# PAW PRINTS

RAND PARK DOG TRAINING CLUB, INC. WINTER 2020 NEWSLETTER

## FROM: The DOT

It's been great to see all the happy faces on Tuesday nights, both long time trainers and newbies. We had PUPPY CLASS! That's always fun!

It's time to register for the Spring Session. Included in this issue is the registration form for existing canine students. New dogs, regardless of whether they belong to a current member, need to register thru Michelle Jaworski [dtcrandpark@gmail.com](mailto:dtcrandpark@gmail.com).

As always, we need all the assistance we can get from our members. I'm asking that first hour students and instructors come 15 or 20 minutes early and help put up the gates and the last hour students and instructors help take down some of the gates. Utility only needs one ring gated, the side closest to the state. If the first hour members/students can also pull out 4 mats – 2 short brown mats on the wall side, and 2 longer green mats for the stage side. Your help will be appreciated and will allow the dogs to jump safely. Also, you can use the ring until classes start at 6:15 for practice time!

Any comments, suggestions, etc can be sent to me at [klevr-k9@att.net](mailto:klevr-k9@att.net). Also, Karen Schaubel (Assistant DOT) is at training on Tuesday nights – you can also talk to her if I'm not there.

Stay warm, and see you all on Tuesday nights!

## Congratulations Skeeter! You're never too young to win!

When I was entered in a trial at the Sheboygan DTC this fall, the club advised they were having a day-of entry for the *Farm Dog Certificate* (similar to the CGC for farm dogs). Well, I decided to enter my puppy,

## Chicagoland Family Pet Expo

Rand Park will have a booth at this show. We are looking for volunteers to help staff the booth. If anyone with an appropriate dog(s) as described below can volunteer and bring their dog(s) that is wonderful (but not required). Hours are below. We get only 2 parking passes and 6 show passes. After that we need to pay for all parking and show passes. So if we can get folks willing to do a 4 hour shift or for a day that would be better than shorter shifts. Info is below and flyer is attached.

## All Breed Obedience & Rally Trial

### A Modeling Job is in his Future

My dog, Zephyr, although not an obedient superstar, was chosen "Mr. February" for the 2020 Vizsla Club of Illinois calendar. That should take the chill out of a usually cold month at least in this house.

A: A friend you can count on.

Q: What do you get if you cross a gold dog with a telephone?

A: A golden receiver!

Q: What kind of dog does Dracula have?

A: A bloodhound!

Q: What do dogs do after they finish obedience school?

A: They get their masters.

Q: Why did the dog cross the road?

A: To get to the "barking" lot!

A woman called our airline customer-service desk asking if she could take her dog on board.

"Sure," I said, "as long as you provide your own kennel." I further explained that the kennel needed to be large enough for the dog to stand up, sit down, turn around, and roll over.

The customer was flummoxed: "I'll never be able to teach him all of that by tomorrow!"
