

REVISED RULES AND REGULATIONS

Cape Haze Resort Version 9.1

Introduction to the Rules and Regulations

Courtesy to others is a guiding principle for our community. It is especially important to allow your neighbors to enjoy peace and quiet from 10 p.m. to 7 a.m. Please help us make Cape Haze a welcoming resort, a great place to kick back and relax.

Rules and Regulations are adopted by the Board of Directors¹ (BOD) of the Cape Haze Community Association and its Members (Cape Haze Resort Condominium Associations A, B and C) to provide for the safety, security, comfort and peace of all owners and renters and for the maintenance of the physical environment of the Resort. While Rules and Regulations can be quite complex and detailed, they cannot anticipate every circumstance encountered in the course of the operation of the community. It is the unit owner's responsibility to review and be familiar with these Rules and Regulations and to ensure personal compliance as well as compliance by any guests and tenants.

For that reason, the BOD has reserved for itself the ability to grant exceptions to the Rules and Regulations *for good cause and when requested in writing* [please see Rules and Regulations II (B)(5) and XI (C)].

1. **APPROVAL CRITERIA.** All transfers of Units by lease are subject to review and prior approval by the appropriate Condominium BOD, its agent or designee in accordance with the following criteria:
 - a. Approval of Leasing. All leases and tenants of a Unit pursuant to a lease shall be subject to prior written approval of the appropriate Condominium Association’s BOD, its agent or designee. Occupancy of a Unit by a person or persons in the absence of the owner, except for the spouse of the owner, or parents, children, grandchildren or siblings of either the owner or his spouse, shall be treated as a lease and must be approved by the appropriate Condominium Association’s BOD.
 - b. Procedure for Approval -- Application Form and Other Information. Within a reasonable time, not less than 10 business days prior to the commencement of the proposed lease term, a Unit owner or his agent shall apply for approval of such lease on the written application form prescribed by the appropriate Condominium Association. This application must be complete, signed and accompanied by the required application fee delivered by mail, email or in person to the Management Office. The owner or agent of the owner and the prospective lessee shall furnish such information as the BOD may reasonably require, including a copy of the proposed form of the lease agreement. It shall be the owner's obligation to furnish the lessee with a copy of all pertinent Governing Documents (*defined as the current Declarations, Articles, Bylaws and Rules and Regulations*) of the Community and Condominium Associations, and it shall be deemed sufficient compliance with this requirement if the lease agreement shall include an acknowledgement subscribed by the lessee that the lessee has examined such documents on the Association’s web site. Each lease agreement, or addendums attached thereto, shall contain (1) an agreement of the tenant to comply with the Governing Documents and all other documents governing or affecting the Unit; (2) a provision appointing the Association as agent for the owner so that the Association may act on behalf of the owner to enforce the lease, evict the tenant, or take such other action as the BOD may deem necessary or appropriate; and (3) a provision authorizing the tenant to pay rental directly to the Association upon receipt of written notification from the Association that the owner is delinquent in paying any monetary obligation to the Association. If the lease agreement fails so to provide, the provisions of this section shall be deemed incorporated therein by reference. The owner shall not be relieved of any liability or responsibility hereunder by virtue of the existence of said lease

or any of the foregoing provisions.

- c. AirBnB, VRBO and Other Leasing Arrangements. Owners using AirBnB, VRBO or similar agents remain subject to **all** of the provisions of Section VI. This includes (1) having prospective tenants complete either the New Tenant Registration Form or the Returning Tenant Registration Form as appropriate **and** submitting the form as provided in Section VI(G)(1)(b); (2) providing copies of the Governing Documents to prospective tenants; (3) acknowledgement by the prospective tenants that they have been provided with the Governing Documents; and (4) agreement by prospective tenants that they will follow the Rules & Regulations; and (5) completion of a background check for new tenants. Owners will list AirBnB, VRBO or similar agencies as their agents on the New Tenant Rental Application Forms.
 - d. Notification. It shall be the duty of the appropriate Condominium Association or its designee or agent to notify the Unit owner of approval or disapproval of such proposed lease or to request additional information within five (5) business days after receipt of the complete application for lease on the prescribed form with all required information and the application fee as may be determined by the Association from time to time. The Association or its designee or agent may request additional information or a personal interview of the prospective lessee. It shall be the duty of the Association or its designee or agent to notify the Unit owner of approval or disapproval of such proposed lease within five (5) business days after receipt of requested additional information and/or the day of the personal interview.
 - e. Security Deposit. The BOD or its designee or agent shall have the right to require, as a condition to approving the leasing of a Unit, deposit with the Association of a security deposit up to the highest amount allowable by law which may be placed by the Association in an account without interest. This deposit is separate from any deposit required by the unit owner. Upon termination of occupancy of the Unit by the lessee, the Association may deduct from the security deposit an amount equal to any actual or anticipated expenses occasioned by the wrongful acts of the lessee or his invitees, including but not limited to damage to the Common Elements and the Limited Common Elements. Each tenant shall be jointly and severally liable with the Unit owner for any damages to the Common Elements or Association property or other injuries or damage caused by the acts, omissions or negligence of such tenants or those claiming by, through or under them. Any amounts remaining from the security deposit after such amounts have been deducted shall be returned to the lessee by the Association not later than fifteen (15) days from the date of notice to the Association of the termination of occupancy of the Unit by lessee.
 - f. Only entire Units may be leased. Lease of rooms or less than the entire Unit is prohibited. Units may be occupied by tenants as single-family residences only. The maximum number of overnight occupants of the Unit shall be six (6). The maximum stay for guests of tenants is fourteen (14) days.
2. **DISAPPROVAL OF LEASING BY ASSOCIATION.** If a proposed lease or lessee is disapproved by the BOD for good cause (see below), the Unit owner shall be so advised

in writing as provided in Section VI(G)(1)(d) and the lease shall not be made. Any lease made in violation of these Rules and Regulations shall be voidable and the Association may institute suit to evict the tenant in which event the Unit owner violating these Rules & Regulations shall be liable for all court costs and reasonable attorney's fees incurred by the Association, both at trial and appellate levels. The Association neither shall have a duty to provide an alternate lessee nor shall it assume any responsibility for the denial of a lease or tenant if any denial is based upon "good cause" which shall mean and include the following:

- a. The prospective lessee for whom approval is sought (which shall include all proposed occupants) has been convicted of a crime involving physical violence or a crime of a sexual nature, or who is registered in a sex-offender registry in Florida or any other state in the United States of America, or who has been convicted of the illegal manufacture or distribution of a controlled substance.
 - b. The application for approval on its face, facts discovered in connection with any investigation the Association may conduct, or the conduct of the prospective lessee indicates a reasonable likelihood that the prospective lessee is unable or unwilling to comply with the Governing Documents. By way of example, but not limitation, a tenant taking possession of the premises prior to approval by the BOD as provided for herein shall constitute a presumption that the prospective lessee's conduct is inconsistent with the Governing Documents.
 - c. The prospective lessee has a history of disruptive behavior or disregard for the rights and property of others as evidenced by his conduct in other housing facilities or associations, or by his conduct in this Community as a tenant, prior Unit Owner or occupant of a Unit, or otherwise.
 - d. The prospective lessee has failed or refused to provide the information, tender applicable fees or appear for an interview, as may be required to process the application in a timely manner.
 - e. All Assessments, fees, fines and other charges against the Unit and/or Unit owner have not been paid in full.
3. **APPLICATION FEES.** The BOD may establish a reasonable fee for approving leases, payment of which shall be annexed to the tenant application form.
 4. **PERSONAL INTERVIEW.** The BOD may, but shall not be obligated to, require a personal interview of the prospective lessee(s) prior to the approval of the lease. The interview may be conducted by telephone or video conference if it would be unreasonably difficult for the prospective lessee to appear for a personal interview in Charlotte County, Florida.
 5. **BACKGROUND CHECK.** The BOD may require a background check on any prospective lessee.
 6. **UNAUTHORIZED TRANSACTIONS.** Any lease not authorized pursuant to the terms of the Governing Documents shall be voidable at the election of the BOD. Such voidability shall exist for no longer than one hundred twenty (120) days from the consummation of such transaction. Consummation is evidenced by occupancy of the Unit. The

Association must commence an action to set aside such transaction within such one hundred twenty (120) day period.

7. **TENANT CONDUCT, REMEDIES.** If a lessee fails or refuses to abide by the Governing Documents, the Unit owners(s) shall be responsible for the conduct of the lessee and shall be subject to all remedies set forth in the Governing Documents and Florida law, without waiver of any remedy available to the Association as to the lessee. The Unit owner shall have the duty to enforce his or her lessee's compliance with the Governing Documents by whatever action may be necessary, including without limitation, the institution of eviction proceedings without notice to cure, where legally permissible. If the Unit owner fails or refuses to enforce the lessee's compliance with the Governing Documents, the BOD shall have the authority to act as the irrevocable agent of the Unit owner to undertake whatever action may be necessary to abate the lessee's noncompliance, including without limitation the right to institute an action for eviction against the Tenant in the name of the Association, or as agent of the Unit owner. The Association shall have the right in any such action to recover from the Unit owner any costs or fees, including reasonable attorneys' fees, incurred in connection with such action, which recovery shall be secured by a continuing lien on the Unit in the same manner as Assessments for Common Expenses.
- K. **RENTER OCCUPANCY AND SUBLEASING:** There may be no more than two renters per bedroom. Renters may not sublet any or all of their unit.
- L. **OWNERS RESPONSIBILITIES:** Owners are responsible for the conduct of their guests and renters. Guests and renters should address problems and concerns about the Unit or the Resort directly to the unit owner and **not** to the Association's management or the BOD.

Section VII: Workers

- A. **GENERAL:** Maintenance workers and housekeepers are directed by the property manager. They are paid to perform certain tasks; when interrupted they have to work longer or harder or leave work unfinished. Address your inquiries, concerns and suggestions to the property management office.
- B. **PERSONAL WORK FOR OWNERS:** The workers on site are not permitted to perform personal jobs or errands for owners while "on the clock". Property management must be notified in advance if an association maintenance worker or housekeeper is going to be hired to perform work in a unit after hours.

Section VIII: Alligators (Gators) and Wild Animals

From time to time, an alligator may appear in our lakes. You may see its eyes just above the surface of the water or bathing in the sun. At night, you may hear the mating calls. While they are fascinating creatures, they have big teeth, strong jaws and a big appetite and are able to move very fast. **DO NOT FEED THEM OR TORTURE THEM!** They are dangerous, primitive reptiles. Please let management know if you see an alligator exceeding 5 feet in length so they can inform the appropriate authorities.

The feeding of wild animals, including alligators is prohibited in the Cape Haze Resort Community.

**Section IX: Work by Owners**

- A. OWNERS' RESPONSIBILITIES: Owners are responsible for maintenance, repair and replacement of items as set out in the Declarations.
- B. WORK HOURS: Except in an emergency, all work that could be disturbing to neighbors must be performed between 8 a.m. and 6 p.m. Monday through Saturday.
- C. BOD APPROVALS FOR WORK REQUIRING BUILDING PERMITS: Any work that requires a building permit must also be approved in writing by the BOD prior to any work commencing.
- D. FLOORING REQUIREMENTS: All hard surface floors must be installed over a sound attenuation membrane. The BOD is authorized to maintain an approved list of acoustical subflooring products for use in a Unit. Unit owners shall request a copy of the approved "acoustical subflooring products list" prior to submitting a request to replace the flooring in the Unit owner's Unit.
- E. MODIFICATIONS TO THE COMMON FACILITIES: No person, including Unit owners, may alter, modify, or change the Common Elements, or the Common Areas without first obtaining the written consent of the BOD. Any person, including Unit owners that alter, modify, or change the Common Elements, or the Common Areas without first obtaining the written consent of the BOD will be responsible for the full cost to restore the Common Elements, or the Common Areas back to the original state of said Common Elements, or the Common Areas.
- F. GENERAL BOD APPROVALS: With prior written approval of the BOD, unit owners may paint and tile their lanais, install new entry door hardware, install retractable screens on entry doors, and install hurricane protection. Owners must apply for approval on the Improvement Approval Form at least 15 days prior to any work commencing. All such work must be performed in strict conformance with the guidelines set out on the approval form. Emergency replacement of locks is not subject to this section.

Section X: Fees, Meetings and Notices

- A. APPLIANCES AND ELECTRIC VEHICLES IN GARAGES: The fee for running dehumidifiers, refrigerators, freezers and heaters in garage spaces and storage rooms is \$5.00 per device per month. Electric vehicles may not be charged using "house power" unless the unit owner and BOD have agreed on reimbursement.

- C. FEES FOR APPROVAL OF BUYERS: The fee for approval of prospective buyers is \$100, and for estoppels is \$150. Add \$100 for estoppels involving outstanding balances, plus another \$150 if the unit is in collection. Allow ten (10) business days for response from the Association. Add \$100 per item for an expedited response from the Association. Fees are payable to the Association.
- D. ANNUAL MEETINGS: The annual meetings of members, and the organizational meetings of the BODs, which are tentatively scheduled for the second Saturday in November, shall be

held on such dates and at such times and places as the BOD shall establish from time to time.

- E. BOD MEETINGS: Regular BOD meetings are scheduled periodically as determined by each BOD.
- F. MEETING NOTICES: Meeting notices will be posted in the library at the clubhouse, on the bulletin boards by the elevators in each building and via email to those owners providing permission for such communication.

Section XI: General Provisions

- A. AUTHORITY: These Rules and Regulations are declared pursuant to the Articles of Incorporation of Cape Haze Resort Community Association, Inc., supplement the restrictions contained in the Declarations of Condominium for Cape Haze Resort A 11/13, Cape Haze Resort B 3/5, and Cape Haze Resort C 7/9, and are joined by said Condominium Associations.
- B. COMPLIANCE REQUIRED: Every owner, his family, guests, invitees, lessees and employees **must** comply with all applicable federal, state and local law, including administrative regulations having the force of law, with these rules and regulations, with any and all rules and regulations which from time to time may be adopted, with any fine or suspension of rights and with every covenant, restriction, rule and regulation in the Declaration, the Articles of Incorporation and the By-Laws, all as amended from time to time.
- C. RELIEF FROM COMPLIANCE: The Association BOD may, in its sole discretions, grant relief to unit owners from specific provisions of the Rules and Regulations upon written request for such relief and good cause shown.
- D. FAILURE TO COMPLY: Failure to comply shall be grounds for legal action which may include, without limitation, an action to recover sums due for damages, an action for injunctive relief, and any combination thereof.
- E. FINES AND SUSPENSIONS: In addition to all other remedies, the BOD may impose fines or suspend the right to use the common facilities. Each day a violation occurs, after notice has been given, constitutes a new violation, and each new violation is subject to an additional fine. The process is as follows:
 - 1. **BOD ACTION AND NOTICE:** At any BOD meeting, the BOD may levy a fine against a unit owner, tenant, guest or invitee for an alleged violation of these Rules and Regulations and/or the Governing Documents. Notice of the violation and fine is provided to the party in violation in writing, giving that party 14 days' notice of their right to a public hearing before the Fines Committee. The fine or suspension of rights will be imposed if the Fines Committee confirms the fine or suspension of rights. The fine will be due and payable upon receipt of notification of the Fines Committee's confirmation of the BOD action which action shall be incorporated into the minutes of the BOD at which the fine or suspension was imposed. By law, fines cannot exceed \$100 per violation and may not exceed \$1,000 in the aggregate.

2. **FINES COMMITTEE:** The committee appointed in (1) above is composed of one member of each of the condominium associations and its members cannot be directors or related to any director, officer or employee.
3. **HEARINGS:** Fines Committee hearings are public. At a hearing, if requested by the party in violation, both the BOD and the party in violation may present testimony and documentary evidence and each may be represented by an attorney. In the absence of a request for a hearing, the Fines Committee will meet to approve or reject the action(s) of the BOD.
4. **FINES COMMITTEE DECISIONS:** At the conclusion of the hearing or meeting of the Fines Committee in the absence of a hearing, if a majority of the committee members agree, the fine and/or suspension levied by the BOD is imposed; otherwise no action is taken. In either event, the Committee will provide a written approval or rejection of the BOD action to the BOD and the party in violation within 48 hours of the hearing.
5. **FAILURE TO COMPLY WITH A FINE OR SUSPENSION:** If the payment of the fine is more than 90 days delinquent, the BOD may extend the suspension of the right to use the common areas and may suspend the voting rights of a unit. No hearing is required for the suspension of voting rights, but this action must be taken at a properly noticed BOD meeting. The BOD may also exercise any and all other remedies permitted by law.

F. OWNER RESPONSIBILITIES WHEN UNITS ARE VACANT

1. **WATER SHUT OFF:** Water must be shut off at the main shut-off valve within the unit if the unit will be vacant for 3 or more days
2. **LANAI FURNISHINGS:** Lanai furnishings must be removed whenever there is a severe storm warning. Furnishings must also be removed if the unit is going to be continuously vacant for 30 or more days.

G. MAINTENANCE REQUIREMENTS

In a multi-story condominium building, failure to maintain, replace and repair certain items can result in damage to the property of others. Whether or not the damage is paid for, inconvenience caused to others is irresponsible. If property damage to Common Elements is caused by one of the items below (or due to failure to comply with XI(F) above), unless the unit owner can demonstrate strict compliance with those sections (invoices, receipts and other evidence), the unit owner will be deemed to have been negligent.

1. **WATER HEATERS:** Owners are required to replace the hot water heater in their unit BEFORE the end of the warranty period as evidenced by the manufacturer's warranty documentation. This documentation may be required by the Association in the event of a leak resulting in damage to other units and/or common areas and must be readily available.
2. **APPLIANCE HOSES:** The water supply and waste water discharge hoses for the washing machine and dishwasher must be replaced periodically as recommended by the

manufacturer. Replacement hoses with woven metal jackets are preferred.

3. **BATHROOM CAULKING:** The caulking around showers and tubs and their faucets, spouts, escutcheons, drains and overflows must be maintained to prevent leaking.
4. **DRYER VENTS:** Dryer vents must be cleaned no less often than every 24 months.
5. **AIR-CONDITIONING DRAINS:** A/C drains must be cleaned no less often than every 24 months.
