FROM THE PRESIDENT MARK KUBANCIK

Surging inflation. Shortages. Broken supply chains. Sinking stock market. Rising interest rates. If you pay attention to the news even in the slightest you have no doubt recently heard these and other related terms. Listen too long or often and it's enough to get you down and thinking the days of bargains may be over. Fortunately for us KYANA members, we continue to be offered opportunities to have fun with our old cars at a great value. Just take a look at some of the upcoming events on the June and July calendar. Need to clean up the house, reduce clutter, and sell some forgotten treasures for extra cash? As a KYANA member you can request a table for no cost at the KYANA yard sale on June 11. The following day, June 12, you can see a live play and have a plated dinner afterwards for less than \$20! The following weekend, should you wish to take a road trip, you can travel with other KYANA members to the AACA Eastern Spring Nationals show in Beckley, WV. Your room here will only set you back \$35 and should you choose to join the KYANA group for dinner – and we hope you do – KYANA will pay your first \$10 to eat.

Perhaps you would rather stay closer to home. On Friday evening, June 24, you can display your old car at the J-Town Senior Center, hear a free oldies concert, and have a BBQ dinner from the BBQ Cowboy for only \$5! The next day you can take a driving tour to the Frankfort and Lexington areas on some beautiful back roads, have a buffet lunch, and tour two museums for only \$10! Still too expensive for you? On July 4th you can take part in the Norton Commons annual July 4th parade for no cost whatsoever.

While “value” seems to have been stripped from the value meal and the “value size” seems to have shrunk, KYANA continues to offer a great value to you for only \$10 a year. Even if you are unable to take part in these or the many other activities KYANA offers, twelve issues of The Sidelight for a mere \$10 a year is still a great value. So the next time you hear about record prices reducing your purchasing power, just wink and say “Not for me, I’m a KYANA member”. Hope to see many of you at these and other upcoming events.

Speaking of upcoming events, several KYANA members are honored to be showing their cars at the Keeneland Concours d’Elegance on Saturday, July 16 at Lexington’s picturesque Keeneland racetrack. Currently scheduled to be displayed are Jim Joseph’s 1936 Buick, Rosy Stolowich’s 1957 DeSoto, Jim Crotty’s 1965 Corvette, Hunt Palmer-Ball’s 1966 Shelby GT-350H, and Larry Wherthey’s 1968 Olds Cutlass. We would like to make this a day trip for other KYANA members that want to see some beautiful cars in a picturesque setting. This event needs a sponsor so if you are interested in hosting please contact Chester Robertson. If you have never sponsored before Chester and I will assist you through the process.

Thanks, Mark

Remember...it's supposed to be fun!

KYANA EVENTS BY CHESTER ROBERTSON

With Summer just around the corner, KYANA has a half dozen activities planned for your enjoyment this month. On June 4th, we need a couple hours of help cleaning and trimming the outside of the Ole KYANA Home. Please give Jerry Bass a call. For more information, please see the article elsewhere in this issue. The Yard Sale is back again this year, so come out, get your free space, pig out on the Hill's cooking and have a great time. The next day, you can relax and enjoy a play with great food hosted by the Burke family. The following weekend we are off to West Virginia for an AACA National event to see some beautiful antique cars. You still have time to make this trip. The following week Ray and Danita Hayes is having a car display at the J-town Senior Center. To complete the month, the KYANA Car Club are heading into Central Kentucky for a tour to visit a couple museums on Saturday the 25th. Jerry Bass is working on a southern trip to Nashville later this summer, there is more information about that trip elsewhere in this issue. Looks like KYANA has plenty to do this year. Don't just sit there, sign up now to attend as many events as possible. Chester

PHOTO WALL TILES

Many of our members and pre-members have asked about having a tile of their car put up on the photo wall at the front of the clubhouse, and we have answered your calls. We are excited to announce that we are restarting this service after several years of inactivity.

If you would like a photo of your car preserved on the front wall of the clubhouse – or perhaps just for display at home – we can have it printed on 8" x 10" ceramic tiles, including a couple of lines of text. It is easiest to start with a digital photo file, but we can also work with an existing print or negative. The prices cover the cost of the printing services, which are subject to change:

- Digital photo file - \$43
- Photo negative - \$48
- Existing print up to 5" x 7"- \$53
- Existing print up to 12" x 18" - \$77

The extra cost associated with starting from a photo negative or existing print is with the scanning service needed to transfer the photo into a digital format. If you are interested in having a photo tile made, please contact Alex Wilkins at 615-430-8027.

KYANA EVENT REGISTRATION

After two years of Covid, we are all ready to get back to normal. For KYANA, that means a steady stream of fun and informative events. With several events already in the books, the balance of 2022 has several events already scheduled that are sure to interest our members. While we enjoy and encourage active participation in our events, this is a friendly reminder that nearly all scheduled events require some form of advance registration. We have and enforce event registration deadlines as we must prepare the meeting venue and often provide advance attendee count to the caterer or activity organizer. As you can imagine, showing up unannounced at a planned event can create chaos for our event sponsors and volunteers. Please be considerate of your fellow members and event sponsors and register by the deadline if you plan to attend a KYANA event. Thanks in advance for your understanding and cooperation.

THE LANE MOTOR MUSEUM

In 2002, Jeff Lane established Lane Motor Museum. Jeff has been an automotive enthusiast since an early age. He began restoring his first car—a 1955 MG TF—when he was a teen. His personal collection was the donation that began the foundation. Lane Motor Museum unveiled its collection to the public in October of 2003. As director, Jeff Lane continues to search out cars for the collection that are technically significant or uniquely different. The goal of Lane Motor Museum is to share in the mission of collection and preserving automotive history for future generations.

Lane Motor Museum is one of the few museums in the U.S. to specialize in European cars. It is a working museum with the goal of maintaining all vehicles in running order. Some cars are in showroom condition, while others represent typical aging. Efforts are made to restore each vehicle to near-original specifications.

The Museum has been developed in a well-known Nashville landmark, the former Sunbeam Bakery at 702 Murfreesboro Pike. Home to the bread company beginning in 1951, the

132,000 square-foot facility was the largest and most modern bakery in the area at the time of its opening. The bakery building, outfitted for the museum's needs but left with many of its original characteristics, has a high ceiling, natural light, and hand-crafted brick and maple wood flooring. The architectural style complements the age of the cars represented. The main floor has approximately 40,000 square feet of open space, ideal for displaying the collection.

Lane Motor Museum is excited to offer Vehicle Demonstrations and guided Vault Tours on the **weekends!**

Vault Tours are held on *most* **Saturdays** and **Sundays** at 11:30 am and again at 2:00 pm. Vault tour schedules may change weekly so please check the schedule below to verify

that a Vault Tour is scheduled for the specific day you wish to visit. Tours are currently offered on **weekends only**. Only guided tours of the vault area are available so guests are not able to visit the vault unattended.

Although the museum has over 580 cars and motorcycles in our collection, we only have space to display about 150 cars at any given time. This tour is approximately 45 minutes long and gives an opportunity to view many of the other cars in our collection that are stored downstairs. Groups for vault tours will gather inside the museum exhibit area, near the brochure display. Tours will begin promptly at their scheduled time so please arrive about 5 minutes before the start time. Guests are asked to stay inside the yellow lines at all times because there are many slippery spots from oil and grease spills so it is dangerous to walk between the cars. Photography is allowed.

To access the vault from the main exhibit level, you will have to travel down a long, steep flight of stairs. If you are unable to use the stairs, please let a member of the museum staff know and we can help make arrangements to meet you at the back door of the vault. You will have to drive or walk to the back of the building to access this door.

Come join Carol and me as we lead you on an adventure to visit the Lane Motor Museum on Friday, September 16 and Saturday, September 17, 2022. We will be leaving Louisville on Friday afternoon for the short three hour trip down I-65 to Nashville Tennessee.

Enjoy a Dinner show At the Nashville Nightlife Dinner Theatre. Eat a delicious buffet dinner then experience a celebration of Country Music from both past

and present. Hear songs from many of the great artists in country music history along with today's hottest superstars. Enjoy the music of everyone from Hank Williams Sr. and Patsy Cline to the superstars of today like Sara Evans and Toby Keith! Throughout the season we have many guest stars appear at our theater including: (Grand Ole Opry Star) Jeannie Seely, "The Fiddle Man" Tim Watson, "Rising Star" Zach Janson, Diana Murrell, "Nashville's favorite" Brenda Best, Paula Poe Murrell (from the Tammy Wynette show) and many other celebrities.

Stay the night at the Best Western Hotel Music city Circle. You'll be within a 10-minute drive of Opry Mills and Grand Ole Opry. This hotel is 10 mi from Nissan Stadium and 11 mi from Ryman Auditorium.

Then meet Saturday morning for a short drive to the Lane Motor Museum for a fun filled day of viewing one of the best and most unusual collection of European vintage autos. We will be touring the main building collection starting at 11:30 am and then take the Vault tour at 2:00 pm.

If interested please contact Carol or Jerry Bass at (502) 296-3814 to reserve your spot.
