Nominations for officers will take place from April 26 thru May 29. Please let someone know if you are interested in running for commander or officers.

*When the National Anthem is announced, there are several things to keep in mind: stand, remove your cap, face the flag, place your right hand over your heart, and sing along if appropriate. Don't talk, eat, or distract from the performance of the National Anthem. If you have a hat on, **remove it**. This etiquette applies **to both men and women** if they are wearing a unisex or sports hat (ball cap). Ladies-only decorative hats (like you see worn at the Kentucky Derby) can be left on, as of course can any uniform hats of performers or flag-bearers.*
