Driving Directions

Antique Acres is located approximately 1 mile west of the intersection of State Hwy 218 and W. Cedar Wapsi Rd. This intersection is approximately 4 miles north of Cedar Falls.

I believe there will be truck and trailer parking for us at the NW corner of the show site which is where the plow plots are located.

There will be no admission fee for plowmen. Spouses and children will have to pay admission. UTVs and golfcarts are allowed on the grounds. Let's all watch our speed and operate our machines safely, UTV's, golfcarts, tractors, trucks, etc.

This year's matches will be held on grassland. It's kind of like last year's matches but the soil has quite a bit of sand in it so plowing should be fairly easy. We'll pray for no rain on plow day. This plow area is on low ground so if we get heavy rain, it probably stop us.

Please take a moment to call one of your board members and let us know that you are planning to attend. This will help us plan the correct number of competition and practice plots. I have included the phone number for each board member at the end of this letter.

Hotels:

I didn't measure on the map but it looks like both Waverly and Cedar Falls are about the same distance from the plow site. It looks like both areas have a wide range of prices available for you. As of today, they show prices from \$79 to \$139 per night.
