-1118, § 25.

605 ILCS 120/30 Responsibilities of the sponsoring jurisdiction

The sponsoring jurisdiction shall:

(1) determine the specific section of right-of-way that is adopted;

(2) erect a sign that conforms with Section 35 [605 ILCS 120/35] at each end of an adopted section with the name or acronym of the group displayed;

(3) provide a group with garbage bags;

(4) provide a group with safety apparel and signs cautioning the public, if required by the sponsoring jurisdiction; and

(5) remove filled garbage bags from an adopted section as soon as practical after litter collection has occurred, and shall otherwise be responsible for removing litter from adopted sections only under unusual circumstances such as to remove large, heavy, or hazardous items.

HISTORY:
P.A. 87-1118, § 30.

605 ILCS 120/35 Signs

Adopt-A-Highway signs shall be uniform Statewide in terms of shape, color, text, and location. The Illinois Department of Transportation shall develop and announce standards for Adopt-A-Highway signs within 90 days of the effective date of this Act. Nothing in this Act shall prohibit the sponsoring jurisdiction and the Illinois Department of Transportation from working cooperatively to carry out the intent of the Adopt-A-Highway Program.

HISTORY:
P.A. 87-1118, § 35.

605 ILCS 120/40 Safety training

The sponsoring jurisdiction shall develop the safety training programs that are to be utilized by group coordinators in compliance with Section 25 of this Act [605 ILCS 120/25]. Safety training programs shall be appropriate for the various types of roadway that may be adopted within a jurisdiction.

HISTORY:
P.A. 87-1118, § 40.

605 ILCS 120/45 Other conditions

(a) A sponsoring jurisdiction may establish other procedures and requirements for the administration of its Adopt-A-Highway programs. The procedures and requirements shall not be inconsistent with any provision of this Act.

(b) The sponsoring jurisdiction shall have the right to terminate an agreement if a group does not meet the terms and conditions of its agreement, or if the group's involvement in the Adopt-A-Highway program is inconsistent with any other restrictions or limitations established by the sponsoring jurisdiction.

(c) No part of this Act shall prevent the execution of intergovernmental agreements.

HISTORY:
P.A. 87-1118, § 45.

605 ILCS 120/50 Penalty for Litter Control Act violation

(a) An individual convicted of violating Section 4 or Section 5 of the Litter Control Act [415 ILCS 105/4 or 415 ILCS 105/5] by disposing of litter upon a public highway may be required to adopt for 30 days a designated portion of that highway, including the site where the offense occurred.

(b) Item (2) of Section 30 of this Act [605 ILCS 120/30] does not apply when an individual is required to adopt a portion of a highway under this Section.

HISTORY:
P.A. 94-1044, § 10.

605 ILCS 120/100 [Effective date]

This Act takes effect upon becoming law.

HISTORY:
P.A. 87-1118, § 100.

ROADSIDE MEMORIAL ACT

Section

605 ILCS 125/1 Short title

This Act may be cited as the Roadside Memorial Act.

HISTORY:
P.A. 95-398, § 1.

605 ILCS 125/5 Purpose of the Roadside Memorial program.

The Roadside Memorial program is intended to raise public awareness of traffic fatalities by affording families an opportunity to remember the victims of traffic crashes.

HISTORY:
P.A. 95-398, § 5; 2021 P.A. 102-60, § 5, effective July 9, 2021.

605 ILCS 125/10 Definitions

As used in this Act:

"Department" means the Department of Transportation.

"DUI memorial marker" means a marker on a highway in this State commemorating one or more persons who died as a proximate result of a crash caused by a driver under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof.

"Qualified relative" means: an immediate relative of the deceased, by marriage, blood, or adoption, such as his or her spouse, son, daughter, mother, father, sister, or brother; a stepmother, stepfather, stepbrother, or stepsister of the deceased; or a person with whom the deceased was in a domestic partnership or civil union as recognized by a State or local law or ordinance.

"Supporting jurisdiction" means the Department or any municipality, township, or county that establishes a Roadside Memorial program within its jurisdictional area.

HISTORY:
P.A. 95-398, § 10.

605 ILCS 125/15 Participation in the Roadside Memorial program

(a) A qualified relative of a victim may make a request for the installation of a memorial marker in a supporting jurisdiction using an application developed by the supporting jurisdiction. The supporting jurisdiction shall have sole responsibility for deter-

mining whether a request for a DUI memorial marker is rejected or accepted.

(b) An application for a DUI memorial marker may be submitted by a qualified relative with regard to any crash that occurred on or after January 1, 1990.

(c) If there is any opposition to the placement of a DUI memorial marker by any qualified relative of any decedent involved in the crash, the supporting jurisdiction shall deny the request.

(d) The supporting jurisdiction shall deny the request or, if a DUI memorial marker has already been installed, may remove the marker, if the qualified relative has provided false or misleading information in the application.

(e) The qualified relative shall agree not to place or encourage the placement of flowers, pictures, or other items at the crash site.

(f) A DUI memorial marker shall not be erected for a deceased driver involved in a fatal crash who is shown by toxicology reports to have been in violation of State DUI law, unless the next of kin of any other victim or victims killed in the crash consent in writing to the erection of the memorial marker.

HISTORY:
P.A. 95-398, § 15; 95-873, § 5.

605 ILCS 125/20 DUI memorial markers.

(a) A DUI memorial marker erected before July 1, 2021 shall consist of a white on blue panel bearing the message "Please Don't Drink and Drive". A DUI memorial marker erected on or after July 1, 2021 shall consist of a white on blue panel bearing the message "Don't Drive Under the Influence". At the request of the qualified relative, a separate panel bearing the words "In Memory of (victim's name)", followed by the date of the crash that was the proximate cause of the loss of the victim's life, shall be mounted below the primary panel. This amendatory Act of the 102nd General Assembly does not require the removal or replacement of any memorial markers erected before July 1, 2021.

(b) A DUI memorial marker may memorialize more than one victim who died as a result of the same DUI-related crash. If one or more additional DUI crash deaths subsequently occur in close proximity to an existing DUI memorial marker, the supporting jurisdiction may use the same marker to memorialize the subsequent death or deaths, by adding the names of the additional persons.

(c) A DUI memorial marker shall be maintained for at least 2 years from the date the last person was memorialized on the marker.

(d) The supporting jurisdiction has the right to install a marker at a location other than the location of the crash or to relocate a marker due to restricted room, property owner complaints, interference with essential traffic control devices, safety concerns, or other restrictions. In such cases, the sponsoring jurisdiction may select an alternate location.

(e) The Department shall secure the consent of any municipality before placing a DUI memorial marker within the corporate limits of the municipality.

(f) A fee in an amount to be determined by the supporting jurisdiction may be paid in whole or in part from the Roadside Memorial Fund if moneys are made available by the Department of Transportation from that Fund or may be charged to the qualified relative to the extent moneys from that Fund are not made available. The fee shall not exceed the costs associated with the fabrication, installation, and maintenance of the DUI memorial marker.

HISTORY:
P.A. 95-398, § 20; 96-667, § 10; 2021 P.A. 102-60, § 5, effective July 9, 2021.

605 ILCS 125/23: [Repealed] Repealed internally by P.A. 97-1150, § 570, effective January 25, 2013.

605 ILCS 125/23.1 Fatal accident memorial marker program. [Effective until July 1, 2023]

(a) The fatal accident memorial marker program is intended to raise public awareness of traffic fatalities caused by reckless driving or other means by emphasizing the dangers while affording families an opportunity to remember the victims of traffic crashes.

(b) As used in this Section, "fatal accident memorial marker" means a marker on a highway in this State commemorating one or more persons who died as a proximate result of a crash caused by a driver who committed an act of reckless homicide in violation of Section 9-3 or 9-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 [720 ILCS 5/9-3 or 720 ILCS 5/9-3.2] or who otherwise caused the death of one or more persons through the operation of a motor vehicle.

(c) For purposes of the fatal accident memorial marker program in this Section, the provisions of Section 15 of this Act [605 ILCS 125/15] applicable to DUI memorial markers shall apply the same to fatal accident memorial markers.

(d) A fatal accident memorial marker shall consist of a white on blue panel bearing the message "Reckless Driving Costs Lives" if the victim or victims died as a proximate result of a crash caused by a driver who committed an act of reckless homicide in violation of Section 9-3 or 9-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 [720 ILCS 5/9-3 or 720 ILCS 5/9-3.2]. Otherwise, a fatal accident memorial marker shall consist of a white on blue panel bearing the message "Drive With Care". At the request of the qualified relative, a separate panel bearing the words "In Memory of (victim's name)", followed by the date of the crash that was the proximate cause of the loss of the victim's life, shall be mounted below the primary panel.

(e) A fatal accident memorial marker may memorialize more than one victim who died as a result of the same crash. If one or more additional deaths subsequently occur in close proximity to an existing fatal accident memorial marker, the supporting jurisdiction may use the same marker to memorialize the subsequent death or deaths, by adding the names of the additional persons.

(f) A fatal accident memorial marker shall be maintained for at least 2 years from the date the last person was memorialized on the marker.

(g) The supporting jurisdiction has the right to install a marker at a location other than the location of the crash or to relocate a marker due to restricted room, property owner complaints, interference with essential traffic control devices, safety concerns, or other restrictions. In these cases, the sponsoring jurisdiction may select an alternate location.

(h) The Department shall secure the consent of any municipality before placing a fatal accident memorial marker within the corporate limits of the municipality.

(i) A fee in an amount to be determined by the supporting jurisdiction shall be charged to the qualified relative. The fee shall not exceed the costs associated with the fabrication, installation, and maintenance of the fatal accident memorial marker.

(j) The provisions of this Section shall apply to any fatal accident marker constructed on or after January 1, 2013.

HISTORY:
P.A. 98-334, § 5; 2021 P.A. 102-60, § 5, effective July 9, 2021.

605 ILCS 125/23.1 Fatal crash memorial marker program. [Effective July 1, 2023]

(a) The fatal crash memorial marker program is intended to raise public awareness of traffic fatalities caused by reckless driving or other means by emphasizing the dangers while affording families an opportunity to remember the victims of traffic crashes.

(b) As used in this Section, "fatal crash memorial marker" means a marker on a highway in this State commemorating one or more persons who died as a proximate result of a crash caused by a driver who committed an act of reckless homicide in violation of Section 9-3 or 9-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 [720 ILCS 5/9-3 or 720 ILCS 5/9-3.2] or who otherwise caused the death of one or more persons through the operation of a motor vehicle.

(c) For purposes of the fatal crash memorial marker program in this Section, the provisions of Section 15 of this Act [605 ILCS 125/15] applicable to DUI memorial markers shall apply the same to fatal crash memorial markers.

(d) A fatal crash memorial marker shall consist of a white on blue panel bearing the message "Reckless Driving Costs Lives" if the victim or victims died as a proximate result of a crash caused by a driver who committed an act of reckless homicide in violation of Section 9-3 or 9-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 [720 ILCS 5/9-3 or 720 ILCS 5/9-3.2]. Otherwise, a fatal crash memorial marker shall consist of a white on blue panel bearing the message "Drive With Care". At the request of the qualified relative, a separate panel bearing the words "In Memory of (victim's name)", followed by the date of the crash that was the proximate cause of the loss of the victim's life, shall be mounted below the primary panel.

(e) A fatal crash memorial marker may memorialize more than one victim who died as a result of the same crash. If one or more additional deaths subsequently occur in close proximity to an existing fatal crash memorial marker, the supporting jurisdiction may use the same marker to memorialize the subsequent death or deaths, by adding the names of the additional persons.

(f) A fatal crash memorial marker shall be maintained for at least 2 years from the date the last person was memorialized on the marker.

(g) The supporting jurisdiction has the right to install a marker at a location other than the location of the crash or to relocate a marker due to restricted room, property owner complaints, interference with essential traffic control devices, safety concerns, or other restrictions. In these cases, the sponsoring jurisdiction may select an alternate location.

(h) The Department shall secure the consent of any municipality before placing a fatal crash memorial marker within the corporate limits of the municipality.

(i) A fee in an amount to be determined by the supporting jurisdiction shall be charged to the qualified relative. The fee shall not exceed the costs associated with the fabrication, installation, and maintenance of the fatal crash memorial marker.

(j) The provisions of this Section shall apply to any fatal crash marker constructed on or after January 1, 2013.

HEROES WAY DESIGNATION PROGRAM ACT

Section

HISTORY:
2016 P.A. 99-802, § 1, effective January 1, 2017.

605 ILCS 127/1 Short title.

This Act may be cited as the Heroes Way Designation Program Act.

HISTORY:
2016 P.A. 99-802, § 1, effective January 1, 2017.

605 ILCS 127/5 Purpose.

This Act establishes a designation program, to be known as the "Heroes Way Designation Program", to honor the fallen Illinois heroes who have been killed in action while performing active military duty with the United States Armed Forces.

HISTORY:
2016 P.A. 99-802, § 5, effective January 1, 2017.

605 ILCS 127/10 Definitions.

As used in this Act:

"Department" means the Illinois Department of Transportation.

"Secretary" means the Secretary of the Illinois Department of Transportation.

"United States Armed Forces" means any branch of the United States Military, including National Guard and military reserve components.

HISTORY:
2016 P.A. 99-802, § 10, effective January 1, 2017.

605 ILCS 127/15 Heroes Way Designation Program.

(a) Any person who is related by marriage, adoption, or consanguinity within the second degree to a member of the United States Armed Forces who was killed in action while performing active military duty with the Armed Forces, and who was a resident of this State at the time he or she was killed in action, may apply for a designation allowing the placement of an honorary sign alongside roads designated under the provisions of this Act.

(b) The honorary signs may be placed upon interstate or state-numbered highway interchanges or upon bridges or segments of highway under the jurisdiction of the Department according to the provisions of this Section, and any applicable federal and State limitations or conditions on highway signage, including location and spacing.

(c) Any person described under subsection (a) of this Section who desires to have an interstate or state-numbered highway interchange or bridge or segment of highway under the jurisdiction of the Department designated after his or her family member shall petition the Department by submitting an application in a form prescribed by the Secretary. The form shall include the amount of the fee under subsection (d) of this Section. The application must meet the following requirements:

(1) describe the interstate or state-numbered highway interchange or bridge or segment of highway under the jurisdiction of the Department for which the designation is sought and the proposed name of the interchange, bridge, or relevant segment of highway. The application shall include the name of at least one current member of the General Assembly who will sponsor the designation. The application may contain written testimony for support of the designation;

(2) a signed form, prescribed by the Secretary, certifying that the applicant is related by marriage, adoption, or consanguinity within the second degree to the member of the United States Armed Forces who was killed in action; and

(3) the name of the member of the United States Armed Forces for whom the designation is sought must be listed on the National Gold Star Family Registry.

(d) After determining that the petitioner meets all of the application requirements of subsection (c), the Department shall submit a recommendation containing the proposed designations to the sponsor in the General Assembly named in the application. The Department shall be notified upon the approval or denial of a proposed designation. Upon the approval of a proposed designation, the petitioner shall submit a fee to be determined by the Secretary to cover the costs of constructing and maintaining the proposed signs on the interchange, bridge, or segment of highway. The fee shall not exceed the cost of constructing and maintaining each sign.

(e) The Department shall give notice of any proposed designation under this Section on the Department's official public website.

(f) Two signs shall be erected for each interchange, bridge, or segment of highway designation processed under this Section.

(g) No interchange, bridge, or segment of highway may be named or designated under this Section if it carries an existing designation. A designated member of the United States Armed Forces shall not be eligible for more than one interchange, bridge, or segment of highway designation under this Section.

(h) All moneys received by the Department for the construction and maintenance of interchange, bridge, or segment of highway signs shall be deposited in the "Road Fund" of the State treasury.

(i) The documents and fees required under this Section shall be submitted to the Department.

HISTORY:
2016 P.A. 99-802, § 15, effective January 1, 2017.

PUBLIC PRIVATE AGREEMENTS FOR THE ILLIANA EXPRESSWAY ACT

Section

605 ILCS 130/1 Short title

This Act may be cited as the Public Private Agreements for the Illiana Expressway Act.

HISTORY:
P.A. 96-913, § 1.

605 ILCS 130/5 Legislative findings

(a) The State of Illinois and the State of Indiana are engaged in collaborative planning efforts to build a new interstate highway connecting Interstate Highway 55 in northeastern Illinois to Interstate Highway 65 in northwestern Indiana to serve the public at large.

(b) The Illiana Expressway will promote development and investment in the State of Illinois and serve as a critical transportation route in the region.

(c) Public private agreements between the State of Illinois and one or more private entities to develop, finance, construct, manage, or operate the Illiana Expressway have the potential of maximizing value and benefit to the People of the State of Illinois and the public at large.

(d) Public private agreements may enable the Illiana Expressway to be developed, financed, constructed, managed, or operated in an entrepreneurial and business-like manner.

(e) In the event the State of Illinois enters into one or more public private agreements to develop, finance, construct, manage, or operate the Illiana Expressway, the private parties to the agreements should be accountable to the People of Illinois through a comprehensive system of oversight, regulation, auditing, and reporting.

(f) It is the intent of this Act to use Illinois design professionals, construction companies, and workers to the greatest extent permitted by law by offering them the right to compete for this work.

HISTORY:
P.A. 96-913, § 5.

605 ILCS 130/10 Definitions

As used in this Act:

"Agreement" means a public private agreement.

"Contractor" means a person that has been selected to enter or has entered into a public private agreement with the Department on behalf of the State for the development, financing, construction, management, or operation of the Illiana Expressway pursuant to this Act.

"Department" means the Illinois Department of Transportation.

"Illiana Expressway" means the fully access-controlled interstate highway connecting Interstate Highway 55 in northeastern Illinois to Interstate Highway 65 in northwestern Indiana, which may be operated as a toll or non-toll facility.

"Metropolitan planning organization" means a metropolitan planning organization designated under 23 U.S.C. Section 134.

"Offeror" means a person that responds to a request for proposals under this Act.

"Person" means any individual, firm, association, joint venture, partnership, estate, trust, syndicate, fiduciary, corporation, or any other legal entity, group, or combination thereof.

"Public private agreement" means an agreement or contract between the Department on behalf of the State and all schedules, exhibits, and attachments thereto, entered into pursuant to a competitive request for proposals process governed by the Illinois Procurement Code [30 ILCS 500/1-1 et seq.] and rules adopted under that Code and this Act, for the development, financing, construction, management, or operation of the Illiana Expressway pursuant to this Act.

"Revenues" means all revenues including but not limited to income; user fees; earnings; interest; lease payments; allocations; moneys from the federal government, the State, and units of local government, including but not limited to federal, State, and local appropriations, grants, loans, lines of credit, and credit guarantees; bond proceeds; equity invest-

ments; service payments; or other receipts arising out of or in connection with the financing, development, construction, management, or operation of the Illiana Expressway.

"State" means the State of Illinois.

"Secretary" means the Secretary of the Illinois Department of Transportation.

"Unit of local government" has the meaning ascribed to that term in Article VII, Section 1 of the Constitution of the State of Illinois, and, for purposes of this Act, includes school districts.

"User fees" means the tolls, rates, fees, or other charges imposed by the State or the contractor for use of all or part of the Illiana Expressway.

HISTORY:
P.A. 96-913, § 10.

605 ILCS 130/15 Public private agreement authorized

(a) Notwithstanding any provision of law to the contrary, the Department on behalf of the State may, pursuant to a competitive request for proposals process governed by the Illinois Procurement Code [30 ILCS 500/1-1 et seq.] and rules adopted under that Code and this Act, enter into one or more public private agreements with one or more contractors to develop, finance, construct, manage, or operate the Illiana Expressway on behalf of the State, and further pursuant to which the contractors may receive certain revenues including user fees in consideration of the payment of moneys to the State for that right.

(b) Before taking any action in connection with the development, financing, maintenance, or operation of the Illiana Expressway that is not authorized by an interim agreement under Section 30 of this Act [605 ILCS 130/30], a contractor shall enter into a public private agreement.

(c) The term of a public private agreement, including all extensions, shall be no more than 99 years.

(d) The term of a public private agreement may be extended but only if the extension is specifically authorized by the General Assembly by law.

HISTORY:
P.A. 96-913, § 15.

605 ILCS 130/17 Procurement; prequalification

The Department may establish a process for prequalification of offerors. If the Department does create such a process, it shall: (i) provide a public notice of the prequalification at least 30 days prior to the date on which applications are due; (ii) set forth requirements and evaluation criteria in order to become prequalified; (iii) determine which offerors that have submitted prequalification applications, if any, meet the requirements and evaluation criteria; and (iv) allow only those offerors that have been prequalified to respond to the request for proposals.

HISTORY:
P.A. 96-913, § 17.

605 ILCS 130/20 Procurement; request for proposals process.

(a) Notwithstanding any provision of law to the contrary, the Department on behalf of the State shall select a contractor through a competitive request for proposals process governed by the Illinois Procurement Code [30 ILCS 500/1-1 et seq.] and rules adopted under that Code and this Act.

(b) The competitive request for proposals process shall, at a minimum, solicit statements of qualification and proposals from offerors.

(c) The competitive request for proposals process shall, at a minimum, take into account the following criteria:

(1) The offeror's plans for the Illiana Expressway project;

(2) The offeror's current and past business practices;

(3) The offeror's poor or inadequate past performance in developing, financing, constructing, managing, or operating highways or other public assets;

(4) The offeror's ability to meet and past performance in meeting or exhausting good faith efforts to meet the utilization goals for business enterprises established in the Business Enterprise for Minorities, Women, and Persons with Disabilities Act [30 ILCS 575/0.01 et seq.];

(5) The offeror's ability to comply with and past performance in complying with Section 2-105 of the Illinois Human Rights Act [775 ILCS 5/2-105]; and

(6) The offeror's plans to comply with the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Section 2-105 of the Illinois Human Rights Act.

(d) The Department shall retain the services of an advisor or advisors with significant experience in the development, financing, construction, management, or operation of public assets to assist in the preparation of the request for proposals.

(e) The Department shall not include terms in the request for proposals that provide an advantage, whether directly or indirectly, to any contractor presently providing goods, services, or equipment to the Department.

(f) The Department shall select at least 2 offerors as finalists. The Department shall submit the offerors' statements of qualification and proposals to the Commission on Government Forecasting and Accountability and the Procurement Policy Board, which shall, within 30 days of the submission, complete a review of the statements of qualification and proposals and, jointly or separately, report on, at a minimum, the satisfaction of the criteria contained in the request for proposals, the qualifications of the offerors, and the value of the proposals to the State. The Department shall not select an offeror as the contractor for the Illiana Expressway project until it has received and considered the findings of the Commission on Government Forecasting and Account-

ability and the Procurement Policy Board as set forth in their respective reports.

(g) Before awarding a public private agreement to an offeror, the Department shall schedule and hold a public hearing or hearings on the proposed public private agreement and publish notice of the hearing or hearings at least 7 days before the hearing and in accordance with Section 4-219 of the Illinois Highway Code [605 ILCS 5/4-219]. The notice must include the following:

(1) the date, time, and place of the hearing and the address of the Department;

(2) the subject matter of the hearing;

(3) a description of the agreement that may be awarded; and

(4) the recommendation that has been made to select an offeror as the contractor for the Illiana Expressway project.

At the hearing, the Department shall allow the public to be heard on the subject of the hearing.

(h) After the procedures required in this Section have been completed, the Department shall make a determination as to whether the offeror should be designated as the contractor for the Illiana Expressway project and shall submit the decision to the Governor and to the Governor's Office of Management and Budget. After review of the Department's determination, the Governor may accept or reject the determination. If the Governor accepts the determination of the Department, the Governor shall designate the offeror for the Illiana Expressway project.

HISTORY:

P.A. 96-913, § 20; 2017 P.A. 100-391, § 160, effective August 25, 2017.

605 ILCS 130/25 Provisions of the public private agreement

(a) The public private agreement shall include all of the following:

(1) The term of the public private agreement that is consistent with Section 15 of this Act [605 ILCS 130/15];

(2) The powers, duties, responsibilities, obligations, and functions of the Department and the contractor;

(3) Compensation or payments to the Department, if applicable;

(4) Compensation or payments to the contractor;

(5) A provision specifying that the Department:

(A) has ready access to information regarding the contractor's powers, duties, responsibilities, obligations, and functions under the public private agreement;

(B) has the right to demand and receive information from the contractor concerning any aspect of the contractor's powers, duties, responsibilities, obligations, and functions under the public private agreement; and

(C) has the authority to direct or countermand decisions by the contractor at any time;

(6) A provision imposing an affirmative duty on the contractor to provide the Department with any information the contractor reasonably believes the Department would want to know or would need to know to enable the Department to exercise its powers, carry out its duties, responsibilities, and obligations, and perform its functions under this Act or the public private agreement or as otherwise required by law;

(7) A provision requiring the contractor to provide the Department with advance notice of any decision that bears significantly on the public interest so the Department has a reasonable opportunity to evaluate and countermand that decision pursuant to this Section;

(8) A requirement that the Department monitor and oversee the contractor's practices and take action that the Department considers appropriate to ensure that the contractor is in compliance with the terms of the public private agreement;

(9) The authority of the Department to enter into contracts with third parties pursuant to Section 50 of this Act [605 ILCS 130/50];

(10) A provision governing the contractor's authority to negotiate and execute subcontracts with third parties;

(10.5) A provision stating that, in the event that the contractor does not have a subcontract with a design-build entity in effect at the time of execution of the public-private agreement by the Department, the contractor must follow a selection process that is, to the greatest extent possible, identical to the selection process contained in the Design-Build Procurement Act [30 ILCS 537/1 et seq.];

(11) The authority of the contractor to impose user fees and the amounts of those fees, including the authority of the contractor to use congestion pricing, pursuant to which higher tolls rates are imposed during times or in locations of increased congestion;

(12) A provision governing the deposit and allocation of revenues including user fees;

(13) A provision governing rights to real and personal property of the State, the Department, the contractor, and other third parties;

(14) A provision stating that the contractor must, pursuant to Section 75 of this Act [605 ILCS 130/75], finance an independent audit if the construction costs under the contract exceed $50,000,000;

(15) A provision regarding the implementation and delivery of a comprehensive system of internal audits;

(16) A provision regarding the implementation and delivery of reports, which must include a requirement that the contractor file with the Department, at least on an annual basis, financial statements containing information required by generally accepted accounting principles (GAAP);

(17) Procedural requirements for obtaining the prior approval of the Department when rights that

are the subject of the agreement, including but not limited to development rights, construction rights, property rights, and rights to certain revenues, are sold, assigned, transferred, or pledged as collateral to secure financing or for any other reason;

(18) Grounds for termination of the agreement by the Department or the contractor and a restatement of the Department's rights under Section 35 of this Act [605 ILCS 130/35];

(19) A requirement that the contractor enter into a project labor agreement pursuant to Section 100 of this Act [605 ILCS 130/100];

(19.5) A provision stating that construction contractors shall comply with the requirements of Section 30-22 of the Illinois Procurement Code [30 ILCS 500/30-22] pursuant to Section 100 of this Act;

(20) Timelines, deadlines, and scheduling;

(21) Review of plans, including development, financing, construction, management, or operations plans, by the Department;

(22) Inspections by the Department, including inspections of construction work and improvements;

(23) Rights and remedies of the Department in the event that the contractor defaults or otherwise fails to comply with the terms of the agreement;

(24) A code of ethics for the contractor's officers and employees; and

(25) Procedures for amendment to the agreement.

(b) The public private agreement may include any or all of the following:

(1) A provision regarding the extension of the agreement that is consistent with Section 15 of this Act [605 ILCS 130/15];

(2) Cash reserves requirements;

(3) Delivery of performance and payment bonds or other performance security in a form and amount that is satisfactory to the Department;

(4) Maintenance of public liability insurance;

(5) Maintenance of self-insurance;

(6) Provisions governing grants and loans, pursuant to which the Department may agree to make grants or loans for the development, financing, construction, management, or operation of the Illiana Expressway project from time to time from amounts received from the federal government or any agency or instrumentality of the federal government or from any State or local agency;

(7) Reimbursements to the Department for work performed and goods, services, and equipment provided by the Department; and

(8) All other terms, conditions, and provisions acceptable to the Department that the Department deems necessary and proper and in the public interest.

HISTORY:
P.A. 96-913, § 25; 97-808, § 5; 98-595, § 5.

605 ILCS 130/30 Interim agreements

(a) Prior to or in connection with the negotiation of the public private agreement, the Department may enter into an interim agreement with the contractor.

(b) The interim agreement may not authorize the contractor to perform construction work prior to the execution of the public private agreement.

(c) The interim agreement may include any or all of the following:

(1) Timelines, deadlines, and scheduling;

(2) Compensation including the payment of costs and fees in the event the Department terminates the interim agreement or declines to proceed with negotiation of the public private agreement;

(3) A provision governing the contractor's authority to commence activities related to the Illiana Expressway project including but not limited to project planning, advance right-of-way acquisition, design and engineering, environmental analysis and mitigation, surveying, conducting studies including revenue and transportation studies, and ascertaining the availability of financing;

(4) Procurement procedures;

(5) A provision governing rights to real and personal property of the State, the Department, the contractor, and other third parties;

(6) All other terms, conditions, and provisions acceptable to the Department that the Department deems necessary and proper and in the public interest.

(d) The Department may enter into one or more interim agreements with one or more contractors if the Department determines in writing that it is in the public interest to do so.

HISTORY:
P.A. 96-913, § 30.

605 ILCS 130/35 Termination of the Public Private Agreement

The Department may terminate a public private agreement or interim agreement under Section 30 of this Act [605 ILCS 130/30] if the contractor or any executive employee of the contractor is found guilty of any criminal offense related to the conduct of its business or the regulation thereof in any jurisdiction. For purposes of this Section, an "executive employee" is the President, Chairman, Chief Executive Officer, or Chief Financial Officer; any employee with executive decision-making authority over the long-term or day-to-day affairs of the contractor; or any employee whose compensation or evaluation is determined in whole or in part by the award of the public private agreement.

HISTORY:
P.A. 96-913, § 35.

605 ILCS 130/40 Public private agreement proceeds

After the payment of all transaction costs, including payments for legal, accounting, financial, consultation, and other professional services, all moneys

received by the State as compensation for the public private agreement shall be deposited into the Illiana Expressway Proceeds Fund, which is hereby created as a special fund in the State treasury. Expenditures may be made from the Fund only in the manner as appropriated by the General Assembly by law.

HISTORY:
P.A. 96-913, § 40.

605 ILCS 130/45 User fees

No user fees may be imposed by the contractor except as set forth in the public private agreement.

HISTORY:
P.A. 96-913, § 45.

605 ILCS 130/47 Selection of professional design firms

Notwithstanding any provision of law to the contrary, the selection of professional design firms by the Department or the contractor shall comply with the Architectural, Engineering, and Land Surveying Qualifications Based Selection Act [30 ILCS 535/1 et seq.].

HISTORY:
P.A. 96-913, § 47.

605 ILCS 130/50 Other contracts

The Department may, pursuant to the Illinois Procurement Code [30 ILCS 500/1-1 et seq.] and rules adopted under that Code, award contracts for goods, services, or equipment to persons other than the contractor for goods, services, or equipment not provided for in the public private agreement.

HISTORY:
P.A. 96-913, § 50.

605 ILCS 130/55 Planning for the Illiana Expressway project

The Illiana Expressway project shall be subject to all applicable planning requirements otherwise required by law, including land use planning, regional planning, transportation planning, and environmental compliance requirements.

HISTORY:
P.A. 96-913, § 55.

605 ILCS 130/60 Illinois Department of Transportation; reporting requirements and information requests

(a) The Department shall submit written monthly progress reports to the Procurement Policy Board and the General Assembly on the Illiana Expressway project. The report shall include the status of any public private agreements or other contracting and any ongoing or completed studies. The Procurement Policy Board may determine the format for the written monthly progress reports.

(b) The Department shall also respond promptly in writing to all inquiries and comments of the Procurement Policy Board with respect to any conduct taken by the Department to implement, execute, or administer the provisions of this Act.

(c) Upon request, the Department shall appear and testify before the Procurement Policy Board and produce information requested by the Procurement Policy Board.

(d) At least 30 days prior to the beginning of the Department's fiscal year, the Department shall prepare an annual written progress report on the Illiana Expressway project. The report shall include the status of any public private agreements or other contracting and any ongoing or completed studies. The report shall be delivered to the Procurement Policy Board and each county, municipality, and metropolitan planning organization whose territory includes or lies within 5 miles from a proposed or existing Illiana Expressway project site.

HISTORY:
P.A. 96-913, § 60.

605 ILCS 130/65 Illinois Department of Transportation; publication requirements

(a) The Department shall publish a notice of the execution of the public private agreement on its website and in a newspaper of general circulation within the county or counties whose territory includes or lies within 5 miles from a proposed or existing Illiana Expressway project site.

(b) The Department shall publish the full text of the public private agreement on its website.

HISTORY:
P.A. 96-913, § 65.

605 ILCS 130/70 Electronic toll collection systems

Any electronic toll collection system used on the Illiana Expressway must be compatible with the electronic toll collection system used by the Illinois State Toll Highway Authority.

HISTORY:
P.A. 96-913, § 70.

605 ILCS 130/75 Independent audits

If the public private agreement provides for the construction of all or part of the Illiana Expressway project and the estimated construction costs under the agreement exceed $50,000,000, the Department must also require the contractor to finance an independent audit of any and all traffic and cost estimates associated with the agreement as well as a review of all public costs and potential liabilities to which taxpayers could be exposed (including im-

provements to other transportation facilities that may be needed as a result of the agreement, failure by the contractor to reimburse the Department for services provided, and potential risk and liability in the event of default on the agreement or default on other types of financing). The independent audit must be conducted by an independent consultant selected by the Department.

HISTORY:
P.A. 96-913, § 75.

605 ILCS 130/80 Property acquisition

The Department may acquire property for the Illiana Expressway project using the powers granted to it in the Illinois Highway Code and the Eminent Domain Act [605 ILCS 5/1-101 et seq.].

HISTORY:
P.A. 96-913, § 80; 97-808, § 5.

605 ILCS 130/85 Rights of the Illinois Department of Transportation upon expiration or termination of the agreement

(a) Upon the termination or expiration of the public private agreement, including a termination for default, the Department shall have the right to take over the Illiana Expressway project and to succeed to all of the right, title, and interest in the Illiana Expressway project, subject to any liens on revenues previously granted by the contractor to any person providing financing for the Illiana Expressway project.

(b) If the Department elects to take over the Illiana Expressway project as provided in subsection (a) of this Section, the Department may, without limitation, do the following:

(1) develop, finance, construct, maintain, or operate the project, including through another public private agreement entered into in accordance with this Act; or

(2) impose, collect, retain, and use user fees, if any, for the project.

(c) If the Department elects to take over the Illiana Expressway project as provided in subsection (a) of this Section, the Department may, without limitation, use the revenues, if any, for any lawful purpose, including to:

(1) make payments to individuals or entities in connection with any financing of the Illiana Expressway project;

(2) permit a contractor or third party to receive some or all of the revenues under the public private agreement entered into under this Act;

(3) pay development costs of the Illiana Expressway;

(4) pay current operation costs of the Illiana Expressway; and

(5) pay the contractor for any compensation or payment owing upon termination.

(d) All real property acquired as a part of the Illiana Expressway shall be held in the name of the State of Illinois upon termination of the Illiana Expressway project.

(e) The full faith and credit of the State or any political subdivision of the State or the Department is not pledged to secure any financing of the contractor by the election to take over the Illiana Expressway project. Assumption of development or operation, or both, of the Illiana Expressway project does not obligate the State or any political subdivision of the State or the Department to pay any obligation of the contractor.

HISTORY:
P.A. 96-913, § 85.

605 ILCS 130/90 Standards for the Illiana Expressway project

(a) The plans and specifications for the Illiana Expressway project must comply with:

(1) the Department's standards for other projects of a similar nature or as otherwise provided in the public private agreement;

(2) the Professional Engineering Practice Act of 1989 [225 ILCS 325/1 et seq.], the Structural Engineering Practice Act of 1989 [225 ILCS 340/1 et seq.], the Illinois Architecture Practice Act of 1989 [225 ILCS 305/1 et seq.], and the Illinois Professional Land Surveyor Act of 1989 [225 ILCS 330/1 et seq.]; and

(3) any other applicable State or federal standards.

(b) The Illiana Expressway constructed is considered to be part of the State highway system for purposes of identification, maintenance standards, and enforcement of traffic laws under the jurisdiction of the Department. The Department shall establish performance based standards for financial documents related to the Illiana Expressway.

HISTORY:
P.A. 96-913, § 90.

605 ILCS 130/95 Financial arrangements

(a) The Department may apply for, execute, or endorse applications submitted by contractors and other third parties to obtain federal, State, or local credit assistance to develop, finance, maintain, or operate the Illiana Expressway project.

(b) The Department may take any action to obtain federal, State, or local assistance for the Illiana Expressway project that serves the public purpose of this Act and may enter into any contracts required to receive the federal assistance. The Department may determine that it serves the public purpose of this Act for all or any portion of the costs of the Illiana Expressway project to be paid, directly or indirectly, from the proceeds of a grant or loan, line of credit, or loan guarantee made by a local, State, or federal government or any agency or instrumentality of a

local, State, or federal government. Such assistance may include, but not be limited to, federal credit assistance pursuant to the Transportation Infrastructure Finance and Innovation Act (TIFIA).

(c) The Department may agree to make grants or loans for the development, financing, construction, management, or operation of the Illiana Expressway project from time to time, from amounts received from the federal, State, or local government or any agency or instrumentality of the federal, State, or local government.

(d) Any financing of the Illiana Expressway project may be in the amounts and subject to the terms and conditions contained in the public private agreement.

(e) For the purpose of financing the Illiana Expressway project, the contractor and the Department may do the following:

(1) propose to use any and all revenues that may be available to them;

(2) enter into grant agreements;

(3) access any other funds available to the Department; and

(4) accept grants from any public or private agency or entity.

(f) For the purpose of financing the Illiana Expressway project, public funds may be used and mixed and aggregated with funds provided by or on behalf of the contractor or other private entities.

(g) For the purpose of financing the Illiana Expressway project, the Department is authorized to apply for, execute, or endorse applications for an allocation of tax-exempt bond financing authorization provided by Section 142(m) of the United States Internal Revenue Code [26 U.S.C. § 142], as well as financing available under any other federal law or program.

(h) Any bonds, debt, or other securities or other financing issued by or on behalf of a contractor for the purposes of a project undertaken pursuant to this Act shall not be deemed to constitute a debt of the State or any political subdivision of the State or a pledge of the faith and credit of the State or any political subdivision of the State.

HISTORY:
P.A. 96-913, § 95; 97-808, § 5.

605 ILCS 130/100 Labor

(a) The public private agreement shall require the contractor to enter into a project labor agreement.

(b) The public private agreement shall require all construction contractors to comply with the requirements of Section 30-22 of the Illinois Procurement Code [30 ILCS 500/30-22] as they apply to responsible bidders and to present satisfactory evidence of that compliance to the Department, unless the Illiana Expressway project is federally funded and the application of those requirements would jeopardize the receipt or use of federal funds in support of the Illiana Expressway project.

HISTORY:
P.A. 96-913, § 100.

605 ILCS 130/105 Law enforcement

(a) All law enforcement officers of the State and of each affected local jurisdiction have the same powers and jurisdiction within the boundaries of the Illiana Expressway as they have in their respective areas of jurisdiction.

(b) Law enforcement officers shall have access to the Illiana Expressway at any time for the purpose of exercising the law enforcement officers' powers and jurisdiction.

(c) The traffic and motor vehicle laws of the State of Illinois or, if applicable, any local jurisdiction shall be the same as those applying to conduct on highways in the State of Illinois or the local jurisdiction.

(d) Punishment for infractions and offenses shall be as prescribed by law for conduct occurring on highways in the State of Illinois or the local jurisdiction.

HISTORY:
P.A. 96-913, § 105.

605 ILCS 130/110 Term of agreement; reversion of property to the Department

(a) The Department shall terminate the contractor's authority and duties under the public private agreement on the date set forth in the public private agreement.

(b) Upon termination of the public private agreement, the authority and duties of the contractor under this Act cease, except for those duties and obligations that extend beyond the termination, as set forth in the public private agreement, and all interests in the Illiana Expressway shall revert to the Department.

HISTORY:
P.A. 96-913, § 110.

605 ILCS 130/115 Additional powers of the Department with respect to the Illiana Expressway.

(a) The Department may exercise any powers provided under this Act in participation or cooperation with any governmental entity and enter into any contracts to facilitate that participation or cooperation. The Department shall cooperate with other governmental entities under this Act.

(b) The Department may make and enter into all contracts and agreements necessary or incidental to the performance of the Department's duties and the execution of the Department's powers under this Act. Except as otherwise required by law, these contracts or agreements are not subject to any approvals other than the approval of the Department, Governor, or federal agencies.

(c) The Department may pay the costs incurred under the public private agreement entered into under this Act from any funds available to the Department for the purpose of the Illiana Expressway under this Act or any other statute.

(d) The Department or other State agency may not take any action that would impair the public private agreement entered into under this Act, except as provided by law.

(e) The Department may enter into an agreement between and among the contractor, the Department, and the Illinois State Police concerning the provision of law enforcement assistance with respect to the Illiana Expressway under this Act.

(f) The Department is authorized to enter into arrangements with the Illinois State Police related to costs incurred in providing law enforcement assistance under this Act.

HISTORY:
P.A. 96-913, § 115; 2021 P.A. 102-538, § 910, effective August 20, 2021.

605 ILCS 130/120 Prohibited local action; home rule

A unit of local government, including a home rule unit, may not take any action that would have the effect of impairing the public private agreement under this Act. This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution [Illinois Const., Art. VII, § 6].

HISTORY:
P.A. 96-913, § 120.

605 ILCS 130/125 Powers liberally construed

The powers conferred by this Act shall be liberally construed in order to accomplish their purposes and shall be in addition and supplemental to the powers conferred by any other law. If any other law or rule is inconsistent with this Act, this Act is controlling as to any public private agreement entered into under this Act.

HISTORY:
P.A. 96-913, § 125.

605 ILCS 130/130 Full and complete authority

This Act contains full and complete authority for agreements and leases with private entities to carry out the activities described in this Act. Except as otherwise required by law, no procedure, proceedings, publications, notices, consents, approvals, orders, or acts by the Department or any other State or local agency or official are required to enter into an agreement or lease.

HISTORY:
P.A. 96-913, § 130.

605 ILCS 130/135 Severability

The provisions of this Act are severable under Section 1.31 of the Statute on Statutes [5 ILCS 70/1.31].

EXPRESSWAY CAMERA ACT [REPEALED JULY 1, 2023]

Section

HISTORY:
2019 P.A. 101-42, , effective January 1, 2020.

605 ILCS 140/1 Short title; references to Act. [Repealed July 1, 2023]

This Act may be cited as the Expressway Camera Act.

References to Act. This Act may be referred to as the Tamara Clayton Expressway Camera Act.

HISTORY:
2019 P.A. 101-42, § 1, effective January 1, 2020.

605 ILCS 140/3 Definitions. [Repealed effective July 1, 2025]

As used in this Act:

"Aggravated vehicular hijacking" has the meaning provided in Section 18-4 of the Criminal Code of 2012.

"Authorized user" means a designated peace officer or member of law enforcement personnel who has received training in the review and use of images and associated technology.

"Expressway" has the meaning provided in Section 1-119.3 of the Illinois Vehicle Code.

"Forcible felony" means the following offenses: treason, first degree murder, second degree murder, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, robbery, burglary, residential burglary, aggravated arson, arson, aggravated kidnaping, kidnaping, and aggravated battery resulting in great bodily harm or permanent disability or disfigurement.

"Terrorism" has the meaning provided in Section 29D-14.9 of the Criminal Code of 2012.

"Vehicular hijacking" has the meaning provided in Section 18-3 of the Criminal Code of 2012.

History.
2022 P.A. 102-1042, § 10, effective June 3, 2022.

605 ILCS 140/5 Camera program. [Repealed effective July 1, 2025]

(a) The Illinois State Police, the Illinois Department of Transportation, and the Illinois State Toll Highway Authority shall work together to conduct a program to increase the amount of cameras along expressways and Jean-Baptiste Pointe DuSable Lake Shore Drive in Cook County. Within 90 days after the effective date of this amendatory Act of the 102nd General Assembly, details about the program objectives, counties where the program is operational, and policies under which the program operates shall be made publicly available and posted online.

(b) Images from the cameras may be extracted by any authorized user and used by any municipal police department, county sheriff's office, State Police officer, or other law enforcement agency with jurisdiction in the investigation of any offenses involving vehicular hijacking, aggravated vehicular hijacking, terrorism, motor vehicle theft, or any forcible felony, including, but not limited to, offenses involving the use of a firearm; to detect expressway hazards and highway conditions; and to facilitate highway safety and incident management. Images from the cameras shall not be used to enforce petty offenses or offenses not listed in this subsection, unless use of the images pertains to expressway or highway safety or hazards. Images from the cameras may be used by any law enforcement agency conducting an active law enforcement investigation. All images from the cameras shall be deleted within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Cameras shall not be used to monitor individuals or groups in a discriminatory manner contrary to applicable State or federal law.

(b-5) By June 30th of each year, the Illinois State Police, the Illinois Department of Transportation, and the Illinois State Toll Highway Authority shall issue a joint report to the General Assembly detailing the program operations, including, but not limited to:

(1) the cost of installation of cameras by county;

(2) the cost of ongoing maintenance of the camera systems per county, including electrical costs and data transfer costs;

(3) the number of inquiries where the investigation involved the criminal offenses outlined in subsection (b); and

(4) the number of incidents in which law enforcement searched the stored data for the criminal offenses outlined in subsection (b).

(c) Subject to appropriation, any funds needed to conduct the program for use on expressways under the jurisdiction of the Department of Transportation shall be taken from the Road Fund.

(c-5) Any forcible felony, gunrunning, or firearms trafficking offense, as defined in Section 2-8, 24-3a, or 24-3b of the Criminal Code of 2012 [720 ILCS 5/2-8, 720 ILCS 5/24-3a, or 720 ILCS 5/24-3b], respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed.

(d) (Blank).

HISTORY:
2019 P.A. 101-42, § 5, effective January 1, 2020; 2022 P.A. 102-1042, § 10, effective June 3, 2022; 2022 P.A. 102-1043, § 5, effective June 3, 2022.

605 ILCS 140/90 Repeal. [Repealed effective July 1, 2025]

This Act is repealed on July 1, 2025.

CHAPTER 1.

TITLE AND DEFINITIONS

Section
625 ILCS 5/1-126.1 Highway Designations.
625 ILCS 5/1-140.10 Low-speed electric bicycle.
625 ILCS 5/1-162.3 Police vehicle.
625 ILCS 5/1-168.8 Recreational off-highway vehicle.

625 ILCS 5/1-126.1 Highway Designations.

The Department of Transportation may designate streets or highways in the system of State highways as follows:

(a) Class I highways include interstate highways, expressways, tollways, and other highways deemed appropriate by the Department.

(b) Class II highways include State highways and designated local roads not built to interstate highway standards that have at least 11 feet lane widths.

(c) (Blank).

(d) Non-designated highways include State highways not designated as Class I or II and local highways which are part of any county, township, municipal, or district road system not designated as Class II. Local authorities also may designate Class II highways within their systems of highways.

HISTORY:
P.A. 92-417, § 5; 2019 P.A. 101-328, § 5, effective January 1, 2020.

625 ILCS 5/1-140.10 Low-speed electric bicycle.

A bicycle equipped with fully operable pedals and an electric motor of less than 750 watts that meets the requirements of one of the following classes:

(a) "Class 1 low-speed electric bicycle" means a low-speed electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle reaches a speed of 20 miles per hour.

(b) "Class 2 low-speed electric bicycle" means a low-speed electric bicycle equipped with a motor that may be used exclusively to propel the bicycle and that is not capable of providing assistance when the bicycle reaches a speed of 20 miles per hour.

(c) "Class 3 low-speed electric bicycle" means a low-speed electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle reaches a speed of 28 miles per hour.

A "low-speed electric bicycle" is not a moped or a motor driven cycle.

HISTORY:
P.A. 96-125, § 5; 2017 P.A. 100-209, § 5, effective January 1, 2018.

625 ILCS 5/1-162.3 Police vehicle.

Any vehicle, recreational off-highway vehicle, all-terrain vehicle, watercraft, aircraft, bicycle, or electric personal assistive mobility device that is designated or authorized by proper local authorities for police use.

HISTORY:
P.A. 95-28, § 5; 2021 P.A. 102-240, § 5, effective January 1, 2022.

625 ILCS 5/1-168.8 Recreational off-highway vehicle.

Any motorized off-highway device designed to travel primarily off-highway, 64 inches or less in width, having a manufacturer's dry weight of 2,000 pounds or less for gas-powered engines or 3,000 pounds or less for electric-powered engines, traveling on 4 or more non-highway tires, designed with a non-straddle seat and a steering wheel for steering control, except equipment such as lawnmowers.

HISTORY:
P.A. 96-428, § 5; 2021 P.A. 102-312, § 10, effective January 1, 2022.

CHAPTER 2.

THE SECRETARY OF STATE

Section
625 ILCS 5/2-112 Distribution of synopsis laws.

625 ILCS 5/2-112 Distribution of synopsis laws.

(a) The Secretary of State may publish a synopsis or summary of the laws of this State regulating the operation of vehicles and may deliver a copy thereof without charge with each original vehicle registration and with each original driver's license.

(b) The Secretary of State shall make any necessary revisions in its publications including, but not limited to, the Illinois Rules of the Road, to accurately conform its publications to the provisions of the Pedestrians with Disabilities Safety Act [625 ILCS 60/1 et seq.].

(c) The Secretary of State shall include, in the Illinois Rules of the Road publication, information advising drivers to use the Dutch Reach method when opening a vehicle door after parallel parking on a street (checking the rear-view mirror, checking the side-view mirror, then opening the door with the right hand, thereby reducing the risk of injuring a bicyclist or opening the door in the path a vehicle approaching from behind).

(d) The Secretary of State shall include, in the Illinois Rules of the Road publication, information advising drivers to use the zipper merge method when merging into a reduced number of lanes (drivers in merging lanes are expected to use both lanes to advance to the lane reduction point and merge at that location, alternating turns).

(e) The Secretary of State, in consultation with the Illinois State Police, shall include in the Illinois Rules of the Road publication a description of law enforcement procedures during traffic stops and the actions that a motorist should take during a traffic stop, including appropriate interactions with law enforcement officers.

HISTORY:

P.A. 76-1586; 96-1167, § 80; 2018 P.A. 100-770, § 5, effective January 1, 2019; 2018 P.A. 100-962, § 5, effective January 1, 2019; 2019 P.A. 101-174, § 5, effective January 1, 2020; 2021 P.A. 102-455, § 10, effective January 1, 2022.

CHAPTER 3.

CERTIFICATES OF TITLE AND REGISTRATION OF VEHICLES

Article VIII. Registration and License Fees

Article X. Vehicle Use Tax

ARTICLE VIII.

REGISTRATION AND LICENSE FEES

625 ILCS 5/3-804.01 Expanded-use antique vehicles.

(a) The owner of a motor vehicle that is more than 25 years of age or a bona fide replica thereof may register the vehicle as an expanded-use antique vehicle. In addition to the appropriate registration and renewal fees, the fee for expanded-use antique vehicle registration and renewal, except as provided under subsection (d), shall be $45 per year. The application for registration must be accompanied by an affirmation of the owner that:

(1) from January 1 through the last day of February and from December 1 through December 31, the vehicle will be driven on the highways only for the purpose of going to and returning from an antique auto show or an exhibition, or for servicing or demonstration; and

(2) the mechanical condition, physical condition, brakes, lights, glass, and appearance of such vehicle is the same or as safe as originally equipped.

From March 1 through November 30, a vehicle registered as an expanded-use antique vehicle may be driven on the highways without being subject to the restrictions set forth in subdivision (1). The Secretary may prescribe, in the Secretary's discretion, that expanded-use antique vehicle plates be issued for a definite or an indefinite term, such term to correspond to the term of registration plates issued generally, as provided in Section 3-414.1 [625 ILCS 5/3-414.1]. Any person requesting expanded-use antique vehicle plates under this Section may also apply to have vanity or personalized plates as provided under Section 3-405.1 [625 ILCS 5/3-405.1].

(b) Any person who is the registered owner of an expanded-use antique vehicle may display a historical license plate from or representing the model year of the vehicle, furnished by such person, in lieu of the current and valid Illinois expanded-use antique vehicle plates issued thereto, provided that the valid and current Illinois expanded-use antique vehicle plates and registration card issued to the expanded-use antique vehicle are simultaneously carried within the vehicle and are available for inspection.

(c) The Secretary may credit a pro-rated portion of a fee previously paid for an antique vehicle registration under Section 3-804 [625 ILCS 5/3-804] to an owner who applies to have that vehicle registered as an expanded-use antique vehicle instead of an antique vehicle.

(d) The Secretary may make a version of the registration plate authorized under this Section in a form appropriate for motorcycles. In addition to the required registration and renewal fees, the fee for motorcycle expanded-use antique vehicle registration and renewal shall be $23 per year.

HISTORY:

P.A. 92-668, § 5; 96-487, § 5; 97-412, § 10; 2018 P.A. 100-956, § 5, effective January 1, 2019; 2021 P.A. 102-438, § 5, effective August 20, 2021.

625 ILCS 5/3-809 Farm machinery, exempt vehicles and fertilizer spreaders; registration fee.

(a) Vehicles of the second division having a corn sheller, a well driller, hay press, clover huller, feed

mixer and unloader, or other farm machinery permanently mounted thereon and used solely for transporting the same shall be registered upon the filing of a proper application and the payment of a registration fee of $13 per 2-year registration period. This registration fee of $13 shall be paid in full and shall not be reduced even though such registration is made after the beginning of the registration period.

(b) Vehicles exempt from registration under the provisions of subsection A of Section 3-402 of this Code [625 ILCS 5/3-402], as amended, may, at the option of the owner, be identified as exempt vehicles by displaying registration plates issued by the Secretary of State. The owner thereof may apply for such permanent, non-transferable registration plates upon the filing of a proper application and the payment of a registration fee of $13. The application for and display of such registration plates for identification purposes by vehicles exempt from registration shall not be deemed as a waiver or rescission of its exempt status, nor make such vehicle subject to registration. Nothing in this Section prohibits the towing of another vehicle by the exempt vehicle if the towed vehicle:

(i) does not exceed the registered weight of 8,000 pounds;

(ii) is used exclusively for transportation to and from the work site;

(iii) is not used for carrying counter weights or other material related to the operation of the exempt vehicle while under tow; and

(iv) displays proper and current registration plates.

(c) Any single unit self-propelled agricultural fertilizer implement, designed for both on and off road use, equipped with flotation tires and otherwise specially adapted for the application of plant food materials or agricultural chemicals, desiring to be operated upon the highways ladened with load shall be limited to a maximum gross weight of 36,000 pounds, restricted to a highway speed of not more than 30 miles per hour and a legal width of not more than 12 feet. Such vehicles shall be limited to the furthering of agricultural or horticultural pursuits and in furtherance of these pursuits, such vehicles may be operated upon the highway, within a 50-mile radius of their point of loading as indicated on the written or printed statement required by the Illinois Fertilizer Act of 1961 [505 ILCS 80/1], for the purpose of moving plant food materials or agricultural chemicals to the field, or from field to field, for the sole purpose of application.

Whenever any vehicle is operated in violation of subsection (c) of this Section, the owner or the driver of such vehicle shall be deemed guilty of a petty offense and either may be prosecuted for such violation.

HISTORY:

P.A. 86-1236; 91-37, § 40; 92-15, § 5; 93-312, § 5; 96-665, § 5; 2017 P.A. 100-201, § 650, effective August 18, 2017; 2018 P.A. 100-863, § 545, effective August 14, 2018; 2019 P.A. 101-481, § 5, effective January 1, 2020.

ARTICLE X.

VEHICLE USE TAX

625 ILCS 5/3-1001 [Tax imposed; rate; abatement]

A tax is hereby imposed on the privilege of using, in this State, any motor vehicle as defined in Section 1-146 of this Code [625 ILCS 5/1-146] acquired by gift, transfer, or purchase, and having a year model designation preceding the year of application for title by 5 or fewer years prior to October 1, 1985 and 10 or fewer years on and after October 1, 1985 and prior to January 1, 1988. On and after January 1, 1988, the tax shall apply to all motor vehicles without regard to model year. Except that the tax shall not apply

(i) if the use of the motor vehicle is otherwise taxed under the Use Tax Act [35 ILCS 105/1 et seq.];

(ii) if the motor vehicle is bought and used by a governmental agency or a society, association, foundation or institution organized and operated exclusively for charitable, religious or educational purposes;

(iii) if the use of the motor vehicle is not subject to the Use Tax Act by reason of subsection (a), (b), (c), (d), (e) or (f) of Section 3-55 [35 ILCS 105/3-55] of that Act dealing with the prevention of actual or likely multistate taxation;

(iv) to implements of husbandry;

(v) when a junking certificate is issued pursuant to Section 3-117(a) of this Code [625 ILCS 5/3-117];

(vi) when a vehicle is subject to the replacement vehicle tax imposed by Section 3-2001 of this Act [625 ILCS 5/3-2001];

(vii) when the transfer is a gift to a beneficiary in the administration of an estate and the beneficiary is a surviving spouse.

Prior to January 1, 1988, the rate of tax shall be 5% of the selling price for each purchase of a motor vehicle covered by Section 3-1001 of this Code [625 ILCS 5/3-1001]. Except as hereinafter provided, beginning January 1, 1988 and until January 1, 2022, the rate of tax shall be as follows for transactions in which the selling price of the motor vehicle is less than $15,000:

Number of Years Transpired After Model Year of Motor Vehicle	Applicable Tax
1 or less	$390
2	290
3	215
4	165
5	115
6	90
7	80

Number of Years Transpired After Model Year of Motor Vehicle	Applicable Tax
8	65
9	50
10	40
over 10	25

Except as hereinafter provided, beginning January 1, 1988 and until January 1, 2022, the rate of tax shall be as follows for transactions in which the selling price of the motor vehicle is $15,000 or more:

Selling Price	Applicable Tax
$15,000 - $19,999	$ 750
$20,000 - $24,999	$1,000
$25,000 - $29,999	$1,250
$30,000 and over	$1,500

Except as hereinafter provided, beginning on January 1, 2022, the rate of tax shall be as follows for transactions in which the selling price of the motor vehicle is less than $15,000:

(1) if one year or less has transpired after the model year of the vehicle, then the applicable tax is $465;

(2) if 2 years have transpired after the model year of the motor vehicle, then the applicable tax is $365;

(3) if 3 years have transpired after the model year of the motor vehicle, then the applicable tax is $290;

(4) if 4 years have transpired after the model year of the motor vehicle, then the applicable tax is $240;

(5) if 5 years have transpired after the model year of the motor vehicle, then the applicable tax is $190;

(6) if 6 years have transpired after the model year of the motor vehicle, then the applicable tax is $165;

(7) if 7 years have transpired after the model year of the motor vehicle, then the applicable tax is $155;

(8) if 8 years have transpired after the model year of the motor vehicle, then the applicable tax is $140;

(9) if 9 years have transpired after the model year of the motor vehicle, then the applicable tax is $125;

(10) if 10 years have transpired after the model year of the motor vehicle, then the applicable tax is $115; and

(11) if more than 10 years have transpired after the model year of the motor vehicle, then the applicable tax is $100.

Except as hereinafter provided, beginning on January 1, 2022, the rate of tax shall be as follows for transactions in which the selling price of the motor vehicle is $15,000 or more:

(1) if the selling price is $15,000 or more, but less than $20,000, then the applicable tax shall be $850;

(2) if the selling price is $20,000 or more, but less than $25,000, then the applicable tax shall be $1,100;

(3) if the selling price is $25,000 or more, but less than $30,000, then the applicable tax shall be $1,350;

(4) if the selling price is $30,000 or more, but less than $50,000, then the applicable tax shall be $1,600;

(5) if the selling price is $50,000 or more, but less than $100,000, then the applicable tax shall be $2,600;

(6) if the selling price is $100,000 or more, but less than $1,000,000, then the applicable tax shall be $5,100; and

(7) if the selling price is $1,000,000 or more, then the applicable tax shall be $10,100. For the following transactions, the tax rate shall be $15 for each motor vehicle acquired in such transaction:

(i) when the transferee or purchaser is the spouse, mother, father, brother, sister or child of the transferor;

(ii) when the transfer is a gift to a beneficiary in the administration of an estate, including, but not limited to, the administration of an inter vivos trust that became irrevocable upon the death of a grantor, and the beneficiary is not a surviving spouse;

(iii) when a motor vehicle which has once been subjected to the Illinois retailers' occupation tax or use tax is transferred in connection with the organization, reorganization, dissolution or partial liquidation of an incorporated or unincorporated business wherein the beneficial ownership is not changed.

A claim that the transaction is taxable under subparagraph (i) shall be supported by such proof of family relationship as provided by rules of the Department.

For a transaction in which a motorcycle, motor driven cycle or moped is acquired the tax rate shall be $25.

On and after October 1, 1985 and until January 1, 2022, 1/12 of $5,000,000 of the moneys received by the Department of Revenue pursuant to this Section shall be paid each month into the Build Illinois Fund; on and after January 1, 2022, 1/12 of $40,000,000 of the moneys received by the Department of Revenue pursuant to this Section shall be paid each month into the Build Illinois Fund; and the remainder shall be paid into the General Revenue Fund.

The tax imposed by this Section shall be abated and no longer imposed when the amount deposited to secure the bonds issued pursuant to the Build Illinois Bond Act [30 ILCS 425/1 et seq.] is sufficient to provide for the payment of the principal of, and interest and premium, if any, on the bonds, as certified to the State Comptroller and the Director of Revenue by the Director of the Governor's Office of Management and Budget.

CHAPTER 6.

THE ILLINOIS DRIVER LICENSING LAW

Article I. Issuance of Licenses Expiration and Renewal

ARTICLE I.

ISSUANCE OF LICENSES EXPIRATION AND RENEWAL

625 ILCS 5/6-107.5 Adult Driver Education Course. [Effective until July 1, 2023]

(a) The Secretary shall establish by rule the curriculum and designate the materials to be used in an adult driver education course. The course shall be at least 6 hours in length and shall include instruction on traffic laws; highway signs, signals, and markings that regulate, warn, or direct traffic; issues commonly associated with motor vehicle accidents including poor decision-making, risk taking, impaired driving, distraction, speed, failure to use a safety belt, driving at night, failure to yield the right-of-way, texting while driving, using wireless communication devices, and alcohol and drug awareness; and instruction on law enforcement procedures during traffic stops, including actions that a motorist should take during a traffic stop and appropriate interactions with law enforcement officers. The curriculum shall not require the operation of a motor vehicle.

(b) The Secretary shall certify course providers. The requirements to be a certified course provider, the process for applying for certification, and the procedure for decertifying a course provider shall be established by rule.

(b-5) In order to qualify for certification as an adult driver education course provider, each applicant must authorize an investigation that includes a fingerprint-based background check to determine if the applicant has ever been convicted of a criminal offense and, if so, the disposition of any conviction. This authorization shall indicate the scope of the inquiry and the agencies that may be contacted. Upon receiving this authorization, the Secretary of State may request and receive information and assistance from any federal, State, or local governmental agency as part of the authorized investigation. Each applicant shall submit his or her fingerprints to the Illinois State Police in the form and manner prescribed by the Illinois State Police. These fingerprints shall be checked against fingerprint records now and hereafter filed in the Illinois State Police and Federal Bureau of Investigation criminal history record databases. The Illinois State Police shall charge applicants a fee for conducting the criminal history record check, which shall be deposited into the State Police Services Fund and shall not exceed the actual cost of the State and national criminal history record check. The Illinois State Police shall furnish, pursuant to positive identification, records of Illinois criminal convictions to the Secretary and shall forward the national criminal history record information to the Secretary. Applicants shall pay any other fingerprint-related fees. Unless otherwise prohibited by law, the information derived from the investigation, including the source of the information and any conclusions or recommendations derived from the information by the Secretary of State, shall be provided to the applicant upon request to the Secretary of State prior to any final action by the Secretary of State on the application. Any criminal conviction information obtained by the Secretary of State shall be confidential and may not be transmitted outside the Office of the Secretary of State, except as required by this subsection (b-5), and may not be transmitted to anyone within the Office of the Secretary of State except as needed for the purpose of evaluating the applicant. At any administrative hearing held under Section 2-118 of this Code [625 ILCS 5/2-118] relating to the denial, cancellation, suspension, or revocation of certification of an adult driver education course provider, the Secretary of State may utilize at that hearing any criminal history, criminal conviction, and disposition information obtained under this subsection (b-5). The information obtained from the investigation may be maintained by the Secretary of State or any agency to which the information was transmitted. Only information and standards which bear a reasonable and rational relation to the performance of providing adult driver education shall be used by the Secretary of State. Any employee of the Secretary of State who gives or causes to be given away any confidential information concerning any criminal convictions or disposition of criminal convictions of an applicant shall be guilty of a Class A misdemeanor unless release of the information is authorized by this Section.

(c) The Secretary may permit a course provider to offer the course online, if the Secretary is satisfied the course provider has established adequate procedures for verifying:

(1) the identity of the person taking the course online; and

(2) the person completes the entire course.

(d) The Secretary shall establish a method of electronic verification of a student's successful completion of the course.

(e) The fee charged by the course provider must bear a reasonable relationship to the cost of the course. The Secretary shall post on the Secretary of

State's website a list of approved course providers, the fees charged by the providers, and contact information for each provider.

(f) In addition to any other fee charged by the course provider, the course provider shall collect a fee of $5 from each student to offset the costs incurred by the Secretary in administering this program. The $5 shall be submitted to the Secretary within 14 days of the day on which it was collected. All such fees received by the Secretary shall be deposited in the Secretary of State Driver Services Administration Fund.

625 ILCS 5/6-107.5 Adult Driver Education Course. [Effective July 1, 2023]

(a) The Secretary shall establish by rule the curriculum and designate the materials to be used in an adult driver education course. The course shall be at least 6 hours in length and shall include instruction on traffic laws; highway signs, signals, and markings that regulate, warn, or direct traffic; issues commonly associated with motor vehicle crashes including poor decision-making, risk taking, impaired driving, distraction, speed, failure to use a safety belt, driving at night, failure to yield the right-of-way, texting while driving, using wireless communication devices, and alcohol and drug awareness; and instruction on law enforcement procedures during traffic stops, including actions that a motorist should take during a traffic stop and appropriate interactions with law enforcement officers. The curriculum shall not require the operation of a motor vehicle.

(b) The Secretary shall certify course providers. The requirements to be a certified course provider, the process for applying for certification, and the procedure for decertifying a course provider shall be established by rule.

(b-5) In order to qualify for certification as an adult driver education course provider, each applicant must authorize an investigation that includes a fingerprint-based background check to determine if the applicant has ever been convicted of a criminal offense and, if so, the disposition of any conviction. This authorization shall indicate the scope of the inquiry and the agencies that may be contacted. Upon receiving this authorization, the Secretary of State may request and receive information and assistance from any federal, State, or local governmental agency as part of the authorized investigation. Each applicant shall submit his or her fingerprints to the Illinois State Police in the form and manner prescribed by the Illinois State Police. These fingerprints shall be checked against fingerprint records now and hereafter filed in the Illinois State Police and Federal Bureau of Investigation criminal history record databases. The Illinois State Police shall charge applicants a fee for conducting the criminal history record check, which shall be deposited into the State Police Services Fund and shall not exceed the actual cost of the State and national criminal history record check. The Illinois State Police shall furnish, pursuant to positive identification, records of Illinois criminal convictions to the Secretary and shall forward the national criminal history record information to the Secretary. Applicants shall pay any other fingerprint-related fees. Unless otherwise prohibited by law, the information derived from the investigation, including the source of the information and any conclusions or recommendations derived from the information by the Secretary of State, shall be provided to the applicant upon request to the Secretary of State prior to any final action by the Secretary of State on the application. Any criminal conviction information obtained by the Secretary of State shall be confidential and may not be transmitted outside the Office of the Secretary of State, except as required by this subsection (b-5), and may not be transmitted to anyone within the Office of the Secretary of State except as needed for the purpose of evaluating the applicant. At any administrative hearing held under Section 2-118 of this Code [625 ILCS 5/2-118] relating to the denial, cancellation, suspension, or revocation of certification of an adult driver education course provider, the Secretary of State may utilize at that hearing any criminal history, criminal conviction, and disposition information obtained under this subsection (b-5). The information obtained from the investigation may be maintained by the Secretary of State or any agency to which the information was transmitted. Only information and standards which bear a reasonable and rational relation to the performance of providing adult driver education shall be used by the Secretary of State. Any employee of the Secretary of State who gives or causes to be given away any confidential information concerning any criminal convictions or disposition of criminal convictions of an applicant shall be guilty of a Class A misdemeanor unless release of the information is authorized by this Section.

(c) The Secretary may permit a course provider to offer the course online, if the Secretary is satisfied the course provider has established adequate procedures for verifying:

(1) the identity of the person taking the course online; and

(2) the person completes the entire course.

(d) The Secretary shall establish a method of electronic verification of a student's successful completion of the course.

(e) The fee charged by the course provider must bear a reasonable relationship to the cost of the course. The Secretary shall post on the Secretary of State's website a list of approved course providers, the fees charged by the providers, and contact information for each provider.

(f) In addition to any other fee charged by the course provider, the course provider shall collect a fee

of $5 from each student to offset the costs incurred by the Secretary in administering this program. The $5 shall be submitted to the Secretary within 14 days of the day on which it was collected. All such fees received by the Secretary shall be deposited in the Secretary of State Driver Services Administration Fund.

ARTICLE II.

OBEDIENCE TO AND EFFECT OF TRAFFIC LAWS

625 ILCS 5/11-208 Powers of local authorities.

(a) The provisions of this Code shall not be deemed to prevent local authorities with respect to streets and highways under their jurisdiction and within the reasonable exercise of the police power from:

1. Regulating the standing or parking of vehicles, except as limited by Sections 11-1306 and 11-1307 of this Act [625 ILCS 5/11-1306 and 625 ILCS 5/11-1307];

2. Regulating traffic by means of police officers or traffic control signals;

3. Regulating or prohibiting processions or assemblages on the highways; and certifying persons to control traffic for processions or assemblages;

4. Designating particular highways as one-way highways and requiring that all vehicles thereon be moved in one specific direction;

5. Regulating the speed of vehicles in public parks subject to the limitations set forth in Section 11-604 [625 ILCS 5/11-604];

6. Designating any highway as a through highway, as authorized in Section 11-302 [625 ILCS 5/11-302], and requiring that all vehicles stop before entering or crossing the same or designating any intersection as a stop intersection or a yield right-of-way intersection and requiring all vehicles to stop or yield the right-of-way at one or more entrances to such intersections;

7. Restricting the use of highways as authorized in Chapter 15 [625 ILCS 5/5-100 et seq.];

8. Regulating the operation of mobile carrying devices, bicycles, low-speed electric bicycles, and low-speed gas bicycles, and requiring the registration and licensing of same, including the requirement of a registration fee;

9. Regulating or prohibiting the turning of vehicles or specified types of vehicles at intersections;

10. Altering the speed limits as authorized in Section 11-604;

11. Prohibiting U-turns;

12. Prohibiting pedestrian crossings at other than designated and marked crosswalks or at intersections;

13. Prohibiting parking during snow removal operation;

14. Imposing fines in accordance with Section 11-1301.3 [625 ILCS 5/11-1301.3] as penalties for use of any parking place reserved for persons with disabilities, as defined by Section 1-159.1 [625 ILCS 5/1-159.1], or veterans with disabilities by any person using a motor vehicle not bearing registration plates specified in Section 11-1301.1 [625 ILCS 5/11-1301.1] or a special decal or device as defined in Section 11-1301.2 [625 ILCS 5/11-1301.2] as evidence that the vehicle is operated by or for a person with disabilities or a veteran with a disability;

15. Adopting such other traffic regulations as are specifically authorized by this Code; or

16. Enforcing the provisions of subsection (f) of Section 3-413 of this Code [ILCS 5/3-413] or a similar local ordinance.

(b) No ordinance or regulation enacted under paragraph 1, 4, 5, 6, 7, 9, 10, 11 or 13 of subsection (a) shall be effective until signs giving reasonable notice of such local traffic regulations are posted.

(c) The provisions of this Code shall not prevent any municipality having a population of 500,000 or more inhabitants from prohibiting any person from driving or operating any motor vehicle upon the roadways of such municipality with headlamps on high beam or bright.

(d) The provisions of this Code shall not be deemed to prevent local authorities within the reasonable exercise of their police power from prohibiting, on private property, the unauthorized use of parking spaces reserved for persons with disabilities.

(e) No unit of local government, including a home rule unit, may enact or enforce an ordinance that applies only to motorcycles if the principal purpose for that ordinance is to restrict the access of motorcycles to any highway or portion of a highway for which federal or State funds have been used for the planning, design, construction, or maintenance of that highway. No unit of local government, including a home rule unit, may enact an ordinance requiring motorcycle users to wear protective headgear. Nothing in this subsection (e) shall affect the authority of a unit of local government to regulate motorcycles for traffic control purposes or in accordance with Section 12-602 of this Code [625 ILCS 5/12-602]. No unit of local government, including a home rule unit, may regulate motorcycles in a manner inconsistent with this Code. This subsection (e) is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(e-5) The City of Chicago may enact an ordinance providing for a noise monitoring system upon any portion of the roadway known as Lake Shore Drive. Twelve months after the installation of the noise monitoring system, and any time after the first report as the City deems necessary, the City of Chicago shall prepare a noise monitoring report with the data collected from the system and shall, upon request, make the report available to the public. For purposes of this subsection (e-5), "noise monitoring system" means an automated noise monitor capable of recording noise levels 24 hours per day and 365 days per year with computer equipment sufficient to process the data.

(e-10) A unit of local government, including a home rule unit, may not enact an ordinance prohibiting the use of Automated Driving System equipped vehicles on its roadways. Nothing in this subsection (e-10) shall affect the authority of a unit of local

government to regulate Automated Driving System equipped vehicles for traffic control purposes. No unit of local government, including a home rule unit, may regulate Automated Driving System equipped vehicles in a manner inconsistent with this Code. For purposes of this subsection (e-10), "Automated Driving System equipped vehicle" means any vehicle equipped with an Automated Driving System of hardware and software that are collectively capable of performing the entire dynamic driving task on a sustained basis, regardless of whether it is limited to a specific operational domain. This subsection (e-10) is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(f) A municipality or county designated in Section 11-208.6 [625 ILCS 5/11-208.6] may enact an ordinance providing for an automated traffic law enforcement system to enforce violations of this Code or a similar provision of a local ordinance and imposing liability on a registered owner or lessee of a vehicle used in such a violation.

(g) A municipality or county, as provided in Section 11-1201.1 [625 ILCS 5/11-1201.1], may enact an ordinance providing for an automated traffic law enforcement system to enforce violations of Section 11-1201 of this Code [625 ILCS 5/11-1201] or a similar provision of a local ordinance and imposing liability on a registered owner of a vehicle used in such a violation.

(h) A municipality designated in Section 11-208.8 [625 ILCS 5/11-208.8] may enact an ordinance providing for an automated speed enforcement system to enforce violations of Article VI of Chapter 11 of this Code or a similar provision of a local ordinance.

(i) A municipality or county designated in Section 11-208.9 [625 ILCS 5/11-208.9] may enact an ordinance providing for an automated traffic law enforcement system to enforce violations of Section 11-1414 of this Code [625 ILCS 5/11-1414] or a similar provision of a local ordinance and imposing liability on a registered owner or lessee of a vehicle used in such a violation.

HISTORY:

P.A. 85-532; 88-685, § 5; 90-106, § 5; 90-513, § 5; 90-655, § 153; 91-519, § 5; 94-795, § 5; 96-478, § 5; 96-1256, § 5; 97-29, § 5; 97-672, § 5; 98-396, § 5; 98-556, § 5; 98-756, § 675; 99-143, § 865; 2017 P.A. 100-209, § 5, effective January 1, 2018; 2017 P.A. 100-257, § 5, effective August 22, 2017; 2017 P.A. 100-352, § 5, effective June 1, 2018; 2018 P.A. 100-863, § 545, effective August 14, 2018; 2019 P.A. 101-123, § 5, effective July 26, 2019.

625 ILCS 5/11-208.6 Automated traffic law enforcement system. [Effective until January 1, 2023]

(a) As used in this Section, "automated traffic law enforcement system" means a device with one or more motor vehicle sensors working in conjunction with a red light signal to produce recorded images of motor vehicles entering an intersection against a red signal indication in violation of Section 11-306 of this Code [625 ILCS 5/11-306] or a similar provision of a local ordinance.

An automated traffic law enforcement system is a system, in a municipality or county operated by a governmental agency, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

(b) As used in this Section, "recorded images" means images recorded by an automated traffic law enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

(b-5) A municipality or county that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(c) Except as provided under Section 11-208.8 of this Code [625 ILCS 5/11-208.8], a county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to provide recorded images of a motor vehicle for the purpose of recording its speed. Except as provided under Section 11-208.8 of this Code, the regulation of the use of automated traffic law enforcement systems to record vehicle speeds is an exclusive power and function of the State. This subsection (c) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(c-5) A county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where the motor vehicle comes to a complete stop and does not enter the intersection, as defined by Section 1-132 of this Code [625 ILCS 5/1-132], during the cycle of the red signal indication unless one or more pedestrians or bicyclists are present, even if the motor vehicle stops at a point past a stop line or crosswalk where a driver is required to stop, as specified in subsection (c) of Section 11-306 of this Code or a similar provision of a local ordinance.

(c-6) A county, or a municipality with less than 2,000,000 inhabitants, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where a motorcyclist enters an intersection against a red signal indication when the red signal fails to change to a green signal within a reasonable period

of time not less than 120 seconds because of a signal malfunction or because the signal has failed to detect the arrival of the motorcycle due to the motorcycle's size or weight.

(d) For each violation of a provision of this Code or a local ordinance recorded by an automatic traffic law enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

The notice shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the location where the violation occurred;

(5) the date and time of the violation;

(6) a copy of the recorded images;

(7) the amount of the civil penalty imposed and the requirements of any traffic education program imposed and the date by which the civil penalty should be paid and the traffic education program should be completed;

(8) a statement that recorded images are evidence of a violation of a red light signal;

(9) a warning that failure to pay the civil penalty, to complete a required traffic education program, or to contest liability in a timely manner is an admission of liability;

(10) a statement that the person may elect to proceed by:

(A) paying the fine, completing a required traffic education program, or both; or

(B) challenging the charge in court, by mail, or by administrative hearing; and

(11) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(e) (Blank).

(f) Based on inspection of recorded images produced by an automated traffic law enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(g) Recorded images made by an automatic traffic law enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(h) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates or digital registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner at the time of the violation;

(2) that the driver of the vehicle passed through the intersection when the light was red either (i) in order to yield the right-of-way to an emergency vehicle or (ii) as part of a funeral procession; and

(3) any other evidence or issues provided by municipal or county ordinance.

(i) To demonstrate that the motor vehicle or the registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a report concerning the stolen motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(j) Unless the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation, the motor vehicle owner is subject to a civil penalty not exceeding $100 or the completion of a traffic education program, or both, plus an additional penalty of not more than $100 for failure to pay the original penalty or to complete a required traffic education program, or both, in a timely manner, if the motor vehicle is recorded by an automated traffic law enforcement system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle.

(j-3) A registered owner who is a holder of a valid commercial driver's license is not required to complete a traffic education program.

(j-5) For purposes of the required traffic education program only, a registered owner may submit an affidavit to the court or hearing officer swearing that at the time of the alleged violation, the vehicle was in the custody and control of another person. The affidavit must identify the person in custody and control of the vehicle, including the person's name and current address. The person in custody and control of the vehicle at the time of the violation is required to complete the required traffic education program. If the person in custody and control of the vehicle at the time of the violation completes the required traffic education program, the registered owner of the vehicle is not required to complete a traffic education program.

(k) An intersection equipped with an automated traffic law enforcement system must be posted with a sign visible to approaching traffic indicating that the intersection is being monitored by an automated traffic law enforcement system.

(k-3) A municipality or county that has one or more intersections equipped with an automated traf-

fic law enforcement system must provide notice to drivers by posting the locations of automated traffic law systems on the municipality or county website.

(k-5) An intersection equipped with an automated traffic law enforcement system must have a yellow change interval that conforms with the Illinois Manual on Uniform Traffic Control Devices (IMUTCD) published by the Illinois Department of Transportation.

(k-7) A municipality or county operating an automated traffic law enforcement system shall conduct a statistical analysis to assess the safety impact of each automated traffic law enforcement system at an intersection following installation of the system. The statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analysis shall be consistent with professional judgment and acceptable industry practice. The statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. The statistical analysis required by this subsection (k-7) shall be made available to the public and shall be published on the website of the municipality or county. If the statistical analysis for the 36 month period following installation of the system indicates that there has been an increase in the rate of accidents at the approach to the intersection monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the accidents, and may take any action that it determines is necessary or appropriate to reduce the number or severity of the accidents at that intersection.

(*l*) The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(m) This Section applies only to the counties of Cook, DuPage, Kane, Lake, Madison, McHenry, St. Clair, and Will and to municipalities located within those counties.

(n) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code [26 U.S.C. § 32] or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act [35 ILCS 5/212] shall not be required to pay any fee for participating in a required traffic education program.

(o) (Blank).

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the appropriate authority received within 120 days after the violation occurred, the lessor provides within 60 days after such receipt the name and address of the lessee.

Upon the provision of information by the lessor pursuant to this subsection, the county or municipality may issue the violation to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle pursuant to this Section, and the lessee may be held liable for the violation.

HISTORY:

P.A. 94-795, § 5; 96-288, § 10; 96-1016, § 5; 97-29, § 5; 97-627, § 5; 97-672, § 5; 97-762, § 5; 98-463, § 440; 2019 P.A. 101-395, § 20, effective August 16, 2019; 2020 P.A. 101-652, § 10-191, effective July 1, 2021.

625 ILCS 5/11-208.6 Automated traffic law enforcement system. [Effective January 1, 2023; Effective until July 1, 2023]

(a) As used in this Section, "automated traffic law enforcement system" means a device with one or more motor vehicle sensors working in conjunction with a red light signal to produce recorded images of motor vehicles entering an intersection against a red signal indication in violation of Section 11-306 of this Code or a similar provision of a local ordinance.

An automated traffic law enforcement system is a system, in a municipality or county operated by a governmental agency, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

(b) As used in this Section, "recorded images" means images recorded by an automated traffic law enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

(b-5) A municipality or county that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(c) Except as provided under Section 11-208.8 of this Code, a county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to provide recorded images of a motor vehicle for the purpose of

recording its speed. Except as provided under Section 11-208.8 of this Code, the regulation of the use of automated traffic law enforcement systems to record vehicle speeds is an exclusive power and function of the State. This subsection (c) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(c-5) A county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where the motor vehicle comes to a complete stop and does not enter the intersection, as defined by Section 1-132 of this Code, during the cycle of the red signal indication unless one or more pedestrians or bicyclists are present, even if the motor vehicle stops at a point past a stop line or crosswalk where a driver is required to stop, as specified in subsection (c) of Section 11-306 of this Code or a similar provision of a local ordinance.

(c-6) A county, or a municipality with less than 2,000,000 inhabitants, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where a motorcyclist enters an intersection against a red signal indication when the red signal fails to change to a green signal within a reasonable period of time not less than 120 seconds because of a signal malfunction or because the signal has failed to detect the arrival of the motorcycle due to the motorcycle's size or weight.

(d) For each violation of a provision of this Code or a local ordinance recorded by an automatic traffic law enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

The notice shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the location where the violation occurred;

(5) the date and time of the violation;

(6) a copy of the recorded images;

(7) the amount of the civil penalty imposed and the requirements of any traffic education program imposed and the date by which the civil penalty should be paid and the traffic education program should be completed;

(8) a statement that recorded images are evidence of a violation of a red light signal;

(9) a warning that failure to pay the civil penalty, to complete a required traffic education program, or to contest liability in a timely manner is an admission of liability;

(10) a statement that the person may elect to proceed by:

(A) paying the fine, completing a required traffic education program, or both; or

(B) challenging the charge in court, by mail, or by administrative hearing; and

(11) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(e) (Blank).

(f) Based on inspection of recorded images produced by an automated traffic law enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(g) Recorded images made by an automatic traffic law enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(h) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates or digital registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(1.5) that the motor vehicle was hijacked before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(2) that the driver of the vehicle passed through the intersection when the light was red either (i) in order to yield the right-of-way to an emergency vehicle or (ii) as part of a funeral procession; and

(3) any other evidence or issues provided by municipal or county ordinance.

(i) To demonstrate that the motor vehicle was hijacked or the motor vehicle or registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner or lessee at the time of the violation, the owner or lessee must submit proof that a report concerning the motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(j) Unless the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation, the motor vehicle owner is subject to a civil penalty not exceeding $100 or the completion of a traffic education program, or both, plus an additional penalty of not more than $100 for failure to pay the original penalty or to complete a required traffic education program, or both, in a timely manner, if the motor vehicle is recorded by an

automated traffic law enforcement system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle.

(j-3) A registered owner who is a holder of a valid commercial driver's license is not required to complete a traffic education program.

(j-5) For purposes of the required traffic education program only, a registered owner may submit an affidavit to the court or hearing officer swearing that at the time of the alleged violation, the vehicle was in the custody and control of another person. The affidavit must identify the person in custody and control of the vehicle, including the person's name and current address. The person in custody and control of the vehicle at the time of the violation is required to complete the required traffic education program. If the person in custody and control of the vehicle at the time of the violation completes the required traffic education program, the registered owner of the vehicle is not required to complete a traffic education program.

(k) An intersection equipped with an automated traffic law enforcement system must be posted with a sign visible to approaching traffic indicating that the intersection is being monitored by an automated traffic law enforcement system.

(k-3) A municipality or county that has one or more intersections equipped with an automated traffic law enforcement system must provide notice to drivers by posting the locations of automated traffic law systems on the municipality or county website.

(k-5) An intersection equipped with an automated traffic law enforcement system must have a yellow change interval that conforms with the Illinois Manual on Uniform Traffic Control Devices (IMUTCD) published by the Illinois Department of Transportation.

(k-7) A municipality or county operating an automated traffic law enforcement system shall conduct a statistical analysis to assess the safety impact of each automated traffic law enforcement system at an intersection following installation of the system. The statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analysis shall be consistent with professional judgment and acceptable industry practice. The statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. The statistical analysis required by this subsection (k-7) shall be made available to the public and shall be published on the website of the municipality or county. If the statistical analysis for the 36 month period following installation of the system indicates that there has been an increase in the rate of accidents at the approach to the intersection monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the accidents, and may take any action that it determines is necessary or appropriate to reduce the number or severity of the accidents at that intersection.

(*l*) The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(m) This Section applies only to the counties of Cook, DuPage, Kane, Lake, Madison, McHenry, St. Clair, and Will and to municipalities located within those counties.

(n) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

(o) (Blank).

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the appropriate authority received within 120 days after the violation occurred, the lessor provides within 60 days after such receipt the name and address of the lessee.

Upon the provision of information by the lessor pursuant to this subsection, the county or municipality may issue the violation to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle pursuant to this Section, and the lessee may be held liable for the violation.

HISTORY:

P.A. 94-795, § 5; 96-288, § 10; 96-1016, § 5; 97-29, § 5; 97-627, § 5; 97-672, § 5; 97-762, § 5; 98-463, § 440; 2019 P.A. 101-395, § 20, effective August 16, 2019; 2020 P.A. 101-652, § 10-191, effective July 1, 2021; 2022 P.A. 102-905, § 5, effective January 1, 2023.

625 ILCS 5/11-208.6 Automated traffic law enforcement system. [Effective July 1, 2023]

(a) As used in this Section, "automated traffic law enforcement system" means a device with one or more motor vehicle sensors working in conjunction with a red light signal to produce recorded images of motor vehicles entering an intersection against a red signal indication in violation of Section 11-306 of this Code [625 ILCS 5/11-306] or a similar provision of a local ordinance.

An automated traffic law enforcement system is a system, in a municipality or county operated by a governmental agency, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

(b) As used in this Section, "recorded images" means images recorded by an automated traffic law enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

(b-5) A municipality or county that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(c) Except as provided under Section 11-208.8 of this Code [625 ILCS 5/11-208.8], a county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to provide recorded images of a motor vehicle for the purpose of recording its speed. Except as provided under Section 11-208.8 of this Code, the regulation of the use of automated traffic law enforcement systems to record vehicle speeds is an exclusive power and function of the State. This subsection (c) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(c-5) A county or municipality, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where the motor vehicle comes to a complete stop and does not enter the intersection, as defined by Section 1-132 of this Code [625 ILCS 5/1-132], during the cycle of the red signal indication unless one or more pedestrians or bicyclists are present, even if the motor vehicle stops at a point past a stop line or crosswalk where a driver is required to stop, as specified in subsection (c) of Section 11-306 of this Code or a similar provision of a local ordinance.

(c-6) A county, or a municipality with less than 2,000,000 inhabitants, including a home rule county or municipality, may not use an automated traffic law enforcement system to issue violations in instances where a motorcyclist enters an intersection against a red signal indication when the red signal fails to change to a green signal within a reasonable period of time not less than 120 seconds because of a signal malfunction or because the signal has failed to detect the arrival of the motorcycle due to the motorcycle's size or weight.

(d) For each violation of a provision of this Code or a local ordinance recorded by an automatic traffic law enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

The notice shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the location where the violation occurred;

(5) the date and time of the violation;

(6) a copy of the recorded images;

(7) the amount of the civil penalty imposed and the requirements of any traffic education program imposed and the date by which the civil penalty should be paid and the traffic education program should be completed;

(8) a statement that recorded images are evidence of a violation of a red light signal;

(9) a warning that failure to pay the civil penalty, to complete a required traffic education program, or to contest liability in a timely manner is an admission of liability;

(10) a statement that the person may elect to proceed by:

(A) paying the fine, completing a required traffic education program, or both; or

(B) challenging the charge in court, by mail, or by administrative hearing; and

(11) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(e) (Blank).

(f) Based on inspection of recorded images produced by an automated traffic law enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(g) Recorded images made by an automatic traffic law enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(h) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates or digital registration plates of the motor vehicle

were stolen before the violation occurred and not under the control of or in the possession of the owner at the time of the violation;

(2) that the driver of the vehicle passed through the intersection when the light was red either (i) in order to yield the right-of-way to an emergency vehicle or (ii) as part of a funeral procession; and

(3) any other evidence or issues provided by municipal or county ordinance.

(i) To demonstrate that the motor vehicle or the registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a report concerning the stolen motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(j) Unless the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation, the motor vehicle owner is subject to a civil penalty not exceeding $100 or the completion of a traffic education program, or both, plus an additional penalty of not more than $100 for failure to pay the original penalty or to complete a required traffic education program, or both, in a timely manner, if the motor vehicle is recorded by an automated traffic law enforcement system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle.

(j-3) A registered owner who is a holder of a valid commercial driver's license is not required to complete a traffic education program.

(j-5) For purposes of the required traffic education program only, a registered owner may submit an affidavit to the court or hearing officer swearing that at the time of the alleged violation, the vehicle was in the custody and control of another person. The affidavit must identify the person in custody and control of the vehicle, including the person's name and current address. The person in custody and control of the vehicle at the time of the violation is required to complete the required traffic education program. If the person in custody and control of the vehicle at the time of the violation completes the required traffic education program, the registered owner of the vehicle is not required to complete a traffic education program.

(k) An intersection equipped with an automated traffic law enforcement system must be posted with a sign visible to approaching traffic indicating that the intersection is being monitored by an automated traffic law enforcement system.

(k-3) A municipality or county that has one or more intersections equipped with an automated traffic law enforcement system must provide notice to drivers by posting the locations of automated traffic law systems on the municipality or county website.

(k-5) An intersection equipped with an automated traffic law enforcement system must have a yellow change interval that conforms with the Illinois Manual on Uniform Traffic Control Devices (IMUTCD) published by the Illinois Department of Transportation.

(k-7) A municipality or county operating an automated traffic law enforcement system shall conduct a statistical analysis to assess the safety impact of each automated traffic law enforcement system at an intersection following installation of the system. The statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analysis shall be consistent with professional judgment and acceptable industry practice. The statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. The statistical analysis required by this subsection (k-7) shall be made available to the public and shall be published on the website of the municipality or county. If the statistical analysis for the 36 month period following installation of the system indicates that there has been an increase in the rate of crashes at the approach to the intersection monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the crashes, and may take any action that it determines is necessary or appropriate to reduce the number or severity of the crashes at that intersection.

(*l*) The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(m) This Section applies only to the counties of Cook, DuPage, Kane, Lake, Madison, McHenry, St. Clair, and Will and to municipalities located within those counties.

(n) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act [35 ILCS 5/212] shall not be required to pay any fee for participating in a required traffic education program.

(o) (Blank).

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the appropriate authority received within 120 days after the violation occurred, the lessor provides within 60 days after such receipt the name and address of the lessee.

Upon the provision of information by the lessor pursuant to this subsection, the county or municipality may issue the violation to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle pursuant to this Section, and the lessee may be held liable for the violation.

HISTORY:

P.A. 94-795, § 5; 96-288, § 10; 96-1016, § 5; 97-29, § 5; 97-627, § 5; 97-672, § 5; 97-762, § 5; 98-463, § 440; 2019 P.A. 101-395, § 20, effective August 16, 2019; 2020 P.A. 101-652, § 10-191, effective July 1, 2021; 2022 P.A. 102-982, § 105, effective July 1, 2023.

625 ILCS 5/11-208.8 Automated speed enforcement systems in safety zones. [Effective until January 1, 2023]

(a) As used in this Section:

"Automated speed enforcement system" means a photographic device, radar device, laser device, or other electrical or mechanical device or devices installed or utilized in a safety zone and designed to record the speed of a vehicle and obtain a clear photograph or other recorded image of the vehicle and the vehicle's registration plate or digital registration plate while the driver is violating Article VI of Chapter 11 of this Code [625 ILCS 5/11-601 et seq.] or a similar provision of a local ordinance.

An automated speed enforcement system is a system, located in a safety zone which is under the jurisdiction of a municipality, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

"Owner" means the person or entity to whom the vehicle is registered.

"Recorded image" means images recorded by an automated speed enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

"Safety zone" means an area that is within one-eighth of a mile from the nearest property line of any public or private elementary or secondary school, or from the nearest property line of any facility, area, or land owned by a school district that is used for educational purposes approved by the Illinois State Board of Education, not including school district headquarters or administrative buildings. A safety zone also includes an area that is within one-eighth of a mile from the nearest property line of any facility, area, or land owned by a park district used for recreational purposes. However, if any portion of a roadway is within either one-eighth mile radius, the safety zone also shall include the roadway extended to the furthest portion of the next furthest intersection. The term "safety zone" does not include any portion of the roadway known as Lake Shore Drive or any controlled access highway with 8 or more lanes of traffic.

(a-5) The automated speed enforcement system shall be operational and violations shall be recorded only at the following times:

(i) if the safety zone is based upon the property line of any facility, area, or land owned by a school district, only on school days and no earlier than 6 a.m. and no later than 8:30 p.m. if the school day is during the period of Monday through Thursday, or 9 p.m. if the school day is a Friday; and

(ii) if the safety zone is based upon the property line of any facility, area, or land owned by a park district, no earlier than one hour prior to the time that the facility, area, or land is open to the public or other patrons, and no later than one hour after the facility, area, or land is closed to the public or other patrons.

(b) A municipality that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(c) Notwithstanding any penalties for any other violations of this Code, the owner of a motor vehicle used in a traffic violation recorded by an automated speed enforcement system shall be subject to the following penalties:

(1) if the recorded speed is no less than 6 miles per hour and no more than 10 miles per hour over the legal speed limit, a civil penalty not exceeding $50, plus an additional penalty of not more than $50 for failure to pay the original penalty in a timely manner; or

(2) if the recorded speed is more than 10 miles per hour over the legal speed limit, a civil penalty not exceeding $100, plus an additional penalty of not more than $100 for failure to pay the original penalty in a timely manner.

A penalty may not be imposed under this Section if the driver of the motor vehicle received a Uniform Traffic Citation from a police officer for a speeding violation occurring within one-eighth of a mile and 15 minutes of the violation that was recorded by the system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle. A law enforcement officer is not required to be present or to witness the violation. No penalty may be imposed under this Section if the recorded speed of a vehicle is 5 miles per hour or less over the legal speed limit. The municipality may send, in the same manner that notices are sent under this Section, a speed violation warning notice where the violation involves a speed of 5 miles per hour or less above the legal speed limit.

(d) The net proceeds that a municipality receives from civil penalties imposed under an automated speed enforcement system, after deducting all non-personnel and personnel costs associated with the operation and maintenance of such system, shall be expended or obligated by the municipality for the following purposes:

(i) public safety initiatives to ensure safe passage around schools, and to provide police protection and surveillance around schools and parks, including but not limited to: (1) personnel costs; and (2) non-personnel costs such as construction and maintenance of public safety infrastructure and equipment;

(ii) initiatives to improve pedestrian and traffic safety;

(iii) construction and maintenance of infrastructure within the municipality, including but not limited to roads and bridges; and

(iv) after school programs.

(e) For each violation of a provision of this Code or a local ordinance recorded by an automated speed enforcement system, the municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

(f) The notice required under subsection (e) of this Section shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the date, time, and location where the violation occurred;

(5) a copy of the recorded image or images;

(6) the amount of the civil penalty imposed and the date by which the civil penalty should be paid;

(7) a statement that recorded images are evidence of a violation of a speed restriction;

(8) a warning that failure to pay the civil penalty or to contest liability in a timely manner is an admission of liability;

(9) a statement that the person may elect to proceed by:

(A) paying the fine; or

(B) challenging the charge in court, by mail, or by administrative hearing; and

(10) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(g) (Blank).

(h) Based on inspection of recorded images produced by an automated speed enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(i) Recorded images made by an automated speed enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(j) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates or digital registration plates of the motor vehicle were stolen before the violation occurred and not under the control or in the possession of the owner at the time of the violation;

(2) that the driver of the motor vehicle received a Uniform Traffic Citation from a police officer for a speeding violation occurring within one-eighth of a mile and 15 minutes of the violation that was recorded by the system; and

(3) any other evidence or issues provided by municipal ordinance.

(k) To demonstrate that the motor vehicle or the registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a report concerning the stolen motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(*l*) A roadway equipped with an automated speed enforcement system shall be posted with a sign conforming to the national Manual on Uniform Traffic Control Devices that is visible to approaching traffic stating that vehicle speeds are being photo-enforced and indicating the speed limit. The municipality shall install such additional signage as it determines is necessary to give reasonable notice to drivers as to where automated speed enforcement systems are installed.

(m) A roadway where a new automated speed enforcement system is installed shall be posted with signs providing 30 days notice of the use of a new automated speed enforcement system prior to the issuance of any citations through the automated speed enforcement system.

(n) The compensation paid for an automated speed enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(o) (Blank).

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the appropriate authority received within 120 days after the violation occurred, the lessor

provides within 60 days after such receipt the name and address of the lessee. The drivers license number of a lessee may be subsequently individually requested by the appropriate authority if needed for enforcement of this Section.

Upon the provision of information by the lessor pursuant to this subsection, the municipality may issue the violation to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle pursuant to this Section, and the lessee may be held liable for the violation.

(q) A municipality using an automated speed enforcement system must provide notice to drivers by publishing the locations of all safety zones where system equipment is installed on the website of the municipality.

(r) A municipality operating an automated speed enforcement system shall conduct a statistical analysis to assess the safety impact of the system. The statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analysis shall be consistent with professional judgment and acceptable industry practice. The statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. The statistical analysis required by this subsection shall be made available to the public and shall be published on the website of the municipality.

(s) This Section applies only to municipalities with a population of 1,000,000 or more inhabitants.

HISTORY:

P.A. 97-672, § 5; 97-674, § 5; 98-463, § 440; 2019 P.A. 101-395, § 20, effective August 16, 2019; 2020 P.A. 101-652, § 10-191, effective July 1, 2021.

625 ILCS 5/11-208.8 Automated speed enforcement systems in safety zones. [Effective January 1, 2023]

(a) As used in this Section:

"Automated speed enforcement system" means a photographic device, radar device, laser device, or other electrical or mechanical device or devices installed or utilized in a safety zone and designed to record the speed of a vehicle and obtain a clear photograph or other recorded image of the vehicle and the vehicle's registration plate or digital registration plate while the driver is violating Article VI of Chapter 11 of this Code or a similar provision of a local ordinance.

An automated speed enforcement system is a system, located in a safety zone which is under the jurisdiction of a municipality, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

"Owner" means the person or entity to whom the vehicle is registered.

"Recorded image" means images recorded by an automated speed enforcement system on:

(1) 2 or more photographs;

(2) 2 or more microphotographs;

(3) 2 or more electronic images; or

(4) a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate or digital registration plate number of the motor vehicle.

"Safety zone" means an area that is within one-eighth of a mile from the nearest property line of any public or private elementary or secondary school, or from the nearest property line of any facility, area, or land owned by a school district that is used for educational purposes approved by the Illinois State Board of Education, not including school district headquarters or administrative buildings. A safety zone also includes an area that is within one-eighth of a mile from the nearest property line of any facility, area, or land owned by a park district used for recreational purposes. However, if any portion of a roadway is within either one-eighth mile radius, the safety zone also shall include the roadway extended to the furthest portion of the next furthest intersection. The term "safety zone" does not include any portion of the roadway known as Lake Shore Drive or any controlled access highway with 8 or more lanes of traffic.

(a-5) The automated speed enforcement system shall be operational and violations shall be recorded only at the following times:

(i) if the safety zone is based upon the property line of any facility, area, or land owned by a school district, only on school days and no earlier than 6 a.m. and no later than 8:30 p.m. if the school day is during the period of Monday through Thursday, or 9 p.m. if the school day is a Friday; and

(ii) if the safety zone is based upon the property line of any facility, area, or land owned by a park district, no earlier than one hour prior to the time that the facility, area, or land is open to the public or other patrons, and no later than one hour after the facility, area, or land is closed to the public or other patrons.

(b) A municipality that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(c) Notwithstanding any penalties for any other violations of this Code, the owner of a motor vehicle

used in a traffic violation recorded by an automated speed enforcement system shall be subject to the following penalties:

(1) if the recorded speed is no less than 6 miles per hour and no more than 10 miles per hour over the legal speed limit, a civil penalty not exceeding $50, plus an additional penalty of not more than $50 for failure to pay the original penalty in a timely manner; or

(2) if the recorded speed is more than 10 miles per hour over the legal speed limit, a civil penalty not exceeding $100, plus an additional penalty of not more than $100 for failure to pay the original penalty in a timely manner.

A penalty may not be imposed under this Section if the driver of the motor vehicle received a Uniform Traffic Citation from a police officer for a speeding violation occurring within one-eighth of a mile and 15 minutes of the violation that was recorded by the system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle. A law enforcement officer is not required to be present or to witness the violation. No penalty may be imposed under this Section if the recorded speed of a vehicle is 5 miles per hour or less over the legal speed limit. The municipality may send, in the same manner that notices are sent under this Section, a speed violation warning notice where the violation involves a speed of 5 miles per hour or less above the legal speed limit.

(d) The net proceeds that a municipality receives from civil penalties imposed under an automated speed enforcement system, after deducting all non-personnel and personnel costs associated with the operation and maintenance of such system, shall be expended or obligated by the municipality for the following purposes:

(i) public safety initiatives to ensure safe passage around schools, and to provide police protection and surveillance around schools and parks, including but not limited to: (1) personnel costs; and (2) non-personnel costs such as construction and maintenance of public safety infrastructure and equipment;

(ii) initiatives to improve pedestrian and traffic safety;

(iii) construction and maintenance of infrastructure within the municipality, including but not limited to roads and bridges; and

(iv) after school programs.

(e) For each violation of a provision of this Code or a local ordinance recorded by an automated speed enforcement system, the municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

(f) The notice required under subsection (e) of this Section shall include:

(1) the name and address of the registered owner of the vehicle;

(2) the registration number of the motor vehicle involved in the violation;

(3) the violation charged;

(4) the date, time, and location where the violation occurred;

(5) a copy of the recorded image or images;

(6) the amount of the civil penalty imposed and the date by which the civil penalty should be paid;

(7) a statement that recorded images are evidence of a violation of a speed restriction;

(8) a warning that failure to pay the civil penalty or to contest liability in a timely manner is an admission of liability;

(9) a statement that the person may elect to proceed by:

(A) paying the fine; or

(B) challenging the charge in court, by mail, or by administrative hearing; and

(10) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(g) (Blank).

(h) Based on inspection of recorded images produced by an automated speed enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(i) Recorded images made by an automated speed enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(j) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates or digital registration plates of the motor vehicle were stolen before the violation occurred and not under the control or in the possession of the owner or lessee at the time of the violation;

(1.5) that the motor vehicle was hijacked before the violation occurred and not under the control of or in the possession of the owner or lessee at the time of the violation;

(2) that the driver of the motor vehicle received a Uniform Traffic Citation from a police officer for a speeding violation occurring within one-eighth of a mile and 15 minutes of the violation that was recorded by the system; and

(3) any other evidence or issues provided by municipal ordinance.

(k) To demonstrate that the motor vehicle was hijacked or the motor vehicle or registration plates or digital registration plates were stolen before the violation occurred and were not under the control or possession of the owner or lessee at the time of the violation, the owner or lessee must submit proof that a report concerning the motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(*l*) A roadway equipped with an automated speed enforcement system shall be posted with a sign conforming to the national Manual on Uniform Traffic Control Devices that is visible to approaching traffic stating that vehicle speeds are being photo-enforced and indicating the speed limit. The municipality shall install such additional signage as it determines is necessary to give reasonable notice to drivers as to where automated speed enforcement systems are installed.

(m) A roadway where a new automated speed enforcement system is installed shall be posted with signs providing 30 days notice of the use of a new automated speed enforcement system prior to the issuance of any citations through the automated speed enforcement system.

(n) The compensation paid for an automated speed enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(o) (Blank).

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic law enforcement system violation involving such motor vehicle during the period of the lease; provided that upon the request of the appropriate authority received within 120 days after the violation occurred, the lessor provides within 60 days after such receipt the name and address of the lessee. The drivers license number of a lessee may be subsequently individually requested by the appropriate authority if needed for enforcement of this Section.

Upon the provision of information by the lessor pursuant to this subsection, the municipality may issue the violation to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle pursuant to this Section, and the lessee may be held liable for the violation.

(q) A municipality using an automated speed enforcement system must provide notice to drivers by publishing the locations of all safety zones where system equipment is installed on the website of the municipality.

(r) A municipality operating an automated speed enforcement system shall conduct a statistical analysis to assess the safety impact of the system. The statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analysis shall be consistent with professional judgment and acceptable industry practice. The statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. The statistical analysis required by this subsection shall be made available to the public and shall be published on the website of the municipality.

(s) This Section applies only to municipalities with a population of 1,000,000 or more inhabitants.

HISTORY:

P.A. 97-672, § 5; 97-674, § 5; 98-463, § 440; 2019 P.A. 101-395, § 20, effective August 16, 2019; 2020 P.A. 101-652, § 10-191, effective July 1, 2021; 2022 P.A. 102-905, § 5, effective January 1, 2023.

625 ILCS 5/11-213 Power of a fire department officer; highway or lane closure.

In the absence of a law enforcement officer or a representative of the highway agency having jurisdiction over the highway, an officer of a fire department, in the performance of his or her official duties, has the authority to close to traffic a highway, or a lane or lanes of a highway, as necessary to protect the safety of persons or property. In order to promote the safe implementation of this Section, the fire department officer shall utilize an official fire department vehicle with lighted red or white oscillating, rotating, or flashing lights in accordance with Section 12-215 of this Code [625 ILCS 5/12-215] and proper temporary traffic control in accordance with the sections of the Illinois Manual on Uniform Traffic Control Devices concerning temporary traffic control and incident management. The officer should also receive training in safe practices for accomplishing these tasks near traffic. This Section does not apply to highways under the jurisdiction of the Illinois State Toll Highway Authority. As used in this Section, "highway" has the meaning set forth in Section 1-126 of this Code [625 ILCS 5/1-126].

P.A. 95-803, § 5.

625 ILCS 5/11-214 Local government reporting. [Repealed]

HISTORY:

P.A. 97-291, § 5; repealed by 2019 P.A. 101-328, § 10, effective January 1, 2020.

ARTICLE III.

TRAFFIC SIGNS, SIGNALS, AND MARKINGS

625 ILCS 5/11-301 Department to adopt sign manual.

(a) The Department shall adopt a State manual and specifications for a uniform system of traffic-control devices consistent with this Chapter for use upon highways within this State. Such manual shall include the adoption of the R 7-8 sign adopted by the United States Department of Transportation to designate the reservation of parking facilities for a person with disabilities. Non-conforming signs in use prior to January 1, 1985 shall not constitute a violation during their useful lives, which shall not be extended by other means than normal maintenance. The manual shall also specify insofar as practicable the minimum warrants justifying the use of the various traffic control devices. Such uniform system shall correlate with and, where not inconsistent with Illinois highway conditions, conform to the system set forth in the most recent edition of the national manual on Uniform Traffic Control Devices for Streets and Highways.

(b) Signs adopted by the Department to designate the reservation of parking facilities for a person with disabilities shall also exhibit, in a manner determined by the Department, the words "$100 Fine".

(c) If the amount of a fine is changed, the Department shall change the design of the signs to indicate the current amount of the fine.

HISTORY:
P.A. 85-484; 88-685, § 5; 89-533, § 5.

625 ILCS 5/11-301.1 [Signs for parking spaces for persons with disabilities]

Beginning July 1, 1988, all signs erected and used to designate the reservation of parking facilities for a person with disabilities shall be in a form and manner prescribed under Section 11-301 of this Code [625 ILCS 5/11-301], and all parking spaces reserved for a person with disabilities, except those reserving on-street parking areas, shall be at least 16 feet wide. Non-conforming signs in use prior to July 1, 1988 shall not constitute a violation during their useful lives, which shall not be extended by means other than normal maintenance. Beginning October 1, 1992, all parking spaces reserved for a person with disabilities, except those reserving on-street parking areas, shall be at least 16 feet wide.

HISTORY:
P.A. 87-562; 88-685, § 5.

625 ILCS 5/11-302 Authority to designate through highway and stop and yield intersections.

(a) The Department with reference to State highways under its jurisdiction, and local authorities with reference to other highways under their jurisdiction, may designate through highways and erect stop signs or yield signs at specified entrances thereto, or may designate any intersection as a stop intersection or as a yield intersection and erect stop signs or yield signs at one or more entrances to such intersection. Designation of through highways and stop or yield intersections and the erection of stop signs or yield signs on township or road district roads are subject to the written approval of the county engineer or superintendent of highways.

(b) Every stop sign and yield sign shall conform to the State Manual and Specifications and shall be located as near as practicable to the nearest line of the crosswalk on the near side of the intersection or, if there is no crosswalk, then as close as practicable to the nearest line of the intersecting roadway.

(c) The Department may in its discretion and when traffic conditions warrant such action give preference to traffic upon any of the State highways under its jurisdiction over traffic crossing or entering such highway by erecting appropriate traffic control devices.

HISTORY:
P.A. 87-217; 93-177, § 10.

625 ILCS 5/11-303 The Department to place signs on all State highways.

(a) The Department shall place and maintain such traffic-control devices, conforming to its manual and specifications on all highways under its jurisdiction as it shall deem necessary to indicate and to carry out the provisions of this Chapter or to regulate, warn or guide traffic. These traffic control devices shall include temporary stop signs placed as a substitute for missing or damaged permanent stop signs required by the State Manual. Temporary stop signs shall be placed in a manner to provide adequate visibility and legibility, and shall be placed within duration recommendations in the State Manual, unless circumstances require longer placement.

(b) No local authority shall place or maintain any traffic-control device upon any highway under the jurisdiction of the Department except by the latter's permission.

(c) The Department shall erect and maintain guide, warning and direction signs upon highways in cities, towns and villages of which portions or lanes of such highways are under the control and jurisdiction of the Department or for which the Department has maintenance responsibility.

(d) Nothing in this Chapter shall divest the corporate authorities of park districts of power to prohibit or restrict the use of highways under their jurisdiction by certain types or weights of motor vehicles or the power of cities, villages, incorporated towns and park districts to designate highways for one-way traffic or the power of such municipal corporations to

erect and maintain appropriate signs respecting such uses.

(e) Nothing in this Section shall prohibit a municipality, township, or county from erecting signs as required under the Illinois Adopt-A-Highway Act [605 ILCS 120/1 et seq.].

HISTORY:
P.A. 80-1495; 87-1118, § 90; 99-124, § 5.

625 ILCS 5/11-304 Local traffic-control devices; tourist oriented businesses signs.

Local authorities in their respective maintenance jurisdiction shall place and maintain such traffic-control devices, including temporary stop signs placed as a substitute for missing or damaged permanent stop signs required by the State Manual, upon highways under their maintenance jurisdiction as are required to indicate and carry out the provisions of this Chapter, and local traffic ordinances or to regulate, warn, or guide traffic. All such traffic control devices shall conform to the State Manual and Specifications and shall be justified by traffic warrants stated in the Manual. Temporary stop signs shall be placed in a manner to provide adequate visibility and legibility, and shall be placed within duration recommendations in the State Manual, unless circumstances require longer placement. Placement of traffic-control devices on township or road district roads also shall be subject to the written approval of the county engineer or superintendent of highways.

Local authorities in their respective maintenance jurisdictions shall have the authority to install signs, in conformance with the State Manual and specifications, alerting motorists of the tourist oriented businesses available on roads under local jurisdiction in rural areas as may be required to guide motorists to the businesses. The local authorities and road district highway commissioners shall also have the authority to sell or lease space on these signs to the owners or operators of the businesses.

HISTORY:
P.A. 87-217; 90-519, § 5; 93-177, § 10; 99-124, § 5.

625 ILCS 5/11-305 Obedience to and required traffic-control devices.

(a) The driver of any vehicle shall obey the instructions of any official traffic-control device applicable thereto placed or held in accordance with the provisions of this Act, unless otherwise directed by a police officer, subject to the exceptions granted the driver of an authorized emergency vehicle in this Act.

(b) It is unlawful for any person to leave the roadway and travel across private property to avoid an official traffic control device.

(c) No provision of this Act for which official traffic-control devices are required shall be enforced against an alleged violator if at the time and place of the alleged violation an official device is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular section does not state that official traffic-control devices are required, such section shall be effective even though no devices are erected or in place.

(d) Whenever any official traffic-control device is placed or held in position approximately conforming to the requirements of this Act and purports to conform to the lawful requirements pertaining to such device, such device shall be presumed to have been so placed or held by the official act or direction of lawful authority, and comply with the requirements of this Act, unless the contrary shall be established by competent evidence.

(e) The driver of a vehicle approaching a traffic control signal on which no signal light facing such vehicle is illuminated shall stop before entering the intersection in accordance with rules applicable in making a stop at a stop sign.

(f) Any violation of subsection (a) that occurs within a designated highway construction zone or maintenance zone shall result in a fine of no less than $100 and no more than $1,000.

HISTORY:
P.A. 84-873; 2019 P.A. 101-172, § 5, effective January 1, 2020.

625 ILCS 5/11-310 Display of Unauthorized Signs, Signals or Markings.

(a) No person shall place, maintain or display upon or in view of any highway any unauthorized sign, signal, marking, or device which purports to be or is an imitation of or resembles an official traffic-control device or railroad sign or signal, or which attempts to direct the movement of traffic, or which hides from view or interferes with the movement of traffic or the effectiveness of an official traffic-control device or any railroad sign or signal.

(b) No person shall place or maintain nor shall any public authority permit upon any highway any traffic sign or signal bearing thereon any commercial advertising.

(c) Every such prohibited sign, signal or marking is hereby declared to be a public nuisance and the authority having jurisdiction over the highway is hereby empowered to remove the same or cause it to be removed without notice.

(d) No person shall sell or offer for sale any traffic control device to be used on any street or highway in this State which does not conform to the requirements of this Chapter.

(e) This Section shall not be deemed to prohibit the erection upon private property adjacent to highways of signs giving useful directional information and of a type that cannot be mistaken for official signs.

(f) This Section shall not be deemed to prohibit the erection of Illinois Adopt-A-Highway signs by municipalities, townships, or counties as provided in the Illinois Adopt-A-Highway Act [605 ILCS 120/1 et seq.].

(g) Any person failing to comply with this Section shall be guilty of a Class A misdemeanor.

HISTORY:
P.A. 81-1509; 87-1118, § 90.

625 ILCS 5/11-311 Interference with official traffic-control devices or railroad signs or signals.

No person shall without lawful authority attempt to or in fact alter, deface, injure, knock down, or remove any official traffic-control device, or any railroad sign or signal or any inscription, shield, or insignia thereon, or any other part thereof.

Every person who is convicted of a violation of this Section shall be guilty of a Class A misdemeanor, punishable by a fine of at least $250 in addition to any other penalties which may be imposed.

HISTORY:
P.A. 83-672.

625 ILCS 5/11-312 Unlawful Use or Damage to Highways, Appurtenances and Structures.

It shall be unlawful for any person to wilfully injure or damage any public highway or street or any bridge or culvert, or to wilfully damage, injure or remove any sign, signpost, or structure upon or used or constructed in connection with any public highway or street for the protection thereof or for protection or regulation of traffic thereon by any wilfully unusual, improper or unreasonable use thereof, or by wilfully careless driving or use of any vehicle thereon, or by the wilful mutilation, defacing, destruction or removal thereof.

Every person who is convicted of a violation of this Section shall be guilty of a Class A misdemeanor, punishable by a fine of at least $250 in addition to any other penalty which may be imposed.

HISTORY:
P.A. 83-672.

625 ILCS 5/11-313 Unlawful possession of highway sign or marker.

The Department and local authorities, with reference to traffic control signs, signals, or markers owned by the Department or local authority, are authorized to indicate the ownership of the signs, signals, or markers in letters not less than 3/8 inch or more than 3/4 inch in height, by use of a metal stamp, etching, or other permanent means and, except for employees of the Department or local authorities, police officers, contractors and their employees engaged in a highway construction contract or work on the highway approved by the Department or local authority, it is unlawful for any person to possess such sign, signal, or marker so identified.

HISTORY:
P.A. 80-1364; 91-512, § 5.

ARTICLE VI.

SPEED RESTRICTIONS

625 ILCS 5/11-601 General speed restrictions.

(a) No vehicle may be driven upon any highway of this State at a speed which is greater than is reasonable and proper with regard to traffic conditions and the use of the highway, or endangers the safety of any person or property. The fact that the speed of a vehicle does not exceed the applicable maximum speed limit does not relieve the driver from the duty to decrease speed when approaching and crossing an intersection, approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding roadway, or when special hazard exists with respect to pedestrians or other traffic or by reason of weather or highway conditions. Speed must be decreased as may be necessary to avoid colliding with any person or vehicle on or entering the highway in compliance with legal requirements and the duty of all persons to use due care.

(a-5) For purposes of this Section, "urban district" does not include any interstate highway as defined by Section 1-133.1 of this Code [625 ILCS 5/1-133.1] which includes all highways under the jurisdiction of the Illinois State Toll Highway Authority.

(b) No person may drive a vehicle upon any highway of this State at a speed which is greater than the applicable statutory maximum speed limit established by paragraphs (c), (d), (e), (f) or (g) of this Section, by Section 11-605 [625 ILCS 5/11-605] or by a regulation or ordinance made under this Chapter.

(c) Unless some other speed restriction is established under this Chapter, the maximum speed limit in an urban district for all vehicles is:

1. 30 miles per hour; and
2. 15 miles per hour in an alley.

(d) Unless some other speed restriction is established under this Chapter, the maximum speed limit outside an urban district for any vehicle is (1) 65 miles per hour for all or part of highways that are designated by the Department, have at least 4 lanes of traffic, and have a separation between the roadways moving in opposite directions and (2) 55 miles per hour for all other highways, roads, and streets.

(d-1) Unless some other speed restriction is established under this Chapter, the maximum speed limit outside an urban district for any vehicle is (1) 70 miles per hour on any interstate highway as defined by Section 1-133.1 of this Code which includes all highways under the jurisdiction of the Illinois State Toll Highway Authority;

(2) 65 miles per hour for all or part of highways that are designated by the Department, have at least 4 lanes of traffic, and have a separation

between the roadways moving in opposite directions; and

(3) 55 miles per hour for all other highways, roads, and streets. The counties of Cook, DuPage, Kane, Lake, Madison, McHenry, St. Clair, and Will may adopt ordinances setting a maximum speed limit on highways, roads, and streets that is lower than the limits established by this Section.

(e) In the counties of Cook, DuPage, Kane, Lake, McHenry, and Will, unless some lesser speed restriction is established under this Chapter, the maximum speed limit outside an urban district for a second division vehicle designed or used for the carrying of a gross weight of 8,001 pounds or more (including the weight of the vehicle and maximum load) is 60 miles per hour on any interstate highway as defined by Section 1-133.1 of this Code and 55 miles per hour on all other highways, roads, and streets.

(e-1) (Blank).

(f) Unless some other speed restriction is established under this Chapter, the maximum speed limit outside an urban district for a bus is:

1. 65 miles per hour upon any highway which has at least 4 lanes of traffic and of which the roadways for traffic moving in opposite directions are separated by a strip of ground which is not surfaced or suitable for vehicular traffic, except that the maximum speed limit for a bus on all highways, roads, or streets not under the jurisdiction of the Department or the Illinois State Toll Highway Authority is 55 miles per hour;

1.5. 70 miles per hour upon any interstate highway as defined by Section 1-133.1 of this Code outside the counties of Cook, DuPage, Kane, Lake, McHenry, and Will; and

2. 55 miles per hour on any other highway.

(g) (Blank).

HISTORY:
P.A. 84-730; 89-444, § 5; 89-551, § 5; 96-524, § 5; 97-202, § 5; 98-511, § 5; 98-1126, § 5; 98-1128, § 5; 99-78, § 465.

625 ILCS 5/11-601.5 Driving 26 miles per hour or more in excess of applicable limit.

(a) A person who drives a vehicle upon any highway of this State at a speed that is 26 miles per hour or more but less than 35 miles per hour in excess of the applicable maximum speed limit established under this Chapter or a local ordinance commits a Class B misdemeanor.

(b) A person who drives a vehicle upon any highway of this State at a speed that is 35 miles per hour or more in excess of the applicable maximum speed limit established under this Chapter or a local ordinance commits a Class A misdemeanor.

HISTORY:
P.A. 91-469, § 5; 96-1002, § 5; 96-1507, § 5; 98-511, § 5.

625 ILCS 5/11-602 Alteration of limits by Department.

Whenever the Department determines, upon the basis of an engineering and traffic investigation concerning any highway for which the Department has maintenance responsibility, that a maximum speed limit prescribed in Section 11-601 of this Chapter [625 ILCS 5/11-601] is greater or less than is reasonable or safe with respect to the conditions found to exist at any intersection or other place on such highway or along any part or zone thereof, the Department shall determine and declare a reasonable and safe absolute maximum speed limit applicable to such intersection or place, or along such part or zone. However, such limit shall conform with the maximum speed limit restrictions provided for in Section 11-601 of this Code. Where a highway under the Department's jurisdiction is contiguous to school property, the Department may, at the school district's request, set a reduced maximum speed limit for student safety purposes in the portion of the highway that faces the school property and in the portions of the highway that extend one-quarter mile in each direction from the opposite ends of the school property. A limit determined and declared as provided in this Section becomes effective, and suspends the applicability of the limit prescribed in Section 11-601 of this Chapter, when appropriate signs giving notice of the limit are erected at such intersection or other place, or along such part or zone of the highway. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation hereof, evidence obtained thereby shall be inadmissible in any prosecution for speeding. However, nothing in this Section prohibits the use of such electronic speed-detecting devices within 500 feet of a sign within a special school speed zone indicating such zone, conforming to the requirements of Section 11-605 of this Act [625 ILCS 5/11-605], nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

HISTORY:
P.A. 79-267; 89-444, § 5; 89-551, § 5; 93-624, § 5; 96-524, § 5; 98-511, § 5.

625 ILCS 5/11-603 Alteration of limits by Toll Highway Authority.

Whenever the Illinois State Toll Highway Authority determines, upon the basis of an engineering and traffic investigation concerning a toll highway under its jurisdiction, that a maximum speed limit prescribed in Section 11-601 of this Chapter [625 ILCS 5/11-601] is greater or less than is reasonable or safe with respect to conditions found to exist at any place or along any part or zone of such highway, the Authority shall determine and declare by regulation a reasonable and safe absolute maximum speed limit at such place or along such part or zone, and the speed limit shall conform with the maximum speed limit restrictions provided for in Section 11-601 of

this Code. A limit so determined and declared becomes effective, and suspends the application of the limit prescribed in Section 11-601 of this Chapter, when (a) the Department concurs in writing with the Authority's regulation, and (b) appropriate signs giving notice of the limit are erected at such place or along such part or zone of the highway. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation hereof, evidence obtained thereby shall be inadmissible in any prosecution for speeding.

HISTORY:
P.A. 79-267; 89-444, § 5; 98-511, § 5.

625 ILCS 5/11-604 Alteration of limits by local authorities.

(a) Subject to the limitations set forth in this Section, the county board of a county may establish absolute maximum speed limits on all county highways, township roads and district roads as defined in the Illinois Highway Code [605 ILCS 5/1-101 et seq.], except those under the jurisdiction of the Department or of the Illinois State Toll Highway Authority, as described in Sections 11-602 and 11-603 of this Chapter [625 ILCS 5/11-602 and 625 ILCS 5/11-603]; and any park district, city, village, or incorporated town may establish absolute maximum speed limits on all streets which are within its corporate limits and which are not under the jurisdiction of the Department or of such Authority, and for which the county or a highway commissioner of such county does not have maintenance responsibility.

(b) Whenever any such park district, city, village, or incorporated town determines, upon the basis of an engineering or traffic investigation concerning a highway or street on which it is authorized by this Section to establish speed limits, that a maximum speed limit prescribed in Section 11-601 of this Chapter [625 ILCS 5/11-601] is greater or less than is reasonable or safe with respect to the conditions found to exist at any place or along any part or zone of such highway or street, the local authority or park district shall determine and declare by ordinance a reasonable and safe absolute maximum speed limit at such place or along such part or zone, which:

(1) Decreases the limit within an urban district, but not to less than 20 miles per hour; or

(2) Increases the limit within an urban district, but not to more than 55 miles per hour; or

(3) Decreases the limit outside of an urban district, but not to less than 35 miles per hour, except as otherwise provided in subparagraph 4 of this paragraph; or

(4) Decreases the limit within a residence district, but not to less than 25 miles per hour, except as otherwise provided in subparagraph 1 of this paragraph.

The park district, city, village, or incorporated town may make such limit applicable at all times or only during certain specified times. Not more than 6 such alterations shall be made per mile along a highway or street; and the difference in limit between adjacent altered speed zones shall not be more than 10 miles per hour.

A limit so determined and declared by a park district, city, village, or incorporated town becomes effective, and suspends the application of the limit prescribed in Section 11-601 of this Chapter, when appropriate signs giving notice of the limit are erected at the proper place or along the proper part or zone of the highway or street. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation of this Section evidence obtained thereby shall be inadmissible in any prosecution for speeding. However, nothing in this Section prohibits the use of such electronic speed-detecting devices within 500 feet of a sign within a special school speed zone indicating such zone, conforming to the requirements of Section 11-605 of this Act [625 ILCS 5/11-605], nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

(c) A county engineer or superintendent of highways may submit to the Department for approval, a county policy for establishing altered speed zones on township and county highways based upon engineering and traffic investigations.

(d) Whenever the county board of a county determines that a maximum speed limit is greater or less than is reasonable or safe with respect to the conditions found to exist at any place or along any part or zone of the highway or road, the county board shall determine and declare by ordinance a reasonable and safe absolute maximum speed limit at that place or along that part or zone. However, the maximum speed limit shall not exceed 55 miles per hour. Upon receipt of an engineering study for the part or zone of highway in question from the county engineer, and notwithstanding any other provision of law, the county board of a county may determine and declare by ordinance a reduction in the maximum speed limit at any place or along any part or zone of a county highway whenever the county board, in its sole discretion, determines that the reduction in the maximum speed limit is reasonable and safe. The county board may post signs designating the new speed limit. The limit becomes effective, and suspends the application of the limit prescribed in Section 11-601 of this Chapter, when appropriate signs giving notice of the limit are erected at the proper place or along the proper part of the zone of the highway. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation of this Section, evidence obtained thereby shall be inadmissible in any prosecution for speeding. However, nothing in this Section prohibits the use of such electronic speed-detecting devices within 500 feet of a sign

within a special school speed zone indicating such zone, conforming to the requirements of Section 11-605 of this Act, nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

625 ILCS 5/11-605 Special speed limit while passing schools. [Effective until January 1, 2023]

(a) For the purpose of this Section, "school" means the following entities:

(1) A public or private primary or secondary school.

(2) A primary or secondary school operated by a religious institution.

(3) A public, private, or religious nursery school.

On a school day when school children are present and so close thereto that a potential hazard exists because of the close proximity of the motorized traffic, no person shall drive a motor vehicle at a speed in excess of 20 miles per hour while passing a school zone or while traveling on a roadway on public school property or upon any public thoroughfare where children pass going to and from school.

For the purpose of this Section, a school day begins at 6:30 a.m. and concludes at 4 p.m.

This Section shall not be applicable unless appropriate signs are posted upon streets and highways under their respective jurisdiction and maintained by the Department, township, county, park district, city, village or incorporated town wherein the school zone is located. With regard to the special speed limit while passing schools, such signs shall give proper due warning that a school zone is being approached and shall indicate the school zone and the maximum speed limit in effect during school days when school children are present.

(b) (Blank).

(c) Nothing in this Chapter shall prohibit the use of electronic speed-detecting devices within 500 feet of signs within a special school speed zone indicating such zone, as defined in this Section, nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

(d) (Blank).

(e) Except as provided in subsection (e-5), a person who violates this Section is guilty of a petty offense. Violations of this Section are punishable with a minimum fine of $150 for the first violation and a minimum fine of $300 for the second or subsequent violation.

(e-5) A person committing a violation of this Section is guilty of aggravated special speed limit while passing schools when he or she drives a motor vehicle at a speed that is:

(1) 26 miles per hour or more but less than 35 miles per hour in excess of the applicable special speed limit established under this Section or a similar provision of a local ordinance and is guilty of a Class B misdemeanor; or

(2) 35 miles per hour or more in excess of the applicable special speed limit established under this Section or a similar provision of a local ordinance and is guilty of a Class A misdemeanor.

625 ILCS 5/11-605 Special speed limit while passing schools. [Effective January 1, 2023]

(a) For the purpose of this Section, "school" means the following entities:

(1) A public or private primary or secondary school.

(2) A primary or secondary school operated by a religious institution.

(3) A public, private, or religious nursery school.

On a school day when school children are present and so close thereto that a potential hazard exists because of the close proximity of the motorized traffic, no person shall drive a motor vehicle at a speed in excess of 20 miles per hour while passing a school zone or while traveling on a local, county, or State roadway on public school property or upon any public thoroughfare where children pass going to and from school.

For the purpose of this Section, a school day begins at 6:30 a.m. and concludes at 4 p.m.

This Section shall not be applicable unless appropriate signs are posted upon streets and highways under their respective jurisdiction and maintained by the Department, township, county, park district, city, village or incorporated town wherein the school zone is located. With regard to the special speed limit while passing schools, such signs shall give proper due warning that a school zone is being approached and shall indicate the school zone and the maximum speed limit in effect during school days when school children are present.

(b) (Blank).

(c) Nothing in this Chapter shall prohibit the use of electronic speed-detecting devices within 500 feet of signs within a special school speed zone indicating such zone, as defined in this Section, nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone.

(d) (Blank).

(e) Except as provided in subsection (e-5), a person who violates this Section is guilty of a petty offense. Violations of this Section are punishable with a minimum fine of $150 for the first violation and a minimum fine of $300 for the second or subsequent violation.

(e-5) A person committing a violation of this Section is guilty of aggravated special speed limit while passing schools when he or she drives a motor vehicle at a speed that is:

(1) 26 miles per hour or more but less than 35 miles per hour in excess of the applicable special speed limit established under this Section or a similar provision of a local ordinance and is guilty of a Class B misdemeanor; or

(2) 35 miles per hour or more in excess of the applicable special speed limit established under this Section or a similar provision of a local ordinance and is guilty of a Class A misdemeanor.

(f) (Blank).

(g) (Blank).

(h) (Blank).

HISTORY:

P.A. 82-124; 89-251, § 5; 89-559, § 5; 91-531, § 5; 92-242, § 5; 92-619, § 10; 92-780, § 5; 93-955, § 5; 96-52, § 5; 99-212, § 3; 2018 P.A. 100-987, § 905-45, effective July 1, 2019; 2021 P.A. 102-58, § 5, effective July 9, 2021; 2022 P.A. 102-978, § 5, effective January 1, 2023.

625 ILCS 5/11-605.1 Special limit while traveling through a highway construction or maintenance speed zone.

(a) A person may not operate a motor vehicle in a construction or maintenance speed zone at a speed in excess of the posted speed limit when workers are present.

(a-5) A person may not operate a motor vehicle in a construction or maintenance speed zone at a speed in excess of the posted speed limit when workers are not present.

(b) Nothing in this Chapter prohibits the use of electronic speed-detecting devices within 500 feet of signs within a construction or maintenance speed zone indicating the zone, as defined in this Section, nor shall evidence obtained by use of those devices be inadmissible in any prosecution for speeding, provided the use of the device shall apply only to the enforcement of the speed limit in the construction or maintenance speed zone.

(c) As used in this Section, a "construction or maintenance speed zone" is an area in which the Department, Toll Highway Authority, or local agency has posted signage advising drivers that a construction or maintenance speed zone is being approached, or in which the Department, Authority, or local agency has posted a lower speed limit with a highway construction or maintenance speed zone special speed limit sign after determining that the preexisting established speed limit through a highway construction or maintenance project is greater than is reasonable or safe with respect to the conditions expected to exist in the construction or maintenance speed zone.

If it is determined that the preexisting established speed limit is safe with respect to the conditions expected to exist in the construction or maintenance speed zone, additional speed limit signs which conform to the requirements of this subsection (c) shall be posted.

Highway construction or maintenance speed zone special speed limit signs shall be of a design approved by the Department. The signs must give proper due warning that a construction or maintenance speed zone is being approached and must indicate the maximum speed limit in effect. The signs also must state the amount of the minimum fine for a violation.

(d) Except as provided under subsection (d-5), a person who violates this Section is guilty of a petty offense. Violations of this Section are punishable with a minimum fine of $250 for the first violation and a minimum fine of $750 for the second or subsequent violation.

(d-5) A person committing a violation of this Section is guilty of aggravated special speed limit while traveling through a highway construction or maintenance speed zone when he or she drives a motor vehicle at a speed that is:

(1) 26 miles per hour or more but less than 35 miles per hour in excess of the applicable special speed limit established under this Section or a similar provision of a local ordinance and is guilty of a Class B misdemeanor; or

(2) 35 miles per hour or more in excess of the applicable special speed limit established under this Section or a similar provision of a local ordinance and is guilty of a Class A misdemeanor.

(e) (Blank).

(e-5) The Illinois State Police and the local county police department have concurrent jurisdiction over any violation of this Section that occurs on an interstate highway.

(f) The Transportation Safety Highway Hire-back Fund, which was created by Public Act 92-619, shall continue to be a special fund in the State treasury. Subject to appropriation by the General Assembly and approval by the Secretary, the Secretary of Transportation shall use all moneys in the Transportation Safety Highway Hire-back Fund to hire off-duty Illinois State Police officers to monitor construction or maintenance zones.

(f-5) Each county shall create a Transportation Safety Highway Hire-back Fund. The county shall use the moneys in its Transportation Safety Highway Hire-back Fund to hire off-duty county police officers to monitor construction or maintenance zones in that county on highways other than interstate highways. The county, in its discretion, may also use a portion of the moneys in its Transportation Safety Highway Hire-back Fund to purchase equipment for county law enforcement and fund the production of materials to educate drivers on construction zone safe driving habits.

(g) For a second or subsequent violation of this Section within 2 years of the date of the previous violation, the Secretary of State shall suspend the driver's license of the violator for a period of 90 days. This suspension shall only be imposed if the current violation of this Section and at least one prior violation of this Section occurred during a period when workers were present in the construction or maintenance zone.

HISTORY:
P.A. 93-955, § 5; 94-814, § 5; 97-830, § 5; 98-337, § 5; 99-212, § 3; 99-280, § 5; 99-642, § 525; 2018 P.A. 100-987, § 905-45, effective July 1, 2019; 2021 P.A. 102-538, § 935, effective August 20, 2021.

625 ILCS 5/11-605.2 Delegation of authority to set a special speed limit while traveling through highway construction or maintenance zones.

(a) A local agency may delegate to its superintendent of highways the authority to set and post a reduced speed limit for a construction or maintenance zone, as defined in Section 11-605.1 [625 ILCS 5/11-605.1], under subsection (c) of that Section.

(b) If a superintendent of highways sets a reduced speed limit for a construction or maintenance zone in accordance with this Section, the local agency must maintain a record that indicates:

(1) the location of the construction or maintenance zone;

(2) the reduced speed limit set and posted for the construction or maintenance zone; and

(3) the dates during which the reduced speed limit was in effect.

HISTORY:
P.A. 93-947, § 90; 96-1000, § 575.

625 ILCS 5/11-605.3 Special traffic protections while passing parks and recreation facilities and areas. [Effective until January 1, 2023]

(a) As used in this Section:

(1) "Park district" means the following entities:

(A) any park district organized under the Park District Code [70 ILCS 1205/1-1 et seq.];

(B) any park district organized under the Chicago Park District Act [70 ILCS 1505/0.01 et seq.]; and

(C) any municipality, county, forest district, school district, township, or other unit of local government that operates a public recreation department or public recreation facilities that has recreation facilities that are not on land owned by any park district listed in subparagraphs (A) and (B) of this subdivision (a) (1).

(2) "Park zone" means the recreation facilities and areas on any land owned or operated by a park district that are used for recreational purposes, including but not limited to: parks; playgrounds; swimming pools; hiking trails; bicycle paths; picnic areas; roads and streets; and parking lots.

(3) "Park zone street" means that portion of any street or intersection under the control of a local unit of government, adjacent to a park zone, where the local unit of government has, by ordinance or resolution, designated and approved the street or intersection as a park zone street. If, before the effective date of this amendatory Act of the 94th General Assembly, a street already had a posted speed limit lower than 20 miles per hour, then the lower limit may be used for that park zone street.

(4) "Safety purposes" means the costs associated with: park zone safety education; the purchase, installation, and maintenance of signs, roadway painting, and caution lights mounted on park zone signs; and any other expense associated with park zones and park zone streets.

(b) On any day when children are present and within 50 feet of motorized traffic, a person may not drive a motor vehicle at a speed in excess of 20 miles per hour or any lower posted speed while traveling on a park zone street that has been designated for the posted reduced speed.

(c) On any day when children are present and within 50 feet of motorized traffic, any driver traveling on a park zone street who fails to come to a complete stop at a stop sign or red light, including a driver who fails to come to a complete stop at a red light before turning right onto a park zone street, is in violation of this Section.

(d) This Section does not apply unless appropriate signs are posted upon park zone streets maintained by the Department or by the unit of local government in which the park zone is located. With regard to the special speed limit on park zone streets, the signs must give proper due warning that a park zone is being approached and must indicate the maximum speed limit on the park zone street.

(e) A first violation of this Section is a petty offense with a minimum fine of $250. A second or subsequent violation of this Section is a petty offense with a minimum fine of $500.

(f) (Blank).

(g) The Department shall, within 6 months of the effective date of this amendatory Act of the 94th General Assembly, design a set of standardized traffic signs for park zones and park zone streets, including but not limited to: "park zone", "park zone speed limit", and "warning: approaching a park zone". The design of these signs shall be made available to all units of local government or manufacturers at no charge, except for reproduction and postage.

HISTORY:
P.A. 94-808, § 5; 2018 P.A. 100-987, § 905-45, effective July 1, 2019.

625 ILCS 5/11-605.3 Special traffic protections while passing parks and recreation facilities and areas. [Effective January 1, 2023]

(a) As used in this Section:

(1) "Park district" means the following entities:

(A) any park district organized under the Park District Code [70 ILCS 1205/1-1 et seq.];

(B) any park district organized under the Chicago Park District Act [70 ILCS 1505/0.01 et seq.]; and

(C) any municipality, county, forest district, school district, township, or other unit of local government that operates a public recreation department or public recreation facilities that has recreation facilities that are not on land owned by any park district listed in subparagraphs (A) and (B) of this subdivision (a)(1).

(2) "Park zone" means the recreation facilities and areas on any land owned or operated by a park district that are used for recreational purposes, including but not limited to: parks; playgrounds; swimming pools; hiking trails; bicycle paths; picnic areas; roads and streets; and parking lots.

(3) "Park zone street" means that portion of any State or local street or intersection under the control of a local unit of government, adjacent to a park zone, where the local unit of government has, by ordinance or resolution, designated and approved the street or intersection as a park zone street. If, before the effective date of this amendatory Act of the 94th General Assembly, a street already had a posted speed limit lower than 20 miles per hour, then the lower limit may be used for that park zone street.

(4) "Safety purposes" means the costs associated with: park zone safety education; the purchase, installation, and maintenance of signs, roadway painting, and caution lights mounted on park zone signs; and any other expense associated with park zones and park zone streets.

(b) On any day when children are present and within 50 feet of motorized traffic, a person may not drive a motor vehicle at a speed in excess of 20 miles per hour or any lower posted speed while traveling on a park zone street that has been designated for the posted reduced speed.

(c) On any day when children are present and within 50 feet of motorized traffic, any driver traveling on a park zone street who fails to come to a complete stop at a stop sign or red light, including a driver who fails to come to a complete stop at a red light before turning right onto a park zone street, is in violation of this Section.

(d) This Section does not apply unless appropriate signs are posted upon park zone streets maintained by the Department or by the unit of local government in which the park zone is located. With regard to the special speed limit on park zone streets, the signs must give proper due warning that a park zone is being approached and must indicate the maximum speed limit on the park zone street.

(e) A first violation of this Section is a petty offense with a minimum fine of $250. A second or subsequent violation of this Section is a petty offense with a minimum fine of $500.

(f) (Blank).

(g) The Department shall, within 6 months of the effective date of this amendatory Act of the 94th General Assembly, design a set of standardized traffic signs for park zones and park zone streets, including but not limited to: "park zone", "park zone speed limit", and "warning: approaching a park zone". The design of these signs shall be made available to all units of local government or manufacturers at no charge, except for reproduction and postage.

HISTORY:

P.A. 94-808, § 5; 2018 P.A. 100-987, § 905-45, effective July 1, 2019; 2022 P.A. 102-978, § 5, effective January 1, 2023.

625 ILCS 5/11-606 Minimum speed regulation.

(a) No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation of his vehicle or in compliance with law.

(b) Whenever the Department, The Illinois State Toll Highway Authority, or a local authority described in Section 11-604 of this Chapter [625 ILCS 5/11-604] determines, upon the basis of an engineering and traffic investigation concerning a highway or street under its jurisdiction that slow vehicle speeds along any part or zone of such highway or street consistently impede the normal and reasonable movement of traffic, the Department, the Toll Highway Authority, or local authority (as appropriate) may determine and declare by proper regulation or ordinance a minimum speed limit below which no person shall drive except when necessary for safe operation of his vehicle or in compliance with law. A limit so determined and declared becomes effective when appropriate signs giving notice of the limit are erected along such part or zone of the highway or street.

625 ILCS 5/11-608 Special speed limitation on elevated structures.

(a) No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is sign posted as provided in this Section.

(b) The Department upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this Chapter, the Department shall determine and declare the maximum speed of vehicles which such structure can safely withstand, and shall cause or permit suitable

signs stating such maximum speed to be erected and maintained before each end of such structure.

(c) Upon the trial of any person charged with a violation of this Section proof of the determination of the maximum speed by the Department and the existence of such signs is conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure.

HISTORY:
P.A. 76-1586.

625 ILCS 5/11-610 Charging Violations and Rule in Civil Actions. [Effective until July 1, 2023]

(a) In every charge of violation of any speed regulation in this article the complaint, and also the summons or notice to appear, shall specify the speed at which the defendant is alleged to have driven and the maximum speed applicable within the district or at the location.

(b) The provision of this article declaring maximum speed limitations shall not be construed to relieve the plaintiff in any action from the burden of proving negligence on the part of the defendant as the proximate cause of an accident.

HISTORY:
P.A. 79-1069.

625 ILCS 5/11-610 Charging Violations and Rule in Civil Actions. [Effective July 1, 2023]

(a) In every charge of violation of any speed regulation in this article the complaint, and also the summons or notice to appear, shall specify the speed at which the defendant is alleged to have driven and the maximum speed applicable within the district or at the location.

(b) The provision of this article declaring maximum speed limitations shall not be construed to relieve the plaintiff in any action from the burden of proving negligence on the part of the defendant as the proximate cause of a crash.

HISTORY:
P.A. 79-1069; 2022 P.A. 102-982, § 105, effective July 1, 2023.

625 ILCS 5/11-611 [Maximum attainable operating speed]

No person shall drive or operate any motor vehicle on any street or highway in this State where the minimum allowable speed on that street or highway, as posted, is greater than the maximum attainable operating speed of the vehicle. Maximum attainable operating speed shall be determined by the manufacturer of the vehicle and clearly published in the manual of specifications and operation, or it shall be determined by applicable rule and regulation promulgated by the Secretary of State.

HISTORY:
P.A. 79-700.

625 ILCS 5/11-612 Certain systems to record vehicle speeds prohibited.

Except as authorized in the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act and Section 11-208.8 of this Code [625 ILCS 7/1 et seq. and 625 ILCS 5/11-208.8], no photographic, video, or other imaging system may be used in this State to record vehicle speeds for the purpose of enforcing any law or ordinance regarding a maximum or minimum speed limit unless a law enforcement officer is present at the scene and witnesses the event. No State or local governmental entity, including a home rule county or municipality, may use such a system in a way that is prohibited by this Section. The regulation of the use of such systems is an exclusive power and function of the State. This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution [Ill. Const. (1970) Art. VII, § 6].

ARTICLE VII.

DRIVING ON RIGHT SIDE OF ROADWAY; OVERTAKING AND PASSING, ETC.

625 ILCS 5/11-711 Restrictions on use of controlled access highway.

(a) No person may drive a vehicle onto or from any controlled access highway except at entrances and exits established by public authority.

(b) The Department with respect to any controlled access highway under its jurisdiction may prohibit the use of any such highways by pedestrians (except in authorized areas or facilities), bicycles, farm tractors, implements of husbandry, funeral processions, and any vehicle unable to maintain the minimum speed for which the highway is posted, or other non-motorized traffic or by any person operating a motor driven cycle. The Department may also prohibit the use of such highway to school buses picking up and discharging children and mail delivery vehicles picking up or delivering mail. The Department shall erect and maintain official signs on the controlled access highway on which such prohibitions are applicable and when so erected no person may disobey the restrictions stated on such sign.

HISTORY:
P.A. 76-1586.

ARTICLE VIII.

TURNING AND STARTING AND SIGNALS ON STOPPING AND TURNING

625 ILCS 5/11-804 When signal required.

(a) No person may turn a vehicle at an intersection unless the vehicle is in proper position upon the highway as required in Section 11-801 [625 ILCS 5/11-801] or turn a vehicle to enter a private road or driveway, or otherwise turn a vehicle from a direct course or move right or left upon a roadway unless and until such movement can be made with reasonable safety. No person may so turn any vehicle without giving an appropriate signal in the manner hereinafter provided.

(b) A signal of intention to turn right or left, change lanes, otherwise turn a vehicle from a direct course, move right or left upon a highway, or when required must be given continuously during not less than the last 100 feet traveled by the vehicle within a business or residence district, and such signal must be given continuously during not less than the last 200 feet traveled by the vehicle outside a business or residence district.

(c) No person may stop or suddenly decrease the speed of a vehicle without first giving an appropriate signal in the manner provided in this Chapter to the driver of any vehicle immediately to the rear when there is opportunity to give such a signal.

(d) The electric turn signal device required in Section 12-208 of this Act [625 ILCS 5/12-208] must be used and operated as prescribed in subsection (b) of this Section to indicate an intention to turn, change lanes, turn a vehicle from a direct course, move right or left upon a highway, or start from a parallel parked position. Unless the conditions of subsection (b) of this Section are met, an electric turn signal device required in Section 12-208 shall not be left in the on position and must not be flashed on one side only on a parked or disabled vehicle or flashed as a courtesy or "do pass" signal to operators of other vehicles approaching from the rear. However, such signal devices may be flashed simultaneously on both sides of a motor vehicle to indicate the presence of a vehicular traffic hazard requiring unusual care in approaching, overtaking and passing.

HISTORY:
P.A. 78-1297; 2021 P.A. 102-508, § 5, effective August 20, 2021.

ARTICLE IX.

RIGHT-OF-WAY

625 ILCS 5/11-907 Operation of vehicles and streetcars on approach of authorized emergency vehicles.

(a) Upon the immediate approach of an authorized emergency vehicle making use of audible and visual signals meeting the requirements of this Code or a police vehicle properly and lawfully making use of an audible or visual signal:

(1) the driver of every other vehicle shall yield the right-of-way and shall immediately drive to a position parallel to, and as close as possible to, the right-hand edge or curb of the highway clear of any intersection and shall, if necessary to permit the safe passage of the emergency vehicle, stop and remain in such position until the authorized emergency vehicle has passed, unless otherwise directed by a police officer; and

(2) the operator of every streetcar shall immediately stop such car clear of any intersection and keep it in such position until the authorized emergency vehicle has passed, unless otherwise directed by a police officer.

(b) This Section shall not operate to relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the highway.

(c) Upon approaching a stationary authorized emergency vehicle, when the authorized emergency vehicle is giving a signal by displaying alternately flashing red, red and white, blue, or red and blue lights or amber or yellow warning lights, a person who drives an approaching vehicle shall:

(1) proceeding with due caution, yield the right-of-way by making a lane change into a lane not adjacent to that of the authorized emergency vehicle, if possible with due regard to safety and traffic conditions, if on a highway having at least 4 lanes with not less than 2 lanes proceeding in the same direction as the approaching vehicle; or

(2) if changing lanes would be impossible or unsafe, proceeding with due caution, reduce the speed of the vehicle, maintaining a safe speed for road conditions and leaving a safe distance until safely past the stationary emergency vehicles.

The visual signal specified under this subsection (c) given by an authorized emergency vehicle is an indication to drivers of approaching vehicles that a hazardous condition is present when circumstances are not immediately clear. Drivers of vehicles approaching a stationary emergency vehicle in any lane shall heed the warning of the signal, reduce the speed of the vehicle, proceed with due caution, maintain a safe speed for road conditions, be prepared to stop, and leave a safe distance until safely passed the stationary emergency vehicle.

As used in this subsection (c), "authorized emergency vehicle" includes any vehicle authorized by law to be equipped with oscillating, rotating, or flashing lights under Section 12-215 of this Code [625 ILCS 5/12-215], while the owner or operator of the vehicle is engaged in his or her official duties.

(d) A person who violates subsection (c) of this Section commits a business offense punishable by a fine of not less than $250 or more than $10,000 for a first violation, and a fine of not less than $750 or

more than $10,000 for a second or subsequent violation. It is a factor in aggravation if the person committed the offense while in violation of Section 11-501, 12-610.1, or 12-610.2 of this Code [625 ILCS 5/11-501, 625 ILCS 5/12-610.1, or 625 ILCS 5/12-610.2]. Imposition of the penalties authorized by this subsection (d) for a violation of subsection (c) of this Section that results in the death of another person does not preclude imposition of appropriate additional civil or criminal penalties. A person who violates subsection (c) and the violation results in damage to another vehicle commits a Class A misdemeanor. A person who violates subsection (c) and the violation results in the injury or death of another person commits a Class 4 felony.

(e) If a violation of subsection (c) of this Section results in damage to the property of another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for a fixed period of not less than 90 days and not more than one year.

(f) If a violation of subsection (c) of this Section results in injury to another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for a fixed period of not less than 180 days and not more than 2 years.

(g) If a violation of subsection (c) of this Section results in the death of another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for 2 years.

(h) The Secretary of State shall, upon receiving a record of a judgment entered against a person under subsection (c) of this Section:

(1) suspend the person's driving privileges for the mandatory period; or

(2) extend the period of an existing suspension by the appropriate mandatory period.

(i) The Scott's Law Fund shall be a special fund in the State treasury. Subject to appropriation by the General Assembly and approval by the Director, the Director of the State Police shall use all moneys in the Scott's Law Fund in the Department's discretion to fund the production of materials to educate drivers on approaching stationary authorized emergency vehicles, to hire off-duty Department of State Police for enforcement of this Section, and for other law enforcement purposes the Director deems necessary in these efforts.

(j) For violations of this Section issued by a county or municipal police officer, the assessment shall be deposited into the county's or municipality's Transportation Safety Highway Hire-back Fund. The county shall use the moneys in its Transportation Safety Highway Hire-back Fund to hire off-duty county police officers to monitor construction or maintenance zones in that county on highways other than interstate highways. The county, in its discretion, may also use a portion of the moneys in its Transportation Safety Highway Hire-back Fund to purchase equipment for county law enforcement and fund the production of materials to educate drivers on construction zone safe driving habits and approaching stationary authorized emergency vehicles.

(k) In addition to other penalties imposed by this Section, the court may order a person convicted of a violation of subsection (c) to perform community service as determined by the court.

HISTORY:

P.A. 83-781; 92-283, § 5; 92-872, § 5; 93-173, § 5; 93-705, § 5; 95-884, § 5; 2017 P.A. 100-201, § 650, effective August 18, 2017; 2019 P.A. 101-173, § 10, effective January 1, 2020; 2021 P.A. 102-336, § 5, effective January 1, 2022; 2021 P.A. 102-338, § 5, effective January 1, 2022; 2022 P.A. 102-813, § 575, effective May 13, 2022.

625 ILCS 5/11-907.2 Move Over Early Warning Task Force. [Repealed January 1, 2024]

(a) The Move Over Early Warning Task Force is created to study the issue of violations of Sections 11-907, 11-907.5, and 11-908 [625 ILCS 5/11-907, 625 ILCS 5/11-907.5, and 625 ILCS 5/11-908] with attention to the causes of violations and ways to protect law enforcement and emergency responders.

(b) The Move Over Early Warning Task Force shall study new technologies and early warning systems in cellular phones and vehicles that alert the public to the presence of first responders and road safety hazards.

(c) The membership of the Task Force shall consist of the following members:

(1) the Director of State Police or his or her designee, who shall serve as chair;

(2) the Secretary of State or his or her designee;

(3) the Secretary of Transportation or his or her designee;

(4) the Illinois Commerce Commission Chair or his or her designee;

(5) the Statewide 911 Administrator;

(6) the Director of the Illinois Toll Highway Authority or his or her designee;

(7) the President of the Illinois Association of Chiefs of Police or his or her designee;

(8) the President of the Illinois Sheriffs' Association or his or her designee;

(9) the President of the Associated Fire Fighters of Illinois or his or her designee;

(10) the following persons appointed by the Governor:

(A) one representative of a statewide trucking association;

(B) one representative of a Chicago area motor club;

(C) one incumbent local exchange carrier; and

(D) two representatives from a large wireless carrier.

(d) The members of the Task Force shall serve without compensation and may meet remotely via telephone or live video conference platforms.

(e) The Task Force shall meet and present its report and recommendations, including legislative recommendations, if any, on how to better enforce the

provisions described in subsection (a) and use 21st-century driver communication technology to prevent fatalities and injuries on Illinois roadways, to the General Assembly no later than January 1, 2023.

(f) The Illinois State Police shall provide administrative support to the Task Force as needed.

(g) This Section is repealed on January 1, 2024.

HISTORY:
2021 P.A. 102-336, § 5, effective January 1, 2022.

625 ILCS 5/11-908 Vehicle approaching or entering a highway construction or maintenance area or zone.

(a) The driver of a vehicle shall yield the right-of-way to any authorized vehicle or pedestrian actually engaged in work upon a highway within any highway construction or maintenance area indicated by official traffic-control devices.

(a-1) Upon entering a construction or maintenance zone when workers are present, a person who drives a vehicle shall:

(1) proceeding with due caution, make a lane change into a lane not adjacent to that of the workers present, if possible with due regard to safety and traffic conditions, if on a highway having at least 4 lanes with not less than 2 lanes proceeding in the same direction as the approaching vehicle; or

(2) proceeding with due caution, reduce the speed of the vehicle, maintaining a safe speed for road conditions, if changing lanes would be impossible or unsafe.

(a-2) A person who violates subsection (a-1) of this Section commits a business offense punishable by a fine of not less than $100 and not more than $25,000. It is a factor in aggravation if the person committed the offense while in violation of Section 11-501 of this Code [625 ILCS 5/11-501].

(a-3) If a violation of subsection (a-1) of this Section results in damage to the property of another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for a fixed period of not less than 90 days and not more than one year.

(a-4) If a violation of subsection (a-1) of this Section results in injury to another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for a fixed period of not less than 180 days and not more than 2 years.

(a-5) If a violation of subsection (a-1) of this Section results in the death of another person, in addition to any other penalty imposed, the person's driving privileges shall be suspended for 2 years.

(a-6) The Secretary of State shall, upon receiving a record of a judgment entered against a person under subsection (a-1) of this Section:

(1) suspend the person's driving privileges for the mandatory period; or

(2) extend the period of an existing suspension by the appropriate mandatory period.

(b) The driver of a vehicle shall yield the right-of-way to any authorized vehicle obviously and actually engaged in work upon a highway whenever the vehicle engaged in construction or maintenance work displays flashing lights as provided in Section 12-215 of this Act [625 ILCS 5/12-215].

(c) The driver of a vehicle shall stop if signaled to do so by a flagger or a traffic control signal and remain in such position until signaled to proceed. If a driver of a vehicle fails to stop when signaled to do so by a flagger, the flagger is authorized to report such offense to the State's Attorney or authorized prosecutor. The penalties imposed for a violation of this subsection (c) shall be in addition to any penalties imposed for a violation of subsection (a-1).

HISTORY:
P.A. 86-611; 92-872, § 5; 93-705, § 5; 2017 P.A. 100-201, § 650, effective August 18, 2017; 2019 P.A. 101-172, § 5, effective January 1, 2020.

ARTICLE X.

PEDESTRIANS' RIGHTS AND DUTIES

625 ILCS 5/11-1001 Pedestrian obedience to traffic control devices and traffic regulations.

(a) A pedestrian shall obey the instructions of any official traffic control device specifically applicable to him, unless otherwise directed by a police officer.

(b) Pedestrians shall be subject to traffic and pedestrian control signals provided in Sections 11-306 and 11-307 of this Chapter [625 ILCS 5/11-306 and 625 ILCS 5/11-307], but at all other places pedestrians shall be accorded the privileges and shall be subject to the restrictions stated in this Article.

HISTORY:
P.A. 76-1734.

625 ILCS 5/11-1002 Pedestrians' right-of-way at crosswalks.

(a) When traffic control signals are not in place or not in operation the driver of a vehicle shall stop and yield the right-of-way to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.

(b) No pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a moving vehicle which is so close as to constitute an immediate hazard.

(c) Paragraph (a) shall not apply under the condition stated in Section 11-1003(b) [625 ILCS 5/11-1003].

(d) Whenever any vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the driver of any other vehicle approaching from the rear shall not overtake and pass such stopped vehicle.

(e) Whenever stop signs or flashing red signals are in place at an intersection or at a plainly marked crosswalk between intersections, drivers shall yield right-of-way to pedestrians as set forth in Section 11-904 of this Chapter [625 ILCS 5/11-904].

HISTORY:
P.A. 79-857; 96-1165, § 5.

625 ILCS 5/11-1002.5 Pedestrians' right-of-way at crosswalks; school zones.

(a) For the purpose of this Section, "school" has the meaning ascribed to that term in Section 11-605 [625 ILCS 5/11-605].

On a school day when school children are present and so close thereto that a potential hazard exists because of the close proximity of the motorized traffic and when traffic control signals are not in place or not in operation, the driver of a vehicle shall stop and yield the right-of-way to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.

For the purpose of this Section, a school day shall begin at seven ante meridian and shall conclude at four post meridian.

This Section shall not be applicable unless appropriate signs are posted in accordance with Section 11-605.

(b) A first violation of this Section is a petty offense with a minimum fine of $150. A second or subsequent violation of this Section is a petty offense with a minimum fine of $300.

(c) (Blank).

HISTORY:
P.A. 95-302, § 5; 96-1165, § 5; 2018 P.A. 100-987, § 905-45, effective July 1, 2019.

625 ILCS 5/11-1003 Crossing at other than crosswalks.

(a) Every pedestrian crossing a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the roadway.

(b) Any pedestrian crossing a roadway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided shall yield the right-of-way to all vehicles upon the roadway.

(c) Between adjacent intersections at which traffic-control signals are in operation pedestrians shall not cross at any place except in a marked crosswalk.

(d) No pedestrian shall cross a roadway intersection diagonally unless authorized by official traffic-control devices; and, when authorized to cross diagonally, pedestrians shall cross only in accordance with the official traffic-control devices pertaining to such crossing movements.

(e) Pedestrians with disabilities may cross a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk where the intersection is physically inaccessible to them but they shall yield the right-of-way to all vehicles upon the roadway.

HISTORY:
P.A. 80-1495; 88-685, § 5.

625 ILCS 5/11-1003.1 Drivers to exercise due care.

Notwithstanding other provisions of this Code or the provisions of any local ordinance, every driver of a vehicle shall exercise due care to avoid colliding with any pedestrian, or any person operating a bicycle or other device propelled by human power and shall give warning by sounding the horn when necessary and shall exercise proper precaution upon observing any child or any obviously confused, incapacitated or intoxicated person.

HISTORY:
P.A. 82-132.

625 ILCS 5/11-1004 Pedestrian with disabilities; right-of-way.

The driver of a vehicle shall yield the right-of-way to any pedestrian with clearly visible disabilities.

HISTORY:
P.A. 83-93; 88-685, § 5.

ARTICLE XIII.

STOPPING, STANDING, AND PARKING

625 ILCS 5/11-1303 Stopping, standing or parking prohibited in specified places.

(a) Except when necessary to avoid conflict with other traffic, or in compliance with law or the directions of a police officer or official traffic-control device, no person shall:

1. Stop, stand or park a vehicle:

a. On the roadway side of any vehicle stopped or parked at the edge or curb of a street;

b. On a sidewalk;

c. Within an intersection;

d. On a crosswalk;

e. Between a safety zone and the adjacent curb or within 30 feet of points on the curb immediately opposite the ends of a safety zone,

unless a different length is indicated by signs or markings;

f. Alongside or opposite any street excavation or obstruction when stopping, standing or parking would obstruct traffic;

g. Upon any bridge or other elevated structure upon a highway or within a highway tunnel;

h. On any railroad tracks. A violation of any part of this subparagraph h. shall result in a mandatory fine of $500 or 50 hours of community service.

i. At any place where official signs prohibit stopping;

j. On any controlled-access highway;

k. In the area between roadways of a divided highway, including crossovers;

l. In a public parking area if the vehicle does not display a current annual registration sticker or digital registration sticker or current temporary permit pending registration.

2. Stand or park a vehicle, whether occupied or not, except momentarily to pick up or discharge passengers:

a. In front of a public or private driveway;

b. Within 15 feet of a fire hydrant;

c. Within 20 feet of a crosswalk at an intersection;

d. Within 30 feet upon the approach to any flashing signal, stop sign, yield sign, or traffic control signal located at the side of a roadway;

e. Within 20 feet of the driveway entrance to any fire station and on the side of a street opposite the entrance to any fire station within 75 feet of such entrance (when properly signposted);

f. At any place where official signs prohibit standing.

3. Park a vehicle, whether occupied or not, except temporarily for the purpose of and while actually engaged in loading or unloading property or passengers:

a. Within 50 feet of the nearest rail of a railroad crossing;

b. At any place where official signs prohibit parking.

(b) No person shall move a vehicle not lawfully under his control into any such prohibited area or away from a curb such distance as is unlawful.

HISTORY:
P.A. 79-1069; 89-245, § 5; 89-658, § 5; 2019 P.A. 101-395, § 20, effective August 16, 2019.

625 ILCS 5/11-1304 Additional parking regulations.

(a) Except as otherwise provided in this section, every vehicle stopped or parked upon a two-way roadway shall be so stopped or parked with the right-hand wheels parallel to and within 12 inches of the right-hand curb or as close as practicable to the right edge of the right-hand shoulder.

(b) Except when otherwise provided by local ordinance, every vehicle stopped or parked upon a one-way roadway shall be so stopped or parked parallel to the curb or edge of the roadway, in the direction of authorized traffic movement, with its right-hand wheels within 12 inches of the right-hand curb or as close as practicable to the right edge of the right-hand shoulder, or with its left-hand wheels within 12 inches of the left-hand curb or as close as practicable to the left edge of the left-hand shoulder.

(c) Local authorities may permit angle parking on any roadway, except that angle parking shall not be permitted on any federal-aid or State highway unless the Department has determined that the roadway is of sufficient width to permit angle parking without interfering with the free movement of traffic.

(d) The Department with respect to highways under its jurisdiction may place signs prohibiting, limiting, or restricting the stopping, standing or parking of vehicles on any highway where in its opinion such stopping, standing or parking is dangerous to those using the highway or where the stopping, standing or parking of vehicles would unduly interfere with the free movement of traffic thereon. No person shall stop, stand or park any vehicle in violation of the restrictions indicated by such devices.

HISTORY:
P.A. 79-801; 79-1069; 79-1454.

625 ILCS 5/11-1304.5 Parking of vehicle with expired registration.

No person may stop, park, or leave standing upon a public street, highway, or roadway a vehicle upon which is displayed an Illinois registration plate or plates or digital registration plate or plates or registration sticker or digital registration sticker after the termination of the registration period, except as provided for in subsection (b) of Section 3-701 of this Code [625 ILCS 5/3-701], for which the registration plate or plates or digital registration plate or plates or registration sticker or digital registration sticker was issued or after the expiration date set under Section 3-414 or 3-414.1 of this Code [625 ILCS 5/3-414 or 625 ILCS 5/3-414.1].

HISTORY:
P.A. 91-487, § 5; 99-166, § 15; 2019 P.A. 101-395, § 20, effective August 16, 2019.

ARTICLE XIV.

MISCELLANEOUS LAWS

625 ILCS 5/11-1403 Riding on motorcycles.

(a) A person operating a motorcycle shall ride only upon the permanent and regular seat attached thereto, and such operator shall not carry any other person nor shall any other person ride on a motorcycle unless such motorcycle is designed to carry

more than one person, in which event a passenger may ride upon the permanent and regular seat if designed for 2 persons, or upon another seat firmly attached to the motorcycle at the rear or side of the operator.

(b) A person shall ride upon a motorcycle only while sitting astride the seat, facing forward, with one leg on each side of the motorcycle.

(c) No person shall operate any motorcycle with handlebar grips higher than the height of the head of the operator when the operator is seated in the normal driving position astride that portion of the seat or saddle occupied by the operator.

(d) The operator of any motorcycle shall keep at least one hand on a handlebar grip at all times the motorcycle is in motion.

(e) The operator of a motorcycle may not transport a passenger unless the passenger is capable of resting a foot on the footrest while the motorcycle is in motion.

HISTORY:

P.A. 84-602; 97-743, § 5; 2021 P.A. 102-344, § 5, effective January 1, 2022.

625 ILCS 5/11-1414 Approaching, overtaking, and passing school bus. [Effective until January 1, 2023]

(a) The driver of a vehicle shall stop such vehicle before meeting or overtaking, from either direction, any school bus stopped on a highway, roadway, private road, parking lot, school property, or at any other location, including, without limitation, a location that is not a highway or roadway for the purpose of receiving or discharging pupils. Such stop is required before reaching the school bus when there is in operation on the school bus the visual signals as specified in Sections 12-803 and 12-805 of this Code [625 ILCS 5/12-803 and 625 ILCS 5/12-805]. The driver of the vehicle shall not proceed until the school bus resumes motion or the driver of the vehicle is signaled by the school bus driver to proceed or the visual signals are no longer actuated.

(b) The stop signal arm required by Section 12-803 of this Code shall be extended after the school bus has come to a complete stop for the purpose of loading or discharging pupils and shall be closed before the school bus is placed in motion again. The stop signal arm shall not be extended at any other time.

(c) The alternately flashing red signal lamps of an 8-lamp flashing signal system required by Section 12-805 of this Code shall be actuated after the school bus has come to a complete stop for the purpose of loading or discharging pupils and shall be turned off before the school bus is placed in motion again. The red signal lamps shall not be actuated at any other time except as provided in paragraph (d) of this Section.

(d) The alternately flashing amber signal lamps of an 8-lamp flashing signal system required by Section 12-805 of this Code shall be actuated continuously during not less than the last 100 feet traveled by the school bus before stopping for the purpose of loading or discharging pupils within an urban area and during not less than the last 200 feet traveled by the school bus outside an urban area. The amber signal lamps shall remain actuated until the school bus is stopped. The amber signal lamps shall not be actuated at any other time.

(d-5) The alternately flashing head lamps permitted by Section 12-805 of this Code may be operated while the alternately flashing red or amber signal lamps required by that Section are actuated.

(e) The driver of a vehicle upon a highway having 4 or more lanes which permits at least 2 lanes of traffic to travel in opposite directions need not stop such vehicle upon meeting a school bus which is stopped in the opposing roadway; and need not stop such vehicle when driving upon a controlled access highway when passing a school bus traveling in either direction that is stopped in a loading zone adjacent to the surfaced or improved part of the controlled access highway where pedestrians are not permitted to cross.

(f) Beginning with the effective date of this amendatory Act of 1985, the Secretary of State shall suspend for a period of 3 months the driving privileges of any person convicted of a violation of subsection (a) of this Section or a similar provision of a local ordinance; the Secretary shall suspend for a period of one year the driving privileges of any person convicted of a second or subsequent violation of subsection (a) of this Section or a similar provision of a local ordinance if the second or subsequent violation occurs within 5 years of a prior conviction for the same offense. In addition to the suspensions authorized by this Section, any person convicted of violating this Section or a similar provision of a local ordinance shall be subject to a mandatory fine of $300 or, upon a second or subsequent violation, $1,000. The Secretary may also grant, for the duration of any suspension issued under this subsection, a restricted driving permit granting the privilege of driving a motor vehicle between the driver's residence and place of employment or within other proper limits that the Secretary of State shall find necessary to avoid any undue hardship. A restricted driving permit issued hereunder shall be subject to cancellation, revocation and suspension by the Secretary of State in like manner and for like cause as a driver's license may be cancelled, revoked or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension or cancellation of the restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. Any conviction for a violation of this subsection shall be included as an offense for the purposes of determining suspension action under any other provision of this Code, pro-

vided however, that the penalties provided under this subsection shall be imposed unless those penalties imposed under other applicable provisions are greater.

The owner of any vehicle alleged to have violated paragraph (a) of this Section shall, upon appropriate demand by the State's Attorney or other designated person acting in response to a signed complaint, provide a written statement or deposition identifying the operator of the vehicle if such operator was not the owner at the time of the alleged violation. Failure to supply such information shall result in the suspension of the vehicle registration of the vehicle for a period of 3 months. In the event the owner has assigned control for the use of the vehicle to another, the person to whom control was assigned shall comply with the provisions of this paragraph and be subject to the same penalties as herein provided.

625 ILCS 5/11-1414 Approaching, overtaking, and passing school bus. [Effective January 1, 2023]

(a) The driver of a vehicle shall stop such vehicle before meeting or overtaking, from either direction, any school bus stopped on a highway, roadway, private road, parking lot, school property, or at any other location, including, without limitation, a location that is not a highway or roadway for the purpose of receiving or discharging pupils. Such stop is required before reaching the school bus when there is in operation on the school bus the visual signals as specified in Sections 12-803 and 12-805 of this Code [625 ILCS 5/12-803 and 625 ILCS 5/12-805]. The driver of the vehicle shall not proceed until the school bus resumes motion or the driver of the vehicle is signaled by the school bus driver to proceed or the visual signals are no longer actuated.

(b) The stop signal arm required by Section 12-803 of this Code shall be extended after the school bus has come to a complete stop for the purpose of loading or discharging pupils and shall be closed before the school bus is placed in motion again. The stop signal arm shall not be extended at any other time.

(c) The alternately flashing red signal lamps of an 8-lamp flashing signal system required by Section 12-805 of this Code shall be actuated after the school bus has come to a complete stop for the purpose of loading or discharging pupils and shall be turned off before the school bus is placed in motion again. The red signal lamps shall not be actuated at any other time except as provided in paragraph (d) of this Section.

(d) The alternately flashing amber signal lamps of an 8-lamp flashing signal system required by Section 12-805 of this Code shall be actuated continuously during not less than the last 100 feet traveled by the school bus before stopping for the purpose of loading or discharging pupils within an urban area and during not less than the last 200 feet traveled by the school bus outside an urban area. The amber signal lamps shall remain actuated until the school bus is stopped. The amber signal lamps shall not be actuated at any other time.

(d-5) The alternately flashing head lamps permitted by Section 12-805 of this Code may be operated while the alternately flashing red or amber signal lamps required by that Section are actuated.

(e) The driver of a vehicle upon a highway having 4 or more lanes which permits at least 2 lanes of traffic to travel in opposite directions need not stop such vehicle upon meeting a school bus which is stopped in the opposing roadway; and need not stop such vehicle when driving upon a controlled access highway when passing a school bus traveling in either direction that is stopped in a loading zone adjacent to the surfaced or improved part of the controlled access highway where pedestrians are not permitted to cross.

(f) Beginning with the effective date of this amendatory Act of 1985, the Secretary of State shall suspend for a period of 3 months the driving privileges of any person convicted of a violation of subsection (a) of this Section or a similar provision of a local ordinance; the Secretary shall suspend for a period of one year the driving privileges of any person convicted of a second or subsequent violation of subsection (a) of this Section or a similar provision of a local ordinance if the second or subsequent violation occurs within 5 years of a prior conviction for the same offense. In addition to the suspensions authorized by this Section, any person convicted of violating this Section or a similar provision of a local ordinance shall be subject to a mandatory fine of $300 or, upon a second or subsequent violation, $1,000, and community service in an amount set by the court. The Secretary may also grant, for the duration of any suspension issued under this subsection, a restricted driving permit granting the privilege of driving a motor vehicle between the driver's residence and place of employment or within other proper limits that the Secretary of State shall find necessary to avoid any undue hardship. A restricted driving permit issued hereunder shall be subject to cancellation, revocation and suspension by the Secretary of State in like manner and for like cause as a driver's license may be cancelled, revoked or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension or cancellation of the restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. Any conviction for a violation of this subsection shall be included as an offense for the purposes of determining suspension action under any other provision of this Code,

provided however, that the penalties provided under this subsection shall be imposed unless those penalties imposed under other applicable provisions are greater.

The owner of any vehicle alleged to have violated paragraph (a) of this Section shall, upon appropriate demand by the State's Attorney or other designated person acting in response to a signed complaint, provide a written statement or deposition identifying the operator of the vehicle if such operator was not the owner at the time of the alleged violation. Failure to supply such information shall result in the suspension of the vehicle registration of the vehicle for a period of 3 months. In the event the owner has assigned control for the use of the vehicle to another, the person to whom control was assigned shall comply with the provisions of this paragraph and be subject to the same penalties as herein provided.

P.A. 84-112; 89-210, § 5; 91-260, § 5; 93-180, § 5; 93-181, § 5; 95-105, § 5; 95-331, § 1005; 99-740, § 5; 2019 P.A. 101-55, § 5, effective January 1, 2020; 2022 P.A. 102-859, § 5, effective January 1, 2023.

625 ILCS 5/11-1414.1 School transportation of students.

(a) Every student enrolled in grade 12 or below in any entity listed in subsection (a) of Section 1-182 of this Code [625 ILCS 5/1-182] must be transported in a school bus or a vehicle described in subdivision (1) or (2) of subsection (b) of Section 1-182 of this Code for any curriculum-related school activity, except a student in any of grades 9 through 12 or a student in any of grades K through 12 with an Individualized Education Plan (IEP) with a staff to student ratio of 1 to 5, and attending Acacia Academy, Alexander Leigh, Marklund, Helping Hands Center, Connections Organization, Soaring Eagle Academy, or New Horizon Academy may be transported in a multifunction school activity bus (MFSAB) as defined in Section 1-148.3a-5 of this Code [625 ILCS 5/1-148.3a-5] for any curriculum-related activity except for transportation on regular bus routes from home to school or from school to home, subject to the following conditions:

(i) A MFSAB may not be used to transport students under this Section unless the driver holds a valid school bus driver permit.

(ii) The use of a MFSAB under this Section is subject to the requirements of Sections 6-106.11, 6-106.12, 12-707.01, 13-101, and 13-109 of this Code [625 ILCS 5/6-106.11, 625 ILCS 5/6-106.12, 625 ILCS 5/12-707.01, 625 ILCS 5/13-101, and 625 ILCS 5/13-109].

"Curriculum-related school activity" as used in this subsection (a) includes transportation from home to school or from school to home, tripper or shuttle service between school attendance centers, transportation to a vocational or career center or other trade-skill development site or a regional safe school or other school-sponsored alternative learning program, or a trip that is directly related to the regular curriculum of a student for which he or she earns credit.

(b) Every student enrolled in grade 12 or below in any entity listed in subsection (a) of Section 1-182 of this Code who is transported in a vehicle that is being operated by or for a public or private primary or secondary school, including any primary or secondary school operated by a religious institution, for an interscholastic, interscholastic-athletic, or school-sponsored, noncurriculum-related activity that (i) does not require student participation as part of the educational services of the entity and (ii) is not associated with the students' regular class-for-credit schedule shall transport students only in a school bus or vehicle described in subsection (b) of Section 1-182 of this Code. A student participating in an agrarian-related activity may also be transported in a second division pick-up truck registered under paragraph 7 of subsection (b) of Section 3-808.1. For purposes of this subsection, "pick-up truck" means a truck weighing 12,000 pounds or less with an enclosed cabin that can seat up to 6 passengers with seatbelts, including the driver, and an open cargo area. This subsection (b) does not apply to any second division vehicle used by an entity listed in subsection (a) of Section 1-182 of this Code for a parade, homecoming, or a similar noncurriculum-related school activity.

625 ILCS 5/11-1426 Operation of all-terrain vehicles and off-highway motorcycles on streets, roads and highways. [Repealed]

HISTORY:

P.A. 85-830; 86-1091; 89-445, § 9A-87; 90-287, § 100; repealed by P.A. 96-279, § 15, effective January 1, 2010.

625 ILCS 5/11-1426.1 Operation of non-highway vehicles on streets, roads, and highways.

(a) As used in this Section, "non-highway vehicle" means a motor vehicle not specifically designed to be used on a public highway, including:

(1) an all-terrain vehicle, as defined by Section 1-101.8 of this Code [625 ILCS 5/1-101.8];

(2) a golf cart, as defined by Section 1-123.9 [625 ILCS 5/1-123.9];

(3) an off-highway motorcycle, as defined by Section 1-153.1 [625 ILCS 5/1-153.1]; and

(4) a recreational off-highway vehicle, as defined by Section 1-168.8 [625 ILCS 5/1-168.8].

(b) Except as otherwise provided in this Section, it is unlawful for any person to drive or operate a non-highway vehicle upon any street, highway, or roadway in this State. If the operation of a non-highway vehicle is authorized under subsection (d),

the non-highway vehicle may be operated only on streets where the posted speed limit is 35 miles per hour or less. This subsection (b) does not prohibit a non-highway vehicle from crossing a road or street at an intersection where the road or street has a posted speed limit of more than 35 miles per hour.

(b-5) A person may not operate a non-highway vehicle upon any street, highway, or roadway in this State unless he or she has a valid driver's license issued in his or her name by the Secretary of State or by a foreign jurisdiction.

(c) No person operating a non-highway vehicle shall make a direct crossing upon or across any tollroad, interstate highway, or controlled access highway in this State. No person operating a non-highway vehicle shall make a direct crossing upon or across any other highway under the jurisdiction of the State except at an intersection of the highway with another public street, road, or highway.

(c-5) (Blank).

(d) A municipality, township, county, or other unit of local government may authorize, by ordinance or resolution, the operation of non-highway vehicles on roadways under its jurisdiction if the unit of local government determines that the public safety will not be jeopardized. The Department may authorize the operation of non-highway vehicles on the roadways under its jurisdiction if the Department determines that the public safety will not be jeopardized. The unit of local government or the Department may restrict the types of non-highway vehicles that are authorized to be used on its streets.

Before permitting the operation of non-highway vehicles on its roadways, a municipality, township, county, other unit of local government, or the Department must consider the volume, speed, and character of traffic on the roadway and determine whether non-highway vehicles may safely travel on or cross the roadway. Upon determining that non-highway vehicles may safely operate on a roadway and the adoption of an ordinance or resolution by a municipality, township, county, or other unit of local government, or authorization by the Department, appropriate signs shall be posted.

If a roadway is under the jurisdiction of more than one unit of government, non-highway vehicles may not be operated on the roadway unless each unit of government agrees and takes action as provided in this subsection.

(e) No non-highway vehicle may be operated on a roadway unless, at a minimum, it has the following: brakes, a steering apparatus, tires, a rearview mirror, red reflectorized warning devices in the front and rear, a slow moving emblem (as required of other vehicles in Section 12-709 of this Code [625 ILCS 5/12-709]) on the rear of the non-highway vehicle, a headlight that emits a white light visible from a distance of 500 feet to the front, a tail lamp that emits a red light visible from at least 100 feet from the rear, brake lights, and turn signals. When operated on a roadway, a non-highway vehicle shall have its headlight and tail lamps lighted as required by Section 12-201 of this Code [625 ILCS 5/12-201].

(f) A person who drives or is in actual physical control of a non-highway vehicle on a roadway while under the influence is subject to Sections 11-500 through 11-502 of this Code [625 ILCS 5/11-500 through 625 ILCS 5/11-502].

(g) Any person who operates a non-highway vehicle on a street, highway, or roadway shall be subject to the mandatory insurance requirements under Article VI of Chapter 7 of this Code [625 ILCS 5/7-601 et seq.].

(h) It shall not be unlawful for any person to drive or operate a non-highway vehicle, as defined in paragraphs (1) and (4) of subsection (a) of this Section, on a county roadway or township roadway for the purpose of conducting farming operations to and from the home, farm, farm buildings, and any adjacent or nearby farm land.

Non-highway vehicles, as used in this subsection (h), shall not be subject to subsections (e) and (g) of this Section. However, if the non-highway vehicle, as used in this Section, is not covered under a motor vehicle insurance policy pursuant to subsection (g) of this Section, the vehicle must be covered under a farm, home, or non-highway vehicle insurance policy issued with coverage amounts no less than the minimum amounts set for bodily injury or death and for destruction of property under Section 7-203 of this Code [625 ILCS 5/7-203]. Non-highway vehicles operated on a county or township roadway at any time between one-half hour before sunset and one-half hour after sunrise must be equipped with head lamps and tail lamps, and the head lamps and tail lamps must be lighted.

Non-highway vehicles, as used in this subsection (h), shall not make a direct crossing upon or across any tollroad, interstate highway, or controlled access highway in this State.

Non-highway vehicles, as used in this subsection (h), shall be allowed to cross a State highway, municipal street, county highway, or road district highway if the operator of the non-highway vehicle makes a direct crossing provided:

(1) the crossing is made at an angle of approximately 90 degrees to the direction of the street, road or highway and at a place where no obstruction prevents a quick and safe crossing;

(2) the non-highway vehicle is brought to a complete stop before attempting a crossing;

(3) the operator of the non-highway vehicle yields the right of way to all pedestrian and vehicular traffic which constitutes a hazard; and

(4) that when crossing a divided highway, the crossing is made only at an intersection of the highway with another public street, road, or highway.

(i) No action taken by a unit of local government under this Section designates the operation of a non-highway vehicle as an intended or permitted use of property with respect to Section 3-102 of the Local

Governmental and Governmental Employees Tort Immunity Act [745 ILCS 10/3-102].

HISTORY:
P.A. 94-298, § 5; 95-150, § 5; 95-414, § 5; 95-575, § 5; 95-876, § 300; 96-279, § 10; 96-1434, § 5; 97-144, § 5; 98-567, § 5.

625 ILCS 5/11-1426.2 Operation of low-speed vehicles on streets.

(a) Except as otherwise provided in this Section, it is lawful for any person to drive or operate a low-speed vehicle upon any street in this State where the posted speed limit is 30 miles per hour or less.

(b) Low-speed vehicles may cross a street at an intersection where the street being crossed has a posted speed limit of not more than 45 miles per hour. Low-speed vehicles may not cross a street with a speed limit in excess of 45 miles per hour unless the crossing is at an intersection controlled by a traffic light or 4-way stop sign.

(c) The Department of Transportation or a municipality, township, county, or other unit of local government may prohibit, by regulation, ordinance, or resolution, the operation of low-speed vehicles on streets under its jurisdiction where the posted speed limit is 30 miles per hour or less if the Department of Transportation or unit of local government determines that the public safety would be jeopardized.

(d) Upon determining that low-speed vehicles may not safely operate on a street, and upon the adoption of an ordinance or resolution by a unit of local government, or regulation by the Department of Transportation, the operation of low-speed vehicles may be prohibited. The unit of local government or the Department of Transportation may prohibit the operation of low-speed vehicles on any and all streets under its jurisdiction. Appropriate signs shall be posted in conformance with the State Manual on Uniform Traffic Control Devices adopted pursuant to Section 11-301 of this Code [625 ILCS 5/11-301].

(e) If a street is under the jurisdiction of more than one unit of local government, or under the jurisdiction of the Department of Transportation and one or more units of local government, low-speed vehicles may be operated on the street unless each unit of local government and the Department of Transportation agree and take action to prohibit such operation as provided in this Section.

(e-5) A unit of local government may, by ordinance or resolution, authorize the operation of low-speed vehicles on one or more streets under its jurisdiction that have a speed limit of more than 30 miles per hour but not greater than 35 miles per hour.

Before authorizing the operation of low-speed vehicles on any street under this subsection (e-5), the unit of local government must consider the volume, speed, and character of traffic on the street and determine whether low-speed vehicles may travel safely on that street.

If a street is under the jurisdiction of more than one unit of government, low-speed vehicles may not be operated on the street under this subsection (e-5) unless each unit of government agrees and takes action as provided in this subsection.

Upon the adoption of an ordinance authorizing low-speed vehicles under this subsection (e-5), appropriate signs shall be posted.

(f) No low-speed vehicle may be operated on any street unless, at a minimum, it has the following: a parking brake, a steering apparatus, tires, a windshield that conforms to the federal vehicle safety standards on glazing materials as set forth in 49 CFR part 571.205, a vehicle identification number, seat belts, a rearview mirror, an exterior rearview mirror mounted on the driver's side of the vehicle, red reflectorized warning devices on each rear side and one on the center rear of the vehicle, a headlight that emits a white light visible from a distance of 500 feet to the front, a tail lamp that emits a red light visible from at least 100 feet from the rear, brake lights, and front and rear turn signals. When operated on a street, a low-speed vehicle shall have its headlight and tail lamps lighted as required by Section 12-201 of this Code [625 ILCS 5/12-201].

(g) A person may not operate a low-speed vehicle upon any street in this State unless he or she has a valid driver's license issued in his or her name by the Secretary of State or a foreign jurisdiction.

(h) The operation of a low-speed vehicle upon any street is subject to the provisions of Chapter 11 of this Code [625 ILCS 5/11-100 et seq.] concerning the Rules of the Road, and applicable local ordinances.

(i) Every owner of a low-speed vehicle is subject to the mandatory insurance requirements specified in Article VI of Chapter 7 of this Code [625 ILCS 5/7-601 et seq.].

(j) Any person engaged in the retail sale of low-speed vehicles are required to comply with the motor vehicle dealer licensing, registration, and bonding laws of this State, as specified in Sections 5-101 and 5-102 of this Code [625 ILCS 5/5-101 and 625 ILCS 5/5-102].

(k) No action taken by a unit of local government under this Section designates the operation of a low-speed vehicle as an intended or permitted use of property with respect to Section 3-102 of the Local Governmental and Governmental Employees Tort Immunity Act [745 ILCS 10/3-102].

(*l*) Every owner of a low-speed vehicle which may be operated upon a highway shall secure a certificate of title and display valid registration.

P.A. 96-653, § 5; 96-1434, § 5; 97-144, § 5; 99-401, § 5.

625 ILCS 5/11-1428 Operation of golf carts on streets, roads and highways. [Repealed]

HISTORY:
P.A. 87-847; 90-683, § 5; 96-279, § 15; repealed by P.A. 96-279, § 15, effective January 1, 2010.

625 ILCS 5/11-1429 Excessive idling.

(a) The purpose of this law is to protect public health and the environment by reducing emissions while conserving fuel and maintaining adequate rest and safety of all drivers of diesel vehicles.

(b) As used in this Section, "affected areas" means the counties of Cook, DuPage, Lake, Kane, McHenry, Will, Madison, St. Clair, and Monroe and the townships of Aux Sable and Goose Lake in Grundy County and the township of Oswego in Kendall County.

(c) A person that operates a motor vehicle operating on diesel fuel in an affected area may not cause or allow the motor vehicle, when it is not in motion, to idle for more than a total of 10 minutes within any 60 minute period, except under the following circumstances:

(1) the motor vehicle has a Gross Vehicle Weight Rating of less than 8,000 pounds;

(2) the motor vehicle idles while forced to remain motionless because of on-highway traffic, an official traffic control device or signal, or at the direction of a law enforcement official;

(3) the motor vehicle idles when operating defrosters, heaters, air conditioners, or other equipment solely to prevent a safety or health emergency;

(4) a police, fire, ambulance, public safety, other emergency or law enforcement motor vehicle, or any motor vehicle used in an emergency capacity, idles while in an emergency or training mode and not for the convenience of the vehicle operator;

(5) the primary propulsion engine idles for maintenance, servicing, repairing, or diagnostic purposes if idling is necessary for such activity;

(6) a motor vehicle idles as part of a government inspection to verify that all equipment is in good working order, provided idling is required as part of the inspection;

(7) when idling of the motor vehicle is required to operate auxiliary equipment to accomplish the intended use of the vehicle (such as loading, unloading, mixing, or processing cargo; controlling cargo temperature; construction operations; lumbering operations; oil or gas well servicing; or farming operations), provided that this exemption does not apply when the vehicle is idling solely for cabin comfort or to operate non-essential equipment such as air conditioning, heating, microwave ovens, or televisions;

(8) an armored motor vehicle idles when a person remains inside the vehicle to guard the contents, or while the vehicle is being loaded or unloaded;

(9) a bus idles a maximum of 15 minutes in any 60 minute period to maintain passenger comfort while non-driver passengers are on board;

(10) if the motor vehicle has a sleeping berth, when the operator is occupying the vehicle during a rest or sleep period and idling of the vehicle is required to operate air conditioning or heating;

(11) when the motor vehicle idles due to mechanical difficulties over which the operator has no control;

(12) the motor vehicle is used as airport ground support equipment, including, but not limited to, motor vehicles operated on the air side of the airport terminal to service or supply aircraft;

(13) the motor vehicle is (i) a bus owned by a public transit authority and (ii) being operated on a designated bus route or on a street or highway between designated bus routes for the provision of public transportation;

(14) the motor vehicle is an implement of husbandry exempt from registration under subdivision A(2) of Section 3-402 of this Code;

(15) the motor vehicle is owned by an electric utility and is operated for electricity generation or hydraulic pressure to power equipment necessary in the restoration, repair, modification or installation of electric utility service;

(16) the outdoor temperature is less than 32 degrees Fahrenheit or greater than 80 degrees Fahrenheit; or

(17) the motor vehicle idles while being operated by a remote starter system.

(d) When the outdoor temperature is 32 degrees Fahrenheit or higher and 80 degrees Fahrenheit or lower, a person who operates a motor vehicle operating on diesel fuel in an affected area may not cause or allow the motor vehicle to idle for a period greater than 30 minutes in any 60 minute period while waiting to weigh, load, or unload cargo or freight, unless the vehicle is in a line of vehicles that regularly and periodically moves forward.

(e) This Section does not prohibit the operation of an auxiliary power unit or generator set as an alternative to idling the main engine of a motor vehicle operating on diesel fuel.

(f) This Section does not apply to the owner of a motor vehicle rented or leased to another entity or person operating the vehicle.

(g) Any person convicted of any violation of this Section is guilty of a petty offense and shall be fined $90 for the first conviction and $500 for a second or subsequent conviction within any 12 month period.

(h) Fines; distribution. All fines and all penalties collected under this Section shall be deposited in the State Treasury and shall be distributed as follows: (i) $50 for the first conviction and $150 for a second or subsequent conviction within any 12 month period under this Section shall be deposited into the State's General Revenue Fund; (ii) $20 for the first conviction and $262.50 for a second or subsequent conviction within any 12 month period under this Section shall be distributed to the law enforcement agency that issued the citation; and (iii) $20 for the first conviction and $87.50 for a second or subsequent conviction within any 12 month period under this Section shall be deposited into the Vehicle Inspection Fund.

(i) (Blank).

(j) Notwithstanding any other provision of this Section, a person who operates a motor vehicle with a gross vehicle weight rating of 8,000 pounds or more operating on diesel fuel on property that (i) offers paid parking services to vehicle owners, (ii) does not involve fuel dispensing, and (iii) is located in an affected area within a county of over 3 million residents but outside of a municipality of over 2 million residents may not cause or allow the motor vehicle, when it is not in motion, to idle for more than a total of 10 minutes within any 60-minute period under any circumstances if the vehicle is within 200 feet of a residential area. This Section may be enforced by either the law enforcement agency having jurisdiction over the residential area or the law enforcement agency having jurisdiction over the property on which the violation took place. This subsection does not apply to:

(1) school buses;

(2) waste hauling vehicles;

(3) facilities operated by the Department of Transportation;

(4) vehicles owned by a public utility and operated to power equipment necessary in the restoration, repair, modification, or installation of a utility service; or

(5) ambulances.

ARTICLE XV.

BICYCLES

625 ILCS 5/11-1516 Low-speed gas bicycles.

(a) A person may operate a low-speed gas bicycle only if the person is at least 16 years of age.

(b) A person may not operate a low-speed gas bicycle at a speed greater than 20 miles per hour upon any highway, street, or roadway.

(c) A person may not operate a low-speed gas bicycle on a sidewalk.

(d) Except as otherwise provided in this Section, the provisions of this Article XV that apply to bicycles also apply to low-speed gas bicycles.

HISTORY:

P.A. 96-125, § 5; 2017 P.A. 100-209, § 5, effective January 1, 2018.

625 ILCS 5/11-1517 Low-speed electric bicycles.

(a) Except as otherwise provided in this Section, the provisions of this Chapter that apply to bicycles also apply to low-speed electric bicycles.

(b) Each low-speed electric bicycle operating in this State shall comply with equipment and manufacturing requirements adopted by the United States Consumer Product Safety Commission under 16 CFR 1512. Each Class 3 low-speed electric bicycle shall be equipped with a speedometer that displays the speed the bicycle is traveling in miles per hour.

(c) Beginning on or after January 1, 2018, every manufacturer and distributor of low-speed electric bicycles shall apply a label that is permanently affixed to the bicycle in a prominent location. The label shall contain, in Arial font in at least 9-point type:

(1) a classification number for the bicycle that corresponds with a class under Section 1-140.10 of this Code [625 ILCS 5/1-140.10];

(2) the bicycle's top assisted speed; and

(3) the bicycle's motor wattage.

No person shall knowingly tamper or modify the speed capability or engagement of a low-speed electric bicycle without replacing the label required under this subsection (c).

(d) A Class 2 low-speed electric bicycle shall operate in a manner so that the electric motor is disengaged or ceases to function when the brakes are applied. A Class 1 low-speed electric bicycle and a Class 3 low-speed electric bicycle shall operate in a manner so that the electric motor is disengaged or ceases to function when the rider stops pedaling.

(e) A person may operate a low-speed electric bicycle upon any highway, street, or roadway authorized for use by bicycles, including, but not limited to, bicycle lanes.

(f) A person may operate a low-speed electric bicycle upon any bicycle path unless the municipality, county, or local authority with jurisdiction prohibits the use of low-speed electric bicycles or a specific class of low-speed electric bicycles on that path.

(g) A person may not operate a low-speed electric bicycle on a sidewalk.

(h) A person may operate a Class 3 low-speed electric bicycle only if he or she is 16 years of age or older. A person who is less than 16 years of age may ride as a passenger on a Class 3 low-speed electric bicycle that is designed to accommodate passengers.

2017 P.A. 100-209, § 5, effective January 1, 2018.

CHAPTER 12.

EQUIPMENT OF VEHICLES

Article II. Lights and Lamps

Article VI. Miscellaneous Requirements

ARTICLE II.

LIGHTS AND LAMPS

625 ILCS 5/12-205.1 Implements of husbandry or slow-moving vehicles — Display of amber signal lamp.

Every animal drawn vehicle, farm tractor, implement of husbandry and special mobile equipment, except when used for road construction or maintenance within the limits of a construction or maintenance project where traffic control devices are used in compliance with the applicable provisions of the manual and specifications adopted under Section 11-301 of the Illinois Vehicle Code [625 ILCS 5/11-301], when operated on a highway during a time when lighted lamps are required by Section 12-201 of this Chapter [625 ILCS 5/12-201], shall display to the rear at least one flashing amber signal lamp mounted as high as practicable and of sufficient intensity to be visible for a distance of at least 500 feet in normal sunlight; provided, that only the rearmost vehicle of a combination of vehicles coupled together need display such lamp. The flashing amber signal lamp may be operated lighted during daylight hours when other lamps are not required to be lighted when vehicles authorized in this Section are operated on a highway. Implements of husbandry manufactured on or after January 1, 2003 and operated on public roads between sunset and sunrise shall display markings and lighting that meet or exceed the design, performance, and mounting specifications adopted by the American Society of Agricultural Engineers and published by that body as ASAE S279.11 APR01.

HISTORY:
P.A. 84-285; 91-505, § 5; 92-820, § 5.

625 ILCS 5/12-208 Signal lamps and signal devices.

(a) Every vehicle other than an antique vehicle displaying an antique plate or an expanded-use antique vehicle displaying expanded-use antique vehicle plates operated in this State shall be equipped with a stop lamp or lamps on the rear of the vehicle which shall display a red or amber light visible from a distance of not less than 500 feet to the rear in normal sunlight and which shall be actuated upon application of the service (foot) brake, and which may but need not be incorporated with other rear lamps. During times when lighted lamps are not required, an antique vehicle or an expanded-use antique vehicle may be equipped with a stop lamp or lamps on the rear of such vehicle of the same type originally installed by the manufacturer as original equipment and in working order. However, at all other times, except as provided in subsection (a-1), such antique vehicle or expanded-use antique vehicle must be equipped with stop lamps meeting the requirements of Section 12-208 of this Act.

(a-1) A motorcycle or an antique vehicle or an expanded-use antique vehicle, including an antique motorcycle, may display a blue light or lights of up to one inch in diameter as part of the vehicle's rear stop lamp or lamps.

(b) Every motor vehicle other than an antique vehicle displaying an antique plate or an expanded-use antique vehicle displaying expanded-use antique vehicle plates shall be equipped with an electric turn signal device which shall indicate the intention of the driver to turn to the right or to the left, change lanes, turn a vehicle, or otherwise turn or maneuver a vehicle from a direct course of travel in the form of flashing lights located at and showing to the front and rear of the vehicle on the side of the vehicle toward which the turn is to be made. The lamps showing to the front shall be mounted on the same level and as widely spaced laterally as practicable and, when signaling, shall emit a white or amber light, or any shade of light between white and amber. The lamps showing to the rear shall be mounted on the same level and as widely spaced laterally as practicable and, when signaling, shall emit a red or amber light. An antique vehicle or expanded-use antique vehicle shall be equipped with a turn signal device of the same type originally installed by the manufacturer as original equipment and in working order.

(c) Every trailer and semitrailer shall be equipped with an electric turn signal device which indicates the intention of the driver in the power unit to turn to the right or to the left in the form of flashing red or amber lights located at the rear of the vehicle on the side toward which the turn is to be made and mounted on the same level and as widely spaced laterally as practicable.

(d) Turn signal lamps must be visible from a distance of not less than 300 feet in normal sunlight.

(e) Motorcycles and motor-driven cycles need not be equipped with electric turn signals. Antique vehicles and expanded-use antique vehicles need not be equipped with turn signals unless such were installed by the manufacturer as original equipment.

(f) (Blank).

(g) Motorcycles and motor-driven cycles may be equipped with a stop lamp or lamps on the rear of the vehicle that display a red or amber light, visible from a distance of not less than 500 feet to the rear in normal sunlight, that flashes and becomes steady only when the brake is actuated.

(h) Electric turn signal lamps shall not be flashed or left in the on position other than to indicate the intention of a driver to turn a vehicle left or right, change lanes, or otherwise turn or maneuver a vehicle from a direct course of travel.

HISTORY:

P.A. 77-37; 92-668, § 5; 94-299, § 5; 96-487, § 5; 97-412, § 10; 97-743, § 5; 99-598, § 5; 2021 P.A. 102-508, § 5, effective August 20, 2021.

625 ILCS 5/12-212 Special restrictions on lamps.

(a) No person shall drive or move any vehicle or equipment upon any highway with any lamp or device on the vehicle or equipment displaying a red light visible from directly in front of the vehicle or equipment except as otherwise provided in this Act.

(b) Subject to the restrictions of this Act, flashing lights are prohibited on motor vehicles except as expressly authorized in this Chapter or as a means for indicating a right or left turn, lane change, or a maneuver of a vehicle from a direct course of travel as provided in Section 12-208 [625 ILCS 5/12-208] or the presence of a vehicular traffic hazard requiring unusual care as expressly provided in Sections 11-804 or 12-215 [625 ILCS 5/11-804 or 625 ILCS 5/12-215].

(c) Unless otherwise expressly authorized by this Code, all other lighting or combination of lighting on any vehicle shall be prohibited.

(d) No person shall drive or move any motor vehicle or equipment upon any highway with any lighting or combination of lighting with a smoked or tinted lens or cover.

HISTORY:

P.A. 86-664; 2019 P.A. 101-189, § 5, effective January 1, 2020; 2021 P.A. 102-508, § 5, effective August 20, 2021.

625 ILCS 5/12-215 Oscillating, rotating or flashing lights on motor vehicles. [Effective until January 1, 2023]

Except as otherwise provided in this Code:

(a) The use of red or white oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Law enforcement vehicles of State, Federal or local authorities;

2. A vehicle operated by a police officer or county coroner and designated or authorized by local authorities, in writing, as a law enforcement vehicle; however, such designation or authorization must be carried in the vehicle;

2.1. A vehicle operated by a fire chief, deputy fire chief, or assistant fire chief who has completed an emergency vehicle operation training course approved by the Office of the State Fire Marshal and designated or authorized by local authorities, in writing, as a fire department, fire protection district, or township fire department vehicle; however, the designation or authorization must be carried in the vehicle, and the lights may be visible or activated only when responding to a bona fide emergency;

3. Vehicles of local fire departments and State or federal firefighting vehicles;

4. Vehicles which are designed and used exclusively as ambulances or rescue vehicles; furthermore, such lights shall not be lighted except when responding to an emergency call for and while actually conveying the sick or injured;

4.5. Vehicles which are occasionally used as rescue vehicles that have been authorized for use as rescue vehicles by a volunteer EMS provider, provided that the operator of the vehicle has successfully completed an emergency vehicle operation training course recognized by the Department of Public Health; furthermore, the lights shall not be lighted except when responding to an emergency call for the sick or injured;

5. Tow trucks licensed in a state that requires such lights; furthermore, such lights shall not be lighted on any such tow truck while the tow truck is operating in the State of Illinois;

6. Vehicles of the Illinois Emergency Management Agency, vehicles of the Office of the Illinois State Fire Marshal, vehicles of the Illinois Department of Public Health, vehicles of the Illinois Department of Corrections, and vehicles of the Illinois Department of Juvenile Justice;

7. Vehicles operated by a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act;

8. School buses operating alternately flashing head lamps as permitted under Section 12-805 of this Code [625 ILCS 5/12-805];

9. Vehicles that are equipped and used exclusively as organ transplant vehicles when used in combination with blue oscillating, rotating, or flashing lights; furthermore, these lights shall be lighted only when the transportation is declared an emergency by a member of the transplant team or a representative of the organ procurement organization;

10. Vehicles of the Illinois Department of Natural Resources that are used for mine rescue and explosives emergency response;

11. Vehicles of the Illinois Department of Transportation identified as Emergency Traffic Patrol; the lights shall not be lighted except when responding to an emergency call or when parked or stationary while engaged in motor vehicle assistance or at the scene of the emergency; and

12. Vehicles of the Illinois State Toll Highway Authority with a gross vehicle weight rating of 9,000 pounds or more and those identified as Highway Emergency Lane Patrol; the lights shall not be lighted except when responding to an emergency call or when parked or stationary while engaged in motor vehicle assistance or at the scene of the emergency.

(b) The use of amber oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Second division vehicles designed and used for towing or hoisting vehicles; furthermore, such lights shall not be lighted except as required in this paragraph 1; such lights shall be lighted when such vehicles are actually being used at the scene of an accident or disablement; if the towing vehicle is equipped with a flat bed that supports all wheels of the vehicle being transported, the lights shall not be lighted while the vehicle is engaged in towing on a highway; if the towing vehicle is not equipped with a flat bed that supports all wheels of a vehicle being transported, the lights shall be lighted while the towing vehicle is engaged in towing on a highway during all times when the use of headlights is required under Section 12-201 of this Code [625 ILCS 5/12-201]; in addition, these vehicles may use white oscillating, rotating, or flashing lights in combination with amber oscillating, rotating, or flashing lights as provided in this paragraph;

2. Motor vehicles or equipment of the State of Illinois, the Illinois State Toll Highway Authority, local authorities and contractors; furthermore, such lights shall not be lighted except while such vehicles are engaged in maintenance or construction operations within the limits of construction projects;

3. Vehicles or equipment used by engineering or survey crews; furthermore, such lights shall not be lighted except while such vehicles are actually engaged in work on a highway;

4. Vehicles of public utilities, municipalities, or other construction, maintenance or automotive service vehicles except that such lights shall be lighted only as a means for indicating the presence of a vehicular traffic hazard requiring unusual care in approaching, overtaking or passing while such vehicles are engaged in maintenance, service or construction on a highway;

5. Oversized vehicle or load; however, such lights shall only be lighted when moving under permit issued by the Department under Section 15-301 of this Code [625 ILCS 5/15-301];

6. The front and rear of motorized equipment owned and operated by the State of Illinois or any political subdivision thereof, which is designed and used for removal of snow and ice from highways;

6.1. The front and rear of motorized equipment or vehicles that (i) are not owned by the State of Illinois or any political subdivision of the State, (ii) are designed and used for removal of snow and ice from highways and parking lots, and (iii) are equipped with a snow plow that is 12 feet in width; these lights may not be lighted except when the motorized equipment or vehicle is actually being used for those purposes on behalf of a unit of government;

7. Fleet safety vehicles registered in another state, furthermore, such lights shall not be lighted except as provided for in Section 12-212 of this Code [625 ILCS 5/12-212];

8. Such other vehicles as may be authorized by local authorities;

9. Law enforcement vehicles of State or local authorities when used in combination with red oscillating, rotating or flashing lights;

9.5. Propane delivery trucks;

10. Vehicles used for collecting or delivering mail for the United States Postal Service provided that such lights shall not be lighted except when such vehicles are actually being used for such purposes;

10.5. Vehicles of the Office of the Illinois State Fire Marshal, provided that such lights shall not be lighted except for when such vehicles are engaged in work for the Office of the Illinois State Fire Marshal;

11. Any vehicle displaying a slow-moving vehicle emblem as provided in Section 12-205.1 [625 ILCS 5/12-205.1];

12. All trucks equipped with self-compactors or roll-off hoists and roll-on containers for garbage, recycling, or refuse hauling. Such lights shall not be lighted except when such vehicles are actually being used for such purposes;

13. Vehicles used by a security company, alarm responder, control agency, or the Illinois Department of Corrections;

14. Security vehicles of the Department of Human Services; however, the lights shall not be lighted except when being used for security related purposes under the direction of the superintendent of the facility where the vehicle is located; and

15. Vehicles of union representatives, except that the lights shall be lighted only while the vehicle is within the limits of a construction project.

(c) The use of blue oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Rescue squad vehicles not owned by a fire department and vehicles owned or operated by a:
voluntary firefighter;
paid firefighter;
part-paid firefighter;
call firefighter;
member of the board of trustees of a fire protection district;
paid or unpaid member of a rescue squad;

paid or unpaid member of a voluntary ambulance unit; or
paid or unpaid members of a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, designated or authorized by local authorities, in writing, and carrying that designation or authorization in the vehicle.

However, such lights are not to be lighted except when responding to a bona fide emergency or when parked or stationary at the scene of a fire, rescue call, ambulance call, or motor vehicle accident.

Any person using these lights in accordance with this subdivision (c)1 must carry on his or her person an identification card or letter identifying the bona fide member of a fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency that owns or operates that vehicle. The card or letter must include:

(A) the name of the fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency;

(B) the member's position within the fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency;

(C) the member's term of service; and

(D) the name of a person within the fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency to contact to verify the information provided.

2. Police department vehicles in cities having a population of 500,000 or more inhabitants.

3. Law enforcement vehicles of State or local authorities when used in combination with red oscillating, rotating or flashing lights.

4. Vehicles of local fire departments and State or federal firefighting vehicles when used in combination with red oscillating, rotating or flashing lights.

5. Vehicles which are designed and used exclusively as ambulances or rescue vehicles when used in combination with red oscillating, rotating or flashing lights; furthermore, such lights shall not be lighted except when responding to an emergency call.

6. Vehicles that are equipped and used exclusively as organ transport vehicles when used in combination with red oscillating, rotating, or flashing lights; furthermore, these lights shall only be lighted when the transportation is declared an emergency by a member of the transplant team or a representative of the organ procurement organization.

7. Vehicles of the Illinois Emergency Management Agency, vehicles of the Office of the Illinois State Fire Marshal, vehicles of the Illinois Department of Public Health, vehicles of the Illinois Department of Corrections, and vehicles of the Illinois Department of Juvenile Justice, when used in combination with red oscillating, rotating, or flashing lights.

8. Vehicles operated by a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, when used in combination with red oscillating, rotating, or flashing lights.

9. Vehicles of the Illinois Department of Natural Resources that are used for mine rescue and explosives emergency response, when used in combination with red oscillating, rotating, or flashing lights.

(c-1) In addition to the blue oscillating, rotating, or flashing lights permitted under subsection (c), and notwithstanding subsection (a), a vehicle operated by a voluntary firefighter, a voluntary member of a rescue squad, or a member of a voluntary ambulance unit may be equipped with flashing white headlights and blue grill lights, which may be used only in responding to an emergency call or when parked or stationary at the scene of a fire, rescue call, ambulance call, or motor vehicle accident.

(c-2) In addition to the blue oscillating, rotating, or flashing lights permitted under subsection (c), and notwithstanding subsection (a), a vehicle operated by a paid or unpaid member of a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, may be equipped with white oscillating, rotating, or flashing lights to be used in combination with blue oscillating, rotating, or flashing lights, if authorization by local authorities is in writing and carried in the vehicle.

(d) The use of a combination of amber and white oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on second division vehicles designed and used for towing or hoisting vehicles or motor vehicles or equipment of the State of Illinois, local authorities, contractors, and union representatives; furthermore, such lights shall not be lighted on second division vehicles designed and used for towing or hoisting vehicles or vehicles of the State of Illinois, local authorities, and contractors except while such vehicles are engaged in a tow operation, highway maintenance, or construction operations within the limits of highway construction projects, and shall not be lighted on the vehicles of union representatives except when those vehicles are within the limits of a construction project.

(e) All oscillating, rotating or flashing lights referred to in this Section shall be of sufficient intensity, when illuminated, to be visible at 500 feet in normal sunlight.

(f) Nothing in this Section shall prohibit a manufacturer of oscillating, rotating or flashing lights or his representative or authorized vendor

from temporarily mounting such lights on a vehicle for demonstration purposes only. If the lights are not covered while the vehicle is operated upon a highway, the vehicle shall display signage indicating that the vehicle is out of service or not an emergency vehicle. The signage shall be displayed on all sides of the vehicle in letters at least 2 inches tall and one-half inch wide. A vehicle authorized to have oscillating, rotating, or flashing lights mounted for demonstration purposes may not activate the lights while the vehicle is operated upon a highway.

(g) Any person violating the provisions of subsections (a), (b), (c) or (d) of this Section who without lawful authority stops or detains or attempts to stop or detain another person shall be guilty of a Class 2 felony.

(h) Except as provided in subsection (g) above, any person violating the provisions of subsections (a) or (c) of this Section shall be guilty of a Class A misdemeanor.

625 ILCS 5/12-215 Oscillating, rotating or flashing lights on motor vehicles. [Effective January 1, 2023]

Except as otherwise provided in this Code:

(a) The use of red or white oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Law enforcement vehicles of State, Federal or local authorities;

2. A vehicle operated by a police officer or county coroner and designated or authorized by local authorities, in writing, as a law enforcement vehicle; however, such designation or authorization must be carried in the vehicle;

2.1. A vehicle operated by a fire chief, deputy fire chief, or assistant fire chief who has completed an emergency vehicle operation training course approved by the Office of the State Fire Marshal and designated or authorized by local authorities, fire departments, or fire protection districts, in writing, as a fire department, fire protection district, or township fire department vehicle; however, the designation or authorization must be carried in the vehicle, and the lights may be visible or activated only when responding to a bona fide emergency;

3. Vehicles of local fire departments and State or federal firefighting vehicles;

4. Vehicles which are designed and used exclusively as ambulances or rescue vehicles; furthermore, such lights shall not be lighted except when responding to an emergency call for and while actually conveying the sick or injured;

4.5. Vehicles which are occasionally used as rescue vehicles that have been authorized for use as rescue vehicles by a volunteer EMS provider, provided that the operator of the vehicle has successfully completed an emergency vehicle operation training course recognized by the Department of Public Health; furthermore, the lights shall not be lighted except when responding to an emergency call for the sick or injured;

5. Tow trucks licensed in a state that requires such lights; furthermore, such lights shall not be lighted on any such tow truck while the tow truck is operating in the State of Illinois;

6. Vehicles of the Illinois Emergency Management Agency, vehicles of the Office of the Illinois State Fire Marshal, vehicles of the Illinois Department of Public Health, vehicles of the Illinois Department of Corrections, and vehicles of the Illinois Department of Juvenile Justice;

7. Vehicles operated by a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act;

8. School buses operating alternately flashing head lamps as permitted under Section 12-805 of this Code [625 ILCS 5/12-805];

9. Vehicles that are equipped and used exclusively as organ transplant vehicles when used in combination with blue oscillating, rotating, or flashing lights; furthermore, these lights shall be lighted only when the transportation is declared an emergency by a member of the transplant team or a representative of the organ procurement organization;

10. Vehicles of the Illinois Department of Natural Resources that are used for mine rescue and explosives emergency response;

11. Vehicles of the Illinois Department of Transportation identified as Emergency Traffic Patrol; the lights shall not be lighted except when responding to an emergency call or when parked or stationary while engaged in motor vehicle assistance or at the scene of the emergency; and

12. Vehicles of the Illinois State Toll Highway Authority with a gross vehicle weight rating of 9,000 pounds or more and those identified as Highway Emergency Lane Patrol; the lights shall not be lighted except when responding to an emergency call or when parked or stationary while engaged in motor vehicle assistance or at the scene of the emergency.

(b) The use of amber oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Second division vehicles designed and used for towing or hoisting vehicles; furthermore,

such lights shall not be lighted except as required in this paragraph 1; such lights shall be lighted when such vehicles are actually being used at the scene of an accident or disablement; if the towing vehicle is equipped with a flat bed that supports all wheels of the vehicle being transported, the lights shall not be lighted while the vehicle is engaged in towing on a highway; if the towing vehicle is not equipped with a flat bed that supports all wheels of a vehicle being transported, the lights shall be lighted while the towing vehicle is engaged in towing on a highway during all times when the use of headlights is required under Section 12-201 of this Code [625 ILCS 5/12-201]; in addition, these vehicles may use white oscillating, rotating, or flashing lights in combination with amber oscillating, rotating, or flashing lights as provided in this paragraph;

2. Motor vehicles or equipment of the State of Illinois, the Illinois State Toll Highway Authority, local authorities and contractors; furthermore, such lights shall not be lighted except while such vehicles are engaged in maintenance or construction operations within the limits of construction projects;

3. Vehicles or equipment used by engineering or survey crews; furthermore, such lights shall not be lighted except while such vehicles are actually engaged in work on a highway;

4. Vehicles of public utilities, municipalities, or other construction, maintenance or automotive service vehicles except that such lights shall be lighted only as a means for indicating the presence of a vehicular traffic hazard requiring unusual care in approaching, overtaking or passing while such vehicles are engaged in maintenance, service or construction on a highway;

5. Oversized vehicle or load; however, such lights shall only be lighted when moving under permit issued by the Department under Section 15-301 of this Code [625 ILCS 5/15-301];

6. The front and rear of motorized equipment owned and operated by the State of Illinois or any political subdivision thereof, which is designed and used for removal of snow and ice from highways;

6.1. The front and rear of motorized equipment or vehicles that (i) are not owned by the State of Illinois or any political subdivision of the State, (ii) are designed and used for removal of snow and ice from highways and parking lots, and (iii) are equipped with a snow plow that is 12 feet in width; these lights may not be lighted except when the motorized equipment or vehicle is actually being used for those purposes on behalf of a unit of government;

7. Fleet safety vehicles registered in another state, furthermore, such lights shall not be lighted except as provided for in Section 12-212 of this Code [625 ILCS 5/12-212];

8. Such other vehicles as may be authorized by local authorities;

9. Law enforcement vehicles of State or local authorities when used in combination with red oscillating, rotating or flashing lights;

9.5. Propane delivery trucks;

10. Vehicles used for collecting or delivering mail for the United States Postal Service provided that such lights shall not be lighted except when such vehicles are actually being used for such purposes;

10.5. Vehicles of the Office of the Illinois State Fire Marshal, provided that such lights shall not be lighted except for when such vehicles are engaged in work for the Office of the Illinois State Fire Marshal;

11. Any vehicle displaying a slow-moving vehicle emblem as provided in Section 12-205.1 [625 ILCS 5/12-205.1];

12. All trucks equipped with self-compactors or roll-off hoists and roll-on containers for garbage, recycling, or refuse hauling. Such lights shall not be lighted except when such vehicles are actually being used for such purposes;

13. Vehicles used by a security company, alarm responder, control agency, or the Illinois Department of Corrections;

14. Security vehicles of the Department of Human Services; however, the lights shall not be lighted except when being used for security related purposes under the direction of the superintendent of the facility where the vehicle is located; and

15. Vehicles of union representatives, except that the lights shall be lighted only while the vehicle is within the limits of a construction project.

(c) The use of blue oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Rescue squad vehicles not owned by a fire department or fire protection district and vehicles owned or operated by a:
voluntary firefighter;
paid firefighter;
part-paid firefighter;
call firefighter;
member of the board of trustees of a fire protection district;
paid or unpaid member of a rescue squad;
paid or unpaid member of a voluntary ambulance unit; or
paid or unpaid members of a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, designated or authorized by local authorities, in writing, and carrying that designation or authorization in the vehicle.

However, such lights are not to be lighted except when responding to a bona fide emergency or when parked or stationary at the scene

of a fire, rescue call, ambulance call, or motor vehicle accident.

Any person using these lights in accordance with this subdivision (c)1 must carry on his or her person an identification card or letter identifying the bona fide member of a fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency that owns or operates that vehicle. The card or letter must include:

(A) the name of the fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency;

(B) the member's position within the fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency;

(C) the member's term of service; and

(D) the name of a person within the fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency to contact to verify the information provided.

2. Police department vehicles in cities having a population of 500,000 or more inhabitants.

3. Law enforcement vehicles of State or local authorities when used in combination with red oscillating, rotating or flashing lights.

4. Vehicles of local fire departments and State or federal firefighting vehicles when used in combination with red oscillating, rotating or flashing lights.

5. Vehicles which are designed and used exclusively as ambulances or rescue vehicles when used in combination with red oscillating, rotating or flashing lights; furthermore, such lights shall not be lighted except when responding to an emergency call.

6. Vehicles that are equipped and used exclusively as organ transport vehicles when used in combination with red oscillating, rotating, or flashing lights; furthermore, these lights shall only be lighted when the transportation is declared an emergency by a member of the transplant team or a representative of the organ procurement organization.

7. Vehicles of the Illinois Emergency Management Agency, vehicles of the Office of the Illinois State Fire Marshal, vehicles of the Illinois Department of Public Health, vehicles of the Illinois Department of Corrections, and vehicles of the Illinois Department of Juvenile Justice, when used in combination with red oscillating, rotating, or flashing lights.

8. Vehicles operated by a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, when used in combination with red oscillating, rotating, or flashing lights.

9. Vehicles of the Illinois Department of Natural Resources that are used for mine rescue and explosives emergency response, when used in combination with red oscillating, rotating, or flashing lights.

(c-1) In addition to the blue oscillating, rotating, or flashing lights permitted under subsection (c), and notwithstanding subsection (a), a vehicle operated by a voluntary firefighter, a voluntary member of a rescue squad, or a member of a voluntary ambulance unit may be equipped with flashing white headlights and blue grill lights, which may be used only in responding to an emergency call or when parked or stationary at the scene of a fire, rescue call, ambulance call, or motor vehicle accident.

(c-2) In addition to the blue oscillating, rotating, or flashing lights permitted under subsection (c), and notwithstanding subsection (a), a vehicle operated by a paid or unpaid member of a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, may be equipped with white oscillating, rotating, or flashing lights to be used in combination with blue oscillating, rotating, or flashing lights, if authorization by local authorities is in writing and carried in the vehicle.

(d) The use of a combination of amber and white oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on second division vehicles designed and used for towing or hoisting vehicles or motor vehicles or equipment of the State of Illinois, local authorities, contractors, and union representatives; furthermore, such lights shall not be lighted on second division vehicles designed and used for towing or hoisting vehicles or vehicles of the State of Illinois, local authorities, and contractors except while such vehicles are engaged in a tow operation, highway maintenance, or construction operations within the limits of highway construction projects, and shall not be lighted on the vehicles of union representatives except when those vehicles are within the limits of a construction project.

(e) All oscillating, rotating or flashing lights referred to in this Section shall be of sufficient intensity, when illuminated, to be visible at 500 feet in normal sunlight.

(f) Nothing in this Section shall prohibit a manufacturer of oscillating, rotating or flashing lights or his representative or authorized vendor from temporarily mounting such lights on a vehicle for demonstration purposes only. If the lights are not covered while the vehicle is operated upon a highway, the vehicle shall display signage indicating that the vehicle is out of service or not an emergency vehicle. The signage shall be displayed on all sides of the vehicle in letters at least 2 inches tall and one-half inch wide. A vehicle authorized to have oscillating, rotating, or flashing lights mounted for demonstration purposes may not activate the lights while the vehicle is operated upon a highway.

(g) Any person violating the provisions of subsections (a), (b), (c) or (d) of this Section who without lawful authority stops or detains or attempts to stop or detain another person shall be guilty of a Class 2 felony.

(h) Except as provided in subsection (g) above, any person violating the provisions of subsections (a) or (c) of this Section shall be guilty of a Class A misdemeanor.

625 ILCS 5/12-215 Oscillating, rotating or flashing lights on motor vehicles. [Effective July 1, 2023]

Except as otherwise provided in this Code:

(a) The use of red or white oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Law enforcement vehicles of State, Federal or local authorities;

2. A vehicle operated by a police officer or county coroner and designated or authorized by local authorities, in writing, as a law enforcement vehicle; however, such designation or authorization must be carried in the vehicle;

2.1. A vehicle operated by a fire chief, deputy fire chief, or assistant fire chief who has completed an emergency vehicle operation training course approved by the Office of the State Fire Marshal and designated or authorized by local authorities, in writing, as a fire department, fire protection district, or township fire department vehicle; however, the designation or authorization must be carried in the vehicle, and the lights may be visible or activated only when responding to a bona fide emergency;

3. Vehicles of local fire departments and State or federal firefighting vehicles;

4. Vehicles which are designed and used exclusively as ambulances or rescue vehicles; furthermore, such lights shall not be lighted except when responding to an emergency call for and while actually conveying the sick or injured;

4.5. Vehicles which are occasionally used as rescue vehicles that have been authorized for use as rescue vehicles by a volunteer EMS provider, provided that the operator of the vehicle has successfully completed an emergency vehicle operation training course recognized by the Department of Public Health; furthermore, the lights shall not be lighted except when responding to an emergency call for the sick or injured;

5. Tow trucks licensed in a state that requires such lights; furthermore, such lights shall not be lighted on any such tow truck while the tow truck is operating in the State of Illinois;

6. Vehicles of the Illinois Emergency Management Agency, vehicles of the Office of the Illinois State Fire Marshal, vehicles of the Illinois Department of Public Health, vehicles of the Illinois Department of Corrections, and vehicles of the Illinois Department of Juvenile Justice;

7. Vehicles operated by a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act [20 ILCS 3305/1 et. seq.];

8. School buses operating alternately flashing head lamps as permitted under Section 12-805 of this Code [625 ILCS 5/12-805];

9. Vehicles that are equipped and used exclusively as organ transplant vehicles when used in combination with blue oscillating, rotating, or flashing lights; furthermore, these lights shall be lighted only when the transportation is declared an emergency by a member of the transplant team or a representative of the organ procurement organization;

10. Vehicles of the Illinois Department of Natural Resources that are used for mine rescue and explosives emergency response;

11. Vehicles of the Illinois Department of Transportation identified as Emergency Traffic Patrol; the lights shall not be lighted except when responding to an emergency call or when parked or stationary while engaged in motor vehicle assistance or at the scene of the emergency; and

12. Vehicles of the Illinois State Toll Highway Authority with a gross vehicle weight rating of 9,000 pounds or more and those identified as Highway Emergency Lane Patrol; the lights shall not be lighted except when responding to an emergency call or when parked or stationary while engaged in motor vehicle assistance or at the scene of the emergency.

(b) The use of amber oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Second division vehicles designed and used for towing or hoisting vehicles; furthermore, such lights shall not be lighted except as required in this paragraph 1; such lights shall be lighted when such vehicles are actually being used at the scene of a crash or disablement; if the towing vehicle is equipped with a flat bed that supports all wheels of the vehicle being transported, the lights shall not be lighted while the vehicle is engaged in towing on a highway; if the towing vehicle is not equipped with a flat bed that supports all wheels of a vehicle being transported, the lights shall be lighted while the

towing vehicle is engaged in towing on a highway during all times when the use of headlights is required under Section 12-201 of this Code [625 ILCS 5/12-201]; in addition, these vehicles may use white oscillating, rotating, or flashing lights in combination with amber oscillating, rotating, or flashing lights as provided in this paragraph;

2. Motor vehicles or equipment of the State of Illinois, the Illinois State Toll Highway Authority, local authorities and contractors; furthermore, such lights shall not be lighted except while such vehicles are engaged in maintenance or construction operations within the limits of construction projects;

3. Vehicles or equipment used by engineering or survey crews; furthermore, such lights shall not be lighted except while such vehicles are actually engaged in work on a highway;

4. Vehicles of public utilities, municipalities, or other construction, maintenance or automotive service vehicles except that such lights shall be lighted only as a means for indicating the presence of a vehicular traffic hazard requiring unusual care in approaching, overtaking or passing while such vehicles are engaged in maintenance, service or construction on a highway;

5. Oversized vehicle or load; however, such lights shall only be lighted when moving under permit issued by the Department under Section 15-301 of this Code [625 ILCS 5/15-301];

6. The front and rear of motorized equipment owned and operated by the State of Illinois or any political subdivision thereof, which is designed and used for removal of snow and ice from highways;

6.1. The front and rear of motorized equipment or vehicles that (i) are not owned by the State of Illinois or any political subdivision of the State, (ii) are designed and used for removal of snow and ice from highways and parking lots, and (iii) are equipped with a snow plow that is 12 feet in width; these lights may not be lighted except when the motorized equipment or vehicle is actually being used for those purposes on behalf of a unit of government;

7. Fleet safety vehicles registered in another state, furthermore, such lights shall not be lighted except as provided for in Section 12-212 of this Code [625 ILCS 5/12-212];

8. Such other vehicles as may be authorized by local authorities;

9. Law enforcement vehicles of State or local authorities when used in combination with red oscillating, rotating or flashing lights;

9.5. Propane delivery trucks;

10. Vehicles used for collecting or delivering mail for the United States Postal Service provided that such lights shall not be lighted except when such vehicles are actually being used for such purposes;

10.5. Vehicles of the Office of the Illinois State Fire Marshal, provided that such lights shall not be lighted except for when such vehicles are engaged in work for the Office of the Illinois State Fire Marshal;

11. Any vehicle displaying a slow-moving vehicle emblem as provided in Section 12-205.1 [625 ILCS 5/12-205.1];

12. All trucks equipped with self-compactors or roll-off hoists and roll-on containers for garbage, recycling, or refuse hauling. Such lights shall not be lighted except when such vehicles are actually being used for such purposes;

13. Vehicles used by a security company, alarm responder, control agency, or the Illinois Department of Corrections;

14. Security vehicles of the Department of Human Services; however, the lights shall not be lighted except when being used for security related purposes under the direction of the superintendent of the facility where the vehicle is located; and

15. Vehicles of union representatives, except that the lights shall be lighted only while the vehicle is within the limits of a construction project.

(c) The use of blue oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on:

1. Rescue squad vehicles not owned by a fire department and vehicles owned or operated by a:
voluntary firefighter;
paid firefighter;
part-paid firefighter;
call firefighter;
member of the board of trustees of a fire protection district;
paid or unpaid member of a rescue squad;
paid or unpaid member of a voluntary ambulance unit; or
paid or unpaid members of a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, designated or authorized by local authorities, in writing, and carrying that designation or authorization in the vehicle.

However, such lights are not to be lighted except when responding to a bona fide emergency or when parked or stationary at the scene of a fire, rescue call, ambulance call, or motor vehicle crash.

Any person using these lights in accordance with this subdivision (c)1 must carry on his or her person an identification card or letter identifying the bona fide member of a fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency that owns or operates that vehicle. The card or letter must include:

(A) the name of the fire department, fire protection district, rescue squad, ambulance

unit, or emergency management services agency;

(B) the member's position within the fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency;

(C) the member's term of service; and

(D) the name of a person within the fire department, fire protection district, rescue squad, ambulance unit, or emergency management services agency to contact to verify the information provided.

2. Police department vehicles in cities having a population of 500,000 or more inhabitants.

3. Law enforcement vehicles of State or local authorities when used in combination with red oscillating, rotating or flashing lights.

4. Vehicles of local fire departments and State or federal firefighting vehicles when used in combination with red oscillating, rotating or flashing lights.

5. Vehicles which are designed and used exclusively as ambulances or rescue vehicles when used in combination with red oscillating, rotating or flashing lights; furthermore, such lights shall not be lighted except when responding to an emergency call.

6. Vehicles that are equipped and used exclusively as organ transport vehicles when used in combination with red oscillating, rotating, or flashing lights; furthermore, these lights shall only be lighted when the transportation is declared an emergency by a member of the transplant team or a representative of the organ procurement organization.

7. Vehicles of the Illinois Emergency Management Agency, vehicles of the Office of the Illinois State Fire Marshal, vehicles of the Illinois Department of Public Health, vehicles of the Illinois Department of Corrections, and vehicles of the Illinois Department of Juvenile Justice, when used in combination with red oscillating, rotating, or flashing lights.

8. Vehicles operated by a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, when used in combination with red oscillating, rotating, or flashing lights.

9. Vehicles of the Illinois Department of Natural Resources that are used for mine rescue and explosives emergency response, when used in combination with red oscillating, rotating, or flashing lights.

(c-1) In addition to the blue oscillating, rotating, or flashing lights permitted under subsection (c), and notwithstanding subsection (a), a vehicle operated by a voluntary firefighter, a voluntary member of a rescue squad, or a member of a voluntary ambulance unit may be equipped with flashing white headlights and blue grill lights, which may be used only in responding to an emergency call or when parked or stationary at the scene of a fire, rescue call, ambulance call, or motor vehicle crash.

(c-2) In addition to the blue oscillating, rotating, or flashing lights permitted under subsection (c), and notwithstanding subsection (a), a vehicle operated by a paid or unpaid member of a local or county emergency management services agency as defined in the Illinois Emergency Management Agency Act, may be equipped with white oscillating, rotating, or flashing lights to be used in combination with blue oscillating, rotating, or flashing lights, if authorization by local authorities is in writing and carried in the vehicle.

(d) The use of a combination of amber and white oscillating, rotating or flashing lights, whether lighted or unlighted, is prohibited except on second division vehicles designed and used for towing or hoisting vehicles or motor vehicles or equipment of the State of Illinois, local authorities, contractors, and union representatives; furthermore, such lights shall not be lighted on second division vehicles designed and used for towing or hoisting vehicles or vehicles of the State of Illinois, local authorities, and contractors except while such vehicles are engaged in a tow operation, highway maintenance, or construction operations within the limits of highway construction projects, and shall not be lighted on the vehicles of union representatives except when those vehicles are within the limits of a construction project.

(e) All oscillating, rotating or flashing lights referred to in this Section shall be of sufficient intensity, when illuminated, to be visible at 500 feet in normal sunlight.

(f) Nothing in this Section shall prohibit a manufacturer of oscillating, rotating or flashing lights or his representative or authorized vendor from temporarily mounting such lights on a vehicle for demonstration purposes only. If the lights are not covered while the vehicle is operated upon a highway, the vehicle shall display signage indicating that the vehicle is out of service or not an emergency vehicle. The signage shall be displayed on all sides of the vehicle in letters at least 2 inches tall and one-half inch wide. A vehicle authorized to have oscillating, rotating, or flashing lights mounted for demonstration purposes may not activate the lights while the vehicle is operated upon a highway.

(g) Any person violating the provisions of subsections (a), (b), (c) or (d) of this Section who without lawful authority stops or detains or attempts to stop or detain another person shall be guilty of a Class 2 felony.

(h) Except as provided in subsection (g) above, any person violating the provisions of subsections (a) or (c) of this Section shall be guilty of a Class A misdemeanor.

ARTICLE VI.

MISCELLANEOUS REQUIREMENTS

625 ILCS 5/12-601.1 Traffic control signal preemption devices. [Effective until January 1, 2023]

(a) As used in this Section, "traffic control signal preemption device" means any device, either mechanical or electrical, that emits a pulse of light or other signal that, when received by a detector attached to a traffic control signal, changes that traffic control signal to a green light or, if the traffic control signal is already green, extends the duration of the green light.

(b) Except as provided in subsection (d), a traffic control signal preemption device may not be installed on a motor vehicle, may not be transported in the passenger compartment of a motor vehicle, and may not be operated by the driver or passenger of a motor vehicle.

Violation of this subsection (b) is a Class A misdemeanor, punishable by a fine of $1,000 in addition to any other penalty that may be imposed.

(c) A retailer or manufacturer may not sell a traffic control signal preemption device to any person or entity for any intended use other than operation as permitted under subsection (d).

Violation of this subsection (c) is a Class A misdemeanor, punishable by a fine of $5,000 for each sale of each device, in addition to any other penalty that may be imposed.

(d) Installation of a traffic control signal preemption device is permitted on the following vehicles, and operation of the device is permitted as follows:

(1) Police department vehicles, when responding to a bona fide emergency, when used in combination with red or blue oscillating, rotating, or flashing lights.

(2) Law enforcement vehicles of State or local authorities, when responding to a bona fide emergency, when used in combination with red oscillating, rotating, or flashing lights.

(3) Vehicles of local fire departments and State or federal firefighting vehicles, when responding to a bona fide emergency, when used in combination with red oscillating, rotating, or flashing lights.

(4) Vehicles that are designed and used exclusively as ambulances or rescue vehicles, when responding to a bona fide emergency, when used in combination with red oscillating, rotating, or flashing lights.

(5) Vehicles that are equipped and used exclusively as organ transport vehicles, when the transportation is declared an emergency by a member of the transplant team or a representative of the organ procurement organization, when used in combination with red oscillating, rotating, or flashing lights.

(6) Vehicles of the Illinois Emergency Management Agency and vehicles of the Department of Nuclear Safety, when responding to a bona fide emergency, when used in combination with red oscillating, rotating, or flashing lights.

(7) Commuter buses owned by any political subdivision of this State, operated either by the political subdivision or its lessee or agent, and offering short-haul for-hire regularly scheduled passenger transportation service, over regular routes with fixed schedules, within metropolitan and suburban areas, when used to extend the duration of an already green light to meet schedules.

(8) Vehicles used for snow removal owned by any political subdivision of this State, operated either by the political subdivision or its lessee or agent, when used during a snow emergency in combination with yellow or amber oscillating, rotating, or flashing lights, when used to extend the duration of an already green light.

(e) This Section does not prohibit use by motorcycles of electronic or magnetic safety devices designed to allow traffic control signal systems to recognize or detect motorcycles.

HISTORY:
P.A. 93-80, § 5.

625 ILCS 5/12-601.1 Traffic control signal preemption devices. [Effective January 1, 2023]

(a) As used in this Section, "traffic control signal preemption device" means any device, either mechanical or electrical, that emits a pulse of light or other signal that, when received by a detector attached to a traffic control signal, changes that traffic control signal to a green light or, if the traffic control signal is already green, extends the duration of the green light.

(b) Except as provided in subsection (d), a traffic control signal preemption device may not be installed on a motor vehicle, may not be transported in the passenger compartment of a motor vehicle, and may not be operated by the driver or passenger of a motor vehicle.

Violation of this subsection (b) is a Class A misdemeanor, punishable by a fine of $1,000 in addition to any other penalty that may be imposed.

(c) A retailer or manufacturer may not sell a traffic control signal preemption device to any person or entity for any intended use other than operation as permitted under subsection (d).

Violation of this subsection (c) is a Class A misdemeanor, punishable by a fine of $5,000 for each sale of each device, in addition to any other penalty that may be imposed.

(d) Installation of a traffic control signal preemption device is permitted on the following vehicles, and operation of the device is permitted as follows:

(1) Police department vehicles, when responding to a bona fide emergency, when used in combination with red or blue oscillating, rotating, or flashing lights.

(2) Law enforcement vehicles of State or local authorities, when responding to a bona fide emergency, when used in combination with red oscillating, rotating, or flashing lights.

(3) Vehicles of local fire departments, fire protection districts, and State or federal firefighting vehicles, when responding to a bona fide emergency, when used in combination with red oscillating, rotating, or flashing lights.

(4) Vehicles that are designed and used exclusively as ambulances or rescue vehicles, when responding to a bona fide emergency, when used in combination with red oscillating, rotating, or flashing lights.

(5) Vehicles that are equipped and used exclusively as organ transport vehicles, when the transportation is declared an emergency by a member of the transplant team or a representative of the organ procurement organization, when used in combination with red oscillating, rotating, or flashing lights.

(6) Vehicles of the Illinois Emergency Management Agency and vehicles of the Department of Nuclear Safety, when responding to a bona fide emergency, when used in combination with red oscillating, rotating, or flashing lights.

(7) Commuter buses owned by any political subdivision of this State, operated either by the political subdivision or its lessee or agent, and offering short-haul for-hire regularly scheduled passenger transportation service, over regular routes with fixed schedules, within metropolitan and suburban areas, when used to extend the duration of an already green light to meet schedules.

(8) Vehicles used for snow removal owned by any political subdivision of this State, operated either by the political subdivision or its lessee or agent, when used during a snow emergency in combination with yellow or amber oscillating, rotating, or flashing lights, when used to extend the duration of an already green light.

(e) This Section does not prohibit use by motorcycles of electronic or magnetic safety devices designed to allow traffic control signal systems to recognize or detect motorcycles.

HISTORY:

P.A. 93-80, § 5; 2022 P.A. 102-842, § 5, effective January 1, 2023.

625 ILCS 5/12-601.2 Traffic control signal preemption devices; ambulances. [Repealed]

HISTORY:

P.A. 94-373, § 10; repealed by P.A. 99-576, § 5-90, effective July 15, 2016.

625 ILCS 5/12-602.1 Excessive engine braking noise signs.

(a) A county or municipality may post signs that prohibit the driver of a commercial vehicle, as defined in Section 1-111.8 of this Code [625 ILCS 5/1-111.8], from operating or actuating any engine braking system that emits excessive noise. The Department of Transportation may erect and maintain the signs on interstate highways near weigh stations that are adjacent to residential areas or communities.

(b) The sign shall state, "EXCESSIVE ENGINE BRAKING NOISE PROHIBITED". The Department of Transportation shall adopt rules providing for the erection and placement of these signs.

(c) This Section does not apply to the use of an engine braking system that has an adequate sound muffling system in proper working order that prevents excessive noise.

(d) It is a defense to this Section that the driver used an engine braking system that emits excessive noise in an emergency to avoid a collision with a person or another vehicle on the highway.

(e) A violation of this Section is an equipment violation punishable by a fine of $75.

HISTORY:

P.A. 94-756, § 5; 96-523, § 5.

625 ILCS 5/12-610.2 Electronic communication devices. [Effective until July 1, 2023]

(a) As used in this Section:

"Electronic communication device" means an electronic device, including, but not limited to, a handheld wireless telephone, hand-held personal digital assistant, or a portable or mobile computer, but does not include a global positioning system or navigation system or a device that is physically or electronically integrated into the motor vehicle.

(b) A person may not operate a motor vehicle on a roadway while using an electronic communication device, including using an electronic communication device to watch or stream video.

(b-5) A person commits aggravated use of an electronic communication device when he or she violates subsection (b) and in committing the violation he or she is involved in a motor vehicle accident that results in great bodily harm, permanent disability, disfigurement, or death to another and the violation is a proximate cause of the injury or death.

(c) A violation of this Section is an offense against traffic regulations governing the movement of vehicles. A person who violates this Section shall be fined a maximum of $75 for a first offense, $100 for a second offense, $125 for a third offense, and $150 for a fourth or subsequent offense, except that a person who violates subsection (b-5) shall be assessed a minimum fine of $1,000.

(d) This Section does not apply to:

(1) a law enforcement officer or operator of an emergency vehicle while performing his or her official duties;

(1.5) a first responder, including a volunteer first responder, while operating his or her own personal motor vehicle using an electronic communication device for the sole purpose of receiving information about an emergency situation while en route to performing his or her official duties;

(2) a driver using an electronic communication device for the sole purpose of reporting an emergency situation and continued communication with emergency personnel during the emergency situation;

(3) a driver using an electronic communication device in hands-free or voice-operated mode, which may include the use of a headset;

(4) a driver of a commercial motor vehicle reading a message displayed on a permanently installed communication device designed for a commercial motor vehicle with a screen that does not exceed 10 inches tall by 10 inches wide in size;

(5) a driver using an electronic communication device while parked on the shoulder of a roadway;

(6) a driver using an electronic communication device when the vehicle is stopped due to normal traffic being obstructed and the driver has the motor vehicle transmission in neutral or park;

(7) a driver using two-way or citizens band radio services;

(8) a driver using two-way mobile radio transmitters or receivers for licensees of the Federal Communications Commission in the amateur radio service;

(9) a driver using an electronic communication device by pressing a single button to initiate or terminate a voice communication; or

(10) a driver using an electronic communication device capable of performing multiple functions, other than a hand-held wireless telephone or hand-held personal digital assistant (for example, a fleet management system, dispatching device, citizens band radio, or music player) for a purpose that is not otherwise prohibited by this Section.

(e) A person convicted of violating subsection (b-5) commits a Class A misdemeanor if the violation resulted in great bodily harm, permanent disability, or disfigurement to another. A person convicted of violating subsection (b-5) commits a Class 4 felony if the violation resulted in the death of another person.

HISTORY:

P.A. 96-130, § 5; 96-1000, § 575; 97-828, § 5; 98-507, § 5; 98-756, § 675; 2018 P.A. 100-727, § 5, effective August 3, 2018; 2018 P.A. 100-858, § 5, effective July 1, 2019; 2019 P.A. 101-81, § 670, effective July 12, 2019; 2019 P.A. 101-90, § 5, effective July 1, 2020; 2019 P.A. 101-297, § 5, effective January 1, 2020; 2021 P.A. 102-558, § 695, effective August 20, 2021.

625 ILCS 5/12-610.2 Electronic communication devices. [Effective July 1, 2023]

(a) As used in this Section:

"Electronic communication device" means an electronic device, including, but not limited to, a hand-held wireless telephone, hand-held personal digital assistant, or a portable or mobile computer, but does not include a global positioning system or navigation system or a device that is physically or electronically integrated into the motor vehicle.

(b) A person may not operate a motor vehicle on a roadway while using an electronic communication device, including using an electronic communication device to watch or stream video.

(b-5) A person commits aggravated use of an electronic communication device when he or she violates subsection (b) and in committing the violation he or she is involved in a motor vehicle crash that results in great bodily harm, permanent disability, disfigurement, or death to another and the violation is a proximate cause of the injury or death.

(c) A violation of this Section is an offense against traffic regulations governing the movement of vehicles. A person who violates this Section shall be fined a maximum of $75 for a first offense, $100 for a second offense, $125 for a third offense, and $150 for a fourth or subsequent offense, except that a person who violates subsection (b-5) shall be assessed a minimum fine of $1,000.

(d) This Section does not apply to:

(1) a law enforcement officer or operator of an emergency vehicle while performing his or her official duties;

(1.5) a first responder, including a volunteer first responder, while operating his or her own personal motor vehicle using an electronic communication device for the sole purpose of receiving information about an emergency situation while en route to performing his or her official duties;

(2) a driver using an electronic communication device for the sole purpose of reporting an emergency situation and continued communication with emergency personnel during the emergency situation;

(3) a driver using an electronic communication device in hands-free or voice-operated mode, which may include the use of a headset;

(4) a driver of a commercial motor vehicle reading a message displayed on a permanently installed communication device designed for a commercial motor vehicle with a screen that does not exceed 10 inches tall by 10 inches wide in size;

(5) a driver using an electronic communication device while parked on the shoulder of a roadway;

(6) a driver using an electronic communication device when the vehicle is stopped due to normal

traffic being obstructed and the driver has the motor vehicle transmission in neutral or park;

(7) a driver using two-way or citizens band radio services;

(8) a driver using two-way mobile radio transmitters or receivers for licensees of the Federal Communications Commission in the amateur radio service;

(9) a driver using an electronic communication device by pressing a single button to initiate or terminate a voice communication; or

(10) a driver using an electronic communication device capable of performing multiple functions, other than a hand-held wireless telephone or hand-held personal digital assistant (for example, a fleet management system, dispatching device, citizens band radio, or music player) for a purpose that is not otherwise prohibited by this Section.

(e) A person convicted of violating subsection (b-5) commits a Class A misdemeanor if the violation resulted in great bodily harm, permanent disability, or disfigurement to another. A person convicted of violating subsection (b-5) commits a Class 4 felony if the violation resulted in the death of another person.

ARTICLE VII.

SPECIAL REQUIREMENTS FOR VEHICLES OF THE SECOND DIVISION

625 ILCS 5/12-705.1 Required use of biodiesel by certain vehicles.

(a) Beginning July 1, 2006, any diesel powered vehicle owned or operated by this State, any county or unit of local government, any school district, any community college or public college or university, or any mass transit agency must, when refueling at a bulk central fueling facility, use a biodiesel blend that contains 5% biodiesel, as those terms are defined in the Illinois Renewable Fuels Development Program Act [20 ILCS 689/1 et seq.], where available, unless the engine is designed or retrofitted to operate on a higher percentage of biodiesel or on ultra low sulfur fuel.

(b) Nothing in this Section prohibits any unit of government from using a biodiesel blend containing more than 2% biodiesel.

(c) As used in this Section, a "bulk central fueling facility" means a non-commercial fueling facility whose primary purpose is the fueling of vehicles owned or operated by the State, a county or unit of local government, a school district, a community college or public college or university, or a mass transit agency.

(d) The Secretary of Transportation shall adopt rules for implementing this Section.

HISTORY:

P.A. 94-346, § 5; 96-281, § 5.

625 ILCS 5/12-709 Slow-moving vehicle emblem.

(a) Every animal drawn vehicle, farm tractor, implement of husbandry and special mobile equipment, when operated on a highway must display a slow-moving vehicle emblem mounted on the rear except as provided in paragraph (b) of this Section. Special mobile equipment is exempt when operated within the limits of a construction or maintenance project where traffic control devices are used in compliance with the applicable provisions of the manual and specifications adopted under Section 11-301 of the "Illinois Vehicle Code" [625 ILCS 5/11-301].

(b) Every vehicle or unit described in paragraph (a) of this Section when operated in combination on a highway must display a slow-moving vehicle emblem as follows:

1. Where the towed unit or any load thereon partially or totally obscures the slow-moving vehicle emblem on the towing unit, the towed unit shall be equipped with a slow-moving vehicle emblem. In such cases the towing unit need not display the emblem.

2. Where the slow-moving vehicle emblem on the towing unit is not obscured by the towed unit or its load, then either or both may be equipped with the required emblem but it shall be sufficient if either displays it.

3. A registered truck towed behind a farm tractor in conformity with the provisions of Section 11-1418 of the "Illinois Vehicle Code" [625 ILCS 5/11-1418] must display a slow-moving vehicle emblem in the manner provided in paragraph (c) while being towed on a highway if the emblem on the towing vehicle is partially or totally obscured.

(c) The slow-moving vehicle emblem required by paragraphs (a) and (b) of this Section must meet or exceed the specifications and mounting requirements established by the Department. Such specifications and mounting requirements shall, on and before August 31, 2004, be based on the specifications adopted by the American Society of Agricultural Engineers and published by that body as ASAE S 276.2 dated March, 1968 or as ASAE S 276.5. On and after September 1, 2004, the specifications and mounting requirements shall be based on the specifications adopted by the American Society of Agricultural Engineers and published by that body as ASAE S 276.5 NOV 97. No advertising or other marking shall appear upon the emblem except that specified by the American Society of Agricultural Engineers to

identify the standard to which the material complies. Each original package containing a slow-moving vehicle emblem shall display a notice on the outside of the package stating that such emblem shall only be used for the purposes stated in subsections (a) and (b).

(d) A slow-moving vehicle emblem is intended as a safety identification device and shall not be displayed on any vehicle nor displayed in any manner other than as described in paragraphs (a), (b) and (c) of this Section. A slow-moving vehicle emblem may not be displayed in public view from a highway on an object other than a vehicle or unit described in subsection (a) of this Section or a vehicle required to display a slow-moving vehicle emblem under subsection (e) of Section 11-1426.1 of this Code [625 ILCS 5/11-1426.1]. A violation of this subsection (d) is a petty offense punishable by a fine of $75.

HISTORY:
P.A. 86-1259; 91-505, § 5; 92-72, § 5; 97-958, § 5.

625 ILCS 5/12-712 Construction equipment to display company name.

(a) Construction equipment that is capable of being self propelled or any construction equipment capable of being towed shall display on the side of the equipment the name of the company for which it is employed. The name shall be in letters at least 2 inches tall and one-half inch wide. This Section shall not apply to any motor vehicle upon which is affixed the insignia required under Section 18c-4701 of the Illinois Commercial Transportation Law [625 ILCS 5/18c-4701].

(b) Any person convicted of violating this Section shall be guilty of a petty offense and subject to a fine not to exceed $100.

HISTORY:
P.A. 87-1160, § 1; 88-45, § 2-54.

625 ILCS 5/12-713 Commercial trucks used by construction contractors or subcontractors to display company name.

(a) Every second division vehicle operating commercially in this State that is used by a construction contractor or subcontractor shall display on the side of the vehicle or its trailer the name of the company for which it is employed. The name shall be in letters at least 2 inches tall and one-half inch wide. This Section shall not apply to any motor vehicle upon which is affixed the insignia required under Section 18c-4701 of the Illinois Commercial Transportation Law [625 ILCS 5/18c-4701].

(b) Any person convicted of violating this Section shall be guilty of a petty offense and subject to a fine of not less than $500.

HISTORY:
P.A. 87-1160, § 1; 88-45, § 2-54; 96-1179, § 5.

CHAPTER 15.

SIZE, WEIGHT, LOAD AND PERMITS

Article I. Size, Weight and Load

Article III. Permits

ARTICLE I.

SIZE, WEIGHT AND LOAD

625 ILCS 5/15-100 Definitions. [Repealed]

HISTORY:
P.A. 83-1473; 87-1203, § 1; repealed by P.A. 90-89, § 20, effective January 1, 1998.

625 ILCS 5/15-101 Scope and effect of Chapter 15.

(a) It is unlawful for any person to drive or move on, upon or across or for the owner to cause or knowingly permit to be driven or moved on, upon or across any highway any vehicle or vehicles of a size and weight exceeding the limitations stated in this Chapter or otherwise in violation of this Chapter, and the maximum size and weight of vehicles herein

specified shall be lawful throughout this State, and local authorities shall have no power or authority to alter such limitations except as express authority may be granted in this Chapter.

(b) The provisions of this Chapter governing size, weight, and load do not apply to equipment for snow and ice removal operations owned or operated by any governmental body, or to implements of husbandry, as defined in Chapter 1 of this Code, temporarily operated or towed in a combination upon a highway provided such combination does not consist of more than 3 vehicles or, in the case of hauling fresh, perishable fruits or vegetables from farm to the point of first processing, not more than 3 wagons being towed by an implement of husbandry, or to a vehicle operated under the terms of a special permit issued hereunder. Except for weight limits on Class I highways under this Chapter, the provisions of this Chapter governing size, weight, and load do not apply to fire apparatus or emergency vehicles.

(c) The provisions of this Chapter governing size, weight, and load do not apply to any snow and ice removal equipment that is no more than 12 feet in width, if the equipment displays flags at least 18 inches square mounted on the driver's side of the snow plow.

These vehicles must be equipped with an illuminated rotating, oscillating, or flashing amber light or lights, or a flashing amber strobe light or lights, mounted on the top of the cab and of sufficient intensity to be visible at 500 feet in normal sunlight. If the load on the transport vehicle blocks the visibility of the amber lighting from the rear of the vehicle, the vehicle must also be equipped with an illuminated rotating, oscillating, or flashing amber light or lights, or a flashing amber strobe light or lights, mounted on the rear of the load and of sufficient intensity to be visible at 500 feet in normal sunlight.

HISTORY:

P.A. 83-831; 92-417, § 5; 94-270, § 5; 99-717, § 5; 2017 P.A. 100-366, § 5, effective January 1, 2018.

625 ILCS 5/15-102 Width of vehicles.

(a) On Class III and non-designated State and local highways, the total outside width of any vehicle or load thereon shall not exceed 8 feet 6 inches.

(b) Except during those times when, due to insufficient light or unfavorable atmospheric conditions, persons and vehicles on the highway are not clearly discernible at a distance of 1000 feet, the following vehicles may exceed the 8 feet 6 inch limitation during the period from a half hour before sunrise to a half hour after sunset:

(1) Loads of hay, straw or other similar farm products provided that the load is not more than 12 feet wide.

(2) Implements of husbandry being transported on another vehicle and the transporting vehicle while loaded.

The following requirements apply to the transportation on another vehicle of an implement of husbandry wider than 8 feet 6 inches on the National System of Interstate and Defense Highways or other highways in the system of State highways:

(A) The driver of a vehicle transporting an implement of husbandry that exceeds 8 feet 6 inches in width shall obey all traffic laws and shall check the roadways prior to making a movement in order to ensure that adequate clearance is available for the movement. It is prima facie evidence that the driver of a vehicle transporting an implement of husbandry has failed to check the roadway prior to making a movement if the vehicle is involved in a collision with a bridge, overpass, fixed structure, or properly placed traffic control device or if the vehicle blocks traffic due to its inability to proceed because of a bridge, overpass, fixed structure, or properly placed traffic control device.

(B) Flags shall be displayed so as to wave freely at the extremities of overwidth objects and at the extreme ends of all protrusions, projections, and overhangs. All flags shall be clean, bright red flags with no advertising, wording, emblem, or insignia inscribed upon them and at least 18 inches square.

(C) "OVERSIZE LOAD" signs are mandatory on the front and rear of all vehicles with loads over 10 feet wide. These signs must have 12-inch high black letters with a 2-inch stroke on a yellow sign that is 7 feet wide by 18 inches high.

(D) One civilian escort vehicle is required for a load that exceeds 14 feet 6 inches in width and 2 civilian escort vehicles are required for a load that exceeds 16 feet in width on the National System of Interstate and Defense Highways or other highways in the system of State highways.

(E) The requirements for a civilian escort vehicle and driver are as follows:

(1) The civilian escort vehicle shall be a vehicle not exceeding a gross vehicle weight rating of 26,000 pounds that is designed to afford clear and unobstructed vision to both front and rear.

(2) The escort vehicle driver must be properly licensed to operate the vehicle.

(3) While in use, the escort vehicle must be equipped with illuminated rotating, oscillating, or flashing amber lights or flashing amber strobe lights mounted on top that are of sufficient intensity to be visible at 500 feet in normal sunlight.

(4) "OVERSIZE LOAD" signs are mandatory on all escort vehicles. The sign on an escort vehicle shall have 8-inch high black letters on a yellow sign that is 5 feet wide by 12 inches high.

(5) When only one escort vehicle is required and it is operating on a two-lane highway, the

escort vehicle shall travel approximately 300 feet ahead of the load. The rotating, oscillating, or flashing lights or flashing amber strobe lights and an "OVERSIZE LOAD" sign shall be displayed on the escort vehicle and shall be visible from the front. When only one escort vehicle is required and it is operating on a multilane divided highway, the escort vehicle shall travel approximately 300 feet behind the load and the sign and lights shall be visible from the rear.

(6) When 2 escort vehicles are required, one escort shall travel approximately 300 feet ahead of the load and the second escort shall travel approximately 300 feet behind the load. The rotating, oscillating, or flashing lights or flashing amber strobe lights and an "OVERSIZE LOAD" sign shall be displayed on the escort vehicles and shall be visible from the front on the lead escort and from the rear on the trailing escort.

(7) When traveling within the corporate limits of a municipality, the escort vehicle shall maintain a reasonable and proper distance from the oversize load, consistent with existing traffic conditions.

(8) A separate escort shall be provided for each load hauled.

(9) The driver of an escort vehicle shall obey all traffic laws.

(10) The escort vehicle must be in safe operational condition.

(11) The driver of the escort vehicle must be in radio contact with the driver of the vehicle carrying the oversize load.

(F) A transport vehicle while under load of more than 8 feet 6 inches in width must be equipped with an illuminated rotating, oscillating, or flashing amber light or lights or a flashing amber strobe light or lights mounted on the top of the cab that are of sufficient intensity to be visible at 500 feet in normal sunlight. If the load on the transport vehicle blocks the visibility of the amber lighting from the rear of the vehicle, the vehicle must also be equipped with an illuminated rotating, oscillating, or flashing amber light or lights or a flashing amber strobe light or lights mounted on the rear of the load that are of sufficient intensity to be visible at 500 feet in normal sunlight.

(G) When a flashing amber light is required on the transport vehicle under load and it is operating on a two-lane highway, the transport vehicle shall display to the rear at least one rotating, oscillating, or flashing light or a flashing amber strobe light and an "OVERSIZE LOAD" sign. When a flashing amber light is required on the transport vehicle under load and it is operating on a multilane divided highway, the sign and light shall be visible from the rear.

(H) Maximum speed shall be 45 miles per hour on all such moves or 5 miles per hour above the posted minimum speed limit, whichever is greater, but the vehicle shall not at any time exceed the posted maximum speed limit.

(3) Portable buildings designed and used for agricultural and livestock raising operations that are not more than 14 feet wide and with not more than a one-foot overhang along the left side of the hauling vehicle. However, the buildings shall not be transported more than 10 miles and not on any route that is part of the National System of Interstate and Defense Highways.

All buildings when being transported shall display at least 2 red cloth flags, not less than 12 inches square, mounted as high as practicable on the left and right side of the building.

An Illinois State Police escort shall be required if it is necessary for this load to use part of the left lane when crossing any 2-laned State highway bridge.

(c) Vehicles propelled by electric power obtained from overhead trolley wires operated wholly within the corporate limits of a municipality are also exempt from the width limitation.

(d) (Blank).

(d-1) A recreational vehicle, as defined in Section 1-169 [625 ILCS 5/1-169], may exceed 8 feet 6 inches in width if:

(1) the excess width is attributable to appurtenances that extend 6 inches or less beyond either side of the body of the vehicle; and

(2) the roadway on which the vehicle is traveling has marked lanes for vehicular traffic that are at least 11 feet in width.

As used in this subsection (d-1) and in subsection (d-2), the term appurtenance includes (i) a retracted awning and its support hardware and (ii) any appendage that is intended to be an integral part of a recreational vehicle.

(d-2) A recreational vehicle that exceeds 8 feet 6 inches in width as provided in subsection (d-1) may travel any roadway of the State if the vehicle is being operated between a roadway permitted under subsection (d-1) and:

(1) the location where the recreational vehicle is garaged;

(2) the destination of the recreational vehicle; or

(3) a facility for food, fuel, repair, services, or rest.

(e) A vehicle and load traveling upon the National System of Interstate and Defense Highways or any other highway in the system of State highways that has been designated as a Class I or Class II highway by the Department, or any street or highway designated by local authorities, may have a total outside width of 8 feet 6 inches, provided that certain safety devices that the Department determines as necessary for the safe and efficient operation of motor vehicles shall not be included in the calculation of width.

Section 5-35 of the Illinois Administrative Procedure Act [5 ILCS 100/5-35] relating to procedures for rulemaking shall not apply to the designation of highways under this paragraph (e).

(f) Mirrors required by Section 12-502 of this Code may project up to 14 inches beyond each side of a bus and up to 6 inches beyond each side of any other vehicle, and that projection shall not be deemed a violation of the width restrictions of this Section.

(g) Any person who is convicted of violating this Section is subject to the penalty as provided in paragraph (b) of Section 15-113 [625 ILCS 5/15-113].

(h) Safety devices identified by the Department in accordance with Section 12-812 shall not be deemed a violation of the width restrictions of this Section.

HISTORY:

P.A. 86-1236; 87-217; 87-1160, § 1; 87-1203, § 1; 88-45, § 2-54; 88-476, § 2; 88-517, § 10; 88-589, § 10; 88-670, § 2-59; 88-675, § 5; 88-684, § 5; 89-551, § 5; 89-658, § 5; 90-14, § 2-225; 91-780, § 5; 92-417, § 5; 93-177, § 10; 94-949, § 5; 96-34, § 955; 96-37, § 60-40; 96-220, § 5; 96-1000, § 575; 2018 P.A. 100-830, § 10, effective January 1, 2019; 2021 P.A. 102-441, § 5, effective January 1, 2022; 2021 P.A. 102-538, § 935, effective August 20, 2021; 2022 P.A. 102-813, § 575, effective May 13, 2022.

625 ILCS 5/15-103 Height of vehicles.

The height of a vehicle from the under side of the tire to the top of the vehicle, inclusive of load, shall not exceed 13 feet, 6 inches on any highway in the State.

A person convicted of violating this Section is subject to the penalty provided in paragraph (b) of Section 15-113 [625 ILCS 5/15-113].

HISTORY:

P.A. 83-831; 92-417, § 5.

625 ILCS 5/15-105 Projecting loads on passenger vehicles.

No passenger-type vehicle shall be operated on any highway with any load carried thereon extending beyond the line of the fenders on the left side of such vehicle nor extending more than 6 inches beyond the line of the fenders on the right side thereof.

HISTORY:

P.A. 76-1586.

625 ILCS 5/15-106 Protruding members of vehicles.

No vehicle with boom, arm, drill rig or other protruding component shall be operated upon any highway in this State unless such protruding component is fastened so as to prevent shifting, bouncing or moving in any manner.

HISTORY:

P.A. 76-1586; 92-417, § 5.

625 ILCS 5/15-107 Length of vehicles.

(a) The maximum length of a single vehicle on any highway of this State may not exceed 42 feet except the following:

(1) Semitrailers.

(2) Charter or regulated route buses may be up to 45 feet in length, not including energy absorbing bumpers.

(a-1) A motor home as defined in Section 1-145.01 [625 ILCS 5/1-145.01] may be up to 45 feet in length, not including energy absorbing bumpers. The length limitations described in this subsection (a-1) shall be exclusive of energy-absorbing bumpers and rear view mirrors.

(b) (Blank).

(c) Except as provided in subsections (c-1) and (c-2), combinations of vehicles may not exceed a total of 2 vehicles except the following:

(1) A truck tractor semitrailer may draw one trailer.

(2) A truck tractor semitrailer may draw one converter dolly or one semitrailer.

(3) A truck tractor semitrailer may draw one vehicle that is defined in Chapter 1 as special mobile equipment, provided the overall dimension does not exceed 60 feet.

(4) A truck in transit may draw 3 trucks in transit coupled together by the triple saddlemount method.

(5) Recreational vehicles consisting of 3 vehicles, provided the following:

(A) The total overall dimension does not exceed 60 feet.

(B) The towing vehicle is a properly registered vehicle capable of towing another vehicle using a fifth-wheel type assembly.

(C) The second vehicle in the combination of vehicles is a recreational vehicle that is towed by a fifth-wheel assembly. This vehicle must be properly registered and must be equipped with brakes, regardless of weight.

(D) The third vehicle must be the lightest of the 3 vehicles and be a trailer or semitrailer designed or used for transporting a boat, all-terrain vehicle, personal watercraft, or motorcycle.

(E) The towed vehicles may be only for the use of the operator of the towing vehicle.

(F) All vehicles must be properly equipped with operating brakes and safety equipment required by this Code, except the additional brake requirement in subdivision (C) of this subparagraph (5).

(6) A tow truck in combination with a disabled vehicle or combination of disabled vehicles, provided the towing vehicle:

(A) Is specifically designed as a tow truck having a gross vehicle weight rating of at least 18,000 pounds and equipped with air brakes, provided that air brakes are required only if the towing vehicle is towing a vehicle, semitrailer, or tractor-trailer combination that is equipped with air brakes. For the purpose of this subsection, gross vehicle weight rating, or GVWR, means the value specified by the manufacturer as the loaded weight of the tow truck.

(B) Is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions.

(C) Is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of vehicles.

(D) Does not engage a tow exceeding 50 highway miles from the initial point of wreck or disablement to a place of repair. Any additional movement of the vehicles may occur only upon issuance of authorization for that movement under the provisions of Sections 15-301 through 15-318 of this Code [625 ILCS ILCS 5/15-301 through 625 ILCS ILCS 5/15-318].

The Department may by rule or regulation prescribe additional requirements regarding length limitations for a tow truck towing another vehicle.

For purposes of this Section, a tow-dolly that merely serves as substitute wheels for another legally licensed vehicle is considered part of the licensed vehicle and not a separate vehicle.

(7) Commercial vehicles consisting of 3 vehicles, provided the following:

(A) The total overall dimension does not exceed 65 feet.

(B) The towing vehicle is a properly registered vehicle capable of towing another vehicle using a fifth-wheel type assembly or a goose-neck hitch ball.

(C) The third vehicle must be the lightest of the 3 vehicles and be a trailer or semitrailer.

(D) All vehicles must be properly equipped with operating brakes and safety equipment required by this Code.

(E) The combination of vehicles must be operated by a person who holds a commercial driver's license (CDL).

(F) The combination of vehicles must be en route to a location where new or used trailers are sold by an Illinois or out-of-state licensed new or used trailer dealer.

(c-1) A combination of 3 vehicles is allowed access to any State designated highway if:

(1) the length of neither towed vehicle exceeds 28.5 feet;

(2) the overall wheel base of the combination of vehicles does not exceed 62 feet; and

(3) the combination of vehicles is en route to a location where new or used trailers are sold by an Illinois or out-of-state licensed new or used trailer dealer.

(c-2) A combination of 3 vehicles is allowed access from any State designated highway onto any county, township, or municipal highway for a distance of 5 highway miles for the purpose of delivery or collection of one or both of the towed vehicles if:

(1) the length of neither towed vehicle exceeds 28.5 feet;

(2) the combination of vehicles does not exceed 40,000 pounds in gross weight and 8 feet 6 inches in width;

(3) there is no sign prohibiting that access;

(4) the route is not being used as a thoroughfare between State designated highways; and

(5) the combination of vehicles is en route to a location where new or used trailers are sold by an Illinois or out-of-state licensed new or used trailer dealer.

(d) On Class I highways there are no overall length limitations on motor vehicles operating in combinations provided:

(1) The length of a semitrailer, unladen or with load, in combination with a truck tractor may not exceed 53 feet.

(2) The distance between the kingpin and the center of the rear axle of a semitrailer longer than 48 feet, in combination with a truck tractor, may not exceed 45 feet 6 inches. The limit contained in this paragraph (2) shall not apply to trailers or semi-trailers used for the transport of livestock as defined by Section 18b-101 [625 ILCS ILCS 5/18b-101].

(3) The length of a semitrailer or trailer, unladen or with load, operated in a truck tractor-semitrailer-trailer or truck tractor semitrailer-semitrailer combination, may not exceed 28 feet 6 inches.

(4) Maxi-cube combinations, as defined in Chapter 1, may not exceed 65 feet overall dimension.

(5) Combinations of vehicles specifically designed to transport motor vehicles or boats may not exceed 65 feet overall dimension. The length limitation is inclusive of front and rear bumpers but exclusive of the overhang of the transported vehicles, as provided in paragraph (i) of this Section.

(6) Stinger-steered semitrailer vehicles specifically designed to transport motor vehicles or boats and automobile transporters, as defined in Chapter 1, may not exceed 80 feet overall dimension. The length limitation is inclusive of front and rear bumpers but exclusive of the overhang of the transported vehicles, as provided in paragraph (i) of this Section.

(7) A truck in transit transporting 3 trucks coupled together by the triple saddlemount method may not exceed 97 feet overall dimension.

(8) A towaway trailer transporter combination may not exceed 82 feet overall dimension.

Vehicles operating during daylight hours when transporting poles, pipes, machinery, or other objects of a structural nature that cannot readily be dismantled or disassembled are exempt from length limitations, provided that no object may exceed 80 feet in length and the overall dimension of the vehicle including the load may not exceed 100 feet. This exemption does not apply to operation on a Saturday, Sunday, or legal holiday. Legal holidays referred to in this Section are the days on which the following traditional holidays are celebrated: New Year's Day; Memorial Day; Independence Day; Labor Day; Thanksgiving Day; and Christmas Day.

Vehicles and loads operated by a public utility while en route to make emergency repairs to public

service facilities or properties are exempt from length limitations, provided that during night operations every vehicle and its load must be equipped with a sufficient number of clearance lamps on both sides and marker lamps on the extreme ends of any projecting load to clearly mark the dimensions of the load.

A tow truck in combination with a disabled vehicle or combination of disabled vehicles, as provided in paragraph (6) of subsection (c) of this Section, is exempt from length limitations.

The length limitations described in this paragraph (d) shall be exclusive of safety and energy conservation devices, such as bumpers, refrigeration units or air compressors and other devices, that the Department may interpret as necessary for safe and efficient operation; except that no device excluded under this paragraph shall have by its design or use the capability to carry cargo.

Section 5-35 of the Illinois Administrative Procedure Act [5 ILCS 100/5—35] relating to procedures for rulemaking shall not apply to the designation of highways under this paragraph (d).

(e) On Class II highways there are no overall length limitations on motor vehicles operating in combinations, provided:

(1) The length of a semitrailer, unladen or with load, in combination with a truck tractor, may not exceed 53 feet overall dimension.

(2) The distance between the kingpin and the center of the rear axle of a semitrailer longer than 48 feet, in combination with a truck tractor, may not exceed 45 feet 6 inches. The limit contained in this paragraph (2) shall not apply to trailers or semi-trailers used for the transport of livestock as defined by Section 18b-101.

(3) A truck tractor-semitrailer-trailer or truck tractor semitrailer-semitrailer combination may not exceed 65 feet in dimension from front axle to rear axle.

(4) The length of a semitrailer or trailer, unladen or with load, operated in a truck tractor-semitrailer-trailer or truck tractor semitrailer-semitrailer combination, may not exceed 28 feet 6 inches.

(5) Maxi-cube combinations, as defined in Chapter 1 [625 ILCS 5/1-100 et seq.], may not exceed 65 feet overall dimension.

(6) A combination of vehicles, specifically designed to transport motor vehicles or boats, may not exceed 65 feet overall dimension. The length limitation is inclusive of front and rear bumpers but exclusive of the overhang of the transported vehicles, as provided in paragraph (i) of this Section.

(7) Stinger-steered semitrailer vehicles specifically designed to transport motor vehicles or boats may not exceed 80 feet overall dimension. The length limitation is inclusive of front and rear bumpers but exclusive of the overhang of the transported vehicles, as provided in paragraph (i) of this Section.

(8) A truck in transit transporting 3 trucks coupled together by the triple saddlemount method may not exceed 97 feet overall dimension.

(9) A towaway trailer transporter combination may not exceed 82 feet overall dimension.

Vehicles operating during daylight hours when transporting poles, pipes, machinery, or other objects of a structural nature that cannot readily be dismantled or disassembled are exempt from length limitations, provided that no object may exceed 80 feet in length and the overall dimension of the vehicle including the load may not exceed 100 feet. This exemption does not apply to operation on a Saturday, Sunday, or legal holiday. Legal holidays referred to in this Section are the days on which the following traditional holidays are celebrated: New Year's Day; Memorial Day; Independence Day; Labor Day; Thanksgiving Day; and Christmas Day.

Vehicles and loads operated by a public utility while en route to make emergency repairs to public service facilities or properties are exempt from length limitations, provided that during night operations every vehicle and its load must be equipped with a sufficient number of clearance lamps on both sides and marker lamps on the extreme ends of any projecting load to clearly mark the dimensions of the load.

A tow truck in combination with a disabled vehicle or combination of disabled vehicles, as provided in paragraph (6) of subsection (c) of this Section, is exempt from length limitations.

Local authorities, with respect to streets and highways under their jurisdiction, may also by ordinance or resolution allow length limitations of this subsection (e).

The length limitations described in this paragraph (e) shall be exclusive of safety and energy conservation devices, such as bumpers, refrigeration units or air compressors and other devices, that the Department may interpret as necessary for safe and efficient operation; except that no device excluded under this paragraph shall have by its design or use the capability to carry cargo.

Section 5-35 [5 ILCS 100/5-35] of the Illinois Administrative Procedure Act relating to procedures for rulemaking shall not apply to the designation of highways under this paragraph (e).

(e-1) (Blank).

(e-2) Except as provided in subsection (e-3), combinations of vehicles over 65 feet in length, with no overall length limitation except as provided in subsections (d) and (e) of this Section, are allowed access as follows:

(1) From a Class I highway onto any street or highway for a distance of one highway mile for the purpose of loading, unloading, food, fuel, repairs, and rest, provided there is no sign prohibiting that access.

(2) From a Class I or Class II highway onto any non-designated highway for a distance of 5 highway miles for the purpose of loading, unloading, food, fuel, repairs, and rest if:

(A) there is no sign prohibiting that access; and

(B) the route is not being used as a thoroughfare between Class I or Class II highways.

(e-3) Combinations of vehicles over 65 feet in length operated by household goods carriers or tow-away trailer transporter combinations, with no overall length limitations except as provided in subsections (d) and (e) of this Section, have unlimited access to points of loading, unloading, or delivery to or from a manufacturer, distributor, or dealer.

(f) On non-designated highways, the maximum length limitations for vehicles in combination are as follows:

(1) A truck tractor in combination with a semitrailer may not exceed 65 feet overall dimension. An agency or instrumentality of the State of Illinois or any unit of local government shall not be required to widen or otherwise alter a non-designated highway constructed before January 1, 2018 to accommodate truck tractor-semitrailer combinations under this paragraph (1).

(2) Semitrailers, unladen or with load, may not exceed 53 feet overall dimension.

(3) A truck tractor-semitrailer-trailer or truck tractor semitrailer-semitrailer may not exceed 60 feet overall dimension.

(4) The distance between the kingpin and the center axle of a semitrailer longer than 48 feet, in combination with a truck tractor, may not exceed 42 feet 6 inches. The limit contained in this paragraph (4) shall not apply to trailers or semi-trailers used for the transport of livestock as defined by Section 18b-101.

(g) Length limitations in the preceding subsections of this Section 15-107 do not apply to the following:

(1) Vehicles operated in the daytime, except on Saturdays, Sundays, or legal holidays, when transporting poles, pipe, machinery, or other objects of a structural nature that cannot readily be dismantled or disassembled, provided the overall length of vehicle and load may not exceed 100 feet and no object exceeding 80 feet in length may be transported unless a permit has been obtained as authorized in Section 15-301. As used in this Section, "legal holiday" means any of the following days: New Year's Day; Memorial Day; Independence Day; Labor Day; Thanksgiving Day; and Christmas Day.

(2) Vehicles and loads operated by a public utility while en route to make emergency repairs to public service facilities or properties, but during night operation every vehicle and its load must be equipped with a sufficient number of clearance lamps on both sides and marker lamps upon the extreme ends of any projecting load to clearly mark the dimensions of the load.

(3) A tow truck in combination with a disabled vehicle or combination of disabled vehicles, as provided in paragraph (6) of subsection (c) of this Section, is exempt from length limitations.

The towing vehicle, however, may tow any disabled vehicle from the initial point of wreck or disablement to a point where repairs are actually to occur. This movement shall be valid only on State routes. The tower must abide by posted bridge weight limits.

All other combinations not listed in this subsection (f) may not exceed 60 feet overall dimension.

(h) The load upon any vehicle operated alone, or the load upon the front vehicle of a combination of vehicles, shall not extend more than 3 feet beyond the front wheels of the vehicle or the front bumper of the vehicle if it is equipped with a front bumper. The provisions of this subsection (h) shall not apply to any vehicle or combination of vehicles specifically designed for the collection and transportation of waste, garbage, or recyclable materials during the vehicle's operation in the course of collecting garbage, waste, or recyclable materials if the vehicle is traveling at a speed not in excess of 15 miles per hour during the vehicle's operation and in the course of collecting garbage, waste, or recyclable materials. However, in no instance shall the load extend more than 7 feet beyond the front wheels of the vehicle or the front bumper of the vehicle if it is equipped with a front bumper.

(i) The load upon the front vehicle of an automobile transporter or a stinger-steered vehicle specifically designed to transport motor vehicles shall not extend more than 4 feet beyond the foremost part of the transporting vehicle and the load upon the rear transporting vehicle shall not extend more than 6 feet beyond the rear of the bed or body of the vehicle. This paragraph shall only be applicable upon highways designated in paragraphs (d) and (e) of this Section.

(j) Articulated vehicles comprised of 2 sections, neither of which exceeds a length of 42 feet, designed for the carrying of more than 10 persons, may be up to 60 feet in length, not including energy absorbing bumpers, provided that the vehicles are:

1. operated by or for any public body or motor carrier authorized by law to provide public transportation services; or

2. operated in local public transportation service by any other person and the municipality in which the service is to be provided approved the operation of the vehicle.

(j-1) (Blank).

(k) Any person who is convicted of violating this Section is subject to the penalty as provided in paragraph (b) of Section 15-113 [625 ILCS 5/15-113].

(*l*) (Blank).

625 ILCS 5/15-108 Planking edge of a pavement.

No tractor, traction engine or other metal tired vehicle, weighing more than 4 tons, including the weight of the vehicle and its load, shall drive up onto, off or over the edge of any paved public highway in this State, without protecting such edge by putting down solid planks or other suitable device to prevent such vehicle from breaking off the edges or corners of such pavement.

HISTORY:
P.A. 76-1586; 90-655, § 153.

625 ILCS 5/15-109 Spilling loads on highways prohibited.

(a) No vehicle shall be driven or moved on any highway unless such vehicle is so constructed or loaded as to prevent any of its load from dropping, shifting, leaking or otherwise escaping therefrom, except that sand may be dropped for the purpose of securing traction, or water or other substance may be sprinkled on a roadway in cleaning or maintaining such roadway.

(b) No person shall operate on any highway any vehicle with any load unless said load and any covering thereon is securely fastened so as to prevent said covering or load from becoming loose, detached, or in any manner a hazard to other users of the highway.

(c) The Department shall adopt such rules and regulations it deems appropriate which require the securing of steel rolls and other objects on flatbed trucks so as to prevent injury to users of highways and damage to property. Any person who operates a flatbed truck on any highway in violation of the rules and regulations promulgated by the Department under this subsection shall be guilty of a Class A misdemeanor.

HISTORY:
P.A. 82-231.

625 ILCS 5/15-109.1 Covers or tarpaulins required for certain loads.

(a) No person shall operate or cause to be operated, on a highway, any second division vehicle loaded with dirt, aggregate, garbage, refuse, or other similar material, when any portion of the load is falling, sifting, blowing, dropping or in any way escaping from the vehicle.

(b) No person shall operate or cause to be operated, on a highway, any second division vehicle having a gross vehicle weight rating of 8,000 pounds or more loaded with dirt, aggregate, garbage, refuse, or other similar material in or on any part of the vehicle other than in the cargo area. In addition, no person shall operate on any highway, such vehicle unless the tailgate on the vehicle is in good repair and operating condition and closes securely so as to prevent any load, residue, or other material from escaping.

(c) This Section shall not apply to the operation of highway maintenance vehicles engaged in removing snow and ice from the roadway, nor to implements of husbandry or other farm vehicles while transporting agricultural products to or from the original place of production.

(d) For the purpose of this Section "aggregate" shall include all ores, minerals, sand, gravel, shale, coal, clay, limestone or any other ore or mineral which may be mined.

(e) Notwithstanding any other penalty, whenever a police officer determines that the operator of a vehicle is in violation of this Section, as evidenced by the issuance of a citation for a violation of Section 15-109.1 of this Code [625 ILCS 5/15-109.1], or where a police officer determines that a dangerous condition exists whereby any portion of the load may fall, sift, blow, drop, or in any way escape or fall from the vehicle, the police officer shall require the operator to stop the vehicle in a suitable place and keep such vehicle stationary until the load has either been reduced, secured, or covered with a cover or tarpaulin of sufficient size to prevent any further violation of this Section.

(f) Any violation of the provisions of this Section shall be a petty offense punishable by a fine not to exceed $250.

HISTORY:
P.A. 84-226; 91-858, § 5.

625 ILCS 5/15-110 Towed vehicles.

(a) When one vehicle is towing another, the drawbar or other connection shall be of sufficient strength to pull all the weight towed thereby and the drawbar or other connection shall not exceed 15 feet from one vehicle to the other, except for the connection between any 2 vehicles transporting poles, pipes, machinery or other objects of structural nature which cannot readily be dismembered.

(b) Outside a business, residential or suburban district or on any controlled access highway, no vehicle other than a pole trailer or a semitrailer which is being towed by a truck tractor and is connected by the means of a fifth wheel shall be towed on a roadway except by a drawbar and each such vehicle so towed shall, in addition, be coupled with 2 safety chains or cables to the towing vehicle. Such chains or cables shall be of sufficient size and strength to prevent the towed vehicle parting from the drawing vehicle in case the drawbar should break or become disengaged.

(c) The provisions of this section shall not apply to any second division vehicle owned, operated or controlled by any person who is registered with the Bureau of Motor Carrier Safety of the Federal Highway Administration and has complied with the federal safety provisions of the Bureau of Motor Carrier

Safety of the Federal Highway Administration and the rules and regulations of the Bureau.

HISTORY:
P.A. 77-22.

625 ILCS 5/15-111 Wheel and axle loads and gross weights.

(a) No vehicle or combination of vehicles with pneumatic tires may be operated, unladen or with load, when the total weight on the road surface exceeds the following: 20,000 pounds on a single axle; 34,000 pounds on a tandem axle with no axle within the tandem exceeding 20,000 pounds; 80,000 pounds gross weight for vehicle combinations of 5 or more axles; or a total weight on a group of 2 or more consecutive axles in excess of that weight produced by the application of the following formula: W = 500 times the sum of (LN divided by N-1) + 12N + 36, where "W" equals overall total weight on any group of 2 or more consecutive axles to the nearest 500 pounds, "L" equals the distance measured to the nearest foot between extremes of any group of 2 or more consecutive axles, and "N" equals the number of axles in the group under consideration.

The above formula when expressed in tabular form results in allowable loads as follows:

Distance measured to the nearest foot between the extremes of any group of 2 or more consecutive axles	Maximum weight in pounds of any group of 2 or more consecutive axles				
feet	2 axles	3 axles	4 axles	5 axles	6 axles
4	34,000				
5	34,000				
6	34,000				
7	34,000				
8	34,000*	34,000			
Between 8 and 9	38,000	42,000			
9	39,000	42,500			
10	40,000	43,500			
11		44,000			
12		45,000	50,000		
13		45,500	50,500		
14		46,500	51,500		
15		47,000	52,000		
16		48,000	52,500	58,000	
17		48,500	53,500	58,500	
18		49,500	54,000	59,000	
19		50,000	54,500	60,000	

Distance measured to the nearest foot between the extremes of any group of 2 or more consecutive axles	Maximum weight in pounds of any group of 2 or more consecutive axles			
20	51,000	55,500	60,500	66,000
21	51,500	56,000	61,000	66,500
22	52,500	56,500	61,500	67,000
23	53,000	57,500	62,500	68,000
24	54,000	58,000	63,000	68,500
25	54,500	58,500	63,500	69,000
26	55,500	59,500	64,000	69,500
27	56,000	60,000	65,000	70,000
28	57,000	60,500	65,500	71,000
29	57,500	61,500	66,000	71,500
30	58,500	62,000	66,500	72,000
31	59,000	62,500	67,500	72,500
32	60,000	63,500	68,000	73,000
33		64,000	68,500	74,000
34		64,500	69,000	74,500
35		65,500	70,000	75,000

52		76,500		
53		77,500		
54		78,000		
55		78,500		
56		79,500		
57		80,000		

*If the distance between 2 axles is 96 inches or less, the 2 axles are tandem axles and the maximum total weight may not exceed 34,000 pounds, notwithstanding the higher limit resulting from the application of the formula.

**Two consecutive sets of tandem axles may carry 34,000 pounds each if the overall distance between the first and last axles of these tandems is 36 feet or more.

Vehicles not in a combination having more than 4 axles may not exceed the weight in the table in this subsection (a) for 4 axles measured between the extreme axles of the vehicle.

Vehicles in a combination having more than 6 axles may not exceed the weight in the table in this subsection (a) for 6 axles measured between the extreme axles of the combination.

Local authorities, with respect to streets and highways under their jurisdiction, without additional fees, may also by ordinance or resolution allow the weight limitations of this subsection, provided the maximum gross weight on any one axle shall not exceed 20,000 pounds and the maximum total weight on any tandem axle shall not exceed 34,000 pounds, on designated highways when appropriate regulatory signs giving notice are erected upon the street or highway or portion of any street or highway affected by the ordinance or resolution.

The following are exceptions to the above formula:

(1) Vehicles for which a different limit is established and posted in accordance with Section 15-316 of this Code [625 ILCS 5/15-316].

(2) Vehicles for which the Department of Transportation and local authorities issue overweight permits under authority of Section 15-301 of this Code [625 ILCS 5/15-301]. These vehicles are not subject to the bridge formula.

(3) Cities having a population of more than 50,000 may permit by ordinance axle loads on 2-axle motor vehicles 33 1/2% above those provided for herein, but the increase shall not become effective until the city has officially notified the Department of the passage of the ordinance and shall not apply to those vehicles when outside of the limits of the city, nor shall the gross weight of any 2-axle motor vehicle operating over any street of the city exceed 40,000 pounds.

(4) Weight limitations shall not apply to vehicles (including loads) operated by a public utility when transporting equipment required for emergency repair of public utility facilities or properties or water wells.

(4.5) A 3-axle or 4-axle vehicle (including when laden) operated or hired by a municipality within Cook, Lake, McHenry, Kane, DuPage, or Will county being operated for the purpose of performing emergency sewer repair that would be subject to a weight limitation less than 66,000 pounds under the formula in this subsection (a) shall have a weight limitation of 66,000 pounds or the vehicle's gross vehicle weight rating, whichever is less. This paragraph (4.5) does not apply to vehicles being operated on the National System of Interstate and Defense Highways, or to vehicles being operated on bridges or other elevated structures constituting a part of a highway.

(5) Two consecutive sets of tandem axles may carry a total weight of 34,000 pounds each if the overall distance between the first and last axles of the consecutive sets of tandem axles is 36 feet or more, notwithstanding the lower limit resulting from the application of the above formula.

(6) A truck, not in combination and used exclusively for the collection of rendering materials, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle.

(7) A truck not in combination, equipped with a self compactor or an industrial roll-off hoist and roll-off container, used exclusively for garbage, refuse, or recycling operations, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 40,000 pounds gross weight on a 2-axle vehicle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

(7.5) A 3-axle rear discharge truck mixer registered as a Special Hauling Vehicle, used exclusively for the mixing and transportation of concrete in the plastic state, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on single axle; 40,000 pounds on a tandem axle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

(8) Except as provided in paragraph (7.5) of this subsection (a), tandem axles on a 3-axle truck registered as a Special Hauling Vehicle, manufactured prior to or in the model year of 2024 and first registered in Illinois prior to January 1, 2025, with a distance greater than 72 inches but not more than 96 inches between any series of 2 axles, is allowed a combined weight on the series not to exceed 36,000 pounds and neither axle of the series may exceed 20,000 pounds. Any vehicle of this type manufactured after the model year of 2024 or first registered in Illinois after December 31, 2024 may not exceed a combined weight of 34,000 pounds through the series of 2 axles and neither axle of the series may exceed 20,000 pounds.

A 3-axle combination sewer cleaning jetting vacuum truck registered as a Special Hauling Vehicle, used exclusively for the transportation of non-hazardous solid waste, manufactured before or in the model year of 2014, first registered in Illinois before January 1, 2015, may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 54,000 pounds gross weight on a 3-axle vehicle. This vehicle is not subject to the bridge formula.

(9) A 4-axle truck mixer registered as a Special Hauling Vehicle, used exclusively for the mixing

and transportation of concrete in the plastic state, and not operated on a highway that is part of the National System of Interstate Highways, is allowed the following maximum weights: 20,000 pounds on any single axle; 36,000 pounds on a series of axles greater than 72 inches but not more than 96 inches; and 34,000 pounds on any series of 2 axles greater than 40 inches but not more than 72 inches. The gross weight of this vehicle may not exceed the weights allowed by the bridge formula for 4 axles. The bridge formula does not apply to any series of 3 axles while the vehicle is transporting concrete in the plastic state, but no axle or tandem axle of the series may exceed the maximum weight permitted under this paragraph (9) of subsection (a).

(10) Combinations of vehicles, registered as Special Hauling Vehicles that include a semitrailer manufactured prior to or in the model year of 2024, and registered in Illinois prior to January 1, 2025, having 5 axles with a distance of 42 feet or less between extreme axles, may not exceed the following maximum weights: 20,000 pounds on a single axle; 34,000 pounds on a tandem axle; and 72,000 pounds gross weight. This combination of vehicles is not subject to the bridge formula. For all those combinations of vehicles that include a semitrailer manufactured after the effective date of P.A. 92-0417, the overall distance between the first and last axles of the 2 sets of tandems must be 18 feet 6 inches or more. Any combination of vehicles that has had its cargo container replaced in its entirety after December 31, 2024 may not exceed the weights allowed by the bridge formula.

(11) The maximum weight allowed on a vehicle with crawler type tracks is 40,000 pounds.

(12) A combination of vehicles, including a tow truck and a disabled vehicle or disabled combination of vehicles, that exceeds the weight restriction imposed by this Code, may be operated on a public highway in this State provided that neither the disabled vehicle nor any vehicle being towed nor the tow truck itself shall exceed the weight limitations permitted under this Chapter. During the towing operation, neither the tow truck nor the vehicle combination shall exceed 24,000 pounds on a single rear axle and 44,000 pounds on a tandem rear axle, provided the towing vehicle:

(i) is specifically designed as a tow truck having a gross vehicle weight rating of at least 18,000 pounds and is equipped with air brakes, provided that air brakes are required only if the towing vehicle is towing a vehicle, semitrailer, or tractor-trailer combination that is equipped with air brakes;

(ii) is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions;

(iii) is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of vehicles; and

(iv) does not engage in a tow exceeding 20 miles from the initial point of wreck or disablement. Any additional movement of the vehicles may occur only upon issuance of authorization for that movement under the provisions of Sections 15-301 through 15-318 of this Code [625 ILCS 5/15-301 through 625 ILCS 5/15-318]. The towing vehicle, however, may tow any disabled vehicle to a point where repairs are actually to occur. This movement shall be valid only on State routes. The tower must abide by posted bridge weight limits.

(12.5) The vehicle weight limitations in this Section do not apply to a covered heavy duty tow and recovery vehicle. The covered heavy duty tow and recovery vehicle license plate must cover the operating empty weight of the covered heavy duty tow and recovery vehicle only.

(13) Upon and during a declaration of an emergency propane supply disaster by the Governor under Section 7 of the Illinois Emergency Management Agency Act [20 ILCS 3305/7]:

(i) a truck not in combination, equipped with a cargo tank, used exclusively for the transportation of propane or liquefied petroleum gas may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 40,000 pounds gross weight on a 2-axle vehicle; 54,000 pounds gross weight on a 3-axle vehicle; and

(ii) a truck when in combination with a trailer equipped with a cargo tank used exclusively for the transportation of propane or liquefied petroleum gas may, when laden, transmit upon the road surface, except when on part of the National System of Interstate and Defense Highways, the following maximum weights: 22,000 pounds on a single axle; 40,000 pounds on a tandem axle; 90,000 pounds gross weight on a 5-axle or 6-axle vehicle.

Vehicles operating under this paragraph (13) are not subject to the bridge formula.

(14) A vehicle or combination of vehicles that uses natural gas or propane gas as a motor fuel may exceed the above weight limitations by up to 2,000 pounds, the total allowance is calculated by an amount that is equal to the difference between the weight of the vehicle attributable to the natural gas or propane gas tank and fueling system carried by the vehicle, and the weight of a comparable diesel tank and fueling system. This paragraph (14) shall not allow a vehicle to exceed any posted weight limit on a highway or structure.

(15) An emergency vehicle or fire apparatus that is a vehicle designed to be used under emergency conditions to transport personnel and equipment, and used to support the suppression of fires and mitigation of other hazardous situations on a Class I highway, may not exceed 86,000 pounds gross weight, or any of the following weight allowances:

(i) 24,000 pounds on a single steering axle;

(ii) 33,500 pounds on a single drive axle;

(iii) 62,000 pounds on a tandem axle; or

(iv) 52,000 pounds on a tandem rear drive steer axle.

(16) A bus, motor coach, or recreational vehicle may carry a total weight of 24,000 pounds on a single axle, but may not exceed other weight provisions of this Section.

Gross weight limits shall not apply to the combination of the tow truck and vehicles being towed. The tow truck license plate must cover the operating empty weight of the tow truck only. The weight of each vehicle being towed shall be covered by a valid license plate issued to the owner or operator of the vehicle being towed and displayed on that vehicle. If no valid plate issued to the owner or operator of that vehicle is displayed on that vehicle, or the plate displayed on that vehicle does not cover the weight of the vehicle, the weight of the vehicle shall be covered by the third tow truck plate issued to the owner or operator of the tow truck and temporarily affixed to the vehicle being towed. If a roll-back carrier is registered and being used as a tow truck, however, the license plate or plates for the tow truck must cover the gross vehicle weight, including any load carried on the bed of the roll-back carrier.

The Department may by rule or regulation prescribe additional requirements. However, nothing in this Code shall prohibit a tow truck under instructions of a police officer from legally clearing a disabled vehicle, that may be in violation of weight limitations of this Chapter, from the roadway to the berm or shoulder of the highway. If in the opinion of the police officer that location is unsafe, the officer is authorized to have the disabled vehicle towed to the nearest place of safety.

For the purpose of this subsection, gross vehicle weight rating, or GVWR, means the value specified by the manufacturer as the loaded weight of the tow truck.

(b) As used in this Section, "recycling haul" or "recycling operation" means the hauling of non-hazardous, non-special, non-putrescible materials, such as paper, glass, cans, or plastic, for subsequent use in the secondary materials market.

(c) No vehicle or combination of vehicles equipped with pneumatic tires shall be operated, unladen or with load, upon the highways of this State in violation of the provisions of any permit issued under the provisions of Sections 15-301 through 15-318 of this Chapter.

(d) No vehicle or combination of vehicles equipped with other than pneumatic tires may be operated, unladen or with load, upon the highways of this State when the gross weight on the road surface through any wheel exceeds 800 pounds per inch width of tire tread or when the gross weight on the road surface through any axle exceeds 16,000 pounds.

(e) No person shall operate a vehicle or combination of vehicles over a bridge or other elevated structure constituting part of a highway with a gross weight that is greater than the maximum weight permitted by the Department, when the structure is sign posted as provided in this Section.

(f) The Department upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it finds that the structure cannot with safety to itself withstand the weight of vehicles otherwise permissible under this Code the Department shall determine and declare the maximum weight of vehicles that the structures can withstand, and shall cause or permit suitable signs stating maximum weight to be erected and maintained before each end of the structure. No person shall operate a vehicle or combination of vehicles over any structure with a gross weight that is greater than the posted maximum weight.

(g) Upon the trial of any person charged with a violation of subsection (e) or (f) of this Section, proof of the determination of the maximum allowable weight by the Department and the existence of the signs, constitutes conclusive evidence of the maximum weight that can be maintained with safety to the bridge or structure.

P.A. 86-409; 86-519; 86-1005; 86-1028; 86-1236; 87-1203, § 1; 87-1249, § 1; 88-45, § 3-128; 88-385, § 5; 88-403, § 5; 88-476, § 2; 88-670, § 2-59; 89-117, § 10; 89-433, § 5; 90-89, § 15; 90-330, § 5; 90-655, § 153; 92-417, § 5; 93-177, § 10; 93-186, § 5; 93-1023, § 5-35; 94-464, § 5; 94-926, § 5; 95-51, § 5; 96-34, § 955; 96-37, § 60-40; 97-201, § 5; 98-409, § 5; 98-410, § 5; 98-756, § 675; 98-942, § 5; 98-956, § 5; 98-1029, § 5; 99-78, § 465; 99-717, § 5; 2017 P.A. 100-366, § 5, effective January 1, 2018; 2018 P.A. 100-728, § 5, effective January 1, 2019; 2021 P.A. 102-124, § 5, effective July 23, 2021.

625 ILCS 5/15-112 Officers to weigh vehicles and require removal of excess loads.

(a) Any police officer having reason to believe that the weight of a vehicle and load is unlawful shall require the driver to stop and submit to a weighing of the same either by means of a portable or stationary scales that have been tested and approved at a frequency prescribed by the Illinois Department of Agriculture, or for those scales operated by the State, when such tests are requested by the Illinois State Police, whichever is more frequent. If such scales are not available at the place where such vehicle is stopped, the police officer shall require that such vehicle be driven to the nearest available scale that has been tested and approved pursuant to this Section by the Illinois Department of Agriculture. Notwithstanding any provisions of the Weights and Measures Act [225 ILCS 470/1 et seq.] or the United States Department of Commerce NIST handbook 44, multi or single draft weighing is an acceptable method of weighing by law enforcement for determining a violation of Chapter 3 or 15 of this Code [625 ILCS 5/3-100 et seq. or 625 ILCS 5/15-100 et seq.].

Law enforcement is exempt from the requirements of commercial weighing established in NIST handbook 44.

Within 18 months after the effective date of this amendatory Act of the 91st General Assembly [P.A. 91-129], all municipal and county officers, technicians, and employees who set up and operate portable scales for wheel load or axle load or both and issue citations based on the use of portable scales for wheel load or axle load or both and who have not successfully completed initial classroom and field training regarding the set up and operation of portable scales, shall attend and successfully complete initial classroom and field training administered by the Illinois Law Enforcement Training Standards Board.

(b) Whenever an officer, upon weighing a vehicle and the load, determines that the weight is unlawful, such officer shall require the driver to stop the vehicle in a suitable place and remain standing until such portion of the load is removed as may be necessary to reduce the weight of the vehicle to the limit permitted under this Chapter, or to the limit permitted under the terms of a permit issued pursuant to Sections 15-301 through 15-318 [625 ILCS 5/15-301 through 625 ILCS 5/15-318] and shall forthwith arrest the driver or owner. All material so unloaded shall be cared for by the owner or operator of the vehicle at the risk of such owner or operator; however, whenever a 3 or 4 axle vehicle with a tandem axle dimension greater than 72 inches, but less than 96 inches and registered as a Special Hauling Vehicle is transporting asphalt or concrete in the plastic state that exceeds axle weight or gross weight limits by less than 4,000 pounds, the owner or operator of the vehicle shall accept the arrest ticket or tickets for the alleged violations under this Section and proceed without shifting or reducing the load being transported or may shift or reduce the load under the provisions of subsection (d) or (e) of this Section, when applicable. Any fine imposed following an overweight violation by a vehicle registered as a Special Hauling Vehicle transporting asphalt or concrete in the plastic state shall be paid as provided in subsection 4 of paragraph (a) of Section 16-105 of this Code [625 ILCS 5/16-105].

(c) The Department of Transportation may, at the request of the Illinois State Police, erect appropriate regulatory signs on any State highway directing second division vehicles to a scale. The Department of Transportation may also, at the direction of any State Police officer, erect portable regulating signs on any highway directing second division vehicles to a portable scale. Every such vehicle, pursuant to such sign, shall stop and be weighed.

(d) Whenever any axle load of a vehicle exceeds the axle or tandem axle weight limits permitted by paragraph (a) of Section 15-111 by 2000 pounds or less, the owner or operator of the vehicle must shift or remove the excess so as to comply with paragraph (a) of Section 15-111 [625 ILCS 5/15-111]. No overweight arrest ticket shall be issued to the owner or operator of the vehicle by any officer if the excess weight is shifted or removed as required by this paragraph.

(e) Whenever the gross weight of a vehicle with a registered gross weight of 77,000 pounds or less exceeds the weight limits of paragraph (a) of Section 15-111 of this Chapter by 2000 pounds or less, the owner or operator of the vehicle must remove the excess. Whenever the gross weight of a vehicle with a registered gross weight over 77,000 pounds or more exceeds the weight limits of paragraph (a) of Section 15-111 by 1,000 pounds or less or 2,000 pounds or less if weighed on wheel load weighers, the owner or operator of the vehicle must remove the excess. In either case no arrest ticket for any overweight violation of this Code shall be issued to the owner or operator of the vehicle by any officer if the excess weight is removed as required by this paragraph. A person who has been granted a special permit under Section 15-301 [625 ILCS 5/15-301] of this Code shall not be granted a tolerance on wheel load weighers.

(e-5) Auxiliary power or idle reduction unit (APU) weight.

(1) A vehicle with a fully functional APU shall be allowed an additional 550 pounds or the certified unit weight, whichever is less. The additional pounds may be allowed in gross, axles, or bridge formula weight limits above the legal weight limits except when overweight on an axle or axles of the towed unit or units in combination. This tolerance shall be given in addition to the limits in subsection (d) of this Section.

(2) An operator of a vehicle equipped with an APU shall carry written certification showing the weight of the APU, which shall be displayed upon the request of any law enforcement officer.

(3) The operator may be required to demonstrate or certify that the APU is fully functional at all times.

(4) This allowance may not be granted above the weight limits specified on any loads permitted under Section 15-301 of this Code.

(f) Whenever an axle load of a vehicle exceeds axle weight limits allowed by the provisions of a permit an arrest ticket shall be issued, but the owner or operator of the vehicle may shift the load so as to comply with the provisions of the permit. Where such shifting of a load to comply with the permit is accomplished, the owner or operator of the vehicle may then proceed.

(g) Any driver of a vehicle who refuses to stop and submit his vehicle and load to weighing after being directed to do so by an officer or removes or causes the removal of the load or part of it prior to weighing is guilty of a business offense and shall be fined not less than $500 nor more than $2,000.

HISTORY:

P.A. 86-849; 88-403, § 5; 88-476, § 2; 88-535, § 25; 91-129, § 10; 92-417, § 5; 96-34, § 955; 97-201, § 5; 99-717, § 5; 2021 P.A. 102-538, § 935, effective August 20, 2021.

625 ILCS 5/15-113 Violations; Penalties.

(a) Whenever any vehicle is operated in violation of the provisions of Section 15-111 [625 ILCS 5/15-111] or subsection (d) of Section 3-401 [625 ILCS 5/3-401], the owner or driver of such vehicle shall be deemed guilty of such violation and either the owner or the driver of such vehicle may be prosecuted for such violation. Any person charged with a violation of any of these provisions who pleads not guilty shall be present in court for the trial on the charge. Any person, firm, or corporation convicted of any violation of Section 15-111 including, but not limited to, a maximum axle or gross limit specified on a regulatory sign posted in accordance with paragraph (e) or (f) of Section 15-111, shall be fined according to the following schedule:

Up to and including 2000 pounds overweight, the fine is $100

From 2001 through 2500 pounds overweight, the fine is $270

From 2501 through 3000 pounds overweight, the fine is $330

From 3001 through 3500 pounds overweight, the fine is $520

From 3501 through 4000 pounds overweight, the fine is $600

From 4001 through 4500 pounds overweight, the fine is $850

From 4501 through 5000 pounds overweight, the fine is $950

From 5001 or more pounds overweight, the fine shall be computed by assessing $1500 for the first 5000 pounds overweight and $150 for each additional increment of 500 pounds overweight or fraction thereof.

In addition, any person, firm, or corporation convicted of 4 or more violations of Section 15-111 within any 12 month period shall be fined an additional amount of $5,000 for the fourth and each subsequent conviction within the 12 month period. Provided, however, that with regard to a firm or corporation, a fourth or subsequent conviction shall mean a fourth or subsequent conviction attributable to any one employee-driver.

(b) Whenever any vehicle is operated in violation of the provisions of Sections 15-102, 15-103 or 15-107 [625 ILCS 5/15-102, 625 ILCS 5/15-103 or 625 ILCS 5/15-107], the owner or driver of such vehicle shall be deemed guilty of such violation and either may be prosecuted for such violation. Any person, firm, or corporation convicted of any violation of Sections 15-102, 15-103 or 15-107 shall be fined for the first or second conviction an amount equal to not less than $50 nor more than $500, and for the third and subsequent convictions by the same person, firm, or corporation within a period of one year after the date of the first offense, not less than $500 nor more than $1,000.

(c) All proceeds equal to 50% of the fines recovered under subsection (a) of this Section shall be remitted to the State Treasurer and deposited into the Capital Projects Fund.

P.A. 86-664; 88-476, § 2; 89-117, § 10; 89-245, § 5; 96-34, § 955; 96-1000, § 575; 97-201, § 5; 2018 P.A. 100-1161, § 5, effective July 1, 2019; 2018 P.A. 100-987, § 905-45, effective July 1, 2019.

625 ILCS 5/15-113.1 Violations-Sentence of permit moves.

Whenever any vehicle is operated in violation of the provisions of a permit issued under the provisions of Sections 15-301 through 15-318 of this Chapter [625 ILCS 5/15-301 through 625 ILCS 5/15-318] by operating under a fraudulent permit or under a permit not specifically covering the move, the owner or driver of such vehicle shall be deemed guilty of a business offense and either the owner or the driver of such vehicle may be prosecuted for such violation. When any person, firm or corporation is convicted of such violation, the permit shall be null and void and such person, firm or corporation shall be fined in an amount not less than 10 cents per pound for each pound the gross weight of the vehicle exceeds the gross weight of such vehicles allowable under Section 15-111 of this Chapter [625 ILCS 5/15-111].

Penalties for violations of this section shall be in addition to any penalties imposed for violation of Section 15-301 (j) of this Chapter [625 ILCS 5/15-301].

HISTORY:

P.A. 77-2830; 2018 P.A. 100-728, § 5, effective January 1, 2019.

625 ILCS 5/15-113.2 Violations — Sentence of permit moves exceeding axle weights.

Whenever any vehicle is operated in violation of the provisions of a permit issued under the provisions of Sections 15-301 through 15-318 of this Chapter [625 ILCS 5/15-301 through 625 ILCS 5/15-318] by operating with axle weights in excess of those authorized in such permit, the owner or driver of such vehicle shall be deemed guilty of a business offense and either the owner or the driver of such vehicle may be prosecuted for such violation. Any person, firm or corporation convicted of such violation shall be fined in an amount not less than 2 cents nor more than 5 cents per pound for each pound of excess weight on such axle or tandem axle in excess of the weight authorized in the permit when the excess is 1,000 pounds or less; not less than 5 cents nor more than 10 cents per pound for each pound of excess weight when the excess exceeds 1,000 pounds and is 2,000 pounds or less; not less than 10 cents nor more than 15 cents per pound for each pound of excess weight when the excess exceeds 2,000 pounds and is 3,000 pounds or less; and not less than 15 cents nor more than 20 cents per pound for each pound of excess weight when the excess exceeds 3,000 pounds.

Penalties for violations of this section shall be in addition to any penalties imposed for violation of Section 15-301 (j) of this Chapter [625 ILCS 5/15-301].

HISTORY:

625 ILCS 5/15-113.3 Violations-Sentence of permit moves exceeding gross weight.

Whenever any vehicle is operated in violation of the provisions of a permit issued under the provisions of Sections 15-301 through 15-318 of this Chapter [625 ILCS 5/15-301 through 625 ILCS 5/15-318] by operating with the gross weight in excess of that authorized in such permit, the owner or driver of such vehicle shall be deemed guilty of a business offense and either the owner or the driver of such vehicle may be prosecuted for such violation. Any person, firm or corporation convicted of such violation shall be fined in an amount not less than 2 cents nor more than 5 cents per pound for each pound of excess weight in excess of the gross weight authorized in the permit when the excess is 1,000 pounds or less; not less than 4 cents nor more than 7 cents per pound for each pound of excess weight when the excess exceeds 1,000 pounds and is 2,000 pounds or less; not less than 7 cents nor more than 10 cents per pound for each pound of excess weight when the excess exceeds 2,000 pounds and is 3,000 pounds or less; not less than 10 cents nor more than 15 cents per pound for each pound of excess weight when the excess exceeds 3,000 pounds and is 4,000 pounds or less; not less than 15 cents nor more than 20 cents per pound for each pound of excess weight when the excess exceeds 4,000 pounds and is 5,000 pounds or less; and not less than 17 cents nor more than 25 cents per pound for each pound of excess weight when the excess exceeds 5,000 pounds.

Penalties for violations of this section shall be in addition to any penalties imposed for violation of Section 15-301 (j) of this Chapter [625 ILCS 5/15-301].

HISTORY:

625 ILCS 5/15-116 Highway designations.

(a) The Department of Transportation shall maintain and provide a listing of all Class I and Class II designated streets and highways as defined in Chapter 1 of this Code [625 ILCS 5/1-100 et seq.].

(b) The Department shall also maintain and provide a listing of all local streets or highways that have been designated Class II by local agencies.

(c) Local agencies shall be responsible for reporting to the Department all streets and highways under their jurisdiction designated Class II. Local agencies shall also provide to the Department reference contact names and telephone numbers.

(d) The Department shall also maintain and provide an official map of the Designated State Truck Route System that includes State and local streets and highways that have been designated Class I or Class II.

(e) If a unit of local government has no Class II designated truck routes, the unit of local government shall affirm to the Department that it has no such truck routes.

(f) Each unit of local government may report to the Department, and the Department shall post on its official website, any limitations prohibiting the operation of vehicles imposed by ordinance or resolution in the unit of local government's non-designated highway system.

P.A. 94-763, § 5; 2019 P.A. 101-328, § 5, effective January 1, 2020.

625 ILCS 5/15-117 Global Positioning System Technology and the Designated Truck Route System Task Force.

(a) A Global Positioning System Technology and the Designated Truck Route System Task Force shall be appointed to study and make recommendations for statutory change.

(b) The Task Force shall study advances in and utilization of Global Positioning System (GPS) technology relating to routing information for commercial vehicles. The Task Force shall also study the implementation and compliance with the Designated Truck Route System under Section 15-116 of this Code [625 ILCS 5/15-116].

(c) The Task Force shall be composed of the following members, who shall serve without pay:

(1) one member of the Senate appointed by the President of the Senate;

(2) one member of the Senate appointed by the Minority Leader of the Senate;

(3) one member of the House of Representatives appointed by the Speaker of the House of Representatives;

(4) one member of the House of Representatives appointed by the Minority Leader of the House of Representatives;

(5) the Secretary of the Illinois Department of Transportation or his or her designee;

(6) one member representing the global positioning system technology industry appointed by the President of the Senate;

(7) one member representing the commercial trucking industry appointed by the Minority Leader of the Senate;

(8) one member representing a unit of county government appointed by the Speaker of the House of Representatives;

(9) one member representing a unit of municipal government appointed by the Minority Leader of the House of Representatives; and

(10) one member representing the county engineers appointed by the Minority Leader of the House of Representatives.

The members shall select a chairperson from among themselves.

(d) The Task Force shall meet within 60 days of the effective date of this amendatory Act of the 96th General Assembly [P.A. 96-1370] and meet at least 2 additional times before December 31, 2010. Staff support services may be provided to the Task Force by the Illinois Department of Transportation.

(e) The Task Force shall submit to the Governor and General Assembly a report of its findings and recommendations for legislative action necessary to accomplish one or more of the following goals: (1) improving public traffic safety, (2) preserving roadway infrastructure, (3) addressing advances in GPS technology relating to truck routing, and (4) producing an accurate statewide designated truck route system through effective enforcement of Section 15-116 of this Code. The Task Force report must be submitted no later than January 1, 2011. The activities of the Task Force shall conclude no later than January 31, 2011.

HISTORY:
P.A. 96-1370, § 5.

ARTICLE III.

PERMITS

625 ILCS 5/15-301 Permits for excess size and weight. [Effective until July 1, 2023]

(a) The Department with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction may, in their discretion, upon application and good cause being shown therefor, issue a special permit authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in this Code or otherwise not in conformity with this Code upon any highway under the jurisdiction of the party granting such permit and for the maintenance of which the party is responsible. Applications and permits other than those in written or printed form may only be accepted from and issued to the company or individual making the movement. Except for an application to move directly across a highway, it shall be the duty of the applicant to establish in the application that the load to be moved by such vehicle or combination cannot reasonably be dismantled or disassembled, the reasonableness of which shall be determined by the Secretary of the Department. For the purpose of over length movements, more than one object may be carried side by side as long as the height, width, and weight laws are not exceeded and the cause for the over length is not due to multiple objects. For the purpose of over height movements, more than one object may be carried as long as the cause for the over height is not due to multiple objects and the length, width, and weight laws are not exceeded. For the purpose of an over width movement, more than one object may be carried as long as the cause for the over width is not due to multiple objects and length, height, and weight laws are not exceeded. Except for transporting fluid milk products, no State or local agency shall authorize the issuance of excess size or weight permits for vehicles and loads that are divisible and that can be carried, when divided, within the existing size or weight maximums specified in this Chapter. Any excess size or weight permit issued in violation of the provisions of this Section shall be void at issue and any movement made thereunder shall not be authorized under the terms of the void permit. In any prosecution for a violation of this Chapter when the authorization of an excess size or weight permit is at issue, it is the burden of the defendant to establish that the permit was valid because the load to be moved could not reasonably be dismantled or disassembled, or was otherwise nondivisible.

(a-1) As used in this Section, "extreme heavy duty tow and recovery vehicle" means a tow truck manufactured as a unit having a lifting capacity of not less than 50 tons, and having either 4 axles and an unladen weight of not more than 80,000 pounds or 5 axles and an unladen weight not more than 90,000 pounds. Notwithstanding otherwise applicable gross and axle weight limits, an extreme heavy duty tow and recovery vehicle may lawfully travel to and from the scene of a disablement and clear a disabled vehicle if the towing service has obtained an extreme heavy duty tow and recovery permit for the vehicle. The form and content of the permit shall be determined by the Department with respect to highways under its jurisdiction and by local authorities with respect to highways under their jurisdiction.

(b) The application for any such permit shall: (1) state whether such permit is requested for a single trip or for limited continuous operation; (2) (blank); (3) specifically describe and identify the vehicle or vehicles and load to be operated or moved; (4) state

the routing requested, including the points of origin and destination, and may identify and include a request for routing to the nearest certified scale in accordance with the Department's rules and regulations, provided the applicant has approval to travel on local roads; and (5) (blank).

(c) The Department or local authority when not inconsistent with traffic safety is authorized to issue or withhold such permit at its discretion; or, if such permit is issued at its discretion to prescribe the route or routes to be traveled, to limit the number of trips, to establish seasonal or other time limitations within which the vehicles described may be operated on the highways indicated, or otherwise to limit or prescribe conditions of operations of such vehicle or vehicles, when necessary to assure against undue damage to the road foundations, surfaces or structures, and may require such undertaking or other security as may be deemed necessary to compensate for any injury to any roadway or road structure. The Department shall maintain a daily record of each permit issued along with the fee and the stipulated dimensions, weights, conditions, and restrictions authorized and this record shall be presumed correct in any case of questions or dispute. The Department shall install an automatic device for recording telephone conversations involving permit applications. The Department and applicant waive all objections to the recording of the conversation.

(d) The Department shall, upon application in writing from any local authority, issue an annual permit authorizing the local authority to move oversize highway construction, transportation, utility, and maintenance equipment over roads under the jurisdiction of the Department. The permit shall be applicable only to equipment and vehicles owned by or registered in the name of the local authority, and no fee shall be charged for the issuance of such permits.

(e) As an exception to subsection (a) of this Section, the Department and local authorities, with respect to highways under their respective jurisdictions, in their discretion and upon application in writing, may issue a special permit for limited continuous operation, authorizing the applicant to move loads of agricultural commodities on a 2-axle single vehicle registered by the Secretary of State with axle loads not to exceed 35%, on a 3-axle or 4-axle vehicle registered by the Secretary of State with axle loads not to exceed 20%, and on a 5-axle vehicle registered by the Secretary of State not to exceed 10% above those provided in Section 15-111 [625 ILCS 5/15-111]. The total gross weight of the vehicle, however, may not exceed the maximum gross weight of the registration class of the vehicle allowed under Section 3-815 or 3-818 of this Code [625 ILCS 5/3-815 or 625 ILCS 5/3-818].

As used in this Section, "agricultural commodities" means:

(1) cultivated plants or agricultural produce grown, including, but not limited to, corn, soybeans, wheat, oats, grain sorghum, canola, and rice;

(2) livestock, including, but not limited to, hogs, equine, sheep, and poultry;

(3) ensilage; and

(4) fruits and vegetables.

Permits may be issued for a period not to exceed 40 days and moves may be made of a distance not to exceed 50 miles from a field, an on-farm grain storage facility, a warehouse as defined in the Grain Code [240 ILCS 40/1-1 et seq.], or a livestock management facility as defined in the Livestock Management Facilities Act [510 ILCS 77/1 et seq.] over any highway except the National System of Interstate and Defense Highways. The operator of the vehicle, however, must abide by posted bridge and posted highway weight limits. All implements of husbandry operating under this Section between sunset and sunrise shall be equipped as prescribed in Section 12-205.1 [625 ILCS 5/12-205.1].

(e-1) A special permit shall be issued by the Department under this Section and shall be required from September 1 through December 31 for a vehicle that exceeds the maximum axle weight and gross weight limits under Section 15-111 of this Code or exceeds the vehicle's registered gross weight, provided that the vehicle's axle weight and gross weight do not exceed 10% above the maximum limits under Section 15-111 of this Code and does not exceed the vehicle's registered gross weight by 10%. All other restrictions that apply to permits issued under this Section shall apply during the declared time period and no fee shall be charged for the issuance of those permits. Permits issued by the Department under this subsection (e-1) are only valid on federal and State highways under the jurisdiction of the Department, except interstate highways. With respect to highways under the jurisdiction of local authorities, the local authorities may, at their discretion, waive special permit requirements and set a divisible load weight limit not to exceed 10% above a vehicle's registered gross weight, provided that the vehicle's axle weight and gross weight do not exceed 10% above the maximum limits specified in Section 15-111. Permits issued under this subsection (e-1) shall apply to all registered vehicles eligible to obtain permits under this Section, including vehicles used in private or for-hire movement of divisible load agricultural commodities during the declared time period.

(f) The form and content of the permit shall be determined by the Department with respect to highways under its jurisdiction and by local authorities with respect to highways under their jurisdiction. Every permit shall be in written form and carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit and no person shall violate any of the terms or conditions of such special permit. Violation of the terms and conditions of the permit shall not be

deemed a revocation of the permit; however, any vehicle and load found to be off the route prescribed in the permit shall be held to be operating without a permit. Any off-route vehicle and load shall be required to obtain a new permit or permits, as necessary, to authorize the movement back onto the original permit routing. No rule or regulation, nor anything herein, shall be construed to authorize any police officer, court, or authorized agent of any authority granting the permit to remove the permit from the possession of the permittee unless the permittee is charged with a fraudulent permit violation as provided in subsection (i). However, upon arrest for an offense of violation of permit, operating without a permit when the vehicle is off route, or any size or weight offense under this Chapter when the permittee plans to raise the issuance of the permit as a defense, the permittee, or his agent, must produce the permit at any court hearing concerning the alleged offense.

If the permit designates and includes a routing to a certified scale, the permittee, while en route to the designated scale, shall be deemed in compliance with the weight provisions of the permit provided the axle or gross weights do not exceed any of the permitted limits by more than the following amounts:

Single axle	2000 pounds
Tandem axle	3000 pounds
Gross	5000 pounds

(g) The Department is authorized to adopt, amend, and make available to interested persons a policy concerning reasonable rules, limitations and conditions or provisions of operation upon highways under its jurisdiction in addition to those contained in this Section for the movement by special permit of vehicles, combinations, or loads which cannot reasonably be dismantled or disassembled, including manufactured and modular home sections and portions thereof. All rules, limitations and conditions or provisions adopted in the policy shall have due regard for the safety of the traveling public and the protection of the highway system and shall have been promulgated in conformity with the provisions of the Illinois Administrative Procedure Act [5 ILCS 100/1-1 et seq.]. The requirements of the policy for flagmen and escort vehicles shall be the same for all moves of comparable size and weight. When escort vehicles are required, they shall meet the following requirements:

(1) All operators shall be 18 years of age or over and properly licensed to operate the vehicle.

(2) Vehicles escorting oversized loads more than 12 feet wide must be equipped with a rotating or flashing amber light mounted on top as specified under Section 12-215.

The Department shall establish reasonable rules and regulations regarding liability insurance or self insurance for vehicles with oversized loads promulgated under the Illinois Administrative Procedure Act. Police vehicles may be required for escort under circumstances as required by rules and regulations of the Department.

(h) Violation of any rule, limitation or condition or provision of any permit issued in accordance with the provisions of this Section shall not render the entire permit null and void but the violator shall be deemed guilty of violation of permit and guilty of exceeding any size, weight, or load limitations in excess of those authorized by the permit. The prescribed route or routes on the permit are not mere rules, limitations, conditions, or provisions of the permit, but are also the sole extent of the authorization granted by the permit. If a vehicle and load are found to be off the route or routes prescribed by any permit authorizing movement, the vehicle and load are operating without a permit. Any off-route movement shall be subject to the size and weight maximums, under the applicable provisions of this Chapter, as determined by the type or class highway upon which the vehicle and load are being operated.

(i) Whenever any vehicle is operated or movement made under a fraudulent permit, the permit shall be void, and the person, firm, or corporation to whom such permit was granted, the driver of such vehicle in addition to the person who issued such permit and any accessory, shall be guilty of fraud and either one or all persons may be prosecuted for such violation. Any person, firm, or corporation committing such violation shall be guilty of a Class 4 felony and the Department shall not issue permits to the person, firm, or corporation convicted of such violation for a period of one year after the date of conviction. Penalties for violations of this Section shall be in addition to any penalties imposed for violation of other Sections of this Code.

(j) Whenever any vehicle is operated or movement made in violation of a permit issued in accordance with this Section, the person to whom such permit was granted, or the driver of such vehicle, is guilty of such violation and either, but not both, persons may be prosecuted for such violation as stated in this subsection (j). Any person, firm, or corporation convicted of such violation shall be guilty of a petty offense and shall be fined, for the first offense, not less than $50 nor more than $200 and, for the second offense by the same person, firm, or corporation within a period of one year, not less than $200 nor more than $300 and, for the third offense by the same person, firm, or corporation within a period of one year after the date of the first offense, not less than $300 nor more than $500 and the Department may, in its discretion, not issue permits to the person, firm, or corporation convicted of a third offense during a period of one year after the date of conviction or supervision for such third offense. If any violation is the cause or contributing cause in a motor vehicle accident causing damage to property, injury, or death to a person, the Department may, in its discretion, not issue a permit to the person, firm, or corporation for a period of one year after the date of conviction or supervision for the offense.

(k) Whenever any vehicle is operated on local roads under permits for excess width or length issued by local authorities, such vehicle may be moved upon a State highway for a distance not to exceed one-half mile without a permit for the purpose of crossing the State highway.

(*l*) Notwithstanding any other provision of this Section, the Department, with respect to highways under its jurisdiction, and local authorities, with respect to highways under their jurisdiction, may at their discretion authorize the movement of a vehicle in violation of any size or weight requirement, or both, that would not ordinarily be eligible for a permit, when there is a showing of extreme necessity that the vehicle and load should be moved without unnecessary delay.

For the purpose of this subsection, showing of extreme necessity shall be limited to the following: shipments of livestock, hazardous materials, liquid concrete being hauled in a mobile cement mixer, or hot asphalt.

(m) Penalties for violations of this Section shall be in addition to any penalties imposed for violating any other Section of this Code.

(n) The Department with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction, in their discretion and upon application in writing, may issue a special permit for continuous limited operation, authorizing the applicant to operate a tow truck that exceeds the weight limits provided for in subsection (a) of Section 15-111, provided:

(1) no rear single axle of the tow truck exceeds 26,000 pounds;

(2) no rear tandem axle of the tow truck exceeds 50,000 pounds;

(2.1) no triple rear axle on a manufactured recovery unit exceeds 60,000 pounds;

(3) neither the disabled vehicle nor the disabled combination of vehicles exceed the weight restrictions imposed by this Chapter 15, or the weight limits imposed under a permit issued by the Department prior to hookup;

(4) the tow truck prior to hookup does not exceed the weight restrictions imposed by this Chapter 15;

(5) during the tow operation the tow truck does not violate any weight restriction sign;

(6) the tow truck is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions;

(7) the tow truck is specifically designed and licensed as a tow truck;

(8) the tow truck has a gross vehicle weight rating of sufficient capacity to safely handle the load;

(9) the tow truck is equipped with air brakes;

(10) the tow truck is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of vehicles;

(11) the tow commences at the initial point of wreck or disablement and terminates at a point where the repairs are actually to occur;

(12) the permit issued to the tow truck is carried in the tow truck and exhibited on demand by a police officer; and

(13) the movement shall be valid only on State routes approved by the Department.

(o) (Blank).

(p) In determining whether a load may be reasonably dismantled or disassembled for the purpose of subsection (a), the Department shall consider whether there is a significant negative impact on the condition of the pavement and structures along the proposed route, whether the load or vehicle as proposed causes a safety hazard to the traveling public, whether dismantling or disassembling the load promotes or stifles economic development, and whether the proposed route travels less than 5 miles. A load is not required to be dismantled or disassembled for the purposes of subsection (a) if the Secretary of the Department determines there will be no significant negative impact to pavement or structures along the proposed route, the proposed load or vehicle causes no safety hazard to the traveling public, dismantling or disassembling the load does not promote economic development, and the proposed route travels less than 5 miles. The Department may promulgate rules for the purpose of establishing the divisibility of a load pursuant to subsection (a). Any load determined by the Secretary to be nondivisible shall otherwise comply with the existing size or weight maximums specified in this Chapter.

625 ILCS 5/15-301 Permits for excess size and weight. [Effective July 1, 2023]

(a) The Department with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction may, in their discretion, upon application and good cause being shown therefor, issue a special permit authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in this Code or otherwise not in conformity with this Code upon any highway under the jurisdiction of the party granting such permit and for the maintenance of which the party is responsible. Applications and permits other than those in written or printed form may only be accepted from and issued to the company or individual making the movement. Except for an application to move directly across a highway, it shall be the duty of the applicant to establish in the application that the load to be moved by such vehicle or combi-

nation cannot reasonably be dismantled or disassembled, the reasonableness of which shall be determined by the Secretary of the Department. For the purpose of over length movements, more than one object may be carried side by side as long as the height, width, and weight laws are not exceeded and the cause for the over length is not due to multiple objects. For the purpose of over height movements, more than one object may be carried as long as the cause for the over height is not due to multiple objects and the length, width, and weight laws are not exceeded. For the purpose of an over width movement, more than one object may be carried as long as the cause for the over width is not due to multiple objects and length, height, and weight laws are not exceeded. Except for transporting fluid milk products, no State or local agency shall authorize the issuance of excess size or weight permits for vehicles and loads that are divisible and that can be carried, when divided, within the existing size or weight maximums specified in this Chapter. Any excess size or weight permit issued in violation of the provisions of this Section shall be void at issue and any movement made thereunder shall not be authorized under the terms of the void permit. In any prosecution for a violation of this Chapter when the authorization of an excess size or weight permit is at issue, it is the burden of the defendant to establish that the permit was valid because the load to be moved could not reasonably be dismantled or disassembled, or was otherwise nondivisible.

(a-1) As used in this Section, "extreme heavy duty tow and recovery vehicle" means a tow truck manufactured as a unit having a lifting capacity of not less than 50 tons, and having either 4 axles and an unladen weight of not more than 80,000 pounds or 5 axles and an unladen weight not more than 90,000 pounds. Notwithstanding otherwise applicable gross and axle weight limits, an extreme heavy duty tow and recovery vehicle may lawfully travel to and from the scene of a disablement and clear a disabled vehicle if the towing service has obtained an extreme heavy duty tow and recovery permit for the vehicle. The form and content of the permit shall be determined by the Department with respect to highways under its jurisdiction and by local authorities with respect to highways under their jurisdiction.

(b) The application for any such permit shall: (1) state whether such permit is requested for a single trip or for limited continuous operation; (2) (blank); (3) specifically describe and identify the vehicle or vehicles and load to be operated or moved; (4) state the routing requested, including the points of origin and destination, and may identify and include a request for routing to the nearest certified scale in accordance with the Department's rules and regulations, provided the applicant has approval to travel on local roads; and (5) (blank).

(c) The Department or local authority when not inconsistent with traffic safety is authorized to issue or withhold such permit at its discretion; or, if such permit is issued at its discretion to prescribe the route or routes to be traveled, to limit the number of trips, to establish seasonal or other time limitations within which the vehicles described may be operated on the highways indicated, or otherwise to limit or prescribe conditions of operations of such vehicle or vehicles, when necessary to assure against undue damage to the road foundations, surfaces or structures, and may require such undertaking or other security as may be deemed necessary to compensate for any injury to any roadway or road structure. The Department shall maintain a daily record of each permit issued along with the fee and the stipulated dimensions, weights, conditions, and restrictions authorized and this record shall be presumed correct in any case of questions or dispute. The Department shall install an automatic device for recording telephone conversations involving permit applications. The Department and applicant waive all objections to the recording of the conversation.

(d) The Department shall, upon application in writing from any local authority, issue an annual permit authorizing the local authority to move oversize highway construction, transportation, utility, and maintenance equipment over roads under the jurisdiction of the Department. The permit shall be applicable only to equipment and vehicles owned by or registered in the name of the local authority, and no fee shall be charged for the issuance of such permits.

(e) As an exception to subsection (a) of this Section, the Department and local authorities, with respect to highways under their respective jurisdictions, in their discretion and upon application in writing, may issue a special permit for limited continuous operation, authorizing the applicant to move loads of agricultural commodities on a 2-axle single vehicle registered by the Secretary of State with axle loads not to exceed 35%, on a 3-axle or 4-axle vehicle registered by the Secretary of State with axle loads not to exceed 20%, and on a 5-axle vehicle registered by the Secretary of State not to exceed 10% above those provided in Section 15-111. The total gross weight of the vehicle, however, may not exceed the maximum gross weight of the registration class of the vehicle allowed under Section 3-815 or 3-818 of this Code.

As used in this Section, "agricultural commodities" means:

(1) cultivated plants or agricultural produce grown, including, but not limited to, corn, soybeans, wheat, oats, grain sorghum, canola, and rice;

(2) livestock, including, but not limited to, hogs, equine, sheep, and poultry;

(3) ensilage; and

(4) fruits and vegetables.

Permits may be issued for a period not to exceed 40 days and moves may be made of a distance not to exceed 50 miles from a field, an on-farm grain storage facility, a warehouse as defined in the Grain Code, or

a livestock management facility as defined in the Livestock Management Facilities Act over any highway except the National System of Interstate and Defense Highways. The operator of the vehicle, however, must abide by posted bridge and posted highway weight limits. All implements of husbandry operating under this Section between sunset and sunrise shall be equipped as prescribed in Section 12-205.1.

(e-1) A special permit shall be issued by the Department under this Section and shall be required from September 1 through December 31 for a vehicle that exceeds the maximum axle weight and gross weight limits under Section 15-111 of this Code or exceeds the vehicle's registered gross weight, provided that the vehicle's axle weight and gross weight do not exceed 10% above the maximum limits under Section 15-111 of this Code and does not exceed the vehicle's registered gross weight by 10%. All other restrictions that apply to permits issued under this Section shall apply during the declared time period and no fee shall be charged for the issuance of those permits. Permits issued by the Department under this subsection (e-1) are only valid on federal and State highways under the jurisdiction of the Department, except interstate highways. With respect to highways under the jurisdiction of local authorities, the local authorities may, at their discretion, waive special permit requirements and set a divisible load weight limit not to exceed 10% above a vehicle's registered gross weight, provided that the vehicle's axle weight and gross weight do not exceed 10% above the maximum limits specified in Section 15-111. Permits issued under this subsection (e-1) shall apply to all registered vehicles eligible to obtain permits under this Section, including vehicles used in private or for-hire movement of divisible load agricultural commodities during the declared time period.

(f) The form and content of the permit shall be determined by the Department with respect to highways under its jurisdiction and by local authorities with respect to highways under their jurisdiction. Every permit shall be in written form and carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit and no person shall violate any of the terms or conditions of such special permit. Violation of the terms and conditions of the permit shall not be deemed a revocation of the permit; however, any vehicle and load found to be off the route prescribed in the permit shall be held to be operating without a permit. Any off-route vehicle and load shall be required to obtain a new permit or permits, as necessary, to authorize the movement back onto the original permit routing. No rule or regulation, nor anything herein, shall be construed to authorize any police officer, court, or authorized agent of any authority granting the permit to remove the permit from the possession of the permittee unless the permittee is charged with a fraudulent permit violation as provided in subsection (i). However, upon arrest for an offense of violation of permit, operating without a permit when the vehicle is off route, or any size or weight offense under this Chapter when the permittee plans to raise the issuance of the permit as a defense, the permittee, or his agent, must produce the permit at any court hearing concerning the alleged offense.

If the permit designates and includes a routing to a certified scale, the permittee, while en route to the designated scale, shall be deemed in compliance with the weight provisions of the permit provided the axle or gross weights do not exceed any of the permitted limits by more than the following amounts:

Single axle	2000 pounds
Tandem axle	3000 pounds
Gross	5000 pounds

(g) The Department is authorized to adopt, amend, and make available to interested persons a policy concerning reasonable rules, limitations and conditions or provisions of operation upon highways under its jurisdiction in addition to those contained in this Section for the movement by special permit of vehicles, combinations, or loads which cannot reasonably be dismantled or disassembled, including manufactured and modular home sections and portions thereof. All rules, limitations and conditions or provisions adopted in the policy shall have due regard for the safety of the traveling public and the protection of the highway system and shall have been promulgated in conformity with the provisions of the Illinois Administrative Procedure Act. The requirements of the policy for flagmen and escort vehicles shall be the same for all moves of comparable size and weight. When escort vehicles are required, they shall meet the following requirements:

(1) All operators shall be 18 years of age or over and properly licensed to operate the vehicle.

(2) Vehicles escorting oversized loads more than 12 feet wide must be equipped with a rotating or flashing amber light mounted on top as specified under Section 12-215.

The Department shall establish reasonable rules and regulations regarding liability insurance or self insurance for vehicles with oversized loads promulgated under the Illinois Administrative Procedure Act. Police vehicles may be required for escort under circumstances as required by rules and regulations of the Department.

(h) Violation of any rule, limitation or condition or provision of any permit issued in accordance with the provisions of this Section shall not render the entire permit null and void but the violator shall be deemed guilty of violation of permit and guilty of exceeding any size, weight, or load limitations in excess of those authorized by the permit. The prescribed route or routes on the permit are not mere rules, limitations, conditions, or provisions of the permit, but are also the sole extent of the authorization granted by the

permit. If a vehicle and load are found to be off the route or routes prescribed by any permit authorizing movement, the vehicle and load are operating without a permit. Any off-route movement shall be subject to the size and weight maximums, under the applicable provisions of this Chapter, as determined by the type or class highway upon which the vehicle and load are being operated.

(i) Whenever any vehicle is operated or movement made under a fraudulent permit, the permit shall be void, and the person, firm, or corporation to whom such permit was granted, the driver of such vehicle in addition to the person who issued such permit and any accessory, shall be guilty of fraud and either one or all persons may be prosecuted for such violation. Any person, firm, or corporation committing such violation shall be guilty of a Class 4 felony and the Department shall not issue permits to the person, firm, or corporation convicted of such violation for a period of one year after the date of conviction. Penalties for violations of this Section shall be in addition to any penalties imposed for violation of other Sections of this Code.

(j) Whenever any vehicle is operated or movement made in violation of a permit issued in accordance with this Section, the person to whom such permit was granted, or the driver of such vehicle, is guilty of such violation and either, but not both, persons may be prosecuted for such violation as stated in this subsection (j). Any person, firm, or corporation convicted of such violation shall be guilty of a petty offense and shall be fined, for the first offense, not less than $50 nor more than $200 and, for the second offense by the same person, firm, or corporation within a period of one year, not less than $200 nor more than $300 and, for the third offense by the same person, firm, or corporation within a period of one year after the date of the first offense, not less than $300 nor more than $500 and the Department may, in its discretion, not issue permits to the person, firm, or corporation convicted of a third offense during a period of one year after the date of conviction or supervision for such third offense. If any violation is the cause or contributing cause in a motor vehicle crash causing damage to property, injury, or death to a person, the Department may, in its discretion, not issue a permit to the person, firm, or corporation for a period of one year after the date of conviction or supervision for the offense.

(k) Whenever any vehicle is operated on local roads under permits for excess width or length issued by local authorities, such vehicle may be moved upon a State highway for a distance not to exceed one-half mile without a permit for the purpose of crossing the State highway.

(*l*) Notwithstanding any other provision of this Section, the Department, with respect to highways under its jurisdiction, and local authorities, with respect to highways under their jurisdiction, may at their discretion authorize the movement of a vehicle in violation of any size or weight requirement, or both, that would not ordinarily be eligible for a permit, when there is a showing of extreme necessity that the vehicle and load should be moved without unnecessary delay.

For the purpose of this subsection, showing of extreme necessity shall be limited to the following: shipments of livestock, hazardous materials, liquid concrete being hauled in a mobile cement mixer, or hot asphalt.

(m) Penalties for violations of this Section shall be in addition to any penalties imposed for violating any other Section of this Code.

(n) The Department with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction, in their discretion and upon application in writing, may issue a special permit for continuous limited operation, authorizing the applicant to operate a tow truck that exceeds the weight limits provided for in subsection (a) of Section 15-111, provided:

(1) no rear single axle of the tow truck exceeds 26,000 pounds;

(2) no rear tandem axle of the tow truck exceeds 50,000 pounds;

(2.1) no triple rear axle on a manufactured recovery unit exceeds 60,000 pounds;

(3) neither the disabled vehicle nor the disabled combination of vehicles exceed the weight restrictions imposed by this Chapter 15, or the weight limits imposed under a permit issued by the Department prior to hookup;

(4) the tow truck prior to hookup does not exceed the weight restrictions imposed by this Chapter 15;

(5) during the tow operation the tow truck does not violate any weight restriction sign;

(6) the tow truck is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions;

(7) the tow truck is specifically designed and licensed as a tow truck;

(8) the tow truck has a gross vehicle weight rating of sufficient capacity to safely handle the load;

(9) the tow truck is equipped with air brakes;

(10) the tow truck is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of vehicles;

(11) the tow commences at the initial point of wreck or disablement and terminates at a point where the repairs are actually to occur;

(12) the permit issued to the tow truck is carried in the tow truck and exhibited on demand by a police officer; and

(13) the movement shall be valid only on State routes approved by the Department.

(o) (Blank).

(p) In determining whether a load may be reasonably dismantled or disassembled for the purpose of subsection (a), the Department shall consider whether there is a significant negative impact on the condition of the pavement and structures along the

proposed route, whether the load or vehicle as proposed causes a safety hazard to the traveling public, whether dismantling or disassembling the load promotes or stifles economic development, and whether the proposed route travels less than 5 miles. A load is not required to be dismantled or disassembled for the purposes of subsection (a) if the Secretary of the Department determines there will be no significant negative impact to pavement or structures along the proposed route, the proposed load or vehicle causes no safety hazard to the traveling public, dismantling or disassembling the load does not promote economic development, and the proposed route travels less than 5 miles. The Department may promulgate rules for the purpose of establishing the divisibility of a load pursuant to subsection (a). Any load determined by the Secretary to be nondivisible shall otherwise comply with the existing size or weight maximums specified in this Chapter.

625 ILCS 5/15-307 Fees for overweight-gross loads.

Fees for special permits to move vehicles, combinations of vehicles and loads with overweight-gross loads shall be paid at the flat rate fees established in this Section for weights in excess of legal gross weights, by the applicant to the Department.

(a) With respect to fees for overweight-gross loads listed in this Section and for overweight-axle loads listed in Section 15-306 [625 ILCS 5/15-306], one fee only shall be charged, whichever is the greater, but not for both.

(b) In lieu of the fees stated in this Section and Section 15-306, with respect to combinations of vehicles consisting of a 3-axle truck tractor with a tandem axle composed of 2 consecutive axles drawing a semitrailer, or other vehicle approved by the Department, equipped with a tandem axle composed of 3 consecutive axles, weighing over 80,000 pounds but not more than 88,000 pounds gross weight, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$10
From 45 miles to 90 miles	12.50
From 90 miles to 135 miles	15.00
From 135 miles to 180 miles	17.50
From 180 miles to 225 miles	20.00
For each additional 45 miles or part thereof in excess of the rate for 225 miles, an additional	2.50

For such combinations weighing over 88,000 pounds but not more than 100,000 pounds gross weight, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	15
From 45 miles to 90 miles	25
From 90 miles to 135 miles	35
From 135 miles to 180 miles	45
From 180 miles to 225 miles	55
For each additional 45 miles or part thereof in excess of the rate for 225 miles, an additional	10

For such combination weighing over 100,000 pounds but not more than 110,000 pounds gross weight, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$20
From 45 miles to 90 miles	32.50
From 90 miles to 135 miles	45
From 135 miles to 180 miles	57.50
From 180 miles to 225 miles	70
For each additional 45 miles or part thereof in excess of the rate for 225 miles an additional	12.50

For such combinations weighing over 110,000 pounds but not more than 120,000 pounds gross weight, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$30
From 46 miles to 90 miles	55
From 90 miles to 135 miles	80
From 135 miles to 180 miles	105
From 180 miles to 225 miles	130
For each additional 45 miles or part thereof in excess of the rate for 225 miles an additional	25

Payment of overweight fees for the above combinations also shall include fees for overwidth dimensions of 4 feet or less, overheight and overlength. Any overwidth in excess of 4 feet shall be charged an additional fee of $15.

(c) In lieu of the fees stated in this Section and Section 15-306 of this Chapter, with respect to combinations of vehicles consisting of a 3-axle truck tractor with a tandem axle composed of 2 consecutive axles drawing a semitrailer, or other vehicle approved by the Department, equipped with a tandem axle composed of 2 consecutive axles, weighing over 80,000 pounds but not more than 88,000 pounds gross weight, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$20
From 45 miles to 90 miles	32.50
From 90 miles to 135 miles	45
From 135 miles to 180 miles	57.50
From 180 miles to 225 miles	70
For each additional 45 miles or part thereof in excess of the rate for 225 miles an additional	12.50

For such combination weighing over 88,000 pounds but not more than 100,000 pounds gross weight, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$30
From 46 miles to 90 miles	55
From 90 miles to 135 miles	80
From 135 miles to 180 miles	105
From 180 miles to 225 miles	130
For each additional 45 miles or part thereof in excess of the rate for 225 miles an additional	25

Payment of overweight fees for the above combinations also shall include fees for overwidth dimension of 4 feet or less, overheight and overlength. Any overwidth in excess of 4 feet shall be charged an additional overwidth fee of $15.

(d) In lieu of the fees stated in this Section and in Section 15-306 of this Chapter, with respect to a 3 (or more) axle mobile crane or water well-drilling vehicle consisting of a single axle and a tandem axle or 2 tandem axle groups composed of 2 consecutive axles each, with a distance of extreme axles not less than 18 feet, weighing not more than 60,000 pounds gross with no single axle weighing more than 21,000 pounds, or any tandem axle group to exceed 40,000 pounds, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$12.50
For each additional 45 miles or portion thereof	9.00

For such vehicles weighing over 60,000 pounds but not more than 68,000 pounds with no single axle weighing more than 21,000 pounds and no tandem axle group exceeding 48,000 pounds, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$20
For each additional 45 miles or portion thereof	12.50

Payment of overweight fees for the above vehicle shall include overwidth dimension of 4 feet or less, overheight and overlength. Any overwidth in excess of 4 feet shall be charged an additional overwidth fee of $15.

(e) In lieu of the fees stated in this Section and in Section 15-306 of this Chapter, with respect to a 4 (or more) axle mobile crane or water well drilling vehicle consisting of 2 sets of tandem axles composed of 2 or more consecutive axles each with a distance between extreme axles of not less than 23 feet weighing not more than 72,000 pounds with axle weights on one set of tandem axles not more than 34,000 pounds, and weight in the other set of tandem axles not to exceed 40,000 pounds, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$15
For each additional 45 miles or portion thereof	10

For such vehicles weighing over 72,000 pounds but not more than 76,000 pounds with axle weights on either set of tandem axles not more than 44,000 pounds, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$20
For each additional 45 miles or portion thereof	12.50

Payment of overweight fees for the above vehicle shall include overwidth dimension of 4 feet or less, overheight and overlength. Any overwidth in excess of 4 feet shall be charged an additional fee of $15.

(f) In lieu of fees stated in this Section and in Section 15-306 of this Chapter, with respect to a two axle mobile crane or water well-drilling vehicle consisting of 2 single axles weighing not more than 48,000 pounds with no single axle weighing more than 25,000 pounds, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$15
For each additional 45 miles or portion thereof	10

For such vehicles weighing over 48,000 pounds but not more than 54,000 pounds with no single axle weighing more than 28,000 pounds, the fees shall be at the following rates:

Distance	Rate
For the first 45 miles	$20
For each additional 45 miles or portion thereof	12.50

Payment of overweight fees for the above vehicle shall include overwidth dimension of 4 feet or less, overheight and overlength. Any overwidth in excess of 4 feet shall be charged an additional overwidth fee of $15.

(g) Fees for special permits to move vehicles, combinations of vehicles, and loads with overweight gross loads not included in the fee categories shall be paid by the applicant to the Department at the rate of

$50 plus 3.5 cents per ton-mile in excess of legal weight.

With respect to fees for overweight gross loads not included in the schedules specified in paragraphs (a) through (e) of Section 15-307 and for overweight axle loads listed in Section 15-306, one fee only shall be charged, whichever is the greater, but not both. An additional fee in accordance with the schedule set forth in Section 15-305 [625 ILCS 5/15-305] shall be charged for each overdimension.

(h) Fees for special permits for continuous limited operation authorizing the applicant to operate vehicles that exceed the weight limits provided for in subsection (a) of Section 15-111 [625 ILCS 5/15-111].

All single axles excluding the steer axle and axles within a tandem are limited to 24,000 pounds or less unless otherwise noted in this subsection (h). Loads up to 12 feet wide and 110 feet in length shall be included within this permit. Fees shall be $250 for a quarterly and $1,000 for an annual permit. Front tag axle and double tandem trailers are not eligible.

The following configurations qualify for the quarterly and annual permits:

(1) 3 or more axles, total gross weight of 68,000 pounds or less, front tandem or axle 21,000 pounds or less, rear tandem 48,000 pounds or less on 2 or 3 axles, 25,000 pounds or less on single axle;

(2) 4 or more axles, total gross weight of 76,000 pounds or less, front tandem 44,000 pounds or less on 2 axles, front axle 20,000 pounds or less, rear tandem 44,000 pounds or less on 2 axles and 23,000 pounds or less on single axle or 48,000 pounds or less on 3 axles, 25,000 pounds or less on single axle;

(3) 5 or more axles, total gross weight of 100,000 pounds or less, front tandem 48,000 pounds or less on 2 axles, front axle 20,000 pounds or less, 25,000 pounds or less on single axle, rear tandem 48,000 pounds or less on 2 axles, 25,000 pounds or less on single axle;

(4) 6 or more axles, total gross weight of 120,000 pounds or less, front tandem 48,000 pounds or less on 2 axles, front axle 20,000 pounds or less, single axle 25,000 pounds or less, or rear tandem 60,000 pounds or less on 3 axles, 21,000 pounds or less on single axles within a tandem.

HISTORY:

P.A. 84-566; 90-228, § 5; 90-676, § 5; 94-49, § 5; 96-34, § 955; 97-201, § 5; 2021 P.A. 102-124, § 5, effective July 23, 2021.

625 ILCS 5/15-316 When the Department or local authority may restrict right to use highways.

(a) Except as provided in subsection (g), local authorities with respect to highways under their jurisdiction may by ordinance or resolution prohibit the operation of vehicles upon any such highway or impose restrictions as to the weight of vehicles to be operated upon any such highway, for a total period of not to exceed 90 days, measured in either consecutive or nonconsecutive days at the discretion of local authorities, in any one calendar year, whenever any said highway by reason of deterioration, rain, snow, or other climate conditions will be seriously damaged or destroyed unless the use of vehicles thereon is prohibited or the permissible weights thereof reduced.

(b) The local authority enacting any such ordinance or resolution shall erect or cause to be erected and maintained signs designating the provision of the ordinance or resolution at each end of that portion of any highway affected thereby, and the ordinance or resolution shall not be effective unless and until such signs are erected and maintained. To be effective, an ordinance or resolution passed to designate a Class II roadway need not require that signs be erected, but the designation shall be reported to the Department.

(c) Local authorities with respect to highways under their jurisdiction may also, by ordinance or resolution, prohibit the operation of trucks or other commercial vehicles, or may impose limitations as the weight thereof, on designated highways, which prohibitions and limitations shall be designated by appropriate signs placed on such highways.

(c-1) (Blank).

(c-5) Highway commissioners, with respect to roads under their authority, may not permanently post a road or portion thereof at a reduced weight limit unless the decision to do so is made in accordance with Section 6-201.22 of the Illinois Highway Code [605 ILCS 5/6-201.22].

(d) The Department shall likewise have authority as hereinbefore granted to local authorities to determine by resolution and to impose restrictions as to the weight of vehicles operated upon any highway under the jurisdiction of said department, and such restrictions shall be effective when signs giving notice thereof are erected upon the highway or portion of any highway affected by such resolution.

(d-1) (Blank).

(d-2) (Blank).

(e) When any vehicle is operated in violation of this Section, the owner or driver of the vehicle shall be deemed guilty of a violation and either the owner or the driver of the vehicle may be prosecuted for the violation. Any person, firm, or corporation convicted of violating this Section shall be fined $50 for any weight exceeding the posted limit up to the axle or gross weight limit allowed a vehicle as provided for in subsections (a) or (b) of Section 15-111 [625 ILCS 5/15-111] and $75 per every 500 pounds or fraction thereof for any weight exceeding that which is provided for in subsections (a) or (b) of Section 15-111.

(f) A municipality is authorized to enforce a county weight limit ordinance applying to county highways within its corporate limits and is entitled to the proceeds of any fines collected from the enforcement.

(g) An ordinance or resolution enacted by a county or township pursuant to subsection (a) of this Section shall not apply to cargo tank vehicles with two or

three permanent axles when delivering propane for emergency heating purposes if the cargo tank is loaded at no more than 50 percent capacity, the gross vehicle weight of the vehicle does not exceed 32,000 pounds, and the driver of the cargo tank vehicle notifies the appropriate agency or agencies with jurisdiction over the highway before driving the vehicle on the highway pursuant to this subsection. The cargo tank vehicle must have an operating gauge on the cargo tank which indicates the amount of propane as a percent of capacity of the cargo tank. The cargo tank must have the capacity displayed on the cargo tank, or documentation of the capacity of the cargo tank must be available in the vehicle. For the purposes of this subsection, propane weighs 4.2 pounds per gallon. This subsection does not apply to municipalities. Nothing in this subsection shall allow cargo tank vehicles to cross bridges with posted weight restrictions if the vehicle exceeds the posted weight limit.

HISTORY:
P.A. 86-447; 87-1203, § 1; 88-384, § 5; 89-117, § 10; 89-687, § 5; 90-211, § 5; 92-417, § 5; 93-177, § 10; 96-1337, § 5; 99-168, § 5; 99-237, § 10; 99-642, § 525; 2019 P.A. 101-328, § 5, effective January 1, 2020.

625 ILCS 5/15-317 Special weight limitation on elevated structures.

(a) No person shall operate a vehicle or combination of vehicles over a bridge or other elevated structure constituting a part of a highway with a gross weight which is greater than the maximum weight permitted by the Department, when such structure is sign posted as provided in this Section.

(b) The Department upon request from any local authority shall, or upon its own initiative may, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it finds that such structure cannot with safety to itself withstand the weight of vehicles otherwise permissible under this Chapter the Department shall determine and declare the maximum weight of vehicles which such structure can withstand, and shall cause or permit suitable signs stating maximum weight to be erected and maintained before each end of such structure.

(c) Upon the trial of any person charged with a violation of this Section proof of the determination of the maximum allowable weight by the Department and the existence of the signs, constitutes conclusive evidence of the maximum weight which can be maintained with safety to such bridge or structure.

HISTORY:
P.A. 76-1586.

625 ILCS 5/15-318 Liability if highway or structure damaged.

(a) Any person driving any vehicle, object or contrivance upon any highway or highway structure is liable for all damage which the highway or structure may sustain as a result of any illegal operation, driving or moving of such vehicle, object or contrivance, or as a result of operating, driving, or moving any vehicle, object, or contrivance exceeding the maximum dimensions or weighing in excess of the maximum weight specified in this Chapter but authorized by a special permit issued as provided in this Chapter. The measure of liability is the cost of repairing a facility partially damaged or the depreciated replacement cost of a facility damaged beyond repair together with all other expenses incurred by the authorities in control of the highway or highway structure in providing a temporary detour, including a temporary structure, to serve the needs of traffic during the period of repair or replacement of the damaged highway or highway structure.

(b) Whenever such driver is not the owner of such vehicle, object, or contrivance, but is so operating, driving, or moving the same with the express or implied permission of such owner, then the owner and driver are jointly and severally liable to the extent provided in paragraph (a) of this Section.

(c) Recovery may be had in a civil action brought by the authorities in control of such highway or highway structure.

HISTORY:
P.A. 81-199.

625 ILCS 5/15-319 Special registration of vehicles by department. [Repealed]

HISTORY:
P.A. 83-831; repealed by 2018 P.A. 100-728, § 10, effective January 1, 2019.

CHAPTER 18C.

ILLINOIS COMMERCIAL TRANSPORTATION LAW

7Rail Carriers

SUB-CHAPTER 7.

RAIL CARRIERS

Article IV. Safety Requirements for Rail Carriers

Section

ARTICLE IV.

SAFETY REQUIREMENTS FOR RAIL CARRIERS

625 ILCS 5/18c-7401 Safety Requirements for Track, Facilities, and Equipment.

(1) General Requirements. Each rail carrier shall,

consistent with rules, orders, and regulations of the Federal Railroad Administration, construct, maintain, and operate all of its equipment, track, and other property in this State in such a manner as to pose no undue risk to its employees or the person or property of any member of the public.

(2) Adoption of Federal Standards. The track safety standards and accident/incident standards promulgated by the Federal Railroad Administration shall be safety standards of the Commission. The Commission may, in addition, adopt by reference in its regulations other federal railroad safety standards, whether contained in federal statutes or in regulations adopted pursuant to such statutes.

(3) Railroad Crossings. No public road, highway, or street shall hereafter be constructed across the track of any rail carrier at grade, nor shall the track of any rail carrier be constructed across a public road, highway or street at grade, without having first secured the permission of the Commission; provided, that this Section shall not apply to the replacement of lawfully existing roads, highways, and tracks. No public pedestrian bridge or subway shall be constructed across the track of any rail carrier without having first secured the permission of the Commission. The Commission shall have the right to refuse its permission or to grant it upon such terms and conditions as it may prescribe. The Commission shall have power to determine and prescribe the manner, including the particular point of crossing, and the terms of installation, operation, maintenance, use, and protection of each such crossing.

The Commission shall also have power, after a hearing, to require major alteration of or to abolish any crossing, heretofore or hereafter established, when in its opinion, the public safety requires such alteration or abolition, and, except in cities, villages, and incorporated towns of 1,000,000 or more inhabitants, to vacate and close that part of the highway on such crossing altered or abolished and cause barricades to be erected across such highway in such manner as to prevent the use of such crossing as a highway, when, in the opinion of the Commission, the public convenience served by the crossing in question is not such as to justify the further retention thereof; or to require a separation of grades, at railroad-highway grade crossings; or to require a separation of grades at any proposed crossing where a proposed public highway may cross the tracks of any rail carrier or carriers; and to prescribe, after a hearing of the parties, the terms upon which such separations shall be made and the proportion in which the expense of the alteration or abolition of such crossings or the separation of such grades, having regard to the benefits, if any, accruing to the rail carrier or any party in interest, shall be divided between the rail carrier or carriers affected, or between such carrier or carriers and the State, county, municipality or other public authority in interest. However, a public hearing by the Commission to abolish a crossing shall not be required when the public highway authority in interest vacates the highway. In such instance the rail carrier, following notification to the Commission and the highway authority, shall remove any grade crossing warning devices and the grade crossing surface.

The Commission shall also have power by its order to require the reconstruction, minor alteration, minor relocation, or improvement of any crossing (including the necessary highway approaches thereto) of any railroad across any highway or public road, pedestrian bridge, or pedestrian subway, whether such crossing be at grade or by overhead structure or by subway, whenever the Commission finds after a hearing or without a hearing as otherwise provided in this paragraph that such reconstruction, alteration, relocation, or improvement is necessary to preserve or promote the safety or convenience of the public or of the employees or passengers of such rail carrier or carriers. By its original order or supplemental orders in such case, the Commission may direct such reconstruction, alteration, relocation, or improvement to be made in such manner and upon such terms and conditions as may be reasonable and necessary and may apportion the cost of such reconstruction, alteration, relocation, or improvement and the subsequent maintenance thereof, having regard to the benefits, if any, accruing to the railroad or any party in interest, between the rail carrier or carriers and public utilities affected, or between such carrier or carriers and public utilities and the State, county, municipality or other public authority in interest. The cost to be so apportioned shall include the cost of changes or alterations in the equipment of public utilities affected as well as the cost of the relocation, diversion or establishment of any public highway, made necessary by such reconstruction, alteration, relocation, or improvement of said crossing. A hearing shall not be required in those instances when the Commission enters an order confirming a written stipulation in which the Commission, the public highway authority or other public authority in interest, the rail carrier or carriers affected, and in instances involving the use of the Grade Crossing Protection Fund, the Illinois Department of Transportation, agree on the reconstruction, alteration, relocation, or improvement and the subsequent maintenance thereof and the division of costs of such changes of any grade crossing (including the necessary highway approaches thereto) of any railroad across any highway, pedestrian bridge, or pedestrian subway.

The Commission shall also have power to enter into stipulated agreements with a rail carrier or rail carriers or public authorities to fund, provide, install, and maintain safety treatments to deter trespassing on railroad property in accordance with paragraph (1) of Section 18c-7503 [625 ILCS 5/18c-7503] at locations approved by such rail carrier or rail carriers following a diagnostic evaluation between the Commission and the rail carrier or rail carriers, including any public authority in interest or the Federal Rail-

road Administration, and to order the allocation of the cost of those treatments and their installation and maintenance from the Grade Crossing Protection Fund. Safety treatments approved under this paragraph by the Commission shall be deemed adequate and appropriate.

Every rail carrier operating in the State of Illinois shall construct and maintain every highway crossing over its tracks within the State so that the roadway at the intersection shall be as flush with the rails as superelevated curves will allow, and, unless otherwise ordered by the Commission, shall construct and maintain the approaches thereto at a grade of not more than 5% within the right of way for a distance of not less the 6 feet on each side of the centerline of such tracks; provided, that the grades at the approaches may be maintained in excess of 5% only when authorized by the Commission.

Every rail carrier operating within this State shall remove from its right of way at all railroad-highway grade crossings within the State, such brush, shrubbery, and trees as is reasonably practical for a distance of not less than 500 feet in either direction from each grade crossing. The Commission shall have power, upon its own motion, or upon complaint, and after having made proper investigation, to require the installation of adequate and appropriate luminous reflective warning signs, luminous flashing signals, crossing gates illuminated at night, or other protective devices in order to promote and safeguard the health and safety of the public. Luminous flashing signal or crossing gate devices installed at grade crossings, which have been approved by the Commission, shall be deemed adequate and appropriate. The Commission shall have authority to determine the number, type, and location of such signs, signals, gates, or other protective devices which, however, shall conform as near as may be with generally recognized national standards, and the Commission shall have authority to prescribe the division of the cost of the installation and subsequent maintenance of such signs, signals, gates, or other protective devices between the rail carrier or carriers, the public highway authority or other public authority in interest, and in instances involving the use of the Grade Crossing Protection Fund, the Illinois Department of Transportation. Except where train crews provide flagging of the crossing to road users, yield signs shall be installed at all highway intersections with every grade crossing in this State that is not equipped with automatic warning devices, such as luminous flashing signals or crossing gate devices. A stop sign may be used in lieu of the yield sign when an engineering study conducted in cooperation with the highway authority and the Illinois Department of Transportation has determined that a stop sign is warranted. If the Commission has ordered the installation of luminous flashing signal or crossing gate devices at a grade crossing not equipped with active warning devices, the Commission shall order the installation of temporary stop signs at the highway intersection with the grade crossing unless an engineering study has determined that a stop sign is not appropriate. If a stop sign is not appropriate, the Commission may order the installation of other appropriate supplemental signing as determined by an engineering study. The temporary signs shall remain in place until the luminous flashing signal or crossing gate devices have been installed. The rail carrier is responsible for the installation and subsequent maintenance of any required signs. The permanent signs shall be in place by July 1, 2011.

No railroad may change or modify the warning device system at a railroad-highway grade crossing, including warning systems interconnected with highway traffic control signals, without having first received the approval of the Commission. The Commission shall have the further power, upon application, upon its own motion, or upon complaint and after having made proper investigation, to require the interconnection of grade crossing warning devices with traffic control signals at highway intersections located at or near railroad crossings within the distances described by the State Manual on Uniform Traffic Control Devices adopted pursuant to Section 11-301 of this Code [625 ILCS 5/11-301]. In addition, State and local authorities may not install, remove, modernize, or otherwise modify traffic control signals at a highway intersection that is interconnected or proposed to be interconnected with grade crossing warning devices when the change affects the number, type, or location of traffic control devices on the track approach leg or legs of the intersection or the timing of the railroad preemption sequence of operation until the Commission has approved the installation, removal, modernization, or modification. Commission approval shall be limited to consideration of issues directly affecting the public safety at the railroad-highway grade crossing. The electrical circuit devices, alternate warning devices, and preemption sequences shall conform as nearly as possible, considering the particular characteristics of the crossing and intersection area, to the State manual adopted by the Illinois Department of Transportation pursuant to Section 11-301 of this Code and such federal standards as are made applicable by subsection (2) of this Section. In order to carry out this authority, the Commission shall have the authority to determine the number, type, and location of traffic control devices on the track approach leg or legs of the intersection and the timing of the railroad preemption sequence of operation. The Commission shall prescribe the division of costs for installation and maintenance of all devices required by this paragraph between the railroad or railroads and the highway authority in interest and in instances involving the use of the Grade Crossing Protection Fund or a State highway, the Illinois Department of Transportation.

Any person who unlawfully or maliciously removes, throws down, damages or defaces any sign, signal, gate, or other protective device, located at or

near any public grade crossing, shall be guilty of a petty offense and fined not less than $50 nor more than $200 for each offense. In addition to fines levied under the provisions of this Section a person adjudged guilty hereunder may also be directed to make restitution for the costs of repair or replacement, or both, necessitated by his misconduct.

It is the public policy of the State of Illinois to enhance public safety by establishing safe grade crossings. In order to implement this policy, the Illinois Commerce Commission is directed to conduct public hearings and to adopt specific criteria by July 1, 1994, that shall be adhered to by the Illinois Commerce Commission in determining if a grade crossing should be opened or abolished. The following factors shall be considered by the Illinois Commerce Commission in developing the specific criteria for opening and abolishing grade crossings:

(a) timetable speed of passenger trains;

(b) distance to an alternate crossing;

(c) accident history for the last 5 years;

(d) number of vehicular traffic and posted speed limits;

(e) number of freight trains and their timetable speeds;

(f) the type of warning device present at the grade crossing;

(g) alignments of the roadway and railroad, and the angle of intersection of those alignments;

(h) use of the grade crossing by trucks carrying hazardous materials, vehicles carrying passengers for hire, and school buses; and

(i) use of the grade crossing by emergency vehicles.

The Illinois Commerce Commission, upon petition to open or abolish a grade crossing, shall enter an order opening or abolishing the crossing if it meets the specific criteria adopted by the Commission.

Except as otherwise provided in this subsection (3), in no instance shall a grade crossing be permanently closed without public hearing first being held and notice of such hearing being published in an area newspaper of local general circulation.

(4) Freight Trains; Radio Communications. The Commission shall after hearing and order require that every main line railroad freight train operating on main tracks outside of yard limits within this State shall be equipped with a radio communication system. The Commission after notice and hearing may grant exemptions from the requirements of this Section as to secondary and branch lines.

(5) Railroad Bridges and Trestles; Walkway and Handrail. In cases in which the Commission finds the same to be practical and necessary for safety of railroad employees, bridges and trestles, over and upon which railroad trains are operated, shall include as a part thereof, a safe and suitable walkway and handrail on one side only of such bridge or trestle, and such handrail shall be located at the outer edge of the walkway and shall provide a clearance of not less than 8 feet, 6 inches, from the center line of the nearest track, measured at right angles thereto.

(6) Packages Containing Articles for First Aid to Injured on Trains.

(a) All rail carriers shall provide a first aid kit that contains, at a minimum, those articles prescribed by the Commission, on each train or engine, for first aid to persons who may be injured in the course of the operation of such trains.

(b) A vehicle, excluding a taxi cab used in an emergency situation, operated by a contract carrier transporting railroad employees in the course of their employment shall be equipped with a readily available first aid kit that contains, as a minimum, the same articles that are required on each train or engine.

(7) Abandoned Bridges, Crossings, and Other Rail Plant. The Commission shall have authority, after notice and hearing, to order:

(a) the removal of any abandoned railroad tracks from roads, streets or other thoroughfares in this State; and

(b) the removal of abandoned overhead railroad structures crossing highways, waterways, or railroads.

The Commission may equitably apportion the cost of such actions between the rail carrier or carriers, public utilities, and the State, county, municipality, township, road district, or other public authority in interest.

(8) Railroad-Highway Bridge Clearance. A vertical clearance of not less than 23 feet above the top of rail shall be provided for all new or reconstructed highway bridges constructed over a railroad track. The Commission may permit a lesser clearance if it determines that the 23-foot clearance standard cannot be justified based on engineering, operational, and economic conditions.

(9) Right of Access To Railroad Property.

(a) A community antenna television company franchised by a municipality or county pursuant to the Illinois Municipal Code [65 ILCS 5/1-1-1 et seq.] or the Counties Code [55 ILCS 5/1-1001 et seq.], respectively, shall not enter upon any real estate or rights-of-way in the possession or control of a railroad subject to the jurisdiction of the Illinois Commerce Commission unless the community antenna television company first complies with the applicable provisions of subparagraph (f) of Section 11-42-11.1 of the Illinois Municipal Code [65 ILCS 5/11-42-11.1] or subparagraph (f) of Section 5-1096 of the Counties Code [55 ILCS 5/5-1096].

(b) Notwithstanding any provision of law to the contrary, this subsection (9) applies to all entries of railroad rights-of-way involving a railroad subject to the jurisdiction of the Illinois Commerce Commission by a community antenna television company and shall govern in the event of any conflict with any other provision of law.

(c) This subsection (9) applies to any entry upon any real estate or right-of-way in the possession or

control of a railroad subject to the jurisdiction of the Illinois Commerce Commission for the purpose of or in connection with the construction, or installation of a community antenna television company's system or facilities commenced or renewed on or after August 22, 2017 (the effective date of Public Act 100-251).

(d) Nothing in Public Act 100-251 shall be construed to prevent a railroad from negotiating other terms and conditions or the resolution of any dispute in relation to an entry upon or right of access as set forth in this subsection (9).

(e) For purposes of this subsection (9):

"Broadband service", "cable operator", and "holder" have the meanings given to those terms under Section 21-201 of the Public Utilities Act [220 ILCS 5/21-201].

"Community antenna television company" includes, in the case of real estate or rights-of-way in possession of or in control of a railroad, a holder, cable operator, or broadband service provider.

(f) Beginning on August 22, 2017 (the effective date of Public Act 100-251), the Transportation Division of the Illinois Commerce Commission shall include in its annual Crossing Safety Improvement Program report a brief description of the number of cases decided by the Illinois Commerce Commission and the number of cases that remain pending before the Illinois Commerce Commission under this subsection (9) for the period covered by the report.

HISTORY:

P.A. 84-796; 88-296, § 5; 89-699, § 15; 90-691, § 10; 91-725, § 10; 93-604, § 5; 96-470, § 5; 97-374, § 5; 2017 P.A. 100-251, § 20, effective August 22, 2017; 2019 P.A. 101-81, § 670, effective July 12, 2019; 2021 P.A. 102-16, § 5-10, effective June 17, 2021.

625 ILCS 5/18c-7402 Safety requirements for railroad operations. [Effective until July 1, 2023]

(1) Obstruction of crossings.

(a) Obstruction of emergency vehicles. Every railroad shall be operated in such a manner as to minimize obstruction of emergency vehicles at crossings. Where such obstruction occurs and the train crew is aware of the obstruction, the train crew shall immediately take any action, consistent with safe operating procedure, necessary to remove the obstruction. In the Chicago and St. Louis switching districts, every railroad dispatcher or other person responsible for the movement of railroad equipment in a specific area who receives notification that railroad equipment is obstructing the movement of an emergency vehicle at any crossing within such area shall immediately notify the train crew through use of existing communication facilities. Upon notification, the train crew shall take immediate action in accordance with this paragraph.

(b) Obstruction of highway at grade crossing prohibited. It is unlawful for a rail carrier to permit any train, railroad car or engine to obstruct public travel at a railroad-highway grade crossing for a period in excess of 10 minutes, except where such train or railroad car is continuously moving or cannot be moved by reason of circumstances over which the rail carrier has no reasonable control.

In a county with a population of greater than 1,000,000, as determined by the most recent federal census, during the hours of 7:00 a.m. through 9:00 a.m. and 4:00 p.m. through 6:00 p.m. it is unlawful for a rail carrier to permit any single train or railroad car to obstruct public travel at a railroad-highway grade crossing in excess of a total of 10 minutes during a 30 minute period, except where the train or railroad car cannot be moved by reason or circumstances over which the rail carrier has no reasonable control. Under no circumstances will a moving train be stopped for the purposes of issuing a citation related to this Section.

However, no employee acting under the rules or orders of the rail carrier or its supervisory personnel may be prosecuted for a violation of this subsection (b).

(c) Punishment for obstruction of grade crossing. Any rail carrier violating paragraph (b) of this subsection shall be guilty of a petty offense and fined not less than $200 nor more than $500 if the duration of the obstruction is in excess of 10 minutes but no longer than 15 minutes. If the duration of the obstruction exceeds 15 minutes the violation shall be a business offense and the following fines shall be imposed: if the duration of the obstruction is in excess of 15 minutes but no longer than 20 minutes, the fine shall be $500; if the duration of the obstruction is in excess of 20 minutes but no longer than 25 minutes, the fine shall be $700; if the duration of the obstruction is in excess of 25 minutes, but no longer than 30 minutes, the fine shall be $900; if the duration of the obstruction is in excess of 30 minutes but no longer than 35 minutes, the fine shall be $1,000; if the duration of the obstruction is in excess of 35 minutes, the fine shall be $1,000 plus an additional $500 for each 5 minutes of obstruction in excess of 25 minutes of obstruction.

(2) Other operational requirements.

(a) Bell and whistle-crossings. Every rail carrier shall cause a bell, and a whistle or horn to be placed and kept on each locomotive, and shall cause the same to be rung or sounded by the engineer or fireman, at the distance of at least 1,320 feet, from the place where the railroad crosses or intersects any public highway, and shall be kept ringing or sounding until the highway is reached; provided that at crossings where the Commission shall by order direct, only after a hearing has been held to determine the public is reasonably and sufficiently protected, the rail carrier may be excused from giving warning provided by this paragraph.

(a-5) The requirements of paragraph (a) of this subsection (2) regarding ringing a bell and sound-

ing a whistle or horn do not apply at a railroad crossing that has a permanently installed automated audible warning device authorized by the Commission under Section 18c-7402.1 [625 ILCS 5/18c-7402.1] that sounds automatically when an approaching train is at least 1,320 feet from the crossing and that keeps sounding until the lead locomotive has crossed the highway. The engineer or fireman may ring the bell or sound the whistle or horn at a railroad crossing that has a permanently installed audible warning device.

(b) Speed limits. Each rail carrier shall operate its trains in compliance with speed limits set by the Commission. The Commission may set train speed limits only where such limits are necessitated by extraordinary circumstances affecting the public safety, and shall maintain such train speed limits in effect only for such time as the extraordinary circumstances prevail.

The Commission and the Department of Transportation shall conduct a study of the relation between train speeds and railroad-highway grade crossing safety. The Commission shall report the findings of the study to the General Assembly no later than January 5, 1997.

(c) Special speed limit; pilot project. The Commission and the Board of the Commuter Rail Division of the Regional Transportation Authority shall conduct a pilot project in the Village of Fox River Grove, the site of the fatal school bus accident at a railroad crossing on October 25, 1995, in order to improve railroad crossing safety. For this project, the Commission is directed to set the maximum train speed limit for Regional Transportation Authority trains at 50 miles per hour at intersections on that portion of the intrastate rail line located in the Village of Fox River Grove. If the Regional Transportation Authority deliberately fails to comply with this maximum speed limit, then any entity, governmental or otherwise, that provides capital or operational funds to the Regional Transportation Authority shall appropriately reduce or eliminate that funding. The Commission shall report to the Governor and the General Assembly on the results of this pilot project in January 1999, January 2000, and January 2001. The Commission shall also submit a final report on the pilot project to the Governor and the General Assembly in January 2001. The provisions of this subsection (c), other than this sentence, are inoperative after February 1, 2001.

(d) Freight train crew size. No rail carrier shall operate or cause to operate a train or light engine used in connection with the movement of freight unless it has an operating crew consisting of at least 2 individuals. The minimum freight train crew size indicated in this subsection (d) shall remain in effect until a federal law or rule encompassing the subject matter has been adopted. The Commission, with respect to freight train crew member size under this subsection (d), has the power to conduct evidentiary hearings, make findings, and issue and enforce orders, including sanctions under Section 18c-1704 [625 ILCS 5/18c-1704] of this Chapter. As used in this subsection (d), "train or light engine" does not include trains operated by a hostler service or utility employees.

(3) Report and investigation of rail accidents.

(a) Reports. Every rail carrier shall report to the Commission, by the speediest means possible, whether telephone, telegraph, or otherwise, every accident involving its equipment, track, or other property which resulted in loss of life to any person. In addition, such carriers shall file a written report with the Commission. Reports submitted under this paragraph shall be strictly confidential, shall be specifically prohibited from disclosure, and shall not be admissible in any administrative or judicial proceeding relating to the accidents reported.

(b) Investigations. The Commission may investigate all railroad accidents reported to it or of which it acquires knowledge independent of reports made by rail carriers, and shall have the power, consistent with standards and procedures established under the Federal Railroad Safety Act [45 U.S.C. § 431 et seq.], as amended, to enter such temporary orders as will minimize the risk of future accidents pending notice, hearing, and final action by the Commission.

HISTORY:

P.A. 85-1144; 89-699, § 15; 90-187, § 5; 91-675, § 5; 92-284, § 5; 2017 P.A. 100-201, § 650, effective August 18, 2017; 2019 P.A. 101-294, § 5, effective January 1, 2020.

625 ILCS 5/18c-7402 Safety requirements for railroad operations. [Effective July 1, 2023]

(1) Obstruction of crossings.

(a) Obstruction of emergency vehicles. Every railroad shall be operated in such a manner as to minimize obstruction of emergency vehicles at crossings. Where such obstruction occurs and the train crew is aware of the obstruction, the train crew shall immediately take any action, consistent with safe operating procedure, necessary to remove the obstruction. In the Chicago and St. Louis switching districts, every railroad dispatcher or other person responsible for the movement of railroad equipment in a specific area who receives notification that railroad equipment is obstructing the movement of an emergency vehicle at any crossing within such area shall immediately notify the train crew through use of existing communication facilities. Upon notification, the train crew shall take immediate action in accordance with this paragraph.

(b) Obstruction of highway at grade crossing prohibited. It is unlawful for a rail carrier to permit any train, railroad car or engine to obstruct public travel at a railroad-highway grade crossing

for a period in excess of 10 minutes, except where such train or railroad car is continuously moving or cannot be moved by reason of circumstances over which the rail carrier has no reasonable control.

In a county with a population of greater than 1,000,000, as determined by the most recent federal census, during the hours of 7:00 a.m. through 9:00 a.m. and 4:00 p.m. through 6:00 p.m. it is unlawful for a rail carrier to permit any single train or railroad car to obstruct public travel at a railroad-highway grade crossing in excess of a total of 10 minutes during a 30 minute period, except where the train or railroad car cannot be moved by reason or circumstances over which the rail carrier has no reasonable control. Under no circumstances will a moving train be stopped for the purposes of issuing a citation related to this Section.

However, no employee acting under the rules or orders of the rail carrier or its supervisory personnel may be prosecuted for a violation of this subsection (b).

(c) Punishment for obstruction of grade crossing. Any rail carrier violating paragraph (b) of this subsection shall be guilty of a petty offense and fined not less than $200 nor more than $500 if the duration of the obstruction is in excess of 10 minutes but no longer than 15 minutes. If the duration of the obstruction exceeds 15 minutes the violation shall be a business offense and the following fines shall be imposed: if the duration of the obstruction is in excess of 15 minutes but no longer than 20 minutes, the fine shall be $500; if the duration of the obstruction is in excess of 20 minutes but no longer than 25 minutes, the fine shall be $700; if the duration of the obstruction is in excess of 25 minutes, but no longer than 30 minutes, the fine shall be $900; if the duration of the obstruction is in excess of 30 minutes but no longer than 35 minutes, the fine shall be $1,000; if the duration of the obstruction is in excess of 35 minutes, the fine shall be $1,000 plus an additional $500 for each 5 minutes of obstruction in excess of 25 minutes of obstruction.

(2) Other operational requirements.

(a) Bell and whistle-crossings. Every rail carrier shall cause a bell, and a whistle or horn to be placed and kept on each locomotive, and shall cause the same to be rung or sounded by the engineer or fireman, at the distance of at least 1,320 feet, from the place where the railroad crosses or intersects any public highway, and shall be kept ringing or sounding until the highway is reached; provided that at crossings where the Commission shall by order direct, only after a hearing has been held to determine the public is reasonably and sufficiently protected, the rail carrier may be excused from giving warning provided by this paragraph.

(a-5) The requirements of paragraph (a) of this subsection (2) regarding ringing a bell and sounding a whistle or horn do not apply at a railroad crossing that has a permanently installed automated audible warning device authorized by the Commission under Section 18c-7402.1 [625 ILCS 5/18c-7402.1] that sounds automatically when an approaching train is at least 1,320 feet from the crossing and that keeps sounding until the lead locomotive has crossed the highway. The engineer or fireman may ring the bell or sound the whistle or horn at a railroad crossing that has a permanently installed audible warning device.

(b) Speed limits. Each rail carrier shall operate its trains in compliance with speed limits set by the Commission. The Commission may set train speed limits only where such limits are necessitated by extraordinary circumstances affecting the public safety, and shall maintain such train speed limits in effect only for such time as the extraordinary circumstances prevail.

The Commission and the Department of Transportation shall conduct a study of the relation between train speeds and railroad-highway grade crossing safety. The Commission shall report the findings of the study to the General Assembly no later than January 5, 1997.

(c) Special speed limit; pilot project. The Commission and the Board of the Commuter Rail Division of the Regional Transportation Authority shall conduct a pilot project in the Village of Fox River Grove, the site of the fatal school bus crash at a railroad crossing on October 25, 1995, in order to improve railroad crossing safety. For this project, the Commission is directed to set the maximum train speed limit for Regional Transportation Authority trains at 50 miles per hour at intersections on that portion of the intrastate rail line located in the Village of Fox River Grove. If the Regional Transportation Authority deliberately fails to comply with this maximum speed limit, then any entity, governmental or otherwise, that provides capital or operational funds to the Regional Transportation Authority shall appropriately reduce or eliminate that funding. The Commission shall report to the Governor and the General Assembly on the results of this pilot project in January 1999, January 2000, and January 2001. The Commission shall also submit a final report on the pilot project to the Governor and the General Assembly in January 2001. The provisions of this subsection (c), other than this sentence, are inoperative after February 1, 2001.

(d) Freight train crew size. No rail carrier shall operate or cause to operate a train or light engine used in connection with the movement of freight unless it has an operating crew consisting of at least 2 individuals. The minimum freight train crew size indicated in this subsection (d) shall remain in effect until a federal law or rule encompassing the subject matter has been adopted. The Commission, with respect to freight train crew member size under this subsection (d), has the power to conduct evidentiary hearings, make find-

ings, and issue and enforce orders, including sanctions under Section 18c-1704 [625 ILCS 5/18c-1704 of this Chapter. As used in this subsection (d), "train or light engine" does not include trains operated by a hostler service or utility employees.
(3) Report and investigation of rail accidents.

(a) Reports. Every rail carrier shall report to the Commission, by the speediest means possible, whether telephone, telegraph, or otherwise, every accident involving its equipment, track, or other property which resulted in loss of life to any person. In addition, such carriers shall file a written report with the Commission. Reports submitted under this paragraph shall be strictly confidential, shall be specifically prohibited from disclosure, and shall not be admissible in any administrative or judicial proceeding relating to the accidents reported.

(b) Investigations. The Commission may investigate all railroad accidents reported to it or of which it acquires knowledge independent of reports made by rail carriers, and shall have the power, consistent with standards and procedures established under the Federal Railroad Safety Act [45 U.S.C. § 431 et seq.], as amended, to enter such temporary orders as will minimize the risk of future accidents pending notice, hearing, and final action by the Commission.

P.A. 85-1144; 89-699, § 15; 90-187, § 5; 91-675, § 5; 92-284, § 5; 2017 P.A. 100-201, § 650, effective August 18, 2017; 2019 P.A. 101-294, § 5, effective January 1, 2020; 2022 P.A. 102-982, § 105, effective July 1, 2023.

SNOWMOBILE REGISTRATION AND SAFETY ACT

Article V. CONTROL PROVISIONS

ARTICLE V.

CONTROL PROVISIONS

625 ILCS 40/5-2 Operation on Highways.

It is unlawful for any person to drive or operate any snowmobile on a highway in this State except as follows:

A. On highways other than tollways, interstate highways and fully or limited access-controlled highways snowmobiles may make a direct crossing provided:

(1) the crossing is made at an angle of approximately 90 degrees to the direction of the highway and at a place where no obstruction prevents a quick and safe crossing; and

(2) the snowmobile is brought to a complete stop before crossing a roadway; and

(3) the operator yields the right of way to all oncoming traffic which constitutes a hazard.

B. On highways other than tollways, interstate highways and fully or limited access-controlled highways snowmobiles may be operated not less than 10 feet from the roadway and in the same direction as traffic. On such highways, other than State highways, the corporate authorities of a city, village or incorporated town may adopt ordinances providing for variance from the 10-foot separation requirement of this subsection, including ordinances permitting the operation of snowmobiles upon the roadways of such highways, other than State highways, within city, village or town limits. In addition, the corporate authorities of any unit of local government with jurisdiction over such highways may adopt ordinances authorizing the operation of snowmobiles within 10 feet of the roadway to avoid obstructions or hazardous terrain. Other than for State highways, corporate authorities of a city, village or incorporated town may adopt ordinances providing for trails, including the designation of the roadways of highways referred to in this paragraph as snowmobile trails, and regulating snowmobile operation within city, village or town limits.

C. On highways other than tollways, interstate highways and fully or limited access-controlled highways snowmobiles may be operated on roadways when it is necessary to cross a bridge or culvert or when it is impracticable to gain immediate access to an area adjacent to a highway where a snowmobile is to be operated.

D. Corporate authorities of a city, village or incorporated town may by ordinance designate 1 or more specific public highways or streets within their jurisdiction as egress and ingress routes for the use of snowmobiles. In the event that such public highways or streets are under the jurisdiction of the State of Illinois, express written consent of the Illinois Department of Transportation shall be required. Corporate authorities acting under the authority of this paragraph D shall erect and maintain signs giving proper notice thereof.

E. Snowmobiles may be lawfully driven or operated upon those highways where posted with signs giving proper notice and erected and maintained by the township road commissioner. A township or township road commissioner shall not be liable for any personal injuries caused as a result of the operation of a snowmobile on such highways. For purposes of this paragraph E, "highways" are defined as township roads pursuant to Section 2-205 of the Illinois Highway Code [605 ILCS 5/2-205].

P.A. 84-151; 84-973; 91-357, § 233.

DUI PREVENTION AND EDUCATION

HISTORY:
2019 P.A. 101-196, § 1, effective January 1, 2020.

625 ILCS 70/1 Short title.

This Act may be cited as the DUI Prevention and Education Commission Act.

HISTORY:
2019 P.A. 101-196, § 1, effective January 1, 2020.

625 ILCS 70/5 The DUI Prevention and Education Commission.

(a) The DUI Prevention and Education Commission is created, consisting of the following members:

(1) one member from the Office of the Secretary of State, appointed by the Secretary of State;

(2) one member representing law enforcement, appointed by the Department of State Police;

(3) one member from the Division of Substance Use Prevention and Recovery of the Department of Human Services, appointed by the Secretary of the Department of Human Services;

(4) one member from the Bureau of Safety Programs and Engineering of the Department of Transportation, appointed by the Secretary of the Department of Transportation; and

(5) the Director of the Office of the State's Attorneys Appellate Prosecutor, or his or her designee.

(b) The members of the Commission shall be appointed within 60 days after the effective date of this Act.

(c) The members of the Commission shall receive no compensation for serving as members of the Commission.

(d) The Department of Transportation shall provide administrative support to the Commission.

HISTORY:
2019 P.A. 101-196, § 5, effective January 1, 2020.

625 ILCS 70/10 Meetings.

(a) Each member of the Commission shall have voting rights and all actions and recommendations shall be approved by a simple majority vote of the members. A quorum shall consist of 3 members.

(b) The initial meeting of the Commission shall take place within 90 days after the effective date of this Act. At the initial meeting, the Commission shall elect one member as a Chairperson by a simple majority vote. The Chairperson shall call any subsequent meetings.

HISTORY:
2019 P.A. 101-196, § 10, effective January 1, 2020.

625 ILCS 70/15 Powers.

The Commission shall:

(1) create rules and guidelines to consider in accepting, reviewing, and determining grant applications;

(2) as necessary, meet to determine recipients of grants from the DUI Prevention and Education Fund; and

(3) provide a list of eligible grant recipients to the Department of Transportation.

HISTORY:
2019 P.A. 101-196, § 15, effective January 1, 2020.

625 ILCS 70/20 DUI Prevention and Education Fund; transfer of funds.

(a) The DUI Prevention and Education Fund is created as a special fund in the State treasury. Subject to appropriation, all moneys in the DUI Prevention and Education Fund shall be distributed by the Department of Transportation with guidance from the DUI Prevention and Education Commission as grants for crash victim programs and materials, impaired driving prevention programs, law enforcement support, and other DUI-related programs.

(b) As soon as practical after the effective date of this Act, the State Comptroller shall direct and the State Treasurer shall transfer any remaining balance in excess of $30,000 from the Roadside Memorial Fund to the DUI Prevention and Education Fund. Starting in 2021 and continuing every year after, the cash balance in the Roadside Memorial Fund on June 30 shall be transferred to the DUI Prevention and Education Fund as soon as practical.

HISTORY:
2019 P.A. 101-196, § 20, effective January 1, 2020; 2021 P.A. 102-60, § 10, effective July 9, 2021.

DAMAGE AND TRESPASS TO PROPERTY

Subdivision 5. Trespass

Section
720 ILCS 5/21-3 Criminal trespass to real property
720 ILCS 5/21-5 Criminal trespass to state supported land

SUBDIVISION 5.TRESPASS

720 ILCS 5/21-3 Criminal trespass to real property

(a) A person commits criminal trespass to real property when he or she:

(1) knowingly and without lawful authority enters or remains within or on a building;

(2) enters upon the land of another, after receiving, prior to the entry, notice from the owner or occupant that the entry is forbidden;

(3) remains upon the land of another, after receiving notice from the owner or occupant to depart;

(3.5) presents false documents or falsely represents his or her identity orally to the owner or occupant of a building or land in order to obtain permission from the owner or occupant to enter or remain in the building or on the land;

(3.7) intentionally removes a notice posted on residential real estate as required by subsection (l) of Section 15-1505.8 of Article XV of the Code of Civil Procedure [735 ILCS 5/15-1505.8] before the date and time set forth in the notice; or

(4) enters a field used or capable of being used for growing crops, an enclosed area containing livestock, an agricultural building containing livestock, or an orchard in or on a motor vehicle (including an off-road vehicle, motorcycle, moped, or any other powered two-wheel vehicle) after receiving, prior to the entry, notice from the owner or occupant that the entry is forbidden or remains upon or in the area after receiving notice from the owner or occupant to depart.

For purposes of item (1) of this subsection, this Section shall not apply to being in a building which is open to the public while the building is open to the public during its normal hours of operation; nor shall this Section apply to a person who enters a public building under the reasonable belief that the building is still open to the public.

(b) A person has received notice from the owner or occupant within the meaning of Subsection (a) if he or she has been notified personally, either orally or in writing including a valid court order as defined by subsection (7) of Section 112A-3 of the Code of Criminal Procedure of 1963 [725 ILCS 5/112A-3] granting remedy (2) of subsection (b) of Section 112A-14 of that Code [725 ILCS 5/112A-14], or if a printed or written notice forbidding such entry has been conspicuously posted or exhibited at the main entrance to the land or the forbidden part thereof.

(b-5) Subject to the provisions of subsection (b-10), as an alternative to the posting of real property as set forth in subsection (b), the owner or lessee of any real property may post the property by placing identifying purple marks on trees or posts around the area to be posted. Each purple mark shall be:

(1) A vertical line of at least 8 inches in length and the bottom of the mark shall be no less than 3 feet nor more than 5 feet high. Such marks shall be placed no more than 100 feet apart and shall be readily visible to any person approaching the property; or

(2) A post capped or otherwise marked on at least its top 2 inches. The bottom of the cap or

mark shall be not less than 3 feet but not more than 5 feet 6 inches high. Posts so marked shall be placed not more than 36 feet apart and shall be readily visible to any person approaching the property. Prior to applying a cap or mark which is visible from both sides of a fence shared by different property owners or lessees, all such owners or lessees shall concur in the decision to post their own property.

Nothing in this subsection (b-5) shall be construed to authorize the owner or lessee of any real property to place any purple marks on any tree or post or to install any post or fence if doing so would violate any applicable law, rule, ordinance, order, covenant, bylaw, declaration, regulation, restriction, contract, or instrument.

(b-10) Any owner or lessee who marks his or her real property using the method described in subsection (b-5) must also provide notice as described in subsection (b) of this Section. The public of this State shall be informed of the provisions of subsection (b-5) of this Section by the Illinois Department of Agriculture and the Illinois Department of Natural Resources. These Departments shall conduct an information campaign for the general public concerning the interpretation and implementation of subsection (b-5). The information shall inform the public about the marking requirements and the applicability of subsection (b-5) including information regarding the size requirements of the markings as well as the manner in which the markings shall be displayed. The Departments shall also include information regarding the requirement that, until the date this subsection becomes inoperative, any owner or lessee who chooses to mark his or her property using paint, must also comply with one of the notice requirements listed in subsection (b). The Departments may prepare a brochure or may disseminate the information through agency websites. Non-governmental organizations including, but not limited to, the Illinois Forestry Association, Illinois Tree Farm and the Walnut Council may help to disseminate the information regarding the requirements and applicability of subsection (b-5) based on materials provided by the Departments. This subsection (b-10) is inoperative on and after January 1, 2013.

(b-15) Subsections (b-5) and (b-10) do not apply to real property located in a municipality of over 2,000,000 inhabitants.

(c) This Section does not apply to any person, whether a migrant worker or otherwise, living on the land with permission of the owner or of his or her agent having apparent authority to hire workers on this land and assign them living quarters or a place of accommodations for living thereon, nor to anyone living on the land at the request of, or by occupancy, leasing or other agreement or arrangement with the owner or his or her agent, nor to anyone invited by the migrant worker or other person so living on the land to visit him or her at the place he is so living upon the land.

(d) A person shall be exempt from prosecution under this Section if he or she beautifies unoccupied and abandoned residential and industrial properties located within any municipality. For the purpose of this subsection, "unoccupied and abandoned residential and industrial property" means any real estate (1) in which the taxes have not been paid for a period of at least 2 years; and (2) which has been left unoccupied and abandoned for a period of at least one year; and "beautifies" means to landscape, clean up litter, or to repair dilapidated conditions on or to board up windows and doors.

(e) No person shall be liable in any civil action for money damages to the owner of unoccupied and abandoned residential and industrial property which that person beautifies pursuant to subsection (d) of this Section.

(e-5) Mortgagee or agent of the mortgagee exceptions.

(1) A mortgagee or agent of the mortgagee shall be exempt from prosecution for criminal trespass for entering, securing, or maintaining an abandoned residential property.

(2) No mortgagee or agent of the mortgagee shall be liable to the mortgagor or other owner of an abandoned residential property in any civil action for negligence or civil trespass in connection with entering, securing, or maintaining the abandoned residential property.

(3) For the purpose of this subsection (e-5) only, "abandoned residential property" means mortgaged real estate that the mortgagee or agent of the mortgagee determines in good faith meets the definition of abandoned residential property set forth in Section 15-1200.5 of Article XV of the Code of Civil Procedure [735 ILCS 5/15-1200.5].

(f) This Section does not prohibit a person from entering a building or upon the land of another for emergency purposes. For purposes of this subsection (f), "emergency" means a condition or circumstance in which an individual is or is reasonably believed by the person to be in imminent danger of serious bodily harm or in which property is or is reasonably believed to be in imminent danger of damage or destruction.

(g) Paragraph (3.5) of subsection (a) does not apply to a peace officer or other official of a unit of government who enters a building or land in the performance of his or her official duties.

(h) Sentence. A violation of subdivision (a)(1), (a)(2), (a)(3), or (a)(3.5) is a Class B misdemeanor. A violation of subdivision (a)(4) is a Class A misdemeanor.

(i) Civil liability. A person may be liable in any civil action for money damages to the owner of the land he or she entered upon with a motor vehicle as prohibited under paragraph (4) of subsection (a) of this Section. A person may also be liable to the owner for court costs and reasonable attorney's fees. The measure of damages shall be: (i) the actual damages, but not less than $250, if the vehicle is operated in a

nature preserve or registered area as defined in Sections 3.11 and 3.14 of the Illinois Natural Areas Preservation Act [525 ILCS 30/3.11 and 525 ILCS 30/3.14]; (ii) twice the actual damages if the owner has previously notified the person to cease trespassing; or (iii) in any other case, the actual damages, but not less than $50. If the person operating the vehicle is under the age of 16, the owner of the vehicle and the parent or legal guardian of the minor are jointly and severally liable. For the purposes of this subsection (i):

"Land" includes, but is not limited to, land used for crop land, fallow land, orchard, pasture, feed lot, timber land, prairie land, mine spoil nature preserves and registered areas. "Land" does not include driveways or private roadways upon which the owner allows the public to drive.

"Owner" means the person who has the right to possession of the land, including the owner, operator or tenant.

"Vehicle" has the same meaning as provided under Section 1-217 of the Illinois Vehicle Code [625 ILCS 5/1-217].

(j) This Section does not apply to the following persons while serving process:

(1) a person authorized to serve process under Section 2-202 of the Code of Civil Procedure [735 ILCS 5/2-202]; or

(2) a special process server appointed by the circuit court.

HISTORY:

P.A. 86-1300; 89-346, § 5; 89-373, § 5; 89-626, § 2-71; 90-419, § 5; 94-263, § 5; 94-509, § 5; 94-512, § 5; 95-331, § 1030; 97-184, § 5; 97-477, § 5; 97-813, § 620; 97-1108, § 10-5; 97-1164, § 10.

720 ILCS 5/21-5 Criminal trespass to state supported land

(a) A person commits criminal trespass to State supported land when he or she enters upon land supported in whole or in part with State funds, or federal funds administered or granted through State agencies or any building on the land, after receiving, prior to the entry, notice from the State or its representative that the entry is forbidden, or remains upon the land or in the building after receiving notice from the State or its representative to depart, and who thereby interferes with another person's lawful use or enjoyment of the building or land.

A person has received notice from the State within the meaning of this subsection if he or she has been notified personally, either orally or in writing, or if a printed or written notice forbidding entry to him or her or a group of which he or she is a part, has been conspicuously posted or exhibited at the main entrance to the land or the forbidden part thereof.

(a-5) A person commits criminal trespass to State supported land when he or she enters upon a right of way, including facilities and improvements thereon, owned, leased, or otherwise used by a public body or district organized under the Metropolitan Transit Authority Act, the Local Mass Transit District Act, or the Regional Transportation Authority Act [70 ILCS 3605/1 et seq., 70 ILCS 3610/1 et seq., or 70 ILCS 3615/1.01 et seq.], after receiving, prior to the entry, notice from the public body or district, or its representative, that the entry is forbidden, or the person remains upon the right of way after receiving notice from the public body or district, or its representative, to depart, and in either of these instances intends to compromise public safety by causing a delay in transit service lasting more than 15 minutes or destroying property.

A person has received notice from the public body or district within the meaning of this subsection if he or she has been notified personally, either orally or in writing, or if a printed or written notice forbidding entry to him or her has been conspicuously posted or exhibited at any point of entrance to the right of way or the forbidden part of the right of way.

As used in this subsection (a-5), "right of way" has the meaning ascribed to it in Section 18c-7502 of the Illinois Vehicle Code [625 ILCS 5/18c-7502].

(b) A person commits criminal trespass to State supported land when he or she enters upon land supported in whole or in part with State funds, or federal funds administered or granted through State agencies or any building on the land by presenting false documents or falsely representing his or her identity orally to the State or its representative in order to obtain permission from the State or its representative to enter the building or land; or remains upon the land or in the building by presenting false documents or falsely representing his or her identity orally to the State or its representative in order to remain upon the land or in the building, and who thereby interferes with another person's lawful use or enjoyment of the building or land.

This subsection does not apply to a peace officer or other official of a unit of government who enters upon land supported in whole or in part with State funds, or federal funds administered or granted through State agencies or any building on the land in the performance of his or her official duties.

(c) Sentence. Criminal trespass to State supported land is a Class A misdemeanor, except a violation of subsection (a-5) of this Section is a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation.

PART F.

CERTAIN AGGRAVATED OFFENSES

Article 33E. Public Contracts

Section

ARTICLE 33E.

PUBLIC CONTRACTS

720 ILCS 5/33E-1 Interference with public contracting

It is the finding of the General Assembly that the cost to the public is increased and the quality of goods, services and construction paid for by public monies is decreased when contracts for such goods, services or construction are obtained by any means other than through independent noncollusive submission of bids or offers by individual contractors or suppliers, and the evaluation of those bids or offers by the governmental unit pursuant only to criteria publicly announced in advance.

HISTORY:
P.A. 85-1295.

720 ILCS 5/33E-2 Definitions.

In this Act:

(a) "Public contract" means any contract for goods, services or construction let to any person with or without bid by any unit of State or local government.

(b) "Unit of State or local government" means the State, any unit of state government or agency thereof, any county or municipal government or committee or agency thereof, or any other entity which is funded by or expends tax dollars or the proceeds of publicly guaranteed bonds.

(c) "Change order" means a change in a contract term other than as specifically provided for in the contract which authorizes or necessitates any increase or decrease in the cost of the contract or the time to completion.

(d) "Person" means any individual, firm, partnership, corporation, joint venture or other entity, but does not include a unit of State or local government.

(e) "Person employed by any unit of State or local government" means any employee of a unit of State or local government and any person defined in subsection (d) who is authorized by such unit of State or local government to act on its behalf in relation to any public contract.

(f) "Sheltered market" has the meaning ascribed to it in Section 8b of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act; except that, with respect to State contracts set aside for award to service-disabled veteran-owned small businesses and veteran-owned small businesses pursuant to Section 45-57 of the Illinois Procurement Code [30 ILCS 500/45-57], "sheltered market" means procurements pursuant to that Section.

(g) "Kickback" means any money, fee, commission, credit, gift, gratuity, thing of value, or compensation of any kind which is provided, directly or indirectly, to any prime contractor, prime contractor employee, subcontractor, or subcontractor employee for the purpose of improperly obtaining or rewarding favorable treatment in connection with a prime contract or in connection with a subcontract relating to a prime contract.

(h) "Prime contractor" means any person who has entered into a public contract.

(i) "Prime contractor employee" means any officer, partner, employee, or agent of a prime contractor.

(i-5) "Stringing" means knowingly structuring a contract or job order to avoid the contract or job order being subject to competitive bidding requirements.

(j) "Subcontract" means a contract or contractual action entered into by a prime contractor or subcontractor for the purpose of obtaining goods or services of any kind under a prime contract.

(k) "Subcontractor" (1) means any person, other than the prime contractor, who offers to furnish or furnishes any goods or services of any kind under a prime contract or a subcontract entered into in connection with such prime contract; and (2) includes any person who offers to furnish or furnishes goods or services to the prime contractor or a higher tier subcontractor.

(*l*) "Subcontractor employee" means any officer, partner, employee, or agent of a subcontractor.

HISTORY:
P.A. 86-150; 90-800, § 5; 92-16, § 88; 97-260, § 10; 2017 P.A. 100-391, § 175, effective August 25, 2017.

720 ILCS 5/33E-3 Bid-rigging

A person commits the offense of bid-rigging when he knowingly agrees with any person who is, or but for such agreement would be, a competitor of such person concerning any bid submitted or not submitted by such person or another to a unit of State or local government when with the intent that the bid submitted or not submitted will result in the award of a contract to such person or another and he either (1) provides such person or receives from another

information concerning the price or other material term or terms of the bid which would otherwise not be disclosed to a competitor in an independent non-collusive submission of bids or (2) submits a bid that is of such a price or other material term or terms that he does not intend the bid to be accepted.

Bid-rigging is a Class 3 felony. Any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be barred for 5 years from the date of conviction from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation as provided in paragraph (2) of subsection (a) of Section 5-4 of this Code [720 ILCS 5/4].

HISTORY:
P.A. 86-150.

720 ILCS 5/33E-4 Bid rotating

A person commits the offense of bid rotating when, pursuant to any collusive scheme or agreement with another, he engages in a pattern over time (which, for the purposes of this Section, shall include at least 3 contract bids within a period of 10 years, the most recent of which occurs after the effective date of this amendatory Act of 1988) of submitting sealed bids to units of State or local government with the intent that the award of such bids rotates, or is distributed among, persons or business entities which submit bids on a substantial number of the same contracts. Bid rotating is a Class 2 felony. Any person convicted of this offense or any similar offense of any state or the United States which contains the same elements as this offense shall be permanently barred from contracting with any unit of State or local government. No corporation shall be barred from contracting with any unit of State or local government as a result of a conviction under this Section of any employee or agent of such corporation if the employee so convicted is no longer employed by the corporation and: (1) it has been finally adjudicated not guilty or (2) if it demonstrates to the governmental entity with which it seeks to contract and that entity finds that the commission of the offense was neither authorized, requested, commanded, nor performed by a director, officer or a high managerial agent in behalf of the corporation as provided in paragraph (2) of subsection (a) of Section 5-4 of this Code [720 ILCS 5-4].

HISTORY:
P.A. 86-150.

720 ILCS 5/33E-5 Acquisition or disclosure of bidding information by public official

(a) Any person who is an official of or employed by any unit of State or local government who knowingly opens a sealed bid at a time or place other than as specified in the invitation to bid or as otherwise designated by the State or unit of local government, or outside the presence of witnesses required by the applicable statute or ordinance, commits a Class 4 felony.

(b) Any person who is an official of or employed by any unit of State or local government who knowingly discloses to any interested person any information related to the terms of a sealed bid whether that information is acquired through a violation of subsection (a) or by any other means except as provided by law or necessary to the performance of such official's or employee's responsibilities relating to the bid, commits a Class 3 felony.

(c) It shall not constitute a violation of subsection (b) of this Section for any person who is an official of or employed by any unit of State or local government to make any disclosure to any interested person where such disclosure is also made generally available to the public.

(d) This Section only applies to contracts let by sealed bid.

HISTORY:
P.A. 86-150.

720 ILCS 5/33E-6 Interference with contract submission and award by public official

(a) Any person who is an official of or employed by any unit of State or local government who knowingly conveys, either directly or indirectly, outside of the publicly available official invitation to bid, pre-bid conference, solicitation for contracts procedure or such procedure used in any sheltered market procurement adopted pursuant to law or ordinance by that unit of government, to any person any information concerning the specifications for such contract or the identity of any particular potential subcontractors, when inclusion of such information concerning the specifications or contractors in the bid or offer would influence the likelihood of acceptance of such bid or offer, commits a Class 4 felony. It shall not constitute a violation of this subsection to convey information intended to clarify plans or specifications regarding a public contract where such disclosure of information is also made generally available to the public.

(b) Any person who is an official of or employed by any unit of State or local government who, either directly or indirectly, knowingly informs a bidder or offeror that the bid or offer will be accepted or

executed only if specified individuals are included as subcontractors commits a Class 3 felony.

(c) It shall not constitute a violation of subsection (a) of this Section where any person who is an official of or employed by any unit of State or local government follows procedures established (i) by federal, State or local minority or female owned business enterprise programs or (ii) pursuant to Section 45-57 of the Illinois Procurement Code [30 ILCS 500/45-57].

(d) Any bidder or offeror who is the recipient of communications from the unit of government which he reasonably believes to be proscribed by subsections (a) or (b), and fails to inform either the Attorney General or the State's Attorney for the county in which the unit of government is located, commits a Class A misdemeanor.

(e) Any public official who knowingly awards a contract based on criteria which were not publicly disseminated via the invitation to bid, when such invitation to bid is required by law or ordinance, the pre-bid conference, or any solicitation for contracts procedure or such procedure used in any sheltered market procurement procedure adopted pursuant to statute or ordinance, commits a Class 3 felony.

(f) It shall not constitute a violation of subsection (a) for any person who is an official of or employed by any unit of State or local government to provide to any person a copy of the transcript or other summary of any pre-bid conference where such transcript or summary is also made generally available to the public.

HISTORY:
P.A. 86-150; 97-260, § 10.

720 ILCS 5/33E-7 Kickbacks

(a) A person violates this Section when he knowingly either:

(1) provides, attempts to provide or offers to provide any kickback;

(2) solicits, accepts or attempts to accept any kickback; or

(3) includes, directly or indirectly, the amount of any kickback prohibited by paragraphs (1) or (2) of this subsection (a) in the contract price charged by a subcontractor to a prime contractor or a higher tier subcontractor or in the contract price charged by a prime contractor to any unit of State or local government for a public contract.

(b) Any person violates this Section when he has received an offer of a kickback, or has been solicited to make a kickback, and fails to report it to law enforcement officials, including but not limited to the Attorney General or the State's Attorney for the county in which the contract is to be performed.

(c) A violation of subsection (a) is a Class 3 felony. A violation of subsection (b) is a Class 4 felony.

(d) Any unit of State or local government may, in a civil action, recover a civil penalty from any person who knowingly engages in conduct which violates paragraph (3) of subsection (a) of this Section in twice the amount of each kickback involved in the violation. This subsection (d) shall in no way limit the ability of any unit of State or local government to recover monies or damages regarding public contracts under any other law or ordinance. A civil action shall be barred unless the action is commenced within 6 years after the later of (1) the date on which the conduct establishing the cause of action occurred or (2) the date on which the unit of State or local government knew or should have known that the conduct establishing the cause of action occurred.

HISTORY:
P.A. 85-1295.

720 ILCS 5/33E-8 Bribery of inspector employed by contractor

(a) A person commits bribery of an inspector when he offers to any person employed by a contractor or subcontractor on any public project contracted for by any unit of State or local government any property or other thing of value with the intent that such offer is for the purpose of obtaining wrongful certification or approval of the quality or completion of any goods or services supplied or performed in the course of work on such project. Violation of this subsection is a Class 4 felony.

(b) Any person employed by a contractor or subcontractor on any public project contracted for by any unit of State or local government who accepts any property or other thing of value knowing that such was intentionally offered for the purpose of influencing the certification or approval of the quality or completion of any goods or services supplied or performed under subcontract to that contractor, and either before or afterwards issues such wrongful certification, commits a Class 3 felony. Failure to report such offer to law enforcement officials, including but not limited to the Attorney General or the State's Attorney for the county in which the contract is performed, constitutes a Class 4 felony.

HISTORY:
P.A. 85-1295.

720 ILCS 5/33E-9 Change orders

Any change order authorized under this Section shall be made in writing. Any person employed by and authorized by any unit of State or local government to approve a change order to any public contract who knowingly grants that approval without first obtaining from the unit of State or local government on whose behalf the contract was signed, or from a designee authorized by that unit of State or local government, a determination in writing that (1) the circumstances said to necessitate the change in performance were not reasonably foreseeable at the time the contract was signed, or (2) the change is germane to the original contract as signed, or (3) the change order is in the best interest of the unit of

State or local government and authorized by law, commits a Class 4 felony. The written determination and the written change order resulting from that determination shall be preserved in the contract's file which shall be open to the public for inspection. This Section shall only apply to a change order or series of change orders which authorize or necessitate an increase or decrease in either the cost of a public contract by a total of $10,000 or more or the time of completion by a total of 30 days or more.

HISTORY:
P.A. 86-150; 87-618.

720 ILCS 5/33E-10 Rules of evidence

(a) The certified bid is prima facie evidence of the bid.

(b) It shall be presumed that in the absence of practices proscribed by this Article 33E [720 ILCS 5/33E-1 et seq.], all persons who submit bids in response to an invitation to bid by any unit of State or local government submit their bids independent of all other bidders, without information obtained from the governmental entity outside the invitation to bid, and in a good faith effort to obtain the contract.

HISTORY:
P.A. 85-1295.

720 ILCS 5/33E-11 [Certification of eligibility to bid]

(a) Every bid submitted to and public contract executed pursuant to such bid by the State or a unit of local government shall contain a certification by the prime contractor that the prime contractor is not barred from contracting with any unit of State or local government as a result of a violation of either Section 33E-3 or 33E-4 of this Article [720 ILCS 5/33E-3 or 720 ILCS 5/33E-4]. The State and units of local government shall provide the appropriate forms for such certification.

(b) A contractor who knowingly makes a false statement, material to the certification, commits a Class 3 felony.

HISTORY:
P.A. 86-150; 97-1108, § 10-5.

720 ILCS 5/33E-12 [Actions permitted under Article]

It shall not constitute a violation of any provisions of this Article for any person who is an official of or employed by a unit of State or local government to (1) disclose the name of any person who has submitted a bid in response to or requested plans or specifications regarding an invitation to bid or who has been awarded a public contract to any person or, (2) to convey information concerning acceptable alternatives or substitute to plans or specifications if such information is also made generally available to the public and mailed to any person who has submitted a bid in response to or requested plans or specifications regarding an invitation to bid on a public contract or, (3) to negotiate with the lowest responsible bidder a reduction in only the price term of the bid.

HISTORY:
P.A. 86-150.

720 ILCS 5/33E-13 [Contract negotiations]

Contract negotiations under the Local Government Professional Services Selection Act [50 ILCS 510/0.01 et seq.] shall not be subject to the provisions of this Article.

HISTORY:
P.A. 87-855.

720 ILCS 5/33E-14 False statements on vendor applications

(a) A person commits false statements on vendor applications when he or she knowingly makes any false statement or report with the intent to influence in any way the action of any unit of local government or school district in considering a vendor application.

(b) Sentence. False statements on vendor applications is a Class 3 felony.

HISTORY:
P.A. 90-800, § 5; 97-1108, § 10-5; 99-78, § 485.

720 ILCS 5/33E-15 False entries

(a) An officer, agent, or employee of, or anyone who is affiliated in any capacity with any unit of local government or school district commits false entries when he or she makes a false entry in any book, report, or statement of any unit of local government or school district with the intent to defraud the unit of local government or school district.

(b) Sentence. False entries is a Class 3 felony.

HISTORY:
P.A. 90-800, § 5; 97-1108, § 10-5.

720 ILCS 5/33E-16 Misapplication of funds

(a) An officer, director, agent, or employee of, or affiliated in any capacity with any unit of local government or school district commits misapplication of funds when he or she knowingly misapplies any of the moneys, funds, or credits of the unit of local government or school district.

(b) Sentence. Misapplication of funds is a Class 3 felony.

HISTORY:
P.A. 90-800, § 5; 97-1108, § 10-5.

720 ILCS 5/33E-17 Unlawful participation

Whoever, being an officer, director, agent, or employee of, or affiliated in any capacity with any unit of local government or school district participates,

shares in, or receiving directly or indirectly any money, profit, property, or benefit through any contract with the unit of local government or school district, with the intent to defraud the unit of local government or school district is guilty of a Class 3 felony.

HISTORY:
P.A. 90-800, § 5.

720 ILCS 5/33E-18 Unlawful stringing of bids

(a) A person commits unlawful stringing of bids when he or she, with the intent to evade the bidding requirements of any unit of local government or school district, knowingly strings or assists in stringing or attempts to string any contract or job order with the unit of local government or school district.

(b) Sentence. Unlawful stringing of bids is a Class 4 felony.

HISTORY:
P.A. 90-800, § 5; 97-1108, § 10-5; 98-756, § 695.

TITLE V.
ADDED ARTICLES

Article 47. Nuisance

ARTICLE 47.
NUISANCE

720 ILCS 5/47-5 Public nuisance

It is a public nuisance:

(1) To cause or allow the carcass of an animal or offal, filth, or a noisome substance to be collected, deposited, or to remain in any place to the prejudice of others.

(2) To throw or deposit offal or other offensive matter or the carcass of a dead animal in a water course, lake, pond, spring, well, or common sewer, street, or public highway.

(3) To corrupt or render unwholesome or impure the water of a spring, river, stream, pond, or lake to the injury or prejudice of others.

(4) To obstruct or impede, without legal authority, the passage of a navigable river or waters.

(5) To obstruct or encroach upon public highways, private ways, streets, alleys, commons, landing places, and ways to burying places.

(6) To carry on the business of manufacturing gunpowder, nitroglycerine, or other highly explosive substances, or mixing or grinding the materials for those substances, in a building within 20 rods of a valuable building erected at the time the business is commenced.

(7) To establish powder magazines near incorporated towns, at a point different from that appointed according to law by the corporate authorities of the town, or within 50 rods of an occupied dwelling house.

(8) To erect, continue, or use a building or other place for the exercise of a trade, employment, or manufacture that, by occasioning noxious exhalations, offensive smells, or otherwise, is offensive or dangerous to the health of individuals or of the public.

(9) To advertise wares or occupation by painting notices of the wares or occupation on or affixing them to fences or other private property, or on rocks or other natural objects, without the consent of the owner, or if in the highway or other public place, without permission of the proper authorities.

(10) To permit a well drilled for oil, gas, salt water disposal, or any other purpose in connection with the production of oil and gas to remain unplugged after the well is no longer used for the purpose for which it was drilled.

(11) To construct or operate a salt water pit or oil field refuse pit, commonly called a "burn out pit", so that salt water, brine, or oil field refuse or other waste liquids may escape from the pit in a manner except by the evaporation of the salt water or brine or by the burning of the oil field waste or refuse.

(12) To permit concrete bases, discarded machinery, and materials to remain around an oil or gas well, or to fail to fill holes, cellars, slush pits, and other excavations made in connection with the well or to restore the surface of the lands surrounding the well to its condition before the drilling of the well, upon abandonment of the oil or gas well.

(13) To permit salt water, oil, gas, or other wastes from a well drilled for oil, gas, or exploratory purposes to escape to the surface, or into a mine or coal seam, or into an underground fresh water supply, or from one underground stratum to another.

(14) To harass, intimidate, or threaten a person who is about to sell or lease or has sold or leased a residence or other real property or is about to buy or lease or has bought or leased a residence or other real property, when the harassment, intimidation, or threat relates to a person's attempt to sell, buy, or lease a residence, or other real property, or refers to a person's sale, purchase, or lease of a residence or other real property.

(15) To store, dump, or permit the accumulation of debris, refuse, garbage, trash, tires, buckets, cans, wheelbarrows, garbage cans, or other containers in a manner that may harbor mosquitoes, flies, insects, rodents, nuisance birds, or other animal pests that are offensive, injurious, or dangerous to the health of individuals or the public.

(16) To create a condition, through the improper maintenance of a swimming pool or wading pool, or by causing an action that alters the condition of a natural body of water, so that it harbors mosquitoes, flies, or other animal pests that are offensive, injuri-

ous, or dangerous to the health of individuals or the public.

(17) To operate a tanning facility without a valid permit under the Tanning Facility Permit Act [210 ILCS 145/1 et seq.].

Nothing in this Section shall be construed to prevent the corporate authorities of a city, village, or incorporated town, or the county board of a county, from declaring what are nuisances and abating them within their limits. Counties have that authority only outside the corporate limits of a city, village, or incorporated town.

HISTORY:
P.A. 86-452; 87-636; 89-234, § 5-15.

720 ILCS 5/47-25 Penalties

Whoever causes, erects, or continues a nuisance described in this Article, for the first offense, is guilty of a petty offense and shall be fined not exceeding $100, and for a subsequent offense is guilty of a Class B misdemeanor. Every nuisance described in this Article, when a conviction for that nuisance is had, may, by order of the court before which the conviction is had, be abated by the sheriff or other proper officer, at the expense of the defendant. It is not a defense to a proceeding under this Section that the nuisance is erected or continued by virtue or permission of a law of this State.

CHAPTER 730

CORRECTIONS

Unified Code of Corrections

UNIFIED CODE OF CORRECTIONS

Chapter
III. Department of Corrections

CHAPTER III.

DEPARTMENT OF CORRECTIONS

Article 2. Organization of Department

Section
730 ILCS 5/3-2-2 Powers and duties of the Department.

ARTICLE 2.

ORGANIZATION OF DEPARTMENT

730 ILCS 5/3-2-2 Powers and duties of the Department.

(1) In addition to the powers, duties, and responsibilities which are otherwise provided by law, the Department shall have the following powers:

(a) To accept persons committed to it by the courts of this State for care, custody, treatment, and rehabilitation, and to accept federal prisoners and noncitizens over whom the Office of the Federal Detention Trustee is authorized to exercise the federal detention function for limited purposes and periods of time.

(b) To develop and maintain reception and evaluation units for purposes of analyzing the custody and rehabilitation needs of persons committed to it and to assign such persons to institutions and programs under its control or transfer them to other appropriate agencies. In consultation with the Department of Alcoholism and Substance Abuse (now the Department of Human Services), the Department of Corrections shall develop a master plan for the screening and evaluation of persons committed to its custody who have alcohol or drug abuse problems, and for making appropriate treatment available to such persons; the Department shall report to the General Assembly on such plan not later than April 1, 1987. The maintenance and implementation of such plan shall be contingent upon the availability of funds.

(b-1) To create and implement, on January 1, 2002, a pilot program to establish the effectiveness of pupillometer technology (the measurement of the pupil's reaction to light) as an alternative to a urine test for purposes of screening and evaluating persons committed to its custody who have alcohol or drug problems. The pilot program shall require the pupillometer technology to be used in at least one Department of Corrections facility. The Director may expand the pilot program to include an additional facility or facilities as he or she deems appropriate. A minimum of 4,000 tests shall be included in the pilot program. The Department must report to the General Assembly on the effectiveness of the program by January 1, 2003.

(b-5) To develop, in consultation with the Illinois State Police, a program for tracking and evaluating each inmate from commitment through release for recording his or her gang affiliations, activities, or ranks.

(c) To maintain and administer all State correctional institutions and facilities under its control and to establish new ones as needed. Pursuant to its power to establish new institutions and facilities, the Department may, with the written approval of the Governor, authorize the Department of Central Management Services to enter into an agreement of the type described in subsection (d) of Section 405-300 of the Department of Central Management Services Law. The Department shall designate those institutions which shall constitute the State Penitentiary System. The Department of Juvenile Justice shall maintain and administer all State youth centers pursuant to subsection (d) of Section 3-2.5-20.

Pursuant to its power to establish new institutions and facilities, the Department may authorize the Department of Central Management Services to accept bids from counties and municipalities for the construction, remodeling, or conversion of a structure to be leased to the Department of Corrections for the purposes of its serving as a correctional institution or facility. Such construction, remodeling, or conversion may be financed with revenue bonds issued pursuant to the Industrial Building Revenue Bond Act by the municipality or county. The lease specified in a bid shall be for a term of not less than the time needed to retire any revenue bonds used to finance the project, but not to exceed 40 years. The lease may grant to the State the option to purchase the structure outright.

Upon receipt of the bids, the Department may certify one or more of the bids and shall submit any

such bids to the General Assembly for approval. Upon approval of a bid by a constitutional majority of both houses of the General Assembly, pursuant to joint resolution, the Department of Central Management Services may enter into an agreement with the county or municipality pursuant to such bid.

(c-5) To build and maintain regional juvenile detention centers and to charge a per diem to the counties as established by the Department to defray the costs of housing each minor in a center. In this subsection (c-5), "juvenile detention center" means a facility to house minors during pendency of trial who have been transferred from proceedings under the Juvenile Court Act of 1987 to prosecutions under the criminal laws of this State in accordance with Section 5-805 of the Juvenile Court Act of 1987, whether the transfer was by operation of law or permissive under that Section. The Department shall designate the counties to be served by each regional juvenile detention center.

(d) To develop and maintain programs of control, rehabilitation, and employment of committed persons within its institutions.

(d-5) To provide a pre-release job preparation program for inmates at Illinois adult correctional centers.

(d-10) To provide educational and visitation opportunities to committed persons within its institutions through temporary access to content-controlled tablets that may be provided as a privilege to committed persons to induce or reward compliance.

(e) To establish a system of supervision and guidance of committed persons in the community.

(f) To establish in cooperation with the Department of Transportation to supply a sufficient number of prisoners for use by the Department of Transportation to clean up the trash and garbage along State, county, township, or municipal highways as designated by the Department of Transportation. The Department of Corrections, at the request of the Department of Transportation, shall furnish such prisoners at least annually for a period to be agreed upon between the Director of Corrections and the Secretary of Transportation. The prisoners used on this program shall be selected by the Director of Corrections on whatever basis he deems proper in consideration of their term, behavior and earned eligibility to participate in such program - where they will be outside of the prison facility but still in the custody of the Department of Corrections. Prisoners convicted of first degree murder, or a Class X felony, or armed violence, or aggravated kidnapping, or criminal sexual assault, aggravated criminal sexual abuse or a subsequent conviction for criminal sexual abuse, or forcible detention, or arson, or a prisoner adjudged a Habitual Criminal shall not be eligible for selection to participate in such program. The prisoners shall remain as prisoners in the custody of the Department of Corrections and such Department shall furnish whatever security is necessary. The Department of Transportation shall furnish trucks and equipment for the highway cleanup program and personnel to supervise and direct the program. Neither the Department of Corrections nor the Department of Transportation shall replace any regular employee with a prisoner.

(g) To maintain records of persons committed to it and to establish programs of research, statistics, and planning.

(h) To investigate the grievances of any person committed to the Department and to inquire into any alleged misconduct by employees or committed persons; and for these purposes it may issue subpoenas and compel the attendance of witnesses and the production of writings and papers, and may examine under oath any witnesses who may appear before it; to also investigate alleged violations of a parolee's or releasee's conditions of parole or release; and for this purpose it may issue subpoenas and compel the attendance of witnesses and the production of documents only if there is reason to believe that such procedures would provide evidence that such violations have occurred.

If any person fails to obey a subpoena issued under this subsection, the Director may apply to any circuit court to secure compliance with the subpoena. The failure to comply with the order of the court issued in response thereto shall be punishable as contempt of court.

(i) To appoint and remove the chief administrative officers, and administer programs of training and development of personnel of the Department. Personnel assigned by the Department to be responsible for the custody and control of committed persons or to investigate the alleged misconduct of committed persons or employees or alleged violations of a parolee's or releasee's conditions of parole shall be conservators of the peace for those purposes, and shall have the full power of peace officers outside of the facilities of the Department in the protection, arrest, retaking, and reconfining of committed persons or where the exercise of such power is necessary to the investigation of such misconduct or violations. This subsection shall not apply to persons committed to the Department of Juvenile Justice under the Juvenile Court Act of 1987 on aftercare release.

(j) To cooperate with other departments and agencies and with local communities for the development of standards and programs for better correctional services in this State.

(k) To administer all moneys and properties of the Department.

(*l*) To report annually to the Governor on the committed persons, institutions, and programs of the Department.

(l-5) (Blank).

(m) To make all rules and regulations and exercise all powers and duties vested by law in the Department.

(n) To establish rules and regulations for administering a system of sentence credits, established in accordance with Section 3-6-3, subject to review by the Prisoner Review Board.

(o) To administer the distribution of funds from the State Treasury to reimburse counties where State penal institutions are located for the payment of assistant state's attorneys' salaries under Section 4-2001 of the Counties Code.

(p) To exchange information with the Department of Human Services and the Department of Healthcare and Family Services for the purpose of verifying living arrangements and for other purposes directly connected with the administration of this Code and the Illinois Public Aid Code.

(q) To establish a diversion program.

The program shall provide a structured environment for selected technical parole or mandatory supervised release violators and committed persons who have violated the rules governing their conduct while in work release. This program shall not apply to those persons who have committed a new offense while serving on parole or mandatory supervised release or while committed to work release.

Elements of the program shall include, but shall not be limited to, the following:

(1) The staff of a diversion facility shall provide supervision in accordance with required objectives set by the facility.

(2) Participants shall be required to maintain employment.

(3) Each participant shall pay for room and board at the facility on a sliding-scale basis according to the participant's income.

(4) Each participant shall:

(A) provide restitution to victims in accordance with any court order;

(B) provide financial support to his dependents; and

(C) make appropriate payments toward any other court-ordered obligations.

(5) Each participant shall complete community service in addition to employment.

(6) Participants shall take part in such counseling, educational, and other programs as the Department may deem appropriate.

(7) Participants shall submit to drug and alcohol screening.

(8) The Department shall promulgate rules governing the administration of the program.

(r) To enter into intergovernmental cooperation agreements under which persons in the custody of the Department may participate in a county impact incarceration program established under Section 3-6038 or 3-15003.5 of the Counties Code.

(r-5) (Blank).

(r-10) To systematically and routinely identify with respect to each streetgang active within the correctional system: (1) each active gang; (2) every existing inter-gang affiliation or alliance; and (3) the current leaders in each gang. The Department shall promptly segregate leaders from inmates who belong to their gangs and allied gangs. "Segregate" means no physical contact and, to the extent possible under the conditions and space available at the correctional facility, prohibition of visual and sound communication. For the purposes of this paragraph (r-10), "leaders" means persons who:

(i) are members of a criminal streetgang;

(ii) with respect to other individuals within the streetgang, occupy a position of organizer, supervisor, or other position of management or leadership; and

(iii) are actively and personally engaged in directing, ordering, authorizing, or requesting commission of criminal acts by others, which are punishable as a felony, in furtherance of streetgang related activity both within and outside of the Department of Corrections.

"Streetgang", "gang", and "streetgang related" have the meanings ascribed to them in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(s) To operate a super-maximum security institution, in order to manage and supervise inmates who are disruptive or dangerous and provide for the safety and security of the staff and the other inmates.

(t) To monitor any unprivileged conversation or any unprivileged communication, whether in person or by mail, telephone, or other means, between an inmate who, before commitment to the Department, was a member of an organized gang and any other person without the need to show cause or satisfy any other requirement of law before beginning the monitoring, except as constitutionally required. The monitoring may be by video, voice, or other method of recording or by any other means. As used in this subdivision (1)(t), "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

As used in this subdivision (1)(t), "unprivileged conversation" or "unprivileged communication" means a conversation or communication that is not protected by any privilege recognized by law or by decision, rule, or order of the Illinois Supreme Court.

(u) To establish a Women's and Children's Prerelease Community Supervision Program for the purpose of providing housing and services to eligible female inmates, as determined by the Department, and their newborn and young children.

(u-5) To issue an order, whenever a person committed to the Department absconds or absents himself or herself, without authority to do so, from any facility or program to which he or she is assigned. The order shall be certified by the Director, the Supervisor of the Apprehension Unit, or any person duly designated by the Director, with

the seal of the Department affixed. The order shall be directed to all sheriffs, coroners, and police officers, or to any particular person named in the order. Any order issued pursuant to this subdivision (1)(u-5) shall be sufficient warrant for the officer or person named in the order to arrest and deliver the committed person to the proper correctional officials and shall be executed the same as criminal process.

(u-6) To appoint a point of contact person who shall receive suggestions, complaints, or other requests to the Department from visitors to Department institutions or facilities and from other members of the public.

(v) To do all other acts necessary to carry out the provisions of this Chapter.

(2) The Department of Corrections shall by January 1, 1998, consider building and operating a correctional facility within 100 miles of a county of over 2,000,000 inhabitants, especially a facility designed to house juvenile participants in the impact incarceration program.

(3) When the Department lets bids for contracts for medical services to be provided to persons committed to Department facilities by a health maintenance organization, medical service corporation, or other health care provider, the bid may only be let to a health care provider that has obtained an irrevocable letter of credit or performance bond issued by a company whose bonds have an investment grade or higher rating by a bond rating organization.

(4) When the Department lets bids for contracts for food or commissary services to be provided to Department facilities, the bid may only be let to a food or commissary services provider that has obtained an irrevocable letter of credit or performance bond issued by a company whose bonds have an investment grade or higher rating by a bond rating organization.

(5) On and after the date 6 months after August 16, 2013 (the effective date of Public Act 98-488), as provided in the Executive Order 1 (2012) Implementation Act, all of the powers, duties, rights, and responsibilities related to State healthcare purchasing under this Code that were transferred from the Department of Corrections to the Department of Healthcare and Family Services by Executive Order 3 (2005) are transferred back to the Department of Corrections; however, powers, duties, rights, and responsibilities related to State healthcare purchasing under this Code that were exercised by the Department of Corrections before the effective date of Executive Order 3 (2005) but that pertain to individuals resident in facilities operated by the Department of Juvenile Justice are transferred to the Department of Juvenile Justice.

GENERAL PROVISIONS

Section
735 ILCS 30/1-1-1 Short title.
735 ILCS 30/1-1-5 Definitions

735 ILCS 30/1-1-1 Short title.

This Act may be cited as the Eminent Domain Act [735 ILCS 30/1-1-1 et seq.].

HISTORY:
P.A. 94-1055, § 1-1-1.

735 ILCS 30/1-1-5 Definitions

As used in this Act, except with respect to the acquisition or damaging of property authorized under the O'Hare Modernization Act [620 ILCS 65/1 et seq.]:

"Acquisition of property", unless the context otherwise requires, includes the acquisition, damaging, or use of property or any right to or interest in property.

"Blighted area", "blight", and "blighted" have the same meanings as under the applicable statute authorizing the condemning authority to exercise the power of eminent domain or, if those terms have no defined meaning under the applicable statute, then the same meanings as under Section 11-74.4-3 of the Illinois Municipal Code [65 ILCS 5/11-74.4-3].

"Condemning authority" means the State or any unit of local government, school district, or other entity authorized to exercise the power of eminent domain.

HISTORY:
P.A. 94-1055, § 1-1-5.

ARTICLE 5.
GENERAL EXERCISE

Section
735 ILCS 30/5-5-5 Exercise of the power of eminent domain; public use; blight.

735 ILCS 30/5-5-5 Exercise of the power of eminent domain; public use; blight.

(a) In addition to all other limitations and requirements, a condemning authority may not take or damage property by the exercise of the power of eminent domain unless it is for a public use, as set forth in this Section.

(a-5) Subsections (b), (c), (d), (e), and (f) of this Section do not apply to the acquisition of property under the O'Hare Modernization Act [620 ILCS 65/1 et seq.]. A condemning authority may exercise the power of eminent domain for the acquisition or damaging of property under the O'Hare Modernization Act [620 ILCS 65/1 et seq.] as provided for by law in effect prior to the effective date of this Act.

(a-10) Subsections (b), (c), (d), (e), and (f) of this Section do not apply to the acquisition or damaging of property in furtherance of the goals and objectives of an existing tax increment allocation redevelopment plan. A condemning authority may exercise the power of eminent domain for the acquisition of property in furtherance of an existing tax increment allocation redevelopment plan as provided for by law in effect prior to the effective date of this Act.

As used in this subsection, "existing tax increment allocation redevelopment plan" means a redevelopment plan that was adopted under the Tax Increment Allocation Redevelopment Act [65 ILCS 5/11-74.4-1 et seq.] (Article 11, Division 74.4 of the Illinois Municipal Code [65 ILCS 5/11-74.4-1 et seq.]) prior to April 15, 2006 and for which property assembly costs were, before that date, included as a budget line item in the plan or described in the narrative portion of the plan as part of the redevelopment project, but does not include (i) any additional area added to the redevelopment project area on or after April 15, 2006, (ii) any subsequent extension of the completion date of a redevelopment plan beyond the estimated completion date established in that plan prior to April 15, 2006, (iii) any acquisition of property in a conservation area for which the condemnation complaint is filed more than 12 years after the effective date of this Act, or (iv) any acquisition of property in an industrial park conservation area.

As used in this subsection, "conservation area" and "industrial park conservation area" have the same meanings as under Section 11-74.4-3 of the Illinois Municipal Code [65 ILCS5/11-74.4-3].

(b) If the exercise of eminent domain authority is to acquire property for public ownership and control, then the condemning authority must prove that (i) the acquisition of the property is necessary for a public purpose and (ii) the acquired property will be

owned and controlled by the condemning authority or another governmental entity.

(c) Except when the acquisition is governed by subsection (b) or is primarily for one of the purposes specified in subsection (d), (e), or (f) and the condemning authority elects to proceed under one of those subsections, if the exercise of eminent domain authority is to acquire property for private ownership or control, or both, then the condemning authority must prove by clear and convincing evidence that the acquisition of the property for private ownership or control is (i) primarily for the benefit, use, or enjoyment of the public and (ii) necessary for a public purpose.

An acquisition of property primarily for the purpose of the elimination of blight is rebuttably presumed to be for a public purpose and primarily for the benefit, use, or enjoyment of the public under this subsection.

Any challenge to the existence of blighting factors alleged in a complaint to condemn under this subsection shall be raised within 6 months of the filing date of the complaint to condemn, and if not raised within that time the right to challenge the existence of those blighting factors shall be deemed waived.

Evidence that the Illinois Commerce Commission has granted a certificate or otherwise made a finding of public convenience and necessity for an acquisition of property (or any right or interest in property) for private ownership or control (including, without limitation, an acquisition for which the use of eminent domain is authorized under the Public Utilities Act [220 ILCS 5/1-101 et seq.], the Telephone Company Act [220 ILCS 65/0.01 to 220 ILCS 65/5], or the Electric Supplier Act [220 ILCS 30/1 et seq.]) to be used for utility purposes creates a rebuttable presumption that such acquisition of that property (or right or interest in property) is (i) primarily for the benefit, use, or enjoyment of the public and (ii) necessary for a public purpose.

In the case of an acquisition of property (or any right or interest in property) for private ownership or control to be used for utility, pipeline, or railroad purposes for which no certificate or finding of public convenience and necessity by the Illinois Commerce Commission is required, evidence that the acquisition is one for which the use of eminent domain is authorized under one of the following laws creates a rebuttable presumption that the acquisition of that property (or right or interest in property) is (i) primarily for the benefit, use, or enjoyment of the public and (ii) necessary for a public purpose:

(1) the Public Utilities Act [220 ILCS 5/1-101 et seq.],

(2) the Telephone Company Act [220 ILCS 65/0.01 et seq.],

(3) the Electric Supplier Act [220 ILCS 30/1 et seq.],

(4) the Railroad Terminal Authority Act [70 ILCS 1905/0.01 et seq.],

(5) the Grand Avenue Railroad Relocation Authority Act [70 ILCS 1915/1 to 70 ILCS 1915/999],

(6) the West Cook Railroad Relocation and Development Authority Act [70 ILCS 1920/1 to 1920/999],

(7) Section 4-505 of the Illinois Highway Code [605 ILCS 5/4-505],

(8) Section 17 or 18 of the Railroad Incorporation Act [610 ILCS 5/17 or 610 ILCS 5/18],

(9) Section 18c-7501 of the Illinois Vehicle Code [625 ILCS 5/18c-7501].

(d) If the exercise of eminent domain authority is to acquire property for private ownership or control and if the primary basis for the acquisition is the elimination of blight and the condemning authority elects to proceed under this subsection, then the condemning authority must: (i) prove by a preponderance of the evidence that acquisition of the property for private ownership or control is necessary for a public purpose; (ii) prove by a preponderance of the evidence that the property to be acquired is located in an area that is currently designated as a blighted area or conservation area under an applicable statute; (iii) if the existence of blight or blighting factors is challenged in an appropriate motion filed within 6 months after the date of filing of the complaint to condemn, prove by a preponderance of the evidence that the required blighting factors existed in the area so designated (but not necessarily in the particular property to be acquired) at the time of the designation under item (ii) or at any time thereafter; and (iv) prove by a preponderance of the evidence at least one of the following:

(A) that it has entered into an express written agreement in which a private person or entity agrees to undertake a development project within the blighted area that specifically details the reasons for which the property or rights in that property are necessary for the development project;

(B) that the exercise of eminent domain power and the proposed use of the property by the condemning authority are consistent with a regional plan that has been adopted within the past 5 years in accordance with Section 5-14001 of the Counties Code [55 ILCS 5/1-14001] or Section 11-12-6 of the Illinois Municipal Code [65 ILCS 5/11-12-6] or with a local land resource management plan adopted under Section 4 of the Local Land Resource Management Planning Act [50 ILCS 850/4]; or

(C) that (1) the acquired property will be used in the development of a project that is consistent with the land uses set forth in a comprehensive redevelopment plan prepared in accordance with the applicable statute authorizing the condemning authority to exercise the power of eminent domain and is consistent with the goals and purposes of that comprehensive redevelopment plan, and (2) an enforceable written agreement, deed restriction, or similar encumbrance has been or will be executed and recorded against the acquired property to assure that the project and the use of the property remain consistent with those land uses,

goals, and purposes for a period of at least 40 years, which execution and recording shall be included as a requirement in any final order entered in the condemnation proceeding.

The existence of an ordinance, resolution, or other official act designating an area as blighted is not prima facie evidence of the existence of blight. A finding by the court in a condemnation proceeding that a property or area has not been proven to be blighted does not apply to any other case or undermine the designation of a blighted area or conservation area or the determination of the existence of blight for any other purpose or under any other statute, including without limitation under the Tax Increment Allocation Redevelopment Act [65 ILCS 5/11-74.4-1 et seq.] (Article 11, Division 74.4 of the Illinois Municipal Code [65 ILCS 5/11-74.4]).

Any challenge to the existence of blighting factors alleged in a complaint to condemn under this subsection shall be raised within 6 months of the filing date of the complaint to condemn, and if not raised within that time the right to challenge the existence of those blighting factors shall be deemed waived.

(e) If the exercise of eminent domain authority is to acquire property for private ownership or control and if the primary purpose of the acquisition is one of the purposes specified in item (iii) of this subsection and the condemning authority elects to proceed under this subsection, then the condemning authority must prove by a preponderance of the evidence that: (i) the acquisition of the property is necessary for a public purpose; (ii) an enforceable written agreement, deed restriction, or similar encumbrance has been or will be executed and recorded against the acquired property to assure that the project and the use of the property remain consistent with the applicable purpose specified in item (iii) of this subsection for a period of at least 40 years, which execution and recording shall be included as a requirement in any final order entered in the condemnation proceeding; and (iii) the acquired property will be one of the following:

(1) included in the project site for a residential project, or a mixed-use project including residential units, where not less than 20% of the residential units in the project are made available, for at least 15 years, by deed restriction, long-term lease, regulatory agreement, extended use agreement, or a comparable recorded encumbrance, to low-income households and very low-income households, as defined in Section 3 of the Illinois Affordable Housing Act [310 ILCS 65/1 et seq.];

(2) used primarily for public airport, road, parking, or mass transportation purposes and sold or leased to a private party in a sale-leaseback, lease-leaseback, or similar structured financing;

(3) owned or used by a public utility or electric cooperative for utility purposes;

(4) owned or used by a railroad for passenger or freight transportation purposes;

(5) sold or leased to a private party that operates a water supply, waste water, recycling, waste disposal, waste-to-energy, or similar facility;

(6) sold or leased to a not-for-profit corporation whose purposes include the preservation of open space, the operation of park space, and similar public purposes;

(7) used as a library, museum, or related facility, or as infrastructure related to such a facility;

(8) used by a private party for the operation of a charter school open to the general public; or

(9) a historic resource, as defined in Section 3 of the Illinois State Agency Historic Resources Preservation Act [20 ILCS 3420/1 et seq.], a landmark designated as such under a local ordinance, or a contributing structure within a local landmark district listed on the National Register of Historic Places, that is being acquired for purposes of preservation or rehabilitation.

(f) If the exercise of eminent domain authority is to acquire property for public ownership and private control and if the primary purpose of the acquisition is one of the purposes specified in item (iii) of this subsection and the condemning authority elects to proceed under this subsection, then the condemning authority must prove by a preponderance of the evidence that: (i) the acquisition of the property is necessary for a public purpose; (ii) the acquired property will be owned by the condemning authority or another governmental entity; and (iii) the acquired property will be controlled by a private party that operates a business or facility related to the condemning authority's operation of a university, medical district, hospital, exposition or convention center, mass transportation facility, or airport, including, but not limited to, a medical clinic, research and development center, food or commercial concession facility, social service facility, maintenance or storage facility, cargo facility, rental car facility, bus facility, taxi facility, flight kitchen, fixed based operation, parking facility, refueling facility, water supply facility, and railroad tracks and stations.

(g) This Article is a limitation on the exercise of the power of eminent domain, but is not an independent grant of authority to exercise the power of eminent domain.

HISTORY:

P.A. 94-1055, § 5-5-5.

ARTICLE 10.

GENERAL PROCEDURE

Section

735 ILCS 30/10-5-5 Compensation; jury

(a) Private property shall not be taken or damaged for public use without just compensation and, in all cases in which compensation is not made by the condemning authority, compensation shall be ascertained by a jury, as provided in this Act. When compensation is so made by the condemning authority, any party, upon application, may have a trial by jury to ascertain the just compensation to be paid. A demand on the part of the condemning authority for a trial by jury shall be filed with the complaint for condemnation of the condemning authority. When the condemning authority is plaintiff, a defendant desirous of a trial by jury must file a demand for a trial by jury on or before the return date of the summons served on him or her or on or before the date fixed in the publication in case of defendants served by publication. If no party in the condemnation action demands a trial by jury, as provided for by this Section, then the trial shall be before the court without a jury.

(b) The right to just compensation, as provided in this Act, applies to the owner or owners of any lawfully erected off-premises outdoor advertising sign that is compelled to be altered or removed under this Act or any other statute, or under any ordinance or regulation of any municipality or other unit of local government, and also applies to the owner or owners of the property on which that sign is erected. The right to just compensation, as provided in this Act, applies to property subject to a conservation right under the Real Property Conservation Rights Act [765 ILCS 120/1 et seq.]. The amount of compensation for the taking of the property shall not be diminished or reduced by virtue of the existence of the conservation right. The holder of the conservation right shall be entitled to just compensation for the value of the conservation right.

HISTORY:
P.A. 82-280; 87-1205, § 1; 91-497, § 10-5.5; 94-1055, § 10-5-5.

735 ILCS 30/10-5-10 Parties.

(a) When the right (i) to take private property for public use, without the owner's consent, (ii) to construct or maintain any public road, railroad, plankroad, turnpike road, canal, or other public work or improvement, or (iii) to damage property not actually taken has been or is conferred by general law or special charter upon any corporate or municipal authority, public body, officer or agent, person, commissioner, or corporation and when (i) the compensation to be paid for or in respect of the property sought to be appropriated or damaged for the purposes mentioned cannot be agreed upon by the parties interested, (ii) the owner of the property is incapable of consenting, (iii) the owner's name or residence is unknown, or (iv) the owner is a nonresident of the State, then the party authorized to take or damage the property so required, or to construct, operate, and maintain any public road, railroad, plankroad, turnpike road, canal, or other public work or improvement, may apply to the circuit court of the county where the property or any part of the property is situated, by filing with the clerk a complaint. The complaint shall set forth, by reference, (i) the complainant's authority in the premises, (ii) the purpose for which the property is sought to be taken or damaged, (iii) a description of the property, and (iv) the names of all persons interested in the property as owners or otherwise, as appearing of record, if known, or if not known stating that fact; and shall pray the court to cause the compensation to be paid to the owner to be assessed.

(b) If it appears that any person not in being, upon coming into being, is, or may become or may claim to be, entitled to any interest in the property sought to be appropriated or damaged, the court shall appoint some competent and disinterested person as guardian ad litem to appear for and represent that interest in the proceeding and to defend the proceeding on behalf of the person not in being. Any judgment entered in the proceeding shall be as effectual for all purposes as though the person was in being and was a party to the proceeding.

(c) If the proceeding seeks to affect the property of persons under guardianship, the guardians shall be made parties defendant.

(d) Any interested persons whose names are unknown may be made parties defendant by the same descriptions and in the same manner as provided in other civil cases.

(e) When the property to be taken or damaged is a common element of property subject to a declaration of condominium ownership, pursuant to the Condominium Property Act [765 ILCS 605/1 et seq.], or of a common interest community, the complaint shall name the unit owners' association in lieu of naming the individual unit owners and lienholders on individual units. Unit owners, mortgagees, and other lienholders may intervene as parties defendant. For the purposes of this Section, "common interest community" has the same meaning as set forth in subsection (c) of Section 9-102 of the Code of Civil Procedure [735 ILCS 5/9-102]. "Unit owners' association" or "association" shall refer to both the definition

contained in Section 2 of the Condominium Property Act [765 ILCS 605/2] and subsection (c) of Section 9-102 of the Code of Civil Procedure.

(f) When the property is sought to be taken or damaged by the State for the purposes of establishing, operating, or maintaining any State house or State charitable or other institutions or improvements, the complaint shall be signed by the Governor, or the Governor's designee, or as otherwise provided by law.

(g) No property, except property described in Section 3 of the Sports Stadium Act [65 ILCS 100/3], property to be acquired in furtherance of actions under Article 11, Divisions 124, 126, 128, 130, 135, 136, and 139, of the Illinois Municipal Code [65 ILCS 5/11-139-1 et seq.], property to be acquired in furtherance of actions under Section 3.1 of the Intergovernmental Cooperation Act [5 ILCS 220/3.1], property to be acquired that is a water system or waterworks pursuant to the home rule powers of a unit of local government, and property described as Site B in Section 2 of the Metropolitan Pier and Exposition Authority Act [70 ILCS 210/2], and property that may be taken as provided in the Public-Private Agreements for the South Suburban Airport Act [620 ILCS 75/2-1 et seq.] belonging to a railroad or other public utility subject to the jurisdiction of the Illinois Commerce Commission may be taken or damaged, pursuant to the provisions of this Act, without the prior approval of the Illinois Commerce Commission.

HISTORY:
P.A. 86-110; 86-826; 86-1028; 87-733; 87-760; 87-895; 89-683, § 915; 90-6, § 4; 94-1007, § 15-5-10; 94-1055, § 10-5-10; 95-331, § 1090; 98-109, § 4-70.

735 ILCS 30/10-5-15 State agency proceedings; information

(a) This Section applies only to the State and its agencies, and only to matters arising after December 31, 1991.

(b) Before any State agency initiates any proceeding under this Act, the agency must designate and provide for an appropriate person to respond to requests arising from the notifications required under this Section. The designated person may be an employee of the agency itself or an employee of any other appropriate State agency. The designated person shall respond to property owners' questions about the authority and procedures of the State agency in acquiring property by condemnation and about the property owner's general rights under those procedures. However, the designated person shall not provide property owners with specific legal advice or specific legal referrals.

(c) At the time of first contact with a property owner, whether in person or by letter, the State agency shall advise the property owner, in writing, of the following:

(1) A description of the property that the agency seeks to acquire.

(2) The name, address, and telephone number of the State official designated under subsection (b) to answer the property owner's questions.

(3) The identity of the State agency attempting to acquire the property.

(4) The general purpose of the proposed acquisition.

(5) The type of facility to be constructed on the property, if any.

(d) At least 60 days before filing a petition with any court to initiate a proceeding under this Act, a State agency shall send a letter by certified mail, return receipt requested, to the owner of the property to be taken, giving the property owner the following information:

(1) The amount of compensation for the taking of the property proposed by the agency and the basis for computing it.

(2) A statement that the agency continues to seek a negotiated agreement with the property owner.

(3) A statement that, in the absence of a negotiated agreement, it is the intention of the agency to initiate a court proceeding under this Act.

The State agency shall maintain a record of the letters sent in compliance with this Section for at least one year.

(e) Any duty imposed on a State agency by this Section may be assumed by the Office of the Attorney General, the Capital Development Board, or any other agency of State government that is assisting or acting on behalf of the State agency in the matter.

HISTORY:
P.A. 87-785; 94-1055, § 10-5-15.

735 ILCS 30/10-5-20 Construction easement

If a taking is for a construction easement only, any structure that has been removed or taken shall be repaired, reestablished or relocated, at the option of the landowner, when the cost of the action does not exceed the just compensation otherwise payable to the landowner.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-20.

735 ILCS 30/10-5-25 Service; notice

Service of summons and publication of notice shall be made as in other civil cases.

HISTORY:
P.A. 82-280; P.A. 94-1055; § 10-5-25.

735 ILCS 30/10-5-30 Hearing

Except as provided in Sections 20-5-10, 20-5-15, 20-5-20, and 20-5-45 of this Act [735 ILCS 30/20-5-10, 735 ILCS 30/20-5-15, 735 ILCS 30/20-5-20, and 735 ILCS 30/20-5-45], no cause shall be heard earlier than 20 days after service upon defendant or upon due publication against non-residents.

Any number of separate parcels of property, situated in the same county, may be included in one complaint, and the compensation for each shall be assessed separately by the same or different juries, as the court may direct.

Amendments to the complaint, or to any paper or record in the cause, may be permitted whenever necessary to a fair trial and final determination of the questions involved.

Should it become necessary at any stage of the proceedings to bring in a new party in the litigation, the court has the power to: (i) make any rule or order in relation thereto as may be deemed reasonable and proper; (ii) make all necessary rules and orders for notice to parties of the pendency of the proceedings; and (iii) issue all process necessary to the enforcement of orders and judgments.

HISTORY:
P.A. 83-707; 94-1055, § 10-5-30.

735 ILCS 30/10-5-35 Challenge of jurors

The plaintiff, and every party interested in the ascertaining of compensation, shall have the same right of challenge of jurors as in other civil cases in the circuit courts.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-35.

735 ILCS 30/10-5-40 Oath of jury

When the jury is selected, the court shall cause the following oath to be administered to the jury:

You and each of you do solemnly swear that you will well and truly ascertain and report just compensation to the owner (and each owner) of the property which it is sought to take or damage in this case, and to each person therein interested, according to the facts in the case, as the same may appear by the evidence, and that you will truly report such compensation so ascertained: so help you God.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-40.

735 ILCS 30/10-5-45 View of premises; jury's report

The jury shall, at the request of either party, go upon the land sought to be taken or damaged, in person, and examine the same. After hearing the proof offered, the jury shall make its report in writing. The report shall be subject to amendment by the jury, under the direction of the court, so as to clearly set forth and show the compensation ascertained to each person thereto entitled, and the verdict shall thereupon be recorded. However, no benefits or advantages which may accrue to lands or property affected shall be set off against or deducted from such compensation, in any case.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-45.

735 ILCS 30/10-5-50 Admissibility of evidence.

Evidence is admissible as to: (1) any benefit to the landowner that will result from the public improvement for which the eminent domain proceedings were instituted; (2) any unsafe, unsanitary, substandard, or other illegal condition, use, or occupancy of the property, including any violation of any environmental law or regulation; (3) the effect of such condition on income from or the fair market value of the property; and (4) the reasonable cost of causing the property to be placed in a legal condition, use, or occupancy, including compliance with environmental laws and regulations. Such evidence is admissible notwithstanding the absence of any official action taken to require the correction or abatement of the illegal condition, use, or occupancy.

HISTORY:
P.A. 82-280; 90-393, § 10; 94-1055, § 10-5-50.

735 ILCS 30/10-5-55 Special benefits

In assessing damages or compensation for any taking or property acquisition under this Act, due consideration shall be given to any special benefit that will result to the property owner from any public improvement to be erected on the property. This Section is applicable to all private property taken or acquired for public use and applies whether damages or compensation are fixed by negotiation, by a court, or by a jury.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-55.

735 ILCS 30/10-5-60 Value.

Except as to property designated as possessing a special use, the fair cash market value of property in a proceeding in eminent domain shall be the amount of money that a purchaser, willing, but not obligated, to buy the property, would pay to an owner willing, but not obliged, to sell in a voluntary sale.

For the acquisition or damaging of property under the O'Hare Modernization Act, the amount shall be determined as of the date of filing the complaint to condemn. For the acquisition of other property, the amount shall be determined and ascertained as of the date of filing the complaint to condemn, except that:

(i) in the case of property not being acquired under Article 20 (quick-take) [735 ILCS 30/20-5-5 et seq.], if the trial commences more than 2 years after the date of filing the complaint to condemn, the court may, in the interest of justice and equity, declare a valuation date no sooner than the date of filing the complaint to condemn and no later than the date of commencement of the trial; and

(ii) in the case of property that is being acquired under Article 20 (quick-take) [735 ILCS 30/20-5-5 et seq.], if the trial commences more than 2 years after the date of filing the complaint to condemn, the court may, in the interest of justice and equity, declare a valuation date no sooner than the date of filing the complaint to condemn and no later than the date on which the condemning authority took title to the property.

In the condemnation of property for a public improvement, there shall be excluded from the fair cash market value of the property any appreciation in value proximately caused by the improvement and any depreciation in value proximately caused by the improvement. However, such appreciation or depreciation shall not be excluded when property is condemned for a separate project conceived independently of and subsequent to the original project.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-60.

735 ILCS 30/10-5-62 Relocation costs

Except when federal funds are available for the payment of direct financial assistance to persons displaced by the acquisition of their real property, in all condemnation proceedings for the taking or damaging of real property under the exercise of the power of eminent domain, the condemning authority shall pay to displaced persons reimbursement for their reasonable relocation costs, determined in the same manner as under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 [42 U.S.C. § 4601 et seq.], as amended from time to time, and as implemented by regulations promulgated under that Act. This Section does not apply to the acquisition or damaging of property under the O'Hare Modernization Act [620 ILCS 65/1 et seq.].

HISTORY:
P.A. 94-1055, § 10-5-65.

735 ILCS 30/10-5-65 Reimbursement; inverse condemnation.

(a) Except as provided in subsection (b), when the condemning authority is required by a court to initiate condemnation proceedings for the actual physical taking of real property, the court rendering judgment for the property owner and awarding just compensation for the taking shall determine and award or allow to the property owner, as part of that judgment or award, further sums as will, in the opinion of the court, reimburse the property owner for the owner's reasonable costs, disbursements, and expenses, including reasonable attorney, appraisal, and engineering fees actually incurred by the property owner in those proceedings.

(b) When the condemning authority is required to initiate condemnation proceedings of property impacted directly or indirectly by the Chicago Transit Authority Red-Purple Modernization Project, the court rendering judgment for the property owner and awarding just compensation for the taking shall determine and award or allow to the property owner, as part of that judgment or award, further sums as will, in the opinion of the court, reimburse the property owner for the owner's reasonable costs, disbursements, diminution, and expenses, including reasonable attorney, appraisal, and engineering fees actually incurred by the property owner in those proceedings.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-65; 99-792, § 10.

735 ILCS 30/10-5-70 Judgments.

(a) If the plaintiff is not in possession pursuant to an order entered under the provisions of Section 20-5-15 of this Act [735 ILCS 30/20-5-15], the court, upon the report of the jury under Section 10-5-45 [735 ILCS 30/10-5-45] or upon the court's ascertainment and finding of the just compensation when there was no jury, shall proceed to adjudge and make such order as to right and justice shall pertain, ordering that the plaintiff shall enter upon the property and the use of the property upon payment of full compensation as ascertained, within a reasonable time to be fixed by the court. That order, together with evidence of payment, shall constitute complete justification of the taking of the property. Thereupon, the court in the same eminent domain proceeding in which the orders have been made shall have exclusive authority to hear and determine all rights in and to just compensation and shall make findings as to the rights of the parties, which shall be paid by the county treasurer out of the respective awards deposited with him or her, as provided in Section 10-5-85 of this Act [735 ILCS 30-10-5-85], except when the parties claimant are engaged in litigation in a court having acquired jurisdiction of the parties with respect to their rights in the property condemned prior to the time of the filing of the complaint to condemn. Appeals may be taken from any findings by the court as to the rights of the parties in and to the compensation paid to the county treasurer as in other civil cases.

If the plaintiff dismisses the complaint before the entry of the order by the court first mentioned in this subsection (a) or fails to make payment of full compensation within the time named in that order or if the final judgment is that the plaintiff cannot acquire the property by condemnation, the court shall, upon the application of the defendants or any of them, enter an order in the action for the payment by the plaintiff of all costs, expenses, and reasonable attorney fees paid or incurred by the defendant or defendants in defense of the complaint, as upon the hearing of the application shall be right and just, and also for the payment of the taxable costs.

(b) If the plaintiff is in possession pursuant to an order entered under the provisions of Section 20-5-15

of this Act [735 ILCS 30-20-5-15] and if Section 20-5-45 of this Act [735 ILCS 30/20-5-45] is inapplicable, then the court, upon the jury's report under Section 10-5-45 of this Act [735 ILCS 30/10-5-45] or upon the court's determination of just compensation if there was no jury, shall enter an order setting forth the amount of just compensation so finally ascertained and ordering and directing the payment of any amount of just compensation that may remain due to any of the interested parties, directing the return of any excess in the deposit remaining with the clerk of the court, and directing the refund of any excess amount withdrawn from the deposit by any of the interested parties.

HISTORY:
P.A. 83-707; 94-1055, § 10-5-70.

735 ILCS 30/10-5-75 Intervening petition

Any person not made a party may become a party by filing an intervening petition setting forth that the petitioner is the owner or has an interest in property that will be taken or damaged by the proposed work. The rights of the petitioner shall thereupon be fully considered and determined.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-75.

735 ILCS 30/10-5-80 Bond; use of premises

When compensation is ascertained, as provided in this Act, if the party in whose favor the compensation is ascertained appeals the order or judgment ascertaining just compensation, the plaintiff shall, notwithstanding, have the right to enter upon the use of the property upon entering into bond, with sufficient surety, payable to the party interested in the compensation, conditioned for the payment of compensation in the amount finally adjudged in the case and, in case of appeal by the plaintiff, the plaintiff shall enter into like bond with approved surety. The bonds shall be approved by the court in which the proceeding is had and executed and filed within the time fixed by the court. However, if the plaintiff is the State of Illinois, no bond shall be required.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-80.

735 ILCS 30/10-5-85 Payment to county treasurer

Payment of the final compensation adjudged, including any balance remaining due because of the insufficiency of any deposit made under Section 20-5-15 of this Act [735 ILCS 30/20-5-15] to satisfy in full the amount finally adjudged to be just compensation, may be made in all cases to the county treasurer, who shall receive and disburse the final compensation, subject to an order of the court, as provided in subsection (a) of Section 10-5-70 of this Act [735 ILCS 30/10-5-70], or payment may be made to the party entitled or, his, her or their guardian.

HISTORY:
P.A. 83-707; 94-1055, § 10-5-85.

735 ILCS 30/10-5-90 Distribution of compensation.

The amount of just compensation shall be distributed among all persons having an interest in the property according to the fair value of their legal or equitable interests. If there is a contract for deed to the property, the contract shall be abrogated and the amount of just compensation distributed by allowing to the purchaser on the contract for deed: (1) an amount equal to the down payment on the contract; (2) an amount equal to the monthly payments made on the contract, less interest and an amount equal to the fair rental value of the property for the period the purchaser has enjoyed the use of the property under the contract; and (3) an amount equal to amounts expended on improvements to the extent the expenditures increased the fair market value of the property; and by allowing to the seller on the contract for deed the amount of just compensation after allowing for amounts distributed under (1), (2), and (3) of this Section. However, the contract purchaser may pay to the contract seller the amount to be paid on the contract and shall then be entitled to the amount of just compensation paid by the condemnor either through negotiation or awarded in judicial proceedings.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-90.

735 ILCS 30/10-5-95 Verdict and judgment to be filed of record

The court shall cause the verdict of the jury and the judgment of the court to be filed of record.

HISTORY:
P.A. 82-280; 94-1055, § 10-5-95.

735 ILCS 30/10-5-100 Lands of State institutions not taken

No part of any land conveyed before, on, or after the effective date of this Act to the State of Illinois, for the use of any benevolent institutions of the State (or to any such institutions), shall be entered upon, appropriated, or used by any railroad or other company for railroad or other purposes, without the previous consent of the General Assembly. No court or other tribunal shall have or entertain jurisdiction of any proceeding instituted or to be instituted for the purpose of appropriating any such land for any of the purposes stated in this Section, without that previous consent.

HISTORY:
P.A. 83-707; 94-1055, § 10-5-100.

735 ILCS 30/10-5-105 Sale of certain property acquired by condemnation

(a) This Section applies only to property that (i) has been acquired after the effective date of this Act by condemnation or threat of condemnation, (ii) was acquired for public ownership and control by the condemning authority or another public entity, and (iii) has been under the ownership and control of the condemning authority or that other public entity for a total of less than 5 years.

As used in this Section, "threat of condemnation" means that the condemning authority has made an offer to purchase property and has the authority to exercise the power of eminent domain with respect to that property.

(b) Any governmental entity seeking to dispose of property to which this Section applies must dispose of that property in accordance with this Section, unless disposition of that property is otherwise specifically authorized or prohibited by law enacted by the General Assembly before, on, or after the effective date of this Act.

(c) The sale or public auction by the State of property to which this Section applies must be conducted in the manner provided in the State Property Control Act [30 ILCS 605/1 et seq.] for the disposition of surplus property.

(d) The sale or public auction by a municipality of property to which this Section applies must be conducted in accordance with Section 11-76-4.1 or 11-76-4.2 of the Illinois Municipal Code [65 ILCS 5/11-76-4.1 or 65 ILCS 5/11-76-4.2].

(e) The sale or public auction by any other unit of local government or school district of property to which this Section applies must be conducted in accordance with this subsection (e). The corporate authorities of unit of local government or school district, by resolution, may authorize the sale or public auction of the property as surplus public real estate. The value of the real estate shall be determined by a written MAI-certified appraisal or by a written certified appraisal of a State-certified or State-licensed real estate appraiser. The appraisal shall be available for public inspection. The resolution may direct the sale to be conducted by the staff of the unit of local government or school district; by listing with local licensed real estate agencies, in which case the terms of the agent's compensation shall be included in the resolution; or by public auction. The resolution shall be published at the first opportunity following its passage in a newspaper or newspapers published in the county or counties in which the unit of local government or school district is located. The resolution shall also contain pertinent information concerning the size, use, and zoning of the real estate and the terms of sale. The corporate authorities of the unit of local government or school district may accept any contract proposal determined by them to be in the best interest of the unit of local government or school district by a vote of two-thirds of the members of the corporate authority of the unit of local government or school district then holding office, but in no event at a price less than 80% of the appraised value.

(f) This Section does not apply to the acquisition or damaging of property under the O'Hare Modernization Act [620 ILCS 65/1 et seq.].

HISTORY:

P.A. 94-1055, § 10-5-105; 95-331, § 1090.

735 ILCS 30/10-5-110 Offers of settlement by defendant; attorney's fees and litigation expenses

(a) This Section applies only to proceedings for the acquisition of property for private ownership or control that are subject to subsection (c), (d), (e), or (f) of Section 5-5-5 [735 ILCS 30/5-5-5].

(b) At any time between (i) the close of discovery in accordance with Supreme Court Rule 218(c), as now or hereafter amended, or another date set by the court or agreed to by the parties, and (ii) 14 days before the commencement of trial to determine final just compensation, any defendant may serve upon the plaintiff a written offer setting forth the amount of compensation that the defendant will accept for the taking of that defendant's interest in the property. If the defendant does not make such an offer, the defendant shall not be entitled to the attorney's fees and other reimbursement provided under subsection (e) of this Section.

(c) If, within 10 days after service of the offer, the plaintiff serves written notice upon that defendant that the offer is accepted, then either of those parties may file a copy of the offer and a copy of the notice of acceptance together with proof of service of the notice. The court shall then enter judgment.

(d) An offer that is not accepted within the 10-day period is deemed to be withdrawn and evidence of the offer is not admissible at trial.

(e) If a plaintiff does not accept an offer as provided in subsection (c) and if the final just compensation for the defendant's interest is determined by the trier of fact to be equal to or in excess of the amount of the defendant's last written offer under subsection (b), then the court must order the plaintiff to pay to the defendant that defendant's attorney's fees as calculated under subsection (f) of this Section. The plaintiff shall also pay to the defendant that defendant's reasonable costs and litigation expenses, including, without limitation, expert witness and appraisal fees, incurred after the making of the defendant's last written offer under subsection (b).

(f) Any award of attorney's fees under this Section shall be based solely on the net benefit achieved for the property owner, except that the court may also consider any non-monetary benefits obtained for the property owner through the efforts of the attorney to the extent that the non-monetary benefits are specifically identified by the court and can be quantified by the court with a reasonable degree of certainty. "Net benefit" means the difference, exclusive of inter-

est, between the final judgment or settlement and the last written offer made by the condemning authority before the filing date of the condemnation complaint. The award shall be calculated as follows, subject to the Illinois Rules of Professional Conduct:

(1) 33% of the net benefit if the net benefit is $250,000 or less;

(2) 25% of the net benefit if the net benefit is more than $250,000 but less than $1 million; or

(3) 20% of the net benefit if the net benefit is $1 million or more.

(g) This Section does not apply to the acquisition of property under the O'Hare Modernization Act [620 ILCS 65/1 et seq.].

P.A. 94-1055, § 10-5-115.

ARTICLE 15.

EXPRESS EMINENT DOMAIN POWERS

Part 1. General Provisions

Section

Part 5. List of Eminent Domain Powers

PART 1.

GENERAL PROVISIONS

735 ILCS 30/15-1-5 Grants of power in other statutes; this Act controls

The State of Illinois and its various subdivisions and agencies, and all units of local government, school districts, and other entities, have the powers of condemnation and eminent domain that are (i) expressly provided in this Act or (ii) expressly provided in any other provision of law. Those powers may be exercised, however, only in accordance with this Act. If any power of condemnation or eminent domain that arises under any other provision of law is in conflict with this Act, this Act controls. This Section does not apply to the acquisition or damaging of property under the O'Hare Modernization Act [620 ILCS 65/1 et seq.].

HISTORY:
P.A. 94-1055, § 15-1-5.

PART 5.

LIST OF EMINENT DOMAIN POWERS

735 ILCS 30/15-5-1 Form and content of list

The Sections of this Part 5 are intended to constitute a list of the Sections of the Illinois Compiled Statutes that include express grants of the power to acquire property by condemnation or eminent domain.

The list is intended to be comprehensive, but there may be accidental omissions and inclusions. Inclusion in the list does not create a grant of power, and it does not continue or revive a grant of power that has been amended or repealed or is no longer applicable. Omission from the list of a statute that includes an express grant of the power to acquire property by condemnation or eminent domain does not invalidate that grant of power.

The list does not include the grants of quick-take power that are set forth in Article 25 of this Act [735 ILCS 30/25-7-103.1 et seq.], nor any other grants of power that are expressly granted under the other provisions of this Act.

Items in the list are presented in the following form: ILCS citation; short title of the Act; condemning authority; brief statement of purpose for which the power is granted.

HISTORY:
P.A. 94-1055, § 15-5-1.

735 ILCS 30/15-5-5 Eminent domain powers in ILCS Chapters 5 through 40

The following provisions of law may include ex-

press grants of the power to acquire property by condemnation or eminent domain:

(5 ILCS 220/3.1); Intergovernmental Cooperation Act; cooperating entities; for Municipal Joint Action Water Agency purposes.

(5 ILCS 220/3.2); Intergovernmental Cooperation Act; cooperating entities; for Municipal Joint Action Agency purposes.

(5 ILCS 585/1); National Forest Land Act; United States of America; for national forests.

(15 ILCS 330/2); Secretary of State Buildings in Cook County Act; Secretary of State; for office facilities in Cook County.

(20 ILCS 5/5-675); Civil Administrative Code of Illinois; the Secretary of Transportation, the Director of Natural Resources, and the Director of Central Management Services; for lands, buildings, and grounds for which an appropriation is made by the General Assembly.

(20 ILCS 620/9); Economic Development Area Tax Increment Allocation Act; municipalities; to achieve the objectives of the economic development project.

(20 ILCS 685/1); Particle Accelerator Land Acquisition Act; Department of Commerce and Economic Opportunity; for a federal high energy BEV Particle Accelerator.

(20 ILCS 835/2); State Parks Act; Department of Natural Resources; for State parks.

(20 ILCS 1110/3); Illinois Coal and Energy Development Bond Act; Department of Commerce and Economic Opportunity; for coal projects.

(20 ILCS 1920/2.06); Abandoned Mined Lands and Water Reclamation Act; Department of Natural Resources; for reclamation purposes.

(20 ILCS 1920/2.08); Abandoned Mined Lands and Water Reclamation Act; Department of Natural Resources; for reclamation purposes and for the construction or rehabilitation of housing.

(20 ILCS 1920/2.11); Abandoned Mined Lands and Water Reclamation Act; Department of Natural Resources; for eliminating hazards.

(20 ILCS 3105/9.08a); Capital Development Board Act; Capital Development Board; for lands, buildings and grounds for which an appropriation is made by the General Assembly.

(20 ILCS 3110/5); Building Authority Act; Capital Development Board; for purposes declared by the General Assembly to be in the public interest.

(40 ILCS 5/15-167); Illinois Pension Code; State Universities Retirement System; for real estate acquired for the use of the System.

HISTORY:
P.A. 94-1055, § 15-5-5.

735 ILCS 30/15-5-10 Eminent domain powers in ILCS Chapters 45 through 65

The following provisions of law may include express grants of the power to acquire property by condemnation or eminent domain:

(45 ILCS 30/3); Quad Cities Interstate Metropolitan Authority Compact Act; Quad Cities Interstate Metropolitan Authority; for the purposes of the Authority.

(45 ILCS 35/40); Quad Cities Interstate Metropolitan Authority Act; Quad Cities Interstate Metropolitan Authority; for metropolitan facilities.

(45 ILCS 110/1); Bi-State Development Powers Act; Bi-State Development Agency; for the purposes of the Bi-State Development Agency.

(50 ILCS 20/14); Public Building Commission Act; public building commissions; for general purposes.

(50 ILCS 30/6.4); Exhibition Council Act; exhibition councils; for council purposes.

(50 ILCS 605/4); Local Government Property Transfer Act; State of Illinois; for the removal of any restriction on land transferred to the State by a municipality.

(55 ILCS 5/5-1095); Counties Code; counties; for easements for community antenna television systems.

(55 ILCS 5/5-1119); Counties Code; any county that is bordered by the Mississippi River and that has a population in excess of 62,000 but less than 80,000; for the operation of ferries.

(55 ILCS 5/5-11001); Counties Code; counties; for motor vehicle parking lots or garages.

(55 ILCS 5/5-15007); Counties Code; counties; for water supply, drainage, and flood control, including bridges, roads, and waste management.

(55 ILCS 5/5-15009); Counties Code; counties; for water supply, drainage, and flood control.

(55 ILCS 5/5-30021); Counties Code; county preservation commissions; for historic preservation purposes.

(55 ILCS 85/9); County Economic Development Project Area Property Tax Allocation Act; counties; for the objectives of the economic development plan.

(55 ILCS 90/60); County Economic Development Project Area Tax Increment Allocation Act of 1991; counties; for the objectives of the economic development project.

(60 ILCS 1/115-20, 1/115-30, 1/115-35, 1/115-40, 1/115-55, and 1/115-120); Township Code; townships with a population over 250,000; for an open space program.

(60 ILCS 1/120-10); Township Code; townships; for park purposes.

(60 ILCS 1/130-5); Township Code; townships; for cemeteries.

(60 ILCS 1/130-30); Township Code; any 2 or more cities, villages, or townships; for joint cemetery purposes.

(60 ILCS 1/135-5); Township Code; any 2 or more townships or road districts; for joint cemetery purposes.

(60 ILCS 1/205-40); Township Code; townships; for waterworks and sewerage systems.

(65 ILCS 5/Art. 9, Div. 2); Illinois Municipal Code; municipalities; for local improvements.

(65 ILCS 5/11-11-1); Illinois Municipal Code; municipalities; for the rehabilitation or redevelopment

of blighted areas and urban community conservation areas.

(65 ILCS 5/11-12-8); Illinois Municipal Code; municipalities; for acquiring land for public purposes as designated on proposed subdivision plats.

(65 ILCS 5/11-13-17); Illinois Municipal Code; municipalities; for nonconforming structures under a zoning ordinance and for areas blighted by substandard buildings.

(65 ILCS 5/11-19-10); Illinois Municipal Code; municipalities; for waste disposal purposes.

(65 ILCS 5/11-28-1); Illinois Municipal Code; municipalities; for municipal hospital purposes.

(65 ILCS 5/11-29.3-1); Illinois Municipal Code; municipalities; for senior citizen housing.

(65 ILCS 5/11-42-11); Illinois Municipal Code; municipalities; for easements for community antenna television systems.

(65 ILCS 5/11-45.1-2); Illinois Municipal Code; municipalities; for establishing cultural centers.

(65 ILCS 5/11-48.2-2); Illinois Municipal Code; municipalities; for historical preservation purposes.

(65 ILCS 5/11-52.1-1); Illinois Municipal Code; municipalities; for cemeteries.

(65 ILCS 5/11-52.1-3); Illinois Municipal Code; any 2 or more cities, villages, or townships; for joint cemetery purposes.

(65 ILCS 5/11-61-1); Illinois Municipal Code; municipalities; for municipal purposes or public welfare.

(65 ILCS 5/11-61-1a); Illinois Municipal Code; municipality with a population over 500,000; quick-take power for rapid transit lines (obsolete).

(65 ILCS 5/11-63-5); Illinois Municipal Code; municipalities; for community buildings.

(65 ILCS 5/11-65-3); Illinois Municipal Code; municipalities; for municipal convention hall purposes.

(65 ILCS 5/11-66-10); Illinois Municipal Code; municipalities; for a municipal coliseum.

(65 ILCS 5/11-68-4); Illinois Municipal Code; board of stadium and athletic field commissioners; for a stadium and athletic field.

(65 ILCS 5/11-69-1); Illinois Municipal Code; any 2 or more municipalities with the same or partly the same territory; for their joint municipal purposes.

(65 ILCS 5/11-71-1); Illinois Municipal Code; municipalities; for parking facilities.

(65 ILCS 5/11-71-10); Illinois Municipal Code; municipalities; for the removal of a lessee's interest in the leased space over a municipally-owned parking lot.

(65 ILCS 5/11-74.2-8); Illinois Municipal Code; municipalities; for carrying out a final commercial redevelopment plan.

(65 ILCS 5/11-74.2-9); Illinois Municipal Code; municipalities; for commercial renewal and redevelopment areas.

(65 ILCS 5/11-74.3-3); Illinois Municipal Code; municipalities; for business district development or redevelopment.

(65 ILCS 5/11-74.4-4); Illinois Municipal Code; municipalities; for redevelopment project areas.

(65 ILCS 5/11-74.6-15); Illinois Municipal Code; municipalities; for projects under the Industrial Jobs Recovery Law.

(65 ILCS 5/11-75-5); Illinois Municipal Code; municipalities; for the removal of a lessee's interest in a building erected on space leased by the municipality.

(65 ILCS 5/11-80-21); Illinois Municipal Code; municipalities; for construction of roads or sewers on or under the track, right-of-way, or land of a railroad company.

(65 ILCS 5/11-87-3); Illinois Municipal Code; municipalities; for non-navigable streams.

(65 ILCS 5/11-87-5); Illinois Municipal Code; municipalities; for improvements along re-channeled streams.

(65 ILCS 5/11-92-3); Illinois Municipal Code; municipalities; for harbors for recreational use.

(65 ILCS 5/11-93-1); Illinois Municipal Code; municipalities; for bathing beaches and recreation piers.

(65 ILCS 5/11-94-1); Illinois Municipal Code; municipalities with a population of less than 500,000; for recreational facilities.

(65 ILCS 5/11-97-2); Illinois Municipal Code; municipalities; for driveways to parks owned by the municipality outside its corporate limits.

(65 ILCS 5/11-101-1); Illinois Municipal Code; municipalities; for public airport purposes.

(65 ILCS 5/11-102-4); Illinois Municipal Code; municipalities with a population over 500,000; for public airport purposes.

(65 ILCS 5/11-103-2); Illinois Municipal Code; municipalities with a population under 500,000; for public airport purposes.

(65 ILCS 5/11-110-3); Illinois Municipal Code; municipalities; for drainage purposes.

(65 ILCS 5/11-112-6); Illinois Municipal Code; municipalities; for levees, protective embankments, and structures.

(65 ILCS 5/11-117-1, 5/11-117-4, 5/11-117-7, and 5/11-117-11); Illinois Municipal Code; municipalities; for public utility purposes.

(65 ILCS 5/11-119.1-5, 5/11-119.1-7, and 5/11-119.1-10); Illinois Municipal Code; municipal power agencies; for joint municipal electric power agency purposes.

(65 ILCS 5/11-119.2-5 and 5/11-119.2-7); Illinois Municipal Code; municipal natural gas agencies; for joint municipal natural gas agency purposes.

(65 ILCS 5/11-121-2); Illinois Municipal Code; municipalities; for constructing and operating subways.

(65 ILCS 5/11-122-3); Illinois Municipal Code; municipalities; for street railway purposes.

(65 ILCS 5/1-123-4 and 5/11-123-24); Illinois Municipal Code; municipalities; for harbor facilities.

(65 ILCS 5/11-125-2); Illinois Municipal Code; municipalities; for waterworks purposes.

(65 ILCS 5/11-126-3); Illinois Municipal Code; municipalities; for water supply purposes, including joint construction of waterworks.

(65 ILCS 5/11-130-9); Illinois Municipal Code; municipalities; for waterworks purposes.

(65 ILCS 5/11-135-6); Illinois Municipal Code; municipal water commission; for waterworks purposes, including quick-take power.

(65 ILCS 5/11-136-6); Illinois Municipal Code; municipal sewer or water commission; for waterworks and sewer purposes.

(65 ILCS 5/11-138-2); Illinois Municipal Code; water companies; for pipes and waterworks.

(65 ILCS 5/11-139-12); Illinois Municipal Code; municipalities; for waterworks and sewerage systems.

(65 ILCS 5/11-140-3 and 5/11-140-5); Illinois Municipal Code; municipalities; for outlet sewers and works.

(65 ILCS 5/11-141-10); Illinois Municipal Code; municipalities; for sewerage systems.

(65 ILCS 5/11-148-6); Illinois Municipal Code; municipalities; for sewage disposal plants.

(65 ILCS 20/21-19 and 20/21-21); Revised Cities and Villages Act of 1941; City of Chicago; for municipal purposes or public welfare.

(65 ILCS 100/3); Sports Stadium Act; municipality with a population over 2,000,000; for sports stadium purposes, including quick-take power (obsolete).

(65 ILCS 110/60); Economic Development Project Area Tax Increment Allocation Act of 1995; municipalities; for economic development projects.

QUICK-TAKE PROCEDURE

Section

735 ILCS 30/20-5-5 Quick-take.

(a) This Section applies only to proceedings under this Article that are authorized in this Article and in Article 25 of this Act [735 ILCS 30/25].

(b) In a proceeding subject to this Section, the plaintiff, at any time after the complaint has been filed and before judgment is entered in the proceeding, may file a written motion requesting that, immediately or at some specified later date, the plaintiff either: (i) be vested with the fee simple title (or such lesser estate, interest, or easement, as may be required) to the real property, or a specified portion of that property, which is the subject of the proceeding, and be authorized to take possession of and use the property; or (ii) only be authorized to take possession of and to use the property, if possession and use, without the vesting of title, are sufficient to permit the plaintiff to proceed with the project until the final ascertainment of compensation. No land or interests in land now or hereafter owned, leased, controlled, or operated and used by, or necessary for the actual operation of, any common carrier engaged in interstate commerce, or any other public utility subject to the jurisdiction of the Illinois Commerce Commission, shall be taken or appropriated under this Section by the State of Illinois, the Illinois Toll Highway Authority, the sanitary district, the St. Louis Metropolitan Area Airport Authority, or the Board of Trustees of the University of Illinois without first securing the approval of the Illinois Commerce Commission.

Except as otherwise provided in this Article, the motion for taking shall state: (1) an accurate description of the property to which the motion relates and the estate or interest sought to be acquired in that property; (2) the formally adopted schedule or plan of operation for the execution of the plaintiff's project; (3) the situation of the property to which the motion relates, with respect to the schedule or plan; (4) the necessity for taking the property in the manner requested in the motion; and (5) if the property (except property described in Section 3 of the Sports Stadium Act [65 ILCS 100/3], or property described as Site B in Section 2 of the Metropolitan Pier and Exposition Authority Act [70 ILCS 210/2]) to be taken is owned, leased, controlled, or operated and used by, or necessary for the actual operation of, any interstate common carrier or other public utility subject to the jurisdiction of the Illinois Commerce Commission, a statement to the effect that the approval of the proposed taking has been secured from the Commission, and attaching to the motion a certified copy of the order of the Illinois Commerce Commission granting approval. If the schedule or plan of operation is not set forth fully in the motion, a copy of the schedule or plan shall be attached to the motion.

735 ILCS 30/20-5-10 Preliminary finding of compensation.

(a) The court shall fix a date, not less than 5 days after the filing of a motion under Section 20-5-5 [735 ILCS 30/20-5-5], for the hearing on that motion and

shall require due notice to be given to each party to the proceeding whose interests would be affected by the taking requested, except that any party who has been or is being served by publication and who has not entered his or her appearance in the proceeding need not be given notice unless the court so requires, in its discretion and in the interests of justice.

(b) At the hearing, if the court has not previously, in the same proceeding, determined that the plaintiff has authority to exercise the right of eminent domain, that the property sought to be taken is subject to the exercise of that right, and that the right of eminent domain is not being improperly exercised in the particular proceeding, then the court shall first hear and determine those matters. The court's order on those matters is appealable and an appeal may be taken from that order by either party within 30 days after the entry of the order, but not thereafter, unless the court, on good cause shown, extends the time for taking the appeal. However, no appeal shall stay the further proceedings prescribed in this Act unless the appeal is taken by the plaintiff or unless an order staying further proceedings is entered either by the trial court or by the court to which the appeal is taken.

(c) If the foregoing matters are determined in favor of the plaintiff and further proceedings are not stayed, or if further proceedings are stayed and the appeal results in a determination in favor of the plaintiff, the court then shall hear the issues raised by the plaintiff's motion for taking. If the court finds that reasonable necessity exists for taking the property in the manner requested in the motion, then the court shall hear such evidence as it may consider necessary and proper for a preliminary finding of just compensation. In its discretion, the court may appoint 3 competent and disinterested appraisers as agents of the court to evaluate the property to which the motion relates and to report their conclusions to the court; and their fees shall be paid by the plaintiff. The court shall then make a preliminary finding of the amount constituting just compensation.

(d) The court's preliminary finding of just compensation and any deposit made or security provided pursuant to that finding shall not be evidence in the further proceedings to ascertain finally the just compensation to be paid and shall not be disclosed in any manner to a jury impaneled in the proceedings. If appraisers have been appointed, as authorized under this Article, their report shall not be evidence in those further proceedings, but the appraisers may be called as witnesses by the parties to the proceedings.

HISTORY:
P.A. 82-280; 94-1055, § 20-5-10.

735 ILCS 30/20-5-15 Deposit in court; possession.

(a) If the plaintiff deposits with the county treasurer money in the amount preliminarily found by the court to be just compensation, the court shall enter an order of taking, vesting in the plaintiff the fee simple title (or such lesser estate, interest, or easement, as may be required) to the property, if such vesting has been requested and has been found necessary by the court, at a date the court considers proper, and fixing a date on which the plaintiff is authorized to take possession of and to use the property.

(b) If, at the request of any interested party and upon his or her showing of undue hardship or other good cause, the plaintiff's authority to take possession of the property is postponed for more than 10 days after the date of vesting of title or more than 15 days after the entry of the order of taking when the order does not vest title in the plaintiff, then that party shall pay to the plaintiff a reasonable rental for the property in an amount determined by the court. Injunctive relief or any other appropriate judicial process or procedure shall be available to place the plaintiff in possession of the property on and after the date fixed by the court for the taking of possession and to prevent any unauthorized interference with possession and the plaintiff's proper use of the property. The county treasurer shall refund to the plaintiff the amount deposited prior to October 1, 1973 that is in excess of the amount preliminarily found by the court to be just compensation.

(c) When property is taken by a unit of local government for the purpose of constructing a body of water to be used by a local government-owned "public utility", as defined in Section 11-117-2 of the Illinois Municipal Code, as now or hereafter amended [65 ILCS 5/11-117-2], and the unit of local government intends to sell or lease the property to a non-governmental entity, the defendants holding title before the order that transferred title shall be allowed first opportunity to repurchase the property for a fair market value or first opportunity to lease the property for a fair market value.

HISTORY:
P.A. 86-974; 94-1055, § 20-5-10.

735 ILCS 30/20-5-20 Withdrawal by persons having an interest.

At any time after the plaintiff has taken possession of the property pursuant to the order of taking, if an appeal has not been and will not be taken from the court's order described in subsection (b) of Section 20-5-10 of this Act [735 ILCS 30/20-5-10], or if such an appeal has been taken and has been determined in favor of the plaintiff, any party interested in the property may apply to the court for authority to withdraw,for his or her own use, his or her share (or any part thereof) of the amount preliminarily found by the court to be just compensation and deposited by the plaintiff, in accordance with the provisions of subsection (a) of Section 20-5-15 of this Act [735 ILCS 30/20-5-15], as that share is determined by the court. The court shall then fix a date for a hearing on the application for authority to withdraw and shall re-

quire due notice of the application to be given to each party whose interests would be affected by the withdrawal. After the hearing, the court may authorize the withdrawal requested, or any part thereof as is proper, but upon the condition that the party making the withdrawal shall refund to the clerk of the court, upon the entry of a proper court order, any portion of the amount withdrawn that exceeds the amount finally ascertained in the proceeding to be just compensation (or damages, costs, expenses, or attorney fees) owing to that party.

HISTORY:
P.A. 83-707; 94-1055, § 20-5-20.

735 ILCS 30/20-5-25 Persons contesting not to be prejudiced

Persons contesting not to be prejudiced. Neither the plaintiff nor any party interested in the property, by taking any action authorized by Sections 20-5-5 through 20-5-20, inclusive, of this Act [735 ILCS 30/20-5-5 through 735 ILCS 30/20-5-20], or authorized under Article 25 of this Act [735 ILCS 25], shall be prejudiced in any way in contesting, in later stages of the proceeding, the amount to be finally ascertained to be just compensation.

HISTORY:
P.A. 82-280; 94-1055, § 20-5-25.

735 ILCS 30/20-5-30 Interest payments.

The plaintiff shall pay, in addition to the just compensation finally adjudged in the proceeding, interest at the rate of 6% per annum upon:

(1) Any excess of the just compensation finally adjudged, over the amount preliminarily found by the court to be just compensation in accordance with Section 20-5-10 of this Act [735 ILCS 30/20-5-10], from the date on which the parties interested in the property surrendered possession of the property in accordance with the order of taking, to the date of payment of the excess by the plaintiff.

(2) Any portion of the amount preliminarily found by the court to be just compensation and deposited by the plaintiff, to which any interested party is entitled, if the interested party applied for authority to withdraw that portion in accordance with Section 20-5-20 of this Act [735 ILCS 30/20-5-20], and upon objection by the plaintiff (other than on grounds that an appeal under subsection (b) of Section 20-5-10 of this Act is pending or contemplated) authority to withdraw was denied; interest shall be paid to that party from the date of the plaintiff's deposit to the date of payment to that party.

When interest is allowable as provided under item (1) of this Section, no further interest shall be allowed under the provisions of Section 2-1303 of the Code of Civil Procedure [735 ILCS 5/2-1303] or any other law.

HISTORY:
P.A. 83-707; 94-1055, § 20-5-30.

735 ILCS 30/20-5-35 Refund of excess deposit.

If the amount withdrawn from deposit by any interested party under the provision of Section 20-5-20 of this Act [735 ILCS 30/20-5-20] exceeds the amount finally adjudged to be just compensation (or damages, costs, expenses, and attorney fees) due to that party, the court shall order that party to refund the excess to the clerk of the court and, if refund is not made within a reasonable time fixed by the court, shall enter judgment for the excess in favor of the plaintiff and against that party.

HISTORY:
P.A. 82-280; 94-1055, § 20-5-35.

735 ILCS 30/20-5-40 Dismissal; abandonment.

After the plaintiff has taken possession of the property pursuant to the order of taking, the plaintiff shall have no right to dismiss the complaint, or to abandon the proceeding, as to all or any part of the property so taken, except upon the consent of all parties to the proceeding whose interests would be affected by the dismissal or abandonment.

HISTORY:
P.A. 83-707; 94-1055, § 20-5-40.

735 ILCS 30/20-5-45 Payment of costs

If, on an appeal taken under the provisions of Section 20-5-10 of this Act [735 ILCS 30/20-5-10], the plaintiff is determined not to have the authority to maintain the proceeding as to any property that is the subject of that appeal or if, with the consent of all parties to the proceeding whose interests are affected, the plaintiff dismisses the complaint or abandons the proceedings as to any property that is the subject of the appeal, the trial court then shall enter an order: (i) revesting the title to the property in the parties entitled thereto, if the order of taking vested title in the plaintiff; (ii) requiring the plaintiff to deliver possession of the property to the parties entitled to possession; and (iii) making such provision as is just for the payment of damages arising out of the plaintiff's taking and use of the property and also for costs, expenses, and attorney fees, as provided in Section 10-5-70 of this Act [735 ILCS 30/10-5-70]. The court may order the clerk of the court to pay those sums to the parties entitled thereto out of the money deposited by the plaintiff in accordance with the provisions of subsection (a) of Section 20-5-15 of this Act [735 ILCS 30/20-5-15].

HISTORY:
P.A. 82-280; 94-1055, § 20-5-45.

735 ILCS 30/20-5-50 Construction of Article

The right to take possession and title prior to the final judgment, as prescribed in this Article and Article 25 of this Act [735 ILCS 30/20 and 735 ILCS 30/25] shall be in addition to any other right, power,

or authority otherwise conferred by law and shall not be construed as abrogating, limiting, or modifying any other right, power, or authority.

HISTORY:
P.A. 82-280; 94-1055, § 20-5-50.

P.A. 95-706, § 5.

735 ILCS 30/25-5-10 Quick-take; City of Champaign, Village of Savoy and County of Champaign

Quick-take proceedings under Article 20 [735 ILCS 30/20] may be used for a period of no more than one year after the effective date of this amendatory Act of the 95th General Assembly [P.A. 95-611] by the City of Champaign, the Village of Savoy, and the County of Champaign, for the acquisition of the following described properties for the purpose of road construction right-of-way, permanent easements, and temporary easements:

Alexander C. Lo, as Trustee — Parcel 040

Right-of-Way:

A part of the South Half of Section 26, and the North Half of Section 35, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at the southwest corner of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian; thence along the west line of said Section 26, North 00 degrees 50 minutes 27 seconds West 887.52 feet; thence North 89 degrees 09 min-

utes 33 seconds East 45.00 feet; thence South 00 degrees 50 minutes 27 seconds East 50.00 feet; thence South 03 degrees 42 minutes 12 seconds East 300.37 feet; thence along a line parallel to and 60.00 feet offset easterly from said west line of Section 26, South 00 degrees 50 minutes 27 seconds East 200.00 feet; thence South 06 degrees 25 minutes 24 seconds East 185.04 feet; thence along a line parallel to and 155.00 feet offset northerly from the south line of said Section 26, South 89 degrees 36 minutes 45 seconds East 349.35 feet; thence South 86 degrees 45 minutes 01 seconds East 100.12 feet; thence along a line parallel to and 150.00 feet offset northerly from said south line of Section 26, South 89 degrees 36 minutes 45 seconds East 850.00 feet; thence South 85 degrees 56 minutes 46 seconds East 703.70 feet; thence along a line parallel to and 105.00 feet offset northerly from said south line of Section 26, South 89 degrees 36 minutes 45 seconds East 322.03 feet; thence South 00 degrees 23 minutes 15 seconds West 22.00 feet; thence along a line parallel to and 83.00 feet offset northerly from said south line of Section 26, South 89 degrees 36 minutes 45 seconds East 237.29 feet; thence North 00 degrees 38 minutes 43 seconds West 30.00 feet; thence along a line parallel to and 113.00 feet offset northerly from said south line of Section 26, South 89 degrees 36 minutes 56 seconds East 88.24 feet; thence South 87 degrees 19 minutes 30 seconds East 300.24 feet; thence along a line parallel to and 101.00 feet offset northerly from said south line of Section 26, South 89 degrees 36 minutes 56 seconds East 700.00 feet; thence South 87 degrees 54 minutes 06 seconds East 228.20 feet, to the east line of the west half of the southeast Quarter of aforesaid Section 26; thence along said east line, South 00 degrees 39 minutes 19 seconds East 94.19 feet, to the south line of said Section 26; thence along said south line of Section 26, South 89 degrees 36 minutes 56 seconds East 1316.02 feet, to a point being the southeast corner of said Section 26, said point also being the northeast corner of Section 35, Township 19 North, Range 8 East of the Third Principal Meridian; thence along the east line of said Section 35, South 00 degrees 27 minutes 33 seconds East 920.45 feet; thence South 89 degrees 32 minutes 27 seconds West 275.00 feet; thence North 00 degrees 27 minutes 33 seconds West 600.00 feet; thence North 89 degrees 32 minutes 27 seconds East 235.00 feet; thence along a line parallel to and 40.00 feet offset westerly from aforesaid east line of Section 35, North 00 degrees 27 minutes 33 seconds West 218.02 feet; thence along a line parallel to and 103.00 feet offset southerly from the north line of said Section 35, North 89 degrees 36 minutes 56 seconds West 158.05 feet; thence North 87 degrees 19 minutes 30 seconds West 150.12 feet; thence along a line parallel to and 97.00 feet offset southerly from said north line of Section 35, North 89 degrees 36 minutes 56 seconds West 401.25 feet; thence North 85 degrees 58 minutes 01 seconds West 502.84 feet; thence North 88 degrees 27 minutes 19 seconds West 296.29 feet; thence along a line parallel to and 59.00 feet offset southerly from said north line of Section 35, North 89 degrees 36 minutes 56 seconds West 700.00 feet; thence South 88 degrees 28 minutes 31 seconds West 300.17 feet; thence along a line parallel to and 69.00 feet offset southerly from said north line of Section 35, North 89 degrees 36 minutes 56 seconds West 85.23 feet, to the west line of the northeast Quarter of said Section 35; thence along a line parallel to and 69.00 feet offset southerly from said north line of Section 35, North 89 degrees 36 minutes 45 seconds West 114.77 feet; thence North 87 degrees 54 minutes 07 seconds West 804.04 feet; thence along a line parallel to and 45.00 feet offset southerly from said north line of Section 35, North 89 degrees 36 minutes 45 seconds West 397.76 feet; thence North 00 degrees 20 minutes 35 seconds West 45.00 feet, to the northerly line of said Section 35; thence along said northerly line of Section 35, North 89 degrees 36 minutes 45 seconds West 1315.81 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 22.351 acres, more or less (Part of PIN #03-20-26-300-020; Part of PIN #03-20-26-300-021; Part of PIN #03-20-26-400-001; Part of PIN #03-20-35-100-002 and Part of PIN #03-20-35-200-001)

Permanent Easement #1:

A part of the southeast quarter of the southwest quarter of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Commencing at the southeast corner or the southwest quarter of Section 16, Township 19 North, Range 8 East of the Third Principal Meridian; thence along the easterly line of said southwest quarter of Section 26, North 00 degrees 38 minutes 43 seconds West 83.01 feet, to the Point of Beginning; thence North 89 degrees 36 minutes 45 seconds West 237.29 feet; thence North 00 degrees 23 minutes 15 seconds East 15.00 feet; thence South 89 degrees 36 minutes 45 seconds East 237.02 feet; thence South 00 degrees 38 minutes 43 seconds East 15.00 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.082 of an acre, more or less (Part of PIN #03-20-26-300-021)

Permanent Easement #2:

A part of the west half of the southwest quarter of Section 26, and a part of the west half of the northwest quarter of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Commencing at the southwest corner of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian; thence along the southerly line of said Section 26, South 89 degrees 36 minutes 45 seconds East 1166.28 feet; thence North 00 degrees 23 minutes 15 seconds East 150.00 feet, to the Point of Beginning; thence along a curve to the left having a radius of 300.00 feet, an arc length of 49.50 feet, a chord bearing of North 11 degrees 23 minutes 05

seconds West and a chord length of 49.45 feet; thence North 16 degrees 06 minutes 44 seconds West 1098.24 feet; thence along a curve to the right having a radius of 840.00 feet, an arc length of 285.88 feet, a chord bearing of North 06 degrees 21 minutes 44 seconds West and a chord length of 284.51 feet; thence North 03 degrees 23 minutes 16 seconds East 1031.54 feet; thence along a curve to the left having a radius of 760.00 feet, an arc length of 134.77 feet, a chord bearing of North 01 degrees 41 minutes 32 seconds West and a chord length of 134.59 feet; thence South 89 degrees 42 minutes 45 seconds East 80.55 feet; thence along a curve to the right having a radius of 840.00 feet, an arc length of 139.06 feet, a chord bearing of South 01 degrees 21 minutes 17 seconds East and a chord length of 138.90 feet; thence South 03 degrees 23 minutes 16 seconds West 1031.54 feet; thence along a curve to the left having a radius of 760.00 feet, an arc length of 258.66 feet, a chord bearing of South 06 degrees 21 minutes 44 seconds East and a chord length of 257.41 feet; thence South 16 degrees 06 minutes 44 seconds East 1098.24 feet; thence along a curve to the right having a radius of 380.00 feet, an arc length of 72.58 feet, a chord bearing of South 10 degrees 38 minutes 26 seconds East and a chord length of 72.47 feet; thence North 89 degrees 36 minutes 45 seconds West 80.48 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 4.775 acres or 208,000 square feet, more or less. (Part of PIN #03-20-26-300-019 and #03-20-26-300-020)

Temporary Easement #1:

A part of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at a point being 91.50 feet normally offset northerly from FAP Route 807 (Curtis Road) centerline station 112+31.76; thence North 89 degrees 36 minutes 56 seconds West 20.00 feet; thence South 00 degrees 38 minutes 43 seconds East 15.00 feet; thence North 89 degrees 36 minutes 45 seconds West 137.02 feet; thence North 00 degrees 31 minutes 33 seconds West 113.51 feet; thence North 89 degrees 36 minutes 45 seconds West 80.00 feet; thence South 00 degrees 23 minutes 15 seconds West 10.00 feet; thence North 89 degrees 36 minutes 45 seconds West 50.00 feet; thence North 00 degrees 23 minutes 15 seconds East 60.00 feet; thence South 89 degrees 36 minutes 45 seconds East 50.00 feet; thence South 00 degrees 23 minutes 15 seconds West 10.00 feet; thence South 89 degrees 36 minutes 45 seconds East 236.07 feet; thence South 00 degrees 38 minutes 43 seconds East 138.52 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.688 of an acre or 29,966 square feet, more or less. (Part of PIN #03-20-26-300-021)

Temporary Easement #2

A part of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at a point being 102.49 feet normally offset northerly from FAP Route 807 (Curtis Road) centerline station 87+50.00; thence North 00 degrees 23 minutes 16 seconds East 46.18 feet; thence South 89 degrees 09 minutes 33 seconds West 99.13 feet; thence North 06 degrees 25 minutes 24 seconds West 90.43 feet; thence North 89 degrees 09 minutes 33 seconds East 210.11 feet; thence South 00 degrees 34 minutes 28 seconds West 70.84 feet; thence South 89 degrees 36 minutes 44 seconds East 100.00 feet; thence South 00 degrees 23 minutes 16 seconds West 67.51 feet; thence North 89 degrees 36 minutes 45 seconds West 200.00 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.686 of an acre or 29,891 square feet more or less. (Part of PIN #03-20-26-300-020)

Temporary Easement #3:

A part of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at a point being 97.50 feet normally offset northerly from FAP Route 807 (Curtis Road) centerline station 97+00.00; thence North 35 degrees 20 minutes 49 seconds East 57.33 feet; thence North 16 degrees 06 minutes 44 seconds West 1098.24 feet; thence along a curve to the right having a radius of 845.00 feet, an arc length of 287.59 feet, a chord bearing of North 06 degrees 21 minutes 44 seconds West and a chord length of 286.20 feet; thence North 03 degrees 23 minutes 16 seconds East 1031.54 feet; thence along a curve to the left having a radius of 755.00 feet, an arc length of 134.50 feet, a chord bearing of North 01 degrees 42 minutes 57 seconds West and a chord length of 134.33 feet; thence South 89 degrees 42 minutes 45 seconds East 5.04 feet; thence along a curve to the right having a radius of 760.00 feet, an arc length of 134.77 feet, a chord bearing of South 01 degrees 41 minutes 32 seconds East and a chord length of 134.59 feet; thence South 03 degrees 23 minutes 16 seconds West 1031.54 feet; thence along a curve to the left having a radius of 840.00 feet, an arc length of 285.88 feet, a chord bearing of South 06 degrees 21 minutes 44 seconds East and a chord length of 284.51 feet; thence South 16 degrees 06 minutes 44 seconds East 1098.24 feet; thence along a curve to the right having a radius of 300.00 feet, an arc length of 49.50 feet, a chord bearing of South 11 degrees 23 minutes 05 seconds East and a chord length of 49.45 feet; thence North 89 degrees 36 minutes 45 seconds West 47.73 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.322 acres or 14,034 square feet, more or less. (Part of PIN 03-20-26-300-019 & 03-20-26-300-020)

Temporary Easement #4:

A part of Sections 26 and 35, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone

Beginning at a point being 97.50 feet normally offset northerly from FAP Route 807 (Curtis Road)

centerline station 98+75.00; thence North 89 degrees 36 minutes 45 seconds West 46.79 feet; thence along a curve to the left having a radius of 380.00 feet, an arc length of 72.58 feet, a chord bearing of North 10 degrees 38 minutes 26 seconds West and a chord length of 72.47 feet; thence North 16 degrees 06 minutes 44 seconds West 1098.24 feet; thence along a curve to the right having a radius of 760.00 feet, an arc length of 258.66 feet, a chord bearing of North 06 degrees 21 minutes 44 seconds West and a chord length of 257.41 feet; thence North 03 degrees 23 minutes 16 seconds East 1031.54 feet; thence along a curve to the left having a radius of 840.00 feet, an arc length of 139.06 feet, a chord bearing of North 01 degrees 21 minutes 17 seconds West and a chord length of 138.90 feet; thence South 89 degrees 42 minutes 45 seconds East 5.03 feet; thence along a curve to the right having a radius of 845.00 feet, an arc length of 139.33 feet, a chord bearing of South 01 degrees 20 minutes 08 seconds East and a chord length of 139.17 feet; thence South 03 degrees 23 minutes 16 seconds West 1031.54 feet; thence along a curve to the left having a radius of 755.00 feet, an arc length of 256.96 feet, a chord bearing of South 06 degrees 21 minutes 44 seconds East and a chord length of 255.72 feet; thence South 16 degrees 06 minutes 44 seconds East 1098.24 feet; thence South 37 degrees 12 minutes 15 seconds East 91.56 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.331 acres or 14,428 square feet, more or less. (Part of PIN 03-20-26-300-019 & 03-20-26-300-020)

Temporary Easement #5:

A part of Sections 26 and 35, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at a point being 94.00 feet normally offset southerly from FAP Route 807 (Curtis Road) centerline station 137+93.04: thence South 00 degrees 27 minutes 33 seconds East 218.80 feet; thence North 89 degrees 32 minutes 27 seconds East 15.00 feet; thence North 00 degrees 27 minutes 33 seconds West 208.58 feet; thence North 45 degrees 02 minutes 15 seconds West 14.25 feet; thence North 89 degrees 36 minutes 56 seconds West 5.00 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.074 of an acre or 3230 square feet, more or less. (Part of PIN #03-20-35-200-001)

Adolf M. Lo — Parcel 041

Permanent Easement:

A part of Sections 26 and 35, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at a point being 94.00 feet normally offset southerly from FAP Route 807 (Curtis Road) centerline station 137+93.04: thence South 00 degrees 27 minutes 33 seconds East 218.80 feet; thence North 89 degrees 32 minutes 27 seconds East 15.00 feet; thence North 00 degrees 27 minutes 33 seconds West 208.58 feet; thence North 45 degrees 02 minutes 15 seconds West 14.25 feet; thence North 89 degrees 36 minutes 56 seconds West 5.00 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.074 of an acre or 3230 square feet, more or less. (Part of PIN #03-20-35-200-001)

Temporary Easement #1:

A part of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Commencing at the southwest corner of the northwest quarter of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian; thence along the west line of said northwest quarter, North 00 degrees 32 minutes 29 seconds West 60.01 feet; thence along the north line of the south 60 feet of the south half of the southwest quarter of the northwest quarter of said Section 26, South 89 degrees 42 minutes 45 seconds East 917.47 feet, to the Point of Beginning; thence along a curve to the left having a radius of 760.00 feet, an arc length of 57.56 feet, a chord bearing of North 08 degrees 56 minutes 32 seconds West and a chord length of 57.55 feet; thence North 11 degrees 06 minutes 44 seconds West 466.55 feet; thence along a curve to the left having a radius of 760.00 feet, an arc length of 93.84 feet, a chord bearing of North 14 degrees 38 minutes 58 seconds West and a chord length of 93.78 feet, to the north line of the south half of the southwest quarter of the northwest quarter of aforesaid Section 26; thence along said north line, North 89 degrees 49 minutes 23 seconds West 5.27 feet; thence along a curve to the right having a radius of 755.00 feet, an arc length of 94.89 feet, a chord bearing of South 14 degrees 42 minutes 45 seconds East and a chord length of 94.83 feet; thence South 11 degrees 06 minutes 44 seconds East 466.55 feet; thence along a curve to the right having a radius of 755.00 feet, an arc length of 56.57 feet, a chord bearing of South 08 degrees 57 minutes 57 seconds East and a chord length of 56.55 feet; thence South 89 degrees 42 minutes 45 seconds East 5.04 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.071 of an acre or 3090 square feet, more or less. (Part of PIN 03-20-26-100-005)

Temporary Easement #2:

A part of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Commencing at the southwest corner of the northwest quarter of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian; thence along the west line of said northwest quarter, North 00 degrees 32 minutes 29 seconds West 60.01 feet; thence along the north line of the south 60 feet of the south half of the southwest quarter of the northwest quarter of said Section 26, South 89 degrees 42

minutes 45 seconds East 917.47 feet; thence South 89 degrees 42 minutes 45 seconds East 80.55 feet, to the Point of Beginning; thence South 89 degrees 42 minutes 45 seconds East 5.03 feet; thence along a curve to the left having a radius of 845.00 feet, an arc length of 74.52 feet, a chord bearing of North 08 degrees 35 minutes 08 seconds West and a chord length of 74.50 feet; thence North 11 degrees 06 minutes 44 seconds West 466.55 feet; thence along a curve to the left having a radius of 845.00 feet, an arc length of 76.27 feet, a chord bearing of North 13 degrees 41 minutes 53 seconds West and a chord length of 76.25 feet, to the north line of the south half of the southwest quarter of the northwest quarter of aforesaid Section 26; thence along said north line, North 89 degrees 49 minutes 23 seconds West 5.22 feet; thence along a curve to the right having a radius of 840.00 feet, an arc length of 77.30 feet, a chord bearing of South 13 degrees 44 minutes 54 seconds East and a chord length of 77.27 feet; thence South 11 degrees 06 minutes 44 seconds East 466.55 feet; thence along a curve to the right having a radius of 840.00 feet, an arc length of 73.52 feet, a chord bearing of South 08 degrees 36 minutes 17 seconds East and a chord length of 73.50 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.071 acres or 3087 square feet more or less. (Part of PIN 03-20-26-100-005)

Adolf M. & Renee C. Lo — Parcel 044

Right-of-Way:

A part of the southeast quarter of the southeast quarter of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at the southwest corner of W. W. Young's Fourth Subdivision as per plat recorded in Book "O" at Page 55, Champaign County, Illinois; thence along the south line of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, North 89 degrees 36 minutes 56 seconds West 1127.29 feet; thence North 00 degrees 39 minutes 19 seconds West 94.19 feet; thence South 87 degrees 54 minutes 06 seconds East 473.99 feet; thence along a line parallel to and offset 80.00 feet northerly from aforesaid southerly line of Section 26, South 89 degrees 36 minutes 56 seconds East 187.22 feet; thence South 00 degrees 33 minutes 07 seconds East 40.51 feet; thence along a line parallel to and 39.50 feet northerly offset from said south line of Section 26, South 89 degrees 36 minutes 56 seconds East 466.69 feet, to the westerly line of aforesaid W.W. Young's Fourth Subdivision; thence along said westerly line, South 00 degrees 33 minutes 07 seconds East 39.51 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 1.714 acres, more or less. (Part of PIN #03-20-26-476-002 and Part of PIN #03-20-26-476-003)

Temporary Easement:

A part of the southeast quarter of the southeast quarter of Section 26, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at the southwest corner of Lot 16 of W. W. Young's Fourth Subdivision as per plat recorded in Book "O" at Page 55, Champaign County, Illinois; thence along the westerly line of said Lot 16, North 00 degrees 33 minutes 07 seconds West 6.50 feet, to the Point of Beginning; thence North 89 degrees 36 minutes 56 seconds West 466.69 feet; thence North 00 degrees 33 minutes 07 seconds West 2.00 feet; thence South 89 degrees 55 minutes 43 seconds East 274.58 feet; thence North 00 degrees 23 minutes 04 seconds East 18.00 feet; thence South 89 degrees 36 minutes 56 seconds East 50.00 feet; thence South 00 degrees 23 minutes 04 seconds West 17.50 feet; thence South 89 degrees 49 minutes 02 seconds East 142.08 feet, to aforesaid westerly line of Lot 16; thence along said westerly line of Lot 16, South 00 degrees 33 minutes 07 seconds East 4.50 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.056 of an acre, more or less. (Part of PIN #03-20-26-476-002 and Part of PIN #03-20-26-476-003)

John R. Thompson — Parcel 034

Right of Way:

A part of the Northeast Quarter of Section 34, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at the northeast corner of Section 34, Township 19 North, Range 8 East of the Third Principal Meridian; thence along the east line of said Section 34, South 00 degrees 18 minutes 04 seconds East 1812.48 feet; thence South 89 degrees 41 minutes 56 seconds West 45.00 feet; thence North 03 degrees 32 minutes 40 seconds West 300.48 feet; thence along a line being parallel to and 62.00 feet offset westerly from the aforesaid east line of Section 34, North 00 degrees 18 minutes 04 seconds West 200.00 feet, thence South 89 degrees 41 minutes 56 seconds West 8.00 feet; thence along a line parallel to and 70.00 feet offset westerly from said east line of Section 34, North 00 degrees 18 minutes 04 seconds West 300.00 feet; thence North 89 degrees 41 minutes 56 seconds East 8.00 feet; thence along a line being parallel to and offset 62.00 feet westerly from said east line of Section 34, North 00 degrees 18 minutes 04 seconds West 600.00 feet; thence North 01 degrees 49 minutes 43 seconds West 300.11 feet; thence North 14 degrees 05 minutes 31 seconds West 62.93 feet; thence North 89 degrees 11 minutes 38 seconds West 47.85 feet; thence North 86 degrees 08 minutes 27 seconds West 150.21 feet; thence along a line being parallel to and offset 45.00 feet southerly from the north line of aforesaid Section 34, North 89 degrees 11 minutes 38 seconds West 750.00 feet; thence North 82 degrees 21 minutes 04 seconds West 100.72 feet, to a point on the existing southerly Curtis Road right-of-way line; thence along said

southerly right-of-way line, North 89 degrees 11 minutes 38 seconds West 647.89 feet; thence South 88 degrees 01 minutes 07 seconds West 246.74 feet; thence along a line parallel to and offset 45.00 feet southerly from aforesaid north line of Section 34, North 89 degrees 11 minutes 38 seconds West 412.04 feet; thence North 00 degrees 48 minutes 22 seconds East 45.00 feet, to said north line of Section 34; thence along said north line of Section 34, South 89 degrees 11 minutes 38 seconds East 2438.21 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 4.882 acres or 212,664 square feet, more or less. (Part of PIN #03-20-34-200-001 and part of PIN #03-20-34-200-002).

Temporary Easement:

A part of the Northeast Quarter of Section 34, Township 19 North, Range 8 East of the Third Principal Meridian, Champaign County, Illinois with bearing datum based on Illinois State Plane Coordinate System, East Zone;

Beginning at a point being 47.00 feet normally distant southerly from centerline Station 61+40.88 of FAP Route 807 (Curtis Road); thence South 00 degrees 48 minutes 22 seconds West 12.00 feet; thence North 89 degrees 33 minutes 09 seconds West 91.29 feet; thence North 00 degrees 24 minutes 07 seconds West 10.00 feet, to a point on the southerly existing Curtis Road right-of-way line; thence along said southerly right-of-way line, being a curve to the left having a radius of 6507.00 feet, an arc length of 91.54 feet, a chord bearing of North 89 degrees 11 minutes 42 seconds East and a chord length of 91.54 feet, to the Point of Beginning, situated in Champaign County, Illinois and containing 0.023 acres or 996 square feet, more or less. (Part of PIN 03-20-34-200-001)

JOHN E. CROSS — PARCEL 52

Right of Way

Part of Lot 8 in Arbours Subdivision No. 10, as per plat recorded in book "Y" at page 253 in Champaign County, Illinois, with bearing datum based on Illinois State Plane Coordinate System, East Zone;

735 ILCS 30/25-5-40 Quick-take; Will County.

Quick-take proceedings under Article 20 [735 ILCS 30/20-5-5 et seq.] may be used for a period of one year after the effective date of this amendatory Act of the 97th General Assembly [P.A. 97-458] by Will County for the acquisition of property to be used for the reconstruction of the Weber Road (County Highway 88) and Renwick Road (County Highway 36) intersection, as follows:

PARCEL 0001

The east 30.00 feet of that part of Lot 6 in McGilvray Acres, being a subdivision of part of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded December 15, 1965, as Document No. R65-11631, lying southerly of a line described as follows: Beginning at a point on the west line of Lot 6, said point being 110.00 feet south of the north line of said lot; thence southeasterly to a point on the east line of said lot, said point being 114.00 feet south of the north line of said Lot 6

Together with

That part of the east half of the Northeast Quarter of Section 19 [735 ILCS 30/19], Township 36 North, Range 10 East of the Third Principal Meridian lying south of the south line (and easterly projection thereof) of aforementioned Lot 6 in McGilvray Acres, lying northerly of the north line of McGilvray Drive, and lying east of the east line of McGilvray Acres Unit No. 3, according to the plat thereof recorded May 25, 1973, as Document No. R73-14934 bounded by a line described as follows, to wit: Beginning at the intersection of the west line of Weber Road as dedicated by Document No. R78-19275, recorded May 25, 1978 with the north line of McGilvray Drive as dedicated by Document No. R69-20184, recorded October 30, 1969; thence South 89 Degrees 25 Minutes 29 Seconds West,(on an assumed bearing) along the north line of said McGilvray Drive, 70.00 feet; thence North 44 Degrees 42 Minutes 59 Seconds East, 71.07 feet to a point in the west line of the east 70.00 feet of the Northeast Quarter of aforesaid Section 19; thence North 00 Degrees 00 Minutes 29 Seconds East, along said west line, 46.02 to a point in the south line of aforementioned Lot 6 in McGilvray Acres; thence North 89 Degrees 39 Minutes 49 Seconds East, along said south line, 20.00 feet to a point in the aforementioned west line of Weber Road; thence South 00 Degrees 00 Minutes 29 Seconds West, along said west line, 95.94 feet to the point of beginning. All situated in Will County, Illinois.

Said parcel containing 6,686 square feet, (0.154 acres) of land, more or less.

PARCEL 0002

The east 30.00 feet of the north 114.00 feet of Lot 6 in McGilvray Acres, being a subdivision of part of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded December 15, 1965, as Document No. R65-11631, in Will County, Illinois, excepting therefrom that part of the north 114.00 feet of said Lot 6 described as beginning at a point on the west line of said Lot 6, said point being 110 feet south of the north line of said lot; thence southeasterly to a point on the east line of said lot, said point being 114 feet south of the north line of said lot; thence west parallel to the north line of said lot, 290 feet to the west line of said lot; thence north 4 feet to the point of beginning. Situated in the County of Will and State of Illinois.

Said parcel containing 3,414 square feet, (0.078 acres) of land, more or less.

PARCEL 0004

The east 30.00 feet of Lot 4 in McGilvray Acres, being a subdivision of part of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded December 15, 1965, as Document No. R65-11631. Situated in Will County, Illinois.

Said parcel containing 3,960 square feet, (0.091 acres) of land, more or less.

PARCEL 0005

The east 30.00 feet of Lot 3 in McGilvray Acres, being a subdivision of part of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded December 15, 1965, as Document No. R65-11631. Situated in Will County, Illinois.

Said parcel containing 3,960 square feet, (0.091 acres) of land, more or less.

PARCEL 0006

The east 30.00 feet of Lot 2 in McGilvray Acres, being a subdivision of part of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded December 15, 1965, as Document No. R65-11631. Situated in Will County, Illinois.

Said parcel containing 3,960 square feet, (0.091 acres) of land, more or less.

PARCEL 0007

The east 30.00 feet of Lot 1 in McGilvray Acres, being a subdivision of part of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded December 15, 1965, as Document No. R65-11631. Situated in Will County, Illinois.

Said parcel containing 3,960 square feet, (0.091 acres) of land, more or less.

PARCEL 0007 T.E.

The south 50.00 feet of the north 64.00 feet of the west 10.00 feet of the east 40.00 feet of Lot 1 in McGilvray Acres, being a subdivision of part of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded December 15, 1965, as Document No. R65-11631. Situated in Will County, Illinois.

Said parcel containing 500 square feet, (.011 Acres) of land, more or less.

PARCEL 0008

The west 20.00 feet of the east 70.00 feet of the south 132.00 feet of the north 1,056.00 feet of the east 330.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, in Will County, Illinois.

Said parcel containing 2,640 square feet, (0.061 acres) of land, more or less.

PARCEL 0008 T.E.

That part of the south 132.00 feet of the north 1,056.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, bounded by a line described as follows, to wit: Commencing at the intersection of the south line of the north 1,056.00 feet of the aforesaid Northeast Quarter with the west line of Weber Road according to Document Numbers R83-13447 and R85-05784, said line also being the west line of the east 50.00 feet of said Northeast Quarter; thence South 89 Degrees 39 Minutes 49 Seconds West, along the south line of the north 1,056.00 feet of said Northeast Quarter, 20.00 feet; thence North 00 Degrees 00 Minutes 29 Seconds East, parallel with the east line of said Northeast Quarter, 5.00 feet to the Point of Beginning; thence South 89 Degrees 39 Minutes 49 Seconds West, parallel with the north line of said Northeast Quarter, 10.00 feet; thence North 00 Degrees 00 Minutes 29 Seconds East, parallel with the east line of said Northeast Quarter, 50.00 feet; thence North 89 Degrees 39 Minutes 49 Seconds East, parallel with the north line of said Northeast Quarter, 10.00 feet; thence South 00 Degrees 00 Minutes 29 Seconds West, parallel with the east line of said Northeast Quarter, 50.00 feet to the Point of Beginning, in Will County, Illinois.

Said parcel containing 500 square feet, (0.011 Acres) of land, more or less.

PARCEL 0009

The west 20.00 feet of the east 70.00 feet of the south 132.00 feet of the north 924.00 feet of the east 330.00 feet of the Northeast Quarter of Section 19 [735 ILCS 30/19], Township 36 North, Range 10 East of the Third Principal Meridian, in Will County, Illinois.

Said parcel containing 2,640 square feet, (0.061 acres) of land, more or less.

PARCEL 0010

The west 20.00 feet of the east 70.00 feet of the south 120.00 feet of the north 792.00 feet of the east 330.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, in Will County, Illinois. Said parcel containing 2,400 square feet, (0.055 acres) of land, more or less.

PARCEL 0011

The west 20.00 feet of the east 70.00 feet of the south 132.00 feet of the north 672.00 feet of the east 330.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, in Will County, Illinois.

Said parcel containing 2,640 square feet, (0.061 acres) of land, more or less.

PARCEL 0012

The west 20.00 feet of the east 70.00 feet of the south 144.00 feet of the north 540.00 feet of the east 330.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, in Will County, Illinois.

Said parcel containing 2,880 square feet, (0.066 acres) of land, more or less.

PARCEL 0013

The west 20.00 feet of the east 70.00 feet of the south 132.00 feet of the north 396.00 feet of the east 330.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, in Will County, Illinois.

Said parcel containing 2,640 square feet, (0.061 acres) of land, more or less.

PARCEL 0014

That part of the North 264.00 feet of the East 330.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, bounded by a line described as follows: Beginning at the point of intersection of the south line of the north 264.00 feet of the East 330.00 feet of said Northeast Quarter with the west line of the East 50.00 feet of said Northeast Quarter, said line being the west line of Weber Road according to Document R78-31739; thence South 89 Degrees 39 Minutes 49 Seconds West, on an assumed bearing, along the south line of the North 264.00 feet of said Northeast Quarter, 20.00 feet to a point in the west line of the East 70.00 feet of said Northeast Quarter; thence North 0 Degrees 00 Minutes 29 Seconds East, along the west line of the East 70.00 feet of said Northeast Quarter, 188.23 feet; thence North 45 Degrees 12 Minutes 33 Seconds West, 37.07 feet to a point in the south line of Renwick Road, according to Document No. 538055; thence South 89 Degrees 34 Minutes 24 Seconds West, along said south line, 233.70 feet to the west line of the East 330.00 feet of said Northeast Quarter; thence North 0 Degrees 00 Minutes 29 Seconds East, along said line, 49.87 feet to the north line of the Northeast Quarter of said Section 19; thence North 89 Degrees 39 Minutes 49 Seconds East, along said north line, 280.01 feet to the aforementioned west line of Weber Road; thence South 0 Degrees 00 Minutes 29 Seconds West, along said west line, 264.00 feet to the point of beginning, all in Will County, Illinois.

Said parcel containing 0.426 Acres of land, more or less, of which 0.319 Acres of land, more or less has been previously dedicated for roadway purposes by Document No. 538055.

PARCEL 0014 T.E.
That part of the North 264.00 feet of the East 330.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, bounded by a line described as follows: Commencing at the intersection of the west line of the East 330.00 feet of said Northeast Quarter with the north line of said Northeast Quarter; thence, on an assumed bearing, South 00 Degrees 00 Minutes 29 Seconds West, along the west line of the East 330.00 of said Northeast Quarter, 49.87 feet to a point in the south line of Renwick Road according to Document No. 538055; thence North 89 Degrees 34 Minutes 24 Seconds East, along the south line of Renwick Road aforesaid, 50.00 feet to the point of beginning; thence continuing North 89 Degrees 34 Minutes 24 Seconds East, along the south line of Renwick Road aforesaid, 65.00 feet; thence South 00 Degrees 25 Minutes 36 Seconds East, perpendicular to the last described course, 10.00 feet; thence South 89 Degrees 34 Minutes 24 Seconds West, parallel with the south line of Renwick Road aforesaid, 65.00 feet; thence North 00 Degrees 25 Minutes 36 Seconds West, perpendicular to the last described course, 10.00 feet to the Point of Beginning, in Will County, Illinois.
Said parcel containing 650 square feet, (0.015 Acres) of land, more or less.
PARCEL 0014 T.E.-A
That part of the North 264.00 feet of the East 330.00 feet of the Northeast Quarter of Section 19, Township 36 North, Range 10 East of the Third Principal Meridian, bounded by a line described as follows: Beginning at the intersection of the south line of the North 264.00 feet of the East 330.00 feet of said Northeast Quarter with the west line of the East 70.00 feet of said Northeast Quarter; thence South 89 Degrees 39 Minutes 49 Seconds West, along the south line of said North 264.00 feet of said Northeast Quarter, 10.00 feet; thence North 00 Degrees 00 Minutes 29 Seconds East, along the west line of the East 80.00 feet of said Northeast Quarter, 65.00 feet; thence North 89 Degrees 39 Minutes 49 Seconds East, perpendicular to the last described course, 5.00 feet; thence North 00 Degrees 00 Minutes 29 Seconds East, along the west line of the East 75.00 feet of said Northeast Quarter, 121.18 feet; thence North 45 Degrees 12 Minutes 33 Seconds West, 39.95 feet to a point in the south line of Renwick Road according to Document No. 538055; thence North 89 Degrees 34 Minutes 24 Seconds East, along said south line of Renwick Road, 7.04 feet; thence South 45 Degrees 12 Minutes 33 Seconds East, 37.07 feet to a point in the west line of the East 70.00 feet of the aforesaid Northeast Quarter of said Section 19; thence South 00 Degrees 00 Minutes 29 Seconds West, along said west line, 188.23 feet to the point of beginning, in Will County, Illinois.
Said parcel containing 1,454 square feet (0.033 Acres) of land, more or less.
PARCEL 0022
The south 65.00 feet of the west 60.00 feet of the East Half of the Southwest Quarter of Section 17, Township 36 North, Range 10 East of the Third Principal Meridian. All situated in Will County, Illinois.
Said parcel containing 0.089 acres, more or less of which 0.069 acres, more or less, has been previously dedicated for roadway purposes by Document No.'s 538058 and 538059.
PARCEL 0023
The south 65.00 feet of the east 440.00 feet of the west 500.00 feet of the East Half of the Southwest Quarter of Section 17, Township 36 North, Range 10 East of the Third Principal Meridian. All situated in Will County, Illinois.
Said parcel containing 0.657 acres, more or less of which 0.509 acres, more or less, has been previously dedicated for roadway purposes by Document No.'s 538058 and 538059.
PARCEL 0024
That part of Lot C in Lakewood Falls Unit 7C being a subdivision of part of the Southeast Quarter of Section 18, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded August 26, 2002 as Document Number R2002-138021 bounded by a line described as follows, to wit: Beginning at the southwest corner of said Lot C; thence North 0 Degrees 25 Minutes 36 Seconds West(assumed)(North 02 Degrees 04 Minutes 21 Seconds West, record) along the west line of said Lot C, also being the east line of Zachary Drive, 31.21 feet; thence northerly along the arc of a curve right, tangent to the last described course and having a radius of 470.00 feet, the chord of which bears North 01 Degrees 19 Minutes 45 seconds East, an arc distance of 28.81 feet; thence South 44 Degrees 54 Minutes 59 Seconds East, 70.09 feet to a point in the north line of the south 10.00 feet of said Lot C; thence North 89 Degrees 34 Minutes 24 Seconds East (North 87 Degrees 55 Minutes 39 Seconds East, record), parallel with the north line of Renwick Road, as dedicated by aforementioned Document Number R2002-138021, a distance of 225.90 feet to a point in the east line of said Lot C; thence South 0 Degrees 00 Minutes 11 Seconds East (South 1 Degree 38 Minutes 56 Seconds East, record) along said east line, 10.00 feet to the southeast corner of said Lot C, also being the north line of Renwick Road, aforesaid; thence South 89 Degrees 34 Minutes 24 Seconds West (South 87 Degrees 55 Minutes 39 Seconds West, record), along said north line of Renwick Road, 275.82 feet to the point of beginning. All situated in Will County, Illinois.
Said parcel containing 4,022 Sq. Ft., (0.092 acres) of land, more or less.
PARCEL 0025
That part of Lot B in Lakewood Falls Unit 7C being a subdivision of part of the Southeast Quarter of Section 18, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded August 26, 2002 as Document Number R2002-138021 bounded by a line described as

follows, to wit: Beginning at the southeast corner of said Lot B; thence South 89 Degrees 34 Minutes 24 Seconds West (assumed bearing)(South 87 Degrees 55 Minutes 39 Seconds West, record), along the south line of said Lot B, also being the north line of Renwick Road, 206.11 feet; thence North 0 Degrees 25 Minutes 36 Seconds West, perpendicular to the last described course, 10.00 feet to the north line of the south 10.00 feet of said Lot B; thence North 89 Degrees 34 Minutes 24 Seconds East, parallel with the north line of Renwick Road, aforesaid, 156.11 feet; thence North 45 Degrees 01 Minutes 05 Seconds East, 71.27 feet to a point in the east line of said Lot B, also being the west line of Zachary Drive; thence southerly along the arc of a curve left, along the West line of said Zachary Drive, not tangent to the last described course, having a radius of 530.00 feet, the chord of which bears South 01 Degrees 07 Minutes 49 Seconds West, an arc distance of 28.80 feet; thence South 0 Degrees 25 Minutes 36 Seconds East, tangent to the last described curve, continuing along said west line of Zachary Drive, 31.21 feet to the point of beginning. All situated in Will County, Illinois.

Said parcel containing 3,299 Sq. Ft., (0.076 acres) of land, more or less

PARCEL 0026

That part of the north 258.71 feet of the west 259.71 feet of the Northwest Quarter of Section 20 [735 ILCS 30/20], Township 36 North, Range 10 East of the Third Principal Meridian, bounded by a line described as follows: Beginning at the point intersection of the south line of Renwick Road as dedicated by Document Number 538061, recorded January 15, 1941 with the east line of the west 259.71 feet of said Northwest Quarter, said point being 49.40 feet south from the north line of said Northwest Quarter when measured along the east line of the west 259.71 feet of said Northwest Quarter; thence South 00 Degrees 00 Minutes 29 Seconds West, on an assumed bearing, parallel with the west line of said Northwest Quarter, along the east line of the west 259.71 feet of said Northwest Quarter, 10.60 feet to a point in the south line of the north 60.00 feet of said Northwest Quarter; thence South 89 Degrees 31 Minutes 14 Seconds West, parallel with the north line of said Northwest Quarter, along the south line of the north 60.00 feet of said Northwest Quarter, 167.59 feet; thence South 44 Degrees 45 Minutes 52 Seconds West, 31.43 feet to a point in the east line of the west 70.00 feet of said Northwest Quarter; thence South 00 Degrees 00 Minutes 29 Seconds West, parallel with the west line of said Northwest Quarter, along the east line of the west 70.00 feet of said Northwest Quarter, 176.59 feet to a point in the south line of the north 258.71 feet of said Northwest Quarter; thence South 89 Degrees 31 Minutes 14 Seconds West, parallel with the north line of said Northwest Quarter, along the south line of the north 258.71 feet of said Northwest Quarter, 10.00 feet to a point in the east line of the west 60.00 feet of said Northwest Quarter said line being the east line of Weber Road according to the Plat of Dedication to the Will County Highway Department recorded October 28, 1996 as Document R96-096956; thence North 00 Degrees 00 Minutes 29 Seconds East, along said east line, 174.35 feet (173.72 feet record); thence North 44 Degrees 46 Minutes 10 Seconds East, along the southeasterly line of Weber Road according to aforementioned Document R96-0969056, a distance of 49.71 feet to a point in the south line of Renwick Road according to aforementioned Document Number 538061; thence South 89 Degrees 31 Minutes 52 Seconds West, along said line, 45.00 feet to the east line of the west 50.00 feet of said Section 20, also being the east line of Weber Road according to Condemnation Proceedings No. 81ED22 in the Circuit Court of the 12th Judicial District, Will County as adjudicated on February 18, 1983; thence North 00 Degrees 00 Minutes 29 Seconds East, along said line, 49.36 feet to the North line of the Northwest Quarter of said Section 20 [735 ILCS 30/20]; thence North 89 Degrees 31 Minutes 14 Seconds West, along said north line, 209.72 feet to the east line of the west 259.71 feet of the Northwest Quarter of said Section 20; thence South 00 Degrees 00 Minutes 29 Seconds West, along said line, 49.40 feet to the point of beginning. All situated in Will County, Illinois.

Said parcel containing 0.324 acres of land more or less, of which 0.238 acres, more or less, has been previously dedicated for roadway purposes by Document No. 538061.

PARCEL 0026 T.E.

That part of the north 258.71 feet of the west 259.71 feet of the Northwest Quarter of Section 20, Township 36 North, Range 10 East of the Third Principal Meridian, bounded by a line described as follows: Commencing at the point intersection of the south line of the north 258.71 feet of said Northwest Quarter with the east line of the west 70.00 feet of said Northwest Quarter, when measured perpendicular to the north and west lines thereof; thence North 00 Degrees 00 Minutes 29 Seconds East, along the east line of the west 70.00 feet of said Northwest Quarter, 25.48 feet to the point of beginning; thence South 89 Degrees 59 Minutes 31 Seconds East, perpendicular to the last described course, 10.00 feet, thence North 00 Degrees 00 Minutes 29 Seconds East, along the east line of the west 80.00 feet of said Northwest Quarter, 65.00 feet; thence North 89 Degrees 59 Minutes 31 Seconds West, perpendicular to the last described course, 5.00 feet to a point in the east line of the west 75.00 feet of said Northwest Quarter; thence North 00 Degrees 00 Minutes 29 Seconds East, along the east line of the west 75.00 feet of said Northwest Quarter, 84.04 feet; thence North 44 Degrees 45 Minutes 52 Seconds East, 27.31 feet to a point in the south line of the north 65.00 feet of said Northwest Quarter of said Section 20; thence North 89 Degrees 31 Minutes 14 Seconds East, along said line, 45.10 feet; thence South 00 Degrees 28 Minutes 46 Seconds East, perpendicular to the last

described course, 5.00 feet; thence North 89 Degrees 31 Minutes 14 Seconds East, perpendicular to the last described course, 65.00 feet; thence North 00 Degrees 28 Minutes 46 Seconds West, perpendicular to the last described course, 5.00 feet to a point in the south line of the north 65.00 feet of said Northwest Quarter of said Section 20; thence North 89 Degrees 31 Minutes 14 Seconds East, along said line, 55.38 feet to a point in the east line of the west 259.71 feet of said Northwest Quarter of said Section 20; thence North 00 Degrees 00 Minutes 29 Seconds East, along said east line, 5.00 feet to a point in the south line of the north 60.00 feet of said Northwest Quarter of said Section 20; thence South 89 Degrees 31 Minutes 14 Seconds West, along said south line of the north 60.00 feet of said Northwest Quarter of said Section 20, a distance of 167.59 feet; thence South 44 Degrees 45 Minutes 52 Seconds West, 31.43 feet to a point in the east line of the west 70.00 feet of said Northwest Quarter of said Section 20; thence South 00 Degrees 00 Minutes 29 Seconds West, along said east line of the west 70.00 feet of said Northwest Quarter of said Section 20, a distance of 151.11 feet to the point of beginning. All situated in Will County, Illinois.

Said parcel containing 2,380 square feet, (0.055 acres) of land more or less

PARCEL 0028

The north 60.00 feet of the west 80.00 feet of the East Half of the Northwest Quarter and the north 60.00 feet of the east 20.00 feet of the West Half of the Northwest Quarter of Section 20, Township 36 North, Range 10 East of the Third Principal Meridian. All situated in Will County, Illinois.

Said parcel containing 0.138 acres, more or less of which 0.114 acres, more or less, has been previously dedicated for roadway purposes by Document No. 538061.

PARCEL 0029

That part of the north 60.00 feet of the East Half of the Northwest Quarter of Section 20, except the west 80.00 feet thereof, Township 36 North, Range 10 East of the Third Principal Meridian, bounded by a line described as follows: Beginning at the point intersection of the south line of north 60.00 feet of said Northwest Quarter with the east line of the west 80.00 feet of the East Half of said Northwest Quarter; thence North 00 Degrees 00 Minutes 42 Seconds West, on an assumed bearing along the east line of the west 80.00 feet of the East Half of said Northwest Quarter, a distance of 60.00 feet to the north line of the Northwest Quarter of said Section 20; thence North 89 Degrees 31 Minutes 14 Seconds East, along said north line, 106.52 feet; thence South 0 Degrees 28 Minutes 46 Seconds East, perpendicular to the north line of said Northwest Quarter, 60.00 feet to a point of intersection with a line 60.00 feet south from and parallel with the north line of said Northwest Quarter when measured perpendicular thereto; thence South 89 Degrees 31 Minutes 14 Seconds West, along said parallel line, perpendicular to the last described course, 107.01 feet to the point of beginning. All situated in Will County, Illinois.

Said parcel containing 0.148 acres, more or less of which 0.122 Acres, more or less, has been previously dedicated for roadway purposes by Document No. 538061.

PARCEL 0030 T.E.

That part of Lot 6 in Crest Hill Business Center being a subdivision of part of the Northwest Quarter of Section 20, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded July 25, 2005 as Document No. R2005124097, bounded by a line described as follows: Beginning at the Northeast corner of Lot 6, thence South 00 Degrees 28 Minutes 09 Seconds East (South 02 Degrees 06 Minutes 31 Seconds East record), along the east line of said Lot 6 a distance of 65.00 feet; thence South 89 Degrees 31 Minutes 14 Seconds West, parallel with the north line of said Lot 6, a distance of 44.46 feet; thence North 00 Degrees 28 Minutes 09 Seconds West, parallel with the east line of said Lot 6, a distance of 65.00 feet to the north line of said Lot 6, also being the south line of Renwick Road as dedicated by aforementioned Document No. R2005124097; thence North 89 Degrees 31 Minutes 14 Seconds East (North 87 Degrees 53 Minutes 29 Seconds East record), along the north line of said Lot 6, also being the south line of Renwick Road, 44.46 feet to the point of beginning. All situated in Will County, Illinois.

Said parcel containing 2,890 square feet, (0.066 acres) of land more or less

PARCEL 0031 T.E.

That part of Lot 7 in Crest Hill Business Center being a subdivision of part of the Northwest Quarter of Section 20, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded July 25, 2005 as Document No. R2005124097, bounded by a line described as follows: Beginning at the Northwest corner of Lot 7, thence South 00 Degrees 28 Minutes 09 Seconds East (South 02 Degrees 06 Minutes 31 Seconds East record), along the west line of said Lot 7 a distance of 65.00 feet; thence North 89 Degrees 31 Minutes 14 Seconds East, parallel with the north line of said Lot 7, a distance of 30.54 feet; thence North 00 Degrees 28 Minutes 09 Seconds West, parallel with the west line of said Lot 7, a distance of 65.00 feet to the north line of said Lot 7, also being the south line of Renwick Road as dedicated by aforementioned Document No. R2005124097; thence South 89 Degrees 31 Minutes 14 Seconds West (South 87 Degrees 53 Minutes 29 Seconds West, record), along the north line of said Lot 7, also being the south line of Renwick Road, 30.54 feet to the point of beginning. All situated in Will County, Illinois.

Said parcel containing 1,985 square feet, (0.046 acres) of land more or less

PARCEL 0032 T.E.

That part of Outlot A of Rose Subdivision, being a subdivision of part of the Southeast Quarter of Section 18, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat

thereof recorded on March 9, 2005 as Document No. R2005040528 as corrected by Certificate of Correction recorded December 28, 2005 as Document R2005228067 as further corrected by Certificate of Correction recorded December 18, 2006 as Document R2006208515 bounded by a line described as follows: Beginning at the easterly most southeast corner of said Outlot A located on the west line of Weber Road (County Highway 88) as dedicated by Document No. R2003016054, recorded January 23, 2003; thence North 53 Degrees 23 Minutes 42 Seconds West (North 55 Degrees 02 Minutes 09 Seconds, record), along a southerly line of said Outlot A, 23.96 feet; thence South 89 Degrees 35 Minutes 27 Seconds West (South 87 Degrees 57 Minutes 00 Seconds West, record) along a south line of said Outlot A, 50.77 feet; thence North 00 Degrees 00 Minutes 29 Seconds West, parallel with the east line of said Outlot A, 33.86 feet to a point on a north line of said Outlot A, thence North 89 Degrees 35 Minutes 27 Seconds East, along said north line, 50.00 feet; thence North 56 Degrees 37 Minutes 56 Seconds East (North 45 Degrees 37 Minutes 22 Seconds East, record), along a northerly line of said Outlot A, 23.95 feet to a point on an east line of said Outlot A, also being the west line of Weber Road aforesaid; thence South 00 Degrees 00 Minutes 29 Seconds East (South 01 Degrees 38 Minutes 56 Seconds East, record), along the west line of said Weber Road, 61.32 feet to the point of beginning, in Will County, Illinois.

Said parcel containing 2,640 square feet, (0.060 acres) of land, more or less.

PARCEL 0033 T.E.

That part of Lot 2 of Rose Resubdivision, being a resubdivision of Lots 1 through 4 (both inclusive) along with part of Outlot A all in Rose Subdivision, being a resubdivision of the Southeast Quarter of Section 18, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat of said Rose Resubdivision recorded on November 1, 2005 as Document No. R2005-191530 bounded by a line described as follows: Beginning at the southerly most southeast corner of said Lot 2; thence South 89 Degrees 35 Minutes 27 Seconds West (South 87 Degrees 57 Minutes 00 Seconds West, record) along the south line of said Lot 2 a distance of 50.00 feet; thence North 00 Degrees 00 Minutes 29 Seconds West, parallel with the east line of said Lot 2 a distance of 10.00 feet; thence North 89 Degrees 35 Minutes 27 Seconds East (North 87 Degrees 57 Minutes 00 Seconds East, record), parallel with the south line of said Lot 2, a distance of 65.35 feet to a point in the southeasterly line of said Lot 2; thence South 56 Degrees 37 Minutes 56 Seconds West (South 55 Degrees 00 Minutes 31 Seconds West, record) along said southeasterly line, 18.38 feet to the point of beginning, in Will County, Illinois.

Said parcel containing 577 square feet, (0.013 acres) of land, more or less.

PARCEL 0034DED

The west 25.00 feet of Lot 2 in E.M.S. Subdivision (being a subdivision of part of the Southwest Quarter of Section 17, Township 36 North, Range 10 East of the Third Principal Meridian) as per plat thereof recorded December 7, 1989 as document number R89-64001, in Will County, Illinois.

Said parcel containing 0.034 acres more or less.

PARCEL 0035DED

The west 25.00 feet of Lot 1 in E.M.S. Subdivision (being a subdivision of part of the Southwest Quarter of Section 17, Township 36 North, Range 10 East of the Third Principal Meridian) as per plat thereof recorded December 7, 1989 as document number R89-64001, in Will County, Illinois.

Said parcel containing 0.060 acres more or less.

PARCEL 0037DED

A part of the West Half of the Northwest Quarter of Section 17 [735 ILCS 30/17], Township 36 North, Range 10 East of the Third Principal Meridian, described as follows: the east 25.00 feet of the west 75.00 feet of the south 50.00 feet of the West Half of the Northwest Quarter of said Section 17, in Will County, Illinois.

Said parcel containing 0.029 acres more or less.

PARCEL 0038DED

That part of Lot 1 in Grand Haven Retail Development (being a subdivision in the Southeast Quarter of Section 18, Township 36 North, Range 10 East of the Third Principal Meridian) as per plat thereof recorded December 15, 2003 as document number R2003302173 described as follows: Beginning at a southeast corner of said Lot 1, said southeast corner bears South 01 degrees 38 minutes 41 seconds East (South 01 degrees 38 minutes 56 seconds East, record), 184.08 feet (184.18 feet Record) from the northeast corner of said Lot 1; thence South 43 degrees 15 minutes 40 seconds West, along the southeast line of said Lot 1, 56.66 feet, to a south line of said Lot 1; thence South 88 degrees 10 minutes 49 seconds West, along said south line, 28.32 feet, to a line 20.00 feet northwest of and parallel to the southeast line of said Lot 1; thence North 43 degrees 15 minutes 40 seconds East, along said parallel line, 96.78 feet, to the east line of said Lot 1; thence South 01 degrees 38 minutes 41 seconds East, along said east line, 28.33 feet, to the Point of Beginning, in Will County, Illinois.

Said parcel containing 0.035 acres more or less.

PARCEL 0039DED

That part of the Northeast Quarter of Section 18, Township 36 North, Range 10 East of the Third Principal Meridian described as follows: Commencing at the southeast corner of said Northeast Quarter; thence North 01 degrees 40 minutes 43 seconds West, along the east line of said Section 18 [735 ILCS 30/18], a distance of 456.50 feet; thence South 68 degrees 19 minutes 17 seconds West, in a southwesterly direction at an angle of 70 degrees, 63.85 feet to the west line of the east 60.00 feet of said Northeast Quarter and the Point of Beginning; thence continuing South 68 degrees 19 minutes 17 seconds West, along the last described line, 15.96 feet to the west line of the east 75.00 feet of said Northeast Quarter;

thence South 01 degrees 40 minutes 43 seconds East, along said west line, 74.54 feet; thence North 88 degrees 19 minutes 17 seconds East, at right angles to the last described line, 15.00 feet, to the west line of the east 60.00 feet of said Northeast Quarter; thence North 01 degrees 40 minutes 43 seconds West, along said west line, 80.00 feet to the Point of Beginning, all in Will County, Illinois.
Said parcel containing 0.027 acres more or less.
PARCEL 0039TEA
That part of the Northeast Quarter of Section 18, Township 36 North, Range 10 East of the Third Principal Meridian described as follows: Commencing at the southeast corner of said Northeast Quarter; thence North 01 degrees 40 minutes 43 seconds West, along the east line of said Section 18, a distance of 456.50 feet; thence South 68 degrees 19 minutes 17 seconds West, in a southwesterly direction at an angle of 70 degrees, 79.81 feet, to the west line of the east 75.00 feet of said Northeast Quarter; thence South 01 degrees 40 minutes 43 seconds East, along said west line, 74.54 feet; thence North 88 degrees 19 minutes 17 seconds East, at right angles to the last described line, 5.00 feet, to the west line of the east 70.00 feet of said Northeast Quarter, and the Point of Beginning; thence continuing North 88 degrees 19 minutes 17 seconds East, 10.00 feet, to the west line of the east 60.00 feet of said Northeast Quarter; thence South 01 degrees 40 minutes 43 seconds East, along said west line, 304.88 feet, to the north line of the south 50.00 feet of said Northeast Quarter; thence South 88 degrees 07 minutes 04 seconds West, along said north line, 10.00 feet, to the west line of the east 70.00 feet of said Northeast Quarter; thence North 01 degrees 40 minutes 43 seconds West, along said west line, 304.91 feet to the Point of Beginning, all in Will County, Illinois.
Said parcel containing 0.070 acres more or less.
PARCEL 0039TEB
That part of the Northeast Quarter of Section 18, Township 36 North, Range 10 East of the Third Principal Meridian described as follows: Commencing at the southeast corner of said Northeast Quarter; thence North 01 degrees 40 minutes 43 seconds West, along the east line of said Section 18, a distance of 456.50 feet; thence South 68 degrees 19 minutes 17 seconds West, in a southwesterly direction at an angle of 70 degrees, 79.81 feet, to the west line of the east 75.00 feet of said Northeast Quarter, and the Point of Beginning; thence continuing South 68 degrees 19 minutes 17 seconds West, along the last described line, 42.57 feet, to the west line of the east 115.00 feet of said Northeast Quarter; thence South 01 degrees 40 minutes 43 seconds East, along said west line, 48.60 feet; thence North 88 degrees 19 minutes 17 seconds East, at right angles to the last described line, 40.00 feet, to the west line of the east 75.00 feet of said Northeast Quarter; thence North 01 degrees 40 minutes 43 seconds West, along said west line, 63.16 feet, to the Point of Beginning, all in Will County, Illinois.
Said parcel containing 0.051 acres more or less.

Said parcel containing 10,438 square feet (0.240 acres) more or less.

HISTORY:
P.A. 98-852, § 5; 99-78, § 540.

735 ILCS 30/25-5-55 (As added by P.A. 98-1070) Quick-take; Village of Mundelein. [Renumbered as 735 ILCS 30/25-5-60]

HISTORY:
2014 P.A. 98-1070, § 5, effective August 26, 2014; enacted by 2015 P.A. 99-78, § 540, effective July 20, 2015.

735 ILCS 30/25-5-60 Quick-take; Village of Mundelein.

Quick-take proceedings under Article 20 may be used for a period of no longer than one year after the effective date of this amendatory Act of the 98th General Assembly [P.A. 98-1070] by the Village of Mundelein in Lake County for the acquisition of property and easements, legally described below, for the purpose of widening and reconstructing Hawley Street from Midlothian Road to Seymour Avenue, and making other public utility improvements including the construction of a bike path:

PIN: 10-24-423-010

That part of Lot 11 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, described as follows: beginning at the Southeast corner of Lot 11; thence West along the South line of said Lot, 99.95 (meas.) 100.00 feet (rec.) to the Southwest corner of said Lot; thence North along the West line of said Lot, 10.00 feet; thence Southeasterly 8.51 feet to a point 6.00 feet East of and 4.00 feet North of the Southwest corner of said Lot; thence East parallel with the South line of said Lot, 93.97 feet to the East line of said Lot; thence South along said last described line, 4.00 feet to the point of beginning, Lake County, Illinois. 417.50 sq. ft.

Temporary easement: That part of Lot 11 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plot thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, described as follows: commencing at the Southwest corner of said Lot 11; thence North along the West line of said Lot, 10.00 feet to the point of beginning; thence continuing North along said last described line, 35.00 feet; thence East parallel with the South line of said Lot, 10.00 feet; thence South parallel with the West line of said Lot, 25.00 feet to a line 20.00 feet North of and parallel with the South line of said Lot; thence East along said last described line, 20.00 feet; thence South parallel with the West line of said Lot, 16.00 feet to a line 4.00 feet North of and parallel with the South line of said Lot; thence West along said last described line, 24.00 feet to a point 6.00 feet East of the West line of said Lot; thence Northwesterly, 8.51 feet to the point of beginning, in Lake County, Illinois. Containing 712.00 sq. ft.

PIN: 10-24-423-011

The South 4.00 feet of Lot 10 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, Lake County, Illinois. 400.00 sq. ft.

PIN: 10-24-423-013

The South 4.00 feet of Lot 8 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, Lake County, Illinois. 400.00 sq. ft.

PIN: 10-24-423-016

The South 7.00 feet of Lot 5 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, Lake County, Illinois. 700.00 sq. ft.

Temporary Easement:

That part of Lot 5 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, described as follows: commencing at the Southeast corner of said Lot 5; thence North along the East line of said Lot, 7.00 feet to the point of beginning; thence West parallel with the South line of said Lot, 100.00 feet to the West line of said Lot; thence North along said last described line, 5.00 feet; thence East parallel with the South line of said Lot, 52.00 feet; thence North parallel with the West line of said Lot, 22.50 feet; thence East parallel with the South line of said Lot, 14.50 feet; thence North parallel with the West line of said Lot, 5.20 feet; thence East parallel with the South line of said Lot, 33.50 feet to the East line of said Lot; thence South along the last described line, 32.70 feet to the point of beginning, in Lake County, Illinois. 1754.20 sq. ft.

PIN: 10-24-423-018

The South 13.50 feet of Lot 3 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, Lake County, Illinois. 1350.00 sq. ft.

Temporary Easement:

That part of Lot 3 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, described as follows: commencing at the Southeast corner of said Lot 3; thence North along the East line of said Lot, 13.50 feet to the point of beginning; thence West parallel with the South line of said Lot, 100.00 feet to the West line of said Lot; thence North along said last described line, 10.00 feet; thence East parallel with the South line of said Lot, 45.00 feet; thence North parallel with the West line of said Lot, 30.00 feet; thence East parallel with the South line of said Lot, 34.00 feet; thence South parallel with the West line of said Lot, 30.00 feet; thence East parallel with the South line of said Lot, 21.00 feet to the East line of said Lot; thence South along the last described line, 10.00 feet to the point of beginning, in Lake County, Illinois. 2020.00 sq. ft.

PIN: 10-24-423-019

The South 13.50 feet of Lot 2 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, Lake County, Illinois. 1350.00 sq. ft.

PIN: 10-24-423-021

The South 13.50 feet of a tract of land described as Lot 1 (as originally platted), (except that part taken for highway per Document No. 2242325 and 2242326), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, Lake County, Illinois. 1040.30 sq. ft.

PIN: 10-25-205-003

Temporary Easement:

That part of Lot 44 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151 in Book "N" of Plats, Page 98, described as follows: commencing at the Northeast corner of said Lot 44; thence South along the East line of said Lot, 5.00 feet; thence West parallel with the North line of said Lot, 34.00 feet; thence South parallel with the East line of said Lot, 5.00 feet; thence West parallel with the North line of said Lot, 16.00 feet to the West line of said Lot; thence North along said last described Lot, 10.00 feet to the Northwest corner of said lot; thence East along the North line of said lot, 50.00 feet to the point of beginning, in Lake County, Illinois. Containing 331.00 sq. ft.

PIN: 10-25-205-004

Temporary Easement:

The North 10.00 feet (except the South 5.00 feet of the West 24.00 feet and the South 5.00 feet of the East 3.00 feet thereof) of Lot 45 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, Lake County, Illinois. Containing 365.40 sq. ft.

PIN: 10-25-205-005

Temporary Easement:

The North 5.00 feet of Lot 46 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, Lake County, Illinois. 250.00 sq. ft.

PIN: 10-25-206-003

Temporary Easement:The North 5.00 feet of Lot 60 (as originally platted), in Western Slope Subdivision of Mundelein, being a Subdivision of part of the Southeast Quarter of Section 24, and of the Northeast Quarter of Section 25, Township 44 North, Range 10, East of the Third Principal Meridian, according to the plat thereof recorded May 9, 1925 as Document 257151, in Book "N" of Plats, Page 98, in Lake County, Illinois. 250.00 sq. ft.

PIN: 11-30-101-004

Temporary Easement:

The North 5.00 feet of the East 30.00 feet of a tract of land described as the West 75.00 feet of Lots 1 and 2, in Block 1 of Hammond's Addition to Rockefeller, being a Subdivision of part of Lot 2 of the Northwest Quarter of Section 30, Township 44 North, Range 11 East of the Third Principal Meridian, according to the plat thereof recorded April 2, 1895 as Document No. 61511, in Book "D" of Plats, Page 24,in Lake County, Illinois. 150.00 sq. ft.

PIN: 11-30-120-001

That part of Lot 1 in Hawley Commons, being a subdivision of part of the Northwest Quarter of Section 30, Township 44 North, Range 11 East, of the Third Principal Meridian according to the plat thereof recorded October 8, 1999 as Document No. 4432301, and described as follows: Beginning at the Northwest corner of Lot 1; thence South along the West line of said Lot 1, 17.00 feet; thence Northeasterly 23.91 feet to a point 17.00 feet East of the point of beginning and on the North line of said Lot 1; thence West along the North line of Lot 1, 17.00 feet to the point of beginning, in Lake County, Illinois. Containing 144.50 sq. ft.

PIN: 10-24-314-036

That part of Lot 14 in Block 2 in Mundelein Home Crest Subdivision of the Northeast Quarter of the Northwest Quarter of Section 25 and part of the East Half of the Southwest Quarter of Section 24, all in Township 44 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded June 4, 1926 as Document No. 280148 in Book "P" of Plats, Pages 62 and 63, described as lying Southeasterly of a curve concave Northwesterly having a radius of 45.00 feet and being tangent to the East and South lines of said Lot 14, in

Lake County, Illinois. 445.10 sq. ft.

HISTORY:

P.A. 98-1070, § 5; 99-78, § 540.

735 ILCS 30/25-5-65 Quick-take; Will County; Weber Road.

Quick-take proceedings under Article 20 [735 ILCS 30/20-5-5 et seq.] may be used for a period of no more than one year after the effective date of this amendatory Act of the 99th General Assembly by Will County for the acquisition of the following described property for the purpose of expanding the portion of Weber Road (County Highway 88) between Normantown Road and West 135th Street:

Route: I-55

Limits: at Weber Road

County: Will

Parcel: 1LQ0001A

Stations: 726+09.11 to 728+67.91

P.I.N.: 11-04-06-279-024

That part of Tract 13 in Carillon Phase 1A being a subdivision in the Northeast Quarter of Section 6, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded as document R89-035486, in Will County, Illinois, described as follows:

Beginning at the most easterly southeast corner of said Tract 13; thence South 43 degrees 33 minutes 04 seconds West on a bearing based on the Illinois State Plane Coordinate System, NAD "83 (2011), East Zone, along the southeasterly line of said Tract 13, a distance of 5.19 feet; thence North 02 degrees 01 minute 35 seconds West, 158.84 feet; thence North 01 degree 22 minutes 42 seconds East, 99.59 feet to the east line of said Tract 13, being a 17,138.91 foot radius curve concave westerly; thence southerly 116.99 feet along said curve and east line through a central angle of 00 degrees 23 minutes 28 seconds, the chord of said curve bears South 01 degree 38 minutes 10 seconds East, 116.99 feet; thence South 01 degree 26 minutes 26 seconds East along the east line of said Tract 13, a distance of 137.65 feet to the Point of Beginning.

Said parcel containing 0.022 acres, more or less.

Route: I-55

Limits: at Weber Road

County: Will

Job No.: R-91-015-15

Parcel: 1LQ0001B

Stations: 739+40.00 to 745+21.46

P.I.N.: 11-04-06-279-065; 11-04-06-279-066

That part of Tracts 10 and 11, in Carillon Phase 1A, being a subdivision in the Northeast Quarter of Section 6, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded as document R89-035486, in Will County, Illinois, described as follows:

Beginning at the northeast corner of said Tract 10; thence North 89 degrees 44 minutes 14 seconds West on a bearing based on the Illinois State Plane Coordinate System, NAD "83 (2011), East Zone, along the northerly line of said Tract 10, a distance of 34.58 feet to a 5,085.00 foot radius curve concave easterly; thence southerly 21.83 feet along said curve through a central angle of 00 degrees 14 minutes 35 seconds, the chord of said curve bears South 02 degrees 50 minutes 05 minutes East, 21.58 feet; thence North 87 degrees 08 minutes 47 East, 20.50 feet to a 15,470.89 foot curve concave easterly; thence southerly 299.54 feet along said curve through a central angle of 01 degree 06 minutes 34 seconds, the chord of said curve bears South 03 degrees 24 minutes 29 seconds East, 299.54 feet to the south line of said Tract 10; thence North 85 degrees 44 minutes 04 seconds East along said south line, 1.50 feet to a 15,469.89 foot radius curve concave easterly; thence southerly 262.89 feet along said curve through a central angle of 00 degrees 58 minutes 25 seconds, the chord of said curve bears South 04 degrees 26 minutes 54 seconds East, 262.89 feet; thence North 85 degrees 03 minutes 54 seconds East, 15.69 feet to the east line of said Tract 11, being a 17,238.91 foot radius curve concave easterly; thence northerly along said curve and the east line of said Tracts 10 and 11, a distance of 581.59 feet through a central angle of 01 degrees 55 minutes 59 seconds, the chord of said curve bears North 04 degrees 10 minutes 15 seconds West, 581.56 feet to the Point of Beginning.

Said parcel containing 0.212 acres, more or less.

Route: I-55

Limits: at Weber Road

County: Will

Job No.: R-91-015-15

Parcel: 1LQ0002

Stations: 745+19.63 to 749+37.76

P.I.N.: 11-04-06-227-041; 11-04-06-227-048

That part of Lot C in Carillon Parcel 31 East, according to the plat thereof recorded October 25, 1996 as document R96-096429, also that part of Lot C in Carillon Parcel 32, according to the plat thereof recorded July 8, 1997 as document R97-056892, all in the Northeast Quarter of Section 6, Township 36 North, Range 10 East of the Third Principal Meridian, Will County, Illinois, described as follows:

Beginning at the northeast corner of said Lot C in Carillon Parcel 31 East; thence South 87 degrees 49 minutes 34 seconds West on a bearing based on the Illinois State Plane Coordinate System, NAD "83 (2011), East Zone, along the north line of said Lot C in Carillon Parcel 31 East, 27.89 feet; thence South 01 degree 22 minutes 31 seconds East, 290.08 feet to a point on a tangential curve concave easterly having a radius of 5,085.00 feet; thence southerly 127.96 feet along said curve through a central angle of 01 degree 26 minutes 30 seconds, the chord of said curve bears South 02 degrees 05 minutes 46 seconds East, 127.95 feet to the south line of said Lot C in Carillon Parcel 32; thence South 89 degrees 44 minutes 14 seconds East along said south line, 34.58 feet to the east line of said Lot C in Carillon Parcel 32, being a 17,238.91 foot radius curve concave easterly; thence northerly 419.49 feet along said east line through a central angle of 01 degree 23 minutes 39 seconds, the chord of said curve bears North 02 degrees 30 minutes 26 seconds West, 419.48 feet to the Point of Beginning.

Said parcel containing 0.298 acres, more or less.

Route: I-55

Limits: at Weber Road

County: Will

Job No.: R-91-015-15

Parcel: 1LQ0003

Stations: 749+37.37 to 751+16.92

P.I.N.: 11-04-06-227-047

That part of Lot 2 in Carillon Court Exhibit 3, being a subdivision in the Northeast Quarter of Section 6, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded June 11, 1997 as document R97-48868, in Will County, Illinois, described as follows:

Beginning at the southeast corner of said Lot 2; thence South 87 degrees 49 minutes 34 seconds West on a bearing based on the Illinois State Plane Coordinate System, NAD "83 (2011), East Zone, along the south line of said Lot 2, a distance of 27.89 feet; thence North 01 degree 22 minutes 31 seconds West, 107.63 feet; thence North 26 degrees 23 minutes 16 seconds West, 79.36 feet to the north line of said Lot 2; thence North 87 degrees 49 minutes 34 seconds East along said north line, 30.88 feet to the northeast line of said Lot 2; thence South 46 degrees 48 minutes 26 seconds East along said northeast line, 42.15 feet to the east line of said Lot 2; thence South 01 degree 26 minutes 26 seconds East along said east line, 39.62 to a tangential curve concave easterly having a radius of 17,238.91 feet; thence continuing southerly 110.39 feet along said east line and curve through a central angle of 00 degrees 22 minutes 01 second, the chord of said curve bears South 01 degree 37 minutes 36 seconds East, 110.39 feet to the Point of Beginning.

Said parcel containing 0.131 acres, more or less.

Route: I-55

Limits: at Weber Road

County: Will

Job No.: R-91-015-15

Parcel: 1LQ0003TE

Stations: 112+85.73 to 114+35.95

P.I.N.: 11-04-06-227-047

That part of Lot 2 in Carillon Court Exhibit 3, being a subdivision in the Northeast Quarter of Section 6, Township 36 North, Range 10 East of the Third Principal Meridian, according to the plat thereof recorded June 11, 1997 as document R97-048868, in Will County, Illinois, described as follows:

Beginning at the northwest corner of said Lot 2; thence North 87 degrees 49 minutes 34 seconds East on a bearing based on the Illinois State Plane Coordinate System, NAD "83 (2011), East Zone, along the north line of said Lot 2, a distance of 159.13 feet; thence South 26 degrees 23 minutes 16 seconds East, 46.05 feet; thence South 88 degrees 00 minutes 52 seconds West, 160.45 feet; thence North 02 degrees 26 minutes 12 seconds West, 9.67 feet; thence North 41 degrees 05 minutes 08 seconds West, 28.12 feet to the west line of said Lot 2; thence North 01 degree 26 minutes 25 seconds West along said west line, 9.93 feet to the Point of Beginning.

Said parcel containing 0.153 acres, more or less.

Route: I-55

Limits: at Weber Road

County: Will

Commencing at the southwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 87 degrees 20 minutes 06 seconds East along the south line of said Lot 3, a distance of 10.00 feet to the east right of way line of Randall Road recorded July 30, 2008 as document number 2008R0041806 and the point of beginning; thence North 2 degrees 40 minutes 02 seconds East along the said east right of way line of Randall Road, a distance of 227.85 feet to the northerly line of said Lot 3; thence North 81 degrees 39 minutes 50 seconds East along the northerly line of said Lot 3, a distance of 3.52 feet; thence South 2 degrees 47 minutes 42 seconds West, a distance of 228.52 feet to the south line of said Lot 3; thence North 87 degrees 20 minutes 06 seconds West along the south line of said Lot 3, a distance of 2.94 feet to the point of beginning.

Said parcel containing 0.017 acre, more or less.

That part of Lot 3, except the West 10.0 feet thereof conveyed to McHenry County, Illinois, by quit claim deed recorded July 30, 2008 as document number 2008R0041806, in Rosen Rosen Rosen Subdivision, being a subdivision of part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded July 26, 2001 as document number 2001R0052702, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 87 degrees 20 minutes 06 seconds East along the south line of said Lot 3, a distance of 10.00 feet to the east right of way line of Randall Road recorded July 30, 2008 as document number 2008R0041806; thence North 2 degrees 40 minutes 02 seconds East along the said east right of way line of Randall Road, a distance of 227.85 feet to the northerly line of said Lot 3; thence North 81 degrees 39 minutes 50 seconds East along the northerly line of said Lot 3, a distance of 3.52 feet to the point of beginning; thence South 2 degrees 47 minutes 42 seconds West, a distance of 228.52 feet to the south line of said Lot 3; thence South 87 degrees 20 minutes 06 seconds East along the south line of said Lot 3, a distance of 8.00 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 230.08 feet to the northerly line of said Lot 3; thence South 81 degrees 39 minutes 50 seconds West along the northerly line of said Lot 3, a distance of 8.15 feet to the point of beginning.

Said temporary easement containing 0.043 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 3 in Rubloff Oakridge Resubdivision, being a resubdivision of Lots 4, 5 and "A" in Olsen's Second Resubdivision in the Northeast Quarter of Section 31, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Rubloff Oakridge Resubdivision recorded November 1, 2002 as document number 2002R0100964, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 2 degrees 40 minutes 02 seconds West along the east line of said Lot 3, a distance of 22.73 feet to an angle point on said east line of Lot 3; thence South 5 degrees 31 minutes 46 seconds West along the east line of said Lot 3, a distance of 100.12 feet to an angle point on said east line of Lot 3; thence South 2 degrees 40 minutes 02 seconds West along the east line of said Lot 3, a distance of 288.24 feet to the southeast corner of Lot 3; thence North 89 degrees 27 minutes 18 seconds West along the south line of said Lot 3, a distance of 5.81 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 170.94 feet; thence North 87 degrees 12 minutes 18 seconds West, a distance of 22.00 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 40.00 feet; thence South 87 degrees 12 minutes 18 seconds East, a distance of 15.00 feet; thence North 2 degrees 47

minutes 42 seconds East, a distance of 200.22 feet to the north line of said Lot 3; thence South 87 degrees 20 minutes 16 seconds East along the north line of said Lot 3, a distance of 16.89 feet to the point of beginning.

Said parcel containing 0.111 acre, more or less.

That part of Lot 3 in Rubloff Oakridge Resubdivision, being a resubdivision of Lots 4, 5 and "A" in Olsen's Second Resubdivision in the Northeast Quarter of Section 31, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Rubloff Oakridge Resubdivision recorded November 1, 2002 as document number 2002R0100964, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 2 degrees 40 minutes 02 seconds West along the east line of said Lot 3, a distance of 22.73 feet to an angle point on said east line of Lot 3; thence South 5 degrees 31 minutes 46 seconds West along the east line of said Lot 3, a distance of 100.12 feet to an angle point on said east line of Lot 3; thence South 2 degrees 40 minutes 02 seconds West along the east line of said Lot 3, a distance of 288.24 feet to the southeast corner of Lot 3; thence North 89 degrees 27 minutes 18 seconds West along the south line of said Lot 3, a distance of 5.81 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 170.94 feet; thence North 87 degrees 12 minutes 18 seconds West, a distance of 22.00 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 40.00 feet to the point of beginning; thence South 87 degrees 12 minutes 18 seconds East, a distance of 15.00 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 200.22 feet to the north line of said Lot 3; thence North 87 degrees 20 minutes 16 seconds West along the north line of said Lot 3, a distance of 15.00 feet; thence South 2 degrees 47 minutes 42 seconds West, a distance of 200.18 feet to the point of beginning.

Said temporary easement containing 0.069 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 1 in Olsen's Subdivision, being a subdivision of part of the East Half of the Northeast Quarter of Section 31, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 17, 1995 as document number 95R033749 and that part of Lot 3 in Olsen's Second Resubdivision, being a resubdivision of Lot 3 in Olsen's Subdivision recorded August 17, 1995 as document number 95R033749 and Lot 4 in Olsen's First Resubdivision of Lot 2 and part of Lot 3 in Olsen's Subdivision recorded August 14, 1996 as document number 96R042075 of part of the East Half of the Northeast Quarter of Section 31, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Olsen's Second Resubdivision recorded November 5, 1999 as document number 1999R0076925, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 87 degrees 20 minutes 16 seconds West along a south line of said Lot 3, a distance of 16.89 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 154.86 feet to a point of curvature; thence northerly 437.88 feet along a curve to the left having a radius of 17159.52 feet, the chord of said curve bears North 2 degrees 03 minutes 51 seconds East, 437.87 feet; thence North 88 degrees 40 minutes 01 second West along a radial line, a distance of 15.00 feet; thence northerly 412.44 feet along a curve to the left having a radius of 17144.52 feet, the chord of said curve bears North 0 degrees 38 minutes 38 seconds East, 412.43 feet; thence North 45 degrees 12 minutes 48 seconds West, a distance of 21.16 feet; thence South 89 degrees 38 minutes 36 seconds West, a distance of 332.84 feet; thence North 83 degrees 51 minutes 10 seconds West, a distance of 197.73 feet to the west line of said Lot 1; thence North 1 degree 52 minutes 34 seconds East along the west line of said Lot 1, a distance of 12.43 feet to the northwest corner of Lot 1; thence North 89 degrees 21 minutes 14 seconds East along the north line of said Lot 1, a distance of 551.12 feet to the northeasterly line of Lot 1; thence South 45 degrees 19 minutes 13 seconds East along the northeasterly line of said Lot 1, a distance of 35.15 feet to east line of Lot 1; thence South 0 degrees 00 minutes 21 seconds West along the east line of said Lot 1, a distance of 430.58 feet (430.63 feet, recorded) to an angle point on the east line of Lot 1; thence South 2 degrees 40 minutes 02 seconds West along the east line of said Lot 1 and along the east line of said Lot 3, a distance of 603.78 feet to the point of beginning.

Said parcel containing 0.993 acre, more or less.

That part of Lot 1 in Olsen's Subdivision, being a subdivision of part of the East Half of the Northeast Quarter of Section 31, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 17, 1995 as document number 95R033749 and that part of Lot 3 in Olsen's Second Resubdivision, being a resubdivision of Lot 3 in Olsen's Subdivision recorded August 17, 1995 as document number 95R033749 and Lot 4 in Olsen's First Resubdivision of Lot 2 and part of Lot 3 in Olsen's Subdivision recorded August 14, 1996 as document number 96R042075 of part of the East Half of the Northeast Quarter of Section 31, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Olsen's Second Resubdivision recorded November 5, 1999 as document number 1999R0076925, in McHenry County,

Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 87 degrees 20 minutes 16 seconds West along a south line of said Lot 3, a distance of 16.89 feet to the point of beginning; thence North 2 degrees 47 minutes 42 seconds East, a distance of 154.86 feet to a point of curvature; thence northerly 437.88 feet along a curve to the left having a radius of 17159.52 feet, the chord of said curve bears North 2 degrees 03 minutes 51 seconds East, 437.87 feet; thence North 88 degrees 40 minutes 01 second West along a radial line, a distance of 15.00 feet; thence southerly 437.50 feet along a curve to the right having a radius of 17144.52 feet, the chord of said curve bears South 2 degrees 03 minutes 51 seconds West, 437.49 feet to a point of tangency; thence South 2 degrees 47 minutes 42 seconds West, a distance of 154.89 feet to a south line of said Lot 3; thence South 87 degrees 20 minutes 16 seconds East along a south line of said Lot 3, a distance of 15.00 to the point of beginning.

Said temporary easement containing 0.204 acre, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 1 in Olsen's Subdivision, being a subdivision of part of the East Half of the Northeast Quarter of Section 31, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 17, 1995 as document number 95R033749, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of Lot 3 in Olsen's Second Resubdivision according to the plat thereof recorded November 5, 1999 as document number 1999R0076925; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 87 degrees 20 minutes 16 seconds West along a south line of Lot 3 in said Olsen's Second Resubdivision, a distance of 16.89 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 154.86 feet to a point of curvature; thence northerly 437.88 feet along a curve to the left having a radius of 17159.52 feet, the chord of said curve bears North 2 degrees 03 minutes 51 seconds East, 437.87 feet; thence North 88 degrees 40 minutes 01 second West along a radial line, a distance of 15.00 feet; thence northerly 35.00 feet along a curve to the left having a radius of 17144.52 feet, the chord of said curve bears North 1 degree 16 minutes 28 seconds East, 35.00 feet to the point of beginning; thence northerly 377.44 feet along a curve to the left having a radius of 17144.52 feet, the chord of said curve bears North 0 degrees 35 minutes 07 second East, 377.43 feet; thence North 45 degrees 12 minutes 48 seconds West, a distance of 21.16 feet; thence South 89 degrees 38 minutes 36 seconds West, a distance of 332.84 feet; thence North 83 degrees 51 minutes 10 seconds West, a distance of 197.73 feet to the west line of said Lot 1; thence South 1 degree 52 minutes 34 seconds West along the west line of said Lot 1, a distance of 6.02 feet; thence South 83 degrees 51 minutes 10 second East, a distance of 197.62 feet; thence North 89 degrees 38 minutes 36 seconds East, a distance of 338.15 feet; thence southerly 326.14 feet along a curve to the right having a radius of 17134.52 feet, the chord of said curve bears South 0 degrees 28 minutes 12 seconds West, 326.14 feet; thence North 88 degrees 40 minutes 01 second West, a distance of 30.00 feet; thence southerly 60.00 feet along a curve to the right having a radius of 17104.52 feet, the chord of said curve bears South 1 degree 06 minutes 55 seconds West, 60.00 feet; thence South 88 degrees 40 minutes 01 second East, a distance of 40.00 feet to the point of beginning.

Said temporary easement containing 0.203 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of the Northwest Quarter of said Section 32; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 47 minutes 34 seconds East along the north line of the Northwest Quarter of said Section 32, a distance of 23.41 feet to a point of intersection with the Northerly extension of the east right of way line of Randall Road recorded May 20, 1971 as document number 543017; thence South 0 degrees 00 minutes 21 seconds West along the Northerly extension of the said east right of way line of Randall Road, a distance of 70.00 feet to the south right of way line of Huntington Drive recorded July 23, 1990 as document number 90R026911; thence South 89 degrees 47 minutes 34 seconds East along the said south right of way line of Huntington Drive, a distance of 99.99 feet to a point of curvature on said south right of way line; thence easterly 114.98 feet (111.67 feet, recorded) along the southerly right of way line of said Huntington Drive on a curve to the left having a radius of 334.98 feet, the chord of said curve bears North 80 degrees 22 minutes 26 seconds East, 114.42 feet to a point of reverse curvature on said southerly right of way line; thence easterly 90.96 feet (88.34 feet, recorded) along the said southerly right of way line of Huntington Drive on a curve to the right having a radius of 264.98 feet, the chord of said curve bears North 80 degrees 22 minutes 26 seconds East, 90.51 feet to a point of tangency on the

said south right of way line of Huntington Drive; thence South 89 degrees 47 minutes 34 seconds East along the said south right of way line of Huntington Drive, a distance of 319.64 feet; thence South 81 degrees 12 minutes 30 seconds West, a distance of 225.11 feet; thence South 8 degrees 47 minutes 30 seconds East, a distance of 5.00 feet; thence South 81 degrees 12 minutes 30 seconds West, a distance of 128.86 feet; thence South 89 degrees 38 minutes 36 seconds West, a distance of 172.42 feet; thence South 64 degrees 03 minutes 37 seconds West, a distance of 69.23 feet; thence southerly 582.56 feet along a curve to the right having a radius of 17334.52 feet, the chord of said curve bears South 0 degrees 56 minutes 37 seconds West, 582.53 feet to the south line of the grantor according to warranty deed recorded March 9, 1910 as document number 15359; thence North 89 degrees 35 minutes 06 seconds West along the south line of the grantor according to said warranty deed, a distance of 77.27 feet to the west line of the Northwest Quarter of said Section 32; thence North 2 degrees 03 minutes 28 seconds East along the west line of the Northwest Quarter of said Section 32, a distance of 710.08 feet (710 feet, recorded) to the point of beginning.

Said parcel containing 1.559 acres, more or less, of which 0.571 acre, more or less, was previously dedicated or used for highway purposes.

That part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of the Northwest Quarter of said Section 32; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 47 minutes 34 seconds East along the north line of the Northwest Quarter of said Section 32, a distance of 23.41 feet to a point of intersection with the Northerly extension of the east right of way line of Randall Road recorded May 20, 1971 as document number 543017; thence South 0 degrees 00 minutes 21 seconds West along the Northerly extension of the said east right of way line of Randall Road, a distance of 70.00 feet to the south right of way line of Huntington Drive recorded July 23, 1990 as document number 90R026911; thence South 89 degrees 47 minutes 34 seconds East along the said south right of way line of Huntington Drive, a distance of 99.99 feet to a point of curvature on said south right of way line; thence easterly 114.98 feet (111.67 feet, recorded) along the southerly right of way line of said Huntington Drive on a curve to the left having a radius of 334.98 feet, the chord of said curve bears North 80 degrees 22 minutes 26 seconds East, 114.42 feet to a point of reverse curvature on said southerly right of way line; thence easterly 90.96 feet (88.34 feet, recorded) along the said southerly right of way line of Huntington Drive on a curve to the right having a radius of 264.98 feet, the chord of said curve bears North 80 degrees 22 minutes 26 seconds East, 90.51 feet to a point of tangency on the said south right of way line of Huntington Drive; thence South 89 degrees 47 minutes 34 seconds East along the said south right of way line of Huntington Drive, a distance of 319.64 feet to the point of beginning; thence South 81 degrees 12 minutes 30 seconds West, a distance of 225.11 feet; thence South 8 degrees 47 minutes 30 seconds East, a distance of 5.00 feet; thence South 81 degrees 12 minutes 30 seconds West, a distance of 128.86 feet; thence South 89 degrees 38 minutes 36 seconds West, a distance of 172.42 feet; thence South 64 degrees 03 minutes 37 seconds West, a distance of 69.23 feet; thence southerly 582.56 feet along a curve to the right having a radius of 17334.52 feet, the chord of said curve bears South 0 degrees 56 minutes 37 seconds West, 582.53 feet to the south line of the grantor according to warranty deed recorded March 9, 1910 as document number 15359; thence South 89 degrees 35 minutes 06 seconds East along the south line of the grantor according to said warranty deed, a distance of 10.00 feet; thence northerly 102.10 feet along a curve to the left having a radius of 17344.52 feet, the chord of said curve bears North 1 degree 44 minutes 12 seconds East, 102.10 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 70.03 feet; thence northerly 295.03 feet along a curve to the left having a radius of 17414.52 feet, the chord of said curve bears North 1 degree 04 minutes 35 seconds East, 295.03 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 50.00 feet; thence northerly 125.49 feet along a curve to the left having a radius of 17464.52 feet, the chord of said curve bears North 0 degrees 23 minutes 01 second East, 125.49 feet; thence North 50 degrees 24 minutes 29 seconds East, a distance of 29.58 feet; thence North 89 degrees 38 minutes 36 seconds East, a distance of 87.71 feet; thence North 81 degrees 12 minutes 30 seconds East, a distance of 164.10 feet; thence North 65 degrees 08 minutes 08 seconds East, a distance of 133.64 feet; thence North 8 degrees 47 minutes 30 seconds West, a distance of 25.00 feet; thence North 81 degrees 12 minutes 30 seconds East, a distance of 112.61 feet; thence North 0 degrees 18 minutes 19 seconds East, a distance of 7.64 feet to the said south right of way line of Huntington Drive; thence North 89 degrees 47 minutes 34 seconds West along the said south right of way line of Huntington Drive, a distance of 47.64 feet to the point of beginning.

Said temporary easement containing 1.849 acres, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 1 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25,

2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 21 minutes 14 seconds West along the south line of said Lot 1, a distance of 281.80 feet (281.83 feet, recorded) to a southwest corner of Lot 1; thence northeasterly 10.29 feet along a northwesterly line of said Lot 1 on a curve to the left having a radius of 49.00 feet, the chord of said curve bears North 30 degrees 40 minutes 11 seconds East, 10.27 feet; thence North 89 degrees 38 minutes 36 seconds East, a distance of 160.24 feet; thence South 0 degrees 21 minutes 24 seconds East, a distance of 5.00 feet; thence North 89 degrees 38 minutes 36 seconds East, a distance of 54.47 feet; thence North 44 degrees 48 minutes 06 seconds East, a distance of 87.77 feet to the east line of said Lot 1; thence South 0 degrees 01 minute 40 seconds West along the east line of said Lot 1, a distance of 64.27 feet to the point of beginning.

Said parcel containing 0.082 acre, more or less.

That part of Lot 1 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at a southeast corner of said Lot 1, being also the southwest corner of Lot 5 in said Meijer Store #206 Subdivision; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 21 minutes 14 seconds West along the south line of said Lot 1, a distance of 74.24 feet; thence North 0 degrees 21 minutes 24 seconds West, a distance of 39.98 feet; thence North 89 degrees 24 minutes 27 seconds East, a distance of 63.85 feet to an east line of said Lot 1; thence South 0 degrees 21 minutes 27 seconds East along an east line of said Lot 1, a distance of 9.70 feet to a northeasterly line of Lot 1; thence southeasterly 32.50 feet along a northeasterly line of said Lot 1 on a curve to the left having a radius of 49.00 feet, the chord of said curve bears South 19 degrees 22 minutes 16 seconds East, 31.91 feet to the point of beginning.

Said temporary easement containing 0.061 acre, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 1 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 21 minutes 14 seconds West along the south line of said Lot 1, a distance of 281.80 feet (281.83 feet, recorded) to a southwest corner of Lot 1; thence northeasterly 10.29 feet along a northwesterly line of said Lot 1 on a curve to the left having a radius of 49.00 feet, the chord of said curve bears North 30 degrees 40 minutes 11 seconds East, 10.27 feet to the point of beginning; thence North 89 degrees 38 minutes 36 seconds East, a distance of 78.24 feet; thence North 0 degrees 21 minutes 24 seconds West, a distance of 27.00 feet; thence South 89 degrees 38 minutes 36 seconds West, a distance of 73.61 feet to a west line of said Lot 1; thence South 0 degrees 06 minutes 47 seconds East along a west line of said Lot 1, a distance of 6.50 feet to a northwesterly line of Lot 1; thence southwesterly 21.18 feet along a northwesterly line of said Lot 1 on a curve to the right having a radius of 49.00 feet, the chord of said curve bears South 12 degrees 16 minutes 19 seconds West, 21.01 feet to the point of beginning.

Said temporary easement containing 0.046 acre, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 1 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 21 minutes 14 seconds West along the south line of said Lot 1, a distance of 281.80 feet (281.83 feet, recorded) to a southwest corner of Lot 1; thence northeasterly 10.29 feet along a northwesterly line of said Lot 1 on a curve to the left having a radius of 49.00 feet, the chord of said curve bears North 30 degrees 40 minutes 11 seconds East, 10.27 feet; thence North 89 degrees 38 minutes 36 seconds East, a distance of 160.24 feet; thence South 0 degrees 21 minutes 24 seconds East, a distance of 5.00 feet; thence North 89 degrees 38 minutes 36 seconds East, a distance of 35.00 feet to the point of beginning; thence continuing North 89 degrees 38 minutes 36 seconds East, a

distance of 19.47 feet; thence North 44 degrees 48 minutes 06 seconds East, a distance of 87.77 feet to the east line of said Lot 1; thence North 0 degrees 01 minute 40 seconds East along the east line of said Lot 1, a distance of 391.21 feet to a northeast corner of Lot 1; thence southwesterly 49.51 feet along a northeasterly line of said Lot 1 on a curve to the right having a radius of 98.99 feet, the chord of said curve bears South 62 degrees 09 minutes 20 seconds West, 48.99 feet; thence South 1 degree 09 minutes 06 seconds West, a distance of 56.02 feet; thence North 89 degrees 58 minutes 13 seconds East, a distance of 36.65 feet; thence South 0 degrees 01 minute 47 seconds East, a distance of 312.74 feet; thence South 44 degrees 48 minutes 06 seconds West, a distance of 80.18 feet; thence South 89 degrees 38 minutes 36 seconds West, a distance of 17.40 feet; thence South 0 degrees 21 minutes 24 seconds East, a distance of 5.00 feet to the point of beginning.

Said temporary easement containing 0.132 acre, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 1 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of Lot 3 in said Meijer Store #206 Subdivision, being also a southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 0 degrees 01 minute 40 seconds East along an east line of said Lot 1, a distance of 18.24 feet; thence northerly 47.70 feet along an east line of said Lot 1 on a curve to the left having a radius of 31851.48 feet, the chord of said curve bears North 0 degrees 00 minutes 38 seconds West, 47.70 feet to a northwesterly line of Lot 1; thence southwesterly 73.12 feet (73.16 feet, recorded) along a northwesterly line of said Lot 1 on a curve to the right having a radius of 98.99 feet, the chord of said curve bears South 68 degrees 49 minutes 52 seconds West, 71.47 feet to a north line of Lot 1; thence North 89 degrees 59 minutes 09 seconds West along a north line of said Lot 1, a distance of 1.65 feet; thence South 0 degrees 04 minutes 51 seconds East, a distance of 30.98 feet to a south line of said Lot 1; thence South 89 degrees 58 minutes 47 seconds East along a south line of said Lot 1, a distance of 36.76 feet to a southwesterly line of Lot 1; thence southeasterly 33.23 feet (33.24 feet, recorded) along a southwesterly line of said Lot 1 on a curve to the right having a radius of 59.00 feet, the chord of said curve bears South 73 degrees 49 minutes 27 seconds East, 32.79 feet to the point of beginning.

Said temporary easement containing 0.063 acre, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 5 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 21 minutes 14 seconds West along the south line of said Lot 5, a distance of 176.22 feet; thence North 0 degrees 00 minutes 00 seconds East, a distance of 3.32 feet; thence North 85 degrees 39 minutes 34 seconds East, a distance of 91.74 feet; thence North 89 degrees 38 minutes 36 seconds East, a distance of 89.97 feet to the southeasterly line of said Lot 5; thence southwesterly 10.29 feet along the southeasterly line of said Lot 5 on a curve to the right having a radius of 49.00 feet, the chord of said curve bears South 30 degrees 40 minutes 11 seconds West, 10.27 feet to the point of beginning.

Said parcel containing 0.031 acre, more or less.

That part of Lot 5 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southwest corner of said Lot 5; thence northwesterly 32.50 feet along the southwesterly line of said Lot 5 on a curve to the right having a radius of 49.00 feet, the chord of said curve bears on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 19 degrees 22 minutes 16 seconds West, 31.91 feet to the west line of Lot 5; thence North 0 degrees 21 minutes 27 seconds West along the west line of said Lot 5, a distance of 9.70 feet; thence North 89 degrees 24 minutes 27 seconds East, a distance of 19.31 feet; thence South 0 degrees 35 minutes 33 seconds East, a distance of 39.90 feet to the south line of said Lot 5; thence South 89 degrees 21 minutes 14 seconds West along the south line of said Lot 5, a distance of 9.08 feet to the point of beginning.

Said temporary easement containing 0.015 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 5 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 21 minutes 14 seconds West along the south line of said Lot 5, a distance of 176.22 feet; thence North 0 degrees 00 minutes 00 seconds East, a distance of 3.32 feet; thence North 85 degrees 39 minutes 34 seconds East, a distance of 91.74 feet; thence North 89 degrees 38 minutes 36 seconds East, a distance of 84.21 feet to the point of beginning; thence continuing North 89 degrees 38 minutes 36 seconds East, a distance of 5.76 feet to the southeasterly line of said Lot 5; thence northeasterly 21.18 feet along the southeasterly line of said Lot 5 on a curve to the left having a radius of 49.00 feet, the chord of said curve bears North 12 degrees 16 minutes 19 seconds East, 21.01 feet to the east line of said Lot 5; thence North 0 degrees 06 minutes 47 seconds West along the east line of said Lot 5, a distance of 6.50 feet; thence South 89 degrees 38 minutes 36 seconds West, a distance of 10.39 feet; thence South 0 degrees 21 minutes 24 seconds East, a distance of 27.00 feet to the point of beginning.

Said temporary easement containing 0.006 acre, more or less, or 249 square feet, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 11 in Kaper's Business Center Unit 1, being a subdivision of part of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third

Principal Meridian, according to the plat thereof recorded June 4, 1997 as document number 97R025826, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 11; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 04 minutes 06 seconds East along the west line of said Lot 11, a distance of 118.49 feet to the southwest corner of special warranty deed recorded December 28, 2015 as document number 2015R0047895, being also the northwest corner of the grantor and the point of beginning; thence South 89 degrees 47 minutes 46 seconds East along the north line of the grantor according to said special warranty deed, a distance of 33.20 feet; thence South 0 degrees 01 minute 47 seconds East, a distance of 81.58 feet to the south line of said Lot 11; thence North 89 degrees 48 minutes 02 seconds West along the south line of said Lot 11, a distance of 33.14 feet to the southwest corner of Lot 11; thence North 0 degrees 04 minutes 06 seconds West along the west line of said Lot 11, a distance of 81.58 feet to the point of beginning.

Said parcel containing 0.062 acre, more or less.

That part of Lot 11 in Kaper's Business Center Unit 1, being a subdivision of part of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 4, 1997 as document number 97R025826, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 11; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 04 minutes 06 seconds East along the west line of said Lot 11, a distance of 118.49 feet to the southwest corner of special warranty deed recorded December 28, 2015 as document number 2015R0047895, being also the northwest corner of the grantor; thence South 89 degrees 47 minutes 46 seconds East along the north line of the grantor according to said special warranty deed, a distance of 33.20 feet to the point of beginning; thence South 0 degrees 01 minute 47 seconds East, a distance of 81.58 feet to the south line of said Lot 11; thence South 89 degrees 48 minutes 02 seconds East along the south line of said Lot 11, a distance of 10.00 feet; thence North 0 degrees 01 minute 47 seconds West, a distance of 81.58 feet to the north line of the grantor according to said special warranty deed; thence North 89 degrees 47 minutes 46 seconds West along the north line of the grantor according to said special warranty deed, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.019 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 2 in Randall Rolls Second Resubdivision, being a resubdivision of Lots 2 and 3 of Randall Rolls Resubdivision in the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Randall Rolls Second Resubdivision recorded June 7, 2001 as document number 2001R0038572, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 58 minutes 44 seconds East along the north line of said Lot 2, a distance of 23.38 feet; thence South 0 degrees 01 minute 47 seconds East, a distance of 145.25 feet

to the south line of said Lot 2; thence North 89 degrees 47 minutes 46 seconds West along the south line of said Lot 2, a distance of 23.28 feet to the southwest corner of Lot 2; thence North 0 degrees 04 minutes 06 seconds West along the west line of said Lot 2, a distance of 145.17 feet (145.12 feet, recorded) to the point of beginning.

Said parcel containing 0.078 acre, more or less.

That part of Lot 2 in Randall Rolls Second Resubdivision, being a resubdivision of Lots 2 and 3 of Randall Rolls Resubdivision in the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Randall Rolls Second Resubdivision recorded June 7, 2001 as document number 2001R0038572, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 58 minutes 44 seconds East along the north line of said Lot 2, a distance of 23.38 feet to the point of beginning; thence South 0 degrees 01 minute 47 seconds East, a distance of 145.25 feet to the south line of said Lot 2; thence South 89 degrees 47 minutes 46 seconds East along the south line of said Lot 2, a distance of 10.00 feet; thence North 0 degrees 01 minute 47 seconds West, a distance of 145.28 feet to the north line of said Lot 2; thence North 89 degrees 58 minutes 44 seconds West along the north line of said Lot 2, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.033 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 3 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 58 minute 47 seconds West along the south line of said Lot 3, a distance of 8.02 feet; thence North 0 degrees 01 minute 47 seconds West, a distance of 190.10 feet; thence South 89 degrees 58 minutes 13 seconds West, a distance of 60.00 feet; thence North 0 degrees 04 minutes 51 seconds West, a distance of 20.21 feet to the north line of said Lot 3; thence South 89 degrees 58 minutes 47 seconds East along the north line of said Lot 3, a distance of 36.76 feet to the northeasterly line of Lot 3; thence southeasterly 33.23 feet (33.24 feet, recorded) along the northeasterly line of said Lot 3 on a curve to the right having a radius of 59.00 feet, the chord of said curve bears South 73 degrees 49 minutes 27 seconds East, 32.79 feet to the east line of Lot 3; thence South 0 degrees 01 minute 40 seconds West along the east line of said Lot 3, a distance of 201.14 feet to the point of beginning.

Said temporary easement containing 0.065 acre, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 1 in Randall Rolls Second Resubdivision, being a resubdivision of Lots 2 and 3 of Randall Rolls Resubdivision in the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Randall Rolls Second Resubdivision recorded June 7, 2001 as document number 2001R0038572, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 47 minutes 16 seconds East along the north line of said Lot 1, a distance of 23.33 feet; thence southerly 69.10 feet along a curve to the right having a radius of 11550.00 feet, the chord of said curve bears South 0 degrees 12 minutes 04 seconds East, 69.10 feet to a point of tangency; thence South 0 degrees 01 minute 47 seconds East, a distance of 162.89 feet to the south line of said Lot 1; thence North 89 degrees 58 minutes 44 seconds West along the south line of said Lot 1, a distance of 23.28 feet to the southwest corner of Lot 1; thence North 0 degrees 04 minutes 06 seconds West along the west line of said Lot 1, a distance of 232.06 feet (231.98 feet, recorded) to the point of beginning.

Said parcel containing 0.125 acre, more or less.

That part of Lot 1 in Randall Rolls Second Resubdivision, being a resubdivision of Lots 2 and 3 of Randall Rolls Resubdivision in the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Randall Rolls Second Resubdivision recorded June 7, 2001 as document number 2001R0038572, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 47 minutes 16 seconds East along the north line of said Lot 1, a distance of 23.33 feet to the point of beginning; thence southerly 69.10 feet along a curve to the

right having a radius of 11550.00 feet, the chord of said curve bears South 0 degrees 12 minutes 04 seconds East, 69.10 feet to a point of tangency; thence South 0 degrees 01 minute 47 seconds East, a distance of 162.89 feet to the south line of said Lot 1; thence South 89 degrees 58 minutes 44 seconds East along the south line of said Lot 1, a distance of 10.00 feet; thence North 0 degrees 01 minute 47 seconds West, a distance of 231.95 feet to the north line of said Lot 1; thence North 89 degrees 47 minutes 16 seconds West along the north line of said Lot 1, a distance of 10.21 feet to the point of beginning.

Said temporary easement containing 0.053 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 2 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 2; thence southwesterly 10.76 feet along the southeasterly line of said Lot 2 on a curve to the right having a radius of 98.99 feet, the chord of said curve bears on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 50 degrees 47 minute 09 seconds West, 10.76 feet; thence northerly 301.58 feet along a curve to the left having a radius of 11370.00 feet, the chord of said curve bears North 1 degree 00 minutes 14 seconds West, 301.57 feet to the northeasterly line of said Lot 2; thence South 54 degrees 53 minutes 52 seconds East along the northeasterly line of said Lot 2, a distance 14.75 feet to the east line of Lot 2; thence southerly 286.24 feet along the east line of said Lot 2 on a curve to the right having a radius of 31851.48 feet, the chord of said curve bears South 0 degrees 18 minutes 39 seconds East, 286.24 feet to the point of beginning.

Said parcel containing 0.066 acre, more or less.

That part of Lot 2 in Meijer Store #206 Subdivision, being a resubdivision of part of Lot 6 in Eagle Commercial Center in the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Meijer #206 Subdivision recorded September 25, 2002 as document number 2002R0084811, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 2; thence southwesterly 22.96 feet along the southeasterly line of said Lot 2 on a curve to the right having a radius of 98.99 feet, the chord of said curve bears on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 54 degrees 18 minute 54 seconds West, 22.91 feet to the point of beginning; thence southwesterly 50.16 feet along the southeasterly line of said Lot 2 on a curve to the right having a radius of 98.99 feet, the chord of said curve bears South 75 degrees 28 minutes 32 seconds West, 49.63 feet to the south line of Lot 2; thence North 89 degrees 59 minutes 09 seconds West along the south line of said Lot 2, a distance of 1.65 feet; thence North 0 degrees 04 minutes 51 seconds West, a distance of 12.19 feet; thence North 89 degrees 42 minutes 18 seconds East, a distance of 49.70 feet to the point of beginning.

Said temporary easement containing 0.010 acre, more or less, or 418 square feet, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 1 in Re-Subdivision of Lot 14 in Kaper's Business Center Unit 2, being a resubdivision of Kaper's Business Center Unit 2, being a subdivision of part of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Re-Subdivision of Lot 14 in Kaper's Business Center Unit 2 recorded August 24, 2001 as document number 2001R0061761, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 1 degree 04 minutes 41 seconds West along the west line of said Lot 1, a distance of 121.99 feet to a point of curvature on said west line of Lot 1; thence northeasterly 47.12 feet (47.13 feet, recorded) along the northwesterly line of said Lot 1 on a curve to the right having a radius of 30.00 feet, the chord of said curve bears North 43 degrees 55 minutes 08 seconds East, 42.42 feet to a point of tangency on the north line of Lot 1; thence North 88 degrees 54 minutes 57 seconds East along the north line of said Lot 1, a distance of 35.61 feet; thence South 43 degrees 53 minutes 35 seconds West, a distance of 48.85 feet; thence southerly 117.43 feet along a curve to the right having a radius of 11550.00 feet, the chord of said curve bears South 1 degree 29 minutes 53 seconds East, 117.43 feet to the south line of said Lot 1; thence South 88 degrees 54 minutes 57 seconds West along the south line of said Lot 1, a distance of 31.95 feet to the point of beginning.

Said parcel containing 0.119 acre, more or less.

That part of Lot 1 in Re-Subdivision of Lot 14 in Kaper's Business Center Unit 2, being a resubdivision of Kaper's Business Center Unit 2, being a subdivision of part of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Re-Subdivision of Lot 14 in Kaper's

Business Center Unit 2 recorded August 24, 2001 as document number 2001R0061761, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 1 degree 04 minutes 41 seconds West along the west line of said Lot 1, a distance of 121.99 feet to a point of curvature on said west line of Lot 1; thence northeasterly 47.12 feet (47.13 feet, recorded) along the northwesterly line of said Lot 1 on a curve to the right having a radius of 30.00 feet, the chord of said curve bears North 43 degrees 55 minutes 08 seconds East, 42.42 feet to a point of tangency on the north line of Lot 1; thence North 88 degrees 54 minutes 57 seconds East along the north line of said Lot 1, a distance of 35.61 feet; thence South 43 degrees 53 minutes 35 seconds West, a distance of 27.90 feet to the point of beginning; thence continuing South 43 degrees 53 minutes 35 seconds West, a distance of 20.95 feet; thence southerly 117.43 feet along a curve to the right having a radius of 11550.00 feet, the chord of said curve bears South 1 degree 29 minutes 53 seconds East, 117.43 feet to the south line of said Lot 1; thence North 88 degrees 54 minutes 57 seconds East along the south line of said Lot 1, a distance of 15.00 feet; thence northerly 132.25 feet along a curve to the left having a radius of 11565.00 feet, the chord of said curve bears North 1 degree 32 minutes 03 seconds West, 132.25 feet to the point of beginning.

Said temporary easement containing 0.043 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 5 in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded February 28, 1989 as document number 89R005770, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 88 degrees 54 minutes 55 seconds East along the north line of said Lot 5, a distance of 28.15 feet; thence southerly 97.22 feet along a curve to the left having a radius of 11365.00 feet, the chord of said curve bears South 2 degrees 41 minutes 33 seconds East, 97.22 feet to a point of reverse curvature; thence southerly 89.95 feet along a curve to the right having a radius of 11555.00 feet, the chord of said curve bears South 2 degrees 42 minutes 53 seconds East, 89.95 feet; thence South 40 degrees 49 minutes 13 seconds East, a distance of 48.27 feet to the south line of said Lot 5; thence South 88 degrees 54 minutes 57 seconds West along the south line of said Lot 5, a distance of 34.32 feet to a point of curvature on said south line of Lot 5; thence northwesterly 47.12 feet along the southwesterly line of said Lot 5 on a curve to the right having a radius of 30.00 feet, the chord of said curve bears North 46 degrees 04 minutes 52 seconds West, 42.43 feet to a point of tangency on the west line of Lot 5; thence North 1 degree 04 minutes 41 seconds West along the west line of said Lot 5, a distance of 194.21 feet (194.23 feet, recorded) to the point of beginning.

Said parcel containing 0.169 acre, more or less.

That part of Lot 5 in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded February 28, 1989 as document number 89R005770, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 88 degrees 54 minutes 55 seconds East along the north line of said Lot 5, a distance of 28.15 feet to the point of beginning; thence southerly 97.22 feet along a curve to the left having a radius of 11365.00 feet, the chord of said curve bears South 2 degrees 41 minutes 33 seconds East, 97.22 feet to a point of reverse curvature; thence southerly 89.95 feet along a curve to the right having a radius of 11555.00 feet, the chord of said curve bears South 2 degrees 42 minutes 53 seconds East, 89.95 feet; thence South 40 degrees 49 minutes 13 seconds East, a distance of 16.11; thence northerly 102.66 feet along a curve to the left having a radius of 11565.00 feet, the chord of said curve bears North 2 degrees 41 minutes 00 seconds West, 102.66 feet to a point of reverse curvature; thence northerly 96.90 feet along a curve to the right having a radius of 11355.00 feet, the chord of said curve bears North 2 degrees 41 minutes 36 seconds West, 96.90 feet to the north line of said Lot 5; thence South 88 degrees 54 minutes 55 seconds West along the north line of said Lot 5, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.044 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 4 in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded February 28, 1989 as document number 89R005770, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 4; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 88 degrees 54 minutes 50 seconds East along the north line of said Lot 4, a distance of 25.00 feet; thence southerly 225.01 feet along a curve to the left having a radius of 11365.00 feet, the chord of said curve bears South 1 degree 52 minutes 49 seconds East, 225.01 feet to the south line of said Lot 4; thence South 88 degrees 54 minutes 55 seconds West along the south line of said Lot 4, a distance of 28.15 feet to the southwest corner of Lot 4; thence North 1 degree 04 minutes 41 seconds West along the west line of said Lot 4, a distance of 224.98 feet (225.00 feet, recorded) to the point of beginning.

Said parcel containing 0.135 acre, more or less.

That part of Lot 4 in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded February 28, 1989 as document number 89R005770, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 4; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 88 degrees 54 minutes 50 seconds East along the north line of said Lot 4, a distance of 25.00 feet to the point of beginning; thence southerly 225.01 feet along a curve to the left having a radius of 11365.00 feet, the chord of said curve bears South 1 degree 52 minutes 49 seconds East, 225.01 feet to the south line of said Lot 4; thence North 88 degrees 54 minutes 55 seconds East along the south line of said Lot 4, a distance of 10.00 feet; thence northerly 225.01 feet along a curve to the right having a radius of 11355.00 feet, the chord of said curve bears North 1 degree 52 minutes 52 seconds West, 225.01 feet to the north line of said Lot 4; thence South 88 degrees 54 minutes 50 seconds West along the north line of said Lot 4, a distance 10.00 feet to the point of beginning.

Said temporary easement containing 0.052 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 2 in Eagle Commercial Center, being a resubdivision of Lot 3 in Kaper's West Subdivision, being a subdivision of part of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Eagle Commercial Center recorded November 4, 1993 as document number 93R067593, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 29 minutes 18 seconds East along the east line of said Lot 2, a distance of 240.40 feet (240.45 feet, recorded) to the southeast corner of Lot 2; thence South 88 degrees 53 minutes 44 seconds West along the south line of said Lot 2, a distance of 38.09 feet; thence northerly 182.71 feet along a curve to the right having a radius of 11545.00 feet, the chord of said curve bears North 0 degrees 51 minutes 15 seconds West, 182.71 feet to a point of tangency; thence North 0 degrees 24 minutes 03 seconds West, a distance of 57.70 feet to the north line of said Lot 2; thence North 88 degrees 54 minutes 00 seconds East along the north line of said Lot 2, a distance of 34.97 feet to the point of beginning.

Said parcel containing 0.204 acre, more or less.

That part of Lot 2 in Eagle Commercial Center, being a resubdivision of Lot 3 in Kaper's West Subdivision, being a subdivision of part of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Eagle Commercial Center recorded November 4, 1993 as document number 93R067593, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 29 minutes 18 seconds East along the east line of said Lot 2, a distance of 240.40 feet (240.45 feet, recorded) to the southeast corner of Lot 2; thence South 88 degrees 53 minutes 44 seconds West along the south line of said Lot 2, a distance of 38.09 feet to the point of beginning; thence northerly 182.71 feet along a curve to the right having a radius of 11545.00 feet, the chord of said curve bears North 0 degrees 51 minutes 15 seconds West, 182.71 feet to a point of tangency; thence North 0 degrees 24 minutes 03 seconds West, a distance of 57.70 feet to the north line of said Lot 2; thence South 88 degrees 54 minutes 00 seconds West along the north line of said Lot 2, a distance of 42.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 7.88 feet; thence North 89 degrees 35 minutes 57 seconds East, a distance of 17.56 feet; thence South 32 degrees 28 minutes 48 seconds East, a distance of 27.24 feet; thence southerly 209.06 feet along a curve to the left having a radius of 11555.00 feet, the chord of said curve bears South 0 degrees 47 minutes 21 seconds East, 209.05 feet to the south line of said Lot 2; thence North 88 degrees 53 minutes 44 seconds East along the south line of said Lot 2, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.065 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 3 in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest

Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded February 28, 1989 as document number 89R005770, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 88 degrees 54 minutes 45 seconds East along the north line of said Lot 3, a distance of 26.34 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 54.02 feet to a point of tangency; thence southerly 180.97 feet along a curve to the left having a radius of 11365.00 feet, the chord of said curve bears South 0 degrees 51 minutes 25 seconds East, 180.97 feet to the south line of said Lot 3; thence South 88 degrees 54 minutes 50 seconds West along the south line of said Lot 3, a distance of 25.00 feet to the southwest corner of Lot 3; thence North 1 degree 04 minutes 41 seconds West along the west line of said Lot 3, a distance of 234.98 feet (235.00 feet, recorded) to the point of beginning.

Said parcel containing 0.137 acre, more or less.

That part of Lot 3 in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded February 28, 1989 as document number 89R005770, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 88 degrees 54 minutes 45 seconds East along the north line of said Lot 3, a distance of 26.34 feet to the point of beginning; thence South 0 degrees 24 minutes 03 seconds East, a distance of 54.02 feet to a point of tangency; thence southerly 180.97 feet along a curve to the left having a radius of 11365.00 feet, the chord of said curve bears South 0 degrees 51 minutes 25 seconds East, 180.97 feet to the south line of said Lot 3; thence North 88 degrees 54 minutes 50 seconds East along the south line of said Lot 3, a distance of 10.00 feet; thence northerly 180.85 feet along a curve to the right having a radius of 11355.00 feet, the chord of said curve bears North 0 degrees 51 minutes 26 seconds West, 180.85 feet to a point of tangency; thence North 0 degrees 24 minutes 03 seconds West, a distance of 54.14 feet to the north line of said Lot 3; thence South 88 degrees 54 minutes 45 seconds West along the north line of said Lot 3, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.054 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 1, except that part conveyed the County of McHenry, a body politic, by trustee's deed recorded April 7, 2003 as document number 2003R0044153, in River Pointe Subdivision, being a resubdivision of Lots 1 and 6 in Kaper's East Subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said River Pointe Subdivision recorded May 6, 1992 as document number 92R024749, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 1 degree 04 minutes 41 seconds West along the west line of said Lot 1, a distance of 5.81 feet (5.86 feet, recorded) to an angle point on said west line of Lot 1; thence North 1 degree 22 minutes 56 seconds West along the west line of said Lot 1, a distance of 60.19 feet (60.15 feet, recorded) to a north line of Lot 1; thence North 88 degrees 54 minutes 45 seconds East along a north line of said Lot 1, a distance of 32.44 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 66.00 feet to the south line of said Lot 1; thence South 88 degrees 54 minutes 45 seconds West along the south line of said Lot 1, a distance of 31.34 feet to the point of beginning.

Said parcel containing 0.048 acre, more or less.

That part of Lot 1, except that part conveyed the County of McHenry, a body politic, by trustee's deed recorded April 7, 2003 as document number 2003R0044153, in River Pointe Subdivision, being a resubdivision of Lots 1 and 6 in Kaper's East Subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said River Pointe Subdivision recorded May 6, 1992 as document number 92R024749, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 06 minutes 06 seconds East along the east line of said Lot 1, a distance of 37.18 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 702.82 feet; thence South 53 degrees 08 minutes 32 seconds West, a distance of 69.22 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 188.86 feet to a south line of said Lot 1; thence South 88 degrees 55 minutes 17 seconds West along a south line of said Lot 1, a distance of 36.46 feet to the west line of Lot 1; thence North 1 degree 22 minutes 56 seconds West along the west line of said Lot 1, a distance of 169.25 feet to the easterly right of way line of Randall Road recorded April 7, 2003 as docu-

ment number 2003R0044153; thence North 11 degrees 32 minutes 05 seconds East along the said easterly right of way line of Randall Road, a distance of 48.39 feet to the southeasterly right of way line of Algonquin Road recorded April 7, 2003 as document number 2003R0044153; thence North 53 degrees 08 minutes 32 seconds East along the said southeasterly right of way line of Algonquin Road, a distance of 54.21 feet to the south right of way line of said Algonquin Road; thence South 89 degrees 54 minutes 57 seconds East along the said south right of way line of Algonquin Road, a distance of 549.97 feet to an angle point on said south right of way line; thence North 0 degrees 05 minutes 03 seconds East along said right of way line, a distance of 20.71 feet (20.00 feet, recorded) to the north line of said Lot 1; thence South 89 degrees 57 minutes 40 seconds East along the north line of said Lot 1, a distance of 193.66 feet to the point of beginning.

Said parcel containing 0.609 acre, more or less.

That part of Lot 1, except that part conveyed the County of McHenry, a body politic, by trustee's deed recorded April 7, 2003 as document number 2003R0044153, in River Pointe Subdivision, being a resubdivision of Lots 1 and 6 in Kaper's East Subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said River Pointe Subdivision recorded May 6, 1992 as document number 92R024749, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 1 degree 04 minutes 41 seconds West along the west line of said Lot 1, a distance of 5.81 feet (5.86 feet, recorded) to an angle point on said west line of Lot 1; thence North 1 degree 22 minutes 56 seconds West along the west line of said Lot 1, a distance of 60.19 feet (60.15 feet, recorded) to a north line of Lot 1; thence North 88 degrees 54 minutes 45 seconds East along a north line of said Lot 1, a distance of 32.44 feet to the point of beginning; thence South 0 degrees 24 minutes 03 seconds East, a distance of 66.00 feet to the south line of said Lot 1; thence North 88 degrees 54 minutes 45 seconds East along the south line of said Lot 1, a distance of 35.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 66.00 feet to a north line of said Lot 1; thence South 88 degrees 54 minutes 45 seconds West along a north line of said Lot 1, a distance of 35.00 feet to the point of beginning.

Said temporary easement containing 0.053 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 1, except that part conveyed the County of McHenry, a body politic, by trustee's deed recorded April 7, 2003 as document number 2003R0044153, in River Pointe Subdivision, being a resubdivision of Lots 1 and 6 in Kaper's East Subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said River Pointe Subdivision recorded May 6, 1992 as document number 92R024749, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 06 minutes 06 seconds East along the east line of said Lot 1, a distance of 37.18 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 702.82 feet; thence South 53 degrees 08 minutes 32 seconds West, a distance of 56.79 feet to the point of beginning; thence continuing South 53 degrees 08 minutes 32 seconds West, a distance of 12.43 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 188.86 feet to a south line of said Lot 1; thence North 88 degrees 55 minutes 17 seconds East along a south line of said Lot 1, a distance of 10.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 196.12 feet to the point of beginning.

Said temporary easement containing 0.044 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 1, except that part conveyed the County of McHenry, a body politic, by trustee's deed recorded April 7, 2003 as document number 2003R0044153, in River Pointe Subdivision, being a resubdivision of Lots 1 and 6 in Kaper's East Subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said River Pointe Subdivision recorded May 6, 1992 as document number 92R024749, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 06 minutes 06 seconds East along the east line of said Lot 1, a distance of 37.18 feet to the point of beginning; thence South 89 degrees 56 minutes 44 seconds West, a distance of 702.82 feet; thence South 53 degrees 08 minutes 32 seconds West, a distance of 33.38 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 92.13 feet; thence South 0 degrees 03 minutes 16 seconds East, a distance of 15.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 106.31 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of

25.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 174.66 feet; thence South 0 degrees 00 minutes 00 seconds East, a distance of 15.00 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 98.61 feet; thence North 0 degrees 00 minutes 00 seconds East, a distance of 15.09 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 184.92 feet; thence South 0 degrees 03 minutes 16 seconds East, a distance of 25.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 73.56 feet to the east line of said Lot 1; thence North 1 degree 06 minutes 06 seconds West along the east line of said Lot 1, a distance of 35.01 feet to the point of beginning.

Said temporary easement containing 0.320 acre, more or less.

Said temporary easement to be used for grading, parking lot and driveway construction purposes.

That part of Lot 2 in Kaper's West Subdivision, being a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 6, 1992 as document number 92R042897, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 88 degrees 53 minutes 12 seconds West along the south line of said Lot 2, a distance of 33.84 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 287.36 feet to the north line of said Lot 2; thence South 89 degrees 59 minutes 52 seconds East along the north line of said Lot 2, a distance of 28.39 feet to the northeast corner of Lot 2; thence South 1 degree 29 minutes 18 seconds East along the east line of said Lot 2, a distance of 286.79 feet (286.85 feet, recorded) to the point of beginning.

Said parcel containing 0.205 acre, more or less.

That part of Lot 2 in Kaper's West Subdivision, being a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 6, 1992 as document number 92R042897, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 88 degrees 53 minutes 12 seconds West along the south line of said Lot 2, a distance of 33.84 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 287.36 feet to the north line of said Lot 2; thence North 89 degrees 59 minutes 52 seconds West along the north line of said Lot 2, a distance of 40.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 40.77 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 30.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 227.38 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 32.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 20.03 feet to the south line of said Lot 2; thence North 88 degrees 53 minutes 12 seconds East along the south line of said Lot 2, a distance of 42.00 feet to the point of beginning.

Said temporary easement containing 0.109 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 2 in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded February 28, 1989 as document number 89R005770, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 88 degrees 55 minutes 17 seconds East along the north line of said Lot 2, a distance of 36.46 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 235.02 feet to the south line of said Lot 2; thence South 88 degrees 54 minutes 45 seconds West along the south line of said Lot 2, a distance of 32.44 feet to the southwest corner of Lot 2; thence North 1 degree 22 minutes 56 seconds West along the west line of said Lot 2, a distance of 235.01 feet to the point of beginning.

Said parcel containing 0.186 acre, more or less.

That part of Lot 2 in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded February 28, 1989 as document number 89R005770, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 88 degrees 55 minutes 17 seconds East along the north line of said Lot 2, a distance of 36.46 feet to the point of beginning; thence South 0 degrees 24 minutes 03 seconds East, a distance of 235.02 feet to the south line of said Lot 2; thence North 88 degrees 54 minutes 45 seconds East along the south line of said Lot 2, a distance of 35.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 19.81 feet;

thence South 89 degrees 35 minutes 57 seconds West, a distance of 25.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 214.90 feet to the north line of said Lot 2; thence South 88 degrees 55 minutes 17 seconds West along the north line of said Lot 2, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.065 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by trustee's deed recorded July 24, 2000 as document number 2000R0039474 and also except that part of Lot 1 conveyed to the County of McHenry by warranty deed recorded April 10, 2008 as document number 2008R0020772, in Montero's Subdivision, being a resubdivision of Lot 4 in Eagle Commercial Center, a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Montero's Subdivision recorded February 1, 1996 as document number 96R005406 and corrected by certificates of correction recorded February 27, 1996 as document number 96R009437 and recorded March 20, 1996 as document number 96R013391, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 06 minutes 33 seconds East along the east line of said Lot 1, a distance of 18.40 feet to the southerly right of way line of Algonquin Road recorded July 24, 2000 as document number 2000R0039474 and the point of beginning; thence continuing South 0 degrees 06 minutes 33 seconds East along the east line of said Lot 1, a distance of 15.16 feet to the southerly right of way line of Algonquin Road recorded April 10, 2008 as document number 2008R0020772; thence North 85 degrees 46 minutes 02 seconds West along the said southerly right of way line of Algonquin Road recorded as document number 2008R0020772, a distance of 161.94 feet (162.34 feet, recorded) to the west line of said Lot 1; thence North 0 degrees 06 minutes 24 seconds West along the west line of said Lot 1, a distance of 16.64 feet to the said southerly right of way line of Algonquin Road recorded as document number 2000R0039474; thence South 85 degrees 14 minutes 54 seconds East along the said southerly right of way line of Algonquin Road recorded as document number 2000R0039474, a distance of 162.06 feet (162.34 feet, recorded) to the point of beginning.

Said parcel containing 0.059 acre, more or less.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by trustee's deed recorded July 24, 2000 as document number 2000R0039474 and also except that part of Lot 1 conveyed to the County of McHenry by warranty deed recorded April 10, 2008 as document number 2008R0020772, in Montero's Subdivision, being a resubdivision of Lot 4 in Eagle Commercial Center, a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Montero's Subdivision recorded February 1, 1996 as document number 96R005406 and corrected by certificates of correction recorded February 27, 1996 as document number 96R009437 and recorded March 20, 1996 as document number 96R013391, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 06 minutes 33 seconds East along the east line of said Lot 1, a distance of 33.56 feet to the south right of way line of Algonquin Road recorded April 10, 2008 as document number 2008R0020772 and the point of beginning; thence continuing South 0 degrees 06 minutes 33 seconds East along the east line of said Lot 1, a distance of 8.97 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 161.48 feet to the west line of said Lot 1; thence North 0 degrees 06 minutes 24 seconds West along the west line of said Lot 1, a distance of 6.14 feet to the said south right of way line of Algonquin Road; thence North 88 degrees 56 minutes 36 seconds East along the said south right of way line of Algonquin Road, a distance of 161.50 feet (161.22 feet, recorded) to the point of beginning;

Said parcel containing 0.028 acre, more or less.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by trustee's deed recorded July 24, 2000 as document number 2000R0039474 and also except that part of Lot 1 conveyed to the County of McHenry by warranty deed recorded April 10, 2008 as document number 2008R0020772, in Montero's Subdivision, being a resubdivision of Lot 4 in Eagle Commercial Center, a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Montero's Subdivision recorded February 1, 1996 as document number 96R005406 and corrected by certificates of correction recorded February 27, 1996 as document number 96R009437 and recorded March 20, 1996 as document number 96R013391, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 06 minutes 33 seconds East along the east line of said

Lot 1, a distance of 33.56 feet to the south right of way line of Algonquin Road recorded April 10, 2008 as document number 2008R0020772; thence continuing South 0 degrees 06 minutes 33 seconds East along the east line of said Lot 1, a distance of 8.97 feet to the point of beginning; thence South 89 degrees 56 minutes 44 seconds West, a distance of 161.48 feet to the west line of said Lot 1; thence South 0 degrees 06 minutes 24 seconds East along the west line of said Lot 1, a distance of 12.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 161.48 feet to the east line of said Lot 1; thence North 0 degrees 06 minutes 33 seconds West along the east line of said Lot 1, a distance of 12.00 feet to the point of beginning;

Said temporary easement containing 0.044 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 1 in Resubdivision of Lot 1 - Eagle Commercial Center, being a subdivision of part of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 30, 1995 as document number 95R052639 and corrected by affidavits recorded July 11, 1996 as document number 96R035878 and recorded December 17, 1996 as document number 96R063597, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 58 minutes 48 seconds East along the east line of said Lot 1, a distance of 28.90 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 94.33 feet; thence South 0 degrees 00 minutes 00 seconds East, a distance of 6.41 feet; thence North 90 degrees 00 minutes 00 seconds West, a distance of 69.42 feet; thence North 0 degrees 00 minutes 00 seconds East, a distance of 15.17 feet; thence South 89 degrees 11 minutes 30 seconds West, a distance 216.28 feet to the west line of said Lot 1; thence North 1 degree 30 minutes 47 seconds West along the west line of said Lot 1, a distance of 23.35 feet to the northwest corner of Lot 1; thence South 89 degrees 59 minutes 28 seconds East along the north line of said Lot 1, a distance of 380.14 feet (380.19 feet, recorded) to the point of beginning.

Said parcel containing 0.227 acre, more or less.

That part of Lot 1 in Resubdivision of Lot 1 - Eagle Commercial Center, being a subdivision of part of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 30, 1995 as document number 95R052639 and corrected by affidavits recorded July 11, 1996 as document number 96R035878 and recorded December 17, 1996 as document number 96R063597, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 58 minutes 48 seconds East along the east line of said Lot 1, a distance of 28.90 feet to the point of beginning; thence South 89 degrees 56 minutes 44 seconds West, a distance of 94.33 feet; thence South 0 degrees 00 minutes 00 seconds East, a distance of 6.41 feet; thence North 90 degrees 00 minutes 00 seconds West, a distance of 69.42 feet; thence North 0 degrees 00 minutes 00 seconds East, a distance of 15.17 feet; thence South 89 degrees 11 minutes 30 seconds West, a distance 216.28 feet to the west line of said Lot 1; thence South 1 degree 30 minutes 47 seconds East along the west line of said Lot 1, a distance of 56.12 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 34.77 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 30.16 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 344.13 feet to the east line of said Lot 1; thence North 0 degrees 58 minutes 48 seconds West along the east line of said Lot 1, a distance of 20.00 feet to the point of beginning.

Said temporary easement containing 0.225 acre, more or less.

Said temporary easement to be used for grading and parking lot construction purposes.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by special warranty deed recorded February 26, 2001 as document number 2001R0010880, in Kaper's West Subdivision, being a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 6, 1992 as document number 92R042897, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 59 minutes 52 seconds West along the south line of said Lot 1, a distance of 28.39 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 144.19 feet; thence North 41 degrees 13 minutes 58 seconds West, a distance of 76.89 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 133.22 feet to the west line of said Lot 1; thence North 1 degree 29 minutes 39 seconds West along the west line of said Lot 1, a distance of 8.05 feet to the south right of way line of Algonquin Road recorded February 26, 2001 as document number 2001R0010880; thence South 89 degrees 59 minutes 28 seconds East along the said south right of way line of Algonquin Road, a distance of 152.35 feet (152.37

feet, recorded) to the northeasterly line of said Lot 1; thence South 42 degrees 40 minutes 15 seconds East along the northeasterly line of said Lot 1, a distance of 84.56 feet to the east line of Lot 1; thence South 1 degree 29 minutes 18 seconds East along the east line of said Lot 1, a distance of 147.77 feet (147.80 feet, recorded) to the point of beginning.

Said parcel containing 0.154 acre, more or less.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by special warranty deed recorded February 26, 2001 as document number 2001R0010880, in Kaper's West Subdivision, being a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 6, 1992 as document number 92R042897, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 59 minutes 52 seconds West along the south line of said Lot 1, a distance of 28.39 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 144.19 feet; thence North 41 degrees 13 minutes 58 seconds West, a distance of 55.46 feet to the point of beginning; thence continuing North 41 degrees 13 minutes 58 seconds West, a distance of 21.43 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 133.22 feet to the west line of said Lot 1; thence South 1 degree 29 minutes 39 seconds East along the west line of said Lot 1, a distance of 12.56 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 125.35 feet to a point of curvature; thence easterly 10.22 feet along a curve to the right having a radius of 48.02 feet, the chord of said curve bears South 83 degrees 57 minutes 29 seconds East, 10.20 feet to a point of tangency; thence South 77 degrees 51 minutes 42 seconds East, a distance of 11.78 feet to the point of beginning.

Said permanent easement containing 0.041 acre, more or less.

Said permanent easement to be used for highway purposes.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by special warranty deed recorded February 26, 2001 as document number 2001R0010880, in Kaper's West Subdivision, being a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 6, 1992 as document number 92R042897, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 59 minutes 52 seconds West along the south line of said Lot 1, a distance of 28.39 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 144.19 feet; thence North 41 degrees 13 minutes 58 seconds West, a distance of 15.29 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 106.76 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 30.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 48.90 feet to the south line of said Lot 1; thence South 89 degrees 59 minutes 52 seconds East along the south line of said Lot 1, a distance of 40.00 feet to the point of beginning.

Said temporary easement containing 0.068 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by special warranty deed recorded February 26, 2001 as document number 2001R0010880, in Kaper's West Subdivision, being a subdivision of the East Half of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded August 6, 1992 as document number 92R042897, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 59 minutes 52 seconds West along the south line of said Lot 1, a distance of 28.39 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 144.19 feet; thence North 41 degrees 13 minutes 58 seconds West, a distance of 49.56 feet to the point of beginning; thence South 89 degrees 56 minutes 44 seconds West, a distance of 150.69 feet to the west line of said Lot 1; thence North 1 degree 29 minutes 39 seconds West along the west line of said Lot 1, a distance of 8.01 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 125.35 feet to a point of curvature; thence easterly 10.22 feet along a curve to the right having a radius of 48.02 feet, the chord of said curve bears South 83 degrees 57 minutes 29 seconds East, 10.20 feet to a point of tangency; thence South 77 degrees 51 minutes 42 seconds East, a distance of 11.78 feet; thence South 41 degrees 13 minutes 58 seconds East, a distance of 5.90 feet to the point of beginning.

Said temporary easement containing 0.027 acre, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 1 in Oakridge Business Center, being a resubdivision of Lot 7 and that part of vacated Crystal Lake Road adjacent to said Lot 7 lying North of the south line extended East, in

Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Oakridge Business Center recorded September 15, 1998 as document number 1998R0061102, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 57 minutes 40 seconds East along the north line of said Lot 1, a distance of 177.11 feet (177.13 feet, recorded) to the northeast corner of Lot 1; thence South 0 degrees 01 minute 48 seconds West along the east line of said Lot 1, a distance of 21.88 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 176.67 feet to the west line of said Lot 1; thence North 1 degree 06 minutes 06 seconds West along the west line of said Lot 1, a distance of 22.18 feet to the point of beginning.

Said parcel containing 0.089 acre, more or less.

That part of Lot 1 in Oakridge Business Center, being a resubdivision of Lot 7 and that part of vacated Crystal Lake Road adjacent to said Lot 7 lying North of the south line extended East, in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Oakridge Business Center recorded September 15, 1998 as document number 1998R0061102, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 57 minutes 40 seconds East along the north line of said Lot 1, a distance of 177.11 feet (177.13 feet, recorded) to the northeast corner of Lot 1; thence South 0 degrees 01 minute 48 seconds West along the east line of said Lot 1, a distance of 21.88 feet to the point of beginning; thence South 89 degrees 56 minutes 44 seconds West, a distance of 176.67 feet to the west line of said Lot 1; thence South 1 degree 06 minutes 06 seconds East along the west line of said Lot 1, a distance of 6.86 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 145.33 feet; thence South 0 degrees 00 minutes 00 seconds East, a distance of 25.00 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 31.19 feet to the east line of said Lot 1; thence North 0 degrees 01 minutes 48 seconds East along the east line of said Lot 1, a distance of 32.02 feet to the point of beginning.

Said temporary easement containing 0.046 acre, more or less.

Said temporary easement to be used for grading and parking lot construction purposes.

That part of Lot 2 in Oakridge Business Center, being a resubdivision of Lot 7 and that part of vacated Crystal Lake Road adjacent to said Lot 7 lying North of the south line extended East, in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Oakridge Business Center recorded September 15, 1998 as document number 1998R0061102, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 01 minute 46 seconds West along the east line of said Lot 2, a distance of 21.65 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 140.68 feet to the west line of said Lot 2; thence North 0 degrees 01 minute 48 seconds East along the west line of said Lot 2, a distance of 21.88 feet to the northwest corner of Lot 2; thence South 89 degrees 57 minutes 40 seconds East along the north line of said Lot 2, a distance of 140.68 feet (140.70 feet, recorded) to the point of beginning.

Said parcel containing 0.070 acre, more or less.

That part of Lot 2 in Oakridge Business Center, being a resubdivision of Lot 7 and that part of vacated Crystal Lake Road adjacent to said Lot 7 lying North of the south line extended East, in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Oakridge Business Center recorded September 15, 1998 as document number 1998R0061102, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 01 minute 46 seconds West along the east line of said Lot 2, a distance of 21.65 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 67.72 feet to the point of beginning; thence South 0 degrees 00 minutes 00 seconds East, a distance of 32.10 feet; thence North 90 degrees 00 minutes 00 seconds West, a distance of 72.98 feet to the west line of said Lot 2; thence North 0 degrees 01 minute 48 seconds East along the west line of said Lot 2, a distance of 32.02 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 72.96 feet to the point of beginning.

Said temporary easement containing 0.054 acre, more or less.

Said temporary easement to be used for grading, driveway and parking lot construction.

That part of Lot 3 in Oakridge Business Center, being a resubdivision of Lot 7 and that part of vacated Crystal Lake Road adjacent to said Lot 7 lying North of the south line extended East, in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Oakridge Business Center recorded September 15, 1998 as document number 1998R0061102, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 42 minutes 22 seconds West along the east line of said Lot 3, a distance of 21.36 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 183.76 feet to the west line of said Lot 3; thence North 0 degrees 01 minute 46 seconds East along the west line of said Lot 3, a distance of 21.65 feet to the northwest corner of Lot 3; thence South 89 degrees 57 minutes 40 seconds East along the north line of said Lot 3, a distance of 184.38 feet (184.40 feet, recorded) to the point of beginning.

Said parcel containing 0.091 acre, more or less.

That part of Lot 3 in Oakridge Business Center, being a resubdivision of Lot 7 and that part of vacated Crystal Lake Road adjacent to said Lot 7 lying North of the south line extended East, in Kaper's East Subdivision, being a subdivision of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Oakridge Business Center recorded September 15, 1998 as document number 1998R0061102, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 42 minutes 22 seconds West along the east line of said Lot 3, a distance of 21.36 feet to the point of beginning; thence South 89 degrees 56 minutes 44 seconds West, a distance of 67.41 feet; thence South 0 degrees 03 minutes 16 seconds East, a distance of 59.60 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 24.76 feet; thence South 0 degrees 03 minutes 16 seconds East, a distance of 143.35 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 36.42 feet to the east line of said Lot 3; thence North 1 degree 42 minutes 22 seconds East along the east line of said Lot 3, a distance of 203.05 feet to the point of beginning.

Said temporary easement containing 0.218 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of the Southeast Quarter of the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at a point on the west right of way line of Randall Road recorded October 31, 1969 as document number 516648, said point being 1979.91 feet (1980.02 feet, recorded) South of the north line of the Northeast Quarter of said Section 30, being also the southeast corner of Lot 1 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 40 minutes 50 seconds West along the south line of Lot 1 in said Govnors Subdivision, a distance of 502.96 feet to a point of intersection with the Northerly extension of the east line of a special warranty deed recorded October 16, 2001 as document 2001R0077343; thence South 0 degrees 15 minutes 16 seconds East along the east line of said special warranty deed and along the Northerly extension thereof, a distance of 567.70 feet to the point of beginning; thence continuing South 0 degrees 15 minutes 16 seconds East along the east line of the grantor according to said special warranty deed, a distance of 20.08 feet to the north right of way line of Algonquin Road recorded August 20, 1999 as document number 1999R0059231; thence South 89 degrees 38 minutes 26 seconds West along the said north right of way line of Algonquin Road, a distance of 318.62 feet to the northerly right of way line of Algonquin Road recorded November 16, 2006 as document number 2006R0084532; thence North 87 degrees 05 minutes 48 seconds West along the said northerly right of way line of Algonquin Road, a distance of 173.29 feet (172.76 feet, recorded) to the west line of the grantor according to said special warranty deed; thence North 0 degrees 07 minutes 52 seconds East along the west line of the grantor according to said special warranty deed, a distance of 12.84 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 491.57 feet to the point of beginning.

Said parcel containing 0.222 acre, more or less.

That part of the Southeast Quarter of the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at a point on the west right of way line of Randall Road recorded October 31, 1969 as document number 516648, said point being 1979.91 feet (1980.02 feet, recorded) South of the north line of the Northeast Quarter of said Section 30, being also

the southeast corner of Lot 1 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 40 minutes 50 seconds West along the south line of Lot 1 in said Govnors Subdivision, a distance of 502.96 feet to a point of intersection with the Northerly extension of the east line of a special warranty deed recorded October 16, 2001 as document 2001R0077343; thence South 0 degrees 15 minutes 16 seconds East along the east line of said special warranty deed and along the Northerly extension thereof, a distance of 587.78 feet to the north right of way line of Algonquin Road recorded August 20, 1999 as document number 1999R0059231; thence South 89 degrees 38 minutes 26 seconds West along the said north right of way line of Algonquin Road, a distance of 318.62 feet to the northerly right of way line of Algonquin Road recorded November 16, 2006 as document number 2006R0084532; thence North 87 degrees 05 minutes 48 seconds West along the said northerly right of way line of Algonquin Road, a distance of 173.29 feet (172.76 feet, recorded) to the west line of the grantor according to said special warranty deed; thence North 0 degrees 07 minutes 52 seconds East along the west line of the grantor according to said special warranty deed, a distance of 12.84 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 335.39 feet to the point of beginning; thence continuing North 89 degrees 56 minutes 44 seconds East, a distance of 120.00 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 50.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 120.00 feet; thence South 0 degrees 03 minutes 16 seconds East, a distance of 50.00 feet to the point of beginning.

Said temporary easement containing 0.138 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of the Southeast Quarter of the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at a point on the west right of way line of Randall Road recorded October 31, 1969 as document number 516648, said point being 1979.91 feet (1980.02 feet, recorded) South of the north line of the Northeast Quarter of said Section 30, being also the southeast corner of Lot 1 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624 and the northeast corner of trustee's deed and deed in trust recorded October 17, 1994 as document number 94R059510; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along the said west right of way line of Randall Road, a distance of 542.00 feet to the northwesterly right of way line of Algonquin Road according to Judgment Order, Case Number 00 ED 9, filed April 22, 2003 in the Circuit Court of the Nineteenth Judicial Circuit, McHenry County, Illinois; thence South 63 degrees 24 minutes 49 seconds West along the said northwesterly right of way line of Algonquin Road, a distance of 82.45 feet (82.05 feet, recorded) to the north right of way line of Algonquin Road; thence South 89 degrees 38 minutes 26 seconds West along the north right of way line of Algonquin Road according to said Judgment Order, Case Number 00 ED 9, a distance of 161.98 feet to an angle point on said north right of way line; thence South 0 degrees 21 minutes 34 seconds East, a distance of 9.00 feet to an angle point on the north right of way line of Algonquin Road; thence South 89 degrees 38 minutes 26 seconds West along the north right of way line of Algonquin Road according to said Judgment Order, Case Number 00 ED 9, a distance of 268.47 feet to west line of the grantor according to said trustee's deed and deed in trust recorded October 17, 1994 as document number 94R059510; thence North 0 degrees 15 minutes 16 seconds West along the west line of the grantor according to said trustee's deed and deed in trust, a distance of 18.08 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 228.82 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 3.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 191.00 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 16.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 29.00 feet; thence North 42 degrees 08 minutes 13 seconds East, a distance of 26.57 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 395.00 feet; thence North 89 degrees 35 minutes 57 seconds East, a distance of 17.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 138.15 feet to the north line of the grantor according to said trustee's deed and deed in trust; thence North 89 degrees 40 minutes 50 seconds East along the north line of the grantor according to said trustee's deed and deed in trust, a distance of 20.53 feet to the point of beginning.

Said parcel containing 0.591 acre, more or less.

That part of the Southeast Quarter of the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at a point on the west right of way line of Randall Road recorded October 31, 1969 as document number 516648, said point being 1979.91 feet (1980.02 feet, recorded) South of the north line of the Northeast Quarter of said Section 30, being also the southeast corner of Lot 1 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624 and the north-

east corner of trustee's deed and deed in trust recorded October 17, 1994 as document number 94R059510; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along the said west right of way line of Randall Road, a distance of 542.00 feet to the northwesterly right of way line of Algonquin Road according to Judgment Order, Case Number 00 ED 9, filed April 22, 2003 in the Circuit Court of the Nineteenth Judicial Circuit, McHenry County, Illinois; thence South 63 degrees 24 minutes 49 seconds West along the said northwesterly right of way line of Algonquin Road, a distance of 82.45 feet (82.05 feet, recorded) to the north right of way line of Algonquin Road; thence South 89 degrees 38 minutes 26 seconds West along the north right of way line of Algonquin Road according to said Judgment Order, Case Number 00 ED 9, a distance of 161.98 feet to an angle point on said north right of way line; thence South 0 degrees 21 minutes 34 seconds East, a distance of 9.00 feet to an angle point on the north right of way line of Algonquin Road; thence South 89 degrees 38 minutes 26 seconds West along the north right of way line of Algonquin Road according to said Judgment Order, Case Number 00 ED 9, a distance of 268.47 feet to west line of the grantor according to said trustee's deed and deed in trust recorded October 17, 1994 as document number 94R059510; thence North 0 degrees 15 minutes 16 seconds West along the west line of the grantor according to said trustee's deed and deed in trust, a distance of 18.08 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 183.82 feet to the point of beginning; thence continuing North 89 degrees 56 minutes 44 seconds East, a distance of 45.00 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 3.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 9.00 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 19.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 54.00 feet; thence South 0 degrees 03 minutes 16 seconds East, a distance of 22.00 feet to the point of beginning.

Said temporary easement containing 0.027 acre, more or less.

Said temporary easement to be used for driveway construction purposes.

That part of the Southeast Quarter of the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at a point on the west right of way line of Randall Road recorded October 31, 1969 as document number 516648, said point being 1979.91 feet (1980.02 feet, recorded) South of the north line of the Northeast Quarter of said Section 30, being also the southeast corner of Lot 1 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624 and the northeast corner of trustee's deed and deed in trust recorded October 17, 1994 as document number 94R059510; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along the said west right of way line of Randall Road, a distance of 542.00 feet to the northwesterly right of way line of Algonquin Road according to Judgment Order, Case Number 00 ED 9, filed April 22, 2003 in the Circuit Court of the Nineteenth Judicial Circuit, McHenry County, Illinois; thence South 63 degrees 24 minutes 49 seconds West along the said northwesterly right of way line of Algonquin Road, a distance of 82.45 feet (82.05 feet, recorded) to the north right of way line of Algonquin Road; thence South 89 degrees 38 minutes 26 seconds West along the north right of way line of Algonquin Road according to said Judgment Order, Case Number 00 ED 9, a distance of 161.98 feet to an angle point on said north right of way line; thence South 0 degrees 21 minutes 34 seconds East, a distance of 9.00 feet to an angle point on the north right of way line of Algonquin Road; thence South 89 degrees 38 minutes 26 seconds West along the north right of way line of Algonquin Road according to said Judgment Order, Case Number 00 ED 9, a distance of 268.47 feet to west line of the grantor according to said trustee's deed and deed in trust recorded October 17, 1994 as document number 94R059510; thence North 0 degrees 15 minutes 16 seconds West along the west line of the grantor according to said trustee's deed and deed in trust, a distance of 18.08 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 228.82 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 3.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 173.00 feet to the point of beginning; thence continuing North 89 degrees 56 minutes 44 seconds East, a distance of 18.00 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 16.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 29.00 feet; thence North 42 degrees 08 minutes 13 seconds East, a distance of 26.57 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 395.00 feet; thence North 89 degrees 35 minutes 57 seconds East, a distance of 17.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 138.15 feet to the north line of the grantor according to said trustee's deed and deed in trust; thence South 89 degrees 40 minutes 50 seconds West along the north line of the grantor according to said trustee's deed and deed in trust, a distance of 20.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 63.01 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 18.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 86.84 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 11.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 379.36 feet; thence South 42 degrees 08 minutes 13 seconds West,

a distance of 27.69 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 36.22 feet; thence South 0 degrees 03 minutes 16 seconds East, a distance of 19.00 feet to the point of beginning.

Said temporary easement containing 0.203 acre, more or less.

Said temporary easement to be used for grading, driveway and parking lot construction purposes.

That part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southwest corner of the Northwest Quarter of said Section 29; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 0 degrees 13 minutes 26 seconds West along the west line of the Northwest Quarter of said Section 29, a distance of 82.82 feet to the northeasterly right of way line of Algonquin Road recorded October 17, 2002 as document number 2002R0093574 and the point of beginning; thence continuing North 0 degrees 13 minutes 26 seconds West along the west line of the Northwest Quarter of said Section 29, a distance of 152.17 feet to a point of intersection with the Westerly extension of the south line of Lot 5 in The Centre at Lake in the Hills, according to the plat thereof recorded November 8, 1996 as document number 96R057546, being also the northwest corner of the grantor; thence South 89 degrees 54 minutes 57 seconds East along the south line of Lot 5 in said The Centre at Lake in the Hills and along the Westerly extension thereof, being also the north line of the grantor, a distance of 30.78 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 108.07 feet; thence South 21 degrees 11 minutes 16 seconds East, a distance of 48.34 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 151.58 feet to a west line of Lot 1 in said The Centre at Lake in Hills, being also the east line of the grantor; thence South 0 degrees 13 minutes 26 seconds East along a west line of Lot 1 in said The Centre at Lake in the Hills, being also the east line of the grantor, a distance of 17.24 feet to the north right of way line of Algonquin Road recorded October 17, 2002 as document number 2002R0093574; thence North 89 degrees 54 minutes 57 seconds West along the said north right of way line of Algonquin Road, a distance of 181.86 feet (182.15 feet, recorded) to the said northeasterly right of way line of Algonquin Road; thence North 45 degrees 33 minutes 26 seconds West along the said northeasterly right of way line of Algonquin Road, a distance of 25.48 feet to the point of beginning.

Said parcel containing 0.192 acre, more or less.

That part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southwest corner of the Northwest Quarter of said Section 29; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 0 degrees 13 minutes 26 seconds West along the west line of the Northwest Quarter of said Section 29, a distance of 82.82 feet to the northeasterly right of way line of Algonquin Road recorded October 17, 2002 as document number 2002R0093574; thence continuing North 0 degrees 13 minutes 26 seconds West along the west line of the Northwest Quarter of said Section 29, a distance of 152.17 feet to a point of intersection with the Westerly extension of the south line of Lot 5 in The Centre at Lake in the Hills, according to the plat thereof recorded November 8, 1996 as document number 96R057546, being also the northwest corner of the grantor; thence South 89 degrees 54 minutes 57 seconds East along the south line of Lot 5 in said The Centre at Lake in the Hills and along the Westerly extension thereof, being also the north line of the grantor, a distance of 30.78 feet to the point of beginning; thence South 0 degrees 24 minutes 03 seconds East, a distance of 108.07 feet; thence South 21 degrees 11 minutes 16 seconds East, a distance of 48.34 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 151.58 feet to a west line of Lot 1 in said The Centre at Lake in Hills, being also the east line of the grantor; thence North 0 degrees 13 minutes 26 seconds West along a west line of Lot 1 in said The Centre at Lake in the Hills, being also the east line of the grantor, a distance of 120.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 5.49 feet; thence South 0 degrees 13 minutes 26 seconds East, a distance of 110.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 143.27 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 133.97 feet; thence South 89 degrees 54 minutes 57 seconds East, a distance of 15.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 9.14 feet to the south line of Lot 5 in said The Centre at Lake in the Hills, being also the north line of the grantor; thence North 89 degrees 54 minutes 57 seconds West along the south line of Lot 5 in said The Centre at Lake in the Hills, being also the north line of the grantor, a distance of 35.00 feet to the point of beginning.

Said temporary easement containing 0.113 acre, more or less.

Said temporary easement to be used for grading, driveway and parking lot construction purposes.

That part of Lots 1 and 2, except that part of Lot 1 conveyed to the County of McHenry by warranty deed recorded February 17, 2000 as document number 2000R0008642, in The Centre of Lake in the Hills, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian,

according to the plat thereof recorded November 8, 1996 as document number 96R057546, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 54 minutes 57 seconds West along the south line of said Lots 1 and 2, a distance of 523.09 feet to the east right of way line of Algonquin Road according to warranty deed recorded February 17, 2000 as document number 2000R0008642; thence North 0 degrees 04 minutes 53 seconds East along the said east right of way line of Algonquin Road, a distance of 10.00 feet to the north right of way line of Algonquin Road according to said warranty deed; thence North 89 degrees 54 minutes 57 seconds West along the said north right of way line of Algonquin Road, a distance of 191.44 feet (191.50 feet, recorded) to a west line of said Lot 1; thence North 0 degrees 13 minutes 26 seconds West along a west line of said Lot 1, a distance of 7.24 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 608.74 feet; thence North 0 degrees 01 minute 56 seconds East, a distance of 15.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 106.02 feet to the east line of said Lot 1; thence South 0 degrees 22 minutes 43 seconds West along the east line of said Lot 1, a distance of 33.97 feet to the point of beginning.

Said parcel containing 0.290 acre, more or less.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by warranty deed recorded February 17, 2000 as document number 2000R0008642, in The Centre of Lake in the Hills, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 8, 1996 as document number 96R057546, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the most westerly corner of said Lot 1, being also the southwest corner of Lot 1 in The Centre Resubdivision, according to the plat thereof recorded January 14, 1998 as document number 98R002400; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 46 minutes 40 seconds East along a north line of said Lot 1, being also the south line of Lot 1 in said The Centre Resubdivision, a distance of 19.45 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 35.00 feet to a south line of said Lot 1, being also the north line of Lot 4 in said The Centre of Lake in the Hills; thence South 89 degrees 46 minutes 40 seconds West along a south line of said Lot 1, being also the north line of Lot 4 in said The Centre of Lake in the Hills, a distance of 19.56 feet to the west line of Lot 1; thence North 0 degrees 13 minutes 26 seconds West along the west line of said Lot 1, a distance of 35.00 feet to the point of beginning.

Said parcel containing 0.016 acre, more or less.

That part of Lots 1 and 2, except that part of Lot 1 conveyed to the County of McHenry by warranty deed recorded February 17, 2000 as document number 2000R0008642, in The Centre of Lake in the Hills, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 8, 1996 as document number 96R057546, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 54 minutes 57 seconds West along the south line of said Lots 1 and 2, a distance of 523.09 feet to the east right of way line of Algonquin Road according to warranty deed recorded February 17, 2000 as document number 2000R0008642; thence North 0 degrees 04 minutes 53 seconds East along the said east right of way line of Algonquin Road, a distance of 10.00 feet to the north right of way line of Algonquin Road according to said warranty deed; thence North 89 degrees 54 minutes 57 seconds West along the said north right of way line of Algonquin Road, a distance of 191.44 feet (191.50 feet, recorded) to a west line of said Lot 1; thence North 0 degrees 13 minutes 26 seconds West along a west line of said Lot 1, a distance of 7.24 feet to the point of beginning; thence North 89 degrees 56 minutes 44 seconds East, a distance of 608.74 feet; thence North 0 degrees 01 minute 56 seconds East, a distance of 15.00 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 106.02 feet to the east line of said Lot 1; thence North 0 degrees 22 minutes 43 seconds East along the east line of said Lot 1, a distance of 15.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 106.02 feet; thence South 0 degrees 39 minutes 20 seconds West, a distance of 10.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 259.52 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 115.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 95.00 feet; thence South 0 degrees 03 minutes 16 seconds East, a distance of 115.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 175.00 feet; thence North 0 degrees 03 minutes 16 seconds West, a distance of 110.00 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 79.61 feet to a west line of said Lot 1; thence South 0 degrees 13 minutes 26 seconds East along a west line of said Lot 1, a distance of 130.00 feet to the point of beginning.

Said temporary easement containing 0.768 acre, more or less.

Said temporary easement to be used for grading, driveway and parking lot construction purposes.

That part of Lot 1, except that part of Lot 1 conveyed to the County of McHenry by warranty deed recorded February 17, 2000 as document number 2000R0008642, in The Centre of Lake in the Hills, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 8, 1996 as document number 96R057546, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the most westerly corner of said Lot 1, being also the southwest corner of Lot 1 in The Centre Resubdivision, according to the plat thereof recorded January 14, 1998 as document number 98R002400; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 46 minutes 40 seconds East along a north line of said Lot 1, being also the south line of Lot 1 in said The Centre Resubdivision, a distance of 19.45 feet to the point of beginning; thence South 0 degrees 24 minutes 03 seconds East, a distance of 35.00 feet to a south line of said Lot 1, being also the north line of Lot 4 in said The Centre of Lake in the Hills; thence North 89 degrees 46 minutes 40 seconds West along a south line of said Lot 1, being also the north line of Lot 4 in said The Centre of Lake in the Hills, a distance of 45.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 35.00 feet to a north line of said Lot 1, being also the south line of Lot 1 in said The Centre Resubdivision; thence South 89 degrees 46 minutes 40 seconds West along a north line of said Lot 1, being also the south line of Lot 1 in said The Centre Resubdivision, a distance of 45.00 feet to the point of beginning.

Said temporary easement containing 0.036 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 3 in Algonquin Plaza, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded January 23, 2006 as document number 2006R0005048, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 0 degrees 22 minutes 43 seconds East along the west line of said Lot 3, a distance of 8.97 feet; thence North 89 degrees 56 minutes 44 seconds East, a distance of 169.19 feet to the east line of said Lot 3; thence South 0 degrees 21 minutes 22 seconds West along the east line of said Lot 3, a distance of 9.38 feet to the southeast corner of Lot 3; thence North 89 degrees 54 minutes 57 seconds West along the south line of said Lot 3, a distance of 169.19 feet (168.98 feet, recorded) to the point of beginning.

Said parcel containing 0.036 acre, more or less.

That part of the Southeast Quarter of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southwest corner of the Northwest Quarter of said Section 29; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 54 minutes 57 seconds East along the south line of the Northwest Quarter of said Section 29, a distance of 1304.08 feet to the southwest corner of the Southeast Quarter of the Northwest Quarter of said Section 29, as monumented and occupied, and the point of beginning; thence North 0 degrees 18 minutes 42 seconds East along the west line of the Southeast Quarter of the Northwest Quarter of said Section 29, as monumented and occupied, a distance of 96.95 feet; thence North 89 degrees 41 minutes 18 seconds East, a distance of 20.36 feet to the east right of way line of Crystal Lake Road, as monumented and occupied; thence South 45 degrees 00 minutes 00 seconds East, a distance of 45.39 feet; thence easterly 259.39 feet along a curve to the right having a radius of 10060.00 feet, the chord of said curve bears South 89 degrees 21 minutes 42 seconds East, 259.38 feet to a point of reverse curvature; thence easterly 42.82 feet along a curve to the left having a radius of 9940.00 feet, the chord of said curve bears South 88 degrees 44 minutes 47 seconds East, 42.82 feet to the west line of Lot 5 in First Addition to Cedar Ridge Subdivision, according to the plat thereof recorded January 11, 1980 as document number 788054; thence South 0 degrees 50 minutes 44 seconds West along the west line of Lot 5 in said First Addition to Cedar Ridge Subdivision, a distance of 61.66 feet to the south line of the Northwest Quarter of said Section 29; thence North 89 degrees 54 minutes 57 seconds West along the south line of the Northwest Quarter of said Section 29, a distance of 354.25 feet to the point of beginning, except the parcel which is described as follows:

Commencing at the southwest corner of the Northwest Quarter of said Section 29; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 54 minutes 57 seconds East along the south line of the Northwest Quarter of said Section 29, a distance of 1304.08 feet to the southwest corner of the Southeast Quarter of the Northwest Quarter of said Section 29, as monumented and occupied; thence North 0 degrees 18 minutes 42 seconds East along the west line of the Southeast

Quarter of the Northwest Quarter of said Section 29, as monumented as occupied, a distance of 96.95 feet; thence North 89 degrees 41 minutes 18 seconds East, a distance of 20.36 feet to the east right of way line of Crystal Lake Road, as monumented and occupied; thence South 0 degrees 23 minutes 32 seconds West along the said east right of way line of Crystal Lake Road, as monumented and occupied, a distance of 47.31 feet to the north right of way line of Algonquin Road recorded January 22, 1990 as document number 90R002714 and the point of beginning; thence South 89 degrees 32 minutes 00 seconds East along the said north right of way line of Algonquin Road, a distance of 214.98 feet (214.19 feet, recorded) to an angle point on said north right of way line; thence South 0 degrees 38 minutes 00 seconds East, a distance of 15.00 feet to the former north right of way line of Algonquin Road recorded January 25, 1950 as document number 227880; thence North 89 degrees 32 minutes 00 seconds West along the said former north right of way line of Algonquin Road, a distance of 214.92 feet (214.19 feet, recorded) to the east right of way line of Crystal Lake Road, as monumented and occupied; thence North 0 degrees 23 minutes 32 seconds East along the said east right of way line of Crystal Lake Road, a distance of 15.00 feet to the point of beginning.

Said parcel containing 0.475 acre, more or less, of which 0.304 acre, more or less, was previously dedicated or used for highway purposes.

That part of the Southeast Quarter of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southwest corner of the Northwest Quarter of said Section 29; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 54 minutes 57 seconds East along the south line of the Northwest Quarter of said Section 29, a distance of 1304.08 feet to the southwest corner of the Southeast Quarter of the Northwest Quarter of said Section 29, as monumented and occupied; thence North 0 degrees 18 minutes 42 seconds East along the west line of the Southeast Quarter of the Northwest Quarter of said Section 29, as monumented and occupied, a distance of 96.95 feet; thence North 89 degrees 41 minutes 18 seconds East, a distance of 20.36 feet to the east right of way line of Crystal Lake Road, as monumented and occupied; thence South 45 degrees 00 minutes 00 seconds East, a distance of 45.39 feet; thence easterly 117.93 feet along a curve to the right having a radius of 10060.00 feet, the chord of said curve bears South 89 degrees 45 minutes 52 seconds East, 117.93 feet to the point of beginning; thence easterly 85.00 feet along a curve to the right having a radius of 10060.00 feet, the chord of said curve bears South 89 degrees 11 minutes 12 seconds East, 85.00 feet; thence North 0 degrees 56 minutes 29 seconds East, a distance of 40.00 feet; thence westerly 85.00 feet along a curve to the left having a radius of 10100.00 feet, the chord of said curve bears North 89 degrees 11 minutes 10 seconds West, 85.00 feet; thence South 0 degrees 56 minutes 29 seconds West, a distance of 40.00 feet to the point of beginning.

Said temporary easement containing 0.078 acre, more or less.

Said temporary easement to be used for driveway removal and parking lot construction.

That part of Lot 5 in The Centre of Lake in the Hills, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 8, 1996 as document number 96R057546, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 46 minutes 33 seconds East along the north line of said Lot 5, a distance of 20.12 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 215.05 feet to the south line of said Lot 5; thence North 89 degrees 54 minutes 57 seconds West along the south line of said Lot 5, a distance of 20.78 feet to the southwest corner of Lot 5; thence North 0 degrees 13 minutes 26 seconds West along the west line of said Lot 5, a distance of 214.93 feet (214.96 feet, recorded) to the point of beginning.

Said parcel containing 0.101 acre, more or less.

That part of Lot 5 in The Centre of Lake in the Hills, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 8, 1996 as document number 96R057546, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 46 minutes 33 seconds East along the north line of said Lot 5, a distance of 20.12 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 153.42 feet to the point of beginning; thence continuing South 0 degrees 24 minutes 03 seconds East, a distance of 61.63 feet to the south line of said Lot 5; thence South 89 degrees 54 minutes 57 seconds East along the south line of said Lot 5, a distance of 35.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 61.68 feet; thence North 90 degrees 00 minutes 00 seconds West, a distance of 35.00 feet to the point of beginning.

Said temporary easement containing 0.050 acre, more or less.

Said temporary easement to be used for driveway construction purposes.

That part of Lot 4 in The Centre of Lake in the Hills, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 8, 1996 as document number 96R057546, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 4; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 46 minutes 40 seconds East along the north line of said Lot 4, a distance of 19.56 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 179.98 feet to the south line of said Lot 4; thence South 89 degrees 46 minutes 33 seconds West along the south line of said Lot 4, a distance of 20.12 feet to the southwest corner of Lot 4; thence North 0 degrees 13 minutes 26 seconds West along the west line of said Lot 4, a distance of 179.98 feet (180.00 feet, recorded) to the point of beginning.

Said parcel containing 0.082 acre, more or less.

That part of Lot 4 in The Centre of Lake in the Hills, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded November 8, 1996 as document number 96R057546, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 4; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 46 minutes 40 seconds East along the north line of said Lot 4, a distance of 19.56 feet to the point of beginning; thence continuing North 89 degrees 46 minutes 40 seconds East along the north line of said Lot 4, a distance of 45.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 8.06 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 45.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 8.21 feet to the point of beginning.

Said temporary easement containing 0.008 acre, more or less, or 366 square feet, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 1 in Govnors Subdivision, being a subdivision of part of the East Half of the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 40 minutes 50 seconds West along the south line of said Lot 1, a distance of 23.53 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 305.15 feet to the north line of said Lot 1; thence North 89 degrees 40 minutes 50 seconds East along the north line of said Lot 1, a distance of 23.54 feet to the northeast corner of Lot 1; thence South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 1, a distance of 305.15 feet to the point of beginning.

Said parcel containing 0.165 acre, more or less.

That part of Lot 1 in Govnors Subdivision, being a subdivision of part of the East Half of the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 40 minutes 50 seconds West along the south line of said Lot 1, a distance of 23.53 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 305.15 feet to the north line of said Lot 1; thence South 89 degrees 40 minutes 50 seconds West along the north line of said Lot 1, a distance of 30.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 180.06 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 20.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 124.98 feet to the south line of said Lot 1; thence North 89 degrees 40 minutes 50 seconds East along the south line of said Lot 1, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.153 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 1 in The Centre Resubdivision, being a resubdivision of Lot 3 in The Centre at Lake in the Hills, a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Centre Resubdivision recorded January 14, 1998 as document number 98R002400, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD

83(2011) East Zone bearing of North 89 degrees 46 minutes 42 seconds East along the north line of said Lot 1, a distance of 19.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 145.81 feet to the south line of said Lot 1; thence South 89 degrees 46 minutes 40 seconds West along the south line of said Lot 1, a distance of 19.45 feet to the southwest corner of Lot 1; thence North 0 degrees 13 minutes 26 seconds West along the west line of said Lot 1, a distance of 145.81 feet (145.83 feet, recorded) to the point of beginning.

Said parcel containing 0.064 acre, more or less.

That part of Lot 1 in The Centre Resubdivision, being a resubdivision of Lot 3 in The Centre at Lake in the Hills, a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Centre Resubdivision recorded January 14, 1998 as document number 98R002400, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 89 degrees 46 minutes 42 seconds East along the north line of said Lot 1, a distance of 19.00 feet to the point of beginning; thence South 0 degrees 24 minutes 03 seconds East, a distance of 145.81 feet to the south line of said Lot 1; thence North 89 degrees 46 minutes 40 seconds East along the south line of said Lot 1, a distance of 45.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 6.76 feet; thence North 89 degrees 28 minutes 46 seconds West, a distance of 40.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 138.53 feet to the north line of said Lot 1; thence South 89 degrees 46 minutes 42 seconds West along the north line of said Lot 1, a distance of 5.00 feet to the point of beginning.

Said temporary easement containing 0.023 acre, more or less.

Said temporary easement to be used for grading and sidewalk removal purposes.

That part of Lot 4 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 4; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 40 minutes 50 seconds West along the south line of said Lot 4, a distance of 18.54 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 251.68 feet; thence North 57 degrees 05 minutes 21 seconds West, a distance of 27.52 feet to the north line of said Lot 4; thence North 89 degrees 36 minutes 04 seconds East along the north line of said Lot 4, a distance of 26.55 feet to the northeasterly line of Lot 4; thence South 45 degrees 23 minutes 56 seconds East along the northeasterly line of said Lot 4, a distance of 21.21 feet to the east line of Lot 4; thence South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 4, a distance of 251.82 feet to the point of beginning.

Said parcel containing 0.115 acre, more or less.

That part of Lot 4 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 4; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 40 minutes 50 seconds West along the south line of said Lot 4, a distance of 18.54 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 251.68 feet; thence North 57 degrees 05 minutes 21 seconds West, a distance of 27.52 feet to the north line of said Lot 4; thence South 89 degrees 36 minutes 04 seconds West along the north line of said Lot 4, a distance of 162.01 feet to the point of beginning; thence South 63 degrees 37 minutes 36 seconds West, a distance of 46.09 feet the west line of said Lot 4; thence North 0 degrees 23 minutes 56 seconds West along the west line of said Lot 4, a distance of 5.19 feet to the northwesterly line of Lot 4; thence North 44 degrees 36 minutes 04 seconds East along the northwesterly line of said Lot 4, a distance of 21.21 feet to the north line of Lot 4; thence North 89 degrees 36 minutes 04 seconds East along the north line of said Lot 4, a distance of 26.43 feet to the point of beginning.

Said parcel containing 0.007 acre, more or less, or 306 square feet, more or less.

That part of Lot 4 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded

October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 4; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 40 minutes 50 seconds West along the south line of said Lot 4, a distance of 18.54 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 251.68 feet; thence North 57 degrees 05 minutes 21 seconds West, a distance of 27.52 feet to the north line of said Lot 4; thence South 89 degrees 36 minutes 04 seconds West along the north line of said Lot 4, a distance of 162.01 feet; thence South 63 degrees 37 minutes 36 seconds West, a distance of 46.09 feet to the west line of said Lot 4; thence North 89 degrees 36 minutes 20 seconds East, a distance of 216.44 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 246.58 feet to the south line of said Lot 4; thence North 89 degrees 40 minutes 50 seconds East along the south line of said Lot 4, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.148 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 5 in Lake in the Hills Entertainment Park, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 28, 1996 as document number 96R033436, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 44 seconds East along the north line of said Lot 5, a distance of 17.74 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 259.98 feet to the south line of said Lot 5; thence North 89 degrees 36 minutes 54 seconds West along the south line of said Lot 5, a distance of 18.54 feet to the southwest corner of Lot 5; thence North 0 degrees 13 minutes 26 seconds West along the west line of said Lot 5, a distance of 259.97 feet (260.00 feet, recorded) to the point of beginning.

Said parcel containing 0.108 acre, more or less.

That part of Lot 5 in Lake in the Hills Entertainment Park, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 28, 1996 as document number 96R033436, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 44 seconds East along the north line of said Lot 5, a distance of 17.74 feet to the point of beginning; thence continuing South 89 degrees 36 minutes 44 seconds East along the north line of said Lot 5, a distance of 40.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 13.87 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 36.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 11.00 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 4.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 25.42 feet to the point of beginning.

Said temporary easement containing 0.014 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 5 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 5, a distance of 203.14 feet to the southerly line of Lot 5; thence South 74 degrees 54 minutes 28 seconds West along the southerly line of said Lot 5, a distance of 19.18 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 38.64 feet; thence North 90 degrees 00 minutes 00 seconds East, a distance of 10.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 169.43 feet to the north line of said Lot 5; thence North 89 degrees 36 minutes 04 seconds East along the north line of said Lot 5, a distance of 8.56 feet to the point of beginning.

Said parcel containing 0.049 acre, more or less.

That part of Lot 5 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 5, a distance of 203.14 feet to the southerly line of Lot 5; thence South 74 degrees 54 minutes 28 seconds West along the southerly line of said Lot 5, a distance of 19.18 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 38.64 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 70.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 39.89 feet to the south line of said Lot 5; thence North 89 degrees 36 minutes 04 seconds East along the south line of said Lot 5, a distance of 65.24 feet to the southerly line of Lot 5; thence North 74 degrees 54 minutes 28 seconds East along the southerly line of said Lot 5, a distance of 4.92 feet to the point of beginning.

Said temporary easement containing 0.064 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 5 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 5; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 5, a distance of 203.14 feet to the southerly line of Lot 5; thence South 74 degrees 54 minutes 28 seconds West along the southerly line of said Lot 5, a distance of 19.18 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 38.64 feet to the point of beginning; thence North 90 degrees 00 minutes 00 seconds East, a distance of 10.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 169.43 feet to the north line of said Lot 5; thence South 89 degrees 36 minutes 04 seconds West along the north line of said Lot 5, a distance of 10.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 169.36 feet to the point of beginning.

Said temporary easement containing 0.039 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lots 3 and 4 in Lake in the Hills Entertainment Park, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 28, 1996 as document number 96R033436, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 37 minutes 01 second East along the north line of said Lot 3, a distance of 16.57 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 164.99 feet to the south line of said Lot 3; thence North 89 degrees 36 minutes 47 seconds West along the south line of said Lot 3, a distance of 4.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 149.45 feet; thence North 89 degrees 35 minutes 57 seconds East, a distance of 4.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 15.59 feet to the south line of said Lot 4; thence North 89 degrees 36 minutes 44 seconds West along the south line of said Lot 4, a distance of 17.59 feet to the southwest corner of Lot 4; thence North 0 degrees 13 minutes 26 seconds West along the west line of said Lots 3 and 4, a distance of 329.96 feet to the point of beginning.

Said parcel containing 0.116 acre, more or less.

That part of Lots 3 and 4 in Lake in the Hills Entertainment Park, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 28, 1996 as document number 96R033436, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 37

minutes 01 second East along the north line of said Lot 3, a distance of 16.57 feet to the point of beginning; thence South 0 degrees 24 minutes 03 seconds East, a distance of 164.99 feet to the south line of said Lot 3; thence North 89 degrees 36 minutes 47 seconds West along the south line of said Lot 3, a distance of 4.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 149.45 feet; thence North 89 degrees 35 minutes 57 seconds East, a distance of 4.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 15.59 feet to the south line of said Lot 4; thence South 89 degrees 36 minutes 44 seconds East along the south line of said Lot 4, a distance of 40.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 26.13 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 25.00 feet; thence North 0 degrees 24 minutes 03 seconds West, distance of 160.00 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 6.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 144.26 feet to the north line of said Lot 3; thence North 89 degrees 37 minutes 01 second West along the north line of said Lot 3, a distance of 9.00 feet to the point of beginning.

Said temporary easement containing 0.122 acre, more or less.

Said temporary easement to be used for grading and parking lot construction purposes.

That part of Lot 6 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 6; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 04 seconds West along the south line of said Lot 6, a distance of 8.56 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 218.99 feet to the north line of said Lot 6; thence North 89 degrees 36 minutes 04 seconds East along the north line of said Lot 6, a distance of 8.56 feet to the northeast corner of Lot 6; thence South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 6, a distance of 218.99 feet to the point of beginning.

Said parcel containing 0.043 acre, more or less.

That part of Lot 6 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 6; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 04 seconds West along the south line of said Lot 6, a distance of 8.56 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 218.99 feet to the north line of said Lot 6; thence South 89 degrees 36 minutes 04 seconds West along the north line of said Lot 6, a distance of 10.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 218.99 feet to the south line of said Lot 6; thence North 89 degrees 36 minutes 04 seconds East along the south line of said Lot 6, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.050 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 2 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at an easterly corner of said Lot 2, being also the northwest corner of Outlot A in said The Meadows Commercial Subdivision; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along an east line of said Lot 2, a distance of 56.28 feet to the easterly line of Lot 2; thence South 7 degrees 12 minutes 42 seconds East along the easterly line of said Lot 2, a distance of 12.32 feet; thence North 90 degrees 00 minutes 00 seconds West, a distance of 11.46 feet; thence North 0 degrees 23 minutes 56 seconds West, a distance of 71.90 feet to

the northeasterly line of said Lot 2; thence southeasterly 10.59 feet along the northeasterly line of said Lot 2 on a curve to the left having a radius of 264.98 feet, the chord of said curve bears South 71 degrees 15 minutes 44 seconds East, 10.59 feet to the point of beginning.

Said temporary easement containing 0.016 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 2 in Lake in the Hills Entertainment Park, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 28, 1996 as document number 96R033436, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 37 minutes 15 seconds East along the north line of said Lot 2, a distance of 15.72 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 275.76 feet to the south line of said Lot 2; thence North 89 degrees 37 minutes 01 second West along the south line of said Lot 2, a distance of 16.57 feet to the southwest corner of Lot 2; thence North 0 degrees 13 minutes 26 seconds West along the west line of said Lot 2, a distance of 275.74 feet (275.78 feet, recorded) to the point of beginning.

Said parcel containing 0.102 acre, more or less.

That part of Lot 2 in Lake in the Hills Entertainment Park, being a subdivision of part of the West Half of the Northwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 28, 1996 as document number 96R033436, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 37 minutes 15 seconds East along the north line of said Lot 2, a distance of 15.72 feet to the point of beginning; thence South 0 degrees 24 minutes 03 seconds East, a distance of 275.76 feet to the south line of said Lot 2; thence South 89 degrees 37 minutes 01 second East along the south line of said Lot 2, a distance of 9.00 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 12.74 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 6.50 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 263.11 feet to the north line of said Lot 2; thence North 89 degrees 37 minutes 15 seconds West along the north line of said Lot 2, a distance of 2.50 feet to the point of beginning.

Said temporary easement containing 0.018 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 7 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 7; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 04 seconds West along the south line of said Lot 7, a distance of 18.56 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 218.99 feet to the north line of said Lot 7; thence North 89 degrees 36 minutes 04 seconds East along the north line of said Lot 7, a distance of 18.57 feet to the northeast corner of Lot 7; thence South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 7, a distance of 218.99 feet to the point of beginning.

Said parcel containing 0.093 acre, more or less.

That part of Lot 8 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 8; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 04 seconds West along the south line of said Lot 8, a distance of 18.57 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 194.87 feet; thence North 49 degrees 42 minutes 55 seconds West, a distance of 38.28 feet; thence South 89 degrees 36 minutes 04 seconds West, a distance of 181.35 feet to the northwesterly line of said Lot 8; thence North 44 degrees 38 minutes 16 seconds East

along the northwesterly line of said Lot 8, a distance of 9.91 feet to the north line of Lot 8; thence North 89 degrees 36 minutes 04 seconds East along the north line of said Lot 8, a distance of 194.58 feet to the northeasterly line of Lot 8; thence South 49 degrees 42 minutes 10 seconds East along the northeasterly line of said Lot 8, a distance of 36.11 feet to the east line of Lot 8; thence South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 8, a distance of 203.28 feet to the point of beginning.

Said parcel containing 0.131 acre, more or less.

That part of Lot 8 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 8; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 04 seconds West along the south line of said Lot 8, a distance of 18.57 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 194.87 feet; thence North 49 degrees 42 minutes 55 seconds West, a distance of 21.46 feet to the point of beginning; thence continuing North 49 degrees 42 minutes 55 seconds West, a distance of 16.82 feet; thence South 89 degrees 36 minutes 04 seconds West, a distance of 181.35 feet to the northwesterly line of said Lot 8; thence South 44 degrees 38 minutes 16 seconds West along the northwesterly line of said Lot 8, a distance of 22.64 feet to the west line of Lot 8; thence South 0 degrees 23 minutes 56 seconds East along the west line of said Lot 8, a distance of 7.07 feet; thence North 44 degrees 38 minutes 16 seconds East, a distance of 17.12 feet; thence North 89 degrees 35 minutes 57 seconds East, a distance of 198.02 feet to the point of beginning.

Said temporary easement containing 0.050 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 9 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 9; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 9, a distance of 167.70 feet to the southeasterly line of Lot 9; thence South 53 degrees 36 minutes 38 seconds West along the southeasterly line of said Lot 9, a distance of 10.61 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 173.94 feet to the north line of said Lot 9; thence North 89 degrees 36 minutes 04 seconds East along the north line of said Lot 9, a distance of 8.59 feet to the point of beginning.

Said parcel containing 0.034 acre, more or less.

That part of Lot 9 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southwest corner of said Lot 9; thence easterly 15.04 feet (15.06 feet, recorded) along the southerly line of said Lot 9 on a curve to the left having a radius of 169.99 feet, the chord of said curve bears on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 87 degrees 51 minutes 52 seconds East, 15.03 feet to a point of tangency on the south line of Lot 9; thence North 89 degrees 36 minutes 04 seconds East along the south line of said Lot 9, a distance of 13.19 feet; thence North 0 degrees 00 minutes 00 seconds East, a distance of 38.80 feet; thence North 90 degrees 00 minutes 00 seconds West, a distance of 28.48 feet to the west line of said Lot 9; thence South 0 degrees 23 minutes 56 seconds East along the west line of said Lot 9, a distance of 38.34 feet to the point of beginning.

Said temporary easement containing 0.025 acre, more or less.

Said temporary easement to be used for driveway construction purposes.

That part of Lot 9 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded

October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northeast corner of said Lot 9; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 9, a distance of 167.70 feet to the southeasterly line of Lot 9; thence South 53 degrees 36 minutes 38 seconds West along the southeasterly line of said Lot 9, a distance of 10.61 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 173.94 feet to the north line of said Lot 9; thence South 89 degrees 36 minutes 04 seconds West along the north line of said Lot 9, a distance of 20.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 186.36 feet to the southerly line of said Lot 9; thence North 81 degrees 26 minutes 28 seconds East along the southerly line of said Lot 9, a distance of 3.65 feet to the southeasterly line of Lot 9; thence North 53 degrees 36 minutes 38 seconds East along the southeasterly line of said Lot 9, a distance of 20.26 feet to the point of beginning.

Said temporary easement containing 0.083 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 3 in Acorn Lane Commercial Center Unit 3, being a subdivision of part of the West Half of the Northwest Quarter of Section 29 and the Southwest Quarter of the Southwest Quarter of Section 20, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded March 21, 1997 as document number 97R012763, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 0 degrees 13 minutes 26 seconds West along the west line of said Lot 3, a distance of 10.50 feet; thence North 89 degrees 35 minutes 57 seconds East, a distance of 181.96 feet to the east line of said Lot 3; thence South 0 degrees 08 minutes 34 seconds East along the east line of said Lot 3, a distance of 12.98 feet to the southeast corner of Lot 3; thence North 89 degrees 37 minutes 15 seconds West along the south line of said Lot 3, a distance of 181.95 feet to the point of beginning.

Said parcel containing 0.049 acre, more or less.

That part of Lot 3 in Acorn Lane Commercial Center Unit 3, being a subdivision of part of the West Half of the Northwest Quarter of Section 29 and the Southwest Quarter of the Southwest Quarter of Section 20, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded March 21, 1997 as document number 97R012763, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southwest corner of said Lot 3; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 0 degrees 13 minutes 26 seconds West along the west line of said Lot 3, a distance of 10.50 feet to the point of beginning; thence North 89 degrees 35 minutes 57 seconds East, a distance of 85.99 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 10.00 feet; thence South 89 degrees 35 minutes 57 seconds West, a distance of 85.96 feet to the west line of said Lot 3; thence South 0 degrees 13 minutes 26 seconds East along the west line of said Lot 3, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.020 acre, more or less.

Said temporary easement to be used for grading and driveway construction purposes.

That part of Lot 10 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 10; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 04 seconds West along the south line of said Lot 10, a distance of 8.59 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 175.93 feet to the north line of said Lot 10; thence North 89 degrees 27 minutes 07 seconds East along the north line of said Lot 10, a distance of 8.60 feet to the northeast corner of Lot 10; thence South 0 degrees 23 minutes 56 seconds East along the east line of said Lot 10, a distance of 175.95 feet to the point of beginning.

Said parcel containing 0.035 acre, more or less.

That part of Lot 10 in The Meadows Commercial Subdivision, being a resubdivision of part Lot 8 in

The Meadows, according to the plat thereof recorded October 23, 2001 as document number 2001R0079191 and part of Lot 2 in Govnors Subdivision, according to the plat thereof recorded March 20, 2001 as document number 2001R0016624, in the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said The Meadows Commercial Subdivision recorded January 31, 2003 as document number 2003R0013439, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 10; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 36 minutes 04 seconds West along the south line of said Lot 10, a distance of 8.59 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 175.93 feet to the north line of said Lot 10; thence South 89 degrees 27 minutes 07 seconds West along the north line of said Lot 10, a distance of 20.00 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 175.88 feet to the south line of said Lot 10; thence North 89 degrees 36 minutes 04 seconds East along the south line of said Lot 10, a distance of 20.00 feet to the point of beginning.

Said temporary easement containing 0.081 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 25 in Northstar Phase 1, being a subdivision of part of the Southeast Quarter of Section 19 and the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded July 27, 1994 as document number 94R044959, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southeast corner of said Lot 25; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 27 minutes 07 seconds West along the south line of said Lot 25, a distance of 18.60 feet; thence North 0 degrees 24 minutes 03 seconds West, a distance of 120.63 feet to the north line of said Lot 25; thence North 89 degrees 27 minutes 07 seconds East along the north line of said Lot 25, a distance of 18.40 feet to the northeast corner of Lot 25; thence South 0 degrees 29 minutes 48 seconds East along the east line of said Lot 25, a distance of 120.63 feet to the point of beginning.

Said parcel containing 0.051 acre, more or less.

That part of Lot 25 in Northstar Phase 1, being a subdivision of part of the Southeast Quarter of Section 19 and the Northeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded July 27, 1994 as document number 94R044959, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the southeast corner of said Lot 25; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 89 degrees 27 minutes 07 seconds West along the south line of said Lot 25, a distance of 18.60 feet to the point of beginning; thence North 0 degrees 24 minutes 03 seconds West, a distance of 120.63 feet to the north line of said Lot 25; thence South 89 degrees 27 minutes 07 seconds West along the north line of said Lot 25, a distance of 1.45 feet to the northwesterly line of Lot 25; thence southwesterly 48.64 feet along the northwesterly line of said Lot 25 on a curve to the right having a radius of 60.00 feet, the chord of said curve bears South 22 degrees 40 minutes 38 seconds West, 47.32 feet; thence South 0 degrees 24 minutes 03 seconds East, a distance of 77.15 feet to the south line of said Lot 25; thence North 89 degrees 27 minutes 07 seconds East, along the south line of said Lot 25, a distance of 20.00 feet to the point of beginning.

Said temporary easement containing 0.043 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 1 in Winding Creek Center, being a subdivision of part of the Southeast Quarter of Section 30, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded December 6, 2004 as document number 2004R0107449, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northeast corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 06 minutes 24 seconds East along the east line of said Lot 1, a distance of 24.90 feet; thence South 89 degrees 56 minutes 44 seconds West, a distance of 73.44 feet; thence North 0 degrees 01 minute 01 second East, a distance of 24.98 feet to the north line of said Lot 1; thence South 89 degrees 59 minutes 08 seconds East along the north line of said Lot 1, a distance of 73.38 feet to the point of beginning.

Said temporary easement containing 0.042 acre, more or less.

Said temporary easement to be used for grading and construction purposes.

That part of Lot 1 in Re-Subdivision of Outlot A, Acorn Lane Commercial Center Unit 3, being a subdivision of part of the West Half of the Northwest Quarter of Section 29 and the Southwest Quarter of the Southwest Quarter of Section 20, Township 43 North, Range 8 East of the Third Principal Meridian,

according to the plat thereof recorded January 31, 2007 as document number 2007R007482, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the most westerly southwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 0 degrees 24 minutes 36 seconds West along the west line of said Lot 1, a distance of 289.95 feet; thence North 89 degrees 28 minutes 33 seconds East, a distance of 310.00 feet; thence North 0 degrees 24 minutes 36 seconds West, a distance of 60.47 feet; thence North 89 degrees 28 minutes 33 seconds East, a distance of 165.45 feet to the easterly line of said Lot 1; thence along the easterly line of said Lot 1 the next 19 courses, South 35 degrees 39 minutes 50 seconds West, a distance of 31.19 feet; thence South 60 degrees 44 minutes 41 seconds West, a distance of 32.20 feet; thence South 45 degrees 25 minutes 01 second West, a distance of 21.19 feet; thence South 23 degrees 30 minutes 06 seconds West, a distance of 27.80 feet; thence South 6 degrees 47 minutes 17 seconds West, a distance of 30.19 feet; thence South 10 degrees 43 minutes 36 seconds West, a distance of 35.95 feet; thence South 21 degrees 27 minutes 52 seconds West, a distance of 41.40 feet; thence South 19 degrees 59 minutes 44 seconds West, a distance of 41.41 feet; thence South 16 degrees 10 minutes 56 seconds West, a distance of 54.07 feet; thence South 10 degrees 50 minutes 54 seconds West, a distance of 35.58 feet; thence South 23 degrees 47 minutes 21 seconds East, a distance of 29.22 feet; thence South 15 degrees 55 minutes 24 seconds West, a distance of 9.86 feet; thence South 35 degrees 43 minutes 39 seconds West, a distance of 44.87 feet; thence South 42 degrees 01 minute 14 seconds West, a distance of 45.34 feet; thence South 21 degrees 37 minutes 25 seconds West, a distance of 13.18 feet; thence South 21 degrees 51 minutes 34 seconds East, a distance of 15.04 feet; thence South 39 degrees 49 minutes 41 seconds East, a distance of 27.58 feet; thence South 5 degrees 34 minutes 09 seconds West, a distance of 5.75 feet; thence South 15 degrees 26 minutes 48 seconds West, a distance of 37.61 feet (37.60 feet, recorded) to the southeast corner of said Lot 1; thence North 89 degrees 37 minutes 15 seconds West along the most southerly line of said Lot 1, a distance of 50.98 feet to a west line of Lot 1; thence North 0 degrees 13 minutes 26 seconds West along a west line of said Lot 1, a distance of 149.98 feet to a south line of Lot 1; thence North 89 degrees 37 minutes 15 seconds West along a south line of said Lot 1, a distance of 247.95 feet to the point of beginning.

Said parcel containing 2.881 acres, more or less.

That part of Lot 1 in Oakridge Harnish Resubdivision, being a resubdivision of Lot 2 in Rosen Rosen Rosen Subdivision of part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Oakridge Harnish Resubdivision recorded October 20, 2005 as document number 2005R0089188, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 87 degrees 20 minutes 06 seconds East along the north line of said Lot 1, a distance of 15.76 feet; thence South 2 degrees 17 minutes 50 seconds West, a distance of 191.30 feet to the south line of said Lot 1; thence North 87 degrees 20 minutes 06 seconds West along the south line of said Lot 1, a distance of 16.99 feet to the southwest corner of Lot 1; thence North 2 degrees 40 minutes 02 seconds East along the west line of said Lot 1, a distance of 191.29 feet (191.32 feet, recorded) to the point of beginning.

Said temporary easement containing 0.072 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 7, except the West 10.0 feet thereof conveyed to McHenry County, Illinois, by quit claim deed recorded July 30, 2008 as document number 2008R0041806, in Rosen Rosen Rosen Subdivision, being a subdivision of part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded July 26, 2001 as document number 2001R0052702, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 7; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 64 degrees 39 minutes 47 seconds East along a northerly line of said Lot 7, a distance of 11.33 feet to the east right of way line of Randall Road recorded July 30, 2008 as document number 2008R0041806 and the point of beginning; thence continuing North 64 degrees 39 minutes 47 seconds East along a northerly line of said Lot 7, a distance of 4.03 feet; thence South 2 degrees 47 minutes 42 seconds West, a distance of 43.98 feet to a southerly line of said Lot 7; thence South 81 degrees 39 minutes 50 seconds West along a southerly line of said Lot 7, a distance of 3.52 feet to the said east right of way line of Randall Road; thence North 2 degrees 40 minutes 02 seconds East along the said east right of way line of Randall Road, a distance of 42.76 feet to the point of beginning.

Said parcel containing 0.003 acre, more or less, or 152 square feet, more or less.

That part of Lot 7, except the West 10.0 feet thereof conveyed to McHenry County, Illinois, by quit claim deed recorded July 30, 2008 as document number 2008R0041806, in Rosen Rosen Rosen Subdivision, being a subdivision of part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the

Third Principal Meridian, according to the plat thereof recorded July 26, 2001 as document number 2001R0052702, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 7; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 64 degrees 39 minutes 47 seconds East along a northerly line of said Lot 7, a distance of 11.33 feet to the east right of way line of Randall Road recorded July 30, 2008 as document number 2008R0041806; thence continuing North 64 degrees 39 minutes 47 seconds East along a northerly line of said Lot 7, a distance of 4.03 feet to the point of beginning; thence South 2 degrees 47 minutes 42 seconds West, a distance of 43.98 feet to a southerly line of said Lot 7; thence North 81 degrees 39 minutes 50 seconds East along a southerly line of said Lot 7, a distance of 8.15 feet; thence North 2 degrees 47 minutes 42 seconds East, a distance of 46.68 feet to a northerly line of said Lot 7; thence South 64 degrees 39 minutes 47 seconds West along a northerly line of said Lot 7, a distance of 9.07 feet to the point of beginning.

Said temporary easement containing 0.008 acre, more or less, or 363 square feet, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 1, except that part conveyed to McHenry County, Illinois, by quit claim deed recorded July 30, 2008 as document number 2008R0041808, in Rubloff Oakridge Second Resubdivision, being a resubdivision of Lot 4 in Rubloff Oakridge Resubdivision in the Northeast Quarter of Section 31, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Rubloff Oakridge Second Resubdivision recorded November 1, 2002 as document number 2002R0100966, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the southwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of North 40 degrees 57 minutes 32 seconds East, a distance of 23.34 feet; thence North 2 degrees 09 minutes 13 seconds East, a distance of 7.31 feet to the north line of said Lot 1; thence South 89 degrees 47 minutes 46 seconds East along the north line of said Lot 1, a distance of 5.06 feet to the west right of way line of Randall Road recorded July 30, 2008 as document number 2008R0041810; thence South 1 degree 27 minutes 52 seconds West along the said west right of way line of Randall Road, a distance of 7.32 feet to a point of curvature on said west right of way line; thence southwesterly 19.87 feet (19.88 feet, recorded) along the westerly right of way line of said Randall Road on a curve to the right having a radius of 25.00 feet, the chord of said curve bears South 24 degrees 14 minutes 10 seconds West, 19.35 feet to the south line of said Lot 1; thence North 89 degrees 47 minutes 46 seconds West along the south line of said Lot 1, a distance of 12.50 feet to the point of beginning.

Said parcel containing 0.005 acre, more or less, or 219 square feet, more or less.

That part of Lot 1 in Rosen Rosen Rosen Subdivision, being a subdivision of part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded July 26, 2001 as document number 2001R0052702, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 27 minutes 52 seconds West along the west line of said Lot 1, a distance of 159.55 feet to the point of beginning; thence South 43 degrees 09 minutes 55 seconds East, a distance of 70.65 feet; thence South 0 degrees 44 minutes 15 seconds West, a distance of 9.66 feet to the north right of way line of Harnish Drive recorded July 30, 2008 as document number 2008R0041817; thence North 89 degrees 20 minutes 21 seconds West along the said north right of way line of Harnish Drive, a distance of 14.88 feet to the northeasterly right of way line of Harnish Drive recorded July 30, 2008 as document number 2008R0041807; thence North 43 degrees 41 minutes 30 seconds West along the said northeasterly right of way line of Harnish Drive, a distance of 49.19 feet to the west line of said Lot 1; thence North 1 degree 27 minutes 52 seconds East along the west line of said Lot 1, a distance of 25.46 feet to the point of beginning.

Said parcel containing 0.026 acre, more or less.

That part of Lot 1 in Rosen Rosen Rosen Subdivision, being a subdivision of part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded July 26, 2001 as document number 2001R0052702, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 1; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 1 degree 27 minutes 52 seconds West along the west line of said Lot 1, a distance of 159.55 feet; thence South 43 degrees 09 minutes 55 seconds East, a distance of 70.65 feet; thence South 0 degrees 44 minutes 15 seconds West, a distance of 9.66 feet to the north right of way line of Harnish Drive recorded July 30, 2008 as document number 2008R0041817; thence South 89 degrees 20 minutes 21 seconds East along the said north right of way line of Harnish Drive, a

distance of 4.13 feet; thence North 0 degrees 44 minutes 15 seconds East, a distance of 15.29 feet; thence North 43 degrees 41 minutes 30 seconds West, a distance of 68.41 feet; thence northerly 115.11 feet along a curve to the right having a radius of 24915.00 feet, the chord of said curve bears North 1 degree 49 minutes 12 seconds East, 115.11 feet; thence South 87 degrees 35 minutes 16 seconds East, a distance of 10.00 feet; thence North 2 degrees 17 minutes 50 seconds East, a distance of 40.96 feet to the north line of said Lot 1; thence North 88 degrees 32 minutes 23 seconds West along the north line of said Lot 1, a distance of 16.50 feet to the point of beginning.

Said temporary easement containing 0.042 acre, more or less.

Said temporary easement to be used for construction purposes.

That part of Lot 2 in Oakridge Harnish Resubdivision, being a resubdivision of Lot 2 in Rosen Rosen Rosen Subdivision of part of the Northwest Quarter of Section 32, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat of said Oakridge Harnish Resubdivision recorded October 20, 2005 as document number 2005R0089188, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 2; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 2 degrees 40 minutes 02 seconds West along the west line of said Lot 2, a distance of 45.92 feet (45.49 feet, recorded) to an angle point on the west line of Lot 2; thence South 1 degree 27 minutes 52 seconds West along the west line of said Lot 2, a distance of 54.11 feet (54.52 feet, recorded) to the southwest corner of Lot 2; thence South 88 degrees 32 minutes 23 seconds East along the south line of said Lot 2, a distance of 16.50 feet; thence North 2 degrees 17 minutes 50 seconds East, a distance of 99.67 feet to the north line of said Lot 2; thence North 87 degrees 20 minutes 06 seconds West along the north line of said Lot 2, a distance of 16.99 feet to the point of beginning.

Said temporary easement containing 0.039 acre, more or less.

Said temporary easement to be used for grading purposes.

That part of Lot 11 in Kaper's Business Center Unit 1, being a subdivision of part of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 4, 1997 as document number 97R025826, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Beginning at the northwest corner of said Lot 11; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 04 minutes 06 seconds East along the west line of said Lot 11, a distance of 118.49 feet to the southwest corner of the grantor according to special warranty deed recorded December 28, 2015 as document number 2015R0047895; thence South 89 degrees 47 minutes 46 seconds East along the south line of the grantor according to said special warranty deed, a distance of 33.20 feet; thence North 0 degrees 01 minute 47 seconds East, a distance of 118.49 feet to the north line of said Lot 11; thence North 89 degrees 47 minutes 46 seconds West along the north line of said Lot 11, a distance of 33.28 feet to the point of beginning.

Said parcel containing 0.091 acre, more or less.

That part of Lot 11 in Kaper's Business Center Unit 1, being a subdivision of part of the West Half of the Southwest Quarter of Section 29, Township 43 North, Range 8 East of the Third Principal Meridian, according to the plat thereof recorded June 4, 1997 as document number 97R025826, in McHenry County, Illinois, bearings and distances are based on the Illinois Coordinate System, NAD 83(2011) East Zone, with a combination factor of 0.9999373735, described as follows:

Commencing at the northwest corner of said Lot 11; thence on an Illinois Coordinate System NAD 83(2011) East Zone bearing of South 0 degrees 04 minutes 06 seconds East along the west line of said Lot 11, a distance of 118.49 feet to the southwest corner of the grantor according to special warranty deed recorded December 28, 2015 as document number 2015R0047895; thence South 89 degrees 47 minutes 46 seconds East along the south line of the grantor according to said special warranty deed, a distance of 33.20 feet to the point of beginning; thence North 0 degrees 01 minute 47 seconds West, a distance of 118.49 feet to the north line of said Lot 11; thence South 89 degrees 47 minutes 46 seconds East along the north line of said Lot 11, a distance of 10.00 feet; thence South 0 degrees 01 minute 47 seconds East, a distance of 118.49 feet to the south line of the grantor according to said special warranty deed; thence North 89 degrees 47 minutes 46 seconds West along the south line of the grantor according to said special warranty deed, a distance of 10.00 feet to the point of beginning.

Said temporary easement containing 0.027 acre, more or less.

Said temporary easement to be used for grading purposes.

HISTORY:

2017 P.A. 100-446, § 5, effective August 25, 2017; renumbered from § 735 ILCS 30/25-5-70 by 2018 P.A. 100-863, § 595, effective August 14, 2018.

735 ILCS 30/25-5-75 Quick-take; McHenry County; Dowell Road.

Quick-take proceedings under Article 20 [735 ILCS 30/20-5-5 et seq.] may be used for a period of no more than one year after the effective date of this amen-

datory Act of the 100th General Assembly by McHenry County for the acquisition of the following described property for the purpose of construction at the intersection of River Road and Dowell Road:

That part of the Northwest Quarter of Section 17, Township 44 North, Range 9 East of the Third Principal Meridian, described as follows; commencing at the intersection of the north line of said Northwest Quarter with the center line of highway (Lily Lake Road); thence East on the north line of said Northwest Quarter 1523.1 feet record, measured to the Northeast Corner thereof; thence South on the east line of said Northwest Quarter, 475 feet record, measured; thence Southwesterly with an angle of 29 degrees 26 minutes record, measured to the right of the last mentioned line 2152.19 feet to the intersection with the Northerly right of way line of Dowell Road; thence along the last described north line North 62 degrees 59 minutes 33 seconds West, 38.08 feet to the point of beginning; thence continuing along said north line North 62 degrees 59 minutes 33 seconds West, 122.46 feet to the intersection with the Northerly right of way line of River Road; thence Northwesterly along the last described Northerly right of way line 639.09 feet being an arc to the left, having a radius of 1322.87 feet and a chord that bears North 60 degrees 15 minutes 24 seconds West, 632.90 feet; thence perpendicular to the last described arc North 15 degrees 54 minutes 12 seconds East, 12.00 feet to a line 12.00 feet North of and parallel with said North right of way line of River Road; thence Southeasterly along the last described parallel line 263.98 feet being the arc to the right, having a radius of 1334.87 feet and whose chord bears South 68 degrees 25 minutes 53 seconds East, 263.55 feet; thence North 59 degrees 29 minutes 00 seconds East, 111.53 feet; thence South 61 degrees 00 minutes 16 seconds East, 108.15 feet to a bend point on the westerly line of the conservation easement per document 2015R0043210; thence South 00 degrees 37 minutes 29 seconds East, 83.34 feet to a line 45.00 feet North of and parallel with said Northerly right of way line of River Road as projected through the intersection right of way of Dowell Road right of way; thence Southeasterly along the last described parallel line 234.06 feet being an arc to the right, having a radius of 1367.87 feet and whose chord bears South 49 degrees 10 minutes 45 seconds East, 233.77 feet to a point on the westerly line of the conservation easement per document 2006R0095189 at a distance of 45.00 feet North of the said Northerly right of way River Road; thence South 28 degrees 59 minutes 44 seconds West, 5.22 feet to a point on a line 40.00 feet Northerly of and parallel with said Northerly right of way line of River Road; thence Southeasterly along the last described parallel line 65.19 feet being an arc to the right, having a radius of 1362.87 feet and whose chord bears South 42 degrees 50 minutes 47 seconds East, 65.12 feet to the point of beginning, in McHenry County, Illinois.

Said parcel containing 0.742 acres, more or less.

HISTORY:

2017 P.A. 100-446, § 5, effective August 25, 2017.

735 ILCS 30/25-5-80 Quick-take; City of Woodstock; Madison Street, South Street, and Lake Avenue. [Effective until April 2, 2024]

(a) Quick-take proceedings under Article 20 [735 ILCS 30/20-5-5 et seq.] may be used for a period of no more than 2 years after April 2, 2021 (the effective date of Public Act 101-665) by Will County for the acquisition of the following described property for the purpose of the 80th Avenue Improvements project:

Route: 80th Avenue (CH 83)

Section: 06-00122-16-FB

County: Will

Job No.: R-55-001-97

Parcel No.: 0001A Station 76+09.95 To Station 80+90.00

Index No.: 19-09-02-400-012

Parcel 0001A

That part of the Southeast Quarter of the Southeast Quarter of Section 2, all in Township 35 North, Range 12 East of the Third Principal Meridian, in Will County, Illinois, bearings and distances based on the Illinois Sate Plane Coordinate System, East Zone, NAD 83 (2011 Adjustment) with a combined scale factor of 0.9999641157 described as follows:

Commencing at the southeast corner of said Section 2; thence North 01 degree 44 minutes 58 seconds West on the east line of said Southeast Quarter, 69.28 feet to the north right of way line of 191st Street as described in Document No. R94-114863; thence South 88 degrees 15 minutes 02 seconds West, on said north right of way line, 50.29 feet to the west right of way line of 80th Avenue per Document No. R66-13830, and to the Point of Beginning; thence continuing South 88 degrees 15 minutes 02 seconds West, on said north right of way line, 10.14 feet to an angle point in said north right of way line; thence South 43 degrees 24 minutes 14 seconds West, on said north right of way line, 27.67 feet to an angle point in said north right of way line; thence South 88 degrees 24 minutes 14 seconds West, on said north right of way line, 1038.30 feet; thence North 01 degree 36 minutes 18 seconds West, 6.27 feet; thence North 87 degrees 57 minutes 50 seconds East, 930.35 feet to a point 63.00 feet North of, as measured perpendicular to, the south line of said Southeast Quarter; thence North 50 degrees 35 minutes 39 seconds East, 117.47 feet to the west line of the East 95.00 feet of said Southeast Quarter; thence North 01 degree 44 minutes 58 seconds West, on said west line, 304.58 feet; thence North 88 degrees 15 minutes 28 seconds East, 10.00 feet to the west line of the East 85.00 feet of said Southeast Quarter; thence North 01 degree 44 minutes 58 seconds West, on said west line, 90.00 feet; thence North 88 degrees 15 minutes 26 seconds East, 20.89 feet to the west right of way line of 80th Avenue per Document No. R66-13830; thence South 03 degrees 28 minutes 04 seconds East, on said

west right of way line, 460.75 feet to the Point of Beginning.

Said parcel containing 0.706 acre, more or less.

Route: 80th Avenue (CH 83)

735 ILCS 30/25-5-85. Quick-take; City of Woodstock; Madison Street, South Street, and Lake Avenue. [Effective until July 9, 2024]

(a) Quick-take proceedings under Article 20 may be used for a period of no more than 2 years after July 9, 2021 (the effective date of Public Act 102-53) by the City of Woodstock for the acquisition of the following described property for the purpose of widening the right-of-way proximate to the intersection of Madison Street, South Street, and Lake Avenue to construct a traffic roundabout:

That part of the north 47.5 feet of the south 87.5 feet of Lots 7 and 8 in Block 18 in the Original Town of Centerville, now City of Woodstock, a subdivision of part of the Southwest Quarter of Section 5, Township 44 North, Range 7 East of the Third Principal Meridian, according to the plat recorded June 10, 1844, in Book D of Deeds, page 201, in the City of Woodstock, McHenry County, Illinois, described as follows using bearings as referenced to Illinois State Plane Coordinate System, East Zone North American Datum 1983 (2011 Adjustment):

Commencing at a 5/8-inch iron pipe found at the southwest corner of said Lot 7; thence North 0 degrees 22 minutes 24 seconds West, 40.00 feet on the west line of said Lot 7 to the south line of said north 47.5 feet of the south 87.5 feet of Lots 7 and 8 for the Point of Beginning; thence North 89 degrees 14 minutes 44 seconds East, 15.06 feet along said south line; thence northwesterly, 27.31 feet on a curve to the right having a radius of 69.42 feet, the chord of said curve bears North 34 degrees 05 minutes 52 seconds West, 27.13 feet to the aforesaid west line of Lot 7; thence South 0 degrees 22 minutes 24 seconds East, 22.67 feet along said west line to the Point of Beginning.

Said parcel containing 0.003 acre or 145 square feet, more or less.

***

The north 47.5 feet of the south 87.5 feet of Lots 7 and 8 in Block 18 in the Original Town of Centerville, now City of Woodstock, a subdivision of part of the Southwest Quarter of Section 5, Township 44 North, Range 7 East of the Third Principal Meridian, according to the plat recorded June 10, 1844, in Book D of Deeds, page 201, situated in the County of McHenry, in the State of Illinois, described as follows, using bearings as referenced to Illinois State Plane Coordinate System, East Zone North American Datum 1983 (2011 Adjustment):

Commencing at a 5/8-inch iron pipe found at the southwest corner of said Lot 7; thence North 0 degrees 22 minutes 24 seconds West, 62.67 feet along the west line of said Lot 7 to the Point of Beginning; thence continuing North 0 degrees 22 minutes 24 seconds West, 20.41 feet along said west line; thence North 89 degrees 42 minutes 37 seconds East, 12.36 feet; thence South 0 degrees 17 minutes 23 seconds East, 29.21 feet; thence South 89 degrees 57 minutes 09 seconds East, 26.25 feet; thence South 0 degrees 10 minutes 38 seconds West, 13.45 feet to the south line of said 47.5 feet of the south 87.5 feet of Lots 7 and 8; thence South 89 degrees 14 minutes 44 seconds West, 23.38 feet along said south line; thence northwesterly, 27.31 feet on a curve to the right, having a radius of 69.42 feet, the chord of said curve bears North 34 degrees 05 minutes 52 seconds West, 27.13 feet to the Point of Beginning.

Said temporary easement containing 0.017 acre, more or less.

***

The south 40 feet of Lots 7 and 8 in Block 18 in the Original Plat of Town of Centerville, now City of Woodstock, a subdivision of part of the Southwest Quarter of Section 5, Township 44 North, Range 7 East of the Third Principal Meridian, according to the plat recorded June 10, 1844, in Book D of Deeds, page 201, in the City of Woodstock, McHenry County, Illinois.

Said parcel containing 0.110 acre, more or less.

That part of Lot 204 of the Assessor's Plat of Section 8, Township 44 North, Range 7 East of the Third Principal Meridian described as follows, using bearings as referenced to Illinois State Plane Coordinate System, East Zone North American Datum 1983 (2011 Adjustment):

Beginning at the most westerly point of said Lot 204; thence South 89 degrees 50 minutes 58 seconds East, 72.00 feet along the north line of said Lot 204, said line also being the south right-of-way line of East South Street; thence South 22 degrees 00 minutes 17 seconds West, 47.64 feet to the southwesterly line of said Lot 204, said line also being the northeasterly right-of-way line of Lake Avenue; thence North 50 degrees 40 minutes 20 seconds West, 70.00 feet along said southwesterly line to the Point of Beginning.

Said parcel containing 0.036 acre, more or less.

(b) This Section is repealed July 9, 2024 (3 years after the effective date of Public Act 102-53).

HISTORY:

2021 P.A. 102-53, § 5, effective July 9, 2021; renumbered from § 735 ILCS 30/25-5-80 by 2022 P.A. 102-813, § 680, effective May 13, 2022.

735 ILCS 30/25-5-90 Quick-take; Moultrie County; Township Road 185A. [Effective until August 20, 2024]

(a) Quick-take proceedings under Article 20 may be used for a period of no more than 2 years after August 20, 2021 (the effective date of Public Act 102-564) by Moultrie County for the acquisition of the following described property for the purpose of replacing a structure and constructing an associated roadway on Township Road 185A:

A part of the Northeast Quarter of Section 11, Township 12 North, Range 6 East of the Third Principal Meridian located in Moultrie County, Illinois, more particularly described as follows:

Commencing at the Southeast corner of the said Northeast Quarter; thence North 88°48'50" West along the South line of said Northeast Quarter, 966.15 feet to the point of beginning; thence North 00°09'24" West, 13.14 feet to the centerline of proposed improvement; thence continuing North 00°09'24" West, 30.00 feet to a point being 30 feet distant measured and perpendicular to the North of said centerline; thence North 84°54'18" West, 109.25 feet to a point being 40 feet distant measured and perpendicular to and North of said centerline; thence parallel with said centerline 169.29 feet along a circular curve to the right having a chord bearing of North 68°09'28" West with a chord length of 165.14 feet and a radius of 220.12 feet; thence parallel with said centerline North 46°09'33" West, 296.16 feet: thence parallel with said centerline 73.65 feet along a circular curve to the left having a chord bearing of North 53°10'55" West with a chord length of 73.47 feet and a radius of 300.44 feet to the South line of the North 70 acres of the West Half of the said Northeast Quarter; thence North 88°59'47" West along the South line of said North 70 acres, 620.26 feet; thence South 01°25'31" East, 29.21 feet to the existing South right-of-way line of the East-West public road; thence South 82°37'17" East, 75.89 feet to the point being 30 feet distant measured and perpendicular to the South of the said centerline; thence parallel with said centerline North 88°34'29" East, 100 feet; thence South 63°13'29" East, 42.32 feet to a point being 50 feet distant measured and perpendicular to and South of the said centerline; thence parallel with said centerline 109.31 feet along a circular curve to the right having a chord bearing of South 89°44'30" East, with a chord length of 109.29 feet and a radius of 1859.51 feet; thence North 89°05'34" East,100.58 feet to a point being 45 feet distant measured and perpendicular to and South of said centerline; thence parallel with said centerline South 88°03'29" East, 54.61 feet; thence parallel with said centerline 157.54 feet along a circular curve to the right having a chord bearing of South 67°06'30" East with a chord length of 165.14 feet and a radius of 220.12 feet,; thence parallel with said centerline South 46°09'33" East, 79.94 feet; thence North 43°50'27" East, 5.00 feet to a point being 40 feet distant measured and perpendicular to and South of said centerline; thence parallel with said centerline South 46°09'33" East, 161.15 feet to the West line of Southeast Quarter of said Northeast Quarter; thence South 01°05'23" East along the West line of said Southeast Quarter of the Northeast Quarter, 87.37 feet to the Southwest corner of said Southeast Quarter of the Northeast Quarter; thence Easterly along the South line said Northeast Quarter, 355.8 feet to the point of beginning.

ALSO,

A part of the Northeast Quarter of Section 11 [735 ILCS 30/11], Township 12 North, Range 6 East of the Third Principal Meridian located in Moultrie County, Illinois, more particularly described as follows:

Commencing at the Southeast corner of the said Northeast Quarter; thence North 88°48'50" West along the South line of said Northeast Quarter, 1319.84 feet; thence North 01°11'10" East, 190.97 feet to a point being 40 feet distant measured and perpendicular to and North of the centerline of proposed improvement and the point of beginning; thence North 43°50'27" East, 50.00 feet to a point being 90 feet distant measured and perpendicular to

and North of said centerline: thence parallel with said centerline North 46°09'33" West, 120.00 feet; thence South 43°50'27" West, 50.00 feet to the proposed right-of-way line of proposed improvement, said point being 40 feet distant measured and perpendicular to and North of said centerline; thence South 46°09'33" East along said proposed right-of-way line, 120.00 feet to the point of beginning.

ALSO,

A part of the Northeast Quarter of Section 11, Township 12 North, Range 6 East of the Third Principal Meridian located in Moultrie County, Illinois, more particularly described as follows:

Commencing at the Southeast corner of the said Northeast Quarter; thence North 88°48'50" West along the South line of said Northeast Quarter, 1351.98 feet; thence North 01°11'10" East, 111.80 feet to the proposed right-of-way line of the proposed improvement, said point being 40 feet distant measured and perpendicular to and South of the centerline of proposed improvement and the point of beginning; thence parallel with said centerline North 46°09'33" West along said proposed right-of-way line, 125.00 feet; thence South 43°50'27" West along said proposed right-of-way line, 5.00 feet to a point being 45 feet distant measured and perpendicular to and South of said centerline; thence parallel with said centerline North 46°09'33" West along said proposed right-of-way, 25.00 feet; thence South 43°50'27" West. 35.00 feet to a point being 80 feet distant measured and perpendicular to and South of said centerline; thence parallel with said centerline South 46°09'33" East, 150.00 feet; North 43°50'27" East, 40.00 feet to the point of beginning.

ALSO,

A part of the Northeast Quarter of Section 11, Township 12 North, Range 6 East of the Third Principal Meridian located in Moultrie County, Illinois, more particularly described as follows:

Commencing at the Southeast corner of the said Northeast Quarter; thence North 88°48'50" West along the South line of said Northeast Quarter, 1527.33 feet; thence North 01°11'30" East, 264.11 feet to the proposed right-of-way line of the proposed improvement, said point being 45 feet distant measured and perpendicular to and South of the centerline of proposed improvement and the point of beginning; thence parallel with said centerline 73.33 feet along a circular curve to the left having a chord bearing of North 63°12'22" West with a chord length of 72.94 feet and a radius of 215.44 feet; thence South 17°06'20" West, 35.00 feet to a point being 80 feet distant measured and perpendicular to and South of said centerline; thence parallel with said centerline 61.41 feet along a circular curve to the right having a chord bearing of South 63°08'38" East with a chord length of 61.12 feet and a radius of 180.44 feet; thence North 36°36'25" East, 35.00 feet to the point of beginning.

(b) This Section is repealed August 20, 2024 (3 years after the effective date of Public Act 102-564).

HISTORY:

2021 P.A. 102-564, § 5, effective August 20, 2021; renumbered from § 735 ILCS 30/25-5-80 by 2022 P.A. 102-813, § 680, effective May 13, 2022.

735 ILCS 30/25-5-95 Quick-take; City of Decatur; Brush College Road. [Effective until August 27, 2023]

(a) Quick-take proceedings under Article 20 [735 ILCS 30/20-5-5 et seq.] may be used for a period of one year after August 27, 2021 (the effective date of Public Act 102-624) by the City of Decatur and Macon County for the acquisition of the following described property for the purpose of obtaining the necessary right-of-way for the construction of a grade separation of Brush College Road over Faries Parkway and the Norfolk Southern Railroad in Decatur, Illinois.

Parcel 57b

A part of the East 108.9 feet of Lot One (1) of Westlake 2nd Addition of Outlots to the City of Decatur, Illinois, per Plat recorded in Book 335, Page 591 of the Records in the Recorder's Office of Macon County, Illinois and described as follows:

Commencing at an Illinois Department of Transportation Vault found at the northwest corner of Section 8, Township 16 North, Range 3 East of the Third Principal Meridian per Monument Record recorded as Document 1894076 of the records aforesaid; thence, along bearings reference to the Illinois State Plane Coordinate System, NAD83 (2011 Adjustment), East Zone, North 89 degrees 06 minutes 39 seconds East 1204.57 feet, along the north line of the Northwest Quarter of said Section 8; thence South 0 degrees 11 minutes 07 seconds East 7.33 feet to the intersection of the west line of the East 108.9 feet of said Lot One (1) with the north line of said Lot One (1) and the Point of Beginning; thence North 87 degrees 53 minutes 06 seconds East 108.90 feet, along said north line, also being the existing south right of way line of East Faries Parkway per said Book 335, Page 591, to the northeast corner of said Lot One (1); thence South 0 degrees 11 minutes 07 seconds East 389.96 feet, along the east line of said Lot One (1), to the southeast corner of said Lot One (1); thence South 87 degrees 53 minutes 21 seconds West 108.90 feet, along the south line of said Lot One (1), also being the existing north right of way line of East Logan Street per said Book 335, Page 591, to the southwest corner of the East 108.9 feet of said Lot One (1); thence North 0 degrees 11 minutes 07 seconds West 34.92 feet along the west line of the East 108.9 feet of said Lot One (1); thence North 42 degrees 59 minutes 54 seconds East 85.21 feet; thence North 02 degrees 28 minutes 18 seconds East 182.00 feet; thence North 33 degrees 26 minutes 49 seconds West 88.33 feet; thence South 83 degrees 08 minutes 31 seconds West 18.43 feet to the west line of the East 108.9 feet of said Lot One (1); thence North 0 degrees 11 minutes 07 seconds West 39.38 feet, along said west line, to the Point of Beginning. Said parcel contains 0.600 acres, more or less.

Temporary Construction Easement

A part of the East 108.9 feet of Lot One (1) of Westlake 2nd Addition of Outlots to the City of Decatur, Illinois, per Plat recorded in Book 335, Page 591 of the Records in the Recorder's Office of Macon County, Illinois and described as follows:

Commencing at an Illinois Department of Transportation Vault found at the northwest corner of Section 8, Township 16 North, Range 3 East of the Third Principal Meridian per Monument Record recorded as Document 1894076 of the records aforesaid; thence, along bearings reference to the Illinois State Plane Coordinate System, NAD83 (2011 Adjustment), East Zone, North 89 degrees 06 minutes 39 seconds East 1204.57 feet, along the north line of the Northwest Quarter of said Section 8, to the intersection of the northerly extension of the west line of the East 108.9 feet of said Lot One (1) with said north line; thence South 0 degrees 11 minutes 07 seconds East 46.71 feet along said northerly extension and said west line; thence North 83 degrees 08 minutes 31 seconds East 18.43 feet; thence South 33 degrees 26 minutes 49 seconds East 12.23 feet to the Point of Beginning; thence continue South 33 degrees 26 minutes 49 seconds East 41.57 feet; thence North 89 degrees 34 minutes 37 seconds West 23.33 feet; thence North 0 degrees 41 minutes 26 seconds East 34.52 feet to the Point of Beginning. Said parcel contains 0.009 acres (403 square feet), more or less.

Parcel 57a

A part of the East one half of the West 446.77 feet of the East 1003.67 feet of Lot One (1) and a part of the West 224 feet of the East 556.9 feet of Lot One (1) all of Westlake 2nd Addition of Outlots to the City of Decatur, Illinois, per Plat recorded in Book 335, Page 591 of the Records in the Recorder's Office of Macon County, Illinois and described as follows:

Commencing at an Illinois Department of Transportation Vault found at the northwest corner of Section 8, Township 16 North, Range 3 East of the Third Principal Meridian per Monument Record recorded as Document 1894076 of the records aforesaid; thence, along bearings reference to the Illinois State Plane Coordinate System, NAD83 (2011 Adjustment), East Zone, North 89 degrees 06 minutes 39 seconds East 533.51 feet, along the north line of the Northwest Quarter of said Section 8; thence South 0 degrees 11 minutes 07 seconds East 36.17 feet to the intersection of the west line of the East one half of the West 446.77 feet of the East 1003.67 feet of said Lot One (1) with the existing south right of way line of East Faries Parkway per Book 2515, Page 103 of the records aforesaid and the Point of Beginning; thence North 81 degrees 39 minutes 51 seconds East 16.50 feet along said existing right of way line; thence North 84 degrees 23 minutes 14 seconds East 207.86 feet, along said existing right of way line, to intersection of the north line of said Lot One (1) with the west line of the East 556.9 feet of said Lot One (1); thence North 87 degrees 53 minutes 06 seconds East 224.00 feet, along said north line, also being the existing south right of way line of East Faries Parkway per said Book 335, Page 591, to the east line of the West 224 feet of the East 556.9 feet of said Lot One (1); thence South 0 degrees 11 minutes 07 seconds East 58.03 feet along said east line; thence South 83 degrees 08 minutes 31 seconds West 145.41 feet; thence South 86 degrees 40 minutes 37 seconds West 208.00 feet; thence South 58 degrees 45 minutes 06 seconds West 110.93 feet to the west line of the East one half of the West 446.77 feet of the East 1003.67 feet of said Lot One (1); thence North 0 degrees 11 minutes 07 seconds West 114.00 feet, along said west line, to the Point of Beginning. Said parcel contains 0.743 acres, more or less.

Temporary Construction Easement

A part of the West 224 feet of the East 556.9 feet of Lot One (1) of Westlake 2nd Addition of Outlots to the City of Decatur, Illinois, per Plat recorded in Book 335, Page 591 of the Records in the Recorder's Office of Macon County, Illinois and described as follows:

Commencing at an Illinois Department of Transportation Vault found at the northwest corner of Section 8, Township 16 North, Range 3 East of the Third Principal Meridian per Monument Record recorded as Document 1894076 of the records aforesaid; thence, along bearings reference to the Illinois State Plane Coordinate System, NAD83 (2011 Adjustment), East Zone, North 89 degrees 06 minutes 39 seconds East 533.51 feet, along the north line of the Northwest Quarter of said Section 8, to the intersection of the northerly extension of the west line of the East one half of the West 446.77 feet of the East 1003.67 feet of said Lot One (1) with said north line; thence South 0 degrees 11 minutes 07 seconds East 150.17 feet along said northerly extension and said west line; thence North 58 degrees 45 minutes 06 seconds East 110.93 feet; thence North 86 degrees 40 minutes 37 seconds East 208.00 feet to the Point of Beginning; thence North 83 degrees 08 minutes 31 seconds East 91.78 feet; thence South 2 degrees 02 minutes 57 seconds East 5.66 feet; thence South 86 degrees 40 minutes 37 seconds West 91.48 feet to the Point of Beginning. Said parcel contains 0.006 acres (259 square feet), more or less.

Parcel 39

Lot 8 of Westlake 2nd Addition of Outlots to the City of Decatur, as per Plat recorded in Book 335, Page 591 of the Records in the Recorder's Office of Macon County, Illinois also known as 1880 North Brush College Road.

CIVIL LIABILITIES

Construction Contract Indemnification for Negligence Act
Highway Contractor Liability Act

CONSTRUCTION CONTRACT INDEMNIFICATION FOR NEGLIGENCE ACT

Section

740 ILCS 35/0.01 Short title

This Act may be cited as the Construction Contract Indemnification for Negligence Act.

HISTORY:
P.A. 86-1324.

740 ILCS 35/1 [Agreements to indemnify or hold harmless]

With respect to contracts or agreements, either public or private, for the construction, alteration, repair or maintenance of a building, structure, highway bridge, viaducts or other work dealing with construction, or for any moving, demolition or excavation connected therewith, every covenant, promise or agreement to indemnify or hold harmless another person from that person's own negligence is void as against public policy and wholly unenforceable.

HISTORY:
P.A. 77-1629.

740 ILCS 35/2 [Application]

This Act applies only to contracts or agreements entered into after its effective date.

HISTORY:
P.A. 77-1629.

740 ILCS 35/3 [Excluded bonds, contracts or agreements]

This Act does not apply to construction bonds or insurance contracts or agreements.

Article VII. Tort Liability Under Agreements Between Local Public Entities

Article VIII. Actions Against Local Public Entities and Public Employees — Limitations, Notice

Article IX. Payment of Claims and Judgment

ARTICLE III.

IMMUNITY FROM LIABILITY FOR INJURY OCCURRING IN THE USE OF PUBLIC PROPERTY

745 ILCS 10/3-101 [Public property defined]

As used in this Article unless the context otherwise requires "property of a local public entity" and "public property" mean real or personal property owned or leased by a local public entity, but do not include easements, encroachments and other property that are located on its property but that it does not own, possess or lease.

HISTORY:
Laws 1965, p. 2983.

745 ILCS 10/3-102 [Duty to maintain property]

(a) Except as otherwise provided in this Article, a local public entity has the duty to exercise ordinary care to maintain its property in a reasonably safe condition for the use in the exercise of ordinary care of people whom the entity intended and permitted to use the property in a manner in which and at such times as it was reasonably foreseeable that it would be used, and shall not be liable for injury unless it is proven that it has actual or constructive notice of the existence of such a condition that is not reasonably safe in reasonably adequate time prior to an injury to have taken measures to remedy or protect against such condition.

(b) A public entity does not have constructive notice of a condition of its property that is not reasonably safe within the meaning of Section 3-102(a) if it establishes either:

(1) The existence of the condition and its character of not being reasonably safe would not have been discovered by an inspection system that was reasonably adequate considering the practicability and cost of inspection weighed against the likelihood and magnitude of the potential danger to which failure to inspect would give rise to inform the public entity whether the property was safe for the use or uses for which the public entity used or intended others to use the public property and for uses that the public entity actually knew others were making of the public property or adjacent property; or

(2) The public entity maintained and operated such an inspection system with due care and did not discover the condition.

P.A. 84-1431.

745 ILCS 10/3-103 [Adoption of construction or improvement plan]

(a) A local public entity is not liable under this Article for an injury caused by the adoption of a plan or design of a construction of, or an improvement to public property where the plan or design has been approved in advance of the construction or improvement by the legislative body of such entity or by some other body or employee exercising discretionary au-

thority to give such approval or where such plan or design is prepared in conformity with standards previously so approved. The local public entity is liable, however, if after the execution of such plan or design it appears from its use that it has created a condition that it is not reasonably safe.

(b) A public employee is not liable under this Article for an injury caused by the adoption of a plan or design of a construction of, or an improvement to public property.

HISTORY:
Laws 1965, p. 2983.

745 ILCS 10/3-104 [Failure to provide proper traffic devices, signs, markings or barriers]

Neither a local public entity nor a public employee is liable under this Act for an injury caused by the failure to initially provide regulatory traffic control devices, stop signs, yield right-of-way signs, speed restriction signs, distinctive roadway markings or any other traffic regulating or warning sign, device or marking, signs, overhead lights, traffic separating or restraining devices or barriers.

HISTORY:
P.A. 84-1431.

745 ILCS 10/3-105 [Effects of weather conditions on public ways; failure to upgrade]

(a) Neither a local public entity nor a public employee is liable for an injury caused by the effect of weather conditions as such on the use of streets, highways, alleys, sidewalks or other public ways, or places, or the ways adjoining any of the foregoing, or the signals, signs, markings, traffic or pedestrian control devices, equipment or structures on or near any of the foregoing or the ways adjoining any of the foregoing. For the purpose of this section, the effect of weather conditions as such includes but is not limited to the effect of wind, rain, flood, hail, ice or snow but does not include physical damage to or deterioration of streets, highways, alleys, sidewalks, or other public ways or place or the ways adjoining any of the foregoing, or the signals, signs, markings, traffic or pedestrian control devices, equipment or structures on or near any of the foregoing or the ways adjoining any of the foregoing resulting from weather conditions.

(b) Without implied limitation, neither a local public entity nor a public employee is liable for any injury caused by the failure of a local public entity or a public employee to upgrade any existing street, highway, alley, sidewalk or other public way or place, or the ways adjoining any of the foregoing, or the signals, signs, markings, traffic or pedestrian control devices, equipment or structures on or near such street, highway, alley, sidewalk or other public way or place, or the ways adjoining any of the foregoing from the standards, if any, which existed at the time of the original dedication to, or acquisition of, the right of way of such street, highway, alley, sidewalk or other public way or place, or the ways adjoining any of the foregoing, by the first local public entity to acquire the property or right of way, to standards which are or may be applicable or are imposed by any government or other person or organization between the time of such dedication and the time of such injury.

(c) Nothing in this Section shall relieve the local public entity of the duty to exercise ordinary care in the maintenance of its property as set forth in Section 3-102 [745 ILCS 10/3-102].

HISTORY:
P.A. 84-1431.

745 ILCS 10/3-106 [Public property used for recreational purposes]

Neither a local public entity nor a public employee is liable for an injury where the liability is based on the existence of a condition of any public property intended or permitted to be used for recreational purposes, including but not limited to parks, playgrounds, open areas, buildings or other enclosed recreational facilities, unless such local entity or public employee is guilty of willful and wanton conduct proximately causing such injury.

HISTORY:
P.A. 84-1431.

745 ILCS 10/3-107 [Access roads; trails]

Neither a local public entity nor a public employee is liable for an injury caused by a condition of: (a) Any road which provides access to fishing, hunting, or primitive camping, recreational, or scenic areas and which is not a (1) city, town or village street (2) county, state or federal highway or (3) a township or other road district highway. (b) Any hiking, riding, fishing or hunting trail.

HISTORY:
Laws 1965, p. 2983.

745 ILCS 10/3-108 [Failure to supervise activity on public property; swimming areas]

(a) Except as otherwise provided in this Act, neither a local public entity nor a public employee who undertakes to supervise an activity on or the use of any public property is liable for an injury unless the local public entity or public employee is guilty of willful and wanton conduct in its supervision proximately causing such injury.

(b) Except as otherwise provided in this Act, neither a local public entity nor a public employee is liable for an injury caused by a failure to supervise an activity on or the use of any public property unless the employee or the local public entity has a duty to provide supervision imposed by common law, statute,

ordinance, code or regulation and the local public entity or public employee is guilty of willful and wanton conduct in its failure to provide supervision proximately causing such injury.

HISTORY:
Laws 1965, p. 2983; P.A. 90-805, § 5.

745 ILCS 10/3-109 [Hazardous recreational activities]

(a) Neither a local public entity nor a public employee is liable to any person who participates in a hazardous recreational activity, including any person who assists the participant, or to any spectator who knew or reasonably should have known that the hazardous recreational activity created a substantial risk of injury to himself or herself and was voluntarily in the place of risk, or having the ability to do so failed to leave, for any damage or injury to property or persons arising out of that hazardous recreational activity.

(b) As used in this Section, "hazardous recreational activity" means a recreational activity conducted on property of a local public entity which creates a substantial (as distinguished from a minor, trivial, or insignificant) risk of injury to a participant or a spectator.

"Hazardous recreational activity" also means:

(1) Water contact activities, except diving, in places where or at a time when lifeguards are not provided and reasonable warning thereof has been given or the injured party should reasonably have known that there was no lifeguard provided at the time.

(2) Diving at any place or from any structure where diving is prohibited and reasonable warning as to the specific dangers present has been given.

(3) Animal racing, archery, bicycle racing or jumping, off-trail bicycling, boat racing, cross-country and downhill skiing, sledding, tobogganing, participating in an equine activity as defined in the Equine Activity Liability Act [745 ILCS 47/1 et seq.], hang gliding, kayaking, motorized vehicle racing, off-road motorcycling or four-wheel driving of any kind, orienteering, pistol and rifle shooting, rock climbing, rocketeering, rodeo, spelunking, sky diving, sport parachuting, body contact sports (i.e., sports in which it is reasonably foreseeable that there will be rough bodily contact with one or more participants), surfing, trampolining, tree climbing, tree rope swinging where the person or persons furnished their own rope, water skiing, white water rafting, and wind surfing.

(c) Notwithstanding the provisions of subsection (a), this Section does not limit liability which would otherwise exist for any of the following:

(1) Failure of the local public entity or public employee to guard or warn of a dangerous condition of which it has actual or constructive notice and of which the participant does not have nor can be reasonably expected to have had notice.

(2) An act of willful and wanton conduct by a public entity or a public employee which is a proximate cause of the injury.

Nothing in this subsection creates a duty of care or basis of liability for personal injury or for damage to personal property.

(d) Nothing in this Section shall limit the liability of an independent concessionaire, or any person or organization other than the local public entity or public employee, whether or not the person or organization has a contractual relationship with the public entity to use the public property, for injuries or damages suffered in any case as a result of the operation of a hazardous recreational activity on public property by the concessionaire, person, or organization.

HISTORY:
P.A. 84-1431; 89-111, § 905; 89-502, § 20.

745 ILCS 10/3-110 [Bodies of water not under control of public entity]

Neither a local public entity nor a public employee is liable for any injury occurring on, in, or adjacent to any waterway, lake, pond, river or stream not owned, supervised, maintained, operated, managed or controlled by the local public entity.

HISTORY:
P.A. 84-1431.

ARTICLE VII.

TORT LIABILITY UNDER AGREEMENTS BETWEEN LOCAL PUBLIC ENTITIES

745 ILCS 10/7-101 [Agreements with other public entities]

When permitted by law to transfer any of its functions or services to, to lease its property to or to perform any function, service or act with or for any other local public entity or employee thereof by agreement with such other local public entity, a local public entity may agree with the other entity as to the manner in which liability for an injury resulting from such function, service or act is to be allocated or shared. Such agreement may be expressed by resolution, contract, lease, ordinance or in any other manner provided by law.

HISTORY:
Laws 1965, p. 2983.

745 ILCS 10/7-102 [Contribution or indemnification]

As part of any agreement under this Article, the local public entities may provide for contribution or indemnification by any or all of the local public

entities that are parties to the agreement upon any liability arising out of the performance of the agreement.

HISTORY:
Laws 1965, p. 2983.

745 ILCS 10/7-103 [Application]

This Article applies to any agreement between local public entities whether entered into before or after the effective date of this Act. Nothing in this Article affects the right of recovery of a person injured by a local public entity or by its employee.

HISTORY:
Laws 1965, p. 2983.

ARTICLE VIII.

ACTIONS AGAINST LOCAL PUBLIC ENTITIES AND PUBLIC EMPLOYEES — LIMITATIONS, NOTICE

745 ILCS 10/8-101 Limitation

(a) No civil action other than an action described in subsection (b) may be commenced in any court against a local entity or any of its employees for any injury unless it is commenced within one year from the date that the injury was received or the cause of action accrued.

(b) No action for damages for injury or death against any local public entity or public employee, whether based upon tort, or breach of contract, or otherwise, arising out of patient care shall be brought more than 2 years after the date on which the claimant knew, or through the use of reasonable diligence should have known, or received notice in writing of the existence of the injury or death for which damages are sought in the action, whichever of those dates occurs first, but in no event shall such an action be brought more than 4 years after the date on which occurred the act or omission or occurrence alleged in the action to have been the cause of the injury or death.

(c) For purposes of this Article, the term "civil action" includes any action, whether based upon the common law or statutes or Constitution of this State.

(d) The changes made by this amendatory Act of the 93rd General Assembly [P.A. 93-11] apply to an action or proceeding pending on or after this amendatory Act's effective date, unless those changes (i) take away or impair a vested right that was acquired under existing law or (ii) with regard to a past transaction or past consideration, create a new obligation, impose a new duty, or attach a new disability.

HISTORY:
P.A. 84-1431; 93-11, § 5.

745 ILCS 10/8-103 [Failure to serve notice]

If the notice under Section 8-102 is not served as provided therein, any such civil action commenced against a local public entity, or against any of its employees whose act or omission committed while acting in the scope of his employment as such employee caused the injury, shall be dismissed and the person to whom such cause of injury accrued shall be forever barred from further suing.

HISTORY:
Laws 1965, p. 2983.

ARTICLE IX.

PAYMENT OF CLAIMS AND JUDGMENT

745 ILCS 10/9-101 [Definitions]

As used in this Article:

(a) "Board" means the governing body of a local taxing entity.

(b) "Fiscal year" means the fiscal year prescribed for a local public entity or adopted by the local public entity as authorized by law.

(c) "Local taxing entity" means a local public entity that has the power to levy or have levied on its behalf taxes or assessments upon property within the territory of the entity.

(d) "Tort judgment" means a final judgment founded on an injury, as defined by this Act, proximately caused by a negligent or wrongful act or omission of a local public entity or an employee of a local public entity while acting within the scope of his employment.

(e) "Settlement" means a payment based on an injury or event which a local public entity reasonably believes might have been caused by a negligent or wrongful act or omission of the local public entity or an employee while acting within the scope of his employment.

(f) "Claims service" means any arrangement whereby skilled personnel are employed or retained to investigate, settle, or defend an injury or event which is alleged to have been caused by, or which a local public entity reasonably believes might have been caused by, a negligent or wrongful act or omission of the local public entity or an employee while acting within the scope of his employment. The term "claims service" shall include, but not be limited to, loss control before or after an injury or event and the retention of independent legal counsel for purposes of defending claims under this Act.

HISTORY:
P.A. 80-1341.

745 ILCS 10/9-102 [Payment of judgments or settlements; authority to settle or compromise]

A local public entity is empowered and directed to

pay any tort judgment or settlement for compensatory damages (and may pay any associated attorney's fees and costs) for which it or an employee while acting within the scope of his employment is liable in the manner provided in this Article. All other provisions of this Article [745 ILCS 10/9-101 et seq.], including but not limited to the payment of judgments and settlements in installments, the issuance of bonds, the maintenance of rates and charges, and the levy of taxes shall be equally applicable to judgments or settlements relating to both a local public entity or an employee and those undertakings assumed by a local public entity in intergovernmental joint self-insurance contracts. A local public entity may make payments to settle or compromise a claim or action which has been or might be filed or instituted against it when the governing body or person vested by law or ordinance with authority to make over-all policy decisions for such entity considers it advisable to enter into such a settlement or compromise.

HISTORY:
P.A. 84-1431; 92-810, § 15.

745 ILCS 10/9-103 [Insurance methods]

(a) A local public entity may protect itself against any property damage or against any liability or loss which may be imposed upon it or one of its employees for a tortious act under Federal or State common or statutory law, or imposed upon it under the Workers' Compensation Act [820 ILCS 305/1 et seq.], the Workers' Occupational Diseases Act [820 ILCS 310/1 et seq.], or the Unemployment Insurance Act [820 ILCS 405/220 et seq.] by means including, but not limited to, insurance, individual or joint self-insurance, including all operating and administrative costs and expenses directly associated therewith, claims services and risk management directly attributable to loss prevention and loss reduction, legal services directly attributable to the insurance, self-insurance, or joint self-insurance program, educational, inspectional, and supervisory services directly relating to loss prevention and loss reduction, or participation in a reciprocal insurer as provided in Sections 72, 76 and 81 of the Illinois Insurance Code [215 ILCS 5/72, 215 ILCS 5/76 and 215 ILCS 5/81]. Insurance shall be carried with a company authorized by the Department of Insurance to write such insurance coverage in Illinois.

(a-5) A local public entity may individually or jointly self-insure provided it complies with any other statutory requirements specifically related to individual or joint self-insurance by local public entities. Whenever the terms "self-insure" or "self-insurance" are utilized within this Act, such term shall apply to both individual and joint self-insurance. The expenditure of funds of a local public entity to protect itself or its employees against liability is proper for any local public entity. A local public entity that has individually self-insured may establish reserves for expected losses for any liability or loss for which the local public entity is authorized to purchase insurance under this Act. The decision of the local public entity to establish a reserve and the amount of the reserve shall be based on reasonable actuarial or insurance underwriting evidence. Property taxes shall not be levied or extended if the effect is to increase the reserve beyond 125% of the actuary's or insurance underwriter's estimated ultimate losses at the 95% confidence level. Certification of the amount of the reserve shall be made by the independent auditor, actuary, or insurance underwriter and included in an annual report. The annual report shall also list all expenditures from the reserve or from property taxes levied or extended for tort immunity purposes. Total claims payments and total reserves must be listed in aggregate amounts. All other expenditures must be identified individually. A local public entity that maintains a self-insurance reserve or that levies and extends a property tax for tort immunity purposes must include in its audit or annual report any expenditures made from the property tax levy or self-insurance reserve within the scope of the audit or annual report.

(b) A local public entity may contract for or purchase any of the guaranteed fund certificates or shares of guaranteed capital as provided for in Section 56 of the Illinois Insurance Code [215 ILCS 5/56]. The expenditure of funds of the local public entity for said contract or purchase is proper for any local public entity.

(c) Any insurance company that provides insurance coverage to a local public entity shall utilize any immunities or may assert any defenses to which the insured local public entity or its employees are entitled. Public entities which are individually or jointly self-insured shall be entitled to assert all of the immunities provided by this Act or by common law or statute on behalf of themselves or their employees unless the local public entities shall elect by action of their corporate authorities or specifically contract to waive in whole or in part such immunities.

(d) Within 30 days after January 1, 1991, and within 30 days after each January 1 thereafter, local public entities that are individually or jointly self-insured to protect against liability under the Workers' Compensation Act [820 ILCS 305/1 et seq.] and the Workers' Occupational Diseases Act [820 ILCS 310/1 et seq.] shall file with the Illinois Workers' Compensation Commission a report indicating an election to self-insure.

HISTORY:
P.A. 86-1405; 87-706; 89-150, § 10; 91-628, § 5; 93-721, § 55.

745 ILCS 10/9-104 [Installment payments]

(a) Subject to subsection (b) of this Section, if a local public entity does not pay a tort judgment during the fiscal year in which it becomes final and if, in the opinion of its governing body, the payment of

the judgment creates an unreasonable financial hardship for the local public entity it shall pay the balance of the judgment, with interest thereon, in installments.

(b) The court which enters judgment shall order that the governing body pay the judgment, with interest thereon, in not exceeding 10 annual installments if both of the following conditions are satisfied:

(1) The governing body of the local public entity has adopted an ordinance or resolution finding that an unreasonable hardship will result unless the judgment is paid in installments.

(2) The court, after hearing, has found that payment of the judgment in installments as ordered by the court is necessary to avoid an unreasonable hardship.

(c) Each installment payment shall be of an equal portion of the principal of the judgment except that where a judgment is $500,000 or more the court may, upon a showing by the plaintiff of an extraordinary need for immediate funds in order to secure medical necessities immediately after judgment including, but not limited to, equipment, supplies, medication, residence or other items, order that unequal payments of the principal of the judgment be made in proportions to be determined by the court, but in no event shall any increase in a payment cause such payment to be greater than 50% of the judgment. The local public entity, in its discretion, may prepay any one or more installments or any part of an installment.

(d) A local public entity shall have the power to enter into a settlement agreement subject to a term not to exceed the period of years negotiated by the parties.

HISTORY:
P.A. 84-1431.

745 ILCS 10/9-105 [Issuance of bond]

The board of a local taxing entity may, instead of following the procedure under subdivision (b) of Section 9-104 [745 ILCS 10/9-104] or when it considers the action advisable, issue general obligation or revenue bonds without referendum for the purpose of creating a reserve for or for the payment of any cost, liability or loss against which such entity may protect itself or self-insure pursuant to Section 9-103 [745 ILCS 10/9-103] or for the payment of which such entity may levy a tax pursuant to Section 9-107 [745 ILCS 10/9-107], including any or all tort judgments or settlements entered against or entered into by the entity or by or against another local public entity or an employee of that other public entity while acting within the scope of employment, either individually or where the local public entities have joined in an intergovernmental joint self-insurance contract which among other undertakings authorizes each local public entity to utilize its funds to protect, wholly or partially, any other local public entity or its employees against liability or loss in accordance with the intergovernmental contract. Such bonds may be issued in an amount necessary to fund a reserve created for any or all of the above described purposes including the discharge of obligations under such judgments or settlements. Such bonds shall not be considered debt under any statutory limitation, and may be issued in an amount, including existing indebtedness, in excess of any heretofore or hereafter imposed statutory limitation as to debt but subject to constitutional limits.

Any bonds issued under this Section as limited bonds as defined in Section 3 of the Local Government Debt Reform Act [30 ILCS 350/3] shall comply with the requirements of the Bond Issue Notification Act [30 ILCS 352/1 et seq.].

HISTORY:
P.A. 85-854; 89-655, § 105.

745 ILCS 10/9-106 [Charges for services and facilities]

A local public entity that derives revenue for its maintenance and operation from rates and charges made for services or facilities it provides shall in each fiscal year make rates and charges or both, or otherwise provide funds, in an amount sufficient to pay all its tort judgments and settlements in accordance with this Article and its obligations under the Workers' Compensation Act [820 ILCS 305/1 et seq.], the Workers' Occupational Diseases Act [820 ILCS 310/1 et seq.] and the Unemployment Insurance Act [820 ILCS 405/220 et seq.].

HISTORY:
P.A. 82-783.

745 ILCS 10/9-107 Policy; tax levy

(a) The General Assembly finds that the purpose of this Section is to provide an extraordinary tax for funding expenses relating to (i) tort liability, (ii) liability relating to actions brought under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980 or the Environmental Protection Act [415 ILCS 5/1 et seq.], but only until December 31, 2010, (iii) insurance, and (iv) risk management programs. Thus, the tax has been excluded from various limitations otherwise applicable to tax levies. Notwithstanding the extraordinary nature of the tax authorized by this Section, however, it has become apparent that some units of local government are using the tax revenue to fund expenses more properly paid from general operating funds. These uses of the revenue are inconsistent with the limited purpose of the tax authorization.

Therefore, the General Assembly declares, as a matter of policy, that (i) the use of the tax revenue authorized by this Section for purposes not expressly authorized under this Act is improper and (ii) the provisions of this Section shall be strictly construed consistent with this declaration and the Act's express purposes.

(b) A local public entity may annually levy or have levied on its behalf taxes upon all taxable property within its territory at a rate that will produce a sum that will be sufficient to: (i) pay the cost of insurance, individual or joint self-insurance (including reserves thereon), including all operating and administrative costs and expenses directly associated therewith, claims services and risk management directly attributable to loss prevention and loss reduction, legal services directly attributable to the insurance, self-insurance, or joint self-insurance program, and educational, inspectional, and supervisory services directly relating to loss prevention and loss reduction, participation in a reciprocal insurer as provided in Sections 72, 76, and 81 of the Illinois Insurance Code [215 ILCS 5/72, 215 ILCS 5/76, and 215 ILCS 5/81], or participation in a reciprocal insurer, all as provided in settlements or judgments under Section 9-102 [745 ILCS 10/9-102], including all costs and reserves directly attributable to being a member of an insurance pool, under Section 9-103 [745 ILCS 10/9-103]; (ii) pay the costs of and principal and interest on bonds issued under Section 9-105 [745 ILCS 10/9-105]; (iii) pay judgments and settlements under Section 9-104 of this Act [745 ILCS 10/9-104]; (iv) discharge obligations under Section 34-18.1 of the School Code [105 ILCS 5/34-18.1] or make transfers under Section 17-2A of the School Code [105 ILCS 5/17-2A]; (v) pay judgments and settlements under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980 and the Environmental Protection Act, but only until December 31, 2010; (vi) pay the costs authorized by the Metro-East Sanitary District Act of 1974 as provided in subsection (a) of Section 5-1 of that Act [70 ILCS 2905/5-1]; and (vii) pay the cost of risk management programs. Provided it complies with any other applicable statutory requirements, the local public entity may self-insure and establish reserves for expected losses for any property damage or for any liability or loss for which the local public entity is authorized to levy or have levied on its behalf taxes for the purchase of insurance or the payment of judgments or settlements under this Section. The decision of the board to establish a reserve shall be based on reasonable actuarial or insurance underwriting evidence and subject to the limits and reporting provisions in Section 9-103.

If a school district was a member of a joint-self-health-insurance cooperative that had more liability in outstanding claims than revenue to pay those claims, the school board of that district may by resolution make a one-time transfer from any fund in which tort immunity moneys are maintained to the fund or funds from which payments to a joint-self-health-insurance cooperative can be or have been made of an amount not to exceed the amount of the liability claim that the school district owes to the joint-self-health-insurance cooperative or that the school district paid within the 2 years immediately preceding the effective date of this amendatory Act of the 92nd General Assembly.

Funds raised pursuant to this Section shall, unless lawfully transferred as provided in Section 17-2A of the School Code, only be used for the purposes specified in this Act, including protection against and reduction of any liability or loss described hereinabove and under Federal or State common or statutory law, the Workers' Compensation Act [820 ILCS 305/1 et seq.], the Workers' Occupational Diseases Act [820 ILCS 310/1 et seq.] and the Unemployment Insurance Act [820 ILCS 405/100 et seq.]. Funds raised pursuant to this Section may be invested in any manner in which other funds of local public entities may be invested under Section 2 of the Public Funds Investment Act [30 ILCS 235/2]. Interest on such funds shall be used only for purposes for which the funds can be used or, if surplus, must be used for abatement of property taxes levied by the local taxing entity.

A local public entity may enter into intergovernmental contracts with a term of not to exceed 12 years for the provision of joint self-insurance which contracts may include an obligation to pay a proportional share of a general obligation or revenue bond or other debt instrument issued by a local public entity which is a party to the intergovernmental contract and is authorized by the terms of the contract to issue the bond or other debt instrument. Funds due under such contracts shall not be considered debt under any constitutional or statutory limitation and the local public entity may levy or have levied on its behalf taxes to pay for its proportional share under the contract. Funds raised pursuant to intergovernmental contracts for the provision of joint self-insurance may only be used for the payment of any cost, liability or loss against which a local public entity may protect itself or self-insure pursuant to Section 9-103 or for the payment of which such entity may levy a tax pursuant to this Section, including tort judgments or settlements, costs associated with the issuance, retirement or refinancing of the bonds or other debt instruments, the repayment of the principal or interest of the bonds or other debt instruments, the costs of the administration of the joint self-insurance fund, consultant, and risk care management programs or the costs of insurance. Any surplus returned to the local public entity under the terms of the intergovernmental contract shall be used only for purposes set forth in subsection (a) of Section 9-103 and Section 9-107 or for abatement of property taxes levied by the local taxing entity.

Any tax levied under this Section shall be levied and collected in like manner with the general taxes of the entity and shall be exclusive of and in addition to the amount of tax that entity is now or may hereafter be authorized to levy for general purposes under any statute which may limit the amount of tax which that entity may levy for general purposes. The county clerk of the county in which any part of the territory of the local taxing entity is located, in reducing tax levies under the provisions of any Act concerning the levy and extension of taxes, shall not consider any

tax provided for by this Section as a part of the general tax levy for the purposes of the entity nor include such tax within any limitation of the percent of the assessed valuation upon which taxes are required to be extended for such entity.

With respect to taxes levied under this Section, either before, on, or after the effective date of this amendatory Act of 1994:

(1) Those taxes are excepted from and shall not be included within the rate limitation imposed by law on taxes levied for general corporate purposes by the local public entity authorized to levy a tax under this Section.

(2) Those taxes that a local public entity has levied in reliance on this Section and that are excepted under paragraph (1) from the rate limitation imposed by law on taxes levied for general corporate purposes by the local public entity are not invalid because of any provision of the law authorizing the local public entity's tax levy for general corporate purposes that may be construed or may have been construed to restrict or limit those taxes levied, and those taxes are hereby validated. This validation of taxes levied applies to all cases pending on or after the effective date of this amendatory Act of 1994.

(3) Paragraphs (1) and (2) do not apply to a hospital organized under Article 170 or 175 of the Township Code [60 ILCS 1/170-5 et seq. or 60 ILCS 1/175-5 et seq.], under the Town Hospital Act [now repealed], or under the Township Non-Sectarian Hospital Act [now repealed] and do not give any authority to levy taxes on behalf of such a hospital in excess of the rate limitation imposed by law on taxes levied for general corporate purposes. A hospital organized under Article 170 or 175 of the Township Code, under the Town Hospital Act, or under the Township Non-Sectarian Hospital Act is not prohibited from levying taxes in support of tort liability bonds if the taxes do not cause the hospital's aggregate tax rate from exceeding the rate limitation imposed by law on taxes levied for general corporate purposes.

Revenues derived from such tax shall be paid to the treasurer of the local taxing entity as collected and used for the purposes of this Section and of Section 9-102, 9-103, 9-104 or 9-105, as the case may be. If payments on account of such taxes are insufficient during any year to meet such purposes, the entity may issue tax anticipation warrants against the current tax levy in the manner provided by statute.

COUNTY ENGINEER AND HIGHWAY SUPERINTENDENT LIABILITY ACT

Section

745 ILCS 15/0.01 Short title

This Act may be cited as the County Engineer and Highway Superintendent Liability Act.

HISTORY:
P.A. 86-1324; 87-217.

745 ILCS 15/1 [Declaration of public policy]

It is the public policy of this State that county engineers and superintendents of highways should not suffer pecuniary loss because of any injury to persons or property resulting from their failure to perform or negligence in performing any official duty and which injury arises out of the use of highways, culverts, bridges, or shoulders for which they have some degree of supervisory, maintenance, repair or construction responsibility and that persons who suffer such injury should not be entirely precluded from recovery of loss occasioned by any such injury.

HISTORY:
P.A. 87-217.

745 ILCS 15/2 [Immunity from civil action; scope]

No civil action shall be commenced against any county engineer or superintendent of highways by any person for any injury to his person or property resulting from the county engineer's or superintendent of highways' failure to perform or negligence in performing any official duty and which injury arises out of the use of highways, culverts, bridges, or shoulders unless it is commenced within one year after the cause of action accrued.

HISTORY:
P.A. 87-217.

745 ILCS 15/3 [Notice of action]

Within 6 months after the date that any such injury was received, any person who is about to commence any civil action against any county engineer or superintendent of highways on account of that injury shall file in the office of that county engineer or superintendent of highways and in the office of the State's Attorney of the county in which the cause of action arose, either by himself, his agent or attorney, a statement in writing signed by him, his agent or attorney, giving the name of the person to whom the cause of action has accrued, the place or location where the injury occurred, the nature of the

injury and the name and address of the attending physician, if any.

HISTORY:
P.A. 87-217.

745 ILCS 15/4 [Failure to provide notice]

If the notice provided for by Section 3 [745 ILCS 15/3] is not filed as required therein, any such civil action commenced against any county engineer or superintendent of highways shall be dismissed and the person to whom any such cause of action accrued shall be forever barred from further suing.

HISTORY:
P.A. 87-217.

745 ILCS 15/5 [Limits on recovery]

In any such civil action where it is found that there was no contributory negligence attributable to the plaintiff and that there was actionable negligence attributable to the defendant, the court or jury, as the case may be, may grant fair and reasonable compensation for the injury sustained but not in excess of $10,000.

HISTORY:
Laws 1961, p. 3188.

745 ILCS 15/6 [Indemnification]

The county shall indemnify the county engineer or superintendent of highways for any judgment recovered against him in any such action and also any cost incurred in defense of such action.

HISTORY:
P.A. 87-217.

745 ILCS 15/7 [Application]

This Act shall apply only to such causes of action as may accrue after the effective date of this Act as the result of use of the highways.

HISTORY:
Laws 1961, p. 3188.

CHAPTER 765
PROPERTY

REAL PROPERTY
PLATS AND SURVEYS

REAL PROPERTY

Conveyances Act

Section
765 ILCS 5/7a [Transfer of interests in roads]
765 ILCS 5/16 [Delivery authorization]

CONVEYANCES ACT

765 ILCS 5/7a [Transfer of interests in roads]

(a) Except as provided in subsection (b), any instrument, including a will, which conveys, transfers, encumbers, leases or releases, or by which an agreement is made to convey, transfer, encumber, lease or release, or by virtue of which there is conveyed, transferred, encumbered, leased or released, any real property, whether described by a metes and bounds description or otherwise, which abuts upon any road, street, highway or alley, or upon any abandoned or vacated road, street, highway or alley shall be deemed and construed to include any right, title or interest in that part of such road, street, highway or alley which the abutting owner who makes any such instrument shall presently have or, which such owner, his heirs, successors and assigns subsequently acquires in such road, street, highway or alley unless such instrument by its terms expressly excludes, in the description of the property, such road, street, highway or alley. The right, title or interest acquired under such instrument in such road, street, highway or alley, by virtue of the provisions of this Act, shall be deemed and construed to be for the same uses and purposes set forth in such instrument with respect to the real property specifically described in the instrument. However, no covenants or agreements made by the maker of any such instrument with respect to any real property specifically described shall apply to or be enforceable with respect to any right, title or interest which is acquired solely by virtue of the provisions of this Act.

(b) With regard to any public utility, as defined in Section 3-105 of the Public Utilities Act [220 ILCS 5/3-105], engaged in public water or public sanitary sewer service that comes under the jurisdiction of the Illinois Commerce Commission, any instrument, including a will, which conveys, transfers, encumbers, leases or releases, or by which an agreement is made to convey, transfer, encumber, lease or release, or by virtue of which there is conveyed, transferred, encumbered, leased or released, any real property, whether described by a metes and bounds description or otherwise, which abuts upon any road, street, highway or alley, or upon any abandoned or vacated road, street, highway or alley shall be deemed and construed to include any right, title or interest in that part of such road, street, highway or alley which the abutting owner who makes any such instrument shall presently have or, which such owner, his heirs, successors and assigns subsequently acquires in such road, street, highway or alley unless such instrument by its terms expressly excludes, in the description of the property, such road, street, highway or alley. The right, title or interest acquired under such instrument in such road, street, highway or alley, by virtue of the provisions of this Act, shall be deemed and construed to be for the same uses and purposes set forth in such instrument with respect to the real property specifically described in the instrument. However, no covenants or agreements made by the maker of any such instrument with respect to any real property specifically described shall apply to or be enforceable with respect to any right, title, or interest which is acquired solely by virtue to the provisions of this Act. "Conveyance" expressly excludes a road, street, highway, or alley if the legal description of the property uses the boundary of the road, street, highway, or alley closest to the property being conveyed as a boundary of the property being conveyed or expressly states that the road, street, highway, or alley is excepted from the property being conveyed. A conveyance does not expressly exclude a road, street, highway, or alley if the conveyance is described as being "subject to" the road, street, highway, or alley. The rights accruing in the abutting property owner under this Act shall be subject to all existing uses and easements located within the right-of-way; the rights shall also be subject to such future uses and easements as may be permitted to be located within the right-of-way under the provisions of the Illinois Highway Code [605 ILCS 5/1-101 et seq.] or any successor statute thereto. This provision of this amendatory Act of the 93rd General Assembly [P.A. 93-357] is intended to clarify, by codification, existing law and is not intended to change the law.

HISTORY:
P.A. 76-1660; 93-357, § 10.

765 ILCS 5/16 [Delivery authorization]

The county board of any county may authorize any officer or member of its board to execute and deliver all deeds, grants, conveyances and other instruments in writing, which may become necessary in selling, transferring or conveying any real estate belonging

to its county and such deeds, grants, conveyances and other instruments, if made without fraud or collusion, shall be obligatory upon the county to all intents and purposes.

HISTORY:
Laws 1871-2, p. 282.

PLATS AND SURVEYS

Plat Act

PLAT ACT

765 ILCS 205/0.01 Short title

This Act may be cited as the Plat Act.

HISTORY:
P.A. 86-1324.

765 ILCS 205/1 [Subdivision plat required; exceptions]

(a) Except as otherwise provided in subparagraph (b) of this Section whenever the owner of land subdivides it into 2 or more parts, any of which is less than 5 acres, he must have it surveyed and a subdivision plat thereof made by an Illinois Registered Land Surveyor, which plat must particularly describe and set forth all public streets, alleys, ways for public service facilities, ways for utility services and community antenna television systems, parks, playgrounds, school grounds or other public grounds, and all the tracts, parcels, lots or blocks, and numbering all such lots, blocks or parcels by progressive numbers, giving their precise dimensions. There shall be submitted simultaneously with the subdivision plat, a study or studies which shall show topographically and by profile the elevation of the land prior to the commencement of any change in elevations as a part of any phase of subdividing, and additionally, if it is contemplated that such elevations, or the flow of surface water from such land, will be changed as a result of any portion of such subdivision development, then such study or studies shall also show such proposed changes in the elevations and the flow of surface water from such land. The topographical and profile studies required hereunder may be prepared as a subsidiary study or studies separate from, but of the same scale and size as the subdivision plat, and shall be prepared in such a manner as will permit the topographical study or studies to be used as overlays to the subdivision plat. The plat must show all angular and linear data along the exterior boundaries of the tract of land divided or subdivided, the names of all public streets and the width, course and extent of all public streets, alleys and ways for public service facilities. References must also be made upon the plat to known and permanent monuments from which future survey may be made and the surveyor must, at the time of making his survey, set in such manner that they will not be moved by frost, good and sufficient monuments marking the external boundaries of the tract to be divided or subdivided and must designate upon the plat the points where they may be found. These monuments must be placed at all corners, at each end of all curves, at the point where a curve changes its radius, at all angle points in any line and at all angle points along a meander line, the points to be not less than 20 feet back from the normal water elevation of a lake or from the bank of a stream, except that when such corners or points fall within a street, or proposed future street, the monuments must be placed in the right of way line of the street. All internal boundaries, corners and points must be monumented in the field by like monuments as defined above. These monuments 2 of which must be of stone or reinforced concrete and must be set at the opposite extremities of the property platted, placed at all block corners, at each end of all curves, at the points where a curve changes its radius, and at all angle points in any line. All lots must be monumented in the field with 2 or more monuments.

The monuments must be furnished by the person for whom the survey is made and must be such that they will not be moved by frost. If any city, village or town has adopted an official plan, or part thereof, in the manner prescribed by law, the plat of land situated within the area affected thereby must conform to the official plan, or part thereof.

(b) Except as provided in subsection (c) of this Section, the provisions of this Act do not apply and no subdivision plat is required in any of the following instances:

1. the division or subdivision of land into parcels or tracts of 5 acres or more in size which does not involve any new streets or easements of access;

2. the division of lots or blocks of less than 1 acre in any recorded subdivision which does not involve any new streets or easements of access;

3. the sale or exchange of parcels of land between owners of adjoining and contiguous land;

4. the conveyance of parcels of land or interests therein for use as a right of way for railroads or

other public utility facilities and other pipe lines which does not involve any new streets or easements of access;

5. the conveyance of land owned by a railroad or other public utility which does not involve any new streets or easements of access;

6. the conveyance of land for highway or other public purposes or grants or conveyances relating to the dedication of land for public use or instruments relating to the vacation of land impressed with a public use;

7. conveyances made to correct descriptions in prior conveyances;

8. the sale or exchange of parcels or tracts of land following the division into no more than 2 parts of a particular parcel or tract of land existing on July 17, 1959 and not involving any new streets or easements of access;

9. the sale of a single lot of less than 5 acres from a larger tract when a survey is made by an Illinois Registered Land Surveyor; provided, that this exemption shall not apply to the sale of any subsequent lots from the same larger tract of land, as determined by the dimensions and configuration of the larger tract on October 1, 1973, and provided also that this exemption does not invalidate any local requirements applicable to the subdivision of land;

10. the preparation of a plat for wind energy devices under Section 10-620 of the Property Tax Code [35 ILCS 200/10-620].

Nothing contained within the provisions of this Act shall prevent or preclude individual counties from establishing standards, ordinances, or specifications which reduce the acreage minimum to less than 5 acres, but not less than 2 acres, or supplementing the requirements contained herein when a survey is made by an Illinois Registered Land Surveyor and a plat thereof is recorded, under powers granted to them.

(c) However, if a plat is made by an Illinois Registered Surveyor of any parcel or tract of land otherwise exempt from the plat provisions of this Act pursuant to subsection (b) of this Section, such plat shall be recorded. It shall not be the responsibility of a recorder of deeds to determine whether the plat has been made or recorded under this subsection (c) prior to accepting a deed for recording.

HISTORY:
P.A. 84-373; 95-644, § 40; 99-78, § 585.

765 ILCS 205/1.005 School district statement

(a) When an owner is required to file a plat pursuant to Section 1 of this Act [765 ILCS 205/1], the owner shall submit simultaneously with the subdivision plat a notarized statement indicating, to the best of the owner's knowledge, the school district in which each tract, parcel, lot, or block lies.

(b) An owner who knowingly files an incorrect statement under this Section is liable for damages to any subsequent purchaser of the property who relies on the incorrect statement to that person's detriment.

HISTORY:
P.A. 90-286, § 5.

765 ILCS 205/1.01 [Subdivision of disconnected park district land]

No area of land or any part thereof which has been disconnected from any park district pursuant to Section 3-6b of "The Park District Code" [70 ILCS 1205/3-6b], shall be subdivided into lots and blocks within one year from the date of such disconnection. No plan of any such proposed subdivision shall be presented by any person for recording or registration within such one year period unless the land comprising such proposed subdivision has thereafter been incorporated into a city, village or incorporated town.

HISTORY:
Laws 1965, p. 2712.

765 ILCS 205/1.02 [Annexation]

When any city, village, municipal corporation or political subdivision in the State annexes or disconnects territory, a plat of the land included in the disconnection or annexation must be filed with the recorder in the county or counties where the territory is located. In counties where the county clerk is not also the county recorder, a copy of the plat shall also be filed with the county clerk. Each plat shall state a legal description or descriptions sufficient to identify the boundaries of the annexed or disconnected territory, by reference to government surveys or by metes and bounds, including the section, township and range in which the territory is located. Such a plat must be prepared by a Registered Land Surveyor or in the case of cities, villages and incorporated towns by a Registered Land Surveyor or a duly employed municipal engineer registered under the laws of the State of Illinois, provided such engineer has had training in the field of civil engineering.

HISTORY:
P.A. 83-358; 87-1189, § 5-3.

765 ILCS 205/2 [Plat requirements and approval; recording]

The plat must be completed, a statement from a Registered Land Surveyor attached and acknowledged by the owner of the land, or his attorney duly authorized, in the same manner as deeds of land are required to be acknowledged. The plat must be submitted to the city council of the city or board of trustees of the village or town or to the officer designated by them, for their or his approval, if the land subdivided is located within the corporate limits of any such city, village or town or within contiguous territory which is affected by an official plan, or part thereof, of any city, village or town. If the land

subdivided is located outside the corporate limits of any city, village or town and is not affected by such official plan, or part thereof, the plat must be submitted to the county board of the county in which the land is located for its approval. Within 3 business days after a plat is submitted for approval, the city council, board of trustees, designated officer, or county board shall notify the president of the school board of each school district in which any of the subdivided land is located that the plat has been submitted for approval and that it is available for inspection. The notice shall also give the date, time, and place of the hearing on approval or disapproval of the plat. The notice shall be served by certified mail, return receipt requested, or by personal delivery. Failure to notify the school board as required by this Section does not invalidate the plat.

Neither the city council of the city, the board of trustees of the village or town or the officer designated by them, or the county board of the county shall approve such plat, unless, in addition to any other requirements of such council, board of trustees or county board or the officer or officers designated by them, the topographical and profile studies to be submitted with the subdivision plat have on their face the signed statement of a Registered Professional Engineer, and the owner of the land or his duly authorized attorney, to the effect that to the best of their knowledge and belief the drainage of surface waters will not be changed by the construction of such subdivision or any part thereof, or, that if such surface water drainage will be changed, reasonable provision has been made for collection and diversion of such surface waters into public areas, or drains which the subdivider has a right to use, and that such surface waters will be planned for in accordance with generally accepted engineering practices so as to reduce the likelihood of damage to the adjoining property because of the construction of the subdivision. The topographical and profile studies required herein shall not be recorded, but shall be retained and filed by city, village or county to which submitted for approval of the subdivision plat, as permanent public documents.

Neither the city council of the city, the board of trustees of the village or town or the officer designated by them, or the county board of the county shall approve such plat, unless, in addition to any other requirements of such council, board of trustees or county board or the officer or officers designated by them, the plat has been approved in writing (i) except in municipalities with a population of 1,000,000 or more, by the Illinois Department of Transportation with respect to roadway access where such access is to a state highway, (ii) by the relevant local highway authority with respect to all other roadway access, and (iii) by the local health department, if one exists, with respect to sewage disposal systems if any part of the platted land will not be served by a public sewer system. An applicant shall simultaneously file with the Illinois Department of Transportation, relevant local highway authority, or local health department, as appropriate, a copy of the application for preliminary approval of a proposed plat that is filed with the municipality or county. The department or authority receiving the application shall review the application based solely upon safety or access control standards and provide written approval or disapproval to the municipal or county plan commission and to the municipal or county corporate authorities not later than 90 days from the date the application is received. The 90 day period may be changed by mutual agreement. If disapproved, the department or authority shall provide reasons for the disapproval related to safety or access control standards and identify improvements that will remove the disapproval. The municipal or county corporate authorities may approve the plat once the improvements have been incorporated into the application or in the event that the department or authority fails to respond in writing to the municipality or county within the 90 day period or other period established by mutual agreement. The failure of the city council of a municipality with a population of 1,000,000 or more to obtain approval of a plat in writing by the Illinois Department of Transportation with respect to roadway access where such access is to a State highway, prior to the approval of any such plat as required by this Section, where such failure occurred on or after January 1, 1988 and before the effective date of this amendatory Act of 1989, shall not affect the validity of such plat, and any such plat otherwise complying with the provisions of this Section is validated.

The statement of the Registered Land Surveyor and of acknowledgment, together with the plat, must be recorded by the Land Surveyor who prepared the plat, or a person designated by that Land Surveyor, or upon the death, incapacity, or absence of that Land Surveyor, by the owner of the land or his or her representative, in the recorder's office of the county in which the land is situated, or if the title to the land is registered under the Land Titles Act [765 ILCS 35/0.01 et seq.], must be filed in the office of the registrar of titles for the county, and such acknowledgment and recording or such acknowledgment and filing as aforesaid, shall have like effect and certified copies thereof and of such plat, or of any plat heretofore acknowledged and certified according to law, may be used in evidence to the same extent and with like effect, as in case of deeds. The recorder or registrar of titles shall not record or register a plat offered for recording or registration after October 1, 1977, unless such plat is at least 81/2 inches by 14 inches but not more than 30 inches by 36 inches. In counties of 1,000,000 or more population the recorder or the registrar of titles must not record or register the plat unless the persons submitting the plat for recording or registration simultaneously therewith deliver to the recorder or registrar of titles 6 true and exact copies thereof. In all counties, the recorder or registrar of titles shall not record or register a plat, unless the plat states the current mailing address of

the person submitting the plat for recording or registration. Any changes to the unrecorded plat as may be desired or required by any party must be made by the Registered Land Surveyor who prepared the original plat, and in the event of the death, incapacity, or absence of that Land Surveyor, by another Registered Land Surveyor who shall specifically identify the change or changes made on the face of the plat.

An original plat, having been properly certified, acknowledged, approved and recorded or filed as above provided in this Section, may be retained as the permanent record by the recorder or registrar.

HISTORY:
P.A. 86-284; 86-768; 86-1028; 86-1238; 86-1349; 86-1475; 87-705.

765 ILCS 205/3 [Acknowledgment and recording or filing]

The acknowledgment and recording of such plat, or the acknowledgment and the filing of the same shall be held in all courts to be a conveyance in fee simple of such portions of the premises platted as are marked or noted on such plat as donated or granted to the public, or any person, religious society, corporation or body politic, and as a general warranty against the donor, his or her heirs and representatives, to such donee or grantee, for their use or for the use and purposes therein named or intended, and for no other use or purpose; and the premises intended for any street, alley, way, common or other public use in any city, village or town, or addition thereto, shall be held in the corporate name thereof in trust to and for the uses and purposes set forth or intended.

HISTORY:
P.A. 83-345.

765 ILCS 205/4 [Failure to plant corner stone; penalty]

Whoever shall lay out any town or make any addition to any city, village or town, or re-subdivide any lots or blocks therein, and neglect to plant any corner stone when required by this act, or shall survey the same or cause it to be surveyed in any other manner than that which is prescribed in this act, shall be guilty of a petty offense and fined in any sum not less than $25 nor exceeding $100.

HISTORY:
P.A. 77-2561.

765 ILCS 205/5 [Violation of Act; penalty]

Whoever sells or leases for any time exceeding five years, any lot or block in or outside of any town, city or village before all the requirements of this Act have been complied with, shall be guilty of a petty offense and fined $25 for each lot or block or part thereof so disposed of or leased. Nothing in this Section shall prohibit an offer of sale or acceptance of deposit by a seller before compliance with the requirements of this Act, provided that compliance occurs before conveyance of any deed to the property.

HISTORY:
P.A. 77-2561; 90-308, § 5.

765 ILCS 205/5a [Recording]

The recorder or the Registrar of Title of any county shall not record deeds or leases which attempt to convey property contrary to the provisions of this Act. In case of doubt, the recorder or the Registrar of Title of any county may require the person presenting such deed or lease to give evidence of the legality of a conveyance by an affidavit as to the facts which exempt such conveyance from the provisions of this Act.

HISTORY:
P.A. 83-358.

765 ILCS 205/6 [Vacation of plat by owner]

Any plat may be vacated by the owner of the premises at any time before the sale of any lot therein, by a written instrument to which a copy of the plat is attached, declaring it to be vacated. If there are public service facilities in the highways, streets, alleys and other public ways and in easements shown on the plat, the instrument shall reserve to the public body or public utility owning such facilities, the property, rights of way and easements necessary for continuing public service by means of those facilities and for the maintenance, renewal and reconstruction of the same. The instrument shall be approved by the city council or village or county board in the same manner as plats of subdivisions. The instrument shall also be submitted for approval to the Highway Commissioner and to the county engineer or superintendent of highways and to the District Engineer of the Department of Transportation of this State and to the public utility or utilities involved. The council, board, Highway Commissioner, county engineer or superintendent of highways or District Engineer of the Department of Transportation of this State, as the case may be, may reject any instrument that abridges or destroys any public rights in any of its streets and alleys. The instrument shall be executed, acknowledged or proved and recorded or filed in the same manner as plats or subdivisions. Once recorded or filed the instrument operates to destroy the effect of the recording of the plat vacated and to divest all public rights in the streets, alleys and public grounds and all dedications laid out or described in the plat and to render effective any reservation set forth in the instrument as provided in this Section. When lots have been sold the plat may be vacated in the manner provided in this Section by all the owners of lots in the plat joining in the execution of the writing.

HISTORY:
P.A. 87-217.

765 ILCS 205/7 [Vacation of part of plat]

Any part of a plat may be vacated in the manner provided in the preceding section, and subject to the conditions therein prescribed: Provided, such vacation shall not abridge or destroy any of the rights or privileges of other proprietors in such plat: And, provided, further, that nothing contained in this section shall authorize the closing or obstructing of any public highway laid out according to law.

HISTORY:
Laws 1874, p. 771.

765 ILCS 205/8 [Recording of vacation]

When any plat or part thereof is vacated the recorder or registrar of titles in whose office the plat is recorded or filed as aforesaid, shall, upon the recording of such vacation, write in plain letters across the plat or part so vacated the word "vacated," and shall also make a reference on the same to the volume and page in which the instrument of vacation is recorded.

HISTORY:
Laws 1921, p. 677.

765 ILCS 205/9 [Alteration of highways, roads, streets, etc.]

Whenever any highway, road, street, alley, public ground, toll-road, railroad, reservoir or canal is laid out, located, opened, widened or extended, or its location altered, it is the duty of the commissioners, authorities, officers, persons or corporations, public or private, laying out, locating, opening, widening, extending or altering the same, to make a plat, showing its width, courses and extent, and making reference to known and established corners or monuments. When the location of a subdivision, lots or parcel within a subdivision, tract, highway, road, street, alley, public ground, toll-road, railroad, reservoir or canal is known either by established corners or adequate, existing records, the monument or monuments shall be located and referenced either by or under the direction of a Registered Land Surveyor at the time such highway, road, street, alley, public ground, toll-road, railroad, reservoir or canal is laid out, located, widened or extended, or its location altered. Suitable permanent monuments shall be reset in the surface of new construction or permanent witness monuments set to perpetuate their location and certified as correct by a Registered Land Surveyor. The plat shall be recorded in the office of the recorder of the county in which the premises are taken or used, or any part thereof, are situated, or in case of land the title to which is registered under "An Act concerning land titles", approved May 1, 1897, as amended [765 ILCS 35/0.01 et seq.], to be filed in the office of the registrar of titles for the county, within 6 months after such highway, road, street, alley, public ground, toll-road, railroad, reservoir or canal is laid out, located, opened, widened, or extended, or the location thereof altered and when any highway, road, street, alley, public ground, toll-road, railroad, reservoir or canal is vacated, the order, ordinance or other declaration of vacation must be in like manner recorded or filed. The recorder or registrar of titles shall not record or register a plat offered for recording or registration after October 1, 1977, unless such plat is at least 81/2 inches by 14 inches but not more than 30 inches by 36 inches. Sufficient controlling monuments shall be retained or replaced in their original positions or reference monuments established from original controlling monuments, so as to enable land lines, property corners or tract boundaries to be re-established without surveys based on monuments differing from the ones which currently control the area. Every land surveyor is under a duty to cooperate in matters of maps, field notes and other pertinent records. This Act shall not be construed to alter or affect any law specifically providing for the recording or filing of any plat, or to require the same to be recorded or filed sooner than is so specifically provided; except that any requirements to record or file such plat in any other place than is provided herein do not excuse the parties from complying with this Act. Any party who refuses or neglects to comply with this Section shall be guilty of a petty offense for every month he continues in such refusal or neglect after conviction, to be recovered by an action in the circuit court of the county, in the name of the county, 1/2 to the use of the county and the other 1/2 to the use of the person complaining.

The provisions of this Section shall not apply to a railroad subject to the jurisdiction of the Interstate Commerce Commission or any abandonment of all or a portion of such railroad, except that the provisions of this Section shall apply to the construction of a new line of railroad.

HISTORY:
P.A. 83-358; 88-81, § 5.

765 ILCS 205/9.1 [Easements]

When any county or township authority proposes to extend or widen a public highway by obtaining easements from abutting property owners without transfer of land titles, then such map or plat of the land parcels involved in the easement must be prepared by a Registered Land Surveyor or by a duly employed county engineer or superintendent of highways registered as an engineer under the laws of the State of Illinois.

HISTORY:
P.A. 87-217.

765 ILCS 205/10 [Knowledge of violations of Act]

Whenever it shall come to the knowledge of the recorder or of the registrar of titles of any county that any of the provisions of this Act have been violated, it

shall be his duty to notify the State's attorney of the fact, and the State's attorney shall immediately institute proceedings, and prosecute the same to final judgment against the person offending.

HISTORY:
P.A. 83-358.

765 ILCS 205/11 [Unauthorized removal or destruction of survey marker]

Any unauthorized person who knowingly damages, destroys or removes a stake, pin, monument or other survey marker shall, be guilty of a Class A misdemeanor. For purposes of this Section, a surveyor who moves a stake, pin, monument or other survey marker for the purpose of correcting a survey is an authorized person.

HISTORY:
P.A. 77-2561.

765 ILCS 205/56 Duty of counties issuing building/improvement permits

Counties that are authorized by law to exercise land use control through a building/improvement permit process may deny the issuance of a building permit for building or other improvement to be constructed on a parcel of land subdivided contrary to the provisions of this Act.

HISTORY:
P.A. 93-744, § 5.

CHAPTER 775

HUMAN RIGHTS

PUBLIC WORKS EMPLOYMENT DISCRIMINATION ACT

Section

775 ILCS 10/0.01 Short title

This Act may be cited as the Public Works Employment Discrimination Act.

HISTORY:
P.A. 86-1324.

775 ILCS 10/1 [Unlawful discrimination in employment prohibited]

(a) No person shall be refused or denied employment in any capacity on the ground of unlawful discrimination, as that term is defined in the Illinois Human Rights Act [775 ILCS 5/1-101 et seq.], nor be subjected to unlawful discrimination in any manner, in connection with the contracting for or the performance of any work or service of any kind, by, for, on behalf of, or for the benefit of this State, or of any department, bureau, commission, board, or other political subdivision or agency thereof.

(b) The Illinois Human Rights Act [775 ILCS 5/1-101 et seq.] applies to all contracts identified in subsection (a).

HISTORY:
P.A. 81-1216.

775 ILCS 10/2 [Incorporation of Act into State contracts]

The provisions of this Act shall automatically enter into and become a part of each and every contract or other agreement hereafter entered into by, with, for, on behalf of, or for the benefit of this State, or of any department, bureau, commission, board, other political subdivision or agency, officer or agent thereof, providing for or relating to the performance of any of the said work or services or of any part thereof.

HISTORY:
Laws 1933, p. 296.

775 ILCS 10/3 [Applicability to independent contractors, subcontractors and others]

The provisions of this Act also shall apply to all contracts entered into by or on behalf of all independent contractors, subcontractors, and any and all other persons, associations or corporations, providing for or relating to the doing of any of the said work or the performance of any of the said services, or any part thereof.

HISTORY:
Laws 1933, p. 296.

775 ILCS 10/4 [Discrimination by contractors, subcontractors and agents prohibited]

No contractor, subcontractor, nor any person on his or her behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work for the benefit of the State or for any department, bureau, commission, board, other political subdivision or agency, officer or agent thereof, on account of race, color, creed, sex, religion, physical or mental disability unrelated to ability, or national origin; and there may be deducted from the amount payable to the contractor by the State of Illinois or by any municipal corporation thereof, under this contract, a penalty of five dollars for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Act.

HISTORY:
P.A. 80-336; 99-143, § 1005.

775 ILCS 10/5 [Civil penalty]

Any person, agency, corporation or association who violates any of the provisions of this Act, or who aids, abets, incites or otherwise participates in the violation of any of the provisions, whether the violation or participation therein occurs through action in a private, public or in any official capacity, shall be guilty of a petty offense for each and every violation or participation therein with respect to each person aggrieved thereby, to be recovered by each such aggrieved person, or by any other person to whom such aggrieved person shall assign his cause of action, in the circuit court in the county in which the plaintiff or the defendant shall reside.

HISTORY:
P.A. 79-1360.

775 ILCS 10/6 [Penalty]

Any person who or any agency, corporation or association which shall violate any of the provisions of the foregoing sections, or who or which shall aid, abet, incite or otherwise participate in the violation of any of the said provisions, whether the said violation or participation therein shall occur through action in a private, in a public, or in any official capacity, shall also be deemed guilty of a petty offense for each and every said violation or participation or, in the case of non-corporate violators, or participators, of a Class B misdemeanor.

HISTORY:
P.A. 77-2365.

775 ILCS 10/7 [Provisions printed in contract; applicability not affected by omission]

The provisions of this Act shall be printed or otherwise inscribed on the face of each contract to which it shall be applicable, but their absence therefrom shall in no wise prevent or affect the application of the said provisions to the said contract.

HISTORY:
Laws 1933, p. 296.

775 ILCS 10/8 [Severability]

The invalidity or unconstitutionality of any one or more provisions, parts, or sections of this Act shall not be held or construed to invalidate the whole or any other provision, part, or section thereof, it being intended that this Act shall be sustained and enforced to the fullest extent possible and that it shall be construed as liberally as possible to prevent refusals, denials, and discriminations of and with reference to the award of contracts and employment thereunder, on the ground of race, color, creed, sex, religion, physical or mental disability unrelated to ability, or national origin.

BUSINESS TRANSACTIONS

SALES

Car-Sharing Program Act

CAR-SHARING PROGRAM ACT

HISTORY:
2021 P.A. 102-497, § 1, effective January 1, 2022.

815 ILCS 312/1 Short title.

This Act may be cited as the Car-Sharing Program Act.

HISTORY:
2021 P.A. 102-497, § 1, effective January 1, 2022.

815 ILCS 312/5 Definitions.

As used in this Act:

"Peer-to-peer car sharing" means the authorized use of a vehicle by an individual other than the vehicle's owner through a car-sharing program. "Peer-to-peer car sharing" does not include "rent a motor vehicle to another" within the meaning of in Section 6-305 of the Illinois Vehicle Code [625 ILCS 5/6-305]; a transaction involving a "rental agreement" as defined in Section 10 of the Renter's Financial Responsibility and Protection Act [625 ILCS 27/10]; or "renting" as defined in Section 2 of the Automobile Renting Occupation and Use Tax Act [35 ILCS 155/2].

"Car-sharing agreement" means the terms and conditions applicable to a shared-vehicle owner and a shared-vehicle driver that govern the use of a shared vehicle through a car-sharing program. "Car-sharing agreement" does not include a "rental agreement" as defined in Section 10 of the Renter's Financial Responsibility and Protection Act, a "rental agreement" within the meaning of Section 6-305.2 of the Illinois Vehicle Code [625 ILCS 5/6-305.2], or a "rental agreement" as defined in Section 6-305.3 of the Illinois Vehicle Code [625 ILCS 5/6-305.3].

"Car-sharing period" means the period that commences with the delivery period, or, if there is no delivery period, that commences with the car-sharing start time and in either case ends at the car-sharing termination time.

"Car-sharing program" means a business platform that connects vehicle owners with drivers to enable the sharing of vehicles for financial consideration. "Car-sharing program" does not include a "rental company" as defined in Section 10 of the Renter's Financial Responsibility and Protection Act; "rentor" as defined in Section 2 of the Automobile Renting Occupation and Use Tax Act; a person or entity whose business is to "rent a motor vehicle" to another person within the meaning of Section 6-305 or 6-305.2 of the Illinois Vehicle Code; or a "rental car company" as that term is used in Section 6-305 of the Illinois Vehicle Code. A "car-sharing program" is not "engaged in the business of renting automobiles" within the meaning of Section 5-1032 of the Counties Code [55 ILCS 5/5-1032] or Section 8-11-7 of the Illinois Municipal Code [65 ILCS 5/8-11-7].

"Car-sharing start time" means the time when the shared vehicle becomes subject to the control of the shared-vehicle driver at or after the time the reservation of a shared vehicle is scheduled to begin as documented in the records of a car-sharing program.

"Car-sharing termination time" means the earliest of the following events:

(1) the expiration of the agreed-upon period established for the use of a shared vehicle according to the terms of the car-sharing agreement if the shared vehicle is delivered to the location agreed upon in the car-sharing agreement;

(2) the time the shared vehicle is returned to a location as alternatively agreed upon by the shared-vehicle owner and shared-vehicle driver as communicated through a car-sharing program, which alternatively agreed-upon location shall be incorporated into the car-sharing agreement; or

(3) the time the shared-vehicle owner or the shared-vehicle owner's authorized designee takes possession and control of the shared vehicle.

"Delivery period" means the period during which a shared vehicle is being delivered to the location of the car-sharing start time, if applicable, as documented by the governing car-sharing agreement.

"Shared vehicle" means a vehicle that is available for sharing through a car-sharing program. "Shared vehicle" does not include a rental vehicle within the meaning of Section 6-305.2 of the Illinois Vehicle Code.

"Shared-vehicle driver" means an individual who has been authorized to drive the shared vehicle by the shared-vehicle owner under a car-sharing agreement.

"Shared-vehicle owner" means the registered owner, or a person or entity designated by the registered owner, of a vehicle made available for sharing to shared-vehicle drivers through a car-sharing program. "Shared-vehicle owner" does not include a "rental company" as defined in Section 10 of the Renter's Financial Responsibility and Protection Act; a "rentor" as defined in Section 2 of the Automobile Renting Occupation and Use Tax Act; a person or entity whose business is to "rent a motor vehicle" to another person within the meaning of Section 6-305 or 6-305.2 of the Illinois Vehicle Code; or a "rental car company" as that term is used in Section 6-305 of the Illinois Vehicle Code. A "shared-vehicle owner" is not "engaged in the business of renting automobiles" within the meaning of Section 5-1032 of the Counties Code or Section 8-11-7 of the Illinois Municipal Code.

HISTORY:
2021 P.A. 102-497, § 5, effective January 1, 2022.

815 ILCS 312/10 Insurance coverage during car-sharing period.

(a) Except as provided in subsection (b), a car-sharing program shall assume liability of a shared-vehicle owner for bodily injury or property damage to third parties or uninsured and underinsured motorist or personal injury protection losses during the car-sharing period in an amount stated in the car-sharing agreement, which amount may not be less than 4 times the minimum amounts required under Section 7-601 of the Illinois Vehicle Code [625 ILCS 5/7-601].

(b) Notwithstanding the definition of "car-sharing termination time" set forth in Section 5 [815 ILCS 312/5], the assumption of liability under subsection (a) does not apply to any shared-vehicle owner when:

(1) the shared-vehicle owner makes an intentional or fraudulent material misrepresentation or omission to the car-sharing program before the car-sharing period in which the loss occurred; or

(2) the shared-vehicle owner acts in concert with a shared-vehicle driver who fails to return the shared vehicle pursuant to the terms of car-sharing agreement.

(c) Notwithstanding the definition of "car-sharing termination time" set forth in Section 5, the assumption of liability under subsection (a) applies to bodily injury, property damage, and uninsured and underinsured motorist or personal injury protection losses by damaged third parties required by Section 7-601 of the Illinois Vehicle Code.

(d) A car-sharing program shall ensure that, during each car-sharing period, the shared-vehicle owner and the shared-vehicle driver are insured under a motor vehicle liability insurance policy that provides insurance coverage in amounts that, for the shared-vehicle driver, are equal to 2 times the minimum amounts set forth in Section 7-601 of the Illinois Vehicle Code and:

(1) recognizes that the shared vehicle insured under the policy is made available and used through a car-sharing program; or

(2) does not exclude use of a shared vehicle by a shared-vehicle driver.

(e) The insurance described under subsection (d) may be satisfied by motor vehicle liability insurance maintained by:

(1) a shared-vehicle owner;

(2) a shared-vehicle driver;

(3) a car-sharing program; or

(4) a combination of a shared-vehicle owner, a shared-vehicle driver, and a car-sharing program.

(f) The insurance described in subsection (e) that is satisfying the insurance requirement of subsection (d) shall be primary during each car-sharing period, and if a claim occurs in another state with minimum financial responsibility limits higher than those set forth in Section 7-601 of the Illinois Vehicle Code during the car-sharing period, the coverage maintained under subsection (e) shall satisfy the difference in minimum coverage amounts up to the applicable policy limits.

(g) The insurer, insurers, or car-sharing program shall assume primary liability for a claim if it is in whole or in part providing the insurance required under subsections (d) and (e) and:

(1) a dispute exists regarding who was in control of the shared vehicle at the time of the loss and the car-sharing program does not have available, did not retain, or fails to provide the information required by Section 25 [815 ILCS 312/25]; or

(2) a dispute exists as to whether the shared vehicle was returned to the alternatively agreed-upon location referenced in Section 5.

(h) If insurance maintained by a shared-vehicle owner or shared-vehicle driver in accordance with subsection (e) has lapsed or does not provide the required coverage, insurance maintained by a car-sharing program shall provide the coverage required by subsection (d) beginning with the first dollar of a claim and shall have the duty to defend the claim except under circumstances as set forth in subsection (b).

(i) An insurance policy maintained by the car-sharing program shall not make the coverage dependent on another automobile insurer or policy first denying a claim.

(j) Nothing in this Section:

(1) limits the liability of the car-sharing program for any act or omission of the car-sharing program itself that results in injury to any person as a result of the use of a shared vehicle through a car-sharing program; or

(2) limits the ability of the car-sharing program to, by contract, seek indemnification from the shared-vehicle owner or the shared-vehicle driver for economic loss sustained by the car-sharing

program resulting from a breach of the terms and conditions of the car-sharing agreement.

HISTORY:
2021 P.A. 102-497, § 10, effective January 1, 2022.

815 ILCS 312/15 Notification of implications of lien.

At the time a vehicle owner registers as a shared-vehicle owner on a car-sharing program and before the time when the shared-vehicle owner makes a shared vehicle available for car sharing on the car-sharing program, the car-sharing program shall notify the shared-vehicle owner that, if the shared vehicle has a lien against it, the use of the shared vehicle through a car-sharing program, including use without physical damage coverage, may violate the terms of the contract with the lienholder.

HISTORY:
2021 P.A. 102-497, § 15, effective January 1, 2022.

815 ILCS 312/20 Exclusions in motor vehicle liability insurance policies.

(a) An authorized insurer that writes motor vehicle liability insurance in this State may exclude any coverage and the duty to defend or indemnify for any claim afforded under a shared-vehicle owner's motor vehicle liability insurance policy, including, but not limited to:

(1) liability coverage for bodily injury and property damage;

(2) uninsured and underinsured motorist coverage;

(3) medical payments coverage;

(4) comprehensive physical damage coverage; and

(5) collision physical damage coverage.

(b) Nothing in this Act invalidates or limits an exclusion contained in a motor vehicle liability insurance policy, including any insurance policy in use or approved for use that excludes coverage for motor vehicles made available for rent, sharing, or hire, or for any business use.

(c) Nothing in this Act invalidates, limits, or restricts an insurer's ability under existing law to underwrite any insurance policy. Nothing in this Act invalidates, limits, or restricts an insurer's ability under existing law to cancel and non-renew policies.

HISTORY:
2021 P.A. 102-497, § 20, effective January 1, 2022.

815 ILCS 312/25 Recordkeeping; use of vehicle in car sharing.

A car-sharing program shall collect and verify records pertaining to the use of a vehicle, including, but not limited to, times used, car-sharing period pick up and drop off locations, fees paid by the shared-vehicle driver, and revenues received by the shared-vehicle owner, and the car-sharing program shall provide that information upon request to the shared-vehicle owner, the shared-vehicle owner's insurer, or the shared-vehicle driver's insurer to facilitate a claim coverage investigation, settlement, negotiation, or litigation. The car-sharing program shall retain the records for a period not less than the applicable personal injury statute of limitations.

HISTORY:
2021 P.A. 102-497, § 25, effective January 1, 2022.

815 ILCS 312/30 Exemption; vicarious liability.

A car-sharing program and a shared-vehicle owner shall be exempt from vicarious liability consistent with 49 U.S.C. 30106 and under any State or local law that imposes liability solely based on vehicle ownership.

HISTORY:
2021 P.A. 102-497, § 30, effective January 1, 2022.

815 ILCS 312/35 Recovery against indemnification.

A motor vehicle insurer that defends or indemnifies a claim against a shared vehicle that is excluded under the terms of its policy shall have the right to seek recovery against the motor vehicle insurer of the car-sharing program if the claim is:

(1) made against the shared-vehicle owner or the shared-vehicle driver for loss or injury that occurs during the car-sharing period; and

(2) excluded under the terms of its policy.

HISTORY:
2021 P.A. 102-497, § 35, effective January 1, 2022.

815 ILCS 312/40 Insurable interest.

(a) Notwithstanding any other law, statute, rule, or regulation to the contrary, a car-sharing program shall have an insurable interest in a shared vehicle during the car-sharing period and may provide or offer to provide coverage to a shared-vehicle owner or a shared-vehicle driver under the policy of insurance described in subsection (c).

(b) Nothing in this Section shall be construed as modifying the obligations of the car-sharing program pursuant to Section 10 [815 ILCS 312/10].

(c) A car-sharing program may own and maintain, as the named insured, one or more policies of motor vehicle liability insurance that separately or in combination provides coverage for:

(1) liabilities assumed by the car-sharing program under a car-sharing agreement;

(2) any liability of the shared-vehicle owner;

(3) damage or loss to the shared vehicle; or

(4) any liability of the shared-vehicle driver.

HISTORY:
2021 P.A. 102-497, § 40, effective January 1, 2022.

815 ILCS 312/45 Consumer protection disclosures.

Each car-sharing agreement made in this State shall disclose to the shared-vehicle owner and the shared-vehicle driver:

(1) Any right of the car-sharing program to seek indemnification from the shared-vehicle owner or the shared-vehicle driver for economic loss sustained by the car-sharing program resulting from a breach of the terms and conditions of the car-sharing agreement.

(2) That a motor vehicle liability insurance policy issued to the shared-vehicle owner for the shared vehicle or to the shared-vehicle driver does not provide a defense or indemnification for any claim asserted by the car-sharing program.

(3) That the car-sharing program's insurance coverage on the shared-vehicle owner and the shared-vehicle driver is in effect only during each car-sharing period and that, for any use of the shared vehicle by the shared-vehicle driver after the car-sharing termination time, the shared-vehicle driver and the shared-vehicle owner may not have insurance coverage.

(4) The daily rate, fees, and, if applicable, any insurance or protection package costs that are charged to the shared-vehicle owner or the shared-vehicle driver.

(5) That the shared-vehicle owner's motor vehicle liability insurance may not provide coverage for a shared vehicle.

(6) An emergency telephone number for personnel capable of fielding roadside assistance and other customer service inquiries.

(7) If there are conditions under which a shared-vehicle driver shall maintain a personal automobile insurance policy with certain applicable coverage limits on a primary basis in order to book a shared vehicle.

HISTORY:
2021 P.A. 102-497, § 45, effective January 1, 2022.

815 ILCS 312/50 Driver's license verification and data retention.

(a) A car-sharing program may not enter into a car-sharing agreement with a driver unless the driver who will operate the shared vehicle:

(1) holds a driver's license issued under the laws of this State that authorizes the driver to operate vehicles of the class of the shared vehicle; or

(2) is a nonresident who:

(i) has a driver's license issued by the state or country of the driver's residence that authorizes the driver in that state or country to drive vehicles of the class of the shared vehicle; and

(ii) is at least the same age as that required of a resident to drive; or

(3) otherwise is specifically authorized under the laws of this State to drive vehicles of the class of the shared vehicle.

(b) A car-sharing program shall keep a record of:

(1) the name and address of the shared-vehicle driver;

(2) the number of the driver's license of the shared-vehicle driver and each other person, if any, who will operate the shared vehicle; and

(3) the place of issuance of the driver's license.

HISTORY:
2021 P.A. 102-497, § 50, effective January 1, 2022.

815 ILCS 312/55 Responsibility for equipment.

A car-sharing program shall have sole responsibility for any equipment, such as a GPS system or other special equipment, that is put in or on the vehicle to monitor or facilitate the car-sharing transaction, and shall agree to indemnify and hold harmless the vehicle owner for any damage to or theft of such equipment during the car-sharing period not caused by the vehicle owner. The car-sharing program has the right to seek recovery from the shared-vehicle driver for any loss or damage to such equipment that occurs during the car-sharing period.

HISTORY:
2021 P.A. 102-497, § 55, effective January 1, 2022.

815 ILCS 312/60 Automobile safety recalls.

(a) At the time a vehicle owner registers as a shared-vehicle owner on a car-sharing program and before the time the shared-vehicle owner makes a shared vehicle available for car sharing on the car-sharing program, the car-sharing program shall:

(1) verify that the shared vehicle does not have any safety recalls on the vehicle for which the repairs have not been made; and

(2) notify the shared-vehicle owner of the requirements under subsection (b).

(b)(1) If the shared-vehicle owner has received an actual notice of a safety recall on the vehicle, a shared-vehicle owner may not make a vehicle available as a shared vehicle on a car-sharing program until the safety recall repair has been made.

(2) If a shared-vehicle owner receives an actual notice of a safety recall on a shared vehicle while the shared vehicle is made available on the car-sharing program, the shared-vehicle owner shall remove the shared vehicle from availability on the car-sharing program, as soon as practicably possible after receiving the notice of the safety recall and until the safety recall repair has been made.

(3) If a shared-vehicle owner receives an actual notice of a safety recall while the shared vehicle is being used in the possession of a shared-vehicle driver, as soon as practicably possible after receiving the notice of the safety recall, the shared-vehicle owner shall notify the car-sharing program about the safety recall so that the shared-vehicle owner may address the safety recall repair.

HISTORY:
2021 P.A. 102-497, § 60, effective January 1, 2022.

HISTORY:
2021 P.A. 102-497, § 99, effective January 1, 2022.

815 ILCS 312/99 Effective date.

This Act takes effect January 1, 2022.

CHAPTER 820

EMPLOYMENT

WAGES AND HOURS

Prevailing Wage Act

PREVAILING WAGE ACT

820 ILCS 130/0.01 Short title.

This Act may be cited as the Prevailing Wage Act.

HISTORY:
P.A. 86-1324.

820 ILCS 130/1 [Public policy]

It is the policy of the State of Illinois that a wage of no less than the general prevailing hourly rate as paid for work of a similar character in the locality in which the work is performed, shall be paid to all laborers, workers and mechanics employed by or on behalf of any and all public bodies engaged in public works.

HISTORY:
P.A. 83-443.

820 ILCS 130/2 [Applicability; definitions]

This Act applies to the wages of laborers, mechanics and other workers employed in any public works, as hereinafter defined, by any public body and to anyone under contracts for public works. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented.

As used in this Act, unless the context indicates otherwise:

"Public works" means all fixed works constructed or demolished by any public body, or paid for wholly or in part out of public funds. "Public works" as defined herein includes all projects financed in whole or in part with bonds, grants, loans, or other funds made available by or through the State or any of its political subdivisions, including but not limited to: bonds issued under the Industrial Project Revenue Bond Act (Article 11, Division 74 of the Illinois Municipal Code), the Industrial Building Revenue Bond Act, the Illinois Finance Authority Act, the Illinois Sports Facilities Authority Act, or the Build Illinois Bond Act; loans or other funds made available pursuant to the Build Illinois Act; loans or other funds made available pursuant to the Riverfront Development Fund under Section 10-15 of the River Edge Redevelopment Zone Act; or funds from the Fund for Illinois' Future under Section 6z-47 of the State Finance Act, funds for school construction under Section 5 of the General Obligation Bond Act, funds authorized under Section 3 of the School Construction Bond Act, funds for school infrastructure under Section 6z-45 of the State Finance Act, and funds for transportation purposes under Section 4 of the General Obligation Bond Act. "Public works" also includes (i) all projects financed in whole or in part with funds from the Environmental Protection Agency under the Illinois Renewable Fuels Development Program Act for which there is no project labor agreement; (ii) all work performed pursuant to a public private agreement under the Public Private Agreements for the Illiana Expressway Act or the Public-Private Agreements for the South Suburban Airport Act; (iii) all projects undertaken under a public-private agreement under the Public-Private Partnerships for Transportation Act; and (iv) all transportation facilities undertaken under a design-build contract or a Construction Manager/General Contractor contract under the Innovations for Transportation Infrastructure Act. "Public works" also includes all projects at leased facility property used for airport purposes under Section 35 of the Local Government Facility Lease Act. "Public works" also includes the construction of a new wind power facility by a business designated as a High Impact Business under Section 5.5(a)(3)(E) and the construction of a new utility-scale solar power facility by a business designated as a High Impact Business under Section

5.5(a)(3)(E-5) of the Illinois Enterprise Zone Act. "Public works" also includes electric vehicle charging station projects financed pursuant to the Electric Vehicle Act and renewable energy projects required to pay the prevailing wage pursuant to the Illinois Power Agency Act. "Public works" does not include work done directly by any public utility company, whether or not done under public supervision or direction, or paid for wholly or in part out of public funds. "Public works" also includes construction projects performed by a third party contracted by any public utility, as described in subsection (a) of Section 2.1, in public rights-of-way, as defined in Section 21-201 of the Public Utilities Act, whether or not done under public supervision or direction, or paid for wholly or in part out of public funds. "Public works" also includes construction projects that exceed 15 aggregate miles of new fiber optic cable, performed by a third party contracted by any public utility, as described in subsection (b) of Section 2.1, in public rights-of-way, as defined in Section 21-201 of the Public Utilities Act, whether or not done under public supervision or direction, or paid for wholly or in part out of public funds. "Public works" also includes any corrective action performed pursuant to Title XVI of the Environmental Protection Act for which payment from the Underground Storage Tank Fund is requested. "Public works" does not include projects undertaken by the owner at an owner-occupied single-family residence or at an owner-occupied unit of a multi-family residence. "Public works" does not include work performed for soil and water conservation purposes on agricultural lands, whether or not done under public supervision or paid for wholly or in part out of public funds, done directly by an owner or person who has legal control of those lands.

"Construction" means all work on public works involving laborers, workers or mechanics. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented.

"Locality" means the county where the physical work upon public works is performed, except (1) that if there is not available in the county a sufficient number of competent skilled laborers, workers and mechanics to construct the public works efficiently and properly, "locality" includes any other county nearest the one in which the work or construction is to be performed and from which such persons may be obtained in sufficient numbers to perform the work and (2) that, with respect to contracts for highway work with the Department of Transportation of this State, "locality" may at the discretion of the Secretary of the Department of Transportation be construed to include two or more adjacent counties from which workers may be accessible for work on such construction.

"Public body" means the State or any officer, board or commission of the State or any political subdivision or department thereof, or any institution supported in whole or in part by public funds, and includes every county, city, town, village, township, school district, irrigation, utility, reclamation improvement or other district and every other political subdivision, district or municipality of the state whether such political subdivision, municipality or district operates under a special charter or not.

"Labor organization" means an organization that is the exclusive representative of an employer's employees recognized or certified pursuant to the National Labor Relations Act.

The terms "general prevailing rate of hourly wages", "general prevailing rate of wages" or "prevailing rate of wages" when used in this Act mean the hourly cash wages plus annualized fringe benefits for training and apprenticeship programs approved by the U.S. Department of Labor, Bureau of Apprenticeship and Training, health and welfare, insurance, vacations and pensions paid generally, in the locality in which the work is being performed, to employees engaged in work of a similar character on public works.

820 ILCS 130/2.1 Public utilities.

(a) For purposes of this Act, to the extent permitted by and consistent with federal law, "public utility" has the meaning given that term in Section 3-105 of the Public Utilities Act [220 ILCS 5/3-105].

(b) For purposes of this Act, "public utility" also includes:

(1) telecommunications carriers, as defined in Section 13-202 of the Public Utilities Act [220 ILCS 5/13-202], but not including incumbent local exchange carriers that serve fewer than 20,000 access lines;

(2) providers of cable service or video service, as defined in Section 21-201 of the Public Utilities Act [220 ILCS 5/21-201];

(3) providers of wireless services, including, but not limited to, private radio service, public mobile service, or commercial mobile service within the meaning of Section 332 of the federal Communications Act of 1934 (47 U.S.C. 332);

(4) interconnected voice over Internet protocol providers as defined in Section 13-235 of the Public Utilities Act [220 ILCS 5/13-235];

(5) providers of broadband service, as defined in Section 21-201 of the Public Utilities Act; and

(6) persons or entities engaged in the installation, repair, or maintenance of fiber optic cable that is or will be used by persons described in paragraphs (1) through (5) of this subsection.

HISTORY:
2021 P.A. 102-9, § 40, effective January 1, 2022.

820 ILCS 130/3 [Prevailing rate of hourly wages for construction of public works]

Not less than the general prevailing rate of hourly wages for work of a similar character on public works in the locality in which the work is performed, and not less than the general prevailing rate of hourly wages for legal holiday and overtime work, shall be paid to all laborers, workers and mechanics employed by or on behalf of any public body engaged in the construction or demolition of public works. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented. Only such laborers, workers and mechanics as are directly employed by contractors or subcontractors in actual construction work on the site of the building or construction job, and laborers, workers and mechanics engaged in the transportation of materials and equipment to or from the site, but not including the transportation by the sellers and suppliers or the manufacture or processing of materials or equipment, in the execution of any contract or contracts for public works with any public body shall be deemed to be employed upon public works. The wage for a tradesman performing maintenance is equivalent to that of a tradesman engaged in construction or demolition.

HISTORY:
P.A. 83-443; 93-15, § 905; 93-16, § 5; 95-341, § 5; 96-186, § 5.

820 ILCS 130/3.1 Employment of local laborers; report.

The Department of Labor shall report annually, no later than February 1, to the General Assembly and the Governor the number of people employed on public works in the State during the preceding calendar year. This report shall include the total number of people employed and the total number of hours worked on public works both statewide and by county. Additionally, the report shall include the total number of people employed and the hours worked on public works by the 5-digit zip code, as collected on certified payroll, of the individual's residence during employment on public works. The report to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and Secretary shall direct.

HISTORY:
2018 P.A. 100-1177, § 5, effective June 1, 2019.

820 ILCS 130/3.2 Employment of females and minorities on public works.

(a) The Department of Labor shall study and report on the participation of females and minorities on public works in Illinois. The Department of Labor shall use certified payrolls collected under Section 5.1 [820 ILCS 130/5.1] to obtain this information. The Department of Labor shall use the same categories for gender, race, and ethnicity as the U.S. Census Bureau for data collected under Section 5 [820 ILCS 130/5].

(b) No later than December 31, 2020, the Department of Labor shall create recommendations to increase female and minority participation on public works projects by county. The Department of Labor shall use its own study, data from the U.S. Department of Labor's goals for Davis-Bacon Act covered projects, and any available data from the State or federal governments.

HISTORY:
2018 P.A. 100-1177, § 5, effective June 1, 2019.

820 ILCS 130/4 Ascertaining prevailing wage.

(a) The prevailing rate of wages paid to individuals covered under this Act shall not be less than the rate that prevails for work of a similar character on public works in the locality in which the work is performed under collective bargaining agreements or understandings between employers or employer associations and bona fide labor organizations relating to each craft or type of worker or mechanic needed to execute the contract or perform such work, and collective bargaining agreements or understandings successor thereto, provided that said employers or members of said employer associations employ at least 30% of the laborers, workers, or mechanics in the same trade or occupation in the locality where the work is being performed.

(b) If the prevailing rates of wages and fringe benefits cannot reasonably and fairly be applied in any locality because no such agreements or understandings exist, the Department of Labor shall determine the rates and fringe benefits for the same or most similar work in the nearest and most similar neighboring locality in which such agreements or understandings exist. The Department of Labor shall keep a record of its findings available for inspection by any interested party in the office of the Department of Labor.

(c) In the event it is determined, after a written objection is filed and hearing is held in accordance with Section 9 of this Act [820 ILCS 130/9], that less than 30% of the laborers, workers, or mechanics in a particular trade or occupation in the locality where the work is performed receive a collectively bargained rate of wage, then the average wage paid to such laborers, workers, or mechanics in the same trade or occupation in the locality for the 12-month period preceding the Department of Labor's annual determination shall be the prevailing rate of wage.

(d) The public body awarding any contract for public work or otherwise undertaking any public works shall specify in the call for bids for the contract, or where the public body performs the work

without letting the contract in a written instrument provided to the contractor, that the general prevailing rate of wages in the locality for each craft or type of worker or mechanic needed to execute the contract or perform such work, also the general prevailing rate for legal holiday and overtime work, as ascertained by the Department of Labor shall be paid for each craft or type of worker needed to execute the contract or to perform such work, and it shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him, and where the public body performs the work, upon the public body, to pay not less than the specified rates to all laborers, workers and mechanics employed by them in the execution of the contract or such work. Compliance with this Act is a matter of statewide concern, and a public body may not opt out of any provisions herein.

(e) The public body or other entity awarding the contract shall cause to be inserted in the project specifications and the contract a stipulation to the effect that not less than the prevailing rate of wages as found by the Department of Labor or determined by the court on review shall be paid to all laborers, workers and mechanics performing work under the contract.

(f) When a public body or other entity covered by this Act has awarded work to a contractor without a public bid, contract or project specification, such public body or other entity shall comply with subsection (e) by providing the contractor with written notice on the purchase order related to the work to be done or on a separate document indicating that not less than the prevailing rate of wages ascertained by the Department of Labor or determined by the court on review shall be paid to all laborers, workers, and mechanics performing work on the project.

(g) Where a complaint is made and the Department of Labor determines that a violation occurred, the Department of Labor shall determine if proper written notice under this Section 4 [820 ILCS 130/4] was given. If proper written notice was not provided to the contractor by the public body or other entity, the Department of Labor shall order the public body or other entity to pay any interest, penalties or fines that would have been owed by the contractor if proper written notice were provided. The failure by a public body or other entity to provide written notice does not relieve the contractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required to be paid for the project. The failure of a public body or other entity to provide written notice under this Section 4 does not diminish the right of a laborer, worker, or mechanic to the prevailing rate of wages as determined under this Act.

(h) It shall also be mandatory upon the contractor to whom the contract is awarded to insert into each subcontract and into the project specifications for each subcontract a written stipulation to the effect that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work under the contract. It shall also be mandatory upon each subcontractor to cause to be inserted into each lower tiered subcontract and into the project specifications for each lower tiered subcontract a stipulation to the effect that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work under the contract. A contractor or subcontractor who fails to comply with this subsection is in violation of this Act.

(i) When a contractor has awarded work to a subcontractor without a contract or contract specification, the contractor shall comply with subsection (h) by providing a subcontractor with a written statement indicating that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work on the project. A contractor or subcontractor who fails to comply with this subsection is in violation of this Act.

(j) Where a complaint is made and the Department of Labor determines that a violation has occurred, the Department of Labor shall determine if proper written notice under this Section 4 was given. If proper written notice was not provided to the subcontractor by the contractor, the Department of Labor shall order the contractor to pay any interest, penalties, or fines that would have been owed by the subcontractor if proper written notice were provided. The failure by a contractor to provide written notice to a subcontractor does not relieve the subcontractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required for the project. However, if proper written notice was not provided to the contractor by the public body or other entity under this Section 4, the Department of Labor shall order the public body or other entity to pay any interest, penalties, or fines that would have been owed by the subcontractor if proper written notice were provided. The failure by a public body or other entity to provide written notice does not relieve the subcontractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required for the project. The failure to provide written notice by a public body, other entity, or contractor does not diminish the right of a laborer, worker, or mechanic to the prevailing rate of wages as determined under this Act.

(k) A public body or other entity shall also require in all contractor's and subcontractor's bonds that the contractor or subcontractor include such provision as

will guarantee the faithful performance of such prevailing wage clause as provided by contract or other written instrument. All bid specifications shall list the specified rates to all laborers, workers and mechanics in the locality for each craft or type of worker or mechanic needed to execute the contract.

(*l*) If the Department of Labor revises the prevailing rate of hourly wages to be paid by the public body or other entity, the revised rate shall apply to such contract, and the public body or other entity shall be responsible to notify the contractor and each subcontractor, of the revised rate.

The public body or other entity shall discharge its duty to notify of the revised rates by inserting a written stipulation in all contracts or other written instruments that states the prevailing rate of wages are revised by the Department of Labor and are available on the Department's official website. This shall be deemed to be proper notification of any rate changes under this subsection.

(m) Two or more investigatory hearings under this Section on the issue of establishing a new prevailing wage classification for a particular craft or type of worker shall be consolidated in a single hearing before the Department. The party requesting a consolidated investigatory hearing shall have the burden of establishing that there is no existing prevailing wage classification for the particular craft or type of worker in any of the localities under consideration.

(n) It shall be mandatory upon the contractor or construction manager to whom a contract for public works is awarded to post, at a location on the project site of the public works that is easily accessible to the workers engaged on the project, the prevailing wage rates for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. In lieu of posting on the project site of the public works, a contractor which has a business location where laborers, workers, and mechanics regularly visit may: (1) post in a conspicuous location at that business the current prevailing wage rates for each county in which the contractor is performing work; or (2) provide such laborer, worker, or mechanic engaged on the public works project a written notice indicating the prevailing wage rates for the public works project. A failure to post or provide a prevailing wage rate as required by this Section is a violation of this Act.

820 ILCS 130/5 Certified payroll.

(a) Any contractor and each subcontractor who participates in public works shall:

(1) make and keep, for a period of not less than 3 years from the date of the last payment made before January 1, 2014 (the effective date of Public Act 98-328) and for a period of 5 years from the date of the last payment made on or after January 1, 2014 (the effective date of Public Act 98-328) on a contract or subcontract for public works, records of all laborers, mechanics, and other workers employed by them on the project; the records shall include (i) the worker's name, (ii) the worker's address, (iii) the worker's telephone number when available, (iv) the last 4 digits of the worker's social security number, (v) the worker's gender, (vi) the worker's race, (vii) the worker's ethnicity, (viii) veteran status, (ix) the worker's classification or classifications, (x) the worker's skill level, such as apprentice or journeyman, (xi) the worker's gross and net wages paid in each pay period, (xii) the worker's number of hours worked each day, (xiii) the worker's starting and ending times of work each day, (xiv) the worker's hourly wage rate, (xv) the worker's hourly overtime wage rate, (xvi) the worker's hourly fringe benefit rates, (xvii) the name and address of each fringe benefit fund, (xviii) the plan sponsor of each fringe benefit, if applicable, and (xix) the plan administrator of each fringe benefit, if applicable; and

(2) no later than the 15th day of each calendar month file a certified payroll for the immediately preceding month with the public body in charge of the project until the Department of Labor activates the database created under Section 5.1 at which time certified payroll shall only be submitted to that database, except for projects done by State agencies that opt to have contractors submit certified payrolls directly to that State agency. A State agency that opts to directly receive certified payrolls must submit the required information in a specified electronic format to the Department of Labor no later than 10 days after the certified payroll was filed with the State agency. A certified payroll must be filed for only those calendar months during which construction on a public works project has occurred. The certified payroll shall consist of a complete copy of the records identified in paragraph (1) of this subsection (a), but may exclude the starting and ending times of work each day. The certified payroll shall be accompanied by a statement signed by the contractor or subcontractor or an officer, employee, or agent of the contractor or subcontractor which avers that: (i) he or she has examined the certified payroll records required to be submitted by the Act and such records are true and accurate; (ii) the hourly rate paid to each worker is not less than the general prevailing rate of hourly wages required by this Act; and (iii) the contractor or subcontractor is aware that filing a certified payroll that he or she knows to be false is a Class A misdemeanor. A general contractor is not prohibited from relying on the certification of a lower tier subcontractor, provided the general contractor does not knowingly rely upon a subcontractor's false certification. Any contractor or subcontractor subject to this Act and any officer, employee, or agent of such contractor or

subcontractor whose duty as such officer, employee, or agent it is to file such certified payroll who willfully fails to file such a certified payroll on or before the date such certified payroll is required by this paragraph to be filed and any person who willfully files a false certified payroll that is false as to any material fact is in violation of this Act and guilty of a Class A misdemeanor. The public body in charge of the project shall keep the records submitted in accordance with this paragraph (2) of subsection (a) before January 1, 2014 (the effective date of Public Act 98-328) for a period of not less than 3 years, and the records submitted in accordance with this paragraph (2) of subsection (a) on or after January 1, 2014 (the effective date of Public Act 98-328) for a period of 5 years, from the date of the last payment for work on a contract or subcontract for public works or until the Department of Labor activates the database created under Section 5.1, whichever is less. After the activation of the database created under Section 5.1, the Department of Labor rather than the public body in charge of the project shall keep the records and maintain the database. The records submitted in accordance with this paragraph (2) of subsection (a) shall be considered public records, except an employee's address, telephone number, social security number, race, ethnicity, and gender, and made available in accordance with the Freedom of Information Act [5 ILCS 140/1 et seq.]. The public body shall accept any reasonable submissions by the contractor that meet the requirements of this Section.

A contractor, subcontractor, or public body may retain records required under this Section in paper or electronic format.

(b) Upon 7 business days' notice, the contractor and each subcontractor shall make available for inspection and copying at a location within this State during reasonable hours, the records identified in paragraph (1) of subsection (a) of this Section to the public body in charge of the project, its officers and agents, the Director of Labor and his deputies and agents, and to federal, State, or local law enforcement agencies and prosecutors.

(c) A contractor or subcontractor who remits contributions to fringe benefit funds that are jointly maintained and jointly governed by one or more employers and one or more labor organizations in accordance with the federal Labor Management Relations Act shall make and keep certified payroll records that include the information required under items (i) through (viii) of paragraph (1) of subsection (a) only. However, the information required under items (ix) through (xv) of paragraph (1) of subsection (a) shall be required for any contractor or subcontractor who remits contributions to a fringe benefit fund that is not jointly maintained and jointly governed by one or more employers and one or more labor organizations in accordance with the federal Labor Management Relations Act [29 USC § 141 et seq.].

HISTORY:

P.A. 81-992; 92-783, § 7; 93-38, § 5; 94-515, § 5; 94-1023, § 5; 97-571, § 5; 98-328, § 5; 98-482, § 5; 98-756, § 825; 2018 P.A. 100-1177, § 5, effective June 1, 2019; 2019 P.A. 101-31, § 20-910, effective June 28, 2019.

820 ILCS 130/5.1 Electronic database.

The Department shall develop and maintain an electronic database capable of accepting and retaining certified payrolls submitted under this Act no later than April 1, 2020. The database shall accept certified payroll forms provided by the Department that are fillable and designed to accept electronic signatures. Beginning January 1, 2022, the Department shall make accessible to the public on its website by the 16th day of each month following the month the work was performed the following information from certified payrolls submitted under this Act: each worker's (i) classification or classifications, (ii) skill level, such as apprentice or journeyman, (iii) gross wages paid in each pay period, (iv) number of hours worked each day, (v) starting and ending times of work each day, (vi) hourly wage rate, (vii) hourly overtime wage rate, and (viii) hourly fringe benefit rate. The database shall be searchable by contractor name, project name, county in which the work was performed, and contracting public body.

HISTORY:

P.A. 98-482, § 5; 2018 P.A. 100-1177, § 5, effective June 1, 2019; 2021 P.A. 102-332, § 5, effective August 6, 2021.

820 ILCS 130/6 [Penalty; enforcement]

Any officer, agent or representative of any public body who wilfully violates, or willfully fails to comply with, any of the provisions of this Act, and any contractor or subcontractor, and any officer, employee, or agent thereof, who as such officer, employee, or agent, has a duty to create, keep, maintain, or produce any record or document required by this Act to be created, kept, maintained, or produced who willfully fails to create, keep, maintain, or produce such record or document as or when required by this Act, is guilty of a Class A misdemeanor.

The Department of Labor shall inquire diligently as to any violation of this Act, shall institute actions for penalties herein prescribed, and shall enforce generally the provisions of this Act. The Attorney General shall prosecute such cases upon complaint by the Department or any interested person.

HISTORY:

P.A. 81-992; 94-488, § 5; 97-571, § 5.

820 ILCS 130/7 [Finality of finding]

The finding of the Department of Labor ascertaining and declaring the general prevailing rate of hourly wages shall be final for all purposes of the contract for public work then being considered, unless reviewed under the provisions of this Act. Nothing in this Act, however, shall be construed to pro-

hibit the payment to any laborer, worker or mechanic employed on any public work, as aforesaid, of more than the prevailing rate of wages; provided further that nothing in this Act shall be construed to limit the hours of work which may be performed by any person in any particular period of time.

HISTORY:
P.A. 81-992; 2018 P.A. 100-1177, § 5, effective June 1, 2019.

820 ILCS 130/8 [Inability to ascertain prevailing rate of wage] [Repealed]

HISTORY:
Laws 1957, p. 2662; repealed by 2018 P.A. 100-1177, § 10, effective June 1, 2019.

820 ILCS 130/9 Annual ascertainment of prevailing wage rate; posting; written objections; hearing.

To effectuate the purpose and policy of this Act the Department of Labor shall, during the month of June of each calendar year, investigate and ascertain the prevailing rate of wages for each county in the State and shall publish the prevailing wage schedule ascertained on its official website no later than July 15 of each year. If the prevailing rate of wages is based on a collective bargaining agreement, any increases directly ascertainable from such collective bargaining agreement shall also be published on the website. Further, if the prevailing rate of wages is based on a collective bargaining agreement, the explanation of classes on the prevailing wage schedule shall be consistent with the classifications established under the collective bargaining agreement.

At any time within 30 days after the Department of Labor has published on its official web site a prevailing wage schedule, any person affected thereby may object in writing to the determination or such part thereof as they may deem objectionable by filing a written notice with the Department of Labor stating the specified grounds of the objection. A person filing an objection alleging that the actual percentage of laborers, workers, or mechanics that receive a collectively bargained rate of wage is below the required 30% shall have the burden of establishing such and shall support the allegation with competent evidence. During the pendency of any objection and until final determination thereof, the work in question shall proceed under the rate established by the Department. It shall be the duty of the Department of Labor to set a date for a hearing on the objection after giving written notice to the objectors at least 10 days before the date of the hearing and said notice shall state the time and place of such hearing. Such hearing by the Department of Labor shall be held within 45 days after the objection is filed, and shall not be postponed or reset for a later date except upon the consent, in writing, of all the objectors and the Department of Labor.

The Department of Labor may hear each written objection filed separately or consolidate for hearing any one or more written objections filed. At such hearing, the Department of Labor shall introduce in evidence the investigation it instituted which formed the basis of its determination, and the Department of Labor, or any interested objectors may thereafter introduce such evidence as is material to the issue. Thereafter, the Department of Labor, must rule upon the written objection and make such final determination as it believes the evidence warrants and serve a copy by personal service, registered mail, or electronic mail on all parties to the proceedings. The final determination by the Department of Labor shall be rendered within 30 days after the conclusion of the hearing.

If proceedings to review judicially the final determination of the Department of Labor are not instituted as hereafter provided, such determination shall be final and binding.

The provisions of the Administrative Review Law, and all amendments and modifications thereof, and the rules adopted pursuant thereto, shall apply to and govern all proceedings for the judicial review of final administrative decisions of the Department of Labor. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure [735 ILCS 5/3-101].

Appeals from all final orders and judgments entered by the court in review of the final administrative decision of the Department of Labor, may be taken by any party to the action.

Any proceeding in any court affecting a determination of the Department of Labor shall have priority in hearing and determination over all other civil proceedings pending in said court, except election contests.

In all reviews or appeals under this Act, it shall be the duty of the Attorney General to represent the Department of Labor, and defend its determination.

HISTORY:
P.A. 83-201; 93-38, § 5; 98-173, § 5; 2017 P.A. 100-2, § 5, effective June 16, 2017; 2017 P.A. 100-154, § 5, effective August 18, 2017; 2018 P.A. 100-863, § 690, effective August 14, 2018; 2018 P.A. 100-1177, § 5, effective June 1, 2019.

820 ILCS 130/10 [Oaths; depositions; subpoenas]

The Director of the Department of Labor, or his or her authorized representative may interview workers, administer oaths, take or cause to be taken the depositions of witnesses, and require by subpoena the attendance and testimony of witnesses, and the production of all books, records, and other evidence relative to the matter under investigation or hearing. Such subpoena shall be signed and issued by the Director or his or her authorized representative.

Upon request by the Director of Labor or his or her deputies or agents, records shall be copied and submitted for evidence at no cost to the Department of Labor. Every employer upon request shall furnish to the Director or his or her authorized representative, on demand, a sworn statement of the accuracy of the

records. Any employer who refuses to furnish a sworn statement of the records is in violation of this Act.

In case of failure of any person to comply with any subpoena lawfully issued under this Section or on the refusal of any witness to produce evidence or to testify to any matter regarding which he or she may be lawfully interrogated, it is the duty of any circuit court, upon application of the Director or his or her authorized representative, to compel obedience by proceedings for contempt, as in the case of disobedience of the requirements of a subpoena issued by such court or a refusal to testify therein. The Director may certify to official acts.

HISTORY:
P.A. 83-334; 93-38, § 5; 2018 P.A. 100-1177, § 5, effective June 1, 2019.

820 ILCS 130/11 [Compliance; enforcement; civil damages]

No public works project shall be instituted unless the provisions of this Act have been complied with. The provisions of this Act shall not be applicable to Federal construction projects which require a prevailing wage determination by the United States Secretary of Labor. The Illinois Department of Labor represented by the Attorney General is empowered to sue for injunctive relief against the awarding of any contract or the continuation of work under any contract for public works at a time when the prevailing wage prerequisites have not been met. Any contract for public works awarded at a time when the prevailing wage prerequisites had not been met shall be void as against public policy and the contractor is prohibited from recovering any damages for the voiding of the contract or pursuant to the terms of the contract. The contractor is limited to a claim for amounts actually paid for labor and materials supplied to the public body. Where objections to a determination of the prevailing rate of wages or a court action relative thereto is pending, the public body shall not continue work on the project unless sufficient funds are available to pay increased wages if such are finally determined or unless the Department of Labor certifies such determination of the prevailing rate of wages as correct.

Any laborer, worker or mechanic employed by the contractor or by any sub-contractor under him who is paid for his services in a sum less than the stipulated rates for work done under such contract, shall have a right of action for whatever difference there may be between the amount so paid, and the rates provided by the contract together with costs and such reasonable attorney's fees as shall be allowed by the court. Such contractor or subcontractor shall also be liable to the Department of Labor for 20% of such underpayments and shall be additionally liable to the laborer, worker or mechanic for punitive damages in the amount of 2% of the amount of any such penalty to the State for underpayments for each month following the date of payment during which such underpayments remain unpaid. Where a second or subsequent action to recover underpayments is brought against a contractor or subcontractor and the contractor or subcontractor is found liable for underpayments to any laborer, worker, or mechanic, the contractor or subcontractor shall also be liable to the Department of Labor for 50% of the underpayments payable as a result of the second or subsequent action, and shall be additionally liable for 5% of the amount of any such penalty to the State for underpayments for each month following the date of payment during which the underpayments remain unpaid. The Department shall also have a right of action on behalf of any individual who has a right of action under this Section. An action brought to recover same shall be deemed to be a suit for wages, and any and all judgments entered therein shall have the same force and effect as other judgments for wages. The action shall be brought within 5 years from the date of the failure to pay the wages or compensation. At the request of any laborer, workman or mechanic employed by the contractor or by any subcontractor under him who is paid less than the prevailing wage rate required by this Act, the Department of Labor may take an assignment of such wage claim in trust for the assigning laborer, workman or mechanic and may bring any legal action necessary to collect such claim, and the contractor or subcontractor shall be required to pay the costs incurred in collecting such claim.

P.A. 86-799; 94-488, § 5; 98-328, § 5.

820 ILCS 130/11a [Publication of names of contractors, subcontractors in violation]

The Director of the Department of Labor shall publish in the Illinois Register no less often than once each calendar quarter a list of contractors or subcontractors found to have disregarded their obligations to employees under this Act. The Department of Labor shall determine the contractors or subcontractors who, on 2 separate occasions within 5 years, have been determined to have violated the provisions of this Act. Upon such determination the Department shall notify the violating contractor or subcontractor. Such contractor or subcontractor shall then have 10 working days to request a hearing by the Department on the alleged violations. Failure to respond within the 10 working day period shall result in automatic and immediate placement and publication on the list. If the contractor or subcontractor requests a hearing within the 10 working day period, the Director shall set a hearing on the alleged violations. Such hearing shall take place no later than 45 calendar days after the receipt by the Department of Labor of the request for a hearing. The Department of Labor is empowered to promulgate, adopt, amend and rescind rules and regulations to govern the hearing procedure. No contract shall be awarded to a

contractor or subcontractor appearing on the list, or to any firm, corporation, partnership or association in which such contractor or subcontractor has an interest until 4 years have elapsed from the date of publication of the list containing the name of such contractor or subcontractor.

A contractor or subcontractor convicted or found guilty under Section 5 or 6 of this Act [820 ILCS 130/5 or 820 ILCS 130/6] shall be subject to an automatic and immediate debarment, thereafter prohibited from participating in any public works project for 4 years, with no right to a hearing.

HISTORY:
P.A. 86-693; 86-799; 86-1028; 93-38, § 5; 94-488, § 5; 97-571, § 5.

820 ILCS 130/11b Discharge or discipline of "whistle blowers" prohibited.

(a) No person shall discharge, discipline, or in any other way discriminate against, or cause to be discharged, disciplined, or discriminated against, any employee or any authorized representative of employees by reason of the fact that the employee or representative has filed, instituted, or caused to be filed or instituted any proceeding under this Act, or has testified or is about to testify in any proceeding resulting from the administration or enforcement of this Act, or offers any evidence of any violation of this Act.

(b) Any employee or a representative of employees who believes that he has been discharged, disciplined, or otherwise discriminated against by any person in violation of subsection (a) of this Section may, within 30 days after the alleged violation occurs, apply to the Director of Labor for a review of the discharge, discipline, or alleged discrimination. A copy of the application shall be sent to the person who allegedly committed the violation, who shall be the respondent. Upon receipt of an application, the Director shall cause such investigation to be made as he or she deems appropriate. The investigation shall provide an opportunity for a public hearing at the request of any party to the review to enable the parties to present information relating to the alleged violation. The parties shall be given written notice of the time and place of the hearing at least 5 days before the hearing. Upon receiving the report of the investigation, the Director shall make findings of fact. If the Director finds that a violation did occur, he or she shall issue a decision incorporating his or her findings and requiring the party committing the violation to take such affirmative action to abate the violation as the Director deems appropriate, including, but not limited to, the rehiring or reinstatement of the employee or representative of employees to his or her former position and compensating him or her for the time he or she was unemployed. The party committing the violation shall also be liable to the Department of Labor for a penalty of $5,000 for each violation of this Section. If the Director finds that there was no violation, he or she shall issue an order denying the application. An order issued by the Director under this Section shall be subject to judicial review under the Administrative Review Law [735 ILCS 5/3-101 et seq.].

(c) The Director shall adopt rules implementing this Section in accordance with the Illinois Administrative Procedure Act [5 ILCS 100/1-1 et seq.].

HEALTH AND SAFETY

Substance Abuse Prevention on Public Works Projects Act

SUBSTANCE ABUSE PREVENTION ON PUBLIC WORKS PROJECTS ACT

820 ILCS 265/1 Short title.

This Act may be cited as the Substance Abuse Prevention on Public Works Projects Act.

HISTORY:
P.A. 95-635, § 1.

820 ILCS 265/5 Definitions.

As used in this Act:

"Accident" means an incident caused, contributed to, or otherwise involving an employee that resulted in death, personal injury, or property damage and that occurred while the employee was performing work on a public works project.

"Alcohol" means any substance containing any form of alcohol including, but not limited to, ethanol, methanol, propanol, and isopropanol.

"Alcohol concentration" means: (1) the number of grams of alcohol per 210 liters of breath; or (2) the

number of grams of alcohol per 100 milliliters of blood.

"Drug" means a controlled substance as defined in the Illinois Controlled Substances Act [720 ILCS 570/100 et seq.] or cannabis as defined in the Cannabis Control Act [720 ILCS 550/1 et seq.] for which testing is required by an employer under its substance abuse prevention program under this Act. The term "drug" includes prescribed medications not used in accordance with a valid prescription.

"Employee" means a laborer, mechanic, or other worker employed in any public works by anyone under a contract for public works.

"Employer" means a contractor or subcontractor performing a public works project.

"Public works" and "public body" have the meanings ascribed to those terms in the Prevailing Wage Act [820 ILCS 130/0.0.1].

HISTORY:
P.A. 95-635, § 5.

820 ILCS 265/10 Substance abuse prohibited.

No employee may use, possess, distribute, deliver, or be under the influence of a drug, or use or be under the influence of alcohol, while performing work on a public works project. An employee is considered to be under the influence of alcohol for purposes of this Act if the alcohol concentration in his or her blood or breath at the time alleged as shown by analysis of the employee's blood or breath is at or above 0.02.

HISTORY:
P.A. 95-635, § 10.

820 ILCS 265/15 Substance abuse prevention programs required.

(1) Before an employer commences work on a public works project, the employer shall have in place a written program which meets or exceeds the program requirements in this Act, to be filed with the public body engaged in the construction of the public works and made available to the general public, for the prevention of substance abuse among its employees. The testing must be performed by a laboratory that is certified for Federal Workplace Drug Testing Programs by the Substance Abuse and Mental Health Service Administration of the U.S. Department of Health and Human Services. At a minimum, the program shall include all of the following:

(A) A minimum requirement of a 9 panel urine drug test plus a test for alcohol. Testing an employee's blood may only be used for post-accident testing, however, blood testing is not mandatory for the employer where a urine test is sufficient.

(B) A prohibition against the actions or conditions specified in Section 10 [820 ILCS 265-10].

(C) A requirement that employees performing the work on a public works project submit to pre-hire, random, reasonable suspicion, and post-accident drug and alcohol testing. Testing of an employee before commencing work on a public works project is not required if the employee has been participating in a random testing program during the 90 days preceding the date on which the employee commenced work on the public works project.

(D) A procedure for notifying an employee who violates Section 10, who tests positive for the presence of a drug in his or her system, or who refuses to submit to drug or alcohol testing as required under the program that the employee may not perform work on a public works project until the employee meets the conditions specified in subdivisions (2)(A) and (2)(B) of Section 20 [820 ILCS 265-20].

(2) Reasonable suspicion testing. An employee whose supervisor has reasonable suspicion to believe the employee is under the influence of alcohol or a drug is subject to discipline up to and including suspension, and be required to undergo an alcohol or drug test. "Reasonable suspicion" means a belief, based on behavioral observations or other evidence, sufficient to lead a prudent or reasonable person to suspect an employee is under the influence and exhibits slurred speech, erratic behavior, decreased motor skills, or other such traits. Circumstances, both physical and psychological, shall be given consideration. Whenever possible before an employee is required to submit to testing based on reasonable suspicion, the employee shall be observed by more than one supervisory or managerial employee. It is encouraged that observation of an employee should be performed by a supervisory or managerial employee who has successfully completed a certified training program to recognize drug and alcohol abuse. The employer who is requiring an employee to be tested based upon reasonable suspicion shall provide transportation for the employee to the testing facility and may send a representative to accompany the employee to the testing facility. Under no circumstances may an employee thought to be under the influence of alcohol or a drug be allowed to operate a vehicle or other equipment for any purpose. The employee shall be removed from the job site and placed on inactive status pending the employer's receipt of notice of the test results. The employee shall have the right to request a representative or designee to be present at the time he or she is directed to provide a specimen for testing based upon reasonable suspicion. If the test result is positive for drugs or alcohol, the employee shall be subject to termination. The employer shall pay all costs related to this testing. If the test result is negative, the employee shall be placed on active status and shall be put back to work by the employer. The employee shall be paid for all lost time to include all time needed to complete the drug or alcohol test and any and all overtime according to the employee's contract.

(3) An employer is responsible for the cost of developing, implementing, and enforcing its sub-

stance abuse prevention program, including the cost of drug and alcohol testing of its employees under the program, except when these costs are covered under provisions in a collective bargaining agreement. The testing must be performed by a laboratory that is certified for Federal Workplace Drug Testing Programs by the Substance Abuse and Mental Health Service Administration of the U.S. Department of Health and Human Services. The contracting agency is not responsible for that cost, for the cost of any medical review of a test result, or for any rehabilitation provided to an employee.

HISTORY:
P.A. 95-635, § 15.

820 ILCS 265/20 Employee access to project.

(1) An employer may not permit an employee who violates Section 10 [820 ILCS 265-10], who tests positive for the presence of a drug in his or her system, or who refuses to submit to drug or alcohol testing as required under the employer's substance abuse prevention program under Section 15 [820 ILCS 265-15] to perform work on a public works project until the employee meets the conditions specified in subdivisions (2)(A) and (2)(B). An employer shall immediately remove an employee from work on a public works project if any of the following occurs:

(A) The employee violates Section 10, tests positive for the presence of a drug in his or her system, or refuses to submit to drug or alcohol testing as required under the employer's substance abuse prevention program.

(B) An officer or employee of the contracting agency, preferably one trained to recognize drug and alcohol abuse, has a reasonable suspicion that the employee is in violation of Section 10 and requests the employer to immediately remove the employee from work on the public works project for reasonable suspicion testing.

(2) An employee who is barred or removed from work on a public works project under subsection (1) may commence or return to work on the public works project upon his or her employer providing to the contracting agency documentation showing all of the following:

(A) That the employee has tested negative for the presence of drugs in his or her system and is not under the influence of alcohol as described in Section 10.

(B) That the employee has been approved to commence or return to work on the public works project in accordance with the employer's substance abuse prevention program.

(C) Testing for the presence of drugs or alcohol in an employee's system and the handling of test specimens was conducted in accordance with guidelines for laboratory testing procedures and chain-of-custody procedures established by the Substance Abuse and Mental Health Service Administration of the U.S. Department of Health and Human Services.

(3) Upon successfully completing a rehabilitation program, an employee shall be reinstated to his or her former employment status if work for which he or she is qualified exists.

HISTORY:
P.A. 95-635, § 20.

820 ILCS 265/25 Applicability.

This Act applies to a contract to perform work on a public works project for which bids are opened on or after January 1, 2008, or, if bids are not solicited for the contract, to a contract to perform such work entered into on or after January 1, 2008. The provisions of this Act apply only to the extent there is no collective bargaining agreement in effect dealing with the subject matter of this Act.

HISTORY:
P.A. 95-635, § 25.

820 ILCS 265/99 Effective date.

This Act takes effect January 1, 2008.
