## FROM THE PRESIDENT MARK KUBANCIK

Hope you were able to attend some of the great KYANA events in October. Delightful weather certainly helped add to the fun, and we cannot overlook the efforts of the event sponsors to ensure everyone had a great time. The fun began October 1 with Roger Stephan's sponsored St. Francis car show where KYANA was well represented and won the club participation award. The same and following day, Chris Mueller sponsored the vintage car show at Bowmanfest at historic Bowman Field. I was only able to attend day one at Bowmanfest and was pleasantly surprised to see all the attendee attention our old cars garnered at an air show! Hope we get to show our cars here again next year. See show summaries and photos later in this issue of The Sidelight.

The weekend of October 15 & 16 saw KYANA members attend both the Kentucky Railway show in New Haven KY, sponsored by Neil White, and the Old Capitol Antique Car Show in Corydon IN, sponsored by Alex Wilkins. Several KYANA members took home hardware, or should I say "woodware", at the judged Railway show. Show photos and summaries will appear in the December Sidelight.

The fun continued in October with the annual Toys for Tots breakfast sponsored by the Vannatta family. Thanks for your continued generosity to serve this critical need in our community. In between all these events was the annual swap meet and car show in Hershey PA. I fully expected to provide a trip report in this month's message but real life intervened. Our brother-in-law's elderly father passed away the week before Hershey and the memorial service was scheduled for the following week in northern Ohio. Pat's sister and brother-in-law were always very supportive to my family when my parents passed, and we needed to show similar support for family. From what I heard, the first couple days of the swap meet saw off-and-on rain compliments of the remnants of Hurricane Ian. The last day of the swap meet and car show the following day saw beautiful sunshine and great attendance.

Despite the car show activities winding down in November, we still have several important events on the calendar. November 5 is the Veterans Day parade in east Louisville, November 20 is our annual Awards & Election dinner meeting at the KYANA clubhouse, and November 25 is the Light Up Louisville parade in downtown Louisville. Please plan to attend the Awards & Election meeting if possible; see meeting registration details in this issue. In addition to recognizing those members who serve our club throughout the year, we will also recognize those members who sponsored events in 2022. We will then select the officers and board members who will lead our club for 2023. In addition, we will be asking those members present to show their preference for the location of our annual adult Christmas party in a future year. This year's party is already scheduled for Big Springs Country Club. Some club members have suggested we consider having this party at the clubhouse in a future year. There are similarities and differences, and these will be detailed prior to surveying the attendees. Look forward to seeing you at one of our November activities.

*Remember...it's supposed to be fun!*

FROM THE SECRETARY ALEX WILKINS

## KYANA EVENTS BY CHESTER ROBERTSON

The holiday season is just around the corner. Now is the time to sign up for the upcoming events for the next two months. The Awards and Election Dinner is on November 20th out at the Ole KYANA Home. Please come out and claim your awards for all the hard work you have done for your club this year. We will be selecting officers for the new year and we need your input. You might even run for an office yourself. The Veterans Day Parade is on December 5th out at the Southeast Christian Church on 920 Blankenbaker Pkwy. This year we will display our cars and let the pedestrians walk among our antiques. An email will be sent out when all information is available. Please call or text Chester at 502-935-6879, or you can send an email to: [chesterrobertson@gmail.com](mailto:chesterrobertson@gmail.com), if you would like to attend. The Light up Louisville Parade is the day after Thanksgiving.

The Christmas parties will be held the first part of December. Make your plans and get in your reservations now!

Enjoy the Holidays. Chester

## PRAYERS, THANKS AND CONGRATULATIONS

- ✚ Prayers for Lyn Valentine, who is doing better.
- ✚ Joe Jenkins had a knee replacement.
- ✚ Tom McCarty has back issues.
- ✚ Patsy Basham and family are recovering from COVID.
- ✚ Pat Kubancik is having cataract surgery in November.
- ✚ We received a thank you card from the Vonley Mills family, which reads: We cannot begin to thank you all enough for your sweet expression of kindness with your gift on behalf of our father. Both he and mom enjoyed many wonderful years with the people in the car club. We are clinging to the blessings of having such wonderful parents. Thank you for your kindness and prayers. Thank you to the ones who drove the antique cars to the funeral. It made it special. Children of Vonley Mills.

Please pray for all of KYANA to stay well and safe. Enjoy the fall y'all. Patsy

## IT'S DUES TIME...AGAIN.....

Once again, we find ourselves approaching that wonderful fall season where the summer heat drifts away to be replaced by cool breezes and changing leaves that complement our cars too well to describe.

While you are thinking about all the wonderful events that finish out the motoring season, consider how you can avoid delayed processing of your membership renewal by submitting your dues payments to your friendly club secretary, Alex Wilkins, ***on or before December 1, 2022.***

Doing so allows KYANA to mail all membership renewals on behalf of the club members to AACA. Meeting the December 1, deadline also spreads out the paperwork processing that is handled at the AACA office of all members and chapters across the nation.

Please send your dues payment in the amount of \$55 (\$10 for KYANA and \$45 for AACA National) to the address below:

Alex Wilkins, Secretary  
2520 Corydon-New Middletown Rd SE  
Corydon, IN 47112

***Make all checks payable to KYANA***

Please also include the dues submission form included in this month's Sidelight so that you can update your contact information if any of it has changed.

## KYANA IN THE BLUEGRSS

By Hunt Palmer-Ball  
10/12/2022

Kentucky's Largest Car Club- KYANA A.A.C.A.  
Because We Care

As everyone knows this year Mother Nature has not been kind to the state of Kentucky, whether it be Western Kentucky with tornados or Eastern Kentucky with 100-year flooding. The fact that all of our neighbors and friends in these areas have been totally wiped out of their homes, schools, businesses and their normal everyday lives is devastating. These people are our neighbors, friends and relatives that have no place to go and live their normal lives. To think about all of the devastation, the lives lost and the sheer chaos that exists in their lives today cannot be described.

As you all know we have a lot of caring people in our car club, and we always try to do good. So, this past summer when we were working the NSRA Swap Meet one of our members, Jamie Garey, had an idea and it soon started resonating among all the members working the Swap Meet. His idea was a wonderful thought. The more we talked about it the more we wanted to do it. We all met and decided to present this to the board of directors of KYANA Charities. The idea was to donate all the money we made at the NSRA Swap Meet this year to a flooded area in Eastern Kentucky. To us, this seemed like the right thing to do. So, five of us attended the KYANA Charity Board meeting to present our idea. Hunt Palmer-Ball was the spokesman along with Jamie Garey, Charlie Myers, Ed Ferguson and Donnie Meyers. After the presentation we left the meeting so the Board could discuss our request. We all went outside to discuss what we would plan on doing. It wasn't long before the Board approved the idea. The guys were thrilled that the board reached consensus quickly, because this was going to be a timely event and we needed to make plans before winter sets in. Not only did the board approve our proposal, they added an additional ~\$5,000 to bring the total donation to \$14,000!

We started planning and doing research into what hard hit counties were in most need of our help. We finally decided to take a fact-finding mission trip. Neil White called around and ended up speaking to a lady named Wanda Brown at the Fiscal Court House in Hazard, Kentucky. She was very accommodating and helped us determine the areas with the most need and the people in charge of the disaster recovery for surrounding counties. So, on Wednesday, October 5<sup>th</sup>, Jamie, Hunt and Neil headed to Hazard, Kentucky. Our meeting was at 1:00 PM with the county judge and Wanda Brown. We received a wealth of information from that meeting. That led us to another meeting with Scott McReynolds, Director of Housing Development and Recovery. Scott was amazed and thankful that we took our time to come all the way to Hazard from Louisville to see for ourselves the destruction of his community. Scott and his staff helped us very much and explained everything that was going on and where the help was needed. He took us to view the new subdivision site for displaced families and showed us all the good work being done. After spending a half hour or so with Scott, we felt we had all the information we needed to help us with our decision. This trip did exactly what we needed, but I really think that when Scott told us that in his town alone, they lost 1900 homes, which did not include the other destruction in the area, that helped with our decision. We thanked everyone that we spoke to and decided we would go to lunch and talk over our findings.

After lunch we made one last stop to Fiscal Court and spoke to Wanda Brown and her staff to see if we could set up our appointment to make our presentation. They checked the record book and set up our appointment October 12<sup>th</sup> at 2:00PM. Those who would be attending the meeting at the courthouse were the mayor, the county judge, the housing director and council member. The week went by and on October

12 Hunt and Pat Palmer-Ball, Jamie Garey, Neil White and Donnie Meyers loaded Jamie Garey's truck with supplies and shirts and headed to Hazard, Kentucky. The trip takes about 3 hours one way, but the scenery was absolutely gorgeous and the excited group made the time fly by. We arrived in Hazard about 30 minutes before our appointment, so we went in and let them know we were all there and ready to make a lot of faces smile. While we were waiting for the meeting to start, Jamie and Hunt went to the Housing Authorities warehouse and unloaded the truck.

Everyone of any importance was at the meeting. We kept everyone in suspense as to what we were going to present. We had told them of our donation intentions, but we did not tell them the amount. The stage was set for the great reveal, all the people were wearing KYSWAP shirts on including the mayor and, we were getting ready for pictures and the presentation. Pat Palmer-Ball, our treasurer, presented the extra-large replica of a check to the housing director. Pat explained we were just a Kentucky car club but wanted to help those in Hazard as much as we could. Then, she revealed the amount of the check, \$14,000. There were smiles, tears, applause and joy with everyone in the room. They were in disbelief that our car club was so thoughtful and caring for people they did not even know.

Those people in Hazard were so nice, loving, caring and appreciative for what we did for them. The mayor said that they get a lot of pledges and promises all the time, but they don't always come through with the money. That is when Pat handed them the real check.

We truly made a difference. The money is going to a 501C3, and all the money goes to helping with housing, no administrative fees will come out of what we donated. Thanks to everyone for their help. WE DID GOOD!!!

The pictures shown with this article are of (1) the Hazard City Mural (2) one of the houses being built for those that lost their home and (3) another picture of the houses that are being built.

The picture of the donation to the Housing Development Alliance a 501C3 supporting the home construction can be found on the cover. Those in the presentation picture on the front cover are from left to right: Neil White KYANA Director, Betsy Clemons Hazard Perry County Chamber of Commerce Executive Director, Donnie Meyers KYANA Member, Pat Palmer-Ball KYANA Treasurer, Scott McReynolds HAD Executive Director, Hunt Palmer-Ball KYANA Member, Happy Mobellini Mayor of Hazard, Scott Alexander Perry County County Judge Executive, Jamie Garey KYANA Member.

## BOWMAN FIELD FEST

Bowman Field celebrated its centenary year in its 102nd year of existence. Of course, another victim of Covid-19. Great fall weather, and a great mix of collector's cars, made for a fantastic weekend. And KYANA was well represented again this year.

The car show had a perfect location right outside the Central American Airways hangar and there was great spectator traffic both days. It was very enjoyable to attend a car show where families and a variety of car and non-car aficionados were able to view a diverse group of cars. They were able to see the cars up close and ask owners about the car's history. They were able to get some great exposure to our hobby.

Speaking of our hobby, we were able to enjoy Bowman burgers and field franks both days. It was hard to resist them since the smoke from the grill started covering the grounds around 11:30. There were 10 food trucks, with a vendor area, a pub and a VIP area.

It's such a unique and special festival when you can see historic aviation, walk thru a C130, tour a DC-3, look at a historic bi-plane like the Jenny, watch a P-51 Mustang make its rounds with that Merlin Rolls Royce engine, and view the paratroopers dropping down from the sky. We were also able to watch an air show with stunts and barnstorming moves, see military reenactments, and view military firearms from past wars. The kids at the show were not neglected as they enjoyed the bouncy house, face painting, and pumpkin painting.

I told several people with the Bowman Fest committee that its unique when a car show can be complemented with an air show and static aviation show. Again, I would like to thank everyone from KYANA that was able to make the event. I enjoyed spending a great weekend and the hobby was well represent our car club. I believe we might have done well enough to get a couple future KYANA members.

Happy Fall and Happy Motoring,

Chris Mueller - faithfully submitted

## ST. FRANCIS OF THE FIELDS CAR SHOW

The October 1<sup>st</sup> car show at St. Francis of the Fields was a huge success again this year. No one could have asked for a more beautiful day. KYANA had 14 members who registered with me for the show. We also had a few members who registered at the show but not through KYANA. For those of you that registered at the show you might want to give this some thought. The registration fee for St. Francis is FREE, but when you register with KYANA through me KYANA donates \$20 for each car registered. It is a great cause so please keep this in mind next year. There were several members who received some trophies: Ronnie Rudoph, 1936 Auburn Speedster; Bennie Coleman and his grandson Colin, 1960 Chevy and 1965 Ford Mustang; George Fackler, 1959 Buick; Jim Crotty, 1965 Corvette; Don Ledington, 1954 Oldsmobile; David Staley, 1970 Dodge Challenger. Congratulations to all of you!!!!

By the way, our club had the largest turn out of all the clubs at the show and we won the \$100 prize. But being the generous club that we are, we donated the prize money back to the church. I feel sure they can find a better use for it than we can.

This entire show including the BBQ dinner is all for charity. It's lots of good folks all working together for a worthy cause. Folks, it doesn't get any better than that.

We also learned something that we need to remember in the future. It is very possible to have more than one club event for the same weekend and have a great turnout. Bowmanfest, St.

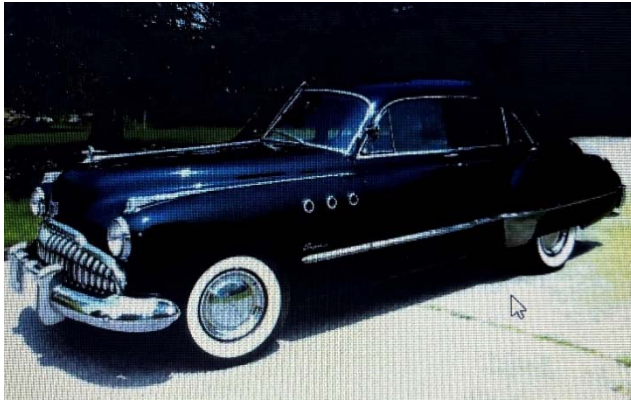

Francis and Hershey were all on the same weekend and provided a variety of events for the car club members.

Folks, if you have never attended this show, you missed out on a great time. It was a perfect place to enjoy the day talking with fellow KYANA members and getting to know each other. I hope to see you there next year. Roger.

FOR SALE

1949 Buick Super, black 4 door, straight shift. Beautiful car, but not perfect. Heads will turn and horns will honk. Good condition, well maintained, runs well and ready to drive. Lost garage space, need to sell. \$12,000 negotiable.

Lynn Harpring 502-451-3001

PLEASE SEE THE NOMINATIONS  
BELOW

FOR OUR NOVEMBER ELECTIONS MEETING\*

**For KYANA Region President: There is one candidate for this position**

### **Mark Kubancik**

Pat and I have been KYANA members since 2005. We enjoy the many activities and benefits available to us as KYANA members and also enjoy the company of the many friends we have made in the Club. I began serving you as the KYANA Region Secretary late in 2010 and assumed the role of Region President in January of this year. I've been honored and humbled by the many kind words you have shared with me as your club President.

As your President, I've worked with my fellow officers, our dedicated board of directors, and the general membership to offer a full calendar of activities as we emerged from a schedule stunted by the pandemic. Should I be fortunate to be reelected to a second term as President I would like to set forth a couple specific goals: 1) Freshen and update our event schedule with new activities and enhancements to existing events and 2) work with our board to offer electronic payment methods for both membership

renewal as well as event payment. I see both of these goals as critical to attracting and retaining new, active members. It is a pleasure to serve such a great Club that returns so much back to its members and the community. Your thoughtful vote for me as President is much appreciated and valued.

Mark Kubancik

### **For KYANA Region Vice-President: There is one candidate for this position**

#### **Chester Robertson**

This year has been a great success with a record of thirty-six events with two being overnight tours. I am running for your VP to urge you to get your antiques out and have lots of fellowship with your members in the coming months. I have served on your Kyana board for over thirty years in every position of the club. The most rewarding job is the VP which leads in the planning of all activities. We need your input and new chairpersons to have the best selection of activities for 2023. I ask for your vote and your help in making the new year a fun one. Let's drive the old buggies in the new year.

### **For KYANA Region Treasurer: There is one candidate for this position**

#### **Bethany Coates**

I joined KYANA in 2020 and have served as the Region Treasurer for 1 year now. I have 2 kids; Izabella is 15 and Andrew is 11. As part of the younger generation of Club members, I am interested in becoming more involved and learning what it takes to keep us going. As treasurer, I will do my best to protect and monitor our investment for all current and future members and their families. My professional background is in business administration. I currently work at the Omni Hotels & Resorts downtown Louisville as the Facility Coordinator. I have worked at University of Louisville for over 10 years in various departments. I worked with grants, contracts and gift accounts, reconciling department accounts and credit cards, audited accounts within the various departments, created and monitored multiple budgets, calculated timecards and prepared and entered payroll, and helped employees with their health insurance, FMLA and worker's comp claims. I also have experience with small business record keeping, accounts payable and receivable, and compiling year end reports.

I may not know all the ins and outs of car parts but I can compile a mean looking spreadsheet. I am excited about the future of the Club, contributing what I can, and learning a whole lot more.

I hope you will consider voting for me so that I can give back in the best way I know. Thank you.

### **For KYANA Region Director: There are two candidates for this position for two board seats**

#### **Brian Koressel**

Dear Kyana Club Members,

This is Brian Koressel, and I am running for re-election for the C3 charities board. I have been in the club for about 17 years and have been on the board of directors for the last two years. I have a great desire to help serve the board to create more access to activities that include overnight stays for the club members to enjoy and help member get to know each other better. I love antique automobiles and have certainly enjoyed taking part in car club activities with each of you over the years. I have a 1927 Chevy convertible and several other antique cars that I run around in. I know many of you personally and love being a part of the

Kyana Car Club. I am asking for your vote for me for re-election to the C3 board and I promise to do my best in serving the club. Thank you and see you at the elections.

Your fellow club member, Brian Koressel.

## **William K. Willhoite**

My name is William K. Willhoite, I have been an active member of KYANA over 12 years, as well as an active judge for AACA since 2010. I have no one particular car, but have bought, restored and sold 4 cars in that period of time. I have also run security every year for the annual swap meet, you may recognize me as the cash collector if you've ever worked any of the doors. Over 12 years I have not only made friends locally but also across the Southeast region of the country through KYANA.

It has come to my attention there is a recent opening on the board and after contemplation, I have decided to run for that opening, as I think the club itself deserves more of my time and experience.

I have been a member of many boards during my lifetime to include The U.S. Army NCO Academy, LMPD/JCSO School Resource (Sgt of Arms), Derby City Camaro Club (VP), Grenden Fields HOA, and University of Louisville Southern Police Institute (President). If elected, my promise is to dedicate my time to the advancement of the club as a whole, and the continuation of preserving classic car importance in our society, and of course ensure everyone is having fun. I humbly ask for your vote.

William (Willie)

**For KYANA Region Secretary: There is one candidate for this position**

## **Alex Wilkins**

It has been an honor serving the club as an officer for the past year after having spent a few years on the Board of Directors. I would appreciate your support in continuing to serve the club as Secretary for another year.

***\*Nominations from the floor will be accepted the day of election, however, the member nominated must be present to accept or decline the floor nomination.***
