THE SIDELIGHT OFFICIAL PUBLICATION OF KYSWAP, INC. LOUISVILLE, KENTUCKY

Deadline for articles is the 18th of preceding month in order to have it printed in the following issue. Articles from the membership are welcome and will be printed as space permits. Members may advertise at no charge, either for items for sale or requests to obtain.

Editorials and/or letters to the editor are the personal opinion of the writer and do not necessarily reflect the official policy of the club.

The Sidelight is automatically delivered to all members by email each month. Anyone wishing to receive a paper copy via US mail may call Sandra Joseph (502) 558-9431 or email her to: sidelighteditor@gmail.com.

FROM THE PRESIDENT FRED TRUSTY

Even though the dreaded virus seems to be rearing its ugly head again, people are still getting out and enjoying their cars. Thanks to Jerry Bass who organized a last-minute effort to get as many KYANA cars as possible at the LMPD 6th and 7th division Night Out to support our police. Lots of free food from local vendors, games, drawings, cars, and I think we signed up two new members.

This past month I've had the pleasure of attending two AACA events; the Grand National in New Ulm, MN and the Western Fall Nationals in Loveland, CO. I have to say that New Ulm is a very nice area with that small home town feel of yesteryear. We toured Schell's Brewery which is the 2nd oldest family-owned brewery in the country, founded in 1860. They still use the original brew house but not the large copper brew kettle which is there for display only. As the tour guide was explaining the brewing process, I noticed the manufacturers' tag on the kettle that said, "Made in Louisville Kentucky." We also visited the local Museum of History which was amazing. I'd never heard of the Dakota Indian War of 1862.

An AACA Grand National not only has the best of the best but also a separate competition on Friday called the Zenith Award. Two cars are nominated from each of the regular shows from the previous year by the National Awards Team. It's based on the quality of the restoration, the difficulty of the restoration, the rarity of the vehicle, and several other factors. The winner this year was a 1917 Locomobile with a 1930 Ruxton as the runner up. All 18 Zenith cars were spectacular so if you want to see a great video here is a YouTube link: <https://tinyurl.com/AACA2021>

I've never been to Colorado so attending the AACA Western Fall Nationals in Loveland, CO was a first for me. Now, I can check off another state that I've visited. Hot and dry is the only way to describe this area. It's very close to the Rocky Mountains but I could barely see them because of the smoke from the California wildfires.

Closer to home, Louisville was again the host city for the NSRA Street Rod Nationals. KYSWAP has been managing the outside swap meet since 2019. Thanks to Charlie Myers, Pat Palmer-Ball and the rest of their team that made this event a success.

On a sad note, we lost member Mike Farrell and former member Doug Alexander in the same week. Please keep their families in your prayers.

The KYANA Picnic is coming up on September 18th so I hope you're making plans to attend. I love to see dozens of old cars lined up in the clubhouse parking lot. It's like a mini car show. Nice cars, good food, and most of all, great KYANA members. This year we will be having a short meeting to vote on the bylaw changes. I look forward to seeing everyone and their cars so let's have some fun in twenty-one.

FROM THE SECRETARY MARK KUBANCIK

KYANA REGION BOARD MEETING

August 10, 2021

Location: KYANA Clubhouse

KYANA Region Board members present: Brian Koressel (phone), Mark Kubancik, Pat Palmer-Ball, Chester Robertson, Roger Stephan, Fred Trusty and Alex Wilkins.

KYANA members present: Ken Martin

Meeting called to order @ 6:39 p.m.

Secretary's Report: Pat moved to accept the July report, Chester seconded the motion, and the motion carried with all in favor.

Treasurer's Report: Alex made a motion to accept the July Treasurer's report. Mark seconded the motion and the motion carried with all in favor.

Activities: Fred reported that Lake Forest Village asked for our members to attend a Grandparents Day car show at their facility. The date they have tentatively planned for the show conflicts with the AACA show in Greenville, SC, so Fred will explore other dates. Fred also discussed the opportunity for KYANA to display cars at the January 2022 World of Wheels show at the KEC. Both the Region and Charities are continuing to gather details before committing to display cars.

Mark advised the board that Bowmanfest appears uncertain for 2021. Toys for Tots has been scheduled for October 23.

Membership: Roger led discussion on the proposed by-law changes. Roger mentioned that there are several new member prospects he is working with to become KYANA members.

Clubhouse: Nothing new to report.

Sidelight: The August Sidelight was very well done and arrived in a timely manner.

Web Page: Ken Martin submitted an article about his '79 Buick for the home page of the website.

Old Business: Discussed plans for the KYANA picnic as well as the member meeting prior to the picnic. Chester and the board briefly discussed plans for the AACA Reliability Tour KYANA will host in September 2022. A Reliability Tour is for brass-era vehicles and the base for the tour will be Shepherdsville, KY.

New Business: Nothing to report.

There being no further business to discuss, Mark moved to adjourn. Alex seconded the motion and the meeting adjourned at 7:53 p.m. with all in favor. The next KYANA Region meeting will take place at 6:30 p.m. on Tuesday, September 14, 2021, at the KYANA clubhouse.

KYANA EVENTS BY CHESTER ROBERTSON

The KYANA Picnic is just days away out at the Ole KYANA Home. Please see the ad in this issue to sign up and get your name on the food list. We are having an outstanding day with food, activities, and a short KYANA Derby City Chapter meeting. Please bring your chairs if you want to sit outside. If you drive an old buggy, we can take our young ones for an antique cruise.

We have two events that have been cancelled this fall. The first event is the Mount Washington Car show which was cancelled for safety reasons as dictated by the mayor of the fair city. The second cancelled event is the Bowman Field Festival, which is cancelled due to air restrictions over the airport.

Now for the good news. The Lake Forest Village Home has asked KYANA to return for the second year to have an antique car display for the Grandparents Day Celebration. Food will be served outside like last year. The show will run from 1 to 3pm on Sunday, September 12. You must call Chester at 502-619-2916 by Thursday, Sept. 9, 2021 to register for this event. See you this Fall! **Chester**

PRAYERS, THANKS AND CONGRATULATIONS

✚ Janice Koonter was hospitalized but is doing better. She asked to share this thank you with all of you: Thanks for the fruit basket and the cards you sent following my hospital stay. It was delicious. Doing better each day.

✚ Donnie Meyers had successful Surgery for an aneurysm.

✚ Jessie Foster was hospitalized for Covid and Beverly is sick with it also.

✚ KYANA sends its sympathy to Carolyn Alexander and her family in the death of her son Doug.

✚ KYANA extends its sympathy to Margi Farrell and her family in the death of Mike. We will miss him In Kyana.

✚ Kyana sends its sympathy to Howard and Betty Hardin in the death of Betty's sister Kitty.

✚ I received a thank you card from Donnie Meyers which reads: To everyone in KYANA. Thank you for all the thoughts and prayers sent my way before and after my surgery. Thank you for the awesome fruit basket. It was greatly appreciated. Cannot wait until we can all be together again. Donnie Meyers and Anita Kolb.

Stay well KYANA, Patsy

KYANA PICNIC & CHARITIES MEETING

WHEN: September 18, 2021

WHERE: Ole KYANA Home (3821 Hunsinger Lane Louisville, KY 40220) at 3:00 p.m.

WHAT: A time of fun to enjoy fellowship with all our members and enjoy some great food. Just come on out. RAIN OR SHINE. Should it rain we'll be inside.

As we have done previously, we want to once again help Ronald McDonald House. We would love for everyone to bring something to contribute to their needs. Some items that are always needed are: Individually packaged snacks (chips, cookies, brownies), baking mixes (cake, cookie, brownie), icing, and assorted breakfast cereals. Of course, they are always in need of cleaning supplies (dishwasher detergent, paper towels, toilet paper, liquid bleach, glass cleaner, laundry detergent and garbage bags – 10, 13, 30 and 55 gallon). So please be generous and give a helping hand to those families that are away from home with their ill children. We will also have a 50/50 drawing where dollars collected will go to Ronald McDonald House to help with other necessities.

Please be considerate and send your money in by September 13 so we can make sure we order the right amount of food for everyone. We certainly don't want to turn any of our members away hungry if we didn't order the right amount of food for everyone. Thank You.

Must send \$7.50 per member (children under 12 \$5.00) to:

Pat Palmer-Ball

5504 Felker Way

Louisville, Ky 40291

Any questions just call 502-693-3106

BOWMAN FEST CANCELLED FOR 2021

After last year's Bowman Fest was cancelled due to Covid, we were looking forward to this event again taking place in October at Bowman Field. Unfortunately, due to the inability of the FAA to guarantee air space for aerial displays, the event planners have elected to again cancel Bowman Fest this year. We are hopeful this event will take place next year.

Chris Mueller

ST. FRANCIS OF THE FIELDS CAR SHOW

For those of you who can't get away for the AACA Fall Meet in Hershey this year, there is a great car show going on right here in Louisville on Saturday, October 9th. It's the St. Francis of the Fields Annual Car Show located at 6710 Wolf Pen Branch Road. There will be hundreds of cars at this event every year. Our members and pre-members do not pay a registration fee to enter their car because KYANA always gives the church a large donation. If you would like to have lunch there on the grounds send me a check for \$5.00 and when you arrive, I'll give you a \$10.00 food voucher. Please make your check payable to KYANA and send them to me no later than October 7th. You will not be able to buy a voucher at the car show as they need to be ordered in advance. I've been to this car show many times and I highly recommend it to all of you.

KENTUCKY RAILWAY MUSEUM CAR SHOW

The Kentucky Railway Museum Car Show will be October 16th in New Haven, KY. KYANA will pay the registration fee of \$20 for each old car. Food and drinks will be available for you to purchase at the show. Please send a \$5 check made out to KYANA, to **Neil White 3512 Echo Valley Circle, LaGrange, KY 40031 before the 9th of Oct.** All checks will be returned at the show.

The show will have food, museum tours, door prizes, music, 50/50 raffle and photos available. All show entrants can take a \$10 per person round trip train ride to Boston. Many awards will be given out around 5PM. All "best of" winners will receive free photos. Please see kyrail.org for more information.

We will meet at 7:30AM behind the Chick-Fil-A parking lot on Bardstown Rd. just south of exit 17 of the Gene Snyder Freeway (I-265). We will leave at 8:00AM for the museum going south on Bardstown Rd. Route 31E all the way to Bardstown. In Bardstown we will turn at the first right in the traffic circle onto 31E. After passing two red lights turn LEFT (south) on 31E to New Haven. The museum is on the left side of the road at the railroad tracks. The drive to the museum from Chick-Fil-A takes about an hour.

Bring out your old car, your chairs and have a great time, I know I will.

Drop off a New Toy on

Kyana Charities

I talked to Cletus Evans from Toys for Tots and he stated they have plenty of toys for ages 6 years and under. Cletus suggested the following items are most needed.

Toys for Tots Suggested Teen Gift Items

BOYS

GIRLS

- AXE Sets
- Basketballs (not plastic, but leather in the box)
- Cologne Sets
- Dart Boards
- Ear Buds
- Electronic Table Games
- Footballs (not plastic, but leather in the box)
- Headphones
- Soccer Balls
- Tablets
- Watches

- Basketballs (not plastic, but leather in the box)
- Bath Gift Baskets / Sets
- Blow Dryers
- Curling Irons / Flat Irons
- Ear Buds
- Headphones
- Makeup Gift Sets
- Perfume Sets
- Soccer Balls
- Tablets
- Watches

Cletus stated there will be a “Bikes Or Bust” collection in November with Q103.1 radio station. He will send information about this event. So, if you would like to donate a bike, watch for more information.

Questions? Call Maureen Vannatta – 502-931-2173

KYANA BOARD OF DIRECTORS ELECTION

The KYANA Region Nominating Committee will be accepting resumes for the 2022 Board of Directors: President, Vice President, Secretary, Treasurer, and either 2 or 3 director positions. Anyone wishing to run for a position, please state what position you are running for and submit your resume to the Nominating Committee Chairperson, Pat Palmer-Ball, at patpalmerball@bellsouth.net or via U.S. Mail to Pat Palmer-Ball, 5504 Felker Way, Louisville, KY 40291-1812. **The President and Treasurer positions will be open as Pat and I have chosen not to run again.**

Fred Trusty

PROPOSED BY-LAW CHANGE NOTICE

Current KYANA bylaws:

Article I Section 2 – The boundaries of the region shall be Kentucky and Indiana.

Article III Section 1c – Live within the boundaries of the region.

The proposed change is to eliminate both of these sections.

Reason for the change request:

AACA has no restrictions on how many regions or chapters that you can belong to. There are many AACA members that belong to several regions, some within a very short distance of each other. KYANA has members that live in the Kentuckiana area part of the year and other parts of the country the rest of the year. One example is members that go to Florida for the winter each year. Neither article has been enforced so why not eliminate them both.

Current KYANA By-law:

Article III Section 3b: Pre-members must be sponsored by a present KYANA member in good standing who has a minimum of two years regular membership. Members may not sponsor in consecutive years or sponsor more than one pre-member in the same year.

The proposed change is: Pre-members ~~must~~ **may** be sponsored by a present KYANA member **and/or the KYANA membership chairman. The sponsor must be a member** in good standing who has a minimum of two years regular membership. ~~Members may not sponsor in consecutive years or sponsor more than one pre-member in the same year.~~

Reason for the change request:

The new by-law will hopefully help the club grow especially when there may be some candidates out there that don't have a sponsor available.

DWIGHT'S 90TH BIRTHDAY PARTY

My family and I would like to thank everyone for coming to my dad's 90th birthday party. Here are a few photos from the party.

INDIANA CAVERNS OUTING

July 18th was a beautiful day for our outing. We had a total of 40 adults and 9 children attend the cave adventure. There were 47 adults and 9 children that enjoyed a great lunch at Miguel's Restaurant on the by-pass in Brandenburg. Yes, I know we were supposed to eat at the Homeplate Buffet, but about a week before our trip the owner called and told me that they would be closed on Sunday due to the restaurant not having enough staff to work that day. No one in our group complained about the change of venue. What a great bunch of people we have in our club. Your kindness and understanding sure made me feel a lot better. Sometimes things happen that we just don't have any control over and this was one of those times.

Roger Stephan

My Ten-Month Quest for an Older Car

Kenneth R. Martin, AACA; BCA August 10, 2021

A year ago, I developed serious motivation for getting a new old car: with issues related to vertigo, I could no longer safely ride motorcycles, which I had done since 1972. My wife, Dana, and I discussed the potential for transition from two to four wheels. I suggested that, with all the motorcycle gear gone, that I wanted a big-ass Buick (BAB). Dana did not hesitate: she agreed!

Having spent many years in the marketing world, my networking, relationship building, project management and team development skills were put to good use. My more recent social work training also proved beneficial. A friend in Louisville, who once owned a Buick franchise, counseled me well: first, do my research; second, be vigilant for those who would take advantage and misrepresent their offers.

My research began with local and national car clubs: primarily, the Buick Club of America and the AACA. I embarked on the following information gathering:

1. Reaching out to BCA and AACA headquarters
2. Making my first contacts in BCA with people in Chicago and Atlanta
3. Finding my initial AACA contact in Louisville: Mark Kubancik

Through Mark, I had the pleasure of meeting Roger Stephan (my Godfather) and Fred Trusty, the Chairman of the Board. These folks invited me to come to a KYANA board meeting at Hunsinger Lane, where I met the rest of the dedicated folks on the Board. This was a great start! All of these people were welcoming, and freely offered their assistance as I continued my search.

My online research began with poring through many sites: Hemmings; classiccars.com; trovit.com; Gateway Classic Cars; to name a few.

The first car Dana and I “had to have” was a 1956 Buick Roadmaster, coral and white, a beauty! However, I backed off: the Roadmaster was very expensive, located in Florida and had no air conditioning (crucial for the Ohio River valley!). Most importantly, I had no understanding of what I was getting into! I still needed to develop a team of trusted people to keep this car running well.

I spent considerable time reading about and analyzing potential cars: primarily mid-60s Electra and Wildcats; early 70s Electra. I called many sellers; the initial best of the bunch included a 66 Wildcat in Boston (no a/c), and a 64 Electra convertible in Pittsburgh (not all original spec). We called BCA members in Boston, Chicago, Philadelphia, Ft Lauderdale, NY City, Ames Iowa. Then there was a slew of calls, getting coached by Mark Kubancik!

I met a couple on the east coast who were trying to sell their dad’s 76 Electra Limited: one owner, full set of service records. The couple had one rule for selling: that the buyer would keep the car original, without wild modifications. After a few months of their dad’s

hesitancy to sell (emotional ties over 46 years), we had to let it go. But these were such nice people!

Some other noteworthy cars we found:

1. 69 Electra convertible, Ft. Lauderdale
2. 69 Electra convertible, NY City
3. 66 Electra, Ames Iowa
4. 70 Electra, South Carolina
5. 77 Electra, Indianapolis
6. 72 Electra, Nashville

One car was beat up and badly repainted. One was missing trim parts. One was visited by Auto Appraisal Group, who basically concluded I should walk away. One was a dealer who had no history on the car other than "trust me." One had a magical price increase in the final hour. One was, in the words of the BCA member who assessed the car, "just awful."

In April, Mark Kubancik emailed me about a 79, 2-door, Electra Limited with a Landau roof and bright red velour interior on Virginia's Eastern Shore ("too new?"). I reached out to the owner: this was a one-family car since new! Garage kept. Father and son were both mechanics, so the car was carefully cared for. Car had been shown at local events. Original paint; numbers match real Buick 350. Only challenge: the owner disclosed that a/c compressor was frozen.

A BCA friend in Virginia Beach drove up to see the Electra: he sent me a video and called me to say this car is a keeper!

My BCA friend in Chicago helped me arrange closed transport to Louisville.

We spent additional time and money: replaced the a/c compressor with GM OEM compressor; tightened and aligned the front end; bought new white wall (!) tires; installed a new carburetor; bought new floor mats with Buick logo. And yes: a floor console with cup holders. Still need to fix the clock (as Joliet Jake said to Elwood: "fix the cigarette lighter.")!

This has been a 10-month adventure! It has been worth every minute and every dollar. Dana's and my journey has been quite a learning experience, and will continue to be. We've met some wonderful people in this venture, and look forward to enjoying new relationships and new adventures. As I've heard many times, as one who is new to older cars, do your homework and get involved with a good car club. We have met wonderful people. The folks I know with KYANA group of AACA are just that.

The fun is just beginning. We went to the AACA/BCA show in Auburn, Indiana. We met fellow KYANA members at Claudia Sanders. We went to the Buick races in Bowling Green (Dana: "they race Buicks?!"). We went to the Concours at Keeneland. I have been to several KYANA Board meetings. And we get 14 mpg with hi-test!

As Mark Kubancik counseled, “welcome to the world of older cars.” What convinced us to replace the tires was a blowout on the Watterson near Westport Road. Talk about adventure! With LMPD and AAA support, we got Big Red off the road to a safe place to change the tire.

We have begun the building of a service network. Tony’s for the front-end work; Mills for the engine work; Bob Hook for the a/c compressor; Towery for the tires (“sure, we can get white walls”). And, of course, AAA.

BAB is now named Big Red! Big Red is a fine car, and Dana and I will enjoy her for a long time “running down the highway, going to a show.”
